Sailor Neverland: Yeah it always is. Also J.D. I heard that Peter used a good imitation of Hook on some bank robbers to draw them out to arrest them.

Me: Yeah that always cracks me up.

Nico: That was really good.

Me: Every time Peter yells like Hook like that it always cracks me up and the urge to laugh hysterically like that is hard to control. But it was great.

Nico: Yeah that was cool.

Sailor Neverland: I can tell. That was great. Lets dance shall we?

She turned into Another Peter Fantasista!

Applejack: YEEHAW! Lets do it!

They flew into the air.

Nico: Good thing we all gained the ability to fly the year we met you girls.

Me: With wings.

Twilight Sparkle: Yeah you sure did.

Brittney: And I used my magic to help make flying permanent on the Fairy Dust.

Nico: You sure did.

Me: And Nico that was 2 and a half years ago in 2020.

Nico: Right I remember.

Applejack and Another Peter Fantasista clashed with a sword and dagger.

Me: Whoa! Look at them go!

Qin: Wow!

Me: Lets see if I can spice things up.

Nico: What do you have in mind?

Me: Watch.

I pulled out the Peter Fantasista Wonder Ride Book.

Me: (Reads Verse) "It was a Brutal Battle as the Lost Boys hit all of Hook's pirates and crew with makeshift weapons and blasted them all over with eggs, paint, tomatoes, fruit, and more and smashed their heads with coconuts and it was both a funny battle as they let them have it."

Another Peter Fantasista got pulverized with said items and more and Applejack smashed her down and I caught her as she was back to normal and I caught the Wonder Ride Book and it was called Dark Peter Fantasista. It glowed and turned into a new book called Neverland's Guardian Angel of Pan.

Me: Neverland's Guardian Angel of Pan. Awesome.

Sailor Neverland: That was still awesome though.

I brought her over.

Me: That was awesome though.

Applejack: YEEHAW! That was great!

Nico: Not done yet though.

Me: Nope.

Nico: Good catch though J.D.

Me: Thanks.

Nico: Get ready.

Then a figure jumped out and we saw that it was a dark version of Professor XXXL! It was ANOTHER PROFESSOR XXXL!

Me: WHOA! Another Version of Professor XXXL!

Nico: Whoa!

Another Professor XXXL: (In a girls voice) And it's good to see you and Eli again J.D.

Me: (GASP) That voice!

Me and Eli: ANGELA ATLANTICA A.K.A. SAILOR ATLANTICA!

Nico: Whoa! Atlantica's Sailor Soldier!?

Lola: Wow!

Nico: That is amazing!

Another Professor XXXL: I know. Shocking huh? I heard you guys killed Ursula.

Me: We sure did. Rarity, Eli and Ariel destroyed her and made her pay for her crimes against Atlantica.

Another Professor XXXL: That's good. I'm glad. And I heard that you brought back Athena and King Triton let his hatred of humans go.

Me: That's right. Lots of things happened in Atlantica.

Eli: Yeah so much.

Me: Also we found out that Davy Jones from the world of Pirates of The Caribbean was the one that was responsible for killing Athena.

Eli: It's true. I exploded in power and made that monster pay for everything he did.

Qin: Eli avenged Athena that day.

Another Professor XXXL: I heard about that. That was amazing. And Eli did you and your group…

Eli: Yeah Ursula is gone forever.

Me: Yep.

Qin: That was awesome.

Kaito: (gets out Zyuogher gear) Did Swartz promise you anything?

Zocks: (gets out Ninninger gear) Because we can grant it instead.

Another Professor XXXL: Just to reunite me with Eli, J.D. and Ariel.

Me: Well you already found us. Ariel is back home at the Estate.

Qin: Yeah. Lets get you back to normal.

Me: Yep. But this is gonna hurt.

Another Professor XXXL: I know. Hit me with everything you got.

Me: Right.

Kaito got a Zyuohger Sword and Zocks got a Ninja Steel Sword!

Sougo: (gets out Zyuogher Ridewatch) Also, you have Gaon to thank for helping to kill Ursula permanently.

Geiz: (gets out Ninja Steel Ridewatch) He was the one of the people part of the group that killed her.

Gaon: It's true!

Sougo got ZyuohEagleArmor while Geiz got NinjaSteelRedArmor.

Another Professor XXXL: I'm really glad that she is gone.

Me: But now King Triton doesn't hate us humans anymore. The Merfolk world and the Human Worlds are now connected.

Eli: It's true. Ariel and me are siblings as you know and me and Melody are like brother and sister.

Another Professor XXXL: That is wonderful Eli!

Me: We are all happy for them.

Nico: Yep.

Me: Lets do it.

I fired waves of energy and blasted her all over.

Nico: YEAH!

Qin: Awesome!

May: (gets out Fodder's Ridewatch) Also, Nico tried to sacrifice himself to save Triton and Ariel before.

Me: It's true. It was stupid but it was a great and courageous act of valor.

Another Professor XXXL: Oh wow! That is stupid but valorous.

Nico: Yeah.

May: (Activates Fodder's Ridewatch)

May got a lightning prod and went at Another Professor XXXL and electrocuted her. OUCH!

Me: Nice one!

May: Thanks. Watch this. (ACTIVATES EVILON'S RIDEWATCH)

She fired waves of energy beams from her eyes and smashed her down.

Maria: (gets out Animo's Ridewatch) Animo, whatever I summon with this is yours!

Animo: This will be interesting!

Maria activated it and summoned CELESTIALSAPIEN CONDOR! It was CELESTIACONDOR! Half Celestialsapien and Half Condor!

Maria: Meet Celestiacondor!

Animo: Wow!

Me: Wow! Half Celestialsapien and Half Condor!

Nico: Awesome!

The Celestiacondor fired waves of energy and blasted down Another Professor XXXL!

Maria: Now for this! (ACTIVATES KITTYRA'S RIDEWATCH)

She fired a hairball from her mouth and it hit Another Professor XXXL and smashed her down!

BLECH!

Loki and his team came and it had Quakemon, Asmodeus, Canis Major Zodiarts, Princess Igam And the Brown Cowls (Bluehilda).

Nico: Nice team, Loki!

Loki: Hey thanks!

Qin: Awesome!

Me: Yep.

Carapace: My turn!

He activated Birdbrain's Ridewatch and fired an energy blast and smashed her down!

Qin: YEAH!

Lola: Take that!

Nico: Yeah!

Lola: Awesome!

Nico: I never get tired of this!

Me: Me neither!

Then an Aerodactyl Swooped in!

Me: Whoa! An Aerodactyl!

Nico: Cool!

Qin: Wow!

Aerodactyl: (In a girls voice) And it's great to finally see you again Nico.

Nico: (GASP) Camilla Florence Nightingale!? Whoa!

Me: The famous Paleontologist that disappeared!?

Aerodactyl: Yep! I'll explain later.

She fired an energy blast and knocked down Another Professor XXXL and I caught the ridewatch and purified it.

I went over and picked up Sailor Atlantica and she was a girl with aqua blue hair and blue eyes and blue and aqua blue clothes.

Sailor Atlantica: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Professor XXXL: Snowcones as a victory treat, anyone?

We all got snowcones.

Me: Thanks Professor.

Aerodactyl: I have so much to tell you. I have 570 million years of catching up to do.

Nicole: 570 million years?

Aerodactyl: Yeah. I was exposed to the same energy that gave Kru'll The Eternal his immortality and I accidentally got sent back in time to 570 million years ago and I saw everything evolve on Earth from the Cambrian Period. I saw everything from 570 million years on up. Also I am now over 570 million years old.

All of us: WOW!

Nico: That's incredible!

Me: Wow!

Nicole: You got immortality and saw all of the Earth's life from when the Earth was in its infancy to today? That's incredible!

Aerodactyl: It sure is and I missed out on so much. I have so much to tell you all. Including what our history is like.

Qin: We can't wait to hear about it.

Nico: Yeah.

Me: Boy that is amazing that you saw everything in the Cambrian Period on up.

Qin: Yeah you have 570 million years of history to teach everyone.

Lola: Yeah!

Aerodactyl: I sure do.

Carapace: What's your favorite memory of Nico?

Aerodactyl: I have too many to count. But my favorite is when me and Nico discovered a creature called Serpentisuchops.

Nicole: Wow! That's a marine reptile that was recently discovered last year!

Aerodactyl: That's right and we had no idea what it was until it was identified back then.

Qin: That was awesome!

Camie: Wow! No kidding!

Lola: Yeah!

Me: Wow! 570 million years has taught you so much. Just like June Carrington went through over the course of 200,000 years.

Nico: Yeah. Lets get you back to normal.

Aerodactyl: Okay but I'm naked.

I put on my blind man glasses.

Me: I knew that was coming.

Everyone covered their eyes and Nico pulled out an orange leotard and I snapped my fingers.

Camilla lost her wings

And her hair and body were back to normal and she was naked and Nico gave her the leotard and she put it on and got up.

Camilla: Whoa! That was crazy.

Nico: No kidding.

Nico and Camilla hugged.

Nico: I've really missed you. (Groans) You've gained a lot of strength on you.

Camilla: Sorry. Yeah I have. But I missed you too Nico.

Me: Lets go home guys.

We went back home.

Lincoln: Whoa, we're here on a planet made of fruits and vegetables, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we also got bad news: our old enemy, Alec Trevelyan, has come back from the dead, and he still wants revenge on me for killing him.

Me: The first time was back in the Simulator, and the second time was two years ago, that traitorous bastard just doesn't know when to quit.

Nico: He sure doesn't, but good thing is, we now have use of the GoldenEye program after we got rid of Trevelyan. But, how the heck did that bastard come back?

King Kai: (Telepathically) Let me explain that, Nico. Alec Trevelyan was brought back from the dead by Manuel Fuentes of The Order of Nuestra Señora de la Santa Muerte who then implanted a Dark Orb into him and made him their mindless slave.

We gasped, but we saw Maria Garcia turn red with fury and her long midnight black hair turned into living black flames.

Maria Garcia: (Spanish Accent) (Speaking in Spanish) ¡Por qué, esos despiadados, malos, demoníacos, practicantes de la santería oscura, pedazos de mierda! Han cruzado una línea demasiado durante demasiado tiempo, ahora están trayendo de vuelta a los villanos que fueron asesinados por Team Loud Phoenix Storm, ¡al igual que con The Church of Necrom y The Order of The Black Cross! ¡Destruiremos hasta el último de ellos y les haremos sufrir todos los tormentos más oscuros del infierno mismo! (Translation: Why, those heartless, no good, demonic, Dark Santeria-practicing pieces of shit! They've crossed one line too many for far too long, now they're bringing back the villains who were killed by Team Loud Phoenix Storm, just like with The Church of Necrom and The Order of The Black Cross! We will destroy every last one of them and make them suffer all of the darkest torments of Hell itself!)

Ronnie Anne, Luna and Sol Rodriguez, and those who knew Spanish gasped in shock, including Lincoln.

Ronnie Anne: (Gasps) Maria Garcia?!

Maria Garcia cooled down from her fury, but her face turned red with embarrassment.

Maria Garcia: (Spanish Accent) (Embarrassed) Heh, sorry.

Lincoln: No, we don't blame you for cursing in Spanish, Maria. But, be careful not to do it especially around Ronnie Anne's family.

Nico: Sheesh, I never knew you'd start cursing in Spanish whenever you'd get that mad.

Ronnie Anne: Maria and her friends have always learned not to curse when they get mad, but that's not an easy task, especially when it came to Sergio's antics which involved provoking Lori for his own entertainment. When they first cursed at Sergio, Bobby and Tia Frida fainted to the floor, Mom almost screamed with fear, Carlota and Tio Carlos covered Carl, CJ, and Carlitos' ears, Abuelo was snoring at the time, and Abuela almost got out the Chancla on them.

Maria Garcia: (Spanish Accent) Ay, yes, we haven't forgotten. But, we apologized for that, but we didn't help it, Sergio has always caused trouble for all of us, and it almost got Lincoln hurt by Lori, who was driven into rage because of that bird.

Lincoln: That's right, you girls couldn't help it, but it was due to Sergio's penchant for starting trouble that led to that. But, don't worry, Ronnie Anne's family is watching him, and if he steps out of line, it's Chancla time. And I want to thank you, Winston, Mercy, and Mei for joining us, Pharah.

Pharah: You're welcome, Lincoln, and it's perfect though, since Lisa and Rika are part of your rescue team. Now, to find Trevelyan and kill him.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of seven girls calling for help and the sound of malevolent laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the seven girls, but they've been cornered by Alec Trevelyan, and he's

going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the seven girls, but they've been cornered by Alec Trevelyan, and he's going to kill them.

?: (Girl's voice) That heartless traitorous ex-friend of James Bond, let's get him and make him pay!

Suddenly, we saw Evil HERO Infernal Gainer appear before us.

Nico: Wicked, that's Evil HERO Infernal Gainer.

Lincoln: (Gasps) That voice, Annalise Halston, I knew it was you, but we'll talk later, let's kill that traitor once and for all.

We rushed over and before Alec Trevelyan could kill the girls, Lincoln fired powerful rainbow energy balls and elemental blasts at Alec Trevelyan and that caused the seven girls to get away and take shelter in a rainbow energy field Lincoln created to protect them from Alec Trevelyan and when he saw us, specifically Lincoln, he was furious.

Alec Trevelyan: YOU!

Lincoln removed the Dark Orb from Alec Trevelyan's hand and sent it to The Warp, and this angered him even more.

Lincoln: That's right, the very person who stopped your plans to get revenge on the world and killed you twice. I thought we were rid of you for good, Alec Trevelyan, but you don't know when to quit. Fine, this will be the very last time.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial

Then, Lincoln unholstered his Eater of Sins blaster and fired at Trevelyan's arm and blew it off, and he then drew a circle with his massive greatsword which turned into a magic circle with magic runes and with one thrust of his massive greatsword, he fired a beam of rainbow energy which incinerated Alec Trevelyan and sent him to The Black Gates. We cheered as we holstered our weapons and we powered down.

Lincoln: Go to Hell, Trevelyan, you've caused enough suffering for the last time. (To Annalise Halston) And it's so good to see you again, Annalise Halston.

Annalise Halston reverted back to normal, and she's a beautiful girl with long blood red hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Infernal Gainer, she has on a sleeveless midnight black shirt, midnight black skirt, midnight black knee-high high heeled boots, and long white sleeveless trenchcoat with darkness and demons on the coattails and on the back is Evil HERO Infernal Gainer and holstered on her back is a massive Evil HERO Infernal Gainer-themed greatsword with embedded red gems and Evil HERO Infernal Gainer etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Annalise Halston: You too, Lincoln, it's been six and a half year since we last met, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, and Micaela Davis same with you, Irina Han.

Lincoln went up to Annalise Halston and he hugged her, and Annalise Halston is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Annalise Halston: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Annalise Halston, she's my Guardian Angel from Michigan and classmate in Science. Of all the Evil HERO Gene-Slammers in my harem, Annalise Halston is known as the brain of the Evil HERO Gene-Slammers, she's an incredible genius and her intellect and cunning had beaten Lisa so many times, Lisa's crawled away back to her room in defeat, and they'd heard her screaming in pure fury and rage even if she had her door closed.

Gretchen Holland: She even swore like crazy, but thank goodness Lily wasn't even in her room at the time Lisa crawled away back to her room, and I was surprised no one hadn't duck-taped her mouth shut.

Irina Han: And I also helped increase her intellect and cunning by teaching her some clever tactics that she'd used to outsmart Lisa, should she try to kill Lincoln again and lie again saying that it's for science.

Me: Wow.

Nico: Irina knew a lot of ways to outsmart even the most intelligent of villains, or those who are just as dumb as a sack of potatoes.

Lincoln: That's right. Plus, Annalise's also also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, and Micaela Davis and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you. And among your enemies, which one did Micaela really hate with a blazing passion, Lincoln?

Nico: That's right, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and the very person who earned Annalise's hatred, that would be Lisa.

Annalise Halston: We'll tell you guys about that later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Annalise, are you absolutely sure about this?

Annalise Halston: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Annalise Halston, and he saw that she's really serious, and he smiled as he walks over to Annalise Halston, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Annalise Halston's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Annalise Halston's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Annalise Halston: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Annalise.

Annalise Halston had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Aki Adagaki, Yoshino Koiwai, and Futaba Tae from Masamune-kun no Revenge, Master Raven and Lidia Sobieska from Tekken, and Cassie Cage and Jacqui Briggs from Mortal Kombat.

Lincoln: Oh wow, it's Aki Adagaki, Yoshino Koiwai, and Futaba Tae from Masamune-kun no Revenge, Master Raven and Lidia Sobieska from Tekken, and Cassie Cage and Jacqui Briggs from Mortal Kombat.

Nicole: (Gasps) Uh oh, we're so going to have to tell Sonnya, Johnny, and Jax about this.

Lincoln: I was just about to say, Nicole, since they're the kids of three of our friends who helped us when we went after Shang Tsung. Are you girls okay?

Aki Adagaki: Yes, we're okay, thanks to you.

Then, when Aki Adagaki and the other six girls saw who it was that saved them from Alec Trevelyan, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The

Jacqui Briggs: Wait a second, the white hair, you're Lincoln Loud of Team Loud Phoenix Storm. Dad's told me about you.

Cassie Cage: Same with Mom and Dad.

Lincoln: I guess it was only a matter of time before you found out from your parents. But, in any case, it's a pleasure to meet you all.

Then, Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Aki Adagaki: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Aki Adagaki, Yoshino Koiwai, Futaba Tae, Master Raven, Lidia Sobieska, Cassie Cage, and Jacqui Briggs with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was bad news: Alec Trevelyan, our old enemy, who has come back from the dead, and he still wanted revenge on Lincoln for killing him, but we also found out from King Kai that he was brought back by Manuel Fuentes of The Order of Nuestra Señora de la Santa Muerte who then implanted a Dark Orb into him and made him their mindless slave.

But, when Lincoln showed what happened such as all of us laying a beatdown on that traitor and Lincoln finishing him off by blowing Trevelyan's arm off and firing that beam of energy which incinerated him and sent him to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Annalise Halston have a lot of catching up to do, now that she's back in town.

Maria: That's the last time Alec Trevelyan dares to come back, but Manuel Fuentes went too far, and so did the rest of The Order.

Ronnie Anne: Which prompted a nasty cursing from Maria Garcia.

Lincoln: But, either way, Alec Trevelyan's finally dead and gone forever, and Manuel Fuentes is going to be destroyed later on today.

Nico: That's right.

---

After finally putting an end to Alec Trevelyan for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Annalise Halston saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Annalise Halston: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Annalise, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Annalise Halston: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Annalise Halston: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Annalise, what's the story on why you hate Lisa with a blazing passion?

Annalise Halston: That's a tale I haven't forgotten. One day, I was heading down to The Loud House to help Lincoln with a huge math assignment for homework, but then, I heard a scream for help as soon as I got near along with the sound of maniacal mad laughter, I soon found out the scream for help was from Lincoln, and there was only one person who could laugh like a mad scientist: Lisa, that heartless and emotionless scientist. I knew she had Todd patrolling, and if he found me, he'd capture me and make me watch as Lisa kills Lincoln. So, I decided to ruin Lisa's so-called experiment. I snuck up behind Todd and installed a virus that I created into Todd's programming and he went completely haywire and he went inside and he was causing havoc in Lisa's laboratory, this caused Lisa to panic and she tried to stop him, that allowed me to free Lincoln who was strapped to the table and a laser was aimed right at him. I found her tape recorder and inside it was a tape of her latest plan to kill Lincoln, the dummy forgot to remove it, and I took it down with me and as I gathered everyone here, I played the tape recorder and when they heard her plan to kill Lincoln saying it's another experiment for her studies, they were furious. Lisa got Todd under control and removed the virus, but when she saw her tape recorder and Lincoln were missing, she was too late to find out that I did this and she ran downstairs with a scalpel she grabbed from her room and she was going to kill me, but when she came downstairs, everyone was already glaring at her, and so was I.

Past Lisa: You! You ruined my plan to finally end my eldest male sibling unit's life! I'll kill you and he's next, that worthless test subject!

Past Annalise: No, that's your older brother, and FYI, he's a human being, not a test subject, you pathetic little monster! For someone so smart, you really are dumb, Lisa. That's right, I was the one who put that virus in Todd's programming and snatched your tape recorder and got Lincoln out.

Annalise Halston: Lisa was so angry, she raised her scalpel and ran at me to stab me in the chest, but Lincoln fired a blast of darkness at Lisa and it sent her flying into a wall and she dropped the scalpel and she was also tied to a chair in dark energy ropes. Everyone was horrified and furious at Lisa's evil behavior, and Mr. and Mrs. Loud decided on the punishment: Lisa was grounded for thirteen weeks for what she almost did to Lincoln, and Lily fired blasts of water at Lisa's robots and destroyed them all again, and she changed the password to Lisa's bunker again, and Lisa was sent to Aunt Ruth's place. Lincoln hugged me tightly and he cried into my chest, and I hugged him tight.

When she was finished, we were horrified.

Nico: Lisa thought she could get away with trying to kill Lincoln again, but Annalise was always on to her and she not only outsmarted her again, but she saved Lincoln and gave her a taste of her own medicine.

Me: Which got her grounded big time and sent to Aunt Ruth's again.

Lincoln: That was a really big punishment, and she was broken from having to eat nothing but moldy pudding and deal with Aunt Ruth's cats. After her punishment was up, she was broken mentally and she really apologized to me and all of us, and she had to run to the bathroom to barf.

Lori: Lincoln wasn't kidding about Lisa eating nothing but moldy pudding, it was horrible, and no one wanted to be put through that again.

We got a shower afterwards, and then, Lincoln, Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) are heading to Aquatic Ruin Zone.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved the girls from a group of thugs sent by that spoiled brat, Mandy, to kill them because she wanted revenge, but Lincoln saved the girls and he killed the thugs and absorbed them into his body, and Caitlin and Dominique took a picture, sent it to Mandy, and pissed her off even more.

Caitlin (Totally Spies!): This is so awesome that we're here in Aquatic Ruin Zone.

Lincoln: I've been here many times before, and it's still awesome as ever, and it's perfect for our first beach date, ladies. Shall we?

Lincoln, Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) and they hugged the girls in their abnormally massive and powerful muscular arms and Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Caitlin (Totally Spies!), Dominique (Totally Spies!), Kitty (Ridonculous Race), Taylor (Ridonculous Race), and Sanders (Ridonculous Race) with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Sam Simpson: And you and Dominique are now part of Lincoln's harem. Plus, that picture you took of him killing and absorbing Mandy's hired thugs and sending the picture to her really angered her.

Caitlin (Totally Spies!): As we said, Sam, Mandy's no longer our friend, she used us for her own evil and selfish needs and desires.

Dominique (Totally Spies): She'd done enough damage to us already, and she'll remain in prison for good.

Lincoln: You got that right. She's a monster and she belongs in a cage.

Nico: Tied up and chained to the wall of her cell like the animal that she really is, what a bitch!

Me: Speaking of which, the guards are still monitoring Lila Rossi.

Lincoln: She still wants us dead and Paris to burn, it won't be long before she's put down for good and sent to The Black Gates, we just got to be patient for a little while longer.

Nico: Yeah.

Later it was time for Vinyl Scratch's final ambassador mission.

William: Anyone else want to go with Vinyl? Besides the live action and animated versions of Optimus?

Apple Bloom: Me and the Cutie Mark Crusaders will go next.

Me: Awesome girls. You will love this mission and you will love meeting Jun.

Vinyl Scratch: You sure will.

Camie: Yeah.

Nico: Anyone else?

No one answered.

Nico: All right lets go.

Cutie Mark Crusaders: CUTIE MARK CRUSADERS MISSION WITH VINYL SCRATCH! YAY!

We laughed!

Me: Awesome.

We were off.

TOKYO, JAPAN

We arrived in Tokyo.

Me: Wow it sure is busier than ever.

Live Action Optimus Prime: Boy it sure is.

We arrived at the park and saw Jun and Kazumi.

Jun: Hey guys!

Kazumi: Awesome to see you guys.

Me: Same here.

Vinyl: Jun, meet two versions of Optimus Prime.

They transformed.

Live Action Optimus Prime: Greetings, I am Optimus Prime, Leader of the Autobots. I'm the Live Action version of him.

Animated Optimus Prime: And I'm the Animated version of him.

Me: We've had encounters with many versions of Optimus Prime.

Starlight Glimmer: It's true. And I was the Ambassador for the Live Action Transformers Universe last year.

Jun: Wow! That is amazing.

Me: It sure is.

Apple Bloom: And we are the Cutie Mark Crusaders. I'm Apple Bloom, Applejack's little sister.

Sweetie Belle: I'm Sweetie Belle, Rarity's little sister.

Scootaloo: I'm Scootaloo, Rainbow Dash's adopted little sister.

Diamond Tiara: I'm Diamond Tiara.

Silver Spoon: And I'm Silver Spoon.

Me: Apple Bloom, Sweetie Belle and Scootaloo are the ambassadors for Bokuto Station with Natsumi and Miyuki.

Jun: Oh wow! I heard lots have been going on with them earlier.

Me: Yep.

Live Action Optimus: Jun, you have my condolences about what you went through. (clenches his fist) My fellow Autobots and I know what it's like because of Cemetery Wind.

Me: Yeah it's a really ugly story.

Starlight Glimmer: It's true. The Autobots and Transformers of the Live Action Universe went through the same thing you went through Jun.

Jun: Really?

Starlight Glimmer: Yeah that was terrible.

Me: Yeah. Last year we had to help Starlight Glimmer out with dealing with an evil terrorist organization named Cemetery Wind and destroy them and prove that the Cybertronians are good people just like everyone else. And it was a very difficult task but we prevailed.

Nico: Yeah.

Jun: Wow.

Kazumi: That is amazing.

Me: Yep.

Kazumi: But do you guys ever miss fighting Decepticons? Because that was pretty much your entire lives

Live Action Optimus: Yes we do miss fighting them.

Nico: But now the Autobots and Decepticons are at peace with each other. I'm now leading the Decepticons on the road to redemption as I was made the new leader of the Decepticons.

Nico showed his Decepticon Leadership Medal.

Jun: What's that?

Nico: It's my Decepticon Leadership Medal. I was given this when we destroyed Unicron in our universe and because of that we brought an end to over 8 million years of fighting. I was appointed as leader of the Decepticons and am leading them on the road to redemption. Many of the Decepticons we faced in both universes are in the Masters of Evil and many of them are in the Redemption Squad too.

Jun: Wow that is amazing!

Kazumi: It sure is! You guys have done so much.

Animated Optimus: In my world, me and my team also fought criminals. Decepticons weren't the only ones we fought.

Me: It's true. And one of their enemies was also in the ranks of Team Dark Phoenix Storm.

Jun: I've heard all about that! Meltdown I think was him.

Me: That's right.

Nico: Yeah.

Eli: That was an epic battle on October 10th, 2021.

Me: One of our most unforgettable adventures.

Animated Optimus Prime: Yeah.

Kazumi: Wow! That is incredible!

Me: Yep.

Vinyl Scratch: That was an adventure none of us will ever forget.

Jun: And was it true that the Animated version of Sentinel Prime was a huge big chinned dirtbag asshole?

Me: EVERY SINGLE word of it.

Eli: Yep.

Nico: Anyway, are any new Devilbeasts active?

Jun: Well you aren't going to like this. But it's a little 4-year old girl named Remi Takashima.

Nico: What can you tell us about her?

Jun: She is the Flame Beast.

She told us about her.

---

Remi Takashima is a four year girl. The building which Remi lived in had burned down. After going through the remains, firefighters found her buried under some rubble, and amazingly, she was still breathing. Assuming Remi possessed the beast gene, she was kept alive to be used as a guinea pig.

After being observed in the hospital, she once again unintentionally starts a fire. Jun is sent in to eliminate Remi. After being attacked by her fire, Jun transforms, but still tries to confront Remi without hurting her. We see a flashback, and learn that, after finding an interest in fire, Remi found that she had the power to start fires with her mind. Remi unintentionally started a fire in her room. Her mother came in to her room to get her, but after touching Remi's hand, she caught on fire and burned to death.

Remi calls for her mother, and walks toward Jun, arms open. Jun hugs Remi, and the fire surrounding the child slowly dies out. Jun hugs Remi one last time, and the child cracks and falls apart. All of this having started because Remi possessed the Beast gene, and was unable to control her powers.

---

When she was done we gasped in shock!

Me: Whoa! She has pyrokinesis!

Eli: That's intense!

Starlight Glimmer: I feel bad for her though.

Nico: She's not the first little girl with out of control fire powers that we've known.

Starlight Glimmer: That's right. Charlie McGee is another example.

Me: Yeah. Her fire powers are intense. Ever read the book Firestarter?

Jun: Boy I sure have and I feel bad for Charlie. She was going to be turned into a weapon because of her powers.

Me: That really disgusts me. But yeah I feel bad for her.

Eli: We sure do.

Starlight Glimmer: No kidding there. She had all these fire powers and they were going to use her as a weapon.

Me: No way in hell would we ever let that happen.

Apple Bloom: That's right! Charlie is human like all of us.

Animated Optimus: My fire extinguishing foam can put her out.

Nico: No Optimus. We got to separate her Devilbeast form from her first.

Me: That's right. Jun, we can help her. We have this very powerful and very strict code that prohibits us from killing innocents and killing children under the age of 18 no matter what.

Eli: Only on rare circles can we do that to the most evil and dangerously vile of kids.

Sweetie Belle: Yeah it's a powerful code.

Me: Yep. Since she is only 4 that means we'll separate her from her Flame Beast Form and then kill the monster.

Jun: Good call there.

Animated Optimus: I don't think my fire exinguishing foam will hurt her that much. But it WILL extinguish her flames.

Me: Just trying to be cautious though.

Animated Optimus: I understand.

Nico: Good.

Eli: I sense her coming. She is 2 klicks away and closing.

Me: We better be ready. I sense that Satoru is not far behind too. This time I'm going to blast his wings off.

Animated Optimus: No. I got a better idea.. His legs probably regenerated by now. But I'm gonna use my axe to chop his left wing off when I get an opening. The right wing will be destroyed with him on the big day.

Me: That works even better. With one wing his power will be severely crippled.

Nico: Yep.

Eli: I like it.

Nico: We got no objections with fighting a one winged asshole on the big day. We've actually had experience with those.

Eli: Yep. Take it from me.

Nico: Yep.

Eli: Here she comes.

We saw a little girl coming and she had brown hair and brown eyes and had blue clothes.

Me: Remi?

Remi Takashima: Who are you?

Me: We are Team Loud Phoenix Storm. We are here to help.

Live Action Optimus: We know about your condition.

Remi Takashima: I can't control myself. I keep burning everything I touch.

Me: Remi look.

I took her hand and my fire aura flared up.

Me: You can't burn me because it doesn't hurt me. But we can help you.

Remi Takashima: How?

Me: We can get rid of this monster you have in you and save you.

Animated Optimus: I have a weapon that can keep the flames at bay for a while. But you need to trust me.

Remi Takashima: Okay.

Me: Trust me on this too.

Remi Takashima: Okay.

Animated Optimus sprayed his fire extinguisher foam at Remi.

Nico: By the way, Jun, here are your Legend Items.

Jun: Wow.

Me: You'll like who you got as your archenemy.

I then chanted an incantation and then a blob of fire separated from Remi and she collapsed and Kazumi caught her and we saw THE FLAME BEAST!

Nico: WHOA!

Me: The Flame Beast! Time to extinguish!

Animated Optimus: (hears something) Uh oh. I think we're about to have a visitor.

Me: Satoru?

Animated Optimus: I think so.

Nico: I see him.

I teleported and punched him in the stomach with devastating force.

Animated Optimus: (to Live Action Optimus) Take care of the hot head. I got Satoru!

Me: Okay then.

I fired waves of water and they hit Flame Beast and steam came out.

Apple Bloom, Sweetie Belle and Scootaloo blasted Flame Beast with water all over.

Jun: (gets out Lokar's Fuestle) Let's see what this does!

She activated it and fired waves of water illusions and blasted Flame Beast all over!

Eli: Awesome!

Me: Yeah!

Nico: Your archenemy is Lokar from the Power Rangers series.

Jun: Neat!

Live Action Optimus: (gets out Giant Ralph's Fuestle) Without you being inside Remi, you're just a mindless monstrosity. Just like Shockwave's Driller from my world.

Nico: That's right!

Live Action Optimus activated it and fired wave of energy and smashed Flame Beast all over.

Eli: Take this!

He fired waves of water and steam came off it.

Animated Optimus: (Gets out Baby Bowser's Fuestle) To quote my counterparts, Satoru, one will stand. And one will fall!

He activated it and fire glowed on his axe and he slashed off Satoru's left wing and he screamed in agony as it was incinerated off!

YIKES!

Nico: Take that moth boy!

Animated Optimus: Don't feel too bad. You probably weren't using that wing anyway!

He growled ferociously.

Satoru: You will pay for this!

He left.

Me: That's that. Now for this.

I fired waves of water and evaporated the entire Flame Beast.

Me: YEAH!

Vinyl: Take that!

Nico: That's it for that.

Me: Yep.

Eli: Wait I hear something.

We heard snoring?

Me: Is that snoring?

Nico: Okay, who's asleep right now?!

Eli: I think it's coming from there.

We went into the bushes and we saw a Snorlax.

Nico: Whoa a Snorlax.

Me: Boy this one must be really tired.

Eli: I sense something human about this one.

Me: It's a Snorlax Gene-slammer.

Jun: Hey, wake up.

Me: Wakey wakey time to wake up.

The Snorlax groaned and woke up.

Snorlax: (In a girls voice) (Groggy and sleepy) (Yawns) Is it time for breakfast?

Nico: (Laughs) Cassie Covvington. I knew it was going to be you next.

Me: You know her?

Nico: Yeah she is a friend from school but she is someone that has severe Narcolepsy.

Me: Oh she gets tired very easily.

Nico: Yep. But she is like Sleepy from Snow White and the Seven Dwarves.

Eli: Wow.

Nico: Yeah she likes to sleep. It's a problem.

Me: Oh.

Snorlax: (Snoring)

Me: Boy she sure is a tired one. Lets get her back to normal.

Nico got out a green leotard and I put on my glasses and snapped my fingers and everyone covered their eyes.

Cassie lost weight.

She lost her huge girth and she was back to normal and Nico put on her leotard.

Nico picked her up.

Cassie Covvington: (Snoring) I missed you Nico. (Snoring)

Nico: Me too Cassie.

Vinyl: That was awesome though.

Jun: Before you fall asleep, can you tell me your favorite memory of Nico?

Cassie Covvington: (Snores) Oh sure. I liked it when he reads me bedtime stories.

Nico: Her favorite is when I read her the story about The Little Car that Saves The Day.

Eli: Aww that is so cute.

Apple Bloom: It sure is.

Diamond Tiara: That is awesome.

Vinyl Scratch: I think so too.

Jun: Vinyl, ever since I met you, I've seen you as my little sister.

Vinyl: Really? Oh Jun.

She hugged her.

Vinyl: I should also one day introduce you to my friend Octavia Melody. You would love her too as a sister.

Jun: I'm sure I would.

They hugged.

Apple Bloom and Sweetie Belle: Awwww.

Me: So adorable. Vinyl Scratch's missions are done.

We later went back home.

---

We later came back.

May: Hey guys. How did it go?

Me: Awesome as always.

We told everyone everything and it was great.

May: Whoa! That is amazing!

Qin: And you got Cassie with you. Wow.

Qin got her and took her to her own room.

Qin: You can sleep to your hearts content Cassie.

She was snoring.

May: Irena, for your first mission, Laval and 2 Rabbids should come with you.

Irena Malloy: Wow! Looking forward to this one!

Nico: Yeah we all are.

---

We were watching TV.

Yuina Tachibana: Wonder what's on TV.

Me: Lets find out.

I was scrolling through channels.

Eli: Things have been quiet.

Lola: Yeah.

Me: Whoa look at this guys.

We saw on TV a bunch of people being tied to posts

President: Reolit Vendetta, you all have been found guilty of treason and terroristic attempts against our heroes Team Loud Phoenix Storm. You all are hereby sentenced to death!

The crowd jeered and shouted and told all those people to go to hell!

Nico: WHOA!

Eli: Brutal!

President: Laurence Salazar do you have any last words?

Laurence Salazar was the leader of Reolit Vendetta.

Laurence Salazar: I do! They may silence us, but they can't silence you! Fuck Team Loud Phoenix Storm and fuck all of you! You will not take away our voice! You will not take away our power! You will not take us! Fuck you All! Fuck you! Fuck you all! Fuck Team Loud Phoenix Storm! This planet can go to hell!

Me: Shut your fucking mouth buddy! Here's what we say to you. Go fuck yourself!

They readied their guns and they fired at them and blew their bodies full of lead and killed them!

Nico: Good riddance.

Me: This will send a clear message to everyone that if they are against Team Loud Phoenix Storm, they are against everyone on Earth and the universe.

Kaisa: (calls the president) (British Accent) Mr. President, you didn't inform us of this Reolit Vendetta gang.

President: Yeah it was a dangerous ultra secret terrorist organization that we found that was out to destroy you all.

Me: Good thing you found them sir. Thank you.

President: You're welcome J.D.

Nico: At least this will send a message to everyone. If you are against us, you're against the world and the universe.

President: That is for sure Nico.

Acid Storm: It's one thing to hate us. But wanting the planet to go to Hell?!

Me: No shit!

Qin: What a bunch of morons!

Xenia: YEAH!

Lola: Monsters!

Slingshot: Mr. President, let us know if there are any organizations like that one. We don't want to be caught off guard.

President: Will do.

He hung up.

Me: Thank goodness that one is done for.

Qin: Yeah.

The doorbell rang.

Maria: I'll get it.

She went and got the door.

She then saw a DRAGONITE AND DRAGONAIR!

Dragonite: (In a girls voice) Is Nico here?

Maria: Wow a Dragonite and Dragonair! Nico it's for you.

Nico: Thanks.

Dragonite: Nico!

Dragonair: (In a girls voice: Awesome to see you!

Nico: Whoa Connie Dragonetti and Amelia Kazekami! Awesome to see you girls again.

Dragonair: Same to you.

Me: Wow! You girls look awesome and Dragonair is amazing because of the power it has to control the weather.

Xenia: Yep.

May: That's right. What are your favorite memories of Nico?

Dragonair: Mine is where we helped bring much needed rain to a drought ravaged farm land and saved a farm.

Dragonite: Mine is where we called upon numerous dragons and blasted a tyrant into oblivion.

Nico: Yep.

Me: Wow! Lets get you 2 back to normal.

I put on my blind man glasses and Nico pulled out a gold leotard and a blue leotard and I snapped my fingers. Everyone covered their eyes as they reverted back.

Connie felt woozy.

She was tired and then she and Amelia were back to normal and Nico got their Leotards on and they got up.

Amelia Kazekami: Whoa that was rough.

Connie Dragonetti: (Woozy) Oh man.

Nico hugged them.

Nico: I missed you girls.

Amelia Kazekami: We did too Nico.

Meta Knight: Nico, which teams have you made this time?

Nico: Lisa Simpson's team will include Chloe Terryington, Elita Karlsson, Gaia, Firebird Dragon, and Monstrous Dragon. Cameron's team will include Fasha, Heather Riley, Pure Terra Dragon, Pure Sea Dragon, and Pure Nature Dragon.

Qin: Cool! You included the heroes of Dragon City too! That's another of my favorites too.

She showed Dragon City on her phone and it was cool.

Xenia: Neat!

Qin: Yeah that is an awesome game.

Lola: It sure is and I like Gaia too because her hair is beautiful.

Xenia: It sure is.

Nico: Yep.

Then the previous group came.

Skalamander: Can me, Webstor, Angel, Red Ghost, Rich Texan, Steam Smythe, Black Adam, Trap Jaw, Living Laser, and INSTIGATOR go with you guys?

Bassoon Burns: Me, Man Spider, Fairy Tail Angel, Saleen, Basson Burns, Golden Gut, Sir Raleigh, Madame Woe, Roulette, Raizen, and Thursday Man will come too.

Nico: Yes you all can come with.

Qin: We don't even know what our mission will be.

Nico: It will come soon.

Gyro Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Mew and Meganium next.

Qin: Wow!

Missy Rodgers: Cool! This will be awesome to see.

Lola: Yeah.

Nico: Let's head to Summer Cove.

Angel: The home of Brody's team?

Fairy Tail Angel: Why go there?

Nico: I already have an idea for the next mission.

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, I hear you, what's the emergency?

King Kai: (Telepathically) I've got bad news that'll also alert the Ninja Steel Power Rangers: Galvanax has returned and he wants revenge on the Rangers for destroying him!

We gasped.

Brody Romero: Galvanax is back?!

Me: Oh man!

Lincoln: We faced him amongst the crowd of the Power Rangers' old enemies when we went after Void Queen. If I had to guess, Lord Zedd brought him back.

Levi Weston: If that's the case, then, Zedd's really crossed it big time.

Nico: Yeah. But, this is the perfect opportunity to get rid of Galvanax

once and for all.

Lincoln: We got to keep in mind though, Galvanax is tough and he really gave Brody and his team a ton of trouble in the past, but it's nothing we can't handle, we'll make him pay.

Me: And give him The Black Gates.

Camie: Who is Galvanax?

Me: One of the Ninja Steel Rangers most dangerous enemies. And someone I remember all too well

I went over who he was.

---

Galvanax is the main antagonist of the first season of Power Rangers Ninja Steel and the posthumous overarching villain of season 2.

He was voiced by Richard Simpson.

Background

Galvanax along with Ripcon and Madame Odius came to Earth to receive the Ninja Nexus Prism. As he was absorbing it, Dane Romero broke it into six pieces and created the Ninja Power Stars. Galvanax then kidnapped Brody and made him a prisoner on his ship.

Power Rangers Ninja Steel

Ten years later, Brody finally escaped back to Earth with a robot named Redbot and a guy named Mick Kanic and managed to get back the Nexus Prism and the Power Stars. Galvanax falsely claimed that he spared Brody's life and gave him a home on his ship and he repaid him by stealing the Nexus Prism and Ninja Stars but Brody corrects him by saying the actual truth: Galvanax caused Brody's father to disappear, kidnapped him, and made him a prisoner on his ship. Brody was forced to destroy the Red Power Star but instead of being destroyed, it went into three different pieces. It made Mick an additional Red Ranger to the team. It also released Dane's spirit and made him an additional Red Ranger to the team too. Together, the team destroyed Galvanax once and for all and having his record of being not defeated tarnished.

---

When I was done everyone was shocked.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Manuel Fuentes of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Manuel Fuentes of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now, and he's already pissed off of what we did to Alec Trevelyan.

Jade Krus: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Manuel Fuentes for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got some unfinished business with Galvanax.

Lincoln: We're putting an end to the last of The Ninja Steel Power Rangers' most dangerous foes once and for all, and once we get done with destroying Galvanax, you're the next one to die, Manuel Fuentes.

Jade Krus: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Manuel Fuentes, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

Nico: You got that right. But before we go we have the last Super Sentai team joining us.

Me: Yep.

I snapped my fingers and out came THE FIVEMAN!

Eli: Wow! The Fiveman!

Gaku Hoshikawa: Awesome! So we're joining the team now!

Remi Hoshikawa: It's an honor.

Nico: Same here guys and we owe you guys big time for helping us.

Ken Hoshikawa: No problem.

Nico: Lets head out!

We were off.

---

We were flying to Summer Cove.

Charmcaster: Now, ALL the Ranger teams are with us.

Me: They sure are.

Xenia: 45+ Years of rangers.

Lola: Yep.

Nico: This is gonna be awesome!

Eli: It sure will be!

We arrived.

Steam Smythe: Here we are in Summer Cove.

Sir Raleigh: I hope we meet Mick Kanic and Redbot after all this time.

Nico: That will be awesome.

Lola: Yep.

Xenia: I can't wait to smashed Galvanax all over the place.

We saw Mick and Redbot.

Stewie: Hi! You two must be Mick and Redbot. (to Redbot) I especially like how you were designed.

Brody: Long time no see.

Redbot: You too Brody! Good to see you again! All of you.

Mick: Wow it's awesome to see you all again!

Hayley: Same here.

Mick: Galvanax is back.

Me: We actually got the memo.

Camie: Yeah.

Trap Jaw: It's about time we met you guys.

Mick: Zayto. It's good to see you and your team again.

Roulette: That's right. You met the Dino Fury Rangers before.

Me: I remember that. That was cool.

Zayto: It sure was and also it's great to see you too Mick.

Mick: Same here.

Lola: But many of the rangers enemies are all destroyed.

Xenia: Yep.

Bridge Carson: You almost look like Boom, a friend of me and my team.

Slog: Does he really?

Bridge Carson: He sure does.

Me: But yeah the resemblance is accurate.

Qin: That's cool.

Lola: Yep.

Mick: That's true I do look like Boom from the SPD Team.

INSTIGATOR: Brody said you can turn into objects and people.

Thursday Man: Can we see that in action?

Mick: I sure can.

He turned into a radio.

Me: Cool!

He then turned into Alpha Five!

Qin: Nice!

Me: That is cool! I remember that.

Fuse Man: Can you also turn into an elemental shuriken?

Mick: Lets see.

He turned into LIGHTNING SHURIKEN!

Me: COOL!

Nico: Well I'll be a monkeys uncle! That is cool!

He reverted back.

Living Laser: Now, where does Galvanax usually hang out at.

Mick Kanic: I DID see the Warrior Dome in the sky earlier.

Raizen: He probably rebuilt it.

Nico: Yep.

Me: There up there!

We saw THE WARRIOR DOME!

Xenia: That's it!

Lola: Whoa! And it's right over the ocean.

Lana: This is gonna be awesome.

Avior: Odius, we're fine with.

Mason Brown: But in my opinion, Galvanax is your true main villain.

Me: That's for sure! And he is getting the Black Gates.

Qin: Big time.

Nico: I've had it with Galvanax.

Me: Letting him live was a mistake.

Brody: I bet Cosmo Royale is also with him.

Black Adam: Is he just as bad as Galvanax?

Levi Weston: No, actually. He's more like the game show host of Galaxy Warriors.

Madame Woe: There's no harm putting him in the Masters of Evil then.

Me: Yeah that's a good idea.

Nico: Yep! Lets go guys! It's time to destroy that arena forever!

Lugnutz: Gonna be tough trying to catch up with the Warrior Dome when it's constantly moving in the air.

Nico: Not for long. Luxord, stop time long enough for us to get to it.

Luxord: You got it.

He stopped time around the Warrior Dome and we flew over to it.

Nico: Lets do it guys! Entrance time!

Rich Texan: Let's land first.

Golden Gut: Besides, there are Kudabots on guard duty.

Nico: Right. But we'll deal with them.

Me: They want a fight, we'll give them one that will be one they shan't ever forget!

We went into the arena and slashed numerous Kudabots all over.

Jean Bison: I think we DID fight Kudabots yesterday.

Me: Yes we did.

We slashed and destroyed the Kudabots all over.

We then saw Galvanax on the Arena floor.

Me: There he is.

Red Ghost: (sees a poster) Wait. What's this?

Saleen: (reads poster) "The battle of a lifetime! Team Loud Phoenix Storm and the Ninja Steel Rangers vs Galvanax! Show only today!" Guess Cosmo Royale wanted the viewers of Galaxy Warriors to know about this fight.

Me: Wow.

Nico: This is gonna be good.

Qin: Nice.

Agitos: NOW, we can do our entrance!

Nico: They want a fight? We'll give them one they will NEVER forget!

We went at him.

Galvanax: SOON I WILL HAVE MY REVENGE ON TEAM LOUD PHOENIX STORM AND THOSE MISERABLE RANGERS!

The crowd roared!

Then the spirits of the Ninja Steel Rangers appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off and covered him and then a phoenix cry was heard and then…

BLAM SMASH WHAM BAM WHOMP BAM SMASH WHAM SMASH!

Massive fight sounds were heard and then…

SMASH!

Galvanax was badly mangled up in the smoke of the explosion and we came out.

Me: We're here to end you for good Galvanax!

Qin: It's time to kick your ass to the curb!

Galvanax: You all got lucky when you faced me and Void Queen last time. But now, the gloves are off!

Man Spider: For once, we're in total agreement with you!

Nico: That's right!

Cosmo Royale: (to us) It's nothing personal. Just doing this for the ratings of Galaxy Warriors.

Webstor: Relax. We have no personal feelings against you. We actually find you entertaining.

Me: Yeah we sure do.

Xenia: And you should join the Masters of Evil. You would get a better job there.

Cosmo Royale: Thanks guys.

Then Grodd, Goliath, Atomic Skull, Calamitous, Silver Samurai, Snake, Mole Man, LaGrange, Seadramon, Bizarro, Constructicon Devestator, Captain Frightbeard, Evil Skull Man, Albedo, Evil Wind Man, Roman Torchwick, Peg Leg Pete, Live Action Thrust, Big Lenny, and Evil Solar Man appeared.

Nico: Grodd, Goliath, Atomic Skull, Calamitous, Silver Samurai, Snake, Mole Man, LaGrange, Seadramon, Bizarro, Constructicon Devestator, Captain Frightbeard, Evil Skull Man, Albedo, Evil Wind Man, Roman Torchwick, Peg Leg Pete, Live Action Thrust, Big Lenny, and Evil Solar Man.

Grodd: You guys can finish what you started against Galvanax.

Goliath: But Cosmo Royale HAS to join the Masters of Evil.

Atomic Skull: He's just that entertaining!

Me: I agree there.

Calamitous: (to Nico) We heard you went to Far Far Away.

Nico: We sure have.

Silver Samurai: You haven't been there for a while.

Me: It sure has been a while.

?: I agree.

Then a figure came out and it was COPY WORLD from episode 21 of Zenkaigers!

---

The Copy World is one of two main antagonist (the other is the Great Copy World) in episode 21 of 2021 TV series called Kikai Sentai Zenkaiger. The Copy World is a Copy Machine-based World from the Kikaitopia Dynasty Tojitendo who was created from the Copy Tojiru Gear that contained Copytopia. After his death, his Tojiru Gear lasted another life by reforming a Kudaitest into Great Copy World.

He is voiced by Jun Fukushima who also voiced the Great Copy World.

The Copy World made his first appearance as he was spotted by the team as he used his Scanner Arm to scan the humans and then used this ability as he cloned evil variants of the victims that he scanned. So with that the team transformed and opened fire at the Copy World, but before the initial fights shall begin they have to deal with the evil clones first because what they're doing matches that of criminal and a bully. So with that the team split to stop fake copies' evil activities leaving Kaito to battle the Copy World on his own that is until Zox showed up as he opened fire at the Copy World. However he used his scanner arm made evil copies of both Kaito and Zox.

After the intro the Copy World left the area to create even more evil copies while the evil clones manage to overpower Zox and Kaito and once the rest of Zenkaigers showed up the evil clones opened fired at them and then left the area to do some robbery and here's the catch if they don't defeat the Copy World anytime soon all of the damage and other stuff that the evil clones are doing will put the blame on their counterpart especially for Kaito and Zox.

A while later the Copy World shows up after the fake Kaito and Zocks has done some robbery around town and not to mention evil Kaito has fooled the Zenkaiger as they duo manage to shoot the team down, but before they get to leave the real Kaito and Zocks showed up and to prevent the evil copies from doing anymore robbery and with that both the team and evil duo transform and the battle was on between Zox and Kaito vs their evil copies and the Zenkaigers vs the Copy World. Now during the fight the Copy World tries to make even more evil clones of the Zenkaigers, but thanks to Magine's magic the Copy World now has an error on his scanner arm which means that he won't be making anymore evil clones anytime soon. Once that was done they used Sentai Gear #8 as they fire a bio electro beam at the Copy World shorting out his circuitry. After that the Copy World is then destroyed by this finisher which is Zenkai Finish Buster thus all of the evil clones that the Copy World has made disappeared.

---

Kaito: Copy World!

Copy World: Been a long time rangers.

Me: Boy I remember you! You made clones of Zocks and Kaito and they did robberies all over and made them look like criminals!

Copy World: That's right. Good memory.

Me: Yep.

Copy World: Did Snaptrap really copy my plan? No pun intended.

William: (laughs) That's funny. And I'm sorry. But he did. However, you CAN make those copies of Kaito and Zocks again.

Me: That will be awesome.

Qin: Yep.

Lola: I agree too.

We got the battles underway.

---

## Donkey Kong, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Amber Ferringtona, Jesse Anderson, Meta Knight and King Dedede VS Gorilla Grodd - Nico's Rescue and Battling Fairy Godmother and her Soldiers

---

Grodd was first.

Grodd: (to Donkey Kong) Nico's rescue involved battling Fairy Godmother and her Soldiers. And Charming as well.

Donkey Kong: It sure did and also Pipp transformed and she beat Fairy godmother and we got them tied up and sent to you guys.

Fluttershy: Yeah that was amazing and fun.

Tornado Bolt: It sure was awesome.

Seabreeze: (Swedish Accent) Oh ja and it was so fun and cool.

Stealth Elf: Yep it sure was.

Amber Ferringtona: I think it's awesome too.

Jesse Anderson: You got that right.

Grodd: I agree. Lets do it!

Donkey Kong: HERE COMES DONKEY KONG!

He used his legend items.

Maggie: No but he did have a great rescue and also we battled Alec Trevelyan there and it was awesome.

Starlight Glimmer: You got that right and it was awesome.

Cozy Glow: Yeah that was cool and fun.

Hex: And we got rid of him and banished him to the black gates.

Olivia Shenlong: We sure did. Good riddance.

Knight Mare: Thank goodness.

Atomic Skull: I'm glad you guys did. Lets do it!

Maggie activated her legend items.

DARKNESS RAVEN GHOSTS! MAGGIE'S ATOMIC FORCE OF DARKNESS!

They fired waves of darkness, bones, energy, lightning, skulls, blood, stars and magic and smashed him down.

---

Lisa Loud, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Leanne Nikos, Azmuth, Stewie and Bowser Jr. VS Calamitous - Meeting a Gene-slammer for Evil HERO Infernal Gainer

---

Calamitous was next.

Calamitous: (to Lisa) I heard you guys met a Gene-slammer for Evil HERO Infernal Gainer. What's her name?

Lisa Loud: Her name is Annalise Halston and she is a really amazing and very talented Guardian Angel for our dear brother unit.

Twilight Sparkle: Yeah she is amazing and talented.

Starshine Sparkle: Yeah she sure is.

---

Annalise Halston: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Annalise, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Annalise Halston: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Annalise Halston: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Annalise, what's the story on why you hate Lisa with a blazing passion?

Annalise Halston: That's a tale I haven't forgotten. One day, I was heading down to The Loud House to help Lincoln with a huge math assignment for homework, but then, I heard a scream for help as soon as I got near along with the sound of maniacal mad laughter, I soon found out the scream for help was from Lincoln, and there was only one person who could laugh like a mad scientist: Lisa, that heartless and emotionless scientist. I knew she had Todd patrolling, and if he found me, he'd capture me and make me watch as Lisa kills Lincoln. So, I decided to ruin Lisa's so-called experiment. I snuck up behind Todd and installed a virus that I created into Todd's programming and he went completely haywire and he went inside and he was causing havoc in Lisa's laboratory, this caused Lisa to panic and she tried to stop him, that allowed me to free Lincoln who was strapped to the table and a laser was aimed right at him. I found her tape recorder and inside it was a tape of her latest plan to kill Lincoln, the dummy forgot to remove it, and I took it down with me and as I gathered everyone here, I played the tape recorder and when they heard her plan to kill Lincoln saying it's another experiment for her studies, they were furious. Lisa got Todd under control and removed the virus, but when she saw her tape recorder and Lincoln were missing, she was too late to find out that I did this and she ran downstairs with a scalpel she grabbed from her room and she was going to kill me, but when she came downstairs, everyone was already glaring at her, and so was I.

Past Lisa: You! You ruined my plan to finally end my eldest male sibling unit's life! I'll kill you and he's next, that worthless test subject!

Past Annalise: No, that's your older brother, and FYI, he's a human being, not a test subject, you pathetic little monster! For someone so smart, you really are dumb, Lisa. That's right, I was the one who put that virus in Todd's programming and snatched your tape recorder and got Lincoln out.

Annalise Halston: Lisa was so angry, she raised her scalpel and ran at me to stab me in the chest, but Lincoln fired a blast of darkness at Lisa and it sent her flying into a wall and she dropped the scalpel and she was also tied to a chair in dark energy ropes. Everyone was horrified and furious at Lisa's evil behavior, and Mr. and Mrs. Loud decided on the punishment: Lisa was grounded for thirteen weeks for what she almost did to Lincoln, and Lily fired blasts of water at Lisa's robots and destroyed them all again, and she changed the password to Lisa's bunker again, and Lisa was sent to Aunt Ruth's place. Lincoln hugged me tightly and he cried into my chest, and I hugged him tight.

When she was finished, we were horrified.

Nico: Lisa thought she could get away with trying to kill Lincoln again, but Annalise was always on to her and she not only outsmarted her again, but she saved Lincoln and gave her a taste of her own medicine.

Me: Which got her grounded big time and sent to Aunt Ruth's again.

Lincoln: That was a really big punishment, and she was broken from having to eat nothing but moldy pudding and deal with Aunt Ruth's cats. After her punishment was up, she was broken mentally and she really apologized to me and all of us, and she had to run to the bathroom to barf.

Lori: Lincoln wasn't kidding about Lisa eating nothing but moldy pudding, it was horrible, and no one wanted to be put through that again.

FLASHBACK ENDS

Calamitous: Oh good gravy! Boy you were a nasty monster back then!

Lisa Loud: Yes and looking back my dark side had made me an absolute abomination to everyone and everything I came into contact with.

Spyro: But at least Lisa is not like that anymore.

Leanne Nikos: Thank goodness for that. What that would have done to her would land her in a maximum security asylum for eternity and make her an enemy of the state.

Azmuth: That is correct.

Calamitous: It sure would. Lets do it!

Lisa activated her legend items.

CLONE MAYHEM IN THE LAB! LISA'S SCIENCE OF POWER!

They fired waves of magic and energy and smashed him down.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Manuel Fuentes.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Manuel Fuentes, the next member of The Order of Nuestra Señora de la Santa Muerte.

Jade Krus: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever, and we put an end to Alec Trevelyan whom you brought back and turned into your mindless slave when you implanted that Dark Orb in him.

Manuel Fuentes: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Jade Krus' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Krus-themed greatsword from her back, and as she approached Manuel Fuentes, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Jade Krus: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Manuel Fuentes. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Grimro and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Jade Krus was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Krus flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Jade Krus emerged, but she was changed forever.

Jade Krus grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Krus emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Krus with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird

Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Jade Krus has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Krus surrounded by darkness and light and imps and on top of Fabled Krus is an anti-Sergio symbol. Suddenly, Jade Krus felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Jade Krus has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Jade Krus' massive Fabled Krus-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Krus' Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Krus etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Krus' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Krus that said, "Jade Krus, Gene-Slammer of Fabled Krus, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Manuel Fuentes of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Jade Krus has transformed into SUPER ANGEL-FABLED KRUS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED KRUS ANGEL OF DIVINE DARK FABLED KRUS IMP JUSTICE AND DIVINE FABLED KRUS IMP LOVE!

We were amazed by Jade Krus' Super Angel-Fabled Krus-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Manuel Fuentes saw it, he went insane and he got out his sacrificial knife to stab her, but Jade Krus fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Manuel Fuentes, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Jade's transformed.

Lincoln: Yeah, and she really sent Manuel Fuentes back with that energy blast she fired and that really pissed him off now, and Jade, you look beautiful, how do you feel?

Jade Krus: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Krus and Divine Darkness Light Fabled Krus Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Manuel Fuentes once and for all?

Lincoln: (Smiles) With pleasure, Jade.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Jade Krus.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Manuel Fuentes, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Jade Krus and Lincoln went after Manuel Fuentes, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths,

Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Manuel Fuentes and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Luciana Grimro sent her three imps and Lincoln summoned his own imps and they sent them at Manuel Fuentes, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Jade Krus, her hand-cannon Blaster is known as Fabled Krus' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Krus surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Jade Krus aimed their hand-cannon blasters at Manuel Fuentes.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Manuel Fuentes!

Luciana Grimro and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Manuel Fuentes and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Manuel Fuentes' sacrificial ritual knife and it hits Manuel Fuentes right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Jade Krus and Lincoln gave Manuel Fuentes The Black Gates for good. We cheered as Jade Krus' and Lincoln holstered their massive greatswords on their backs and powered down, and Jade Krus' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Jade Krus: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Manuel Fuentes for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Jade.

Suddenly, Jade Krus wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Jade Krus' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Krus flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Jade Krus absorbed the light and they came back to us as the display and Fabled Krus vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Manuel Fuentes' death, now there are only twenty-three members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Bruno Herrera, which means it'll be Renata Kushano's turn.

Renata Kushano: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Infernal Prodigy.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Infernal Prodigy.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, Lucinda Stewart, Lorelai Delancey, Micaela Davis, and Annalise Halston: Phoebe Ramirez.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Phoebe Ramirez is not only a genius, but she's also an expert on the myths in the world: everything from mythical locations and objects to legendary mythical creatures and people.

Lorelai Delancey: She'd also known that Lincoln became a vampire-werewolf hybrid, and she was also part in helping in Lincoln's really intense training: she handled the progress of Lincoln's increasing superhuman upper and lower body strength, and she became even more impressed by his really immense superhuman upper and lower body strength continued to increase even more, and she also helped in increasing his other abilities as well, including his mental and intellectual abilities, plus, she introduced him to her field on on the myths in the world: everything from mythical locations and objects to legendary mythical creatures and people.

Nico: That's really incredible.

Lincoln: And this is even before the rest of us were introduced to the world of the supernatural, with the exception of me being exposed to that world before we even met.

Brody: Show's over! Ninjas and Team Loud Phoenix Storm win!

Snake: You said it, dude!

Mole Man: Galavanax is done for good.

Me: Thank goodness.

LaGrange :(to the Ninja Steel Rangers) But that doesn't mean your job is done.

Calvin: Of course we know that.

Me: Good.

Bizarro: This has been very bad day.

Seadramon: Now, what do we do with the Warrior Dome?

Me: Well I was thinking.

Nico: What is it?

Me: Instead of us having usual battles in the restaurant, because there are so many of us lets have the dome put outside for everyone to watch Pokemon and Digimon and Monster Rancher Battles as well as our usual battles.

Nico: (Pats my back) I like the way you think J.D.! But great job today everyone. This was awesome and fun.

Brody: It sure was. (To the viewers) This was an awesome battle and we got rid of one of our most dangerous enemies.

Qin: We sure did.

We drove the arena back and set it up behind the restaurant and we went back home and enjoyed the rest of the day and went to sleep.

THE END

Jones, Edyn, Strag, Momo, Girl Jordan, Earth, Vinyl Scratch, Airazor, Rhinox, Cheetor, Rattrap, Tigatron, Lincoln, Leni, Laney, Lana, Lola, Lisa and Lily Along with May's team consisting of Kwame, Max Cooper,Taylor Earhart, Danny Delgado, Alyssa Enrilé along with Loki, Quakemon, Asmodeus, Canis Major Zodiarts, Princess Igam and the Brown Cowls and our mission was to destroy the Imperium and stop them from destroying everything and taking our planet for themselves. Luckily this was a planet Earth that was over 200 light years from our Earth and it was in really deep trouble. There was a massive and huge cloud of storms that blocked out the sun and covered the world in perpetual darkness.

Me: This is horrible!

Qin: My god! I can't believe that this is what the Justice League was up against! This is a catastrophe!

Eli: No kidding! The Imperium are dangerous as all get out. But I didn't expect them to take over the planet this fast.

Nico: Hard to imagine that this is what J'onn and the Justice League were up against back then.

Xenia: No kidding. Well now we're going to make sure the Imperium pay.

Me: Yeah no kidding!

Camie: Who are the Imperium?

Me: The very first enemies that the Justice League destroyed and saved the Earth from total destruction.

I went over their history.

---

The Imperium is a minor yet pivotal antagonist in the DC Animated Universe, serving as the main antagonist of the Justice League three-part premiere "Secret Origins".

It's a parasitic alien mastermind who attacks the Earth in search of a new him after wiping out all Martian life in Mars, leaving J'onn J'onzz as the sole Martian survivor and leading him to go to Earth to warn its superheroes about its threat. In a way, the Imperium ends up becoming the reason for which the Justice League was formed.

It was voiced by Kevin Michael Richardson.

History

A monstrous amoeba-like alien with psychic powers and vast resources, it once attacked Mars and caused the extinction of many of the Martian Manhunter's people. When it came to Earth, it was delighted to find the Martian Manhunter alive so it could kill him via agonizing psychic torture as the other heroes watched haplessly.

Yet, the Imperium also sensed something wrong as the Martian Manhunter resisted its torture, allowing Batman to break free (who had been hidden by the Martian Manhunter's psychic-shield from the Imperium). Batman proceeded to reverse the alien technology and undo the Imperium's planet-wide shield, which exposed it and its kind to the Earth's sun, which they were extremely vulnerable to.

As its minions began to die from exposure to ultraviolet radiation, the Imperium writhed in pain, allowing the Martian Manhunter to escape from its form and hold it in place as the others fought against its remaining forces.

However, the Imperium was too strong for the Martian Manhunter to hold and it escaped into its vessel, leaving its own followers to die as it began to make its escape from the planet. However, before it could succeed in doing so, Wonder Woman and Hawkgirl teamed up to bring the vessel crashing back down, killing the Imperium in the process.

---

When I was done everyone that hadn't heard about it was shocked!

Camie: These guys are pure evil!

Xenia: And they die from exposure to the Sun's Ultraviolet radiation? Whoa!

Camie: Wow!

Nico: Now we know what to use against them.

May: We sure do.

Nico: May, I want to thank you, Loki, and your teams for coming.

May: No problem Nico. It's always fun to help you out.

Nico: Kwame, you must be very proud of your work as a Planeteer.

Kwame: I most sure am Nico. And you guys also did a great job helping us back in 2019.

Me: That will always be remembered as the most charitable week ever in our teams history.

Pipp Petals: That is really cool J.D.

THUNDERCLAP!

Lightning flashed in the storm clouds.

Nico: WHOA! These storm clouds are terrible!

Camie: And very ferociously mean.

Himiko: No kidding there!

Kwame: The sooner we get rid of the Imperium the better. But Nico, thank you and all the team for helping us back then.

Nico: You have J.D. to thank for that but it was our pleasure.

Maria: And we helped the environment even more.

Me: We sure did.

Qin: That was so awesome hearing about that.

Xenia: Yeah. I'm sure Cargill would love us for doing that.

Girl Jordan: He sure would.

Lana: I agree there.

THUNDERCLAP! THUNDERCLAP!

Lightning flashed everywhere.

Me: Whoa! This is awful!

Varie: Wow! It's like the Imperium want to destroy the entire planet.

Xenia: Yeah.

Me: Yesterday's mission was awesome though.

May: It really isn't everyday that a main target is a Power Ranger villain from America

Nico: That is for sure.

Xenia: But now Galvanax is a forgotten memory.

Shinnosuke: That is for sure.

Touma: Yeah thank goodness.

Nico: Yep. By the way Loki do you think it's possible you can have an Imperium Horde Soldier put into the ranks of the Masters of Evil?

Loki: It's definitely possible Nico. I'm sure there are good candidates among them.

Me: Good.

Nico: Yep. But either way the Imperium Horde dies right now.

Loki: Odius has taken command of all the monsters the Ninja Steel Rangers have fought.

Nico: Great! This will be awesome next turn for the Ninja Steel Monsters.

Fu: It sure will.

Lola: This is gonna be awesome.

Nico: And nice suggestion with the Warrior Dome, J.D.

Me: Thanks. I figured it would make a much better arena than a boxing arena. Not enough room for all of us.

Nico: True. With more of us coming in every day we got to have a lot of room.

Lola: We sure do.

Camie: Yeah.

Nico: But now we can focus on the matter at hand now. Lets go.

We flew around the city and then we saw a factory.

Me: Target sighted. The Factory is pumping storm clouds into the skies to block out the sun.

Nico: Then we got to destroy it.

Eli: I sense the Justice League in it and I'm picking up powerful psychic energy coming from it.

Me: The Imperium is there.

Shanan: I see its ship and the big ship is its vessel.

Nico: Yep. Lets go.

The Imperium floated up to Martian Manhunter.

Imperium: J'onn J'onzz. It's been a long time.

He had him come up and two horde members prodded him and reverted him back to his true form.

Imperium: Much better. You have defied us for centuries.

Martian Manhunter: And I will never bow before you or any of your kind.

Eli: (Whispering) Why aren't we attacking them?

Nico: We attack on my command.

Imperium: Then we will personally see to finishing what should have been accomplished long ago… The Elimination of the Last Martian.

Then the Imperium stuck its tentacles into him and pulled him into him

Superman: Let go of him you filthy little…

Imperium: Yield to us, J'onn J'onzz!

Martian Manhunter: NEVER!

Imperium: Why do you resist. Embrace the truth. After all these years you have finally lost.

Martian Manhunter: Have I?

Imperium: You're hiding something. A Secret deep in the recesses of your mind. Is this another of your Martian Tricks?

Martian Manhunter: Do I sense fear?

Imperium: What are you hiding?

Senator Carter: (chuckles) And you can come out now, Team Loud Phoenix Storm. I know you're there.

Martian Manhunter: NOW!

BOOM!

An explosion happened and Batman was on the Ion Matrix Chamber!

Nico smirked!

Nico: ATTACK!

We fired energy blasts and blasted the Horde Members all over the place!

Flash: Batman?

Wonder Woman: It can't be!

Martian Manhunter: I mentally shielded him so he couldn't be detected!

He put a device on the crystal and it turned blue

Senator Carter: What have you done!?

Batman: Reversed the ion charge!

The blue energy was reaching the top.

Imperium: The Crystal… DESTROY IT!

They fired lasers at it but they had no effect!

Senator Carter: It's shielded!

Then the factory fired blue beams of energy into the sky and the storm clouds were clearing and the Horde Members got exposed to the sun's light and melted into nothing!

Senator Carter: No! What have you… (sees us) Oh no.

Nico: (to Superman) Sorry it took us so long. But you seemed to have everything under control for the most part.

Superman: No worries. But you made it just in time.

Wonder Woman: We owe you all big time.

Eli: Think nothing of it!

Eli used his lightsaber and slashed Hawkgirl free.

Martian Manhunter busted out and pulled him into the sunlight!

Imperium: NO!

Martian Manhunter: You live underground and shun the light. Why? Does it burn your pale, Putrid Skin?

He screamed in excruciating agony!

Me: Ooh! That's gotta hurt!

Flash: Ooh, that's one nasty sunburn!

Batman came.

Batman: Ultraviolet rays. Coming from the depths of space, the invaders have no resistance to our sun's radiation.

Nico: We actually figured that out already Bruce.

Batman: How do you know my name?

Nico: We have lots of resources on our world.

Nico smashed Superman out.

Nico: Thank goodness Anita Bathory doesn't have that weakness.

We were busting them out.

Maria: (to the Justice League) Just so know, I don't give a shit about what people think of you guys. (Superman winces) Or the secrets you guys have. (Hawkgirl winces) Or anything you guys might have done that some people think are bad actions. You guys are still heroes to me.

Me: And you guys are more than just heroes to us Kal, you are great friends and true team mates.

Superman smiled.

Me: Lets go destroy these monsters and make them pay for messing with our world!

Superman: You got it!

Me and Superman shook hands!

Imperium: (IN PAIN) AAH! AAH! DESTROY THEM!

The horde fired lasers at us and Eli deflected the blasts back and hit them all over with his lightsaber and fired a Force Lightning blast and electrocuted them.

Anita Bathory flew in.

Anita Bathory: Sorry I'm late guys!

Anita used her psychic energy on the horde members.

Anita: Obey me! Fire at the Imperium!

They obeyed and did so!

Nico: Whoa! Nice job Anita!

Anita Bathory: Thanks Nico.

Wonder Woman: Wow!

Nico: Long story Diana.

Zipp Storm: Alright, that's it, I've had just about enough of you to last an eternity.

Suddenly, something within Zipp Storm's mind really snapped as memories of The Imperium Horde's crimes rushed through her head and her turquoise eyes turned neon turquoise and she was surrounded by a raspberry, rose, and cyan energy aura with Equestrian Magic, Alicorns, stars, and lightning bolts, she unholstered her massive Knights of The Friendship Table from her back, and as she approached the Shrek versions of The Imperium Horde, she left raspberry, rose, and cyan energy, Equestrian Magic, Alicorns, stars, and lightning bolts with every step.

Zipp Storm: You absolutely make me sick, it's bad enough you tried to take over the Earth and wipe out all of mankind, but no matter how many times you've been beaten, you just don't know when to give up. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, it's quite obvious that you refuse to give up until you've wiped out mankind and take over Earth, you came back again and attempted to get revenge on The Justice League, only to fail yet again, and now, you decide to come back again for more… , THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU FOR THE FINAL TIME, IMPERIUM HORDE AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU BOTH LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR VILE CRIMES WITH YOUR LIVES!

We gasped at the sheer extent of Zipp Storm's fury.

Nico: Ooh, boy.

Lincoln: Zipp Storm's fury has now been unleashed, and those light-fearing shapeshifters are going to pay for their crimes as the Princess of Zephyr Heights is about to unleash Hell on them. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground as Zipp Storm screamed like a madwoman and she was surrounded by a massive vortex of raspberry, rose, and cyan energy with Equestrian Magic, stars, and lightning bolts surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an violet phoenix. Then, as the vortex faded, Zipp Storm emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Zipp Storm grew to 7'4" in height, she has the body of a goddess, she has aqua highlights in the bangs of her long flowing hot pink hair with aqua streaks, she has neon turquoise eyes and a raspberry, rose, and cyan energy aura with Equestrian Magic, Alicorns, stars, and lightning bolts surrounding her, she has an Alicorn along with her cutie mark on its horn emblazoned on her forehead and Third Eye with turquoise iris, she has on Alicorn earrings with turquoise gems for eyes and the Storm, Magic, Friendship, and Eternity Kanjis in its hooves, she also has an Alicorn with turquoise gems for eyes and holding the Storm, Magic, Friendship, and Eternity Kanjis in its hooves on the bottom of her hot pink Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with hot pink crystal links from her merged Crystal Necklace of the Buddha and hot pink gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Suddenly, Zipp Storm felt a sharp pain on her back, and then, her massive white angel wings with multiple colors on the large white feathers grew much bigger for her new body and her hot pink and blue streaked tail grew longer, and she now has a horn on her head. Zipp Storm has on her Ring of the Phoenix with large hot pink gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Zipp Storm's Knights of The Friendship Table and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of raspberry, rose, and cyan energy, Equestrian Magic, Alicorns, stars, and lightning bolts, and when it emerged, it was transformed into Zipp Storm's Friendship Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice, it's a brand-new massive greatsword with embedded violet gems and her cutie mark etched on the 7'0" massive, wide, double-edged gold blade, large gold Alicorn heads for the crossguard, large pink gem embedded in the rainguard, longer black handle, four large gold Alicorn heads with rainbow gems for eyes and a large pink gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with violet gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and turquoise gems for eyes and a large pink gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Zipp Storm has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA ATHLETIC DETECTIVE LIGHTING EQUESTRIAN FRIENDSHIP ZEPHTY ALICORN ANGEL OF DIVINE COSMIC EQUESTRIAN ZEPHYR FRIENDSHIP JUSTICE AND DIVINE EQUESTRIAN UNITY FRIENDSHIP ALICORN LOVE!

We were amazed by Zipp Storm's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Imperium Horde saw it, they went mad with rage, and a group of them went after her to kill her, but Lincoln fired blasts of sunlight which turned them to dust, and Zipp Storm fired a powerful barrage of raspberry, rose, and cyan energy blasts, Equestrian Magic, Alicorns, stars, and lightning bolts at them, and it exploded and sent them crashing into a tree, they got back up, but now, they were furious.

Sunny Starscout: Wow, Zipp Storm has transformed.

Pipp Petals: That's my older sister, and that was a nice save, Linky.

Lincoln: I knew from what The Justice League told us about them of how they hated the sunlight and it's their main weakness, and it looks like your sister's got them steaming mad now, and Zipp Storm, you look beautiful, how do you feel?

Zipp Storm: (Divine Echoing Cosmic Voice of The Zephyr Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Zephyr Alicorn Love) **I feel incredible, Linky. Now, shall we take down these sunlight-scared monsters for good?**

Lincoln: (Smiles) With pleasure, Zipp.

Imperium: You won't be getting that close to us. SOLDIERS, KILL THEM ALL!

We then saw a really massive army of Imperium soldiers coming here to kill us all.

Nico: So, you want to play tough, eh?

Lincoln: Let's give them a reason to truly be afraid of us!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super

Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Zipp Storm.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Time to put an end to your schemes to take over the earth once and for all. Today, The Imperium Horde dies here!**

Nico: Not all of them. CHARGE! KILL THEM ALL!

We also unholstered our massive greatswords and transformed, and we went after the massive army of Imperium Aliens, and we caused quite a massacre by slashing at them with our greatswords which we infused with sunlight, and they literally turned to ashes. Lincoln was also brutally slaughtering the Imperium aliens by slashing at them with his massive greatsword infused with sunlight and they were turning to ash with every slash. When we were done, the massive army of Imperium soldiers were all destroyed and turned to ash.

Eli: Nice one. Now, all that's left is The Imperium.

Then, Zipp Storm, Lincoln, and all of us were facing The Imperium.

Imperium: You expect me to beg for mercy from any of you?!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) As if. You started this mess 1,000 years ago when you entered the Solar System, and now, we're going to exact 1,000 years of retribution for all those who fell victim to you.

Zipp Storm and Lincoln went after The Imperium, and they fired extremely powerful blasts of rainbow energy, hot pink energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Imperium and they exploded with incredible power as they hit them, and they attacked them with their sunlight-infused massive greatswords leaving scars on them, and Lincoln left many more with his sunlight-infused claws, and he was really, really, really pissing off him off now.

Then, Lincoln fired a sunlight energy blast which hits The Imperium as he screamed in pain and was then knocked down by another sunlight energy blast fired by Zipp Storm.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Zipp Storm, her hand-cannon Blaster is known as Zipp Storm's Friendship Zephyr Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's hot pink with cyan flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by multicolored lightning bolts etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Pipp Petals aimed their hand-cannon blasters at The Imperium.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You made a big mistake coming back again for revenge, Imperium, now**

**your days of conquest are through.**

Then, Zipp Storm and Lincoln fired blasts of rainbow energy, hot pink energy, and elemental forces at The Imperium, and they exploded with incredible power as they hit him.

We fired waves of energy and blasted the Imperium and gave it the Black Gates forever.

Then, as they holstered their hand-cannon Blasters, Lincoln fired sunlight energy chains which tied The Imperium up and the sunlight was weakening him, and Vypra appeared.

Vypra: Nice work catching The Imperium, Zipp Storm and Lincoln.

We cheered wildly as Zipp Storm and Lincoln holstered their massive greatswords on their backs and powered down, and Zipp Storm new body, clothes, weapons, jewelry, Third Eye, longer hot pink tail with cyan blue streaks, and massive white and multicolored angel wings and white horn are permanent.

Zipp Storm: Whew, now that was a close one. Thanks for helping me take down The Imperium for good, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Zipp Storm.

Suddenly, Zipp Storm wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Zipp Storm's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and some multicolored lightning bolts formed into a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Zipp Storm came back to us as the display vanished.

Pipp Petals: Now, that was so beautiful!

Me: That really was an awesome display we saw!

Sunny Starscout: You said it, and we're also glad Zipp part of Lincoln's harem.

Lincoln: And I swore I would take good care of her, along with you, Izzy, Pipp, and Misty.

Nico: And you've also been getting the attraction of Twilight's other friends, Lincoln.

Applejack: (Snickers) He's right though, Linky. You've really been getting the attention and the attraction of all of our other friends, and many of them are joining your harem faster than a jet-powered jackrabbit.

Luan: Well, can any girl help it? Lincoln's had that charm and his personality that literally draws girls in like a magnet.

Luna: She's right though, dude.

Flash: You sure you guys don't want to stick around after this? I can think of a few nasty villains that you guys could kill off.

Nico: (laughs) Thanks for the offer. But we don't need to stick around when this is over. Right now, Earth's in good hands.

Me: As much as we want to, we can't.

Anita Bathory: Don't worry about the rest of what's left of the Horde. I will have some of them join the Masters of Evil and also have some of them be with us under my order.

Nico: Good work.

We blasted the factory all over.

Me: Lets get out of here guys!

Hawkgirl: The whole place is gonna blow!

Me: Stay close!

I formed a force field around us and we got out of the factory and then it exploded!

EXTREMELY MASSIVE FIERY EXPLOSION!

Me: YEAH!

Qin: Nice one!

Nico: (to Batman) You okay? You don't seem that rattled that we just killed several aliens.

Batman: At least we're all still alive to face the consequences of killing them.

Me: That may be true.

Anita Bathory: Leave this to me.

She used her psychic powers and told the Imperium Hordes to follow her from now on and go into the servitude of the Masters of Evil and us. They did so and complied and the factories were dismantled and destroyed and more.

Qin: That was awesome Anita.

Hawkeye: Wow.

Me: At least you're all okay to help more and more people now.

Flash: Thanks to all of you.

Superman: (to Nico) I'm glad you think of us as heroes. But some people might not feel that same way towards me.

Nico: Don't worry about what they think of you. Just keep doing what's right.

Me: Follow your heart and do everything you can to protect everyone and everything you care about. Because with great power comes great responsibility.

Qin: That's right.

Nico: Remember that. Don't let anyone else say otherwise.

Superman: I will. We all will. We owe you big time. All of you.

Nico: No problem Kal.

Nico and Superman shook hands.

Just then, Superman heard something with his super hearing.

Superman: It's Luthor. He's been smuggling weapons to arms dealers while we were busy fighting the Imperium off. Killer Croc, Joker, Cheetah, Firefly, and Solomon Grundy are with him.

Flash: (to Nico) Sure you don't want to help? Last chance to kill Joker and Luthor off early.

May: No. You guys got this. The two of them will get what's coming to them in the future.

Batman: We understand. (smiles) Stay safe, Team Loud Phoenix Storm.

Me: We will.

Nico: Be safe. But if you all ever need us, just call us.

Superman: We will.

They were off.

Me: Wow. There they go.

Nico: Yep.

Me: But that was awesome taking down the Imperium Horde.

Nico: It sure was.

Lola: But someday in the future they will need us to help them.

Me: Yep.

Nico: We just set events in motion. The next they see you guys, it'll be the day when you guys kill the Joker for the first time.

Me: So in a way, we met the Justice League we all no and love.

Xenia: Yep.

Lola: Wow.

Nico: That was still awesome though. This is the Prime universe version of Earth before we recruited the Justice League.

Me: Yep. In a way.

Xenia: Either way, the Prime Universe versions of Lex Luthor and the Joker and many villains we know will get the Black Gates or be put into the M.O.E.

Nico: Good thing those assholes didn't get a chance to shapeshift against us.

Me: That's for sure.

Anita Bathory: This time with me as their boss they will only do what Vypra or me say.

Xenia: Thank goodness.

Qin: Yeah.

Me: But it was amazing seeing them in action for the first time.

Eli: Those lasers they have are incredibly powerful.

Xenia: Yeah they sure were.

Camie: But nonetheless, they will never terrorize Earth again.

Anita Bathory: That's for sure. Not with me in charge.

Nico: Yep. You arrived just in time Anita. Great job today.

Anita Bathory: Thanks Nico. It was cool.

Maria: Now, just to clarify, are any of them among us during this moment?

Anita Bathory: Just 3.

She revealed them.

Anita Bathory: As long as they are under my command they will not be a threat. There are 3 of them in the M.O.E. And the rest went back to their planet.

Maria: Wow! Good thinking.

Me: And very good having them go evenly. 3 for us and 3 for the M.O.E.

Maria: Yep.

May: I don't think we're done though.

Me: Yep. We still have our rescue to do.

Zipp: But it was awesome transforming against the Imperium Horde.

Qin: It sure was Zipp. You were great.

Laney: Yeah.

Zipp: Thanks guys.

Then my Wonder Ride Book for TATEGAMI HYOUJUU SENKI was glowing!

Me: Whoa! The Tategami Hyoujuu Senki book is reacting to something.

Qin: That means the next Another Wonder Ride Embodiment is close.

Xenia: Yep.

Maria: NOW she shows up?

Qin: She was probably waiting for the battle to be over.

Xenia: Good thinking.

Lola: Yeah.

Then a carbon copy version of Rintaro's Tatagami Hyoujuu Senki form came! It was ANOTHER TATEGAMI HYOUJUU SENKI!

Nico: WHOA!

Me: Wow! Another Tatagami Hyoujuu Senki!

Rintaro: Whoa! So that's what my most powerful form looks like on the outside! That is amazing to see what it looks like.

Nico: It sure is cool.

Another Tatagami Hyoujuu Senki: (In a girls voice) It sure is isn't it?

Me: (GASP) That voice.

She revealed herself and it was a girl with dark purple hair Pink Sailor Clothes. It was SAILOR WONDERLAND!

Me: (GASP) Alice Wonderland A.K.A. Sailor Wonderland!

Nico: Whoa! Wonderland's Sailor Soldier!

Eli: Awesome!

Sailor Wonderland: It's good to see you again J.D. And Eli you are looking great.

Eli: Same to you.

Me: Boy we already met the Sailor Soldiers for Neverland, then Atlantica and now Wonderland. This is amazing.

Sailor Wonderland: That sure is and I heard you guys went to Wonderland and helped Alice there.

Me: We had lots of adventures in Disney's Alice in Wonderland as well as with Alice Liddell.

Sailor Wonderland: I heard about Alice Liddell's Wonderland. That was awful she went through all that.

Xenia: Yeah it sure was.

Lola: But she is better now that her family was avenged.

Sailor Wonderland: Thank goodness.

Nico: Funny enough, we had a Wonderland themed mission a while back.

Sailor Wonderland: I heard about that. With Jervis Tetch, the Mad Hatter, one of Batman's enemies.

Xenia: Yeah that was Nico's first enemy he busted when he joined the team.

Nico: It's true.

Sailor Wonderland: I heard about that. That guy was a whackjob.

Me: No kidding there.

Nico: And don't get me started on the rhymes.

Me: Yeah they were giving me a headache. No offense.

Sailor Wonderland: Yeah they tend to do that. Also I heard you guys took down the Queen of Hearts in my world.

Me: Well you have Wallflower to thank for that.

Sunset Shimmer: Yeah she really made sure that tyrant paid for it.

Nico: It was so awesome.

Lola: It sure was.

Sailor Wonderland: That was awesome and J.D. you did great comforting Alice in her time of sorrow.

Me: Seeing Alice cry like that made my heart hurt.

Qin: Yeah that was sad.

Nico: It sure was. But J.D. helped her out big time.

Qin: He sure did.

Me: Yeah.

Nico: What's next? Agrabah?

Me: I have a feeling that's on the next rescue.

Qin: Yeah.

Me: Oh speaking of which are there any other opponents with you?

Sailor Wonderland: Yes there are. Another version of him.

She pointed to Loki.

Loki: Another version of me!? Whoa!

Me: Friendly or hostile?

Sailor Wonderland: Friendly and this one knows you J.D.

Me: I have a feeling it will be awesome.

Sailor Wonderland: Yeah.

Me: Who volunteers next?

Lincoln: Be right back!

Lincoln teleported and came back with Wallflower.

Wallflower Blush: Lincoln filled me in and I will gladly face you.

Sailor Wonderland: So you are Wallflower Blush. Awesome to meet

you.

Wallflower Blush: Same to you.

Nico: I was just joking about the Agrabah part.

Me: But it could happen Nico. Now that we discovered that there are Sailor Soldiers for the Disney Worlds that we all know and love it's a 100% definite possibility.

Nico: Huh. You're right about that. I withdraw that joke part.

Me: Good.

Wallflower Blush: Shall we dance?

Sailor Wonderland: We shall!

She turned into ANOTHER TATEGAMI HYOUJUU SENKI and they clashed powerfully and then Wallpaper smashed her down with a powerful slash and I caught the Wonder Ride Book. It was called Dark Tategami Hyoujuu Senki. Then it turned into a new Wonder Ride Book called THE CELESTIAL LION, TIGER, WOLF, BEAR PRIDE!

Me: Whoa!

I went and picked up Sailor Wonderland and brought her over.

Me: That was awesome.

Maria: And you are?

Another Loki: (In a girls voice) You're like me guys.

Me: Oh boy. I knew it was you Bertha Bonzo.

Nico: Wait wasn't she a circus clown that disappeared ages ago?

Me: Yep.

Then she threw a pie at me and I ducked and it hit Maria!

SPLAT!

UH OH!

Me: Uh oh! But she is a really funny prankster.

Luan: Boy PIE See what you mean. (LAUGHS) Get it?

We laughed at her joke!

Eddy: (LAUGHS) That was a good one!

Nico: Yeah.

Kaito: (gets out Boukenger gear) Did Swartz promise you anything?

Zocks: (gets out Magiranger gear) Because we can grant it instead.

Kaito got an Operation Overdrive Sword and Zocks got a Magi Sword.

Another Loki: Just to be a funny clown.

Me: You already are the funniest clown we know.

Another Loki: True.

Me: Swartz lied to you but he is gone forever.

Qin: Yep.

Another Loki: Yeah. But lets get me back to normal.

Me: All right then. Here we go.

I spun my Magisword bracelet.

LITTLE BLUE BOMB MAGISWORD!

I fired blue bombs and they hit Another Loki and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!

Me: Nice!

Sougo: (gets out Operation Overdrive Ridewatch) I wish we could've done a lot more in this world.

Geiz: (gets out Mystic Force Ridewatch) Sougo, you and I both know from experience that history has to be maintained.

Sougo got OperationOverdriveRedArmor while Geiz got MysticForceRedArmor.

Me: Awesome!

Nico: But hey a mission is a mission.

Qin: I agree.

Me: You like throwing pies then how about this?

CUCKOO NUT MAGISWORD!

I fired a bird coconut and it hit Another Loki.

BONK!

Patrick: (LAUGHS) THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Nico: (gets out Loki's Ridewatch) We can do more than coconuts!

Me: You got that right!

MOUSETRAP MAGISWORD!

Me: This one will SNAP to it!

Nico activated the Ridewatch and fired lightning blasts and electrocuted her all over.

I fired mousetraps and they snapped onto her and they hurt like the dickens!

Camie: Nice one!

Qin: We haven't used Magiswords in our adventures in a while.

Me: Maybe when the next set of usual battles comes we should use Magiswords.

Nico: Good idea.

Nico: (gets out Quakemon's Ridewatch) This will rock your world!

Me: Literally. With this too.

BOULDER MAGISWORD!

Nico activated the ridewatch and I fired boulders and smashed Another Loki all over and Nico smashed her down.

Qin: OUCH!

Lola: That one hurt!

Another Loki: Boy that one sure did. That one ROCKED!

Me: Boo!

TOMATO MAGISWORD!

I fired a huge tomato and it splatted in her face!

Me: Okay I got to stop taking after Vambre.

May: (Gets out Asmodeus's Ridewatch) Let's see what this one does.

She activated it and fired red energy blasts and smashed down Another Loki.

Me: Nice one! Bertha hope you have a great sweet tooth!

CANDY MAGISWORD!

Nico: Boy that one is gonna be good.

I fired a stream of candy and it went into her mouth and she ate it and her teeth rotted!

YUCK!

Rita: Oh boy. I'm getting you new teeth when we get home.

May: (gets out Canis Major Zodiarts' Ridewatch) Sorry!

Me: Time to summon the dogs!

DOG WHISTLE MAGISWORD!

Nico: Whoa.

I blew in it and May activated the ridewatch and then numerous wolves and dogs came and mauled Another Loki all over the place!

Qin: Nice one!

Maria: (Gets out Princess Igam's Ridewatch) Doggies, get out of the way!

Fluttershy called them back.

Maria: Thanks Fluttershy.

Me: How about this too.

BRONZE STATUE MAGISWORD!

Maria activated the ridewatch and fired waves of energy and smashed her down. I threw a rock into the air and I fired an energy blast from the sword and it turned it bronze and then…

BLANG!

It hit Another Loki on her head!

Qin: OUCH! That has to hurt!

Xenia: No kidding!

Maria: (gets out Brown Cowls' Ridewatch) Now for this!

Me: Even though they are a cult of cows, this calls for some cow power.

DAIRY PRODUCT MAGISWORD!

Maria: Lets do it!

Maria activated the Ridewatch and fired waves of milk and I fired waves of yogurt and we smashed Another Loki down.

Me: That one sure was Milky!

We laughed!

Qin: (LAUGHS) That was a good one!

Eddy: (LAUGHS) That was funny!

Villamax and his team then came and he had Garble, Lorelai, Hades Beast Spector, Snapdragon And Dr. Starline.

Nico: Nice team, Villamax!

Villamax: Thanks Nico. Boy you guys haven't used Magiswords in a while.

Me: No we sure haven't.

Eli: It has been a while.

Kwame: Now it's my turn. (ACTIVATES QUAKEMON'S RIDEWATCH)

He fired waves of earth and smashed her all over.

Nico: AWESOME!

Hades Beast Spector: If Magiswords ARE used in the usual battles, each of the core 310 should use their favorites.

Me: Good idea Spector.

Lily: I like it.

Me: Yep.

But then something gave Nico an ATOMIC WEDGIE!

Nico: WHOA! HEY!

SNAP!

Nico: WHOA!

Laney: What the!?

I pulled his underwear off his head.

Nico: Whew! Thanks J.D.

Me: Anytime.

Nico: OKAY WHO IS THE WISEASS!?

Eli: I think it's that!

We saw that it was a Mew!

Me: Whoa! The Ancient Pokemon, Mew!

Xenia: Wow!

Camie: Mew is so cute!

Mew: (In a girls voice) Sorry Nico. I couldn't resist.

Nico: Chloe Butterfly! You haven't changed a bit!

Maria: First Another Loki and now, the next Gene Slammer?

Me: Wait are you…

Mew: Yeah I'm Star Butterfly's cousin. But let me handle this.

Me: Let me help too.

BRICK AND PANCAKE MAGISWORDS!

Me: SOLO TEAMWORK COMBO: BRICK SLAB SMASH SHOWER!

I fired waves of brick slabs and Mew fired a psychic energy ball and we smashed down Another Loki and I caught the ridewatch and purified it and I went over to Bertha and she was a girl with brown hair and had yellow clothes and I picked her up.

Bertha Bonzo: (Stupid and dazed talk) But daddy the babies ate all the ice cream sandwiches.

Me: I think I hit you a little too hard.

I picked her up and brought her over.

Kwame: What's your favorite memory of Nico?

Me: Besides giving Nico wedgies.

Mew: Sorry. But my favorite is when me and Nico gave a gang of bullies atomic chocolate pudding slathered wedgies and strung them up on the flagpole.

Me: Nice!

Qin: That was so funny. I haven't laugh that hard in my life.

Nico: Yeah it sure was awesome. Their underwear ripped and they fell and smashed onto the ground.

Me: Nice! That is funny.

Lola: Boy I bet they are going to be feeling that.

Nico: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico got out a purple jumpsuit and I snapped my fingers and she reverted back.

Chloe's height increased.

She got her human form back and had beautiful purple butterfly wings and Nico gave her the jumpsuit and she put it on.

Chloe Butterfly: Wow.

Nico and Chloe hugged.

Nico: I've really missed you.

Chloe Butterfly: Me too Nico. Me too.

She put a sign on his back.

KROW!

I kicked Nico in his butt.

Nico: OUCH!

Me: Sorry Nico you had this on you.

I pulled it off and Nico read it.

Nico: Kick me, I'm a stupid chocolate sludge eating monkey.

Me: Very funny.

Nico: Oh hardy har har.

We later went home.

Lincoln also called Legoshi here, because Lincoln sensed he's going to transform, and Fenris Wolf is going to be part of The Masters of Evil.

Lincoln: Whoa, we're here on a planet made of Diablo's Bane Peppers, the super spicy peppers of Thehabos, and I know what we're going to do here, not only am I going to rescue the seven girls here, but we're also going to take down Fenris Wolf from the Marvel Comics.

Grace Thehabos: A planet made of Diablo's Bane Peppers, this is so awesome!

Me: Let us try some as well.

Nico: Yeah, let's see just how hot these bad boys really are.

Lincoln: Just be careful, guys, these Diablo's Bane Peppers are extremely potent and really really hot.

Lincoln and Grace Thehabos grabbed bushels of Diablo's Bane Peppers and we ate them, and eating those super hot Diablo's Bane Peppers caused our energy auras to really flare up, and then, massive tornadoes of rainbow energy and rainbow fire exploded out of us as we gained massive power boosts from them, and our spicy tattoos leaked out blood. We sucked in the explosions and rainbow fire and we had intense rainbow fire auras.

Me: WHOO! Man, you weren't even kidding, Lincoln, these peppers are HOT!

Luna: We saw the dude eat those peppers before, and man, he really enjoyed them, and he even belched out massive streams of fire from his mouth which hit Flip and burned him badly.

Nico: Damn!

Gina Angellus And we can also thank the legendary El Paso Diablo Pepper of Fury I found for him long ago which gave him a massive and powerful immunity to peppers of all types.

Lincoln: Yep, now I can eat super spicy peppers of all types, including The Diablo's Bane Peppers of Thehabos, and I want to thank you, Legoshi, Andrea San Juan, Nico Robin, Boa Hancock, and Monet for joining us, Billy.

Shazam: You're welcome, Lincoln.

Legoshi: I was quite surprised that you asked me to join, Lincoln, but why is that?

Lincoln: Let me ask you this, have you felt some sort of power rushing through you and you feel as though it's about to be unleashed?

Legoshi: Now that you mention it, I did feel something strange, but I thought it was nothing, but when I saw a thug trying to attack me, I grabbed him by the neck and slammed him down onto the concrete hard and left cracks on it. He was okay, but knocked out. Wait, does this mean…?

Me: Oh, no way, you're going to transform, awesome.

Nico: Way awesome.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of seven girls calling for help and the sound of a wolf howling. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the seven girls, but they've been cornered by Fenris Wolf, and he's going to devour them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the seven girls, but they've been cornered by Fenris Wolf, and he's going to devour them.

?: (Girl's voice) Time to make him pay for what he's done.

Suddenly, we saw Evil HERO Infernal Prodigy appear before us.

Nico: Wicked, that's Evil HERO Infernal Prodigy.

Lincoln: (Gasps) That voice, Phoebe Ramirez, I knew it was you, but we'll talk later. Time to put a stop to Fenris Wolf.

We rushed over and before Fenris Wolf could devour the girls, Lincoln fired powerful rainbow energy balls and elemental blasts at the Fenris Wolf and that caused the seven girls to get away and take shelter in a rainbow energy field Lincoln created to protect them from the Fenris Wolf and when he saw us, he howled in fury.

Legoshi: So, that's the Fenris Wolf that Thor from the Marvel Comics had to deal with. Indeed, he's a wild beast who needs to be stopped once and for all, and yet, I can sense something: the instincts I had to suppress for years, and now, I'm standing right in front of what could've happened if I gave in that day. But, not anymore, this ends here.

Suddenly, Legoshi's brown eyes turned neon brown and he was surrounded by a blue grey and cream white energy aura with light, moonlight, moonlight fire, crosses, wolves, and Komodo dragons, and as he approached Fenris Wolf, he left blue grey and cream white energy, crosses, moonlight, moonlight fire, Komodo dragons, and wolves with every step.

Legoshi: You are indeed a beast who must be stopped, Fenris Wolf, but yet, I sense something within you: the instincts I've had to suppress for years, and now, I'm standing right in front of what could've happened if I gave in that day. But, not anymore, this ends here, I've accepted myself for what I am, and now, I'm no longer afraid of what I am.

Suddenly, Legoshi was surrounded by a massive vortex of blue grey and cream white energy with moonlight shining down from the skies, moonlight fire, light, and crosses surrounding the vortex, there are wolves and a Komodo dragon flying around the vortex, and in the vortex is a brown phoenix. Then, as the vortex faded, Legoshi emerged, but he was changed forever.

Legoshi grew from 6'1" to 7'5" in height, he now has abnormally massive and powerful upper and lower body muscles and eight pack abs, he has neon brown eyes and a blue grey and cream white energy aura with light, moonlight fire, moonlight, crosses, wolves, and Komodo dragons surrounding him, he has a wolf howling at the full moon emblazoned on his forehead and Third Eye with blue iris, his tail's gotten longer for his new body, he has on a Crystal Necklace of the Buddha with blue grey gems on the crescent moon links and blue grey crystal links and blue grey wolf-shaped Element of Harmony and below the Element of Harmony is a wolf with blue grey gems for eyes and holding the Moon and Eternity Kanjis in its paws for the pendant, and he now has on large gold metal bands on his massive biceps and thighs. Legoshi has on a long white tunic that went down to his waist, white shirt, white vest, long black leather pants with wolves on them, black leather knee-high combat boots with wolf heads for the buckles, and a long black long-sleeved trenchcoat with light, moonlight fire, moonlight, crosses, wolves, and Komodo dragons on the coattails and on the back is a wolf howling at the full moon and a phoenix flying in the skies. Suddenly, Legoshi felt a pain on his now wider and more muscular back, and then, massive blue gray angel wings with cream white tips on the large blue gray feathers grew and sprouted out from his back, he has on his Ring of The Phoenix with large blue grey gem on the gold ring on his right ring finger and a White Lantern Corps ring on his left ring finger and Stone of Gelel embedded in his left hand.

Suddenly, all the swords Legoshi had gotten began merging together and they're surrounded by a kaleidoscope of blue grey and cream white energy, crosses, moonlight, moonlight fire, Komodo dragons, and wolves and when it emerged, it was transformed into

We were amazed by Legoshi's Super Angel-Wolf-Harmony Celestial Eternal Xelnaga transformation, but when Fenris Wolf saw it, it howled in rage and ran at him to attack, bad news for him was that

Legoshi threw a really nasty punch at the beast and sent him flying into a rock.

Legoshi: (Divine Echoing Cosmic Voice of The Holy Midnight Moonlight Wolf Moon and Divine Holy Wolf Moon Justice) Is he…?

Suddenly, Fenris Wolf came out and it was really enraged now.

Lincoln: Nope, you just made him mad, Legoshi.

Legoshi: (Divine Echoing Cosmic Voice of The Holy Midnight Moonlight Wolf Moon and Divine Holy Wolf Moon Justice) I see. Guys, don't try to jump in, this is something I need to do.

Legoshi went after Fenris Wolf, and he fired powerful blasts of blue grey energy, moonlight, moonlight fire, light, darkness, and wolves at Fenris Wolf, and they exploded with incredible power as they hit him, and he also attacked the beast with his massive greatsword and claws, leaving scars and spilling his blood all over the planet.

Nico: Whoa!

Lincoln: If this keeps up, the planet's going to be stained red with blood.

Legoshi: (Divine Echoing Cosmic Voice of The Holy Midnight Moonlight Wolf Moon and Divine Holy Wolf Moon Justice) Not for much longer. HEAVENLY WOLF MOON STYLE NINJA ART: HOLY CHAINS OF MOONLIGHT FURY!

Legoshi fired chains of holy light which bound Fenris Wolf, but he broke free of them and the chains shattered.

Legoshi: (Divine Echoing Cosmic Voice of The Holy Midnight Moonlight Wolf Moon and Divine Holy Wolf Moon Justice) It didn't work. Okay, guys, looks like we need to overwhelm him before I can try again to bind him.

Lincoln: You heard the man. Let's get him!

Legoshi: (Divine Echoing Cosmic Voice of The Holy Midnight Moonlight Wolf Moon and Divine Holy Wolf Moon Justice) He's already weakened, now, let's try this again. HEAVENLY WOLF MOON STYLE NINJA ART: HOLY CHAINS OF MOONLIGHT FURY!

Legoshi fired chains of holy light which bound Fenris Wolf, and this time, he was bound completely in chains that he can't break out of. Legoshi beamed him to Vypra with a message telling the others to watch him closely. We cheered as we holstered our weapons and powered down, and Legoshi's new body, clothes, weapons, jewelry, Third Eye, and massive blue grey angel wings are permanent.

Legoshi: That should be about it.

Lori: That's right. Now, The Masters of Evil have a new member. (Sees a claw mark on Legoshi's arm) Looks like Fenris left its mark on you during the fight.

Legoshi: This isn't anything unusual, I've gotten these kinds of scars from the other carnivores and from the Shishigumi, the criminal gang from my world.

Varie healed the wound.

Lincoln: But, at least, we took down the Fenris Wolf and had him turned in to The Masters of Evil. (To Phoebe Ramirez) And it's so good to see you again, Phoebe Ramirez.

Phoebe Ramirez reverted back to normal, and she's a beautiful girl with long blood red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Infernal Prodigy, she has on a sleeveless midnight black shirt, midnight black skirt, midnight black knee-high high heeled boots, and long white sleeveless trenchcoat with darkness and demons on the coattails and on the back is Evil HERO Infernal Prodigy and holstered on her back is a massive Evil HERO Infernal Prodigy-themed greatsword with embedded red gems and Evil HERO Infernal Prodigy etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Phoebe Ramirez: You too, Lincoln, it's been six and a half year since we last met, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, and Annalise Halston.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, and Annalise Halston: You too, Phoebe.

Lincoln went up to Phoebe Ramirez and he hugged her, and Phoebe Ramirez is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Phoebe Ramirez: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Phoebe Ramirez, she's my Guardian Angel and classmate in history, and she's also quite an expert on the myths in the world. Of all the Evil HERO Gene-Slammers in my harem, Phoebe Ramirez is not only a genius, but she's also an expert on the myths in the world: everything from mythical locations and objects to legendary mythical creatures and people.

Gretchen Holland: She had also known that Lincoln became a vampire-werewolf hybrid, and she was also part in helping in his really intense training: as she'd handled the progress of Lincoln's increasing superhuman upper and lower body strength, and she became even more impressed by his really immense superhuman upper and lower body strength continued to increase even more, and she also helped in increasing his other abilities as well, including his mental and intellectual abilities, plus, she introduced him to her field on on the myths in the world: everything from mythical locations and objects to legendary mythical creatures and people.

Ionia Han: That's really amazing.

Lincoln: That's right. Plus, Annalise's also also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, and Micaela Davis and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you.

Legoshi: That's always the one thing no one wants, and among your enemies, which one did Phoebe really hate with a blazing passion, Lincoln?

Nico: That's right, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and the very person who earned Phoebe's wrath, that would be Luan.

Phoebe Ramirez: We'll tell you guys about that later. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Phoebe, are you absolutely sure about this?

Phoebe Ramirez: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Phoebe Ramirez, and he saw that she's really serious, and he smiled as he walks over to Phoebe Ramirez, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Phoebe Ramirez's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Phoebe Ramirez's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Phoebe Ramirez: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Phoebe.

Phoebe Ramirez had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seven girls, and when Lincoln saw them, he recognized them immediately. The seven girls are Christiane Friedrich, Kokoro Fushikawa, Tatsuko Itagaki, Kazuko Kawakami, Momoyo Kawakami, Yukie Mayuzumi, and Miyako Shiina from Majikoi!

Lincoln: Oh wow, it's Christiane Friedrich, Kokoro Fushikawa, Tatsuko Itagaki, Kazuko Kawakami, Momoyo Kawakami, Yukie Mayuzumi, and Miyako Shiina from Majikoi!

Nicole: Awesome.

Lincoln: Are you girls okay?

Christiane Friedrich: Yes, we're okay, thanks to you.

Then, when Christiane Friedrich and the other six girls saw who it was that saved them from Fenris Wolf, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many

Christiane Friedrich: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made six clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Christiane Friedrich: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Christiane Friedrich, Kokoro Fushikawa, Tatsuko Itagaki, Kazuko Kawakami, Momoyo Kawakami, Yukie Mayuzumi, and Miyako Shiina with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned home to the World Tree Estate, and they were shocked to find out that the villain we went after was Fenris Wolf.

But, when Lincoln showed what happened such as Legoshi transforming into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and he laid a beatdown on the beast, and all of us joined in and we defeated it and Legoshi chaining him up and sending him to Vypra, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Phoebe Ramirez have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys really had a lot of fun on that planet.

Lincoln: Many of us Spice Demons scarfed down a lot of Diablo's Bane Peppers, and they're still just as tasty as ever.

Legoshi: Luckily, I didn't eat any of them, I think I prefer to keep my tongue intact.

Nico: I don't blame you, Legoshi. You'd have to be a really powerful spice demon to try one of those.

Jack (Beastars): And that was so awesome you transformed, Legoshi, nice.

After taking down the Fenris Wolf, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Phoebe Ramirez saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Phoebe Ramirez: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Phoebe, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Phoebe Ramirez: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Phoebe Ramirez: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Phoebe, what's the story on why you hated Luan?

Phoebe Ramirez: That's a tale I haven't forgotten. One day, Lincoln and I were busy presenting our report on Egypt, we made a half-scale replica of The Great Pyramid of Giza, but then, I felt a drop of water drip from the ceiling, and Lincoln had a look of dread on his face: we slowly looked up to see a bucket of water tied to a long string leading outside. Suddenly, the string was pulled, and the bucket tipped over pouring water on both my head and Lincoln's and it also got on our half-scale replica of The Great Pyramid of Giza ruining it and our report. We soon heard the sound of insane laughter in the hallways, and there's only one person responsible for it: Luan. I was extremely furious at Luan, as she showed up inside and laughing at us again, and I wanted to rip her head off and mount it on a stake, but Mrs. Johnson caught on and she grabbed Luan and dragged her to Principal Huggins' office and we found out she snuck out of the school to pull a horrible prank on me and Lincoln to ruin our project. Lincoln was so angry, he yelled at Luan saying it took him and I three weeks to put this all together and she ruined it in a second, but Luan just stood there laughing at him again, and when she made another bad pun, that was the last straw. I grabbed Luan by her ponytail, dragged her outside, and tied her by her panties to a tree limb outside the school, and marched back in. But, by the time I got there, Lincoln was already sitting on the floor and crying his heart out, he was right: it took us three weeks to get our project all together and Luan ruined it. I went down to the floor and hugged Lincoln and he hugged me back, I swore I was never going to forgive Luan for what she did, if she ever pulled a prank like that again, I was going to kill her!

When Phoebe Ramirez was finished, we were absolutely horrified.

Nico: My God, Luan really went too far that day.

Me: Yeah, that prank landed her in really hot water that day.

Rita: We came over and Phoebe told us everything that Luan did, and we picked up Lincoln who had a total breakdown, and Phoebe untied Luan's panties, but we were absolutely furious with her. We then grounded her for eighteen weeks for that prank and ruining their project.

Lynn Sr.: Lincoln was absolutely devastated by Luan's prank, she ruined what he and Phoebe have been working on for three weeks and all for a laugh, she treated her brother's education like a joke.

Nico: Education is something that's never to be taken as a joke, that was awful. Did you and Phoebe ever get the chance to do a re-do of the project, Lincoln?

Lori: They did. But, Lincoln was still absolutely devastated by what Luan did: we warned her one day that her sick pranks would go too far, and look at what happened. Eventually, they re-did their project and they got an A, but Mrs. Johnson was really worried about Lincoln, no matter what everyone did, he was still devastated. Phoebe went over to Lincoln, and the moment she hugged him, he broke down and cried his heart out, as he hugged her back, and she rocked him gently to calm him down, we also heard it and we joined in.

Luna: That joker really went too far, and after Mom and Dad told us what she did, I kicked her out of my room and told her to go sleep in the basement. Eventually, Lincoln calmed down, and Phoebe took him to Lake Huron for a vacation for the both of them, while Luan was condemned into the basement for her sick joke. Even though we also wanted to be there for him, Phoebe explained that it should just be her and him, and we knew it's proof he's lost his trust in Luan, and we were pissed off at her for what she did. But, when they did return, Lincoln was much better.

Me: Yeah, and Luan eventually apologized after eighteen weeks of Hell in the basement. But, Phoebe didn't want to hear any of it, and that was the sign that Luan was now on her death list if she ever pulls a prank like that ever again.

Nico: Jeez.

We got a shower afterwards, and then, Lincoln, Irida (Pokemon), Jessica Cruz (Justice League) and Arisia Rrab (Justice League) are heading to the Kamakura Beaches in Japan.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Irida (Pokemon), Jessica Cruz (Justice League) and Arisia Rrab (Justice League) were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Irida (Pokemon), Jessica Cruz (Justice League) and Arisia Rrab (Justice League) all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved the girls from a group of thugs sent by Bruno Herrera to kill them because he wanted revenge for the deaths of the other members of The Order, but Lincoln saved the girls and he killed the thugs and absorbed them into his body, which was bound to piss him off even more.

Irida: Whoa, we're here in the Kamakura Beaches, incredible.

Lincoln: I've never been here to the Kamakura Beaches before, but this is also perfect for our first beach date, ladies. Shall we?

Lincoln, Irida, Jessica Cruz (Justice League) and Arisia Rrab dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Irida, Jessica Cruz (Justice League) and Arisia Rrab got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Irida, Jessica Cruz (Justice League) and Arisia Rrab and they hugged the girls in their abnormally massive and powerful muscular arms and Irida, Jessica Cruz (Justice League) and Arisia Rrab placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Irida, Jessica Cruz (Justice League), and Arisia Rrab with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Hal Jordan: At least I know that Lincoln's going to look after Jessica and Arisia Rrab.

Irida: And he also saved us from from a group of thugs sent by

Bruno Herrera to kill them because he wanted revenge for the deaths of the other members of The Order of Nuestra Señora de la Santa Muerte.

Maria Garcia and the other Fabled Gene-Slammers were already sharpening axes.

Nico: Uh oh, they've really pissed the Fabled Gene-Slammers off big time, now they're really going to face eternal damnation.

Lincoln: You got that right, but they've already been marked for death after they got their death sentences years ago, so we're going to the Mexican government a favor and kill them.

Maria Garcia: (Spanish Accent) That's right.

---

We were taking Sir Ivan and Irena to a special restaurant over in London, England. We had them blindfolded.

Haruto: Nico, it was nice knowing you.

Nico: (WHIMPERS IN FEAR)

Sir Ivan: (British Accent) I have a feeling I know where we are.

Varie: You will love this restaurant guys.

Irena Malloy: We sure will.

We arrived at a castle restaurant.

We sat them down and removed their blindfolds and gasped.

Sir Ivan: Irena!? You're my date!?

Irena Malloy: Sir Ivan!?

Sir Ivan: Ah London! I've always wanted to come home.

Me: Yeah we brought you guys here for your date at one of England's finest restaurants.

Nico: Getting a reservation at this place was not easy.

Me: Also Ivan you were getting a little homesick so I figured why not have your date in your home turf.

Sir Ivan: Thank you J.D. It's good to be back in London.

Me: Yeah it sure is awesome.

Lola: Yep.

Bambi: I hope you enjoy!

We sat down.

Me: I always love coming here to England.

Nico: Me too.

Camie: Yeah.

Rarity and Pipp saw my fingernails and they were jeweled fingernails.

Pipp: (GASP) Oh my glitter! Those fingernails are so gorge.

Me: Oh thanks Pipp. These were made by this.

BLING BLING MAGISWORD!

Rarity: Oh my that is beautiful darling.

Me: Yep. It makes anything bling filled.

Qin: Very dazzling.

Me: Yep.

Nico: Didn't think you were the bling wearing type J.D.

Me: Well I dyed my hair rainbow so I figured why not add some bling to go with the trend.

Nico: True.

Lola: That is awesome though.

Rarity: Oh that is an absolutely brilliant idea darling.

Me: Thanks.

Blast Off: You better get ready to run, Nico.

Nico: (GULPS) I know.

Sir Ivan and Irena had a great meal.

When they were done we helped pay for it.

Me: Have a great meal guys?

Sir Ivan: We most sure did.

Irena Malloy: We had a wonderful time.

Me: Glad you guys loved it and I'm glad that we were able to help Sir Ivan get back to his home country for some catching up.

Sir Ivan: True.

Vines then started tickling Nico.

Nico: (LAUGHS HYSTERICALLY) HEY GUYS THAT'S ENOUGH!

Irena: Uhh that's not us!

Me: It's from him!

We saw a Meganium!

Nico: Whoa a Meganium!

Me: Wow!

Meganium: (In a girls voice) Sorry to tickle you Nico. Couldn't resist.

Nico: Gina Everest! Whoa!

Qin: Wow Gina you look great as a Meganium!

Meganium: Thanks Qin.

Tyler Nevarro: Ivan, we really are happy for you. It's about time you got a girlfriend here in the modern world.

Me: Yeah even after 1,500 years.

Sir Ivan: That is true. Thank you all.

Me: No problem.

Meganium: But we're happy for you though.

May: What's your favorite memory of Nico?

Meganium: My favorite is when me and Nico tickled a girl in our class that was a bully and she was laughing so hard that she was given detention for a month.

Nico: That's right.

Me: That was awesome.

May: Yeah.

Me: Lets revert you back.

I put on my blind man glasses and Nico pulled out a Green jumpsuit and everyone covered their eyes and I snapped my fingers and she reverted back.

Gina's neck shrunk down.

She regained her body and human form and had beautiful pink and green butterfly wings. Nico gave her the jumpsuit and she put it on and she was back to normal.

Gina Everest: Wow. That was a rush.

Nico and Gina hugged.

Nico: I've really missed you.

Gina Everest: Me too Nico. Me too.

Catzi: Nico, which teams have you made this time?

Nico: Eli's team will include Crag, Edith Norris, Derek, Odette, and Loki (Marvel). Hunter's team will include Bender, Carla Wong III, Halinor, Cassidy, and Yan Lin.

Hunter: (German Accent) Wunderbar!

Qin: That is awesome guys!

Bender: As long as I get to kick some shiny metal ass!

Carla Wong III: It will be awesome.

Crag: Yeah we're gonna have a ripping good time on that.

Me: And speaking of Odette and Derek, I just got this message from them. Says they need our help.

Nico: I have a feeling I know what it is.

Xenia: Me too.

The Previous Group of M.O.E. Members came.

Silver Samurai: Can me, Grodd, Goliath, Atomic Skull, Calamitous, Snake, Mole Man, LaGrange, Seadramon, and Bizarro go with you guys?

Evil Wind Man: Me, the Constructicons, Captain Frightbeard, Evil Skull Man, Albedo, Roman Torchwick, Peg Leg Pete, Live Action Thrust, Big Lenny, and Evil Solar Man will come too.

Live Action Scrapper: And congrats on getting a girlfriend, Ivan.

Sir Ivan: Thank you.

Live Action Scrapper: You're welcome.

Nico: And to answer your question yes you all can come with.

Lola: J.D. got a message from Derek and Odette. It's very important.

Xenia: Yeah.

Me: It doesn't say but it's important.

Weather Vane: Nico, which Gene Slammers do you think you'll meet next?

Nico: Feraligatr, Furret and Noctowl next.

Qin: Awesome choices.

Me: This will be interesting.

Lola: Yep.

Nico: It sure will.

Grodd: Let's get going.

Live Action Mixmaster: Why do I get the feeling we're about to finish what one of Nico's rescues started?

Me: I got that same feeling too.

King Kai: (Telepathically) Nico, can you hear me?

Nico: King Kai, I hear you, what's the emergency?

King Kai: (Telepathically) I've got bad news: Clavius is back, he survived and now, he's really pissed off at you and he wants revenge. But, ever since Lincoln had sucked out all of his powers, he's still powerless.

Me: So, he's back for Round 2. I knew that was for him, well, now this time, he's really going to pay for his crimes in full, and he's getting sent to The Black Gates for good.

Luan: We'll make him pay for everything he's done, and what he did in helping Rothbart.

Lincoln: And I'll be able to use my curse that I wanted to put on him when we send him to The Warp, but now, we'll use it send him to The Black Gates forever.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Bruno Herrera of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Bruno Herrera of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now, and he's already pissed off of what you did to his thugs.

Renata Kushano: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Bruno Herrera for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got some unfinished business with Clavius.

Lincoln: We're putting an end to that powerless sorcerer once and for all, and once we get done with destroying Clavius, you're the next one to die, Bruno Herrera.

Renata Kushano: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Bruno Herrera, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

We were off.

---

We were flying over to Derek's kingdom.

We arrived at Derek's Kingdom and we saw Derek getting ready to practice archery.

Derek: Hey guys!

Me: Hey Derek.

Qin: Awesome to see you again.

Nico: Even though we saw each other a couple of days ago.

Xenia: Yeah.

Odette: I'm glad you all came.

Luan: Wouldn't miss this for anything Odette.

Atomic Skull: Practicing archery, I see.

Evil Skull Man: You guys are skilled at that.

Derek: It's what I like.

Brom: It's fun too.

Me: It sure is.

Aylene C.: Mind if I practice too? I'm a good shot myself.

Derek: Sure Aylene. The More the merrier.

Lord Rogers: Animals, assemble!

The Musicians came out.

Musician 1: Lord Rogers, I must object. We are musicians!

Lord Rogers: The servants have the day off. We have to use someone.

Musician 1: But I'm an artist! Not a boar.

Lord Rogers: Could've fooled me.

Derek: C'mon guys, they're harmless.

Me: They are bag head arrows.

Musicians: (Singing) We are a band And not a band of animals. (They donned animal costumes) This masquerade

Musician 2 (BEAR): Is more than I can bear.

Musicians There goes my reputation. It's awful, this humiliation

Musician 3 (LION): And I've the lion's share

Me: Geez. Talk about improvising.

Lord Rogers: Down on all fours, please, and growl ferociously! (They gave vicious looks) Liven it up a bit! I want you to strike fear into my heart.

Wesley (RABBIT): [Roars ferociously]

FEROCIOUS ROAR!

Me: WHAT THE FUCK!?

Lord Rogers: Not you, Wesley, you're a rabbit, for heaven's sake.

Me: Geez!

Nico: So, where were we?

RD Lori: Aylene literally practicing her archery.?

Nico: Oh, right.

Aylene had a red blindfold on. Derek's was orange and Brom's was blue.

Lord Rogers: Archers! Ready. Set. Go!

The blindfolds were pulled off and Derek and Aylene were shooting the animals like mad! Aylene was off to a great start and so was Derek! Brom was having trouble. Derek blasted numerous animals all at once and Aylene really let them have it and blasted them all over with red arrows and more. She and Derek were really shooting them up.

Me: Wow! Look at them go!

An arrow from Aylene came at us!

I grabbed it and threw it and it hit Wesley the Rabbit!

SMASH!

Lord Rogers: Twelve seconds!

They kept on blasting them.

Lord Rogers: Five seconds!

Still blasting them.

Lord Rogers: Three! Two!

Aylene fired more arrows and they hit Wesley!

Lord Rogers: Time! Animals, assemble for counting.

They came and they were covered int red and orange dust!

Me: Whoa! They sure did a number on them.

Lord Rogers: Aha! Very good, very good. You both scored plenty of five pointers, that's for sure.

Me: Boy you guys did some really good shooting!

Qin: I'll say!

Derek: Sorry, Hans. Why don't you take a few days off?

Me: Boy you guys got beat bad.

Lord Rogers: Moose are worth two points. Sixteen, it's a total of thirty-two. Ten seven pointers and fourteen three pointers, with a total of two hundred ninety-eight. Well done, Derek! Now Bromley, let's see, for you, and zero, and zero, and uh nothing, and nil and zip. And last but not least the elusive 100-point white rabbit!

Wesley was covered in red dust in 8 spots.

We totaled it all up

Derek got 398

Aylene got 999

Brom got 0

Nico: Whoa! Nice shooting!

Mole Man: Nice job!

Derek: You got some good shooting there Aylene! Nice job!

Aylene C.: Thanks Derek. Archery is one of my talents.

Mole Man: Aylene has a great shot.

Fu: She sure does. When we first met, we saw her hit Sharptooth in his eye and chest with great marksmanship.

Me: That's right.

Nico: She has quite the shot there.

Peg Leg Pete: Hey, Odette. Were you turned into a Bewick's Swan before?

Odette: I think so.

Me: Actually yeah that's right. And those are my favorite swans too.

Qin: Cool.

RD Lucy: Odette, do you ever get the feeling that someone you think you killed might not have been killed at all?

Nico: Because that's the feeling we have right now.

Odette: Yes I know that feeling. And you're right. It's the reason why I called you guys here. Clavius is still alive!

We gasped!

Nico: I knew that he was alive!

Me: Now I understand! Nico left Clavius alive on his rescue so all of us can have a shot at bringing him down.

Eli: That's very sporting of you Nico.

Nico: I didn't want all of us to feel left out.

Allison Nouveux: That is very sporting and considerate.

Seadramon: I thought he just came back just like all dead villains.

Big Lenny: When they don't get the Black Gates, that is.

Me: Clavius didn't get the Black Gates. Yet. So that means he is still alive.

Odette: Yes. But he is horribly burned, scarred and disfigured from the lava.

Qin: Geez! Nico sure left his mark on him.

Xenia: He sure did.

Eli: No kidding there.

Me: Yeah. Oh Derek, Odette, I have something you are going to love seeing.

Odette: What is it?

Me: You'll like this. When Allison Nouveux absorbed the orb of the Forbidden arts and transformed, all of us gained the power to use the powers of the Forbidden Arts and we all can now use them for good. Watch this.

I fired a blast of blue magic and it formed Derek, Brom and Odette when they were in their pre-teen years!

Nico: Whoa!

Odette: Wow is that!?

Derek: Wow it sure is! That's you and me when we were kids.

Me: And Brom too.

Qin: Wow! You guys were awesome back then.

Lemmy Koopa: And yeah. They can see you.

Little Odette: Wow this is amazing!

Little Derek: So you guys are us?

Odette: We sure are.

Me: This may sound strange for you two but you are now husband and wife.

Little Odette: Wow! I have a lot to hear about.

Me: It's a long story.

Luan: You had to learn and work your way through lots of things to get to where you are now.

Derek: It's true.

Bizarro: They so ugly.

Evil Solar Man: He really means they're so cute.

Me: Bizarro talks in opposite. Ugly to him means cute.

Derek: Oh I get it.

Me: Yeah.

Qin: Yeah it takes a while to understand.

Odette: I see.

Little Odette: I have a lot to learn here though. But I can't believe that father is…

Me: I know Odette. But you have nothing to worry about. Rothbart is dead and gone. Luan here killed him and helped Derek do so.

Luan: It's true.

Qin: Yeah.

Luan: Rothbart got what was coming to him.

Gru: Now, we have a new problem.

Me: Clavius is back.

Qin: But we're ready for him.

Luan: And he will face the wrath of the defender of Derek's Kingdom.

Xenia: And that is Luan Loud.

Eli: Yeah you got that right. I sense that Luan is about to transform.

Nico: Me too.

Luan: Yep.

LaGrange: I hope he's sent goons after us. So we can take them down.

Live Action Thrust: (transforms to jet mode) In the meantime, I'll see if I can find him.

Me: Be careful. Even without the Orb of the Forbidden Arts he is still a dangerous monster.

Live Action Thrust: Noted.

He flew out to find him.

RD Lola: I see some of his goons!

Me: Blast them!

We fired waves of fire and incinerated them into nothing.

Xenia: Here comes more.

Xenia fired an arrow and skewered them through their heads.

Derek: Nice shot Xenia!

Xenia: That was a good bullseye.

Eli: I sense that's the last of them.

Live Action Thrust came back.

Live Action Thrust: He is close.

Eli: 5 klicks and closing.

Roman Torchwick: Here comes more goons!

Nico: (gets out Professor XXXL and Carmen Dillo's Ridewatches) Good. Now I can use these!

Snake: Dude, did you seriously forget to use those during Vinyl's final mission?

Nico: Sorry.

He activated them and rolled into a ball and went at the goons and turned them into roadkill!

Qin: Nico one!

Nico came back!

I fired more fire blasts and incinerated the goons.

Laney: Take that!

Beelzemon: Now, there's nothing left to stop us from reaching the asshole.

Me: You got that right.

Qin: Should be here any minute.

Eli: 2 klicks and closing.

Me: Oh. That killed some time for him to get here.

Camie: It sure did.

Albedo turned into Negative Jetray.

Negative Jetray: Let's not keep him waiting.

Calamitous: Oh, we won't.

Me: No we sure won't.

I spun my Magisword Bracelet.

LOBSTER CLAW MAGISWORD!

Me: He's allergic to shellfish.

Nico: Nice. Also that sword will snip his legs off.

Me: And nothing hurts worse than being snipped by a lobster.

RD Sam: Entrance time!

We got to the castle tower and hid.

Then a figure came out and it was CLAVIUS! He was horribly burned and scarred and disfigured from the lava.

Qin: (Whispering) Geez that lava really did a number on him.

Nico: Yep. Lets go.

We went at him.

Clavius: I WILL KILL NICO AND DEREK!

But then the spirits of swans appeared and they swirled around him and then converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive explosion went off above him and a phoenix cry was heard and we came out.

Nico: Miss me Clavius?

Me: Time for us to finish what we started.

Frightbeard: Time for ye to walk the plank!

Goliath: We weren't taking any chances. So, we brought your one weakness!

Me: And that's this!

CRUNCH!

I snapped him with the Lobster Claw Magisword and he swelled up like a balloon!

Then New Wave, Hydros, Stonedozer, Whirlin, Iceage, Magma, Mortal Kombat Scorpion, Stratos, Ice Demon, and Gramma Stuffum are next. So are Yani, King Jellyfish, Mortimer Mouse, Evil Splash Woman, Doc Duodenum, Luna Ghost, Aries Zodiart, Trident, Coldsnap, and Rock appeared.

Nico: New Wave, Hydros, Stonedozer, Whirlin, Iceage, Magma, Mortal Kombat Scorpion, Stratos, Ice Demon, and Gramma Stuffum are next. So are Yani, King Jellyfish, Mortimer Mouse, Evil Splash Woman, Doc Duodenum, Luna Ghost, Aries Zodiart, Trident, Coldsnap, and Rock.

New Wave: I didn't expect Clavius to be allergic to Shellfish.

Me: Me neither.

Maria: Hey, some bad guys are allergic to more then just happiness.

Me: That's true.

Hydros: No argument there.

Stondozer: At least he'll be easier to beat now.

Qin: Yep.

Whirlin: (to Nico) We heard you helped the Justice League beat the Imperium

Nico: We sure did.

Magma: (to the Justice League) I don't blame you guys for forgetting that. It happened so many years ago before the Joker got killed the first time.

Superman: Boy it has been a while.

Me: We did not expect the Prime Universe Earth from long ago to be here and we were there back then.

Nico: Crazy.

Qin: Yeah.

Then Commander Crayfish and his Mutant Rangers came.

Me: Commander Crayfish and the Mutant Rangers. You guys sure know how to take a beating.

Commander Crayfish: We sure do.

Me: Yep.

Commander Crayfish: Tomorrow, I hope the girls get a chance to shine. Unfortunately, that means no usual battles.

Nico: What do you mean by that?

Commander Crayfish: No spoilers.

Qin: Oh boy.

We got the battles underway.

---

Maria, Carmen, Rarity, Sweetie Belle, Water Skylanders, Lorna Jacobs, Suu the Slime, RD Luna, and Catzi VS New Wave - Nico's Rescue and Battling the Incursian Horde and recruiting the Imperium

---

New Wave was first.

New Wave: (to Maria) Nico's Rescue involved you guys Battling the Incursian Horde. And recruiting the Imperium.

Maria: Yeah it sure did and Anita Bathory recruited the Imperium Horde. Some of them. But we had no idea that they were on a prime universe Earth that was set years ago before the team was formed.

Carmen: Yeah that was really strange but it was really awesome seeing what happened back then.

Rarity: That was a really strange mystery darlings.

Sweetie Belle: But it was still a really awesome rescue and adventure.

Gill Grunt: Yeah it sure was.

Lorna Jacobs: Yeah we all thought it was cool.

Suu: It sure was.

New Wave: No kidding there. But that was cool that you guys did all that. Lets do it!

Maria used her Legend Items.

SUBMARINE WATER HUNT! MARIA'S MAELSTROM OF FURY!

They fired waves of water, ice and jewels and slime and smashed her down.

---

Azulongmon, Starlight Glimmer, Cozy Glow, Undead Skylanders, Ariana Blitz Wolfenstein, Lincoln, Weather Vane, and Protoboy VS Hydros the Ice Titan - Battling Another Mane Ice Beast Record and Another Loki.

---

Hydros was next.

Hydros: (to Azulongmon) Nico, May's team, Loki's team, and the others did good Battling Another Mane Ice Beast Record. And Another Loki as well.

Azulongmon: Yeah they sure did and we were amazed to see that Another Mane Ice Beast Record was also the Sailor Soldier for the world of Wonderland from Disney. That is amazing.

Starlight Glimmer: It sure was awesome and battling Another Loki with Magiswords and Ridewatches was really cool!

Cozy Glow: You got that right. That was both funny and awesome.

Hex: I agree there too. It was great.

Ariana Blitz: It sure was. We had a lot of fun on that one.

Lincoln: Boy we sure did.

Hydros: Glad you did. Lets do it!

Azulongmon used his legend items.

DRAGONS OF WAR AND LIGHTNING! AZULONGMON'S EASTERN SOVEREIGNTY FURY!

They fired waves of lightning, bones, skulls, magic, stars, blood and energy and smashed him down.

---

Thing, Applejack, Apple Bloom, Earth Skylanders, Ruth Lincoln, Stone Luna, RD Lynn, and Commando Man vs Stonedozer - Lincoln's Rescue

---

Stonedozer was next.

Stonedozer: (to Thing) I heard Lincoln's rescue was on a planet made of Diablo's Bane Peppers. Did he try any?

Thing: You bet he did! Many of us did and our rainbow fire auras were so explosively intense from them that it was beyond incredible! The spice from those peppers made the Carolina Reaper pepper and Dragons Breath Pepper feel like nothing!

Applejack: Woowee! And they were hotter than anything we ever felt.

Apple Bloom: Yeah they sure were. But the heat from them was amazing!

Flashwing: It sure was awesome!

Ruth Lincoln: We were amazed about that.

Stone Luna: Yeah we sure were.

Stonedozer: Wow that is potent and amazing! Lets do it!

Thing: IT'S CLOBBERIN TIME!

Thing used his Legend Items.

CLOBBERING BAD GUYS OF 4! THING'S SMASHING

ROCKSTORM!

They fired waves of rock, boulders, earth, mud, crystal, apples and energy and smashed him down.

---

Linka (Captain Planet), Rainbow Dash, Scootaloo, Air Skylanders, Olivia Orrovia, Professor Banner, RD Lori and RD Carol VS Whirlin - Meeting a gene-slammer for Evil HERO Infernal Prodigy

---

Whirlin was next.

Whirlin: (to Linka) I heard you guys met a gene-slammer for Evil HERO Infernal Prodigy. What's her name?

Linka (Captain Planet): (Russian Accent) Her name is Phoebe Ramirez and you would like her.

Rainbow Dash: She is a really smart and awesome girl.

Scootaloo: And she taught Luan a lesson big time.

---

Phoebe Ramirez: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Phoebe, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Phoebe Ramirez: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Phoebe Ramirez: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Phoebe, what's the story on why you hated Luan?

Phoebe Ramirez: That's a tale I haven't forgotten. One day, Lincoln and I were busy presenting our report on Egypt, we made a half-scale replica of The Great Pyramid of Giza, but then, I felt a drop of water drip from the ceiling, and Lincoln had a look of dread on his face: we slowly looked up to see a bucket of water tied to a long string leading outside. Suddenly, the string was pulled, and the bucket tipped over pouring water on both my head and Lincoln's and it also got on our half-scale replica of The Great Pyramid of Giza ruining it and our report. We soon heard the sound of insane laughter in the hallways, and there's only one person responsible for it: Luan. I was extremely furious at Luan, as she showed up inside and laughing at us again, and I wanted to rip her head off and mount it on a stake, but Mrs. Johnson caught on and she grabbed Luan and dragged her to Principal Huggins' office and we found out she snuck out of the school to pull a horrible prank on me and Lincoln to ruin our project. Lincoln was so angry, he yelled at Luan saying it took him and I three weeks to put this all together and she ruined it in a second, but Luan just stood there laughing at him again, and when she made another bad pun, that was the last straw. I grabbed Luan by her ponytail, dragged her outside, and tied her by her panties to a tree limb outside the school, and marched back in. But, by the time I got there, Lincoln was already sitting on the floor and crying his heart out, he was right: it took us three weeks to get our project all together and Luan ruined it. I went down to the floor and hugged Lincoln and he hugged me back, I swore I was never going to forgive Luan for what she did, if she ever pulled a prank like that again, I was going to kill her!

When Phoebe Ramirez was finished, we were absolutely horrified.

Nico: My God, Luan really went too far that day.

Me: Yeah, that prank landed her in really hot water that day.

Rita: We came over and Phoebe told us everything that Luan did, and we picked up Lincoln who had a total breakdown, and Phoebe untied Luan's panties, but we were absolutely furious with her. We then grounded her for eighteen weeks for that prank and ruining their project.

Lynn Sr.: Lincoln was absolutely devastated by Luan's prank, she ruined what he and Phoebe have been working on for three weeks and all for a laugh, she treated her brother's education like a joke.

Nico: Education is something that's never to be taken as a joke, that was awful. Did you and Phoebe ever get the chance to do a re-do of the project, Lincoln?

Lori: They did. But, Lincoln was still absolutely devastated by what Luan did: we warned her one day that her sick pranks would go too far, and look at what happened. Eventually, they re-did their project and they got an A, but Mrs. Johnson was really worried about Lincoln, no matter what everyone did, he was still devastated. Phoebe went over to Lincoln, and the moment she hugged him, he broke down and cried his heart out, as he hugged her back, and she rocked him gently to calm him down, we also heard it and we joined in.

Luna: That joker really went too far, and after Mom and Dad told us what she did, I kicked her out of my room and told her to go sleep in the basement. Eventually, Lincoln calmed down, and Phoebe took him to Lake Huron for a vacation for the both of them, while Luan was condemned into the basement for her sick joke. Even though we also wanted to be there for him, Phoebe explained that it should just be her and him, and we knew it's proof he's lost his trust in Luan, and we were pissed off at her for what she did. But, when they did return, Lincoln was much better.

Me: Yeah, and Luan eventually apologized after eighteen weeks of Hell in the basement. But, Phoebe didn't want to hear any of it, and that was the sign that Luan was now on her death list if she ever pulls a prank like that ever again.

Nico: Jeez.

---

We regrouped.

Luan: That's it, I've had it up to hear with you to last an eternity, you mad wizard!

Suddenly, something within Luan's mind snapped as the memories of Clavius' dark crimes had rushed through her head, and her blue eyes turned neon blue and she was surrounded by a rainbow energy aura with light, fairies, and light animals, she unholstered her massive Sulis' Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice from her back, and as she approached Clavius, she left rainbow energy, light, fairies, and light animals with every step.

Luan: I've had it up to hear with you for the last time, Clavius it's bad enough that you, along with Rothbart and Zelda have constantly tried to take over the world, but what you've done in using the Forbidden Arts to achieve your selfish means proves you're nothing more than a madman driven by power and insanity. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, what you've done in the past by antagonizing Odette and Prince William and tried to kill them more than once… , YOU'VE JUST CROSSED ONE LINE TOO MANY, YOU HEARTLESS MADMAN OF THE FORBIDDEN ARTS, AND FOR THAT, I'M GOING TO KILL YOU IN THE MOST GRUESOME WAY POSSIBLE!

We gasped at the sheer extent of Luan's rage: Clavius crossed a big line, and that black magic-using sorcerer is going to pay for it big time.

Lincoln: Oh man, as if what Lee did to really piss Luan off months ago and what Dark Kevin did in beating up Eddy last year wasn't bad enough, but now, Clavius' crimes have finally pushed her over the edge and he's crossed one moral horizon too many, and now, Luan's going to kill him! STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground, and Luan screamed like a madwoman and she was surrounded by a massive vortex of rainbow energy with lights surrounding the vortex, and the force of the vortex sent Clavius flying into a nearby wall, there are light animals and fairies flying around the vortex, and in the vortex is a yellow phoenix with red eyes glaring at Clavius: the eyes of death. Then, as the vortex faded, Luan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Luan remained tall at 7'4" in height, she had the body of a goddess, the weighted yellow bands on her biceps and thighs with silver phoenixes now had gold metal bands around them, she now has nine large yellow orbs orbiting around her legs, she has yellow highlights in the bangs of her long light brown hair tied in a ponytail and her brown hair has rainbow streaks, she has neon blue eyes and a rainbow energy aura with light, fairies, and light animals surrounding her, she has a rainbow fairy holding the Light Kanji in their hands and The Sun above her head emblazoned on her forehead with Third Eye and rainbow iris, she has on fairy earrings with yellow gems for eyes and the Light and Eternity Kanjis in her hands and her Crystal Necklace of the Buddha with yellow gems on the Sun-shaped gold links and yellow crystal links and a yellow fairy-shaped Element of Harmony and on the bottom of the Element of Harmony is a fairy with yellow gems for eyes and holding the Light and Eternity Kanji in her hands for the pendant, she has on a sleeveless white shirt with yellow phoenix on it, yellow skirt with light animals on it, white leather ankle-length combat boots with suns for the buckles, and a long white sleeveless trenchcoat with light animals on the coattails and suns on it, and on the back are light animals surrounding The Sun. Suddenly, Luan felt a sharp pain on her back, and then, her massive light brown angel wings with yellow tips on the large light brown feathers, grew much bigger for her new body and she now has eleven massive and long light brown wolf tails, she has on a Ring of The Phoenix with yellow gem and heart-shaped gem embedded in it on her right ring finger and her Yellow Lantern Corps ring on her left ring finger, her cutie mark's on her right shoulder, and she has on yellow fingerless gloves with the symbol of The Loud House on the back and Stone of Gelel embedded on her left hand.

Suddenly, Luan's massive Sulis' Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice and all the swords she'd gotten began merging together and they're suddenly surrounded by a kaleidoscope of rainbow energy, light, rainbow fire, and light animals, and when it emerged, it was transformed into Sulis' Eternal Celestial Solar Comedy Rainbow Light Greatsword of Comedic Light Justice, it's a brand-new greatsword with embedded yellow gems and the Celtic Goddess of Light, Sulis, and etched on the 7'0" massive, wide, double-edged golden blade, large white angel heads for the crossguard, large white angel face embedded in the rainguard and large rainbow gem embedded in the angel face, longer black handle, four large gold fox heads with rainbow gems for eyes and in their mouths and on the bottom of the fox heads is a large rainbow gem for the pommel, she has on her brand new gold cuff Bracelets of the Champions of The Universe with large rainbow gems on her wrists, her gold Belt of Elemental Bravery with gold fox head and rainbow gems for eyes and a large rainbow gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a yellow kanji below the light animals surrounding The Sun that said, "Luan Loud, Fourth Born and Fourth Eldest of The Loud Family, Loving Sister of Her Many Siblings, Loving Fourth Eldest Daughter of Rita and Lynn Sr., Loving Girlfriend of Eddy, Loving Mother of Lensay Loud, Descendant of 17th Century Jester Luan of Loch Loud in Scotland, Archenemy of Vypra, Destroyer of Dark Luan, Morag McLaughlin, Lee Kanker, Dark Kevin, Rothbart, Clavius, and Kyūbi, Amazing Member and Talented Prankster of Team Loud Phoenix Storm, Emissary and Champion of Sulis, Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, Defender of The Loud House and The Loud Family, and Master of Light and Laughter"

We were amazed by Luan's Super Angel-Fairy-Light Animal Harmony Celestial Eternal Xelnaga transformation and when Eddy saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Clavius saw it, he went mad and fired a blast of dark magic to kill her, but Luan fired a powerful rainbow energy blast with light, light animals, and fairies, and it hit Clavius and was sent flying into another wall, and it pissed him off now.

Luan: (Divine Echoing Cosmic Voice of The Celestial Comedic Solar Light Angel of Justice and Divine Celestial Light Comedic Love) Pissed off, you should be. Now, it's time for you to get your punishment!

Luan went after Clavius, and she fired powerful blasts of rainbow energy, light, colored lights, light animals, and fairies and they exploded as they hit the sorcerer, then, she attacked him with slashes from her massive greatsword, leaving scars on him, and it really pissed him off.

Bayonetta: (British Accent) Of course, Linky, this should be smashing.

Bayonetta 2 OST: Time For The Climax

Bayonetta: (Speaking in Enochian) ADRAMAN AMMA ORS AVAVAGO

Lincoln: (Speaking in Enochian) ZEDEKIEL HONONOL OBELISON

Suddenly, strands of black and white hair appeared from nowhere and converged through a portal of with red and gold circles with red and gold Enochian runes, and then, a symbol with the right half representing The Lumen Sages and the left half representing The Umbra Witches appeared, and then, a giant female with long strands of "hair" with angelic faces and skulls adorned on the top portion of its "hair" then appeared from it: it was Omne, the

Controller of Creation, a powerful omniscient being formed by a miraculous union of the powers of Paradiso and Inferno. Then, Omne winked her left eye as she powers up and then dropkicks Clavius so intensely, it separates his soul from his body, sending his body flying through the sky where it is promptly eaten by Gomorrah summoned by Lincoln, and after his body's eaten, both Omne and Gomorrah disappear, leaving Clavius' soul.

Clavius: You think this is over?! I will return, and I will have my revenge!

Lincoln: Actually, you're not going to return ever again.

Lincoln drew the Judgement Kanji on Clavius' head, and he was found guilty by those he'd killed and he was erased by The Black Gates. We really cheered wildly and Luan holstered her massive greatsword on her back and powered down and her new body, clothes, weapons, jewelry, Third Eye, eleven massive and long light brown wolf tails, and massive light brown angel wings are permanent.

Nicole: My God, Lincoln, Bayonetta, what you guys did… , that was really incredible! You summoned Omne and sent Clavius' body flying until it was devoured by Gomorrah and sent his soul to The Black Gates.

Bayonetta: (British Accent) I also have to thank Daddy for also teaching Lincoln how to summon the Angels of Paradiso, and made sure they're loyal only to the summoner. But, we're glad to be rid of Clavius for good.

Nico: You got that right, Bayonetta, but we're not done yet.

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Bruno Herrera of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic/heretic should be coming… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Bruno Herrera.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Bruno Herrera, the next member of The Order of Nuestra Señora de la Santa Muerte.

Renata Kushano: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Bruno Herrera: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Renata Kushano's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Krus-themed greatsword from her back, and as she approached Bruno Herrera, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Renata Kushano: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Bruno Herrera. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Kushano and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Renata Kushano was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Kushano flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Renata Kushano emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Renata Kushano grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Kushano emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Kushano with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Renata Kushano has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Kushano surrounded by darkness and light and imps and on top of Fabled Kushano is an anti-Sergio symbol. Suddenly, Renata Kushano felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Renata

Kushano has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Renata Kushano's massive Fabled Krus-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Kushano's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Kushano etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Kushano's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Krus that said, "Renata Kushano, Gene-Slammer of Fabled Kushano, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Bruno Herrera of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Renata Kushano has transformed into SUPER ANGEL-FABLED KUSHANO-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED KUSHANO ANGEL OF DIVINE DARK FABLED KUSHANO IMP JUSTICE AND DIVINE FABLED KUSHANO IMP LOVE!

We were amazed by Renata Kushano's Super Angel-Fabled Kushano-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Bruno Herrera saw it, he went insane and he got out his sacrificial knife to stab her, but Renata Kushano fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Bruno Herrera, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Renata's transformed.

Lincoln: Yeah, and she really sent Bruno Herrera back with that energy blast she fired and that really pissed him off now, and Renata, you look beautiful, how do you feel?

Renata Kushano: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Kushano and Divine Darkness Light Fabled Kushano Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Bruno Herrera once and for all?

Lincoln: (Smiles) With pleasure, Renata.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm

Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Renata Kushano.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Bruno Herrera, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Renata Kushano and Lincoln went after Bruno Herrera, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Bruno Herrera and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Renata Kushano sent her three imps and Lincoln summoned his own imps and they sent them at Bruno Herrera, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Renata Kushano, her hand-cannon Blaster is known as Fabled Kushano's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Kushano surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Renata Kushano aimed their hand-cannon blasters at Bruno Herrera.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Bruno Herrera!

Renata Kushano and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Bruno Herrera and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Bruno Herrera's sacrificial ritual knife and it hits Bruno Herrera right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Renata Kushano and Lincoln gave Bruno Herrera The Black Gates for good. We cheered as Renata Kushano and Lincoln holstered their massive greatswords on their backs and powered down, and Renata Kushano's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Renata Kushano: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Bruno Herrera for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Renata.

Suddenly, Renata Kushano wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Renata Kushano's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Kushano flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Renata Kushano absorbed the light and they came back to us as the display and Fabled Kushano vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Bruno Herrera's death, now there are only twenty-two members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Joaquín Lozano, which means it'll be Liliana Lurrie's turn.

Liliana Lurrie: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammer for Evil HERO Malicious Edge.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know who would could be Gene-Slammed into Evil HERO Malicious Edge.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, and Phoebe Ramirez: Calista Levine.

Gretchen Holland: Of all the Evil HERO Gene-Slammers in Linky's harem, Calista Levine is known as the swordmaster and weaponmaster of the Evil HERO Gene-Slammers, and she knows how to use all kinds of swords and weapons.

Lorelai Delancey: Callista Levine knew of Lincoln's training with swords and weapons, and because of that, she decided to advance Lincoln's training even more by teaching him more advanced techniques in swordplay, and she even taught him how to infuse his swords and weapons with elemental energy to deal some serious elemental damage.

Nico: (Whistles) Now, that's awesome.

Bianca Han: Indeed, and being the first one to teach Lincoln how to infuse his swords and weapons with elemental energy to deal some serious elemental damage, only someone as skilled as her would know that trick.

Iceage: NOW, Clavius is gone for good.

Mortal Kombat Scorpion: Thank goodness.

Me: Yep.

Stratos: Looks like all of Odette's enemies are finished.

Ice Demon: But she can still go with us on adventures.

Gramma Stuffum: Of course she can.

Me: Yes she sure can.

Qin: Yep.

Nico: But great job everyone. This was awesome.

Odette: It sure was. Thank you all.

Me: Anytime.

Luan: (To the viewers) Not even dark magic masters of evil are safe from the justice power of Team Loud Phoenix Storm.

Nico: Yep.

We went back home and enjoyed the rest of the day and went to sleep.

[phone vibrating]

Pipp's phone rang and on it was Queen Haven.

[beep]

She answered and Queen Haven was REALLY CRYING AND DISTRAUGHT!

Queen Haven: [crying] Pipp! Pipp, he's gone! Goooone! I looked everywhere! He's missing!

Pipp Petals: Wait, what? Who's gone, Mother? What are you-?

Queen Haven: [wailing] So fluffy! And cuddly! And now he's gone!

Zipp Storm: What's wrong? Did she say "missing"? [gasps] Is someone missing?

Queen Haven: [wailing] So sweet! Yippy! I love him!

Zipp Storm: Wait. "Sweet"? "Yippy"? "Fluffy"?

Pipp Petals: [gasps] Cloudpuff?!

CLOUDPUFF, THE QUEEN'S PET PEGAPOMERANIAN WAS MISSING!

Zipp Storm: We've gotta do something!

Sunny Starscout: Excuse me!

Earth Pony Stallion: I heard he ran off with the racoonicorns.

Sunny Starscout: Hey! Everypony! Can I have your attention?!

Hitch Trailblazer: [blows whistle]

Sunny Starscout: Thanks, Hitch. Now, as we all know, Cloudpuff has gone missing, and we need to work together to find him!

Zipp Storm: Everypony needs to spread out! When somepony or… uh… somepup is missing, the first forty-eight hours are critical! Dewdrop any information directly to my flyPad!

Pipp Petals: [crying] Cloudpuff is totally a brother to us! We have to find him!

Nico: Lets not panic everyone and everypony. Cloudpuff couldn't have gone far. We got to work together to find him.

Me: That's right! We'll search from the air, water and land.

Eli: I'll find him with my Force Powers.

Hitch Trailblazer: Everypony has their assignments! Let's move out!

Nico: Right! You heard the man! Lets roll!

Izzy Moonbow: Thank you for all your-

[wood creaks]

Izzy Moonbow: Apparently, five ponies on a table is too many.

Mane 5: Whoa!

[crash!]

The table fell.

Sunny Starscout: [coughs, sighs] It wasn't our most graceful start.

We helped them up.

Zipp Storm: [spits] We've gotta go! Cloudpuff is out there… somewhere!

Me: Don't worry Zipp. We'll find Cloudpuff. I promise.

Pinkie Pie: Cross my heart, hope to fly, stick a cupcake in my eye.

Nico: Yeah.

Me: Pipp do you have a picture of Cloudpuff so we know who we have to look out for?

She gave us one.

Me: Thanks.

Nico: Wes, I want to thank you, Villamax, and your teams for coming.

Wes: No problem Nico. It's gonna be awesome helping you out.

Xenia: It's always fun.

Nico: Lets move out!

We were off and we got to finding Cloudpuff!

Nico: Edwayl, what do you like to do in your free time?

Edwayl: (Breton Accent) Not really sure Nico. But I always wanted to teach Irish Dancing.

Nico: That's a great idea!

Girl Jordan: It sure is. Remember how we first met and you helped us find my dad?

Edwayl: I sure do lass. That was a great adventure.

[phone beeps]

Pipp Petals: [sighs] I am live-streaming to you with devastating news. Our beloved and loyal pup… [whimpers]… Cloudpuff is missing.

She help up a poster of him.

Pipp Petals: [voiceover] My sister Zipp is searching high and low in Zephyr Heights.

[drone whirring]

She was searching from the air.

Pipp Petals: [voiceover] And back in Maretime Bay, Hitch, his critters, and all the Earth ponies are leaving no stone unturned in the search for this pampered pooch.

Hitch and the ponies of land are searching along with us.

[boom!]

We were pulling out trees to find him.

Pipp Petals: [voiceover] Even as far as Bridlewood, everypony is finding creative ways to come together to find our sweet little pup.

Izzy found a trail of spit leading up to a sleeping unicorn.

Izzy Moonbow: [gasps] Ewwww!

Sunny slipped.

Sunny Starscout: Aah! Ugh! [nervous chuckle] You're not Cloudpuff, are you now?

Pipp: [Voiceover] The Neptune Crusaders and Team Loud Phoenix Storm are searching in the water, on the land, in the sky and in the stars for him.

We were flying all over the place.

Pipp Petals: [voiceover] The only thing we know for sure right now is that, if you're out there, Cloudpuff, we will find you! Even if it means we must cross all of Equestria, we will never…

Pipp Petals:… stop… looking!

Nico: I'll never forget that day.

Me: Me neither.

Qin: That was an awesome day.

We got to searching hard and far.

Camie: Yeah.

Laney looked in a nest and saw baby birds and they were cute.

We later regrouped.

Zipp: Find anything?

Me: Nothing. We combed every square inch of the city and the area and nothing.

Xenia: Yeah.

[phone beeping]

Zipp Storm: Ooh. Ugh! That's a bunnycorn! What's this? A street sign? Not helpful! Fan photo of random picture of Hitch, fan photo, fan photo… A sad selfie of Pipp?! Really?! Ugh! It's hopeless! We're never gonna find-! Hang on. What's that? Is them a gem from Cloudpuff's collar?! In the mailroom? Hmmm…

Me: We better check that out.

Eli: I sense that he was there.

Me: Lets go.

We went to the Mailroom.

[phones vibrating]

[zip!]

Pipp and Queen Haven went there.

Zipp Storm: [sniffing, groans] Right. Doesn't make any sense. The gems from his collar are here, but he isn't.

[doors open]

Pipp Petals and Queen Haven: Where's my fluffy boy?!

Queen Haven: [crying] Oh, why, why, why?!

Pipp Petals: [crying] Where are you, Cloudpuffy-poo?!

Nico: Your majesty, Pipp lets not panic.

Zipp Storm: Hey, look at this stuff. This might sound crazy, but I think Cloudpuff was here.

Me: I think Zipp is right. These are his pawprints.

Queen Haven: Here?! Why should he be here?! How should I know?!

Zipp Storm: Mom! Just calm down and think. Why would Cloudpuff have been in the mailroom?

Queen Haven: I don't know. I mean, I did send you and Pipp a care package of all your favorite things this morning. Maybe he followed me down here, and… WHAAAAAT?! What if I mailed my baby?!

Me: That would be silly. Zipp better call Hitch and see if anything came.

Zipp did so.

[walkie-talkie static]

Zipp Storm: Hitch! Has anything been delivered to the Brighthouse for me or Pipp? Think!

Hitch Trailblazer: Uhhh… Well, funny you should ask. I, uh… You know what it's like. Today has been crazy. And I, uh…

[door creaks]

Fifi came.

Fifi: Phew! Just the ponies I was looking for! [laughs]

The package was wiggling and growling? What the?

[muffled growling]

Fifi: Oh, don't worry. It's been doing that all day.

Nico: We better see what's in it.

Fifi: [voiceover] Wiggliest parcel I've ever tried to deliver!

It was a fiesty one.

[muffled growling]

Me: Lets see what's in it.

[tape rips]

We got it open. And we saw Cloudpuff inside it!

Cloudpuff: [growling]

Me: There you are!

Pipp Petals and Zipp Storm: [gasp] Hey!

Cloudpuff: [yips]

Eli: Found you.

Xenia: (Sighs) What a relief!

Camie: Thank goodness.

Me: Whoops!

Maria: We did good destroying Clavius.

Nico: We sure did. That was awesome.

Lola: Yeah it sure was.

May: Who knew he was allergic to Shellfish?

Me: The Lobster Claw Magisword found that out.

Eli: It sure did.

Xenia: Yep.

We saw a bunch of bath bombs eaten and fingerprint dust powder all over.

Pipp Petals: Ugh! All of my Luscious Lilac bath bombs?! Cloudpuff, really?!

Zipp Storm: Uh, neigh way! Is this my hoofprints kit?!

Queen Haven: I'm afraid so, my dear. What do you have to say for yourself, you naughty little puppy?

Me: Oh you are just a silly puppy.

Cloudpuff: [passes gas]

LOUD FART!

Queen Haven: Oh, dear! That is truly awful!

Me: OH MAN! Cloudpuff! (GAGS)

Cloudpuff: [yips]

Queen Haven: Cloudpuff!

Pipp Petals: Cloudpuff!

Zipp Storm: [coughs] Seems like he's paying the price already.

Cloudpuff: [passes gas]

Zipp Storm: Ugh!

Me: But we did find him.

We called everyone.

Nico: (COUGHS) Geez and I thought your farts smell bad J.D.

Me: (GAGS) No kidding!

We went outside.

Lola: That was bad! And I thought Lori's farts smelled horrible!

Lori: (OFFSCREEN) I HEARD THAT!

Nico: May, Maria, be honest. Do you and the girls want an all girls mission?

May: We sure do Nico. We want to show you that girl power is just as good as all of our power.

Me: A Girl Power Mission is a great idea! If the Kamen Riders can do it so can you.

Lola: I agree.

Nico: Well okay then. A girl power mission it is. But I'm glad we found Cloudpuff. Also it's good we're here. I just found out from Vypra that The Vengeance Express 6 Kids are out for revenge on the Eds once again.

We gasped.

Eli: Don't those six brats know when to quit?!

Lincoln: They don't, Eli. We'd dealt with them before when we first went after them, and they were all filled with wrath, hatred, and murder against the Eds. Looks like they need to be taught a lesson and put on a tighter leash when we hand them back to Vypra.

Villamax: That's for sure.

Nico: You got that right.

Qin: Yeah. But we're ready for them.

Nico: All right. You girls can have a mission all to yourselves. But there won't be any usual battles as a result.

May: Okay then.

Maria: This will be awesome!

Me: Girl Power for the day.

Camie: Yeah!

Xenia: This is gonna be awesome.

Maria: And I know just the Ranger girls to include.

Me: The girls of the Japanese Ranger teams?

Maria: How did you know?

Me: Just call me psychic.

We laughed.

Cloudpuff came up to Lincoln and licked his face.

Lily: Aw, just like what Charles does to all of us.

Lincoln: Yeah.

Pipp Petals: That's proof he likes you, Linky.

Fluttershy: (Giggles) He sure does.

Zipp Storm: We did it, we got Cloudpuff back.

Nico: We sure did.

Izzy Moonbow: See I knew we could find him.

Me: We all did. Thanks to Zipp's detective work.

Camie: You got that right.

Maria: Specifically, we'll call the girls of In Space, Time Force, SPD, Samurai, Megaforce, Dino Charge, ToQger, Zyuogher, Kyuranger, Lupinranger vs Patranger, Kiramager, and Zenkaiger.

Me: I figured. But I was half right.

Nico: Yeah you sure were.

Xenia: Yep.

Varie: Yeah that was awesome though.

Queen Haven: It sure was. Thank you all so much for helping me find Cloudpuff.

Me: It was our pleasure your majesty.

Queen Haven: I had no idea that I would mail Cloudpuff.

Me: It was an accident.

Xenia: Yeah but that is silly.

Me: Yeah.

Queen Haven: I'm glad Cloudpuff is safe.

Lincoln: He sure is.

Nico: Now, let's go find our vengeful friends.

?: DORKS!

Eddy: Oh no.

Me: I think they found us!

Nico: Oh shit. We're so not done yet, we still got to deal with The Vengeance Express kids.

Lincoln: Aha, and there they are.

Lincoln fired blasts of rainbow energy, which hit a nearby bush and forced out The Vengeance Express and they were really out for the Eds' blood.

Me: Targets sighted.

Xenia: This is gonna be good!

Villamax: Your majesty, you might want to get Cloudpuff somewhere safe.

Nico: This is gonna get ugly really fast.

Queen Haven: You got it guys.

She took Cloudpuff.

Queen Haven: Be careful.

She was off.

Me: Okay you dorks come and get some!

Xenia: YEAH!

Izzy Moonbow: Alright, that's it, I've had it up to hear with you incorrigible brats for the last time!

Suddenly, something within Izzy Moonbow's mind really snapped as memories of The Vengeance Express' crimes against the Eds rushed through her head and her magenta eyes turned neon magenta and she was surrounded by a cerulean blue energy aura with Equestrian Magic, Alicorns, stars, and arts and crafts, she unholstered her massive Knights of The Friendship Table from her back, and as she approached The Vengeance Express, she left cerulean blue energy, Equestrian Magic, Alicorns, stars, and arts and crafts with every step.

Izzy Moonbow: You six brats absolutely make me sick, it's bad enough you tried to take revenge on the Eds and kill them, but no matter how many times we've beaten you brats down and sent you all flying back to The Masters of Evil, you just don't even know when to give up. (SUDDENLY GETTING EXTREMELY PISSED OFF) But, it's quite obvious that you refuse to give up until you've finally gotten your revenge, you came back again and attempted to get revenge on The Eds again, only to fail yet again and sent back to The Masters of Evil, and now, you've decided to come back again for more… , THAT'S IT, I'VE HAD IT UP TO HEAR WITH YOU FOR THE FINAL TIME, VENGEANCE EXPRESS. AS THE SUCCESSOR TO TWILIGHT SPARKLE'S LEGACY OF FRIENDSHIP, I REFUSE TO LET YOU BOTH LIVE EVEN A SINGLE SECOND FURTHER, YOU WILL PAY FOR EVERY LAST ONE OF YOUR CRIMES AGAINST THE EDS!

We gasped at the sheer extent of Izzy Moonbow's fury.

Nico: Ooh, boy.

Lincoln: Izzy Moonbow's fury has now been unleashed, and those incorrigible brats are about to pay for their crimes against The Eds, and she's about to unleash Hell on them. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground, but The Vengeance Express ran right at Eddy to kill him, but Izzy Moonbow screamed like a madwoman and then…

KRABBBBOOOOOOOOOOOOOOOOOOOMMMMMM!

There was a massive explosion of energy and she was surrounded by a massive vortex of cerulean blue energy with Equestrian Magic, stars, and arts and crafts surrounding the vortex, there's a group of Alicorns flying around the vortex, and in the vortex is an cerulean blue phoenix. Then, as the vortex faded, Izzy Moonbow emerged, but she was changed forever.

Izzy Moonbow has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA ARTS AND CRAFTS CREATOR EQUESTRIAN FRIENDSHIP ALICORN ANGEL OF DIVINE COSMIC EQUESTRIAN FRIENDSHIP JUSTICE AND DIVINE EQUESTRIAN UNITY FRIENDSHIP ALICORN LOVE!

We were amazed by Izzy Moonbow's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when The Vengeance Express saw it, they went completely mad with rage and ran after her to kill her, but Lincoln fired blasts of sunlight at them which blinded them, and Izzy Moonbow fired a powerful barrage of cerulean blue energy blasts, Equestrian Magic, Alicorns, stars, and arts and crafts at them, and it exploded and sent them crashing into a tree, they got back up, but now, they were furious.

Sunny Starscout: Wow, now Izzy Moonbow's transformed, incredible. Plus, that was a good save you did, Linky.

Lincoln: If they laid so much as one grubby hand on one of my many future wives, they deserve no shred of mercy whatsoever, and Izzy, you look beautiful, how do you feel?

Izzy Moonbow: (Divine Echoing Cosmic Voice of The Arts and Crafts Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Artist Alicorn Love) **I feel incredible, Linky. Now, shall we take down these incorrigible brats and tie them back up to hand over to Vypra?**

Lincoln: (Smiles) With pleasure, Izzy.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Izzy Moonbow.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Since you six brats refuse to learn your lesson, I think it's time for us to really ramp up the violence and kick your sorry butts even harder.**

Vengeance Express Kevin: Then, you will all die for siding with those fucking Dorks!

Nico: Bite my shiny ass, Shovel Chin! Let's get them!

We also unholstered our massive greatswords and transformed, and we went after The Vengeance Express, and we caused quite a mess by slashing at them with our greatswords, and leaving some nasty scars on them, and Lincoln was also slashing at them with his massive greatsword and claws and he left nasty scars on them with every slash. When we were done, The Vengeance Express were really mangled up, but they were still standing and really pissed off now.

Me: Got to hand it to them, they're tough. Izzy, Lincoln, show those six dorks no mercy.

Izzy Moonbow and Lincoln went after The Vengeance Express, and they fired extremely powerful blasts of rainbow energy, cerulean blue energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at The Vengeance Express and they exploded with incredible power as they hit them, and they attacked them with their massive greatswords leaving scars on them, and Lincoln left many more with his claws, and he was really, really, really pissing off them off now.

Then, Lincoln fired six rainbow fire blasts which hits The Vengeance Express as they screamed in pain and were then knocked down by six cerulean blue magic energy blasts fired by Izzy Moonbow.

Me: Lets get them guys!

Nico: With pleasure!

We went at them!

I kicked Vengeance Express Kevin in his face and Nico punched Vengeance Express Rolf in his face and stomach and smashed his head in with a fish club!

Eli fired Force Lightning at Vengeance Express Sarah and electrocuted her.

Eli: That will keep your mammoth mouth yap shut!

Villamax: Swabbies!

He summoned his Swabbies and they smashed and pulverized Vengeance Express Jonny.

Me: Take that you melonheaded cueball!

Nico: Sniff on this! (ACTIVATES STINKY BUTT'S RIDEWATCH)

Nico shoved Vengeance Express Nazz's face into his butt and then…

LOUD LONG FART!

The fart was so bad that it melted her face off and she was coughing and gagging.

We laughed hysterically!

Lola: Hey Jimmy! Want to know what my favorite music note is?

Vengeance Express Jimmy: What?

She formed a piano above him and then…

KRASMASH!

It fell right on him!

Lola: B-FLAT!

Nico: Eli, are Swartz's creations close?

Eli: Yes. 15 klicks and closing.

Nico: Perfect.

Me: Lets hit them with crazy shenanigans.

Lola: Yeah!

We hit them with all sorts of crazy pranks.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Izzy Moonbow, her hand-cannon Blaster is known as Izzy Moonbow's Friendship Artist Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's cerulean blue with magenta flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by arts and crafts etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Pipp Petals aimed their hand-cannon blasters at The Imperium.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You six incorrigible brats are not laying one more grubby hand on the Eds ever again.

Then, Izzy Moonbow and Lincoln fired blasts of rainbow energy, cerulean blue energy, and elemental forces at The Vengeance Express, and they exploded with incredible power as they hit them.

Me: Hey Vengeance Express dorks and dorkettes! Chew on this!

I shoved bottles of Ipecac down their throats.

Nico: What was that?

Me: Wait for it.

Vengeance Express Kevin: HULLLEEEEEEEEEEEEEEHHHHHH!

HE THREW UP ALL OVER!

Vengeance Express Jonny: BLEEEEHHHHHHHHHHHHH!

Jonny did too.

Vengeance Express Jimmy: I'm startin' to feel funny.

Vengeance Express Sarah: Well, I feel fine, I guess I'm gonna… HUHLEEEEEEEEEEEEEEEHHHHHHHHHHHH!

SHE THREW UP TOO!

Vengeance Express Nazz: HULEEEEEEEEEEEHHHHHHHHHHHHHHH!

She threw up too!

Vengeance Express Rolf: LEEEEEEEHHHHHHHH! Oh… Oh, God, why didn't anybody tell Rolf… HULLLLLLLEEEEEEEEEEEEHHHHHHHHH!

He threw up too!

Vengeance Express Kevin: Oh, my God, my insides are on fir… LEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEEHHHHHH!

Vengeance Express Jonny: No, please… no more… no more, no… LEEEEEEEEEEEEEEEEEEHHHHHHHHHHHH!

Vengeance Express Nazz: Guys, I'm scared! GAAAAAAAAAAAAAAAALLLLLL!

Vengeance Express Jonny: Get the phone! Call nine-one-on… HULEEEEEEEEEEEEEEEEEEHHHHH!

Vengeance Express Sarah: Jimmy! Jimmy! Jimmy, get in here… HULEEEEEEEEEEEEEEEEEEEEEEEEEEEEHHHHHH!

Vengeance Express Kevin: Okay. I think it's all gone. I think it's… HULEEEEEEEEEEEEEEEEEEEEEEEEEHHHH!

Vengeance Express Jonny: I don't wanna, I don't wanna… HULLLLEEEEEEEEEEEEEEEEEEEHHH!

Vengeance Express Kevin: Rolf, I need you to hold my legs…

LEEEEEEEEEEEEEEEEEEEEEEHHHHH!

Vengeance Express Jimmy: LEEEEHHHHHHHHHHHHHHH!

Vengeance Express Rolf: BLEEEEEEEEEHHHHHHHHHHHHHHH!

[The vomiting stops for a bit, and the whole street is covered in puke.]

Me: (Sinister smirk) Hey guys, who wants Chowder?

Vengeance Express 6: HUUULLLLLLEEEEEEEEEEEEEEEEEEEEEEHHH!

IT WAS PUKEVILLE!

Luna fainted!

FWOMP!

Then, as they holstered their hand-cannon Blasters, Lincoln fired six rainbow energy chains which tied The Vengeance Express and they couldn't escape, and then, Vypra appeared.

Vypra: Nice work catching them, guys. Those six got loose from their cage and ran off to get revenge on the Eds again, thanks to Vengeance Express Sarah chewing through the bars. Next time, we're putting an even tighter leash on them, so they don't try that stunt again.

We cheered wildly as Izzy Moonbow and Lincoln holstered their massive greatswords on their backs and powered down, and Izzy Moonbow new body, clothes, weapons, jewelry, Third Eye, longer cerulean blue tail with indigo ombre streaks, and massive cerulean blue angel wings and longer horn are permanent.

Izzy Moonbow: That'll teach those brats never to come after the Eds ever again. Thanks for helping me take down The Vengeance Express, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Izzy.

Suddenly, Izzy Moonbow wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Izzy Moonbow's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and buttons formed into a rainbow appearing behind them and we cheered wildly. Then, Lincoln and Izzy Moonbow came back to us as the display vanished.

Pipp Petals: Now, that was so beautiful!

Me: That really was an awesome display we saw!

Sunny Starscout: You said it, and we're also glad Izzy's part of Lincoln's harem.

Lincoln: And I swore I would take good care of her, along with you, Zipp, Pipp, and Misty.

Nico: And you've also been getting the attraction of Twilight's other friends, Lincoln.

Applejack: (Snickers) He's right though, Linky. You've really been getting the attention and the attraction of all of our other friends, and many of them are joining your harem faster than a jet-powered jackrabbit.

Luan: Well, can any girl help it? Lincoln's had that charm and his personality that literally draws girls in like a magnet.

Sam S.L.: She's right though, dude. But, we're so glad we took down those six dorks and stopped their repeated attempt at revenge on the Eds again.

Lincoln: And Vypra said she'll keep those six on a more tighter leash.

Nico: You got that right. Lets hope so.

Me: But it's fun smashing their heads in.

Xenia: You got that right.

Nico: We're not done yet though.

Me: Nope.

Laney used smelling salts on Luna and she woke up.

Maria washed the vomit off the streets with water.

Me: That was funny though.

Nico: It sure was. That was clever using Ipecac on bad guys.

Me: We can't use Ipecac at home but we CAN use it on bad guys just to add insult to injury.

Nico: You got that right.

Luna: That was a major puke storm.

Maria: Stewie HAS used it as a weapon before.

Me: Yes he sure has. And it was genius.

Xenia: That is true.

Lola: Yep.

Then a yellow glow was seen and then I saw that the Lamp Do Alangina Wonder Ride Book was glowing.

Me: Whoa the Lamp Do Alangina Wonder Ride Book is glowing.

Nico: That means that we're going to meet the embodiment of Lamp Do Alangina.

Lola: Yep.

Nico: Who's up next?

Sunset Shimmer: I have a feeling that it's going to be for Agrabah's sailor soldier and I helped defeat Jafar. So I'll go.

Me: Go for it Sunset.

Xenia: This is gonna be awesome.

Lola: Yep.

Camie: Agrabah is so cool.

Nico: There she is!

We saw a female Genie appear and it was ANOTHER LAMP DO ALANGINA!

Me: Whoa! Another Lamp Do Alangina!

Qin: Wow! This one is a real genie!

Me: Yep.

Another Lamp Do Langina: And it's good to see you again J.D.

Me: That voice!

She reverted back and was a girl with brown hair and had gold and orange Sailor Clothes and her own version of Kamen Rider Espada's sword.

Me: (GASP) Selene Jafara Agrabah A.K.A. Sailor Agrabah!

Xenia: Cool!

Me: She is a genie and is also the Defender of Agrabah and has power that is stronger than that of Jafar.

Sailor Agrabah: That's right and it's awesome to see you again J.D.

Me: Same here.

Magine: Do you have your own lamp?

Sailor Agrabah: I sure do.

She showed that it was tied to her right hip. It was a jeweled bottle lamp.

Me: Ooh that is beautiful.

Nico: It sure is.

Sailor Agrabah: It sure is.

Me: Yep. Sorry we have to fight like this though. By the way are there any other opponents with you?

Sailor Agrabah: Yes there are. Another version of him. (Points to Villamax).

Villamax: Another version of me!? Whoa!

Me: Friendly or hostile?

Sailor Agrabah: Friendly and this one is a sailor soldier too. You'll see which world its for later on.

Me: I'm looking forward to this one.

Nico: Me too.

Sunset Shimmer: Shall we?

Sailor Agrabah: We shall. Oh and tell Lynn that she did a great job against Lexaeus the second time. That was awesome.

Nico: I'll relay the message. Thank you.

Sailor Agrabah turned into Another Lamp Do Alangina. Sunset and Another Lamp Do Alangina flew into the air and Sunset fired waves of energy and fire and smashed her down and I caught the Wonder Ride Book and it was called Dark Lamp Do Alangina. It turned into a new Wonder Ride Book called CELESTIAL GENIE OF ELEMENTAL WISH.

Me: Celestial Genie of Elemental Wish. Awesome.

I went and caught Sailor Agrabah.

Me: Nice one!

Sailor Agrabah: (Groans) That was a rush. But that was cool.

Me: It sure was.

I brought her over.

Nico: Alright. One more to go.

Me: Yep.

Then a figure came out and it was ANOTHER VILLAMAX! It was a dark version of Villamax!

Qin: WHOA Another Villamax!

Xenia: Wicked!

Me: And you are?

Another Villamax: (In a girls voice) I believe you know who I am?

Me: (GASP) Tanya Tarzan A.K.A. Sailor Deep Jungle!

Nico: Whoa! The Sailor Soldier of Tarzan's World!

Me: Yep.

Another Villamax: That's right. And it's good to see you again J.D.

Me: Same here. Sailor Deep Jungle is an honorable Sailor Soldier and also has the powers of nature and protects everything too.

Nico: Cool!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Villamax: No he didn't. I knew he was lying so I took off before he could say anything.

Me: Wow. But if I were to guess it's to protect Tarzan's world from all threats like poachers.

Another Villamax: That's right.

Me: Clayton is dead thank goodness.

Nico: That's right.

Me: Many of Tarzan's enemies are in our frenemies in the Masters of Evil.

Another Villamax: I heard. I'm glad.

Me: Sorry we have to fight like this.

Another Villamax: No worries. Come at me.

Me: With pleasure. (Spins Magisword Bracelet)

ELECTRIC EEL MAGISWORD!

Me: This one will be a shock.

I had it bite her and it electrocuted her.

ZZZZZZZAAAAAAAAAAAAAAAAAAPPPPPPPPPPP!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Me: Hope you aren't allergic to shellfish!

LOBSTER CLAW MAGISWORD!

CRUNCH!

It pinched her!

Nico: OUCH!

Me: Nice one!

Nico: (gets out Villamax's Ridewatch) Let's kick things off!

Me: Like this?

SOCCER BALL MAGISWORD!

I got a soccer ball shape sword.

Nico activated it and fired energy blasts and I kicked the soccer ball and smashed Another Villamax in her face and the blasts hit her and smashed her down!

Qin: Nice one!

Me: If this were the FIFA world cup that would be a winning goal.

We laughed.

Nico: (gets out Garble's Ridewatch) To quote Jake: Dragon up!

Me: Like this?

CAYENNE PEPPER MAGISWORD!

I put pepper in my mouth and fired a blast of fire and Nico activated the ridewatch and fired waves of fire from his mouth and smashed her down.

Me: That was cool! Or hot in this case.

Lola: Yeah!

Me: Hope you like Scalding hot water!

RADIATOR MAGISWORD!

It turned red hot and my fire aura flared up!

Me: YEAH!

I fired scalding hot water and smashed her down!

May: (gets out Lorelai's Ridewatch) My turn!

Me: How about this too.

RUBBER SPIKE MAGISWORD!

Nico: That club looks dangerous.

Me: Watch this.

I jumped and bashed Another Villamax down.

Nico: WHOA!

Me: Don't worry it's made of rubber.

I showed that it was like that.

Nico: Oh.

May activated Lorelai's ridewatch and fired waves of energy and smashed her down.

May: (gets out Hades Beast Spector's Ridewatch) Princess Luna would be proud of me for using this.

Me: I got an idea!

BUTTERFLY MAGISWORD!

I fired it at Zuria and she got beautiful red butterfly wings!

Zuria: Cool!

Me: Yeah! And this too. I hope Vambre doesn't kill me for this one.

TROUSER MAGISWORD! CARDBOARD REPLICA MAGISWORD!

I formed a cardboard Replica and me and Zuria flew into the air and I fired trouser energy and it gave the fake pants.

Nico: What's that for?

Me: 3… 2… 1…

Vambre screaming!

Vambre: (ENRAGED SCREAMING)

Vambre flew down and she went at Another Villamax and May fired waves of darkness and smashed Another Villamax down and Vambre pulverized and brutally smashed Another Villamax all over.

Maria: (gets out Snapdragon's Ridewatch) That was genius!

Me: Thanks. It was cool. So is this.

FISHSTICK MAGISWORD! CHEESE MAGISWORD!

Me: SOLO TEAMWORK COMBO: LIMBURGER CHEESE FISH SANDWICH BARRAGE!

I fired a barrage of Limburger Cheese Fish Sandwiches and Maria fired waves of energy and the blasts hit Another Villamax and smashed her down.

Lana: AWESOME!

Lana went and ate one.

Lana: That is awesome! (MUNCHING) MMM! Delicious!

Maria: (gets out Dr. Starline's Ridewatch) What do you think of this, Starlight?

She activated it and fired waves of energy that formed into ducks and they hit Another Villamax and exploded!

Starlight Glimmer: Exploding Ducks! That's funny!

Me: Yep. Billy and Irwin would love this one.

EXPLODING BUBBLE AND PENGUIN SUIT MAGISWORDS!

Me: ADDITIONAL SOLO TEAMWORK COMBO: EXPLODING PENGUINS OF TOTAL ANNIHILATION!

I fired waves of penguins and they hit Another Villamax and 10 of them exploded!

* * *

Billy and Irwin laughed!

Then Toyman and his team came and it had Vomiting Frog Prince, Evil Ninja Storm Rangers, Anacieto Mitragli, Toy Org and Attacky Sack.

Nico: Nice team, Toyman!

Toyman: Thanks!

Frog Prince: (VOMITS ALL OVER NICO)

Nico: AWWWW SICK!

Frog Prince: Please kill me!

Qin: Ew.

Edwayl: Time for some dragon power lads! (ACTIVATES GARBLE'S RIDEWATCH)

She fired a dragon flame blast and smashed Another Villamax down.

Maria: Is the next Gene Slammer near?

A roar was heard and then a FERALIGATR came out!

Me: Whoa a Feraligatr!

Nico: Nice!

Xenia: I like this one.

Feraligatr: (In a girls voice) Looks like the fun has come.

Sylvia Exetor: Lindsey. This is gonna be good.

Brittney: You know her?

Sylvia Exetor: My sister. She is a very powerful athlete.

Nico: And one of the best I've seen.

Feraligatr: Yep. I got this.

She fired waves of water from her mouth and smashed down Another Villamax and I caught the ridewatch and purified it.

I went over to Sailor Deep Jungle and she was a girl with dark green hair and had green and light green clothes.

Sailor Deep Jungle: (Groans) What a headache.

I picked her up.

Me: But you're back to normal.

I brought her over.

Edwayl: What's your favorite memory of Nico?

Feraligatr: I have a lot of them. But my favorite is when me and Nico won the Decathlon competition and we got an awesome trophy.

Nico: It's true. That was fun.

Me: That is cool!

Nico: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a blue leotard.

Everyone covered their eyes and I snapped my fingers and she was reverting back.

Lindsey's Feraligatr teeth were lost in her gums.

She got human teeth and she was back to normal. Nico gave her a blue leotard and she put it on. She was a girl with blue hair and blue eyes.

Lindsey Exetor: (GROANS) That was rough.

She got up.

Nico and Lindsey hugged.

Nico: I've really missed you.

Lindsey Exetor: Me too Nico. Me too.

We went back home.

As soon as we arrived on Alhmacan, our rainbow energy auras were flaring up extremely as we were absorbing the intense heat and flames from Alhmacan and we were gaining an infinitely astronomic power boost

Lincoln: Whew, we're here in Alhmacan, and I know what we're going to do here, not only am I going to rescue the four girls here, but we got bad news: Cervantes de León has come back from the dead wanting revenge, and even worse, Joaquín Lozano used a Dark Orb to bring him back, only for him to be put under his control and turned into a mindless slave for The Order of Nuestra Señora de la Santa Muerte, but this time, we're not going to let him live again: this time, he's going to be sent to The Black Gates forever.

Isabella "Ivy" Valentine: I knew my "father" wouldn't stay dead for long, and now we'd found out that Joaquin Lozano of The Order of Nuestra Señora de la Santa Muerte brought him back and turned him into their mindless slave with that Dark Orb he found, now he's crossed it.

Nico: He sure has, and that cursing from Maria Garcia was definitely proof of how much they enjoyed pissing off The Order of The

Fabled.

Me: You got that right.

Rebecca Alhmacan: And to think he's here in Alhmacan, he's going to be burned alive by the intense heat and flames.

Lincoln: That Dark Orb is the one thing protecting him from that fiery death, but when I rip that Dark Orb out of him and send it to The Warp, he will suffer a fiery death, and I want to thank you and your team for joining us, Jack.

Jack Landors: You're welcome, Lincoln.

Suddenly, we saw Evil HERO Malicious Edge appear before us and with it are the four girls.

Nico: Wicked, that's Evil HERO Malicious Edge, and it got the four girls.

Evil HERO Malicious Edge: (Girl's voice) And away from Cervantes before he could kill them.

Lincoln: (Gasps) That voice, Calista Levine, I knew it was you, but we'll talk later, we got Cervantes de León to deal with.

?: I will have my revenge on you all for what you did to me, Team Loud Phoenix Storm!

We then saw our target, Cervantes de León, arrive, and he was extremely pissed off.

Lincoln: Cervantes de León, I always knew you'd come back, but this shall be the last time we ever have to deal with you.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental

Our rainbow energy auras were still flaring up extremely as we were still absorbing the intense heat and flames from Alhmacan and we were gaining an infinitely astronomic power boost, and Cervantes de León was being overwhelmed by us, and then, Lincoln painfully ripped The Dark Orb that was in Cervantes de León's chest and sent it to The Warp, and without the protection of The Dark Orb, the dreaded Cervantes de León was then overwhelmed by Alhmacan's fiery environment and he was burned alive, and as his spirit appeared, Lincoln sent his spirit to The Black Gates forever. We cheered as we holstered our weapons and powered down.

Nico: We did it, we got rid of Cervantes de León for good. Now, we should head back, we're already sweating up a storm.

Lincoln: Good idea, Nico.

We then came back home to Earth, and man, we were really sweating like crazy.

Lincoln: Whew, man, that was one fiery rescue, but now, at least, we're rid of Cervantes de León for good, and he's never coming back. (To Calista Levine) And it's so good to see you again, Calista Levine.

Calista Levine reverted back to normal, and she's a beautiful girl with long blood red hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Malicious Edge, she has on a sleeveless midnight black shirt, midnight black skirt, midnight black knee-high high heeled boots, and long white sleeveless trenchcoat with darkness and demons on the coattails and on the back is Evil HERO Malicious Edge and holstered on her back is a massive Evil HERO Malicious Edge-themed greatsword with embedded red gems and Evil HERO Malicious Edge etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Calista Levine: You too, Lincoln, it's been six and a half year since we last met, and it's so good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, and Phoebe Ramirez.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, and Phoebe Ramirez: You too, Calista.

Lincoln went up to Calista Levine and he hugged her, and Calista Levine is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Calista Levine: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know her?

Lincoln: Indeed I do, Nico, this is Calista Levine, she's my Guardian Angel from Michigan and classmate in Gym, and a powerful master with all kinds of swords and all kinds of weapons. Calista Levine is known as the swordmaster and weaponmaster of the Evil HERO Gene-Slammers, and she knows how to use all kinds of swords and weapons.

Gretchen Holland: And she knew of Lincoln's intense training with all kinds of swords and weapons, and because of that, she decided to advance his training even more by teaching him more advanced techniques in swordplay, and she even taught him how to infuse swords and weapons with elemental energy to deal some serious elemental damage.

Luna: We saw him infuse his swords with Fire, Ice, Lightning, Water, Wind, Light, Darkness, Magic, and any other element, and they were really awesome with how they give off a powerful elemental aura.

Laney: And when he added a drop of blood onto a sword, it gained a blood red and black aura and it had the powers of the vampires and werewolves.

Me: Wicked.

Nico: Usually when that happens, it also means that sword gains the ability to drain the blood of the person it hits.

Lincoln: That's right. Plus, Calista's also also friends with Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, and Phoebe Ramirez, and when it came to dealing with Lori, Lynn, Lola, Lisa, and Luan at The Loud House, Chandler, his goons, Pablo, and Anderson at school, and Flip, Scoots, Hawk, Hank, and Lewis Travolta in the city, she means serious business especially when it comes to defending me, and make no mistake, she and the other Evil HERO Gene-Slammers fight with the fury of the demons and devils of Hell, and any who dare to mess with me, she and the other Evil HERO Gene-Slammers will deliver unto them a very nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring their wrath.

Nico: (Gulps) Just like what we were told.

Gretchen Holland: That's right, we fight with the fury of the demons and devils of Hell, and those who dare to mess with Lincoln deserve a nasty punishment so brutal that'll make even the demons and devils of Hell afraid of even incurring our wrath.

Me: Remind me never to cross any of you.

Nico: That's always the one thing no one wants, and among your enemies, which one did Calista really hate with a blazing passion, Lincoln?

Eli: Yeah, and many of your enemies had crossed really nasty lines, but only a certain one would've crossed that line and it would earn them their entire wrath in full.

Lincoln: That's right, and the very person who earned Calista's wrath, that would be a group of thugs known as The Blood Demons, a gang of thugs from Royal Woods' past and whom Chandler hired to kill me again.

Calista Levine: We'll tell you guys about that later. (To Lincoln) And

Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Calista, are you absolutely sure about this?

Calista Levine: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Calista Levine, and he saw that she's really serious, and he smiled as he walks over to Calista Levine, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Calista Levine's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Calista Levine's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Choker of Eternal Love on her neck.

Calista Levine: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Calista.

Calista Levine had a smile on her face and tears in their eyes as Lincoln still had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Fumika

Mizuno and Tomoe Nagisa from Bikini Junkie and Millenia and Tio from Grandia 2.

Lincoln: Oh wow, it's Fumika Mizuno and Tomoe Nagisa from Bikini Junkie and Millenia and Tio from Grandia 2.

Nicole: Awesome.

Lincoln: Are you girls okay?

Fumika Mizuno: Yes, we're okay, thanks to you.

Then, when Fumika Mizuno and the other three girls saw who it was that saved them from Cervantes de León, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Fumika Mizuno: Oh wow, you're Lincoln Loud of Team Loud

Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Fumika Mizuno: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Fumika Mizuno, Tomoe Nagisa, Millenia, and Tio with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We told everyone what happened on Alhmacan, and they were shocked when they found out the villain we went after was Cervantes de León, who'd come back from the dead wanting revenge thanks to Joaquín Lozano using a Dark Orb to bring him back, only for him to be put under his control and turned into a mindless slave for The Order of Nuestra Señora de la Santa Muerte.

But, when Lincoln showed what we all did in laying a brutal beatdown on him and Lincoln finishing him off by ripping the Dark Orb in the pirate's chest and sending it to The Warp causing the pirate to be incinerated and his spirit sent to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Calista Levine have a lot of catching up to do, now that she's back in town.

Maria: Man, you guys really sweated up a storm when you were on Alhmacan, but we're so glad that Cervantes de Leon is gone forever.

Lincoln: Ivy is as well, she'd cut her ties to that monster long ago. But, what Joaquín Lozano just did basically sealed his fate, because later on after our mission, he's going to die horribly.

Liliana Lurrie: (Spanish Accent) And by our hands.

---

After finally getting rid of Cervantes de Leon and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Calista Levine saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Calista Levine: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever, it's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Calista, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter

as well.

Calista Levine: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Calista Levine: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Calista, what's the story on that confrontation with The Blood Demons and why you hated them, other than the fact that Chandler hired them to kill Lincoln again?

Calista Levine: That's a story I haven't forgotten. One day, all of us Guardian Angels were with me and Lincoln, and we were doing some swordfighting in the backyard of my house, but then, we got an alert from Becky Long's computer: The Blood Demons were heading for my house to kill Lincoln, and worse, Chandler hired them to kill Lincoln again. We were extremely pissed off at Chandler for what he did, but we couldn't worry about Chandler, we had to deal with The Blood Demons. When we all saw them, they had baseball bats and knives with them. Suddenly, Lincoln added a drop of his blood onto his sword, and we saw the sword gain a blood red and black aura around the blade. The Blood Demons went after Lincoln, but then, he used his enhanced sword to slash one of them on the chest and as he did, all the blood and life force from the thug was drained from him and Lincoln absorbed it into him, and the thug was dead. The rest of them were horrified and pissed off, but as soon as they all charged, Lincoln slashed all of them with his enchanted sword and all of them had all their blood and life force drained from their bodies and Lincoln absorbed all their blood and life-force, and all of them were dead. We were stunned, but Adriana, Lisa, Ramona, Rudina, and Isabella knew what this was: the powerful vampire and werewolf blood in his veins had immense power, and when Lincoln added a drop of his blood onto a sword, it enchants the weapon giving it the power and ability to drain the blood and life force of those it attacks, which explains the blood red and black aura around the blade.

We were stunned.

Me: Wow, I never knew that Lincoln could add a drop of blood to his sword and that resulted in that blood red and black aura arounds the blade.

Nico: And give the sword the power and ability to drain the blood and life force of those it attacks, really awesome.

Lincoln: The Blood Demons caused a lot of trouble for Michigan for years even more than The Black Daffodils, and they had to be killed. After that was done, Calista Levine went after Chandler, and she grabbed him and tied him up, then, we went over the cops and we told them everything Chandler did and why he hired The Blood Demons, we got a massive reward of $600,000,000,000 for what we did in getting rid of The Blood Demons, as for Chandler, he got put in jail for five weeks for what he did.

Zack: And because of it, everyone at school began heckling him even more for his stunt.

Liam: As if he couldn't sink any lower than he's done in the past.

Girl Jordan: I even threw a dodgeball at him and it hit him hard in the crotch.

Nico: (Winces) Jeez, I hope Coach Pacowski wasn't even looking that day.

Me: He was, but he also knew of Chandler's rotten antics and stunts, so he had it coming.

We got a shower afterwards, and then, Clyde, Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu are heading to Seaside

Hill.

Clyde snapped his fingers, and the 17-year-old, black-haired, 7'5", and extremely muscular man was dressed in large blue swim trunks with the phoenix and a clock surrounded by stars on them and silver flames coming off the swim trunks, blue sandals, his jewelry and accessories, gold metal bands on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu each had feelings for Clyde, and Clyde also had those same feelings, and Clyde saved them from an attack by Flip who broke out again to get revenge, but Clyde saved them and gave that mutant the beatdown of his life before chaining him to his post again.

Anne: Oh man, we're here in Seaside Hill, nice.

Clyde: Yeah, and it's perfect for our first date, Anne. Shall we?

Clyde, Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu got a massive and extreme deep atomic red blush on their faces when they saw Clyde lift thirteen 900,000,000,000,000-lb barbells Clyde summoned in his large and strong hands and thirteen massive and long black wolf tails, then they had some lunch, then, as the sun was about to set, Clyde made clones of himself and he and his clones went up to Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha Waybright, and Marcy Wu and they hugged the girls in their abnormally massive and powerful muscular arms and Kali, Linnea, Blossom, and Katherine, Vivian Chase A.K.A. Sojourn, Anne Boonchuy, Sasha

Waybright, and Marcy Wu placed their hands on the massive pecs of Clyde and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico, Lincoln, and I also saw Clyde had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Lincoln: Snickers) Looks like someone had a good time at Seaside Hill, eh, Clyde?

Clyde: (In Heaven) It was awesome!

Anne Boonchuy: We really had fun there, and it's been a long time since we'd been to the beach.

Sasha Waybright: You said a mouthful.

Marcy Wu: But, it was nice to head out to a beach after our adventures in Amphibia.

---

Later it was time for Irena's first Ambassador Mission and it was to the world of Hero 108.

Nico: I heard that this world was torn apart by a terrible war between humans and animals.

Me: Yeah and whoever did this will pay big time.

Lola: You got that right!

William: Anyone else want to go with Irena? Besides Laval and 2 Rabbids?

Fluttershy: Me and Twilight and friends will go.

Mystique Sonia: Awesome to meet you all.

Nico: Same here guys.

Apetrully: Perhaps we should talk more back at our base. Mr. No Hands has been watching it while we were out.

Me: We understand.

We went to Big Green Base.

Me: What happened here? This whole planet is now a massive dystopian nightmare.

Mystique Sonia: Blame High Roller for that.

Lin Chung: We'll tell you about him later.

Laval: (sighs) And these are Rabbids.

Mystique Sonia: They are cute little ones.

Me: They sure are but they are not the brightest lightbulbs in the closet if you know what I mean.

Lin Chung: Oh I get it.

We arrived at their base.

Lin Chung: Here we are guys. Welcome to Big Green HQ.

Me: Awesome place you guys have here.

ApeTrully: Thanks. It's home.

The 2 Rabbids hugged Jumpy Ghostface

Jumpy: (hugs back) Fellow bunnies.

Nico: (dumbfounded) That's the first time the Rabbids haven't done anything silly on these missions.

Me: Awesome too.

Eli: Yeah.

Nico: So what can you tell us what happened?

Lin Chung: The world was thrown into chaos by High Roller.

They went over his history and told us everything.

---

High Roller is the main antagonist of the cartoon series Hero: 108. He serves as the main antagonist of season 1 and the secondary antagonist of season 2 He was once a court jester who was banished from the Eastern Capital for insulting its emperor and wandered into the Hidden Lands. He is also the minion of Twin Masters who debuts in the second season.

He was voiced by Brian Drummond.

Upon getting struck by lightning, he gained the ability to communicate with animals and tricked them into thinking humans were their enemies. As the new Emperor of the East Citadel, High Roller gets to do whatever he wants, and what he typically wants to do is attack humans (or get animals to attack humans for him), eat candy, read comic books, and play games.

A flashback in "Folk Game Competition II" revealed that he was a classmate of Woo the Wise. High Roller is also the master of the Folk Game Competition and these skills actually translate to the battlefield in dangerously unexpected ways.

For the first Folk Game Competition he held, High Roller held it to distract everyone from the traffic. He later held the second Folk Game Competition as a diversion for the Zebra Brothers to eliminate all the books, since he hated studying as a child. He once beat Jumpy Ghostface in the first Folk Game Competition (by cheating), but the second one against Lin Chung ended in a draw when High Roller discovered that the Zebra Brothers also took his comic books. Combining this with the fact that he likes to play dirty makes High Roller a formidable opponent for even the most skilled members of First Squad, as even Lin Chung can have a hard time trying to stop him one time when High Roller combined with Bearstomp in "Firework Festival at East Citadel."

Minions

Zebra Brothers - Two Zebra twins that serve High Roller. Sparky Black is a black zebra with white stripes and Sparky White is a white zebra with black stripes. It has been shown that they, like Commander Apetrully, were students of Parrot King; however, the Parrot King did say that they were his worst students (because they always goofed off in class). In almost all of the episodes, they are usually the ones who incite the animals to oppress the humans. In most cases, they stay out of fights between First Squad and the animals. However, once a month, when the moon is full, they use their most powerful weapons called the Ghost Lanterns. The Ghost Lanterns are paper lanterns on sticks that gives the Zebra Brothers supernatural powers ranging from merging together to form a giant version of themselves, creating an army of zebra clones, create zebra-type mosquitoes, or getting their victims to face their biggest fears. Although in one episode, it was shown that the Zebra Brothers can twirl their lanterns and use them to fly, even without the full moon.

Bearstomp - Bearstomp is the armored king of the Bears who wears a helmet with a cannon on it. He acts as High Roller's bodyguard. He is often shown blowing nose bubbles while asleep. One of his arms has been replaced with a retractable winch/pincher (suggesting that he may have been injured in battle). It is unknown as to how he acquired such a device, but it seems likely that High Roller gave it to him as an incentive to enslave humans and become a prominent leader of High Roller's army. In "Firework Festival at East Citadel," Bearstomp is shown to have the ability to combine with High Roller which allows High Roller to take control of his body.

Lost Minons

Eagle Eagles - Commander ApeTrully tried many times to get the Eagles to join Big Green. In "Eagle Castle," they carried a metal skeleton created by the Zebra Brothers which trapped Commander ApeTrully in his helicopter. Lin Chung managed to get Commander ApeTrully and his helicopter out of there. Lin Chung and the Air Force ended up getting him out of there causing Commander ApeTrully, Lin Chung, and the Air Force to fall back to Big Green. In "Air Battle," the Zebra Brothers having the Eagles attack Big Green.

They were successfully shot down by the Air Force. Following the Eagle's failed attack on Big Green, the Zebra Brothers returned to Eagle Castle and discovered that the Eagles have lost the feathers on their heads. This ended up turning them into Bald Eagles. In "Bald Eagle Castle," the Zebra Brothers ended up capturing Commander ApeTrully for the Eagles' revenge. Their baldness gave them an advantage using their shiny baldness to blind anyone when the light of the sun is reflected off their heads. Lin Chung and the Air Force managed to shoot them down from their twister position. Because the Zebra Brothers had to pull them out instead of digging them out, the Bald Eagles ended up becoming Ostriches and chased after the Zebra Brothers for what they did to them. Also, it caused them to lose their flight in a plot to attack Big Green. In "Ostrich Castle," the Zebra Brothers had the Ostriches help them in fighting First Squad. When fighting First Squad, the Ostriches can join together into a bird ball-like formation with their heads sticking out. The Zebra Brothers pretended to join Big Green in order to steal the secrets of Big Green and help the Ostriches design their own launch tubes to form their own launch tubes. After the entering the Zebra Brothers' Mimic of the First Squad entrance, they gain their ability to fly again (the Zebra Brothers actually didn't plan this, but they promise) restoring them to Bald Eagles and put them through drills. Unfortunately when it comes to attacking Big Green, the Bald Eagles thought it was another drill and ended up smashing the signal. In "Pitched Battle of the Air Force," High Roller later had the Bald Eagles combine with the Bats and Hens in order to form the Ultimate Flying Force. Big Green's Air Force and First Squad had a hard time fighting the combined forces of the Bald Eagles, the Bats, and Hens until they were defeated. The Bald Eagles retreated leaving the Bats and Hens behind. The Bald Eagles later operated by a fake Black Dragon and defeated them. Mighty Ray toying around with Woo the Wise's invention caused High Roller, the Zebra Brothers, Bearstomp, and the Bald Eagles to merge into a large creature he called the "Twelve-Eyed Striped Dumbat." Upon being broken apart by a combined attack by Lin Chung and the Air Force, the Bald Eagles retreated with High Roller, the Zebra Brothers, and Bearstomp. In season two the Bald Eagles were sent to eat the sap from a mystical tree that turns them into Pterodactyls, they then gain the abilities to turn others into prehistoric forms of themselves. But at the end of the episode they are turned back to Bald Eagles and reject Ape Trully's offer for peace. In "The Yeti & Pheonix" Bald Eagle king was transformed into a Phoenix to reek havoc on hidden kingdom he is eventually lured to the Yeti (A transformed version of the Poler Bear king) and they engage in combat. Lin Chung then used his harmonic power to transfer the Bald Eagle king into his real form. Afterwards he finally relizes that Big Green isn't his enemy and joins them.

Chameleons - The Chameleon Queen and her subjects are allies of High Roller and is known to eat candy more than insects. She ate enough mosquitoes to become giant size. High Roller ended up taking Chameleon Queen on a mission to steal a box containing diamonds that summon demons that can turn any human into animals. High Roller modified Chameleon Queen and her subjects with armor made from the bells from an old bell tower the Zebra Brothers accidentally destroyed and tank treads to match the armor and tank treads of the Turtles. Chameleons are known to use camouflage for their stealth attacks. In "Chameleon Castle," Commander ApeTrully ended up trying to make peace with the Chameleons only for him and the Tank Army to be ambushed by High Roller, the Zebra Brothers, the Bears, and the Chameleons. With the Calabash Tanks damaged, First Squad and the Tank Commander had to get Gardener Ching to grow more Calabash Tanks. After Lin Chung freed Commander ApeTrully and the Tank Army following the removal of the fog, Chameleon Queen and her subjects, High Roller, the Zebra Brothers, and the Bears were repelled with the Tank Army's Skywheel attack. In "Turtle Cannon Competition III," the Zebra Brothers blamed Chameleon Queen for eating High Roller's candy causing High Roller to kick her out. Chameleon Queen teamed up with Second Squad to do the Turtle Tank Race where First Squad and Second Squad had to race within Chameleon Queen. After High Roller learned that the Zebra Brothers framed her and stole the candies for themselves, she was enticed back to High Roller's side when he offered her candy opposed to Commander ApeTrully's offering of gold present.

Purple whales- appeared in Pitched battle of the Navies part 1 and 2. While big green had to defeat a giant monster, the whales (with the zebra brothers & high roller) appeared to battle first squad. The whales lose, & fall to the sea floor with Sammo on top of them. Soon afterward, they play sea volleyball & 1st squad wins. Sammo scares the other 3 whales with his giant water spout. they the go underwater, not seen until the end of the episode.

---

When he was done we were shocked and horrified!

Me: What a monster!

Nico: He caused all this destruction to this world!?

Me: He is definitely not going to get away with this when we come here on March 14th!

Rainbow Dash: He is DEFINITELY getting the Black Gates for his crimes!

Lin Chung: In the beginning, High Roller WAS the one who turned animals here against the humans in the first place. But we keep foiling his plans each time. However, our most recent battle against the Twin Masters, who are High Roller's more menacing bosses, caused plenty of destruction, as you probably saw. We're still cleaning that up.

Me: So Twin Masters is the greater threat. Then High Roller will go to prison. What can you tell us about him?

Lin Chung: Them you mean.

He told us about Twin Masters.

---

Twin Masters is the main antagonist of the second season of the British/Taiwanese/Chinese animated cartoon series Hero: 108.

They were voiced by Scott McNeil, who also voiced The Evil Masked Figure in Scooby-Doo 2: Monsters Unleashed, The Overlord, Clouse and Nadakhan in Lego Ninjago, Blokk in Shadow Raiders, and Tall Boy in Riverdale. As Yang Tu he was voiced by Brad Swaile, who also voiced Light Yagami in English dubbed version of Death Note.

As revealed in the episode "Time to Go Home", one thousand years ago, Twin Masters was formerly a human prince named Yang Tu, who desired to conquer all of Hidden Kingdom. When Lin Chung was sent back in time, he encountered the young prince and fought him. In their fight, Lin Chung propels Yang Tu off of a cliff and into a volcano with a combination of his harmonic energy and chaotic energy from The sword of Zao. Unfortunately, the energy mixes with Yang Tu, transforming him into Twin Masters. After spending a millennia in the volcano, Twin Masters emerges, mastering chaotic energy, and changing their plan to destroying Hidden Kingdom and ruling as a cruel despot.

In their first appearance, they task their minion, High Roller with capturing Commander ApeTrully, and has High Roller take the Chameleon army with him. When they were defeated, Twin Masters fires a negative energy ball into a volcano, boasting that once it erupted, any survivors of the apocalyptic event would blame Big Green for it. Having learned the power of harmonic energy, Lin Chung seals the volcano. The episode then ends with Twin Masters stating their plans of destruction and vengeance on First Squad.

In "Big Baby Turtles", after the Zebra Brothers steal an amulet from the Owl Kingdom, Twin Masters infuses their chaotic powers into it, converting Big Green's turtles into giant abominations and sends them to attack First Squad. Upon being thwarted, the turtles return to their original size.

Twin Masters strikes a deal with Second Squad in "Second to None", and possesses them with their chaotic energy, tasking them with exterminating First Squad. After Lin Chung succeeds at breaking the spell over Second Squad, Alpha Girl pushes Lin Chung out of the way of a chaotic blast from Twin Masters. Thankfully, she survives.

The Flying Fish army steal Mighty Ray's eyes, giving them to Twin Masters. They then use the eyes to generate a chaotic storm which would engulf all of the Hidden Kingdom. Mighty Ray is forced to overcharge himself by eating several bananas at once, causing Twin Masters to writhe in pain. Even though Mighty Ray receives his eyes, Twin Masters proclaims that it was too late for them, because the chaotic storm they created would still destroy everything. This forces Lin Chung to enter the storm and destabilize it from within much to Twin Masters' chagrin.

Another plan of Twin Masters involves tricking the Bald Eagle King and his troops into drinking enchanted tree sap which transforms them into pterodactyls and also creates a purple substance that Twin Masters intends on using to reconvert all life in Hidden Kingdom to its prehistoric state. The spell is reversed through a use of creating a gas and transmitting it through the trees.

In "Demon Heartland", Twin Masters deceives First Squad into going to an island to destroy what was believed to be their heart. Revealing that it was actually a chaotic bomb, Twin Masters seals them in the cave along with the Hermit Crab King and Sea Elephant King, explaining that their services were no longer needed. Through quick thinking, the group escapes, and the two kings join Big Green.

ApeTrully is kidnapped again in "Animals Inside", and Twin Masters possesses him with their chaotic energy and forces them to fight against First Squad. Regaining himself thanks to Lin Chung, ApeTrully blasts Twin Masters with the chaos energy they bestowed him.

Twin Masters returns again, this time forcing a fleet of Oyster-Rahmas into nibbling away at the Trench of Lost Souls which would drain the ocean, and suck Hidden Kingdom down with it. First Squad arrives in the nick of time, and Twin Masters tries to push Lin Chung into the direction of the Trench of Lost Souls, giddily telling him to enjoy having his soul ripped from his body. The Oyster-Rahmas are freed, and Twin Masters' plan fails yet again.

When an asteroid passes by the Earth in "Collision Course", Twin Masters uses this opportunity to alter the direction of the asteroid's course, sending it to crash into Hidden Kingdom. First Squad is sent into space where they discover an alien lifeform living in the asteroid apparently becoming lost from his kind. The asteroid is destroyed, and the alien becomes an honorary member of First Squad until his people return for him.

Collecting water from the life-giving lake Thai-Gi, Twin Masters encases themselves in an energy cocoon, and sends High Roller and his troops to prevent First Squad from interfering. After gathering enough energy, Twin Masters emerges from the cocoon, becoming a horrid behemoth and they begin to drain all life of its energy. When High Roller and the other minions realize that they would also die, the Zebra Brothers and Bearstomp temporarily join Big Green to assist them in defeating Twin Masters. Learning a legend about a giant, mechanized robot entitled the Bronze Giant, Lin Chung gathers all 107 members of Big Green, forming the robot. Engaging Twin Masters in a battle, Lin Chung is told by his old mentor that all members of the robot must contribute their harmonic energy. Shocked, Twin Masters angrily yells about their invincibility, refusing to believe that they could be defeated. Twin Masters screams in horror before imploding, dying for good.

* * *

When he was done we were shocked even more!

Me: So Twin Masters is to blame for all this!

Sunset Shimmer: He is a true monster!

Nico: Man, I can see why that battle caused so much destruction. They're fucking huge!

Me: But so are we. We are the most powerful force in the entire universe and our power is omnipotent.

Lin Chung: That is true. You all have done so much and achieved power far greater than 500 Twin Masters combined.

Eddy: You got that right.

Me: Yeah.

Nazz saw Lin Chung's drawings.

Nazz: Lin Chung, you've got really nice drawings.

Lin Chung: Thank you Nazz. It's a talent that I have.

Me: Lincoln's sister Laney is a great artist herself and she makes awesome paintings.

Twilight Sparkle: It's true.

Sunset Shimmer: They are just as awesome as my paintings.

Me: Yep. But your paintings are amazingly well done.

Lin Chung: I'm glad you like them.

Nico: Also, Commander Apetrully, you don't have to hide anything from us. We know you're really a monkey.

Commander Apetrully: (nervously) Um… the stress about Hiroshi and Masato Kusaka must be getting to your brains. I'm not a monkey!

Me: Okay first of all we don't know how you managed to know about that. We know news travels fast all over the universe but we don't know how it got here so fast. Second, Masato and Hiroshi are irrelevant to this mission.

Kevin: Dude, c'mon. We did research on you guys. There's no point in hiding.

Commander Apetrully: (angrily) YES, OKAY?! YOU'RE RIGHT! I'M REALLY A FUCKING MONKEY!

He revealed himself as a red monkey!

Lin Chung: He really is a monkey!

Mystique Sonia: Why didn't you tell us?

Commander Apetrully: I was afraid of how you would react to me being a monkey the whole time.

Me: Apetrully, nobody cares if you are a monkey or not. You are just as important to the entirety of Big Green as everyone is here.

Parrot King: It's true. I knew about Apetrully's secret the entire time.

Mighty Ray: So?

Commander Apetrully: "So"?! This is the part where you get angry at me!

Mystique Sonia: What are you talking about? We would never get mad at you for this.

Mr. No Hands: Commander Apetrully, Jumpy Ghostface is a rabbit. The mascots of Team Loud Phoenix Storm are more or less animals. And we have no problems befriending several of the animals here in our quest to keep peace beteween them and humans. What really matters are your actions, not your appearance.

Me: That's right. We have done so much all over the universe and have made numerous allies and friends all over the universe and united countless planets and people to help others as well as save the universe from destruction. No one cares that you are a monkey.

Laval: That's right. I'm a lion and no one is complaining about that.

Twilight Sparkle: And in my world we are all ponies.

Eli: It's true.

Mr. No Hands: Anyway, now that the introductions are out of the way, we got trouble. High Roller has managed to turn the Lion King and his lions against the humans again.

We gasped!

Mystique Sonia: (to Nico) Every now and then, High Roller manages to turn certain species of animals against us the second time.

Me: Not on our watch!

Kevin: (chuckles) Lion King. I think there's an inside joke to be made here.

Me: (Chuckles) Okay yeah I do see it too. Oh guys. Before we head out I need to warn you about something. Eddy has a dark side that is currently causing problems.

Nico: Dark Eddy is his name and he is going to come and try and kill you all. Including us. We banished him to the book of vile darkness dimension. I put a curse on him that will banish Dark Eddy to the Black Gates after 24 of our first Ambassador Missions.

Me: This will be number 10 today.

Irena: Just want to give you the heads up.

Mystique Sonia: Thanks Irena. Thanks guys.

Mr. No Hands: First Squad, deploy!

Lin Chung: Sorry, guys. We don't have enough turtles for you to ride on.

Me: No need for that. We'll just fly.

Nico: Lets roll!

We were off to the Lion Kingdom!

Mighty Ray: Wait. What if Dark Eddy does something to look similar. to the Eddy that's with us right now?

Lin Chung: I have an idea. (paints a peace sign on Eddy's forehead)

Me: Hey that works.

I gave him a mirror.

Eddy: Hey I look cool with a peace sign on my forehead.

Me: You sure do. But painting a peace sign on him was not needed. Dark Eddy has one trait that tells him apart from everyone else.

Mystique Sonia: And what's that?

Me: He has piercing red eyes.

Nico: It's true.

Commander Apetrully: Now, wait here while I talk to the Lion King.

Irena: Won't you need gold?

Commander Apetrully: That stopped working a long time ago. (goes inside)

Lin Chung: Irena, I can't help but sense something inhuman about you.

Irena: Oh yeah. I forgot to tell you. I was gene-slammed with what's called a Lepidopterranian from the planet Lepidopteras.

Mystique Sonia: What are Lepidopterranians?

Irena: They are a race of butterfly people from the planet Lepidopteras and they are a very peaceful race of creatures that are known as the great fairy dust exporters of the galaxy

Centaurus A. They are also very formidable warriors if they need be.

Lin Chung: That is amazing.

Me: You'll see what they look like soon.

Eli: Yeah but she has the power to sprout her butterfly wings at will.

Nico: Yep.

Commander Apetrully: The Lion King has said that in order for the lions to rejoin Big Green, we will need to defeat them in basketball!

Me: Basketball huh? That shouldn't be too hard.

Rainbow Dash: Now you're talking! Basketball is one of the sports I like.

Eli: I love a good game.

Me: All right then.

I spun around and I was in my basketball uniform.

Me: TADAH!

Nico: Wow!

Lynn: Count me in as well!

We saw Lynn!

Me: Lynn we didn't expect you to be here.

Lynn: Whenever sports is mentioned, I know all.

Me: Guys meet one of the Loud girls, Lynn Loud Jr. She is the sports start of Lincoln's family.

Lin Chung: Awesome to meet you Lynn.

Mystique Sonia: Same here.

Lynn: Awesome to meet you guys. Sorry to drop in like this.

Nico: No worries Lynn.

We went in.

Rolf: The lions will cower at Rolf's angry skills!

Mystique Sonia: That's mad skills, Rolf.

Me: Rolf has a very interesting way of communicating. His customs are awesome though.

Kevin: But everything's going well so far. Maybe we won't fight Dark Eddy today after all.

Mighty Ray: I guess you're right. You know, unless he did something like hide in the Lion Kingdom waiting for us.

Nico: Say what?

Mighty Ray: I mean, you have to admit it's weird. We travelled all the way here and didn't run into Dark Eddy. Not even once.

Nazz: What are you saying, dude?

Mighty Ray: I'm just saying that it's possible that Dark Eddy predicted where we would go and might be hiding here in the Lion Kingdom.

Eli: He's right. I sense it. He's watching and waiting.

Nico: Hmm. I have an idea.

Nico used Shadow Clones by thought and told them to find Dark Eddy telepathically and beat him up and send him right to us.

Lion King: Ahh the famous Team Loud Phoenix Storm. It's an honor.

Me: You too your majesty. It's an honor to be in a game of basketball with you.

Lion King: Same to you J.D.

Nico: We are honored.

Lion King: Look at it this way. If you all really are unbeatable, you'll have no problem beating me and my lions in this basketball game.

Me: Three words: BRING IT ON!

Lion King: Love that spirit.

A lion acting as a referee blew the whistle, signaling the start of the game.

I dribbled the ball and passed it to Rainbow Dash and she jumped and made a great shot!

We were bouncing the ball all over and more and really going at it!

Laval: (gets out Byakko of the 4 Saint Beasts' Rider Ticket) You didn't say that Legend Items are against the rules!

He activated it and used Byakko's speed and made a great dunk!

Nico: Oh yeah!

Me: Nor did they say using magic.

I got the ball and saw 2 lions coming and I used the change spell to turn the floor where they were standing into glue.

I jumped and dribbled passed them and ran and jumped and did a Michael Jordan Slam Dunk!

Lion Soldier: HEY THAT'S NOT FAIR!

Me: Tell it to yo mama mane boy!

Lion Soldier: Mama?

Lion's mom: Don't want to hear it!

Jonny used Plank to hit the ball towards the net.

SMACK!

He scored!

Nico: YEAH!

Jonny: Nice job Plank!

POW!

Dark Eddy was punched out into the open and He was brutally mangled up thanks to Nico's clones.

Me: Right on cue!

Eli: Looks like Nico's clones beat Dark Eddy. Also Now we play San Antonio Style!

Lynn: Now you're talking!

Lynn grabbed Dark Eddy and turned him into a ball and threw him into the wall and smashed him into it and it bounced him off it and Nico kicked him into the hoop!

Irena: (gets out Rampage's Rider Ticket) Time to step it up!

She activated it and punched Dark Eddy and kicked him in his face!

Irena: Kevin, he's all yours!

Nico: And I'll add this to the mix! (ACTIVATES THE VENGEANCE EXPRESS KEVIN, ROLF, NAZZ AND JONNY'S RIDEWATCH)

Nico had their power given to them and the 6 kids VICIOUSLY AND BRUTALLY BEAT UP DARK EDDY ALL OVER!

PIGS SQUEALING, SEALS BARKING, CHICKENS CROWING, CATS YOWLING, COWS MOOING, TURKEYS GOBBLING, BLOWS LANDING AND MORE!

Dark Eddy brutally smashed all over the place in a brutal and ferocious beatdown and was pulverized all over the place and then he was thrown at Nico and he punched hiim down and then he got up.

Dark Eddy: (points blaster at Mighty Ray) I'm taking you out first, kid!

Mighty Ray: Not a chance!

Mighty Ray ate some bananas and gagged.

Mighty Ray: I AM MIGHTY RAY! FEAR MY EYEBALLS!

Mighty Ray shot electricity from his eyeballs at Dark Eddy.

The lightning blasts hit Dark Eddy and electrocuted him all over.

ZAPPITY ZAP ZAP!

Kevin bounced the ball off Dark Eddy's head and then, it went through the net.

Kevin: Choice!

Me: Top that Dark Dork!

Dark Eddy: WHY YOU LITTLE! I'M GONNA BASH YOUR NOSE OFF!

Me: Bite my big fat fucking ass!

Lynn jumped off Dark Eddy's head and scored a slam dunk.

Lynn: SCORE!

Rainbow Dash grabbed Dark Eddy.

Rainbow Dash: Hey Nico!

Nico: Way ahead of you Rainbow Dash.

They grabbed Dark Eddy by his hands and legs and pulled him like he was being pulled by the rack.

BONES CRUNCHING!

Twilight dribbled the ball and bounced off Dark Eddy like a slingshot and went and scored a shot!

Nico: Nice one!

Lin Chung: I think it's time we got rid of this evil clone.

Nico: The curse will kill him in 14 times.

We then punched him really hard and sent him crashing into the hoop and he went through it.

Announcer: AND THE WINNER IS TEAM LOUD PHOENIX STORM AND BIG GREEN!

We sent Dark Eddy back into the Book of Vile Darkness Dimension.

Nico: TAKE THAT!

Lion King: Well done. We Lions will gladly rejoin Big Green. If there are no hard feelings, that is.

Lin Chung: None at all.

Me: But that was a good game.

Lion King: It sure was and I commend you all for a great show.

Lynn: Weren't nothing. It was fun.

Twilight Sparkle: It sure was.

Nico: And the cool part is we played San Antonio Style on him.

Applejack: YEEHAW! Yeah we did!

Eli: YEAH!

Mystique Sonia: Next time, we'll show you guys our air force!

Me: Looking forward to it.

Irena: That was so fun though.

Nico: It sure was.

Me: WHEW! Worked up an awesome sweat though.

Nico: I'll say.

Eli: Yeah!

Lynn: That's the smell of victory.

Lin Chung: It sure is.

Mighty Ray: Is that a Furret?

Me: Hey it sure is.

Nico: Aww.

Furret: (In a girls voice) Aw man I missed the battle!

Nico: (Gasp) Linn Evans!

Me: You know you her Nico?

Nico: I sure do. She's a park ranger that I met and helped out over in Yellowstone. She and I became close after I saved her from a boiling mud pit.

Me: Nice.

Lin Chung: What's your favorite memory of Nico?

Me: You're catching on really fast Lin.

Lin Chung: Yeah I heard so much about your adventures.

Me: Nice.

Furret: My favorite memory is when me and Nico saw the Grand Prismatic Spring and it was awesome.

Me: That's the most beautiful spot in Yellowstone.

Lynn: Boy it sure is.

Nico: Yep.

Me: Lets get you back to normal.

Nico got out a green leotard and I formed a dome of darkness over her after Nico gave her the jumpsuit and I snapped my fingers and she reverted back.

She knocked on the dome and Linn was a girl with green hair and had green eyes.

Nico and Linn hugged.

Nico: I really missed you.

Linn Evans: Me too Nico. Me too.

---

We later came back.

May: Hey guys! How did it go?

Me: Really awesome.

Lynn: Yeah we had a lot of fun.

We told everyone everything that happened and it was cool.

Lincoln: Wow! I had a figured Lynn would have fun in Basketball.

Me: Yep. Sports is her thing.

Nico: It sure is.

May: Next time, Rampage, Sir Ivan, and Cheese should go with you.

Irena: Good idea!

Qin: That will be awesome.

Xenia: It sure will.

---

Serena: WHO DO YOU THINK YOU ARE REI!?

Rei: SOMEONE WHO IS KEEPING YOU IN YOUR PLACE MEATBALL BRAIN!

They raspberried at each other!

Double D: (to Serena and Rei) And here I thought we could go an entire year without your arguing.

Serena: YOU THINK YOU ARE SUCH HOT STUFF REI!

Rei: ALWAYS HAVE BEEN!

Serena: OH YEAH!?

Rei: YEAH!

Eddy: What are you two arguing about this time?

Me: Something stupid I'm sure.

Serena: Rei here thinks she is so much better than me because she can boss me around like a thumbsucking child!

Rei: Because you're just a whiny crybaby!

Serena: THAT DOES IT!

She jumped Rei and they broke out into a nasty fight cloud!

Qin: HOLY TOLEDO!

Me: Oh boy.

Shanan: I have known Serena and Rei for as long as I can remember. Those two hate each other with EVERY fiber of their being.

Ami: Their fighting has caused lots of problems in the past before.

Mina: Yeah it's not a good thing.

Amara: Serena is just a pathetic whiner.

CRUNCH!

Varie stomped on her foot.

Amara: OUCH!

Varie: Amara thats enough!

Eli: I got this.

Eli went and grabbed them.

Eli: Pardon me you two but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Serena and Rei: OUCH!

Nico: I'm gonna wait until they get tired.

Me: Eli beat you to the punch on that.

Nico: Oh.

Me: I swear you two act like a couple of fucking two year olds!

Nico: Yeah. You guys are sailor soldiers and you need to work together.

Shanan: Yeah this fighting is pointless!

Qin: Rei I know you are from Mars and have a nasty fiery personality but superiority is not your strongsuit!

Nico: That's right! Like it or not you girls are a team and need to work like one.

Rei: Look, guys. Despite how it might seem, Serena and I DO care for each other. Arguing with each other is just how things are with us. Nothing can change that. Not even Eli's bonking heads method.

Eli: (offended) Oh. I see how it is.

Me: Eli don't take it personally.

Qin: Yeah they act like sisters do.

Eli: I get it.

Nico: Yeah.

Me: Now it's time for the mandatory questions.

Maria: Is that a Noctowl?

We saw a Noctowl.

Me: Hey it sure is.

Noctowl: (In a girls voice) (Deadpan Voice) Looks like you guys found me.

Nico: Dana Owllton. It's awesome seeing you here.

Noctowl: Same here Nico.

Qin: Dana has been a very stoic girl and she shows NO Emotion at all.

Lana: Like Spock from Star Trek.

Nico: Yep.

May: What's your favorite memory?

Noctowl: My favorite is where me and Nico found a buried treasure in a cave in the mountains of Ukraine.

Me: That is cool. Lets get you back to normal.

I put on my glasses and Nico gave her a grey leotard and we covered our eyes and I snapped my fingers and she reverted back. She was back to normal and she was a girl with dark grey hair and had grey eyes and she put it on.

Nico hugged her.

Nico: I've really missed you.

Dana Owllton: Same here Nico. Same here.

Maria: Nico, before we leave on our girls' mission, which teams have you made?

Nico: Cyborg's team will include Ice, Katie Kirrington, Dexter, Poppy, and Elena Validus. Sasuke the Android's team will include Lucia, Ophelia Nasturtium, Pele, Kadma, and Lay Mamery.

Eddy: I can already tell what Cyborg's team have in common. Excluding Ice, of course.

Nico: Yeah.

Qin: They are awesome choices there too.

Me: Yeah they sure are.

May: Nico, which Gene Slammers do you think you'll meet next?

Nico: Ledian and Ariados next.

Qin: Ooh that's interesting.

Me: Yep.

Ashi: I think meeting a Ledian would be cool.

Lola: Me too.

Then Captain Cat of the ANBU came.

Captain Cat: Team Loud Phoenix Storm we have an urgent situation in the Leaf. But Lady Hokage only needs the girls for this one.

Qin: Okay.

Nicole: We're on our way.

Nico: Have fun on your girls' mission.

Me: Good luck girls.

Nicole: Thanks dad. Lets roll!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Joaquín Lozano of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Joaquín Lozano of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now, and he's already pissed off of what you did to Cervantes de Leon on your rescue.

Liliana Lurrie: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Joaquín Lozano for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there.

Liliana Lurrie: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Joaquín Lozano, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

Nicole: After us girls deal with what's going on in the Leaf.

They were off.

Nico: So, what do you guys want to do for the rest of the day? (Roger Smith, Poromon, and Poliwag raised their hands) It can't involve cocaine and beer!

Roger Smith, Poromon, and Poliwag: Aww!

Me: Hmm. We can go to Lynn's Table for some humiliations?

Nico: Good idea!

We went to Lynn's Table.

The girls got to the entrance of the Leaf Village and they got to a rather unpleasant and grotesque sight! They saw blood sprayed all over the ground and numerous men that Nicole and the Anti-Pervert patrol busted have been sent flying by powerful nosebleeds.

Nicole: What the!?

They saw the sight and it was crazy!

Lola: Oh man!

Cat: Lady Hokage will fill you in.

They went to the office.

May: Is it ok if me and Maria start recording an introduction?

Nicole: Sure May.

She got a video camera out.

Maria: Hi. I'm Maria Dunbar. And this is May Chan. We're recording an all girls adventure! Here are some of the female Power Rangers and Super Sentai.

Ashley Hammond: Hi. I'm Ashley Hammond. And this is Cassie Chan. We're part of the In Space Rangers.

Jen Scotts: I'm Jen Scotts. And this is Katie Walkers. We're part of the Time Force Rangers.

Z Delgado: I'm Z Delgado. This is Sydney Drew. And we're part of the SPD Rangers.

Mia Watanabe: I'm Mia Watanabe. This is Emily. And we're part of the Samurai Rangers.

Emma Goodall: I'm Emma Goodall. This is Gia Moran. And we're part of the Megaforce Rangers

Shelby: I'm Shelby Watkins. This is Kendall Morgan. We're part of the Dino Charge Rangers

Mio Natsume: I'm Mio Natsume. This is Kagura Izumi. We're part of the ToQgers.

Sela: I am Sela. This is Amu. We're part of the Zyuoghers.

Hammie: I'm Hammie. This is Raptor 283. We're part of the Kyurangers

Umika Hayami: I'm Umika Hayami, Lupin Yellow.

Tsukasa Myoujin: I'm Tsukasa Myoujin, Patren 3gou.

Sena Hayami: I'm Sena Hayami. This is Sayo Oharu. We're part of the Kyurangers.

Magine: I'm Magine. Zenkai Magine.

Flint Goldtsuiker: And I'm Flint Goldtsuiker aka Iron Pirate!

Maria: And as you can see this is girl power mission day for the girls of the team.

Nicole: As you can see, this is gonna be fun.

They got to the office and went up to the door and Nicole knocked on it.

Lady Tsunade: Come in.

They went in.

Nicole: You wanted to see us Lady Tsunade?

Lady Tsunade: Ahh good timing girls. Glad you all could make it. As you know there is a huge flood of blood from men that got fired from perverts all over that you busted lately.

Nicole: Yes we can see that.

Ino: Someone has been doing a really thorough job of weeding out lots and lots of perverts for us.

Nicole: Whoever did this really saved us a lot of trouble to find them and thrash them.

Lady Tsunade: But it's not just anyone that did it. It's actually a kunoichi that is doing this.

Nicole: One kunoichi is doing this?

Hinata: How is that possible?

Shizune: Well it's not just any kind of kunoichi, it's a very unusual one.

Lady Tsunade: According to our intel, this kunoichi actually comes from a distant island village in the Land of Lightning that has a really powerful and very interesting way of weeding out perverts.

Nicole: Sounds like someone that would make a good member of the Anti-Pervert patrol.

Lady Tsunade: Well actually it's a strange one. It's a kunoichi from a village called the Village Hidden by Nudists.

All of the girls: WHAAAAATTT!?

Nicole: What kind of weird village is that!?

Shizune: Weird is a total understatement Nicole.

Lady Tsunade: They call it the Hidden Nudist Village because it's as you might have guessed, it's where the kunoichi are in only their birthday suits.

Xenia: So all the kunoichi attack and surprise men while running around naked.

Lady Tsunade: That's correct.

May: Boy that sounds like a kind of village that Master Jiraiya would love.

Lady Tsunade: Knowing him yes he would.

Nicole: Let me guess, one of the Nudist Kunoichi is here in the Leaf and is using her erotic nature to weed out perverts and also cause trouble and you want us to capture her.

Lady Tsunade: Correct. Your mission is to capture this kunoichi.

Nicole: Affirmative. Thank goodness dad and the boys aren't with us. Or they would be getting their asses handed to them by all of us girls.

Lady Tsunade and Shizune laughed.

Lady Tsunade: That's true. Good luck girls.

Nicole: We're on our way.

Lady Tsunade: And Nicole, Vypra told me to give you these.

She pulled out a bunch of swords for the girls And they were called the Punishers of Perverts, they're a collection of massive greatswords with embedded colored gems and an anti-Pervert symbol etched on the 7'0" massive, wide, double-edged blades, large phoenix heads for the crossguards, large colored gems embedded in the rainguard, longer midnight black handles, four large dragon heads and large colored gems on the bottom of the dragon heads for the pommels. Once in hand, you'll get a massive power and energy increase.

Nicole: Thanks Lady Tsunade.

Lady Tsunade: You're welcome. Good luck girls.

Nicole: Won't need it but thanks. Lets go girls. Time for girl power.

They went out.

Maria: (to May) This is good for us to spend quality time together.

May: It sure is a good way to spend quality time.

Nicole: Now if I were a kunoichi in my birthday suit where would I be?

Sakura Haruno: Walking around naked in broad daylight sure is her style.

Laney: It sure is.

Aylene C.: But nonetheless she picked the wrong village to face.

Nicole: Yep. But I sense her energy signal. It's not that strong but it's strong enough. I would say she is at Upper Chunin Level strength.

Rachel Lilly: Yeah no kidding there.

Lillymon: Where to even look?

Horsea: If she's invisible, I can spray my ink.

Maria: That will work.

Nicole: Hmm. Lets split up and cover more ground. If you see anything unusual send up a signal flare with your cutie mark. We can find you with that.

They nodded.

Nicole: Fan out girls!

They fanned out.

Hammie: I bet she can't turn invisible like I can!

Raptor 283: I bet she can.

They were really searching high and low.

Hinata and Ino were searching in the east side.

Ino: Hmm.

They were searching.

Umika: She's not like one of the Ganglers! It's not like she's disguised or anything!

Tsukasa: If she were then we would know.

Nicole looked from the air.

Nicole: Now if I were a kunoichi like that, I bet the best place to start with would be…

She looked around and then saw steam.

Nicole: The hot spring! Of course!

She flew towards the hot spring.

Nicole landed and looked around.

Then in the mens side she looked around more.

Suddenly…

She heard screaming!

Nicole saw something and sent a signal flare with her Cutie Mark.

Nicole: Target found!

They saw the flare and went to her!

They landed.

Kushina: I had a feeling it was the Men's hot spring.

They went in and busted the door down and saw a blond hair woman naked as a jaybird in the middle of a bunch of men with blood pouring out of their noses and she had an ample chest.

Me: WHOA! I never encountered a village like that when I was there in 150,000 years.

Nico: Boy thank god that we boys didn't go with you all or who knows how much blood would have poured out.

Nicole: That was quite the beatdown you laid on her, girls, nice job. But, we're so not done yet.

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Joaquín Lozano of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic should be coming… right now!

We went to the park and arrived there.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

the imps of The Fabled Gene-Slammers were already hissing with anger.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Joaquín Lozano.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Joaquín Lozano, the next member of The Order of Nuestra Señora de la Santa Muerte.

Liliana Lurrie: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Joaquín Lozano: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Liliana Lurrie's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Lurrie-themed greatsword from her back, and as she approached Joaquín Lozano, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Liliana Lurrie: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Joaquín Lozano. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Lurrie and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Liliana Lurrie was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Lurrie flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Liliana Lurrie emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Liliana Lurrie grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Lurrie emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Lurie with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Liliana Lurrie has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Lurrie surrounded by darkness and light and imps and on top of Fabled Kushano is an anti-Sergio symbol. Suddenly, Liliana Lurrie felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Liliana Lurrie has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Liliana Lurrie's massive Fabled Lurrie-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Lurrie's Darkness Light

Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Lurrie etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Lurrie's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Lurrie that said, "Liliana Lurrie, Gene-Slammer of Fabled Lurrie, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Joaquín Lozano of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Liliana Lurrie has transformed into SUPER ANGEL-FABLED LURRIE-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED LURRIE ANGEL OF DIVINE DARK FABLED LURRIE IMP JUSTICE AND DIVINE FABLED LURRIE IMP LOVE!

We were amazed by Liliana Lurrie's Super Angel-Fabled Lurrie-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Joaquín Lozano saw it, he went insane and he got out his sacrificial knife to stab her, but Liliana Lurrie fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Joaquín Lozano, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Liliana's transformed.

Lincoln: Yeah, and she really sent Joaquín Lozano back with that energy blast she fired and that really pissed him off now, and Liliana, you look beautiful, how do you feel?

Liliana Lurrie: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Lurrie and Divine Darkness Light Fabled Lurrie Imp Love) (Spanish Accent) **I feel incredible, Linky. Now, shall we put an end to Joaquín Lozano once and for all?**

Lincoln: (Smiles) With pleasure, Liliana.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Liliana Lurrie.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing

Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running, Joaquín Lozano, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.**

Liliana Lurrie and Lincoln went after Joaquín Lozano, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Joaquín Lozano and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Liliana Lurrie sent her three imps and Lincoln summoned his own imps and they sent them at Joaquín Lozano, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Liliana Lurrie, her hand-cannon Blaster is known as Fabled Lurrie's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Lurrie surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Liliana Lurrie aimed their hand-cannon blasters at Joaquín Lozano.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Eat energy blasts, Joaquín Lozano!**

Liliana Lurrie and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Joaquín Lozano and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Joaquín Lozano's sacrificial ritual knife and it hits Joaquín Lozano right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Liliana Lurrie and Lincoln gave Joaquín Lozano The Black Gates for good. We cheered as Liliana Lurrie and Lincoln holstered their massive greatswords on their backs and powered down, and Liliana Lurrie's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Liliana Lurrie: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Joaquín Lozano for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Liliana.

Suddenly, Liliana Lurrie wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomachs pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Liliana Lurrie's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Lurrie flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Liliana Lurrie absorbed the light and they came back to us as the display and Fabled Lurrie vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Joaquín Lozano's death, now there are only twenty-one members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Matías Medina, which means it'll be Amaia Marcosia's turn.

Amaia Marcosia: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, how about a Gene-Slammers for Evil HERO Adjusted Gold, Evil HERO Nemesis, and Evil HERO Infernal Princess.

This caused the Evil HERO Gene-Slammers in Lincoln's harem to gasp in surprise.

Gretchen Holland: That's an awesome idea, Lincoln, and I think we know which three would be Gene-Slammed into Evil HERO Adjusted Gold, Evil HERO Nemesis, and Evil HERO Infernal Princess.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Tiffany Emmerson, Reggie McDonald, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, Phoebe Ramirez, and Calista Levine: Larisa Amana, Chantal Rhodes, and Avalon Cadieux.

Calista Levine: Larisa Amana is a well-known bounty hunter who's hunted down and arrested many criminals over the years and she's gotten paid good through their captures.

Phoebe Ramirez: Chantel Rhodes is known as the strongest and most powerful of The Evil HERO Guardian Angels and a powerful elementalist, and any scumbag who dared to cross her would get seriously burned and pulverized.

Lorelai Delancey: And Avalon Cadieux, she has a reputation as a successful businesswoman at the age of seventeen, but she has a really bad past: her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all the cousins on her mom's side of the family hated her ever since the day she was born.

Me: What? That's just evil.

Lorelai Delancey: It gets just as evil as that, it turns out that her mom, Lisa, and the aunts, uncles, and all the cousins on her mom's side of the family also physically and emotionally abused her, and her mom and Lisa murdered her dad, and they all schemed to get her killed as well, so they can take her dad's business and all his money which he left to Avalon, but in the end, thanks to help from her grandparents, her aunts, uncles, and all the cousins on her dad's side of the family, she gained both her dad's business and his fortune, and as for the aunts, uncles, and all the cousins on her mom's side of the family, they lost all their businesses when evidence of their misdeeds to their customers and Avalon came out to the public and not only were their businesses taken over by Avalon and her dad's company, but they were also kicked out and got sent to federal prison. And as for her mom and Lisa, for what they did in abusing her and for murdering her dad, they got sent to separate prisons and with life sentences with no chance for parole.

Nico: That's just fucking sick that they did that.

Lincoln: Avalon went through all that because of them, her mom and her older sister were nothing but shameless, gold digging, murderous scumbags who don't even deserve to be out in public, and the hatred from the aunts, uncles, and all of the cousins on her mom's side of the family also made things a lot worse, but in the end, with help from her dad's side of the family, she gained her dad's business and fortune, and her mom, her sister, and the relatives on her mom's side of the family lost their businesses and sent to prison for good, and after that happened, everyone on her dad's side of the family severed their ties with those monsters and vowed never to help them ever again.

Me: Serves them right.

Eli: They were bitter, jealous, greed-driven demons who deserve to die in prison.

Nicole: But great job today girls! Today shows that girl power triumphs just as much.

Nico: You got that right Nicole. Great job girls.

We later went back home and went and enjoyed the rest of the day and went to sleep.

Then AYAME ICHIRAKU IS GOING TO TRANSFORM TOO AND SHOW HER THAT ONE HALF OF A SPECIES CAN'T EXIST WITHOUT THE OTHER! AND WE'RE GOING TO SEND THAT HORRIBLE BRAT TO PRISON FOR GOOD! It's against our code to kill kids. But we sent her to die on Xenomorph Prime to teach her a lesson. She is going to be massively pissed at us for sending her to die on

Xenomorph Prime. Then we're going to meet Another Tri Cerberus and battle Another Toyman. And we're going to meet a gene-slammer for Ledian and her name is Chi Lan Xing and she is Nico's friend from China and knows all about the history of China and more. The next match-up in this saga is Amaia Marcosia - Gene-Slammer of Fabled Marcosia and Lincoln VS Matías Medina

For Lincoln's rescue tomorrow, Lincoln and his group are heading to the north of Gotham Royal York, and thanks to upgrades to the satellites with ground-penetrating radar, Lincoln and his group are going to take down another terrorist group that was formed to kill us all and destroy the world known as Phoenix Killers, led by Damian Asmodeus, a deranged Satanist who despised Team Loud Phoenix Storm for years and our adventures and achievements have driven this lunatic into eternal madness, and he formed this new group to try and kill us. But, thanks to the upgrades Lincoln and the others made to the satellites with ground-penetrating radar, those bastards aren't getting away, and they will all pay for their crimes against the world. And we're going to meet the final three Evil HERO Gene-Slammers in Lincoln's harem, they are:

The Evil HERO Adjusted Gold-Gene Slammer named Larisa Amana, she's Lincoln's Guardian Angel and classmate in Gym, but she's also known throughout the world as a well-known bounty hunter, and she's hunted down and arrested many criminals over the years and she'd gotten paid good through the captures of many criminals, even some who are in Organized Crime, and those bounties for the mobsters are literally worth five times the bounty. Her captures of many criminals and even the mobsters themselves have made her really well known throughout the world, and the organized crime syndicates and the Mafia themselves have hated her for a very long time, and they want nothing more than to kill her and mount her head on a wall, but they always fail because she winds up killing their hired thugs and giving their blood to Lincoln, since she's known his secret of being a vampire-werewolf-cyborg hybrid. But, her biggest bounty was the capture of Avalon Cadieux's mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all the cousins on her mom's side of the family who'd hated and mistreated her ever since the day she was born. She got paid big time for it, and it was a bounty that she, Lincoln and the other Evil

HERO Gene-Slammers remember to this day.

The Evil HERO Nemesis Gene-Slammer named Chantel Rhodes, she's Lincoln's Guardian Angel from Michigan and classmate in Art, she's known as the strongest and most powerful of The Evil HERO Guardian Angels and a powerful elementalist with control over the elements, and any scumbag who dared to cross her would get seriously burned and pulverized. She really taught Lincoln a lot about the elemental forces ever since she knew Lincoln had been acquiring powers through feeding on the blood of the other Guardian Angels, and she knew of what the other Guardian Angels did to save his life every time he suffered a life-threatening injury from Lori, Lynn, Lola, Lisa, or Luan, and she also taught him how to use the elemental forces in some creative ways. And on the very day that Avalon Cadieux had gotten control of his dad's business and fortune, which also resulted in the ousting of her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all the cousins on her mom's side of the family who'd hated and mistreated her ever since the day she was born, Chantel, Lincoln, and the other Evil HERO Gene-Slammers also helped out in turning in evidence of the constant abuse Avalon went through because of them, along with their plan that ended with the murder of Avalon's dad, and they got a huge reward for their capture.

And the Evil HERO Infernal Princess Gene-Slammer named Avalon Cadieux, she's Lincoln's Guardian Angel from Michigan and classmate in Math, she had quite a really huge and powerful reputation as a young successful businesswoman and the owner of her dad's business, but Avalon has a really dark past: her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family hated her ever since the day she was born, and it also turns out that her mom, Lisa, and the aunts, uncles, and all the cousins on her mom's side of the family also physically and emotionally abused her, and her mom and Lisa murdered her dad so long ago, and they also schemed to get her killed as well, so they can take her dad's business and all his money which he left to Avalon, but in the end, thanks to the help of the other Evil HERO Gene-Slammers and Lincoln and help from her grandparents, her aunts, uncles, and all of the cousins on her dad's side of the family, who are also powerful business owners, she gained both her dad's business and his fortune, but as for the aunts, uncles, and all the cousins on her mom's side of the family, they lost their businesses when evidence of their misdeeds to their customers and Avalon came out to the public and not only were their businesses taken over by Avalon and her dad's company, but they were also arrested by the police and after getting convicted, they got sent to federal prison. And as for her mom and Lisa, for what they did in abusing her and for murdering her dad, they got sent to separate federal prisons and with life sentences with no chance for parole, and after that happened, everyone on her dad's side of the family severed their ties with those monsters and vowed never to help or speak to them ever again.

SURF'S UP YET AGAIN! We're going back to Hawaii and help Cody Maverick and his friends and this time we're going to battle THE BIG ONE from the episode SpongeBob Squarepants VS The Big One and we're going to give that terrible wave what for in the Surfs Up 2 chapter.

See you tomorrow.

# SURF'S UP 2: THE BIG ONE RETURNS

This chapter is based on Surf's Up 2 and has a twist of SpongeBob Squarepants VS The Big One

---

In the early morning hours at 3:35 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of Paris, France. But, it were no ordinary figure, their were Blackheart Raven, daughter of Lincoln's future wife, DCSHG Raven. Lincoln woke up from the dream, but he wasn't the only one, DCSHG Raven, Selena Raven, Lori Loud, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Lori: What more did you expect, bro?

DCSHG Raven: And not only that, it also means that we found out where my daughter is at.

Selena Raven: And the question is, Where?

Me: She at Paris, France.

Nico: Oh no, that's not good. It's the same place when we found Cloudy Skies & Sugar Rush, Batsy Jin, and Skullhead Wolf, And even though it's a nice place, but not so much for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lori: You got that right, bro.

Lincoln, Lori Loud, DCSHG Raven, Selena Raven, Me, and Nico were heading to Paris, France. Then, Lincoln saw a young 10-year-old goth girl who has pale skin, red eyes and long black braided pigtails with white and red highlights and a white bow on her head. She's a black dress with a white collar, white bows on the front, and white disc-like wrist cuffs, black stockings, and black mary jane flats. Lincoln saw who she is, it was Blackheart Raven.

Lincoln: Excuse me, are you Blackheart?

Blackheart Raven: Yes, And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is my older sister, Lori Loud, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, DCSHG Raven came out, and when Blackheart Raven saw her, she was stunned.

Blackheart Raven: Mother, is that you?

DCSHG Raven: Yes, little raven, it's me.

Blackheart Raven ran up to DCSHG Raven, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, Lori, Selena Raven.

Lincoln: And there's something you should know, Raven, your mother is one of my many future wives.

Blackheart Raven: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be, little raven?

That filled Blackheart Raven with joy, as Lincoln picked her up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Blackheart Raven to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting DCSHG Raven with her daughter, and Blackheart

Raven now has a loving, strong, brave, and caring father in her life.

Camie: Yeah they are!

Himiko: I agree there!

May: Boy yesterday was an awesome and tremendous display of girl power!

Qin: It sure was!

Camie: YEAH!

Nico: I'm really proud of you girls.

Me: Me too girls. You all did a fantastic job back then.

Varie: Thanks. It was awesome.

Eli: Bro made a great call to arrange for a Girl Power Mission yesterday.

Lola: I can tell.

Nico: Yeah no kidding there.

May: Me and Maria even made a recording.

Nico: I saw it and clever use of Mosaic censorship on it.

Luan: Thanks. I taught them how to do video editing for that.

Me: Thank goodness for that.

Nicole: Yeah thank goodness dad and everyone didn't come along or there would have been trouble.

Camie: No kidding.

Lola: Man it was one crazy and awesome adventure though.

Lana: I'll say!

Ayame: It was a perfect day to show what girl power is capable of.

Maria: What did you guys do while we were gone?

Nico: We went to Lynn's Table for some grub and humiliation fun.

Me: Yeah we got to test some new pranks out.

Nico: You should have seen them. They were awesome and funny.

Lola: Cool!

Nico: Yeah we'll show them to you later.

Eli: But that was awesome that you girls did all that yesterday.

Laney: Shows that Girl Power can be just as strong as men.

Alexis: Yeah that is for sure.

Nico: Here we are!

We arrived at the planet and it looked like a golden brown planet.

Me: From up here it looks like a flower and mountain planet.

Nico: It sure does.

King Kai: (Telepathically to Nico) Nico! Everyone, Can you hear me!?

Nico: King Kai! Yes we hear you. Is Something wrong?

King Kai: I'm afraid I got really bad news guys. Nico you remember your old enemy that you all beat three and a half years ago, Madame Margaret?

Nico: Oh no! Don't tell me.

King Kai: I'm afraid so Nico! She is back and is on the planet you are heading to and is back for revenge against you for ruining everything she was going to do and do in the future!

We gasped in shock!

Me: That Misandristic Supremacist is back!? I thought we were rid of her forever!

Nico: So did I. Lets land and then see what the planet is like.

We went down to the planet and we saw that it was AN OCEAN PLANET MADE OF RAMEN AND NOODLES! The oceans were broth, and the islands were noodles, fish cakes, meat and toppings.

Me: WHOA! It's an ocean planet of Ramen, Noodles and meat and toppings!

Nico: WHOA!

Naruto was drooling!

Nico: Let's dig in!

Naruto: Ramen!

We got to eating and scooped up some bowls of the stuff and slurped it down.

Me: (SLURPS) Mmm!

Nico: (SLURPS) MMM! (Gulps) Delicious!

Eli: (SLURPS) Delicious!

Qin: Boy I'll say! (SLURPS)

Camie: (SLURPS)

Lola: (SLURPS) Yummy!

We sat on a meat island and ate.

Camie: Boy this planet is awesome.

Ayame: It sure is. A planet made entirely of ramen is amazing.

Laney: It sure is Ayame.

Nico: Boy Teuchi would love seeing this planet.

Naruto: He sure would. (Slurps up ramen)

Laney: Hey Naruto didn't Hinata beat you guys in an Eating Contest with Ramen?

Naruto: She sure did and she ate 46 bowls of ramen!

CLANG!

Some of our jaws dropped!

We put them back in.

Eli: 46 bowls!?

Nico: You got to be kidding!

Naruto: No I'm not guys. She has been called Ichiraku Ramen's Queen of Gluttony.

Me: It's true. In 150,000 years I saw her eat that many and ever since then, No one has even come close to beating her.

Nico: We're talking about the same Hinata who's shy, right?

Me: That's right.

Nico: Holy shit! Has Choji or Chocho…

Me: Nope. They tried many times before and couldn't even come close. In fact many people tried many times to get to her level and they didn't even come close to her level.

Nico: Boy I'm really impressed.

Maria: I'll never look at her the same way again.

Me: Believe me, I won't either. Do you think you can beat her Nico?

Nico: Believe me Saiyans may have a huge appetite when it comes to food. But Hinata's appetite is definitely right up there with mine.

Naruto: Yeah she sure is. Same with mine, Luffy and Ichigo's appetites.

Me: No kidding.

Camie: That is amazing that Hinata has that big an appetite.

Eli: It sure is.

Me: Yep.

Camie: So J.D. who is Madame Margaret?

Me: You would not like this girl one bit. None of you guys would. She is the worst ever Misandristic Supremacist we have ever seen next to Aresia of Themiscyra.

I went over her history and it was not good.

---

Madame Margaret, also known as Madame Margie, Principal Margaret (to reflect her career) or simply as Margie, is a one-shot villain and the main antagonist in the episode "Operation: F.U.T.U.R.E." of the Codename: Kids Next Door series. She is the evil leader/principal of St. Rita's Preparatory School. She has a profound hatred for boys due to how she was teased by her brothers in her youth. Her goal and desire was to make a utopia of all girls and no boys. Apparently, she has the ability to communicate with her younger self and vice versa through a time machine. She is future Numbuh 4's arch-nemesis.

After Numbuh 4 from the KND was sent to St. Rita's Preparatory School by his parents, Margie presented herself in her disguise as Principal Margaret, welcoming Numbuh 4 to the school, and went with him to his new class. Once at the class, Numbuh 4 came to the conclusion that all the students were girls, so Principal Margaret revealed to him that St Rita's was a school for girls, and subsequently, she revealed her intentions to turn Numbuh 4 in a girl with her Girlifying Rifle. She just made Numbuh 4's hand to turn into a woman's, but Numbuh 4 used the powder from the speckles of the slate to escape. After became furious of Numbuh 4's escape, Principal Margaret made a tantrum and later left the classroom to go to her office at the school's tower, but she told her students to continue with their lessons, which they did not do as soon as she left, they started to play.

Once at the school's tower, Principal Margaret communicated with her future self Madame Margaret, who told her that she was busy at the moment and to just leave her a message. Principal Margaret left a message explaining her future self about Numbuh 4's escape, but Numbuh 4 appeared at the window and swinging with a lamp, launched against Principal Margaret and knocked her. Much to Numbuh 4's horror, he realized that he had "killed" Principal Margaret by splitting her in half, leading Margie to emerge from the robotic legs she was using to impersonate Principal Margaret and insult Numbuh 4 for breaking her disguise. While Margie and Numbuh 4 argued about Margie's plan to turn every boy into a girl, Principal Margaret's robotic torso, which was still alive, managed to get where the Girlifying Rifle was and tried to turn Numbuh 4 into a girl one last time, but Numbuh 4 managed to turn down Principal Margaret's robotic torso once and for all and broke the Girlifying Rifle in half, much to Margie's chagrin. To his bad luch, Madame Margaret appeared as a hologram to aide Margie, so she send four members of her Girl Squad, who managed to girlifie Numbuh 4's t-shirt into a dress, with Numbuh 4 escaping with his jetpack. However, they managed to girlifie Numbuh 4's jetpack into a woman's purse, which made him to fall to the ground. Subsequently, Margie activated the robotic legs of St. Rita's Preparatory School, chasing Numbuh 4, who was unable to call for help as Sector V was girlified.

75 years later, it's revealed that Numbuh 4 somehow escaped from the young Margie and went into hiding, but as a result, Madame Margaret became the supreme ruler of the world, sending her Girl Squad to girlifie or harass every living boy. However, Numbuh 4 created a resistance division named the Boys Next Door, who lived to fight against Madame Margaret and her tyranny. Feeling furious about the BND, Madame Margaret decided to create a giant and new version of the Girlifying Rifle known as the Supergirlifier Cannon, but it was still unoperational. Preparing for the ultimate battle against Madame Margaret's Girl Army, the BND were helped by Sally Sanban, Numbuh 3's granddaughter and a deserted member from the Girl Squad, who wanted to help the boys defeat Madame Margaret from extinct every boy in the Earth. Numbuh 4 dismissed her immediately, but he accepted her after she gave them a Girlifying Rifle to reverse its effects and make it a Boylifying Rifle. The rifle's effects were successfully reversed. Meanwhile, Madmae Margaret revealed to her girls that she anticipated Sally's desertion and secretly planted a tracker on her to discover the BND's headquarters. Ready to extinct boys from the face of the Earth once and for all, Madame Margaret activated the robotic legs of St. Rita's Preparatory School, now her utopia's castle.

Once in front of the BND's headquarters, Madame Margaret ordered the BND's Leader to call the BND to face her Girl Army. Immediately, the BND emerged with their jetpacks and started to fight. Numbuh 2's descendant transformed two girls into boys, but Madame Margaret resolved to reveal that the Supergirlifier Cannon was now operational, destroying the BND's headquarters and transforming many of its members into girls. Although Numbuh 5's descendant came to the conclusion that they needed to abandon the battle to fight another day, the BND's Leader reminded him that Numbuh 4 and Sally needed more time to infiltrate St. Rita's, so Numbuh 2's descendant sacrificed himself to get them more time, only to be soon girlified along Numbuh 5's descendant and other members. Now alone, the BND's Leader resisted to became a girl, but Madame Margaret shot the Girlifier Cannon to him, transforming him into a girl. Glorious for her victory, Madame Margaret returned to her office, happy that she had now transformed every boy from the world into a girl, but Numbuh 4 appeared at the window and swinging with the lamp, he launched himself against Madame Margaret to knock her, mimicking their first confrontation 75 years ago. After Madame Margaret asked him what he was going to do, he revealed that he was going to call for help. She reminded him that the boys were no more on the Earth's face, but Numbuh 4 used her time machine to remind her that there are still boys in the past that could help him. After Numbuh 4 dissapeared, Madame Margaret went to the time machine to follow him and prevent his actions, but Sally appeared and crushed with her feet the time machine. Realizing that her fate had been sealed and this time there was no chance for escape, Madame Margaret screamed in horror knowing that everything around her including herself will promptly cease to exist.

When he returned to the past, Numbuh 4 warned the KND about the young Numbuh 4's situation before they were girlified by Margie, so they went with him to St. Rita Preparatory School, which had started to chase Numbuh 4. They saved Numbuh 4 and Numbuh 3 went to the battlefield with the H.I.P.P.I.E. H.O.P. to face Margie's Girl Squad. Margie ordered the Girl Squad to destroy the H.I.P.P.I.E. H.O.P., but after shooting against it with no effect, Margie realized that the H.I.P.P.I.E. H.O.P. was too girly already to be affected by the Girlifying Rifles. Subsequently, the H.I.P.P.I.E. H.O.P. entered into her office, scaring the Girl Squad away and roaring at Margie. With one last card up her sleeve, Margie attempted to call the still existing Madame Margaret to get help from her and avoid defeat, but Numbuh 3 crushed the time machine with her feet, mimicking the same way in which her future granddaughter defeated Madame Margaret in the future and effectively sealing the fate of both Madame Margaret and the Girl Squad for good. Following her defeat, the Girl Squad was erased from existence and Margie cries in defeat as the St. Rita's Preparatory School crashed down and destroyed, ending her crime against humanity once and for all. With that, Numbuh 4's left hand reverts back to normal and the future Numbuh 4 fades into oblivion.

75 years later, on those same grounds in which St. Rita's was destroyed, instead of Madame Margaret's dystopian girly future,

there is a playground built for both boys and girls. It is strongly implied that Margie likely spent the rest of her days in prison and/or was released by her brother before he and their parents decide to sent her to a permanent boarding school, thus precluding her to carry out her evil plans and pay for her crimes.

---

When I was done everyone that hadn't heard about it was horrified and shocked beyond all words!

Qin: That's insane!

Camie: A Utopia without boys is pure evil!

Me: That's right! Her plan was doomed to fail from the very beginning. Her plan would have ultimately lead to the extinction of the entire human race. The Male Half can't survive without the Female Half.

May: We fought her before.

Nico: That's right and I had to enlist the help of Diana's sisters and the amazons of Themiscyra to help us.

Nico went over what happened in chapter 721 and it was intense.

---

It starts as we were walking home from school. It was a beautiful day.

Me: It sure is a beautiful day.

Bai Tza: It sure is.

Lincoln: I don't think anyone can ruin it.

But Lincoln spoke too soon and a black hair kid dressed in Punisher style clothes came out and he had a tattoo on his arm that said Death to all Women.

Maria: Silas Norman!

Silas: Hello Maria. It's been a long time babe.

Bai Tza: You know this asshole, Maria?

Francis: And so do me, Teresa, and Adam.

Rubberband Man: Maria told us all about him back when the Meta Breed were still active.

Maria: Yeah. He's my ex-boyfriend and he has an extremely nasty disposition and reputation. He hates all women with a terrible vengeance and he views them all as slaves.

Me: I remember that and I'm the one that threw this fucker in jail forever. He must've been released on parole.

Francis: What was he thrown in prison for?

Me: Statutory rape. He was sentenced to 25 years in prison and was fined $250,000.00. He was also ordered to register as a sex offender and if he ever got out he was placed on a restraining order saying that he's not allowed to come within 300 feet of Maria or her family.

Silas: That's right.

Maria: You have some nerve showing your face, Norman!

Silas: Come on babe. Don't I make you happy anymore?

Me: You should've thought of that when you had your way with her!

William: Maria is now my girlfriend and she is the most amazing girl ever!

Silas: So now you're laying your hands on my girl!? You are just a worthless loser!

William: You are the worthless loser Norman!

Silas: I will kill you ya little twerp!

Silas threw a punch at William. But he dodged it and punched Silas in the face.

William (cracks his knuckles): Now that was attempted assault. Everything that happens now is self defense.

Silas punched at William again and he dodged it and kicked him right where the sun doesn't shine with a sickening crunch.

DING!

We winced when we heard this.

Me: Ooh! That must've hurt.

Laney: No kidding.

WIliam (punches Silas): I don't even need my blaster for this!

William punched him in the face and knocked out all of his teeth.

Me: Adam lets send this guy back to prison with a nasty concussion.

Laney: I know just how to do it.

Laney formed a huge ball of vines and Maria and Francis stretched him out into a slingshot and I loaded the ball.

Me: Eat sap you freak!

We launched the vine ball and William saw it coming and he ducked and the vine ball slammed into Silas' face with devastating force.

WHHHAAAAAAAAAAAMMMMMM!

(Turkey Gobbles)

Silas was totally thrashed. The police arrived and arrested him on the spot for violating his parole. He was taken back to prison. But this time he was sent to the Uranus Prison where he will stay for life without parole. And he was also ordered to pay Maria $500,000,000,000,000,000,000,000.00 in restitution.

Back at the estate, Maria was crying.

William (hugs a crying Maria): It's ok, Maria. Silas won't ever hurt you again.

Maria: (Crying) I thought I was rid of him! But he is worse than ever!

William: Oh it's all right Maria.

Later at Sector V headquarters, me, Yuko, Lola, Nico, and all the members of Team Adult Genocide were watching TV. Suddenly there was a blinding white light and out of the light came an old man and a young girl.

Old Man: (Australian Accent) Please. You have to help us.

Numbuh 1: An Adult!

They readied their weapons.

Numbuh 1: I don't know how you got in here, but…

Yuko: Wait Nigel! I recognize this man. Wallabee Beatles from the future.

Older Numbuh 4: That's right Yuko. How did you know?

Yuko: I was able to tell because of your eyes.

Numbuh 1: What happened to you Numbuh 4?

Lola: I think he came from the future.

Yuko: That's what I was thinking. How long in the future did you come from?

Older Numbuh 4: 75 years into the future.

Me: That's in the year 2094.

Older Numbuh 4: That's right J.D.

Me: And who is this with you?

Sally: I'm Sally Sanban. Granddaughter of Kuki Sanban.

We gasped.

Numbuh 3: You are my granddaughter!?

Sally: I am Kuki.

Older Numbuh 4: We have a terrible situation happening. My younger self is in terrible danger!

Me: You can tell us what's going on while we're heading to where Wallabee is at.

We were off to where Numbuh 4 was.

Me: So what's all this about?

Older Numbuh 4 told us that the entire human race was in grave danger because of a Misogynistic Supremacist named Madam Margaret of St. Rita's Preparatory School. Her goal is to kill all the boys and rule the world in the name of girls.

We gasped in sheer horror.

Me: That's insane! Madame Margaret is going to destroy the entire Human Race! If you kill one half of a species, the other half of the species won't survive resulting in that species extinction!

Lola: Nigel, can I ask you something?

Numbuh One: Sure.

Lola: I helped you guys take out so many adults during the first two times that I met you and the Kids Next Door, including an alternate evil version of Stickybeard. So, how is it that I missed a genocidal girls school?!

Numbuh 1: We never even knew about it until now.

Me: All the Adult Villains Yuko and Lola killed were trying to kill all the children. That would result in humanity's extinction.

Numbuh 1: Father might've been a genocidal scumbag. But at least he wasn't a sexist.

Me: No he wasn't. Now we got a misogynistic supremacist group trying to kill us boys. And we can't have that.

Nico: If there's one thing I despise above all others, it's people killing people because of their gender!

Lola: That is absolutely sick!

Waspinator: Waspinator hate sexist!

Me: Me too Waspinator. Nico, I need you to go to the island of Themiscyra and enlist the help of the amazons to help us. Tell Queen Hippolyta that I sent you.

Nico: You got it J.D.

Nico used Instant Transmission and went to Themiscyra.

---

THEMISCYRA

---

On the Island of Themiscyra, Nico appeared and then the Amazon warriors appeared.

Amazon: What are you doing here man?

Nico: I was sent by J.D. Knudson. My name is Nicolas Chan and I'm one of J.D. Knudson's best friends.

Amazon: What was the reason J.D. sent you?

Nico: The world is in terrible danger. An evil misogynistic supremacist group is going to kill all the men and boys and destroy the entire human race.

The Amazon's gasped.

Amazon 2: Follow us.

Nico was lead to the palace. Later he stood before Queen Hippolyta.

Queen Hippolyta: What are you doing here?

Nico: My name is Nicolas Chan. But everyone calls me Nico. I apologize for my arrival on such short notice your majesty. But I was sent by J.D. Knudson because he needs your help.

Queen Hippolyta: What's wrong?

Nico: The world and the entire human race is in terrible danger. An evil misogynistic supremacist named Madam Margaret and her followers are going to kill the entire human race by killing all the men and boys. Without men and boys, the entire human race will be destroyed.

The queen and the amazons were horrified.

Queen Hippolyta: I'm glad J.D. sent you Nico. We'll gladly help you all out.

Nico: Thank you you're majesty.

Queen Hippolyta: Lets prepare for battle!

The Queen and the amazons got their weapons. Once they were ready Nico used Instant Transmission and they beamed them to the ship.

---

The Ship.

---

Nico and the Amazon's arrived and we explained the whole situation.

Queen Hippolyta: This is worse than what we thought. We have to stop them at all costs.

Amazon: These girls are a disgrace to mans world.

Me: I couldn't agree more.

Nico: I know the perfect way to lure the guards out. I'll call a pizza guy and have him deliver the pizzas here!

Me: No. We're going to burst in and launch an all out assault on them. Your Majesty, if you encounter any of the Girl Force, do not hesitate to destroy them.

Queen Hippolyta: With pleasure.

We arrived at St. Rita's Preparatory Academy.

Me: This place reeks of evil. Lets go.

Older Numbuh 4: Lets get them!

Me and Numbuh 1: Kids Next Door, BATTLESTATIONS!

We went down to the Academy.

Madam Margaret: Girlify him!

A massive fiery explosion blasted in through the ceiling and we came in.

Me: Madam Margaret, your days of destroying boys and men are over forever!

Madam Margaret: I will never stop until all the boys are dead! I will rule this world whether you boy scumbags like it or not!

Me: You are an even bigger monster than what we thought. You don't have any idea what you are going to do. You're going ro kill the entirety of the human race. Without boys, the rest of the human race will never survive.

Wonder Woman: That's right.

Madam Margaret: I DON'T CARE! I want all boys to die so that we women may reign supreme!

Me: You're a monster Margaret.

Yuko: Now you will die like all the adult villains we destroyed!

Nico: Madame Margaret, you have failed this city!

Me: More like she has failed this whole universe in its entirety. Lets take her down!

We went at the girls and punched and bashed their faces in and I kicked Madam Margaret in the face and Laney grabbed her with her vines and slammed her into the wall.

Waspinator: Waspinator TERRORIZE!

Waspinator transformed and fired his stinger blaster and the projectiles exploded all over the place.

Madam Margaret: (Groans) I got to call Madam Margar…

Sally jumped and landed on Madam Margaret's time machine and completely destroyed it.

Sally: How's THAT for girl power!?

Lola: You make me sick Margaret! People like you have no right to live!

Queen Hippolyta slashed apart all of the girl force with their swords and spears and splattered their blood and guts all over the place.

Nico fired energy blasts and vaporized them in an instant.

Starfire: You are never welcome here on Earth!

Me: Lets get them! Combo time!

Misfire: Lets do it! CYBER KEY POWER!

The Earth Cyber Planet Key went into his ion blaster and it enhanced it 100-fold.

Waspinator: Time for Waspinator to join the fun. CYBER KEY POWER!

The Animatron Cyber Planet Key went into his back and it enhanced his blaster and laser vision and it also gave him a new ability. His wings were glowing red hot and they were emitting a temperature of 17,500˚ Fahrenheit.

Misfire and Waspinator: INFERNO HEAT ION DESTROYER!

Misfire fired a powerful blast from his ion blaster and Waspinator fired a massive blast of fire from his wings and the blasts combined and incinerated some of the girl force.

Numbuh 3: Yay! That was awesome! (To the Viewers) That was an amazing combo.

Rollbar: Now it's our turn Laney. CYBER KEY POWER!

The Earth Cyber Planet Key went into his back and it gave him the ability to fire beams of light on the electromagnetic wavelength.

Laney: Time for some action! GIGANTION CYBER KEY POWER!

The Gigantion Cyber Planet Key went into Laney's device and she got Metroplex's axe.

Rollbar and Laney: X-RAY HATCHET STRIKE!

Rollbar fired a blast of X-Ray radiation and it merged with the axe and the blade turned into a blade of pure X-Ray light and Laney slashed the Girl Force and they were vaporized in an instant.

Me: Time to finish this. Final Smash time!

Starfire: You got it J.D.! TAMARAN STARSTORM BARRAGE!

Starfire fired a massive volley of green starbolts and they rained down on the girl force and vaporized them in powerful explosions.

Numbuh 3: Yay! It's my turn! RAINBOW MONKEY LOVEFIST!

Numbuh 3 called forth her Rainbow Monkeys and they went at the girls and pulverized them ferociously.

Me: Now for the grand finale.

Madam Margaret: You boys are dead! I will kill you all if it's the last thing I ever do!

Me: You misogynistic supremacists are never welcome on our planet. (Cups Hands to side) KAAAA! MEEEE! HAAAA! MEEEE!

Numbuh 5: 5!

Numbuh 4: 4!

Numbuh 3: 3!

Numbuh 2: 2!

Numbuh 1: 1!

Me and Sector V: KIDS NEXT DOOR KAMEHAMEHA!

Sector V fired lasers from their hands and I fired a Kamehameha Wave and the blasts combined and they engulfed the rest of the girl force and they hit Madam Margaret's robot suit and exploded with incredible power and the entire school exploded with incredible power into an enormous fireball!

KRABBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the explosion cleared, the whole school was completely reduced to flaming rubble. Madam Margaret was defeated and completely disgraced. I grabbed her by the shirt.

Madam Margaret: Go ahead. Kill me you stupid man!

Me: Oh I don't want to waste any energy on a misogynistic little brat like you. You've caused 75 years of damage even though it hasn't happened yet. But I'm not going to kill you. And I think jail is too good for you. I have a much better punishment for you.

I snapped my fingers and beamed her to the planet Xenomorph Prime in the middle of the XQZ in the middle of the Galactic Center.

Madam Margaret: Where am I?

Then a Xenomorph appeared behind her and she saw it and she screamed as the Xenomorph killed her offscreen.

We saved the world from a terrible fate. But because we destroyed Madam Margaret here in the present in 2019 we changed the timeline 75 years from now and Older Numbuh 4 and Sally Sanban were erased because of the Temporal Paradox Ripple Effect. But I used my powers to keep Sally alive. Nico also caught a Roselia and a Volbeat. We showed them that both boys and girls are more powerful when they work together. We ungirlified all the boys that were changed and returned them to their parents.

* * *

When it was done everyone was amazed.

Camie: You banished her to Xenomorph Prime!? WHOA!

Tsuyu: Whoa! That is fitting for someone like her.

Lola: Yeah she had it coming.

Nico: Yep.

Me: She hates us boys and men with every fiber of her being.

Nico: And now, she's back with a vengeance.

Me: Yep.

Camie: She is pure evil!

Xenia: No. She is insane. If she kills all the boys and men the entire human race will be destroyed.

Nico: That's right. Her entire plan was doomed to fail from the very beginning.

Tsuyu: I can't believe she wants to kill all the boys.

Me: I know. The Battle of the sexes may be as old as time itself, but like two sides of the same coin, boys and girls are forever connected and one can't exist without the other.

Qin: But we got to get to work now.

Naruto: I agree.

Nico: Eli, how close are Swartz's creations?

Eli: (Concentrates) 35 klicks and closing. Madame Margaret is closer. 2 klicks and closing.

Nico: Stand ready.

We got ready and saw a figure and out of the broth came MADAME MARGARET! She was a mess from when we took her down the last time.

Me: Madame Margaret! Back from the dead.

Nico: Well well well.

Madame Margaret was ENRAGED AND INFURIATED BEYOND ALL FORMS OF IMAGINATION!

Nico: How's life been?

Madame Margaret: MY LIFE WAS RUINED! ALL BECAUSE OF YOU! I HATE YOU ALL SO MUCH!

Our auras flared up with incredible fury!

Madame Margaret: YOU RUINED EVERYTHING FOR ME! I COULD HAVE MADE A GIRL UTOPIA WITHOUT BOYS! BUT YOU ALL HAD TO GET IN THE WAY AND RUIN EVERYTHING! YOU MONSTERS SHOULD HAVE MINDED YOUR OWN BUSINESS!

Me: This is our business Margaret!

Eli: How can you be so stupid!?

Me: Don't you realize that your plan was doomed to fail from the very beginning!? Your plan was going to destroy the entire human race! All it would have done was lead to the extinction of all of us!

Madame Margaret: I DON'T CARE!

Hitch Trailblazer: Alright, that is it, I've had enough of your misandrist ways and your ugly attitude for the last time, Madame Margaret.

Suddenly, something in Hitch Trailblazer's mind really snapped as memories of Madame Margaret's misandrist and evil ways rushed through his head and it also reminded him of Queen Opaline's evil deeds, and his amber eyes turned neon amber and he was surrounded by an amber and aqua green energy aura with Equestrian Magic, Alicorns, stars, and Sherriff's badges, he unholstered his massive Sword of The Knights of The Friendship Table from his back, and as he approached Madame Margaret, he left amber and aqua green energy, Equestrian Magic, Alicorns, stars, and Sherriff's badges with every step.

Hitch Trailblazer: You absolutely make me sick, Madame Margaret, your evil and misandrist ways towards boys is absolutely disgusting, you treat boys as enemies and want to destroy them, but you're too stupid to realize that boys and girls are both awesome together, and we don't tolerate misogynistic men nor misandrist heartless girls who think they're better than everyone else. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, what you've tried to do in trying to destroy all the males on the planet, you threatened to destroy the world and all of mankind in the process and for your stupid misandrist ways… , YOU'VE CROSSED ONE LINE FAR TOO MANY, MADAME MARGARET, YOUR MISANDRIST POWERHUNGRY WAYS STILL REMINDED US OF WHAT THAT HEARTLESS ALICORN, QUEEN OPALINE, HAD DONE IN THE PAST, AND NOW, I WILL SEE TO IT THAT YOU ARE PUNISHED TO THE FULLEST EXTENT OF THE LAW!

We gasped at the sudden extent of Hitch Trailblazer's fury and rage: Madame Margaret has crossed it big time, and now, she was going to pay big time.

Sunny Starscout: Uh oh. I've never seen Hitch get that angry before, never.

Lincoln: But, you heard what he said, Sunny: Madame Margaret's misandrist powerhungry ways had reminded him of what Queen Opaline had done. But, either way, he's really exploded with anger and it's going to get ugly! STAND YOUR GROUND, EVERYONE, HE'S GOING TO EXPLODE!

Madame Margaret: KILL HIM!

We stood our ground, but then, we saw Madame Margaret's troops running at him to kill him, but it's about to get worse for them as Hitch Trailblazer screamed like a madman and then…

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM

There was a massive explosion of energy leaves and he was surrounded by a massive vortex of amber and aqua green energy with Equestrian Magic, stars, and Sherriff's badges surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a blue phoenix and the force of the vortex sent her troops flying into prison cells Lincoln formed. Then, as the vortex faded, Hitch Trailblazer emerged, but he was changed forever.

We were amazed by Hitch Trailblazer's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, but when Madame Margaret saw it, she went absolutely ballistic and ran at Hitch Trailblazer to kill him, but Hitch Trailblazer fired a powerful amber and aqua green energy blast with Equestrian Magic, Alicorns, stars, and Sherriff's badges at Madame Margaret and sent her flying into a tree, she got out, but now, she was absolutely pissed off big time.

Ayame Ichiraku: You've done enough damage for the last time, Madame Margaret.

Suddenly, Ayame Ichiraku's black eyes turned neon black and she was surrounded by an orange energy aura with flames, Chakra, dragons, and phoenixes, and as she approached Madame Margaret, she left orange energy, flames, Chakra, dragons, and phoenixes with every step.

Ayame Ichiraku: You've caused a lot of trouble for far too long, Madame Margaret, your hatred for all males has blinded you to the fact that what you're doing is going to lead to the destruction of the human race and the destruction of mankind, and I cannot let a monster like you run free ever again.

Suddenly, Ayame Ichiraku was surrounded by a massive vortex of orange energy with flames and Chakra surrounding the vortex, there are dragons and phoenixes flying around the vortex, and in the vortex is a black phoenix. Nico: Whoa, Ayame's transformed too, awesome!

Naruto: WOW! Way to go Ayame!

This really drove Madame Margaret really insane with rage and she rushed at Ayame to kill her, but Ayame fired a powerful orange energy blast with flames, Chakra, dragons, and phoenixes at the hate-filled misandrist and she crashed into another wall, she got back up, but now, she was beyond pissed off.

Ayame Ichiraku: (Divine Echoing Cosmic Voice of The Hidden Leaf Draconic Phoenix Firestorm Angel and Divine Hidden Leaf Inferno Draconic Phoenix Firestorm Love) There can be no forgiveness for a hate-filled misandrist like yourself, Madame Margaret.

Me: The only place for you is prison!

Nico: Where you'll rot there for the rest of your miserable male-hating life, as punishment for your insane misandrist ways, you delusional monster!

Nico: (gets out Loki and Villamax's Ridewatches) And with that, it's time to start.

Nico activated them and got Loki's staff and Villamax's blaster.

Me: Your men hating ways are finished forever Margaret!

Qin: Yeah! Using feminine wilds to get what you want and trade in on your looks? Read a book sister, that passive aggression notion went out long ago. Chicks like you give women everywhere a bad name!

Qin fired waves of fire and blasted her all over and Eli fired waves of Force Lightning and electrocuted her all over.

Nico: Save some for me! I just activated the two Ridewatches!

Nico fired waves of lightning and lasers and blasted her all over.

Madame Margaret got up.

Madame Margaret: YOU BOYS MAKE ME SICK! I WILL MAKE SURE ALL OF YOU DIE RIGHT HERE AND RIGHT NOW! (CHARGES AT ME) YOU ALL ARE FINISHED!

SHE ROARED AND SCREAMED IN FURY!

She was just about to punch me and then my lightning aura flared up and blocked her punch and burned her hand!

She screamed in pain and it hurt REALLY BAD!

Qin: OUCH!

Lola: That hurt didn't it?

Nico: Time we finished this!

Me: I agree!

Qin: Have some candy! (Spins Magisword Bracelet)

CANDY MAGISWORD!

Qin fired waves of candy and they went into Margaret's mouth and she swallowed it and her teeth rotted and disintegrated and she was in a lot of pain!

Xenia: OUCH!

Rita: You need to get those teeth looked at sweetie.

Nico: I agree. Also you aren't worth killing anymore anyway.

Sunny Starscout: Awesome, now Hitch Trailblazer's transformed!

Lincoln: Uh oh, now, Madame Margaret's about to get the long arm of the law handed down on her for her misandrist ways.

Hitch Trailblazer: (Divine Echoing Cosmic Voice of The Law Enforcement Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Artist Alicorn Hope) You got that right, Lincoln. Say, would you, Sunny, and the others like to help me with dealing with Madame Margaret?

Lincoln: (Smiles) You bet we would.

Sunny Starscout: Alright!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, Sunny Starscout, Pipp Petals, Zipp Storm, and Izzy Moonbow transformed into their Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga forms, and they, along with Misty Brightdawn joined with Hitch Trailblazer.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running loose, Madame Margaret, now you're about to face the rest of your life in a nice, warm jail cell!

Nico: Where you're never getting out again!

We also unholstered our massive greatswords and transformed, and we went after Madame Margaret who sent her troops after us, and we caused quite a mess by slashing at them with our greatswords, and leaving some nasty scars on them, and Lincoln was also slashing at them with his massive greatsword and claws and he left nasty scars on them with every slash. When we were done, we'd mangled Madame Margaret's troops and threw them in prison cells, now the only one left standing is Madame Margaret, and now, she's really pissed off now.

Nico: Now, only one remains. Hitch, Lincoln, Sunny, Pipp, Zipp, Izzy, Misty, show her absolutely no mercy.

Hitch Trailblazer, Lincoln, Sunny Starscout, Pipp Petals, Zipp Storm, Izzy Moonbow, and Misty Brightdawn went after Madame Margaret, and they fired extremely powerful blasts of rainbow energy, amber and aqua green energy, colored energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Madame Margaret and they exploded with incredible power as they hit her, and they attacked them with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now.

Then, Lincoln fired six rainbow fire and magic blasts which hits Madame Margaret as she screamed in pain and was then knocked down by magic energy blasts fired by Hitch Trailblazer, Sunny Starscout, Pipp Petals, Zipp Storm, Izzy Moonbow, and Misty Brightdawn.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Hitch Trailblazer, his hand-cannon Blaster is known as Hitch Trailblazer's Friendship Sherriff Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's amber with aqua green flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by Sherriff's badges etched on the sides, and a aqua green gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Hitch Trailblazer, Sunny Starscout, Pipp Petals, Zipp Storm, and Izzy Moonbow aimed their hand-cannon blasters at Madame Margaret.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Your boy-hating misandrist ways end here, Madame Margaret, time to pay.

Me: You should consider yourself lucky that we're even sparing your life this time.

Lincoln, Hitch Trailblazer, Sunny Starscout, Pipp Petals, Zipp Storm, and Izzy Moonbow fired blasts of rainbow energy, cerulean blue energy, and elemental forces at Madame Margaret, and they exploded with incredible power as they hit her. Then, as they holstered their hand-cannon Blasters, Lincoln fired rainbow energy blasts which turn into handcuffs and cuffed her and wrapped her in rainbow energy chains, and she couldn't escape.

Hitch Trailblazer: (Divine Echoing Cosmic Voice of The Law Enforcement Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Artist Alicorn Hope) It's over, Madame Margaret, you're under arrest for attempted murder and anarchy.

Madame Margaret: NOOOOO! YOU STUPID BOYS WILL ALL PAY, YOU WILL ALL DIE!

I spun my bracelet.

CUCKOO NUT MAGISWORD!

I fired a bird coconut and it hit Madame Margaret on her head!

BONK!

Patrick: (LAUGHS) THAT GUY GOT HIT ON THE HEAD WITH A COCONUT!

She was knocked out and we tied her up.

Nico: Someone get her outta here!

Me: With pleasure.

Nico: This has been said many times before, but!

Everyone: TELL IT TO THE JUDGE, MADAME MARGARET!

Madame Margaret was escorted into a police wagon and she screamed in extreme fury as the police wagon drove off. We cheered wildly as Hitch Trailblazer, Sunny Starscout, Pipp Petals, Zipp Storm, Izzy Moonbow, and Lincoln holstered their massive greatswords on their backs and powered down, and Hitch Trailblazer's new body, clothes, weapons, jewelry, Third Eye, longer aqua green tail, and massive amber angel wings and longer horn are permanent.

Hitch Trailblazer: Now, that's what I call justice served. So, what's going to happen now to Madame Margaret?

Lincoln: She'll be heading for The Supermax Permanent Detention wing at The Neptune Prison for Traitors where she'll be spending the rest of her life there.

Nico: Good riddance.

Me: Look on the bright side though. At least we didn't kill her this time.

Nico: Yeah.

Maria: Wait until Wally hears about this!

Me: You got that right! Numbuh 4 is gonna flip.

Qin: Yeah no kidding!

Camie: Boy all of Sector V is.

Nico: Maybe we can add Margaret to the Humiliation Roster for Numbuh 4 to unleash some pent up rage on her.

Qin: Good idea!

Lola: Yeah!

Varie: Show no mercy on her.

May: We're not done yet though.

Nico: Yep.

Eli: I sense the next Another Wonder Ride embodiment coming.

Then my Tri-Cerberus Wonder Ride Book glowed.

Me: The Tri-Cerberus book is reacting to something.

Qin: Whoa! This is gonna be awesome.

Lola: Yep.

Nico: Who's turn is it this time?

Rainbow Dash: I will go. I have a feeling that this one is gonna be for when we went to the Olympus Colosseum.

Me: This will be interesting.

We then saw a yellow Cerberus come and it was ANOTHER TRI-CERBERUS!

Nico: WHOA!

Me: Whoa Another Tri-Cerberus!

Xenia: Awesome!

Me: I hope this one isn't three of them in one.

Another Tri-Cerberus: (In a girls voice) No it's not.

Me: (GASP) That voice.

She reverted back and it wasn a sailor soldier with blond hair and had black clothes.

Me: (GASP) Hera Olympus A.K.A. Sailor Olympus Colosseum!

Nico: WHOA! That one was fun.

Sailor Olympus Colosseum: It sure was and I saw you guys destroy Sephiroth back then. That was really awesome.

Nico: It sure was. Rainbow Dash and Eli destroyed him.

Lola: Yeah it sure was awesome.

Nico: Believe it or not, Hades actually isn't such a bad guy. In fact, he refused to rejoin Maleficent and Luthor during the mission with the Zenkaigers.

Sailor Olympus Colosseum: That is good. Also Eli that so funny how you blow out Hades hair every time. That always cracks me up.

Eli: Yeah! (LAUGHS) That is so funny.

Nico: (LAUGHS) That is always funny too.

Qin: It sure is.

Nico: Yeah.

Me: My daughter Anna is Hades archenemy and it's awesome.

Sailor Olympus Colosseum: That is awesome. But I'm glad Maleficent and Luthor are gone now.

Nico: So is all of us.

Me: Sorry we have to fight like this. By the way any other opponents with you?

Sailor Olympus Colosseum: Actually yes. Another version of him.

She pointed to Toyman.

Toyman: Another version of me!? Whoa!

Vomiting Frog Prince: (VOMITS)

YUCK!

Me: Friendly or hostile?

Sailor Olympus Colosseum: Friendly. And this one will surprise you guys a lot.

Me: I have a feeling this one will be good.

Qin: Yeah.

Rainbow Dash: Shall we dance?

Sailor Olympus Colosseum: We shall!

She turned into Another Tri Cerberus!

Nico: That was an epic charge!

Me: That was well done R.D.!

Rainbow Dash: That was awesome!

Lola: It sure was.

Nico: Yep! But we're not done yet.

Xenia: Nope. I sense the Another M.O.E. villain coming. Over there.

We saw a figure coming and it was ANOTHER TOYMAN! It was a dark version of Toyman!

Me: Another Toyman!

Toyman: Boy I look good.

Qin: Yeah.

Nico: And you are?

Another Toyman: (In a girls voice) I think J.D. knows me.

Me: (GASP) That voice. Dana Destiny A.K.A. Sailor Destiny Islands!

Qin: Whoa! The Destiny Islands have a Sailor Soldier!?

Lola: That is awesome!

Camie: Sora, Kairi, Riku and friends are all gonna be in for a surprise.

Another Toyman: How are Sora and company?

Me: Doing really awesome. Sora and Kairi tied the knot and the islands are doing awesome. Also Sora got reunited with his mother and Sora and Aqua are now brother and sister. Sora and his friends all have done so much and saved the entire universe from total destruction and also have become great friends and team members of us.

Another Toyman: I always knew that Sora and Kairi were made for each other. And I knew that Sora was destined for great things.

Me: Yeah.

Nico: How do you know Dana?

Me: She is the Sailor Soldier of the Destiny Islands. But she is also a great toy maker and she knows how to make toys from anything. Coconut shells, rocks, anything.

Nico: Cool!

Me: Well we already beat you to the punch on that one. We brought the islands over to our estate and Sora and friends are part of the team.

Qin: It's true.

Another Toyman: I knew that Swartz was lying to me.

Me: He lied to everyone. But we gave him the black gates and he is gone forever.

Xenia: It's true.

Me: You should be very proud of Sora though Dana. He did so much.

Another Toyman: I know. I heard all about it. I am really proud of all of them. I have a lot of catching up to do.

Me: I can tell. Sorry we have to fight like this.

Another Toyman: No worries. Come at me and don't hold back.

Me: With pleasure.

I spun my Magisword Bracelet.

EXCALIBURGER MAGISWORD!

I fired helicopter burgers at her and smashed her down.

Qin: Nice one!

Me: Prohyas loves those flying burgers.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Me: Nice! Now this. Rockna would be scared of this one.

Nico: (gets out Toyman's Ridewatch) It's playtime!

Me: Let me add to that.

HANDKERCHIEF GRENADE MAGISWORD!

Me: Need to blow my nose anyway.

I blew my nose in a tissue and Nico activated Toyman's ridewatch and we threw the tissue and a bomb and they hit Another Toyman and exploded!

Nico: WHOA!

Eli: I definitely see why it's called Handkerchief Grenade Magisword.

Lola: Yep.

Nico: (gets out Vomiting Frog Prince Ridewatch) This might gross you out.

Me: Oh boy.

Nico activated it and threw up all over the place.

Nico: (VOMITS!)

Me: Okay that one doesn't really do anything except make you throw up.

May got him a bucket and he threw up in it.

Nico: (VOMITS!)

Lola: YUCK!

Lana: AWESOME!

Me: We'll keep that one in place of Ipecac.

WET NOODLE MAGISWORD!

I fired waves of spaghetti noodles and buried her in a pile of cooked spaghetti.

Another Toyman: Spaghetti.

Izzy was slurping up the pasta.

Izzy Moonbow: Mmm! Not bad.

May: (gets out Evil Ninja Storm Rangers' Ridewatch) Ninja Storm, Ranger Form!

She activated it and turned into THE BLACK NINJA STORM RANGER!

May: POWER OF DARKNESS!

Nico: WHOA!

Me: Wow! We never saw a black Ninja Storm Ranger before!

Qin: That would be awesome!

Me: Evil Shane wouldn't you think that would be cool?

Evil Shane: You bet it would!

Me: Too bad they didn't do one in real life. Man what a Ripoff!

Nico: I know!

May: But I look awesome!

Me: You sure do!

May got out her DARKNESS BAT SCYTHE!

Me: The Goths of Darkness would love this one.

Naruto: WHOA! CANNONBALL!

He dove in and began eating!

Me: Okay that one was not what I was expecting. But it looks like Naruto likes that one.

Nico: (LAUGHS) He sure likes it.

Maria: (gets out Toy Org's Ridewatch) Time for more toy action!

She activated it and sent an army of toy robots and they smashed down Another Toyman.

Me: That was cool!

Nico: YEAH!

Maria: And now for this one. (ACTIVATES ATTACKY SACK'S RIDEWATCH!)

She fired waves of balls and smashed down Another Toyman!

Qin: OH YEAH!

Serafall: I hope I'm not grossed out by this! (ACTIVATES VOMITING FROG PRINCE'S RIDEWATCH)

Serafall fired waves of energy and they made Another Toyman vomit! YUCK!

Me: Up your fucking nose with a fucking rubber hose!

Nico: Geez they are still steamed about that?

Qin: Grudge.

Maria: Is the next Gene Slammer near?

Then a Ledian appeared.

Me: Ooh a Ledian.

Qin: I like this one.

Ledian: (In a girls voice) (Chinese Accent) But I'm glad to see you Qin.

Qin: Chi Lan Xing! Awesome to see you again.

Nico: Same here.

Ledian: Me too Qin and you as well Nico. I got this.

She fired waves of energy and blasted down Another Toyman and knocked her down and I caught the ridewatch and purified it. I went over to Sailor Destiny Islands and she was a girl with aqua blue hair and blue and green clothes and I picked her up.

Sailor Destiny Islands: (GROANS) What a headache.

Me: But you're back to normal.

I brought her over.

Serafall: What's your favorite memory of Nico?

Ledian: My favorite is when me and Nico did a project on the Great Wall.

Nico: That was a cool one. We made a diorama of it and showed how long it is and when it was built and more.

Me: The Great wall of China has over 4,000 years of history in it.

Nico: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a red jumpsuit and we covered our eyes and I snapped my fingers and she was reverting back.

Chi began to land on the ground and she turned back to human and she was naked and she put on the jumpsuit.

Chi Lan Xing: (Groans) That was crazy.

Nico then hugged her.

Nico: I've really missed you.

Qin hugged her too.

Qin: I missed you too.

Chi Lan Xing: Me too guys. Me too.

Me: Lets head home.

Ayame: Where's Naruto?

We looked in the giant bowl of ramen and saw Naruto bloated and full. Big time.

Naruto: (Groans) So delicious. So full. (BELCHES)

Me: I think Naruto has had enough.

We laughed.

We went back home and had Naruto carted in.

But, thanks to the upgrades Lisa, Lincoln, and the others have made to the satellites with ground-penetrating radar, those bastards aren't getting away, and they'll all pay for their crimes against the world.

And since this is a terrorist organization we're dealing with, Lincoln called the rest of us here, and he also called The Masters of Evil here as well.

Lincoln: Whoa, so we're here in the north of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the nine girls here, but thanks to upgrades Lisa and I made to the satellites with ground-penetrating radar, we're going to take down yet another terrorist group out to kill us all and destroy the world known as Phoenix Killers.

Me: Okay, now this is one group of terrorists I'm absolutely hating right now.

Lincoln: And you'll hate who's leading them: this group of terrorists is led by Damian Asmodeus, a deranged pure evil Satanist who despised Team Loud Phoenix Storm for years and our adventures and achievements have driven this lunatic into eternal madness, and he formed this new group to try and kill us. But, thanks to the upgrades we made to the satellites with ground-penetrating radar, those bastards aren't getting away, and they'll all pay for their crimes against the world.

Nico: Terrorists are one thing, but a terrorist who's also a deranged pure evil Satanist, now this is a guy who's going to die a horrible bloody death.

Eli: Big time.

Maria: No one'll say a kind thing about him at his funeral.

Lincoln: He and his group ain't getting one, if he chooses to walk a path drenched in blood, then, the only thing awaiting him is a slow, bloody, and tortuous death by our hands. He will pay for his crimes against the world.

Nicholette Torrington: And he and his group were also involved in capturing and sacrificing innocent children in his dark Satanic rituals, and even drinking their blood.

Lincoln: That fucker just sealed his own fate, and now, God's Judgement is now on all of them, and I want to thank you and your team for joining us, Mack.

Mack Hartford: You're welcome, Lincoln. Now, where do we find Damian Asmodeus?

Suddenly, we saw three figures appear: Evil HERO Adjusted Gold, Evil HERO Nemesis, and Evil HERO Infernal Princess, and with them are the nine girls.

Nico: Wicked, that's Evil HERO Adjusted Gold, Evil HERO Nemesis, and Evil HERO Infernal Princess.

Evil HERO Adjusted Gold: (Girl's voice) You got that right.

Evil HERO Nemesis: (Girl's voice) And we got the nine girls away from that fucked-up Satanist, Damian Asmodeus.

Evil HERO Infernal Princess: (Girl's voice) And we already got that fucker really mad, and he and his entire group are coming after us.

Lincoln: (Gasps) Those voices, Larisa Amana, Chantel Rhodes, and Avalon Cadieux, it's awesome to see you three again, but we'll talk later, time we made that Satanist pay with his life. If he wants to see Hell up close, then, that's exactly what we'll give him.

?: YOU WILL ALL PAY FOR GETTING IN THE WAY OF THE DESTRUCTION OF THE KINGDOM OF MAN AND THE KINGDOM OF HEAVEN, TEAM LOUD PHOENIX STORM!

We then saw our target, Damian Asmodeus, a black-haired man with pale skin like a vampire, red eyes of pure insanity and hatred, and dressed in black robes with Satanic markings, and with him are the members of The Phoenix Killers, it was a massive army.

Damian Asmodeus: You all have ruined every last one of evil's glorious plans to destroy the world and every last living thing on it, Team Loud Phoenix Storm. Now, we will kill you all and destroy every last living being on Earth and the entire world!

Lincoln: The only ones who deserve to die here are you and every last one of your followers, Damian Asmodeus, none of you deserve to live even a single second further.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal

Then, Lincoln sprouted out the Brain-Eating Meteor's tentacles from his back and he plunged them all into the ears of Damian Asmodeus and his followers and he sucked out their brains, and he turned the tips of his eleven tails into Cell's stingers which he stabbed into them and he absorbed them. Then, as soon as he was done, the tentacles sank back and the stingers changed back, and he sent the souls of Damian Asmodeus and his followers to The Black Gates. We cheered as we holstered our weapons and powered down.

Nico: Holy mackerel, Linc, you not only sucked out their brains by sprouting the Brain-Eating Meteor's tentacles, but you also absorbed them by using Cell's absorption technique, but I can guess you also found out about what they planned to do.

Lincoln: Yep. I found out they tried to acquire a nuclear bomb to detonate in Gotham Royal York and use it to kill everyone here, and then, they were going to use other nuclear bombs around the world.

Everyone gasped.

Me: Then, it's a good thing we killed them all, every last one of them.

Lincoln: That's right, and now, we'd gotten rid of another group of terrorists out to kill us and destroy the world. (To Larisa Amana, Chantel Rhodes, and Avalon Cadieux) And it's so good to see you again, Larisa Amana, Chantel Rhodes, and Avalon Cadieux.

Larisa Amana reverted back to normal, and she's a beautiful girl with long midnight black hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings as she reigned in the power of Evil HERO Adjusted Gold, she has on a sleeveless midnight black midriff top, midnight black skirt, midnight black pants, no shoes, and long white sleeveless trenchcoat with darkness and demons on the coattails and on the back is Evil HERO Adjusted Gold and holstered on her back is a massive Evil HERO Adjusted Gold-themed greatsword with embedded red gems and Evil HERO Adjusted Gold etched on the 7'0" massive, wide, double-edged midnight blade, large demon heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads and large red gem on the bottom of the large demon heads for the pommel.

Larisa Amana: You too, Lincoln, it's been a long time.

Chantel Rhodes: Plus, it's a good thing you guys got rid of Damian Asmodeus and his followers once and for all.

Avalon Cadieux: Indeed, and it's also good to see you all again, Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, Phoebe Ramirez, and Calista Levine.

Gretchen Holland, Rhonda Monroe, Cassie Evanstein, Reggie McDonald, Tiffany Emmerson, Lucinda Stewart, Lorelai Delancey, Micaela Davis, Annalise Halston, Phoebe Ramirez, and Calista Levine: You too, Larisa, Chante, and Avalon.

Lincoln went up to Larisa Amana, Chantel Rhodes, and Avalon Cadieux and he hugged them, and Larisa Amana, Chantel Rhodes, and Avalon Cadieux were very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and they also felt just how much stronger and muscular he's really become, and they had atomic red blushes on their faces, and the atomic red blush on their faces went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you three since you were seventeen, and as you can see, I really grew a lot since then.

Larisa Amana: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome.

Chantel Rhodes: And the white wolf ears and the eleven massive and long white wolf tails and many accessories, that's really new.

Avalon Cadieux: Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, you know these three girls?

Lincoln: Indeed I do, Nico, the Evil HERO Adjusted Gold Gene-Slammer is Larisa Amana, she's my Guardian Angel and classmate in Gym, but she's also known throughout the world as a well-known bounty hunter, and she's hunted down and arrested many criminals over the years and she'd gotten paid good through the captures of many criminals, even some who are in Organized Crime, and those bounties for the mobsters are literally worth five times the bounty. Her captures of many criminals and even the mobsters themselves have made her really well known throughout the world, and the organized crime syndicates and the Mafia themselves have hated her for a very long time, and they want nothing more than to kill her and mount her head on a wall, but they always fail because she winds up killing their hired thugs and giving their blood to me, since she's known my secret of being a vampire-werewolf-cyborg hybrid. But, her biggest bounty was the capture of Avalon Cadieux's mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all the cousins on her mom's side of the family who'd hated and mistreated her ever since the day she was born. She got paid big time for it, and it was a bounty that she, the other Evil HERO Gene-Slammers, and I remember to this day.

Gretchen Holland: The Evil HERO Nemesis Gene-Slammer is Chantel Rhodes, she's Lincoln's Guardian Angel from Michigan and classmate in Art, she's known as the strongest and most powerful of The Evil HERO Guardian Angels and a powerful elementalist with control over the elements, and any scumbag who dared to cross her would get seriously burned and pulverized. She really taught Lincoln a lot about the elemental forces ever since she knew Lincoln had been acquiring powers through feeding on the blood of the other Guardian Angels, and she knew of what the other Guardian Angels did to save his life every time he suffered a life-threatening injury from Lori, Lynn, Lola, Lisa, or Luan, and she also taught him how to use the elemental forces in some creative ways. And on the very day that Avalon Cadieux had gotten control of his dad's business and fortune, which also resulted in the ousting of her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all the cousins on her mom's side of the family who'd hated and mistreated her ever since the day she was born, Chantel, Lincoln, and all of us also helped out in turning in evidence of all of the constant abuse Avalon went through because of them, along with their plan that ended with the murder of Avalon's dad, and they got a huge reward for their capture.

Calista Levine: And the Evil HERO Infernal Princess Gene-Slammer is Avalon Cadieux, she's Lincoln's Guardian Angel from Michigan and classmate in Math, she had quite a really huge and powerful reputation as a young successful businesswoman and the owner of her dad's business, but Avalon has a really dark past: her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family hated her ever since the day she was born, and it also turns out that her mom, Lisa, and the aunts, uncles, and all the cousins on her mom's side of the family also physically and emotionally abused her, and her mom and Lisa murdered her dad so long ago, and they also schemed to get her killed as well, so they can take her dad's business and all his money which he left to Avalon, but in the end, thanks to the help of the other Evil HERO Gene-Slammers and Lincoln and help from her grandparents, her aunts, uncles, and all of the cousins on her dad's side of the family, who are also powerful business owners, she gained both her dad's business and his fortune, but as for the aunts, uncles, and all the cousins on her mom's side of the family, they lost their businesses when evidence of their misdeeds to their customers and Avalon came out to the public and not only were their businesses taken over by Avalon and her dad's company, but they were also arrested by the police and after getting convicted, they got sent to federal prison. And as for her mom and Lisa, for what they did in abusing her and for murdering her dad, they got sent to separate federal prisons and with life sentences with no chance for parole, and after that happened, everyone on her dad's side of the family severed their ties with those monsters and vowed never to help or speak to them ever again.

We gasped in shock.

Me: Just like what you all told us yesterday.

Avalon Cadieux: And do we have a huge story on how we brought down my mom, my older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on my mom's side of the family, and it also ended with Lori getting humiliated big time for even siding with those monsters to make me suffer and try to kill Lincoln yet again.

Nico: Lori did what?!

Luna: Like she said, dude, you got to hear the story of how this happened.

Avalon Cadieux: That's right. (To Lincoln) And Lincoln, there's something Larisa, Chantel, and I want to give you: we want to give you my blood.

We gasped at their request, including Lincoln.

Lincoln: Larisa, Chante, Avalon, are you three absolutely sure about this?

Larisa Amana: (Smiles) Yes, more than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Larisa Amana, Chantel Rhodes, and Avalon Cadieux, and he saw that they're really serious, and he smiled as he first walks over to Larisa Amana, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Larisa Amana's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck and her neck healed up as the puncture marks sealed up.

He did the same with Chantel Rhodes as he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Chantel Rhodes' neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. Suddenly, three Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Larisa Amana, Chantel Rhodes, and Avalon Cadieux with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with three Elemental Thunderbird Chokers of Eternal Love on her neck.

Larisa Amana, Chantel Rhodes, and Avalon Cadieux: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Larisa Amana, Chantel Rhodes, and Avalon Cadieux.

Larisa Amana, Chantel Rhodes, and Avalon Cadieux had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around their waists, and he leans down to each of their faces and kissed them passionately on the lips, and they also returned it, and we cheered for them. Then, we went up to the nine girls, and when Lincoln saw them, he recognized them immediately. The nine girls are Hana Sunomiya from Don't Toy With Me, Miss Nagatoro, Marin Kitagawa from My Dress-Up Darling, and Efia Danso A.K.A. Astra, Hazal Eyletmez A.K.A. Fade, Kirra Foster A.K.A. Skye, Klara Böhringer A.K.A. Killjoy, Sunwoo Han A.K.A. Jett, Tayane Alves A.K.A. Raze, and Ling Ying Wei A.K.A. Sage from Valorant.

Lincoln: Oh wow, it's Hana Sunomiya from Don't Toy With Me, Miss Nagatoro, Marin Kitagawa from My Dress-Up Darling, and Efia Danso A.K.A. Astra, Hazal Eyletmez A.K.A. Fade, Kirra Foster A.K.A. Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Hana Sunomiya: Yes, we're okay, thanks to you.

Then, when Hana Sunomiya and the other eight girls saw who it was that saved them from Damian Asmodeus and the Phoenix Killers, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above

Hana Sunomiya: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eight clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Hana Sunomiya: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Hana Sunomiya, Marin Kitagawa, Efia Danso A.K.A. Astra, Hazal Eyletmez A.K.A. Fade, Kirra Foster A.K.A. We returned to

The World Tree Estate, and Lincoln told The President of what they found out, and he was glad to know Damian Asmodeus and his group are gone for good.

President: Amazing job, Team Loud Phoenix Storm. The government's been after Damian Asmodeus for years, and to find out he'd formed a terrorist group to kill you all years ago, but thanks to what you did to him, that's another group of terrorists put down for good.

Lincoln: Thanks, Mr. President, and we made our upgrades to the satellites. With ground-penetrating radar, it'll make it easier to root them out, and it'll also alert The White House and all of us as well.

President: Excellent work. Goodbye, and keep up the good work, team.

Lincoln: You too, Mr. President. Goodbye.

Lincoln hung up the phone.

Nico: That was an awesome job you and the others did in upgrading the satellites, Lincoln.

Lisa Loud: It's amazing to see the ground-penetrating radar installed into the satellites is working perfectly.

Me: You got that right.

Lincoln: But, there's bound to be more terrorist groups out there, and we'll make sure they're gone for good, and Burns' influence is permanently gone for good.

Eli: That bitter old vulture of our world deserves to be forgotten forever. Even in death does he still haunt us.

Nico: But, like Lincoln said, his influence will permanently be gone for good. And thanks to the huge upgrades made to the satellites, none of them will have any place to hide.

Paige: Linky really knows his tech.

Nico: We can thank his Guardian Angels who specialize in advanced technology and teaching him the skills on how to build advanced technological gadgets. They know their technology all too well, and those kinds of skills would make even the most dangerous of villains shake in fear.

Lincoln: And strike terror in Lori, Lola, and Lisa, who use technology a lot.

Nico: One day, you got to tell us how they used their technology knowledge to cause trouble for Lori, Lola, and Lisa.

Lincoln: Trust me, you'll laugh your head off when you hear those stories.

---

After finally getting rid of Damian Asmodeus and The Phoenix Killers and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Larisa Amana, Chantal Rhodes, and Avalon Cadieux saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Larisa Amana: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever.

Chantal Rhodes: It's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble.

Avalon Cadieux: And he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Larisa, Chantel, and Avalon, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Avalon Cadieux: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Avalon Cadieux: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Larisa, Chantel, and Avalon, what's the story on how Avalon had gained both her dad's business and his fortune, and how it led to the downfall of her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family who'd hated her ever since the day she was born, and how it also led to Lori's humiliation when you girls found out she was in league with Lisa?

Avalon Cadieux: Oh, that's a story none of us will ever forget. As Lincoln, Larisa Amana, and Chantel Rhodes pointed out, my mom, my older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family hated her ever since the day she was born, and that they've also physically and emotionally abused me and mistreated me, and Mom and Lisa murdered Dad so long ago, and they also schemed to get me killed as well, so they can take Dad's business and all his money which he left to me. But, I had help from Lincoln, the other Evil HERO Gene-Slammers, and my grandparents, my aunts, uncles, and all of the cousins on Dad's side of the family, who gathered a ton of evidence on those monsters, and all thanks to the help of the other Evil HERO Gene-Slammers, Lincoln, and my grandparents, her aunts, uncles, and all the cousins on Dad's side of the family, who are also powerful business owners, I'd gained both her dad's business and his fortune, and I became the CEO of Dad's business.

Larisa Amana: But as for the aunts, uncles, and all the cousins on her mom's side of the family, they lost their businesses when we showed everyone who was gathered there at a huge party in the lobby evidence of the misdeeds they'd dealt on their customers and Avalon, and not only did Avalon and her company take over their businesses, but their executives also fired all of the aunts, uncles, and all of the cousins on her mom's side of the family, because of evidence of their misdeeds have been made public, and their executives have also gone over to Avalon's side.

Gretchen Holland: But, that wasn't the end, we also called the police, and they arrested her Mom, Lisa, and the aunts, uncles, and all the cousins on her mom's side of the family since we also gave that evidence to the police. Among the partygoers, there was only one person who was absolutely pissed off: Lori. We'd found out that she and Lisa also humiliated Avalon horribly and they also beat her up badly. When Lori found out Lincoln, Avalon, and all of us had a hand in this, she lost her mind and grabbed a knife and ran at us to stab us, but Avalon punched Lori hard in the face and she went flying out of here, and Larisa put the cuffs on her, while we stood there, and I remembered Larisa's words all too well.

Larisa: (Smirks) Enjoy getting grounded by your parents, Lori.

Gretchen Holland: Then, I threw her at Luna, who grabbed Lori and dragged her into Vanzilla where she was dragged off back to The Loud House, and before the cops took her mom, her sister, and the aunts, uncles, and all the cousins on her mom's side of the family away, Avalon said these very words that really pissed them off.

Past Avalon: Enjoy the rest of your lives in federal prison.

Lorelai Delancey: Then, everyone on her dad's side of the family cut ties with those monsters and vowed never to help or speak to them ever again. And after getting convicted in court, her former aunts, uncles, and all the cousins on her mom's side of the family got sent to federal prison. And as for her former Mom and Lisa, for what they did in abusing her for years and murdering her dad, they got sent to separate federal prisons and with life sentences with no chance for parole.

Nico: Avalon, I hate to say this, but your ex-mom, and your former relatives on your ex-mom's side of the family are nothing more than shameless, abusive, greedy, and murderous gold diggers.

Avalon Cadieux: No, I agree with you, Nico, and that's exactly what Lincoln said about them as well, and when he found out Lori was also helping Lisa in hurting me, man, was he pissed off big time.

Lincoln: I sure was, when I found out Lori was helping that gold digger, Lisa, with hurting Avalon, I was really seeing red.

Lucinda Stewart: I honestly thought he was going to attack her and drain her dry of every last drop of blood, but he didn't: he had a plan to help Avalon Cadieux, he and all of us, along with Avalon's relatives on her dad's side began gathering evidence on her ex-mom, Lisa, and her ex-relatives on her mom's side, and after we gave the evidence to the police, we also planned to reveal the truth to everyone at a party that would be Avalon's ascension to being the CEO of her dad's company, and as soon as we revealed it, you should've seen the looks on her ex-mom, Lisa, and her ex-relatives on her mom's side, they were speechless, and they went berserk with rage, it was priceless.

Luan: And when we found out Lori was also helping that gold digger, Lisa Cadieux, in hurting Avalon, we wanted to turn her into a human pretzel for her involvement, but Mom and Dad chewed her out, and as soon as we got home, Lori got grounded for nine months, and she was sent to Aunt Ruth's house, because none of us even wanted to look at her.

We got a shower afterwards, and then, Lincoln, Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra are heading to Blubble Lake.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved the girls from a group of thugs sent by Matías Medina to kill them because he wanted revenge for the deaths of the other members of The Order, but Lincoln saved the girls and he killed the thugs and absorbed them into his body, which was bound to piss him off even more.

Angela Ziegler: Whoa, we're here in Blubble Lake, incredible.

Lincoln: I've never been here to Blubble Lake before, but this is also perfect for our first beach date, ladies. Shall we?

Lincoln, Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra and they hugged the girls in their abnormally massive and powerful muscular arms and Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Angela Ziegler A.K.A. Mercy, Brigitte Lindholm, Fareeha Amari A.K.A. Pharah, Mei Ling-Zhou, and Satya Vaswani A.K.A. Symmetra with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Tracer: (British Accent) And it's amazing that you girls are also now part of Lincoln's harem.

Mei Ling-Zhou: Thanks, Tracer, and he also saved us from a group of thugs sent by Matías Medina to kill us because he wanted revenge for the deaths of the other members of The Order of Nuestra Señora de la Santa Muerte, and he killed the thugs and absorbed them.

Maria Garcia and the other Fabled Gene-Slammers were already sharpening axes.

Nico: Uh oh, they've really pissed the Fabled Gene-Slammers off big time, now they're really going to face eternal damnation.

Lincoln: You got that right, but they've already been marked for death after they got their death sentences years ago, so we're going to the Mexican government a favor and kill them.

Maria Garcia: (Spanish Accent) That's right.

* * *

We were walking down the street and then…

BONK BONK BONK BONK!

Rubber balls were being thrown at the mascots!

Michael Morningstar: Okay, who the hell is throwing rubber balls at the mascots?!

Me: I think that clod!

We saw a punky bully kid!

It was GELMAN!

* * *

Gelman is a recurring antagonist from the Disney show Recess. Although sometimes shown to have a softer side, he is a violent antagonist - being the principal antagonist of "Gus' Last Stand", in which he delivers a severe beatdown to Gus for standing up to him after days of torment. He is also a supporting character in the 2001 Disney film Recess: School's out!.

He was voiced by Justin Shenkarow.

Gelman was feared by the other children in the playground and was able to have free reign over it as a result, being bigger and meaner than anyone else meant he had no opposition: eventually after beating Gus, Gelman lost his power over the playground as the other children outraged on him in order to stop the beatdown, forcing Gelman to run away as he was outnumbered.

Gelman would also return to the episode "A Great State Fair", when he and Gus were forced to stay in school during an outing - with only Ms. Finster for company, however in this appearance he was not nearly as violent: though he was still fairly antagonistic towards Gus and (surprisingly) Ms. Finster, during this episode Gelman's behavior may be explained somewhat as his father seems to have installed several negative traits in him. However, he softens up some in that episode.

He gained fear of Gus after the latter attempted to trap him in a cage, though Ms. Finster ends up trapped instead. Gelman ran off after the gang warned him not to mess with Gus. Afterwards, he was seen paranoid and even screamed when another victim of his approached and caused him to run off, much to the latter and gang's amusement.

Following this Gelman became a background character and was shown in a more positive light, though he could also turn violent on a whim - he would never return to being as cruel as he was in "Gus' Last Stand" however: this may be due to the fact that he lost a considerable deal of power when Gus stood up to him and thus taught the other children not to be afraid of him.

It is unknown whether Gelman is his given name or his family name.

In the movie, Gelman was briefly seen attending wrestling camp alongside Spinelli. He would later be called along with the rest of the students and teachers to help Gus and his friends stop the Anti-Recess Legion (led by Phillium Benedict) in their plot of sending the Earth into a permanent winter.

Gretchen: Gelman!

Gelman: Gelman rules!

Nico was infuriated!

Nico marched over there and grabbed him by his shirt and braced him up against the wall!

Vambre: (British Accent) T.J., he's your bully, right?

T.J. (Recess): That's right Vambre and he is bad news.

Nico: Who the heck do you think you are picking on our mascots you little jerk!?

Gelman: I'm the best there is!

Nico: You are best at nothing you freak! Also I heard a lot about you Gelman! You are just a freak and a bully!

Skywarp: Maybe some time in the Masters of Evil will do you good!

Nico: I agree there!

Gelman: (Taunting) Ooh I'm so scared!

Nico: You should be peabrain!

Gelman: (GROWLS) YOU ARE DEAD!

He pulled his arm back and just as he was about to throw a punch…

POOF!

He was teleported and sent to the M.O.E. Prison!

Nico: Heh.

Eli: Man what a dungchewer.

Nico: You said it.

Nelson: I'll be his archenemy.

Skydive: You know, that can actually be fitting!

Me: Bully VS Bully. I like that.

Qin: Yeah that's fitting.

Nico: It sure is.

Varie was giving the mascots ice.

Poliwag: Thanks Varie.

Varie: You're welcome.

May: If he does that to Manaphy again (MAKES THROAT SLASH GESTURE)

Shego: Nico, which teams have you made this time?

Nico: Noah's team will include Jericho, Rita Fox, Cheese, Iceman, and Herald. Orion's team will include Rosty, Olga Astronomonov, Emeth, Daphne Blake, and Thunder.

Qin: Ooh I like it!

Xenia: Yeah me too!

Rosty: It's gonna be an honor.

Emeth: Same here guys.

Herald: You bet it will be.

Me: Yep.

Nico: Now it's time to get ready for our next mission.

We went back to the estate.

The previous group of M.O.E. Members came.

Hydros: Can me, New Wave, Stonedozer, Whirlin, Iceage, Magma, Mortal Kombat Scorpion, Stratos, Ice Demon, and Gramma Stuffum go with you guys?

King Jellyfish: Me, Yani, Mortimer Mouse, Evil Splash Woman, Doc Duodenum, Luna Ghost, Aries Zodiarts, Trident, Coldsnap, and Rock are coming too.

Nico: Yes you all can come with us.

Qin: Yeah.

Nico: We're going back to Hawaii for more surfing fun with Cody Maverick and friends.

Qin: Awesome!

Me: Cowabunga dudes!

I spun around and was in my Hawaiian clothes.

We all spun around and did the same.

Tso Lan: Nico, which Gene Slammers do you think you'll meet next?

Nico: Crobat, Lanturn and Pichu next.

Qin: Ooh! This will be awesome.

Laney: It sure will.

Nico: Yep. Lets head on over to Hawaii.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Matías Medina of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln,

everyone, is Matías Medina of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now, and he's already pissed off of what you did to his thugs that he sent to kill the girls for revenge.

Amaia Marcosia: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Matías Medina for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got word from Cody Maverick that trouble is brewing in Hawaii.

Lincoln: We know it's not Tank, but I've got a feeling it's someone we faced in Bikini Bottom years ago, and if it's who we think it is, there's only one thing to say: SURF'S UP! And once we get done with the one causing trouble, you're the next one to die, Matías Medina.

Amaia Marcosia: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Matías Medina, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

With that we were off to Hawaii.

MAUI, HAWAII

(TREASURE TROVE COVE BY BANJO KAZOOIE PLAYS)

We arrived in Maui.

Me: Here we are guys!

Nico: Hello again Paradise.

May: I always love coming to Hawaii.

Me: Me too. Awesome fun times here.

Evil Splash Woman: I'm perfectly in my element here.

Whirlin: Because you're an aquatic Robot Master, right?

Evil Splash Woman: That's right.

Camie: It's always fun to come here.

Varie: Boy it sure is.

Qin: Yeah.

Lincoln: I can't wait to try out my new shining rainbow board!

Cozy Glow: Did you just make that yourself?

Lincoln: I sure did Cozy. It's awesome.

Me: This is gonna be gnarly dudes!

Nico: Yeah it sure is!

We saw Cody Maverick and friends.

Cody Maverick: Hey guys!

Me: Hey Cody.

Cody Maverick: Glad you guys could make it.

Qin: Like we would miss this.

Poliwag: I'm swimming in the water!

Luna Ghost: You go do that.

Magma: I'll pass on the water. Me and water don't mix well.

Poliwag went and did so.

Nico: So what's the situation Cody?

Cody Maverick: The beaches are being terrorized by a new foe.

Me: Uh oh! Is Tank causing trouble?

Cody Maverick: No not him this time. It's a nasty huge evil ocean wave. It's called THE BIG ONE!

THUNDERCLAP THUNDERCLAP!

We gasped in shock!

Me: The Big One!?

Lily: Oh man! I remember the Big One! That was one NASTY Wave!

Lola: No kidding! That wave was huge!

Camie: What is the Big One?

Me: A nasty and mean evil Ocean Wave.

I went over what it was.

---

The Big One is a giant evil wave that likes to eat surfers and first appears in the episode "SpongeBob SquarePants vs. The Big One" and later again in the online game Gnarly Rip Curl.

The Big One is a large, dark blue wave of water with a face and tongue made of water. It once smiles and eats Patrick's surfboard.

If one wants to live after surfing The Big One, they must make at least one sacrifice. Objects sacrificed to The Big One include Patrick and Squidward's surfboards, the Krusty Krab cash register, and Jack Kahuna Laguna, the latter two of which are later returned.

---

When I was finished everyone that hadn't heard about it was shocked!

Nico: Boy I remember that wave.

Laney: Me too.

Me: That was one nasty wave.

Trixie Lulamoon: Besides, last time I checked, Tank is well behaved after completing his community servuce.

Cody Maverick: Good. I'm glad. But you guys faced this wave before?

Varie: We sure have and we lived to tell about it.

Me: That was one of the most incredible adventures we've ever had underwater.

Lily: It sure was and it will be forever remembered in Neptune Crusaders history.

Varie: It was awesome.

We went over what happened in chapter 1116 and it was awesome.

---

We were over in Tennessee to see the treehouse of the Sector N Kids Next Door. We were told that Mandy knows this treehouse and we decided to check it out.

Me: So you went to this treehouse before Mandy?

Mandy: Yep. But you're gonna be surprised when you see it.

Me: Okay.

We arrived at the Sector N Treehouse and we were shocked to see that the treehouse looked so much like Mandy's Head.

---

They first appeared in Operation: M.A.C.A.R.R.O.N.I. where Sector V had traded the Toiletnator with adult-captured Numbuh 13. None of the members of this Sector seem to like Numbuh 13. When Sector V had a transmission to Sector N, they were happy as ever without Numbuh 13, who supposedly has bad luck. It's also interesting to note that this sector seemed to want to go to any length to make it so that Numbuh 13 wouldn't be returned to them, even faking emergencies to prevent it.

The different operatives were seen seated at the Kids Next Door Super Convention Center in Operation: I.T. before and after the game of tag was played.

In Operation: Z.E.R.O., they appeared at the end with all of Kids Next Door operatives.

This sector also attended the 2x4 Technology Convention (Operation: S.C.I.E.N.C.E.), but their project was not shown in the episode. Numbuh 13 can be assumed to not have attended, but left behind for safety reasons.

Sector N is also seen in Operation: M.O.O.N. where they helped stage the fake moon landing on Kids Next Door Fake Moon Set.

In The Grim Adventures of the KND, the Sector N treehouse was attacked by the Delightful Reaper and at least Numbuh 14 was merged into the being.

The last time Sector N is seen is in Operation: I.N.T.E.R.V.I.E.W.S. where they participated in the scavenging hunt. Numbuh 13 stole a box of cookies from Laura Limpin, prompting her to transform into The Big Badolescent.

---

Me: Why does the treehouse look so much like your head Mandy?

Mandy: (Nervous laughter) I had a nasty powertrip when we met the Kids Next Door.

Me: Wow. But it looks really cool this way.

It was really cool and we met Sector V's friends from Nashville, Numbuh's 13 thru 16 and they were really nice and awesome members of the Kids Next Door and more. Thanks to forming the TLPS-KND Federation we no longer have to Decommission members of the Kids Next Door and we have them form into the next step: Working for us.

Later we went back home.

---

At the estate, we were watching TV and I was reading a book.

Then the doorbell rang.

Lori: I'll get it.

Lori went and got it and she opened the door and saw that it was her cousin Sergeant Eric Loud of the United States Navy Seals. He looks like a male version of Lori. His blond hair was in the same style as hers and it was in a cronmage and he had a sailors outfit on and he had a bunch of medals on him including the Medal of Honor. He also had a bunch of bags with him.

Eric Loud: Hey cousin.

Lori: Cousin Eric!

They hugged!

Eric Loud: It's great to see you too cousin.

Eric came in.

Lori: Guys look who's literally here.

We saw Eric Loud.

Sheila Castille: Eric!

Eric Loud: Hey Sheila!

They hugged for the first time since their vacation.

Landon: Big brother!

Han: Welcome home big bro!

They hugged him.

Eric Loud: Hey guys. It's good to be home.

Lynn Sr.: Welcome home kiddo.

Eric Loud: Hey Uncle Lynn. It's good to be home.

Me: Sergeant Eric Loud. It's a pleasure to meet you.

Eric Loud: Same to you J.D. It's an honor to meet you. Sheila told me so much about you and how you helped her and her friends out.

Me: I don't like to brag.

Nico: Hi. You must be Eric Loud.

Eric Loud: I sure am. Nico Chan it's a pleasure to meet you.

Nico: Same here.

Eric Loud: I heard about what happened to you all because of Rotwood and I am so sorry about what happened.

Nico: It's all right Eric but thank you.

Later we were talking to Eric.

May: How did you and Sheila first meet?

Eric Loud: That is an interesting story. We met when Sheila was touring Pearl Harbor and I took her on an awesome plane flight around the island in a P52 Mustang.

Me: That's one of my dads favorite airplanes, the Flying Tigers are the P52 Mustangs.

Eric Loud: Yep. She had such an awesome time in it.

Sheila: It was awesome and it was so cool!

Laney: That's awesome.

Lana: It sure is.

Leonardo: I remember when me and my brothers first met Sheila.

Eric Loud: What was she like?

Michelangelo: She was a mindless spider monster who tried to eat us.

Raph: (facepalms) Way to be blunt, Mikey!

Me: That was the adventure where we cured her.

Eric Loud: I remember she told me about that. That is amazing.

Me: It sure is. We also gave her the ability to change at will.

Eric Loud: Wow.

Donatello: Has Sheila shown you her Shredlegs form at all?

Eric Loud: She sure did. I didn't mind that she had to be naked when she changed.

Me: Shredlegs is a Uintahzian Rockspider from the planet Uintahzia. It's located in the Andromeda Galaxy.

Eric Loud: Wow.

Lola: It sure is an amazing planet.

Lily: We've seen many kinds of planets and more.

Eric Loud: That's what I heard.

Eric told us that they had an awesome time in Hawaii. But another big thing that he told us was how he killed the leader of Al Qaeda and how he avenged all of the 3,000 people whose lives were slaughtered in 2001. He is a true war hero in the War On Terror.

---

Later at the Krusty Krab, us and the Neptune Crusaders and SpongeBob were sweating like pigs and SpongeBob's foot makes a slurping sound as he sucked in all the sweat.

Squilliam: [sweating] If it gets any hotter in here, we're gonna have to put fried calamari on the menu.

Nico: I know. It's really hot.

Lana: I'm not complaining.

Me: It's really hot.

Molly Malloy: It sure is.

Nico: Yeah.

Lana was using her ice powers to cool down.

Lana: I can't believe that it gets this hot down here.

SpongeBob: It's a good thing that new ceiling fan Mr. Krabs installed earlier is still working. [The fan stops]

Lana: Uh oh.

Naruto: It's out.

Mr. Krabs: Were you talking to me, guys?

Nico: I don't know.

SpongeBob: Mr. Krabs. The f-f…

Mr. Krabs: Good word, boy! Don't sneak up on me like that.

Cleo: He didn't.

SpongeBob: The fan… it…

Mr. Krabs: You're not wearing shoes, lad. You're not going Section 8 on me, are ya?

SpongeBob: I was wearing shoes. They… It's so hot, they melted off.

It shows that his shoes were melted off in a black puddle of crud.

Nico: Ouch.

Mr. Krabs: Melted off?

Laney: The fan stopped working.

Mr. Krabs: Huh?

Lily: I think Mr. Krabs forgot to pay the electric bill again.

SpongeBob: Mr. Krabs, you didn't… forget… to pay the power bill again, did you?

Mr. Krabs: Of course not! Here. Just fan yourself with some of this junk mail I keep finding in me mail box. [gives SpongeBob the "junk mail," which says: Power Bill Final Notice]

Lily: He forgot to pay the Power Bill.

Nico: I got this.

Nico wrote a check for the Power Company for $9,000,000.00

SpongeBob: [fans himself]

Varie: I know. It's really hot.

Mr. Krabs: That reminds me. Where are all the customers?

Squilliam: Probably out enjoying this beautiful day where it was meant to be enjoyed.

Mr. Krabs: Could you be a little more specific?

Squilliam: They're at the beach.

Mr. Krabs: Boys, I forgot to tell ya! Close up shop. We're going to the beach today!

They cheered.

Squilliam: Hallelujah!

[SpongeBob rips off his square pants revealing a blue swimsuit, innertube, waterwings and snorkel. The scene cuts to Goo Lagoon]

Mr. Krabs: Ahoy there!

Nat: Whoa!

Nico: Ahoy there good sir.

Mr. Krabs: My name is Eugene Krabs and I would like to know if I could interest either one of you in a fresh, delicious…

SpongeBob: [picks up a Krabby Patty with his spatula]

Mr. Krabs: Krabby Patty, fresh off the grill!

Frank: Are they free?

Mr. Krabs: Yes! Today, they're only three dollars! Each.

Frank: Sounds great. But I left my wallet up on the sand.

Squilliam: I told you!

Sandy: Yeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeeee

SpongeBob: What?

Rikki: Whoa!

Sandy: -eeeeeeeeeeeeeee-

Frank: [shrugs]

Sandy: -eeeeeeeeeeeeeeeee-haw! I love the beach!

SpongeBob: Oh, that noise was Sandy.

Luna: Hey Sandy.

Sandy: Y'all be careful! Looks like some big waves a-comin'!

Squilliam: Can't wait to start surfing.

Mr. Krabs: Be careful lass.

Sandy: Cowabunga!

Squilliam: What next?

Patrick: [pops up from underwater]

SpongeBob: Aloha, Patrick!

Nico: Hey Patrick.

Patrick: Hey guys.

SpongeBob: How'd you like to be our first customer in over seventeen working days?

Patrick: I'd love to!

Lana: Awesome!

Mr. Krabs: Squilliam, show him the menu.

Squilliam: [holds up the menu]

Patrick: Uh, I can't quite see it from here. I'll just have to climb on board.

SpongeBob: Ha, ha, ha! That's a good one Patrick: on-board! Whoa!

[Patrick is trying to climb onto the surfboard]

Nico: WHOA! WHOA!

Mr. Krabs: Careful! You're gonna capsize us!

Patrick: Almost up! [shaking the board all over the place]

Squilliam: OH NO!

Patrick: [waving arms uncontrollably. This moves the surfboard] Whoa, whoa, whoa! Eeeeeeee!

SpongeBob: Patrick! Look out!

Sandy: [riding a wave] Locals only!

Lily: Everyone is welcome!

Lincoln: Yeah!

Patrick: What'd she say?

Nico: INCOMING!

[all crash]

Mr. Krabs: Aaaaaaaaahhhhh! [hugs his cash register] Aaaaahhhhhh!

SpongeBob, Patrick, and Squilliam: Aaaaaaaaaaaahhhhhhhhhhhhhhhhh!

Neptune Crusaders, Nico, SpongeBob and Patrick: [hug Squilliam] Aaaaaaaaaaaahhhhhhhhhhhhhhh!

Sandy: Wipeouuuuuuuuuuuuut! [lands on an island]

Mr. Krabs: Yaaaaaaaaaaaaaah! [lands in the middle of the ocean] Wha? Where'd the beach go? These waters are calm. Too calm. [Dark clouds fill the sky] Black sky. [Blood shoots out of the water] Water spouts… of blood. [Three donuts fall from the sky. Krabs takes a bite of one] Jelly donuts falling from the sky. What could this mean? There's only one logical answer. I've landed right in the middle of Dutchman's Triangle. Right above Davy Jones' Locker. In the Devil's Galley. [another donut falls from the sky. The scene cuts to an island. Not the one Sandy landed on, but an island]

Awesome Eddie: Guys, look!

The Neptune Crusaders were on another island.

SpongeBob: [uses seaweed to draw in the sand]

Squilliam: SpongeBob, what are you doing with that seaweed?

SpongeBob: Just dragging it around.

Nico: Man this is cool being on an island.

Lana: Yeah.

Nokama: It's neat though.

Gali: I'll say.

Twitch: Hey there, home-dads.

SpongeBob: Huh?

Twitch: Welcome to our remote island.

Emma: Island?

SpongeBob: Island?

Squilliam: Island?

[Patrick is snoring]

Twitch: That's right, kemo sabe. Island. Although, we sometimes refer to it as an… island.

SpongeBob: We were just at Goo Lagoon selling Krabby Patties when this big wave hit us. Now we're on an island?

Twitch: The ocean works in mysterious ways.

Gali: It sure does.

Lana: Yep.

Lily: Amazing.

Awesome Eddie: And waves.

Twitch: Mysterious waves.

Island wanderers: [fold hands] Om. [except for Silent Stan but he does put his hands together]

Patrick: [folds hands] Om.

Lily: (Folds Hands) Om.

SpongeBob: How did you guys get here?

Gali: That's what we were wondering.

Twitch: Oh, we've been here since we dropped out of junior college. This is Awesome Eddie, Big G…

Chip: Hi.

Twitch: Chip, and Silent Stan.

[Silent Stan makes a "Shocka!" sign since he can't talk]

Twitch: And I'm Twitch.

SpongeBob: Why do they call you Twitch?

Twitch: [twitches] What?

SpongeBob: Never mind.

Lily: I've seen that before.

[The scene cuts to either later that day or a few days later]

SpongeBob: So what did you say this house is made from again?

Twitch: Guano.

Lana: It's bat poop.

Squilliam: Clever

SpongeBob: Well, it's been fun hanging out with you guys, but Mr. Krabs didn't give us the day off. So we gotta get back to Goo Lagoon.

Twitch: Yo, you're miles from the tourist track now, dudes.

Awesome Eddie: Yeah. The only way back is to surf there.

SpongeBob: [scared] O-only way… back… surfing… Bikini Bottom? [screams] Aaaaahhhhhh! [starts running in circles around the fire] I don't know how to surf! [starts crying]

Awesome Eddie: Whoa, chill out, little dude. We can teach you.

SpongeBob: [stops running and crying] Cool!

Lily: My big brother Lincoln is a surfer. He surfed the largest and biggest and rarest wave in the world.

Laney: He sure did.

Nico: Yep.

Twitch: Neat!

[The scene cuts to a scene where Twitch is teaching SpongeBob and Patrick to surf. A narrator speaks]

Narrator: Ah, learning how to surf. To some it comes as easily as eating an ice cream cone on a hot day.

[Twitch gives Squilliam, SpongeBob and Patrick each a surfboard]

Narrator: Others…

[SpongeBob and Patrick take bites out of their surfboards]

Narrator:… to them, it's like eating an ice cream cone… on a cold day. Sometimes, in surfing, it's the approach that's most important.

SpongeBob and Patrick: [throw their boards into the water]

Narrator: And sometimes, it's the retreat.

[Squilliam, SpongeBob and Patrick's surfboards get hit by a wave and are knocked back to shore. Everyone runs away from the flying surfboards, screaming.. Squilliam, SpongeBob, Patrick and Twitch are sitting on surfboards]

Narrator: Once in a life-time, that perfect wave comes along. Not too big, not too small, and the surfer has to act fast…

Twitch: Go!

Narrator:… or he stands to miss the ride of his life.

SpongeBob: Hey, Patrick! Wanna see something cool?

Patrick: You bet!

SpongeBob: Down here! [goes underwater with Patrick] See? It's a picture of Squilliam!

Patrick: Wow.

Narrator: But all in all, in life, it's not whether we win or lose, but whether we get totally stoked.

SpongeBob and Patrick: [running around while yelling, "Loo, loo, loo!" over and over again.. The scene cuts back to the house made of guano]

Twitch: Well, dudes, I give up.

Awesome Eddie: What?

Twitch: These ho-dads are impossible to teach. [twitches] Especially the one on the end over there. [points to Squilliam, whose head is wet and has seaweed on it. Big G coughs]

Awesome Eddie: What's that?

[Big G coughs again]

Awesome Eddie: Oh, no. There's no way, dude. He'd never do it.

[Big G coughs again]

SpongeBob: What's he saying?

Twitch: He reminded us that there is one dude who could possibly teach you. If you can find him.

Gali: Who?

Varie: Who?

SpongeBob: Who?

Twitch: His name [twitches] is Jack Kahuna Laguna. Or JKL, for short.

Laney: Nice name.

Awesome Eddie and Chip: Amen. [Big G coughs]

Twitch: We say that legend says that JKL was last seen up-river at the Kahmamoku Cove, where every wave is perfect.

Squilliam: Wow.

Lily: This will be interesting.

Patrick: Will there be nachos there? [Squilliam facepalms. The scene cuts to the river that the Neptune Crusaders, SpongeBob, Patrick, and Squilliam are about to go into]

SpongeBob: Thanks again for letting us borrow these surfboards, Twitch.

Twitch: [twitches] No problem. And just keep following the river straight up until you hit Kahmamoku Cove. Can't miss it.

Lily: Right.

SpongeBob: How far up stream did you say it was?

Twitch: Well, we don't know cause we've never ever been there.

Awesome Eddie: We're definitely afraid of this river and wouldn't even set foot in it if you paid us.

Twitch: Yeah, interpret that any way you want.

Later at Goo Lagoon, Dark Spicer and the Masters of Evil came. They were asking where we were.

Dark Spicer: What do you mean J.D. and the others are missing!?

Fred: We don't know. They vanished.

Carly Carmine: I hope Jack is all right.

Dark Spicer: Feralhound can find them.

Dark Spicer turned into Feralhound

Feralhound was sniffing out our scent.

Vanitas: Find anything yet?

He was sniffing.

Feralhound: Found them!

They founded Dark Spicer as he ran onto the water and they followed him.

[Later Sandy is shown lying on a beach]

Sandy: Oh, where am I? Where is everybody? I'm stranded. SpongeBob, guys, where are you?!

[As a song plays, SpongeBob, Patrick, and Squilliam paddle themselves slowly up-river. Eventually, they come across a waterfall. Patrick takes a picture of it and SpongeBob stares at it, admiringly. Squilliam sits on his surfboard. Then, they go down a waterfall. They scream and land. At the bottom SpongeBob and Patrick laugh while Squilliam sits, enjoying the beauty and scenery of the island.]

I'll make a beeline for the treeline. Getting back to nature always does me good. I'll make a beeline for the treeline, I just can't wait to get back in the woods. And if I need to close my eyes and dream, Of some quite mountain or stream, That's when I make the beeline for the treeline.

Me: It's so beautiful here.

Laney: It sure is.

Nico: Yeah.

Naruto: It's breathtaking here.

Lily: It sure is.

SpongeBob: Could you pull over here? I gotta tie my shoe.

Lily: Okay.

SpongeBob: [walks through a bush and comes across a sign that says, Welcome to Kahmamoku Cove, Home of J.K.L., ESO] Welcome to Kahmamoku Cove! JKL! Guys! Guys! I found the Cove! [giggles]

Me: Cool!

Laney: Lets go see.

Lori: Okay

Squilliam: I bet this guy won't even be here.

Vince: We won't know until we look.

SpongeBob: Oh, don't worry, guys. He'll be here.

Lily: Yeah.

Squilliam: We don't even know what he looks like.

Nico: I bet he's as ugly as Squidward was.

SpongeBob: You've got to stop judging people by the way they look. [close-up on his face. He is very ugly and a Donkey Brays in the background]

Squilliam: [grossed out] You're right.

Patrick: [pointing to a hut] Look!

We saw his hut.

[a really long surfboard begins to emerge from the hut]

SpongeBob: It's him!

Squilliam: [Wow. The surfboard continues to come out. It is revealed to be huge] Oh, my- [faints. A man emerges from the hut]

Me: Wow.

SpongeBob: It's JKL! [Gulps] Hail O great swami of the Gnarly Pounders! We seek audience with thee.

Me: J.K.L. it's an honor.

Patrick: Plus, we wanna talk to you.

SpongeBob: Will you teach us how to surf, O great one, so we may get back home? [JKL says nothing]

Patrick: Uh…

Lily: Can you please teach us how to surf like my brother Lincoln?

Patrick: I kinda like staring at him.

[Jack Kahuna Laguna jumps into the water with his surfboard. Everyone, SpongeBob, Patrick, and Squilliam stare at him. Dolphins jump near the back of JKL's surfboard. Lily, SpongeBob and Patrick start to tear up]

SpongeBob: I've never seen anything more beautiful. Have you, Patrick?

Patrick: Not since I saw my first triple-layer cheese cake.

Lily: Amazing!

JKL: That… was your first lesson. [returns to his hut]

Squilliam: It was so magical.

JKL: [magically returns to the water. we then see him playing his drums] Just keep breathing.

Lily: Okay.

[The scene cuts to Mr. Krabs sitting on half a surfboard in the middle of the ocean. He has put a piece of seaweed on the top of his cash register. He has also grown a gray beard] [makes gibberish noises]

Mr. Krabs: [pulls a shell out of the water] Look, Cashy! [breaks the shell in half and connects them to the sides of the seaweed] Earrings! Well, Cashy, I guess the Devil's Galley isn't so bad. As long as that Flying Dutchman doesn't appear and stick us in Davy Jones' Locker! But that won't happen, will it Cashy? [Cashy's drawer shoots out and hits the Flying Dutchman in the head who's flying by]

Flying Dutchman: Ow!

Mr. Krabs: Arrrgh! It's the Flying Dutchman!

Flying Dutchman: [drops his groceries] Aaahhh! It's some guy I've never seen before! Argh! Who be disturbing the Flying Dutchman's walk home from the convenience store? You even spilled me milk!

Mr. Krabs: I thought you were trapped in the Ghost Zone?

Flying Dutchmen: I got out.

Mr. Krabs: Well, there ain't no use crying over it. [Lightning bolts shoot everywhere] Yah! Don't worry, Cashy! I'll protect ye!

[The scene cuts to the island where SpongeBob and his friends are. They are sitting around a fire]

SpongeBob: Isn't Jack Kahuna Laguna the most totally awesome surf guru you've ever met, guys?

Laney: He is awesome!

Lincoln: He sure is.

[JKL walks by the fire and sits down with his drums]

Squilliam: Wow.

SpongeBob: Quiet, Squilliam! I think we're about to receive another lesson.

JKL: [plays his drums. Eventually, he stops, lifts his hands to the air, then plays the drums again] Just… keep breathing. [returns to his hut]

Me: Okay.

Squilliam: His surf lessons are amazing.

Dawn (Total Drama): And his aura is amazing.

Laney: It sure is.

Bridgette: Yep.

SpongeBob: Would it make you feel better if I went and talked to him?

Nico: Go for it.

Later SpongeBob came out.

Laney: Did you talk to him?

SpongeBob: Yup.

Squilliam: And?

SpongeBob: He said we just have to stare into this fire all night, and the secrets will be revealed.

Me: I understand.

Vypra: Hey guys!

We saw Vypra and everyone.

Me: Vypra, everyone.

Vypra: There you are! Do you know how long we were looking for you guys?!

Me: We got stranded out here and we're gonna try to surf back to Goo Lagoon.

Hydro Man: Your worries are over. We'll just teleport you guys and us out of here.

Me: No guys. We're gonna surf the entire way back. This'll be a really cool experience for us.

Lincoln: That's right. I surfed Humungadunga and I want all of us to surf back.

Laney: Yeah.

Lily: It's gonna be awesome.

[The scene cuts to Sandy's island]

Sandy: Well, Sandy, using only your bare hands and the resources found on this deserted island, you have not only survived, but thrived. You've built a five star hotel, a steam-powered generator, a car that runs on coconut milk, and even a espresso bar. I almost don't wanna leave. But I miss Bikini Bottom. Now I can find SpongeBob and the gang and fly us right back. [climbs into and activates her helicopter] Acorn 1 to Tower. Request clearance.

Dennis: Roger, Acorn 1. You are clear for take-off.

[Sandy flies away. The scene cuts to Mr. Krabs, the Flying Dutchman, and Cashy]

Mr. Krabs: Oh, please, Mr. Dutchman! I didn't mean to spill your groceries!

Flying Dutchman: Well, normally, I wouldn't mind, but I'm a little low on cash this month, and I have no way to pay for more. Unless you have some money I can borrow.

Mr. Krabs: No, I… [Dutchman grabs Cashy] Cashy! Please! Cashy is the closest thing to a friend I've ever had!

[The scene cuts to one of the islands. A wave washes up on Squilliam]

Squilliam: Oh, oh. Please tell me you all didn't stare into that fire all night.

Me: We did.

Nico: Wow.

Lily: It's breathtaking.

SpongeBob and Patrick: [tired from staring all night] Okay…

Squilliam: That's all right.

[SpongeBob and Patrick are knocked out]

Laney: Wow.

[Suddenly A storm of lightning starts. JKL runs away]

SpongeBob: Where's he going?! Come on! [chases after JKL. Everyone follows SpongeBob. Everyone, the Masters of Evil, SpongeBob and Patrick are running, but Squilliam is walking. SpongeBob and Patrick climb up a cliff]

SpongeBob: [gets shocked by lightning] [screams] Ahhhhhhhhhh!

Patrick: Look! He's on top of that big… drinking fountain!

Me: Those are ruins. I don't like the looks of this storm guys.

[Squilliam climbs the cliff. SpongeBob and Patrick climb the pyramid. Squilliam follows]

SpongeBob: JKL! Is this the next part of our training?

JKL: [hands in the air. He says this in a strange, echoing voice] Uh…

SpongeBob, Patrick, and Squilliam: [screaming in some way]

JKL: These clouds. They can only mean one thing.

Me: They must be a really bad omen.

Patrick: Increased chance of precipitation? [it starts raining]

JKL: Yes. Every thousand years or so, the planets align in such a way that a perfect wave is formed.

SpongeBob: A perfect wave?

Nico: A perfect wave?

Lincoln: A perfect wave?

JKL: The world's biggest, fastest, longest, gnarliest, most totally awesome, perfect wave. They call it… the Big One.

Me: Wow!

Lincoln: Like Humungadunga.

Laney: This is gonna be awesome.

Patrick: Hey, that's what they used to call me!

JKL: It's probably the only wave big enough for you to ride all the way back to Bikini Bottom. You'll have to catch it, or you'll be stuck here… forever. [Huge lightning bolts flash] The Big One is almost upon us.

Me: Looks like we're in for one helluva challenge guys.

[The scene cuts to Mr. Krabs and the Flying Dutchman fighting over Cashy]

Mr. Krabs: Please! Please, Mr. Dutchman! Let Cashy go! I promise I'll never soil your waters again!

Flying Dutchman: Ya promise?

Mr. Krabs: Oh, yes. I promise on my dear Aunt Sally's false teeth.

Flying Dutchman: [angry] Liar! [Huge lightning bolts flash. Storm clouds hover and waves emerge from the water]

Mr. Krabs: What?

Flying Dutchman: Your Aunt Sally doesn't wear false teeth!

Mr. Krabs: How do you know?

Flying Dutchman: Because I dated her in high school!

Mr. Krabs: [Gasp!] No! [Dutchman takes Cashy]

Flying Dutchman: Whoops! [accidentally throws Cashy]

Sandy: This weather sure is dangerous! I better be careful! [Cashy hits the helicopter's windshield] May Day! May Day! I'm goin' down! Repeat: Down!

Flying Dutchman: And now, just to make sure this never happens again, I'm gonna send you on a little trip down the- [Sandy's helicopter hits him in the head] -Ooh ow, ooh ow! Ooh!

Mr. Krabs: Uh… where is that, exactly? [Dutchman lands on him. They both go underwater]

Sandy: [spinning out of control] May Day!

Mr. Krabs: [pops up from underwater] Oh, all alone again. [Cashy pops up from the water] Cashy!

Flying Dutchman: [lands at the bottom of the ocean. A sock lands on his face] Oh, what the… a tube sock? But that means…

Standing in front of him was legendary lead singer of The Monkees, Davy Jones himself!

Davy Jones: Yeah, that's right, baby! Welcome… to my locker! Ha ha ha ha ha ha! For a day-dream believer and a homecoming queen! [throws a sock at the Flying Dutchman. That same song plays. The scene cuts to Kahmamoku Cove]

JKL: Get ready, dudes. It's coming.

Me: I see it.

Squilliam: I am very sorry about what Squiddy tried to do, Nico.

Nico: It's fine, Squilliam. I'm just sorry that we had to resort to Hakaiing him out of existence.

Squilliam: I know but I can tell that he had it coming.

Me: This is gonna be awesome dudes.

SpongeBob: JKL, thanks for teaching us how to surf.

Me: Yeah.

JKL: Little dudes, I didn't teach you anything you didn't already know.

Me: I know. But you are an amazing teacher.

Squilliam: Here it comes!

SpongeBob: Well, JKL, I guess this is good-bye.

Me: We'll miss you.

JKL: Wait. There's something I forgot to tell you. In return for its awesomeness, the Big One always demands a sacrifice. And one of you… will not return.

We gasped.

Nico: Oh man.

Vypra: Hefty price.

[We all surf toward the Big One]

SpongeBob: Keep paddling, Patrick!

Patrick: This wind feels like broken glass mixed with razor blades!

Me: Here it comes guys!

SpongeBob: It's… the Big One!

It was a massive wave as tall as a 100 story skyscraper!

Me: WHOA!

Big One: Ha ha ha ha ha! [grabs Patrick's surfboard]

Patrick: No!

Big One: [puts salt on the surfboard and takes a bite of it] Errrrrrrrrrrrrrrggggggggggggg!

Patrick: Hey, I was gonna eat that!

SpongeBob: Patrick, grab on!

Big One: [stares at Squlliam]

Squilliam: [panics] Aaaaaaaaaahhhhhhhhhhhhhh! [jumps on SpongeBob and Patrick's surfboard]

SpongeBob: Hang on, Squilliam! This is it!

Patrick: Time for those lessons to pay off!

Squidward: Look! That's Mr. Krabs down there!

Me: I see him.

Carly: We got to save him!

Mr. Krabs: You like it when I comb your hair, don't ya, Cashy?

SpongeBob: Mr. Krabs! Hop on or you'll be stuck here forever!

Mr. Krabs: Who said that?

Me: We did!

Mr. Krabs: Oh hey guys! [gets buried by the Big One]

SpongeBob: Mr. Krabs! I never even got a chance to tell him that I…

JKL: [on his huge surfboard] Looking for this?

SpongeBob: JKL! And Mr. Krabs!

Me: Thank goodness!

Misty Tredwell: Yeah!

Mr. Krabs: And Cashy! [jumps on the other surfboard. Then, he drops Cashy] Cashy!

[JKL dives off his surfboard]

SpongeBob: JKL!

Lincoln: NO!

[Cashy lands in the Big One's mouth. JKL follows]

SpongeBob: No!

JKL: Little dude… I was born to do this. [winks, waves good-bye, and is swallowed]

Big One: [burps]

Me: He's a true hero.

Squilliam: I guess the Big One prefers a high-protein meal.

Patrick: Now what are we gonna do?

SpongeBob: [plays JKL's drums. The storm clouds clear away and reveals a picture of JKL's face.

Me: Thank you JKL. Thank you. (Tear slides down my face)

Vypra: He's a true hero.

Laney: Yeah.

Maria: This is so much fun!

Horsea: Yeah!

Lincoln: It's so awesome!

Laney: Yeah! Woo-hoo!

Lana: I love surfing!

Lily: WEEEEE!

Lori: Bobby is literally not gonna believe this!

Leni: It's totes fun!

Luna: ROCKIN DUDES!

Luan: It surfs to conga! (Laughs) Get it?

Me: Love the jokes Luan.

The scene cuts to Goo Lagoon, where Nat and Shubie are lying on beach towels]

Nat: You hear a noise?

[Sandy crashes down in her helicopter]

Lifeguard: Everybody, look! A You-foe! [meaning UFO]

Jimmy-Gus: A spaceman!

Harold\Bill: [holding a pitchfork] Don't make any funny moves, spaceman! You're not conquering our world without a fight!

Sandy: [slaps the pitchfork] I'm not a spaceman, you dunder-head! It's me, Sandy! SpongeBob's girlfriend.

Beach goers: [act bored]

Sandy: Shucks. Now I'll never find SpongeBob and Patrick.

Gus: Who?

Sandy: My friends. They went surfing and never returned.

Gus: Is one of them, like, a little square dude with big teeth?

Nat: And a pink starfish and one the famous Squilliam?

Harold: And a bunch of them Team Loud Phoenix Storm and the Neptune Crusaders?

Sandy: You some kinda mind-reader?

Gus: No. [points at SpongeBob, Patrick, Squilliam, and Mr. Krabs]

People: Welcome home! [cheering]

Me: WOW!

Vypra: Wow. What a party.

SpongeBob: Hey, Twitch!

Twitch: [twitches] Grab a guitar, dude! Let's party!

Me: Yeah!

Big G: [coughs. Then, music starts]

Patrick: I love this song!

Mindy: Me too! Thank goodness you're all right Patrick.

Patrick: Aww.

Mr. Krabs: [laughs]

Mrs. Puff: I'm glad you're safe honey bunch.

Mr. Krabs: Thanks my little shrimp boat.

Squilliam: Look!

[JKL surfs in on a giant wave]

SpongeBob: JKL!

Me: He's alive!

Nico: Thank goodness.

JKL: Just keep breathing. [holds up Cashy]

Mr. Krabs: Cashy!

Maria: Did you enjoy the surfing, Horsea?

Horsea: I loved it!

May: It was so much fun.

SpongeBob: Turn it up, Chip! [Chip plays his saxophone harder.]

Me: This is so much fun!

Davy Jones: That's right!

Me: (Gasp) No way! Davy Jones, the Lead Singer of the Monkees!

Nico: AWESOME!

Luna: ROCKIN! I love all your songs dude!

Davy Jones: It's an honor to meet you mates.

Me: You are one of my favorite singers and it's an awesome honor to meet you.

Davy Jones: Same to you J.D. I love all your adventures baby!

Laney: We don't like to brag.

Me: Lets dance!

We had an awesome and fun time on the beaches of Goo Lagoon.

We later went back home and it was the most awesome time we have ever had.

---

When we were done everyone that hadn't heard about it was shocked, amazed and in awe.

Eli: WHOA! That is amazing!

Camie: Incredible!

Lola: Yeah that was so fun and cool.

Stratos: The worst part is that you don't even know when it'll attack.

Trident: Even I don't probably stand a chance.

Me: It's just THAT unpredictable.

Qin: Yeah it sure was.

Me: But to surf a wave like that was that so awesome.

Lola: It sure was.

Rainbow Dash: Boy that sounded so awesome.

Nico: It sure was.

Me: And now it's back for revenge? This is gonna be rough.

Roscoe: How much damage has it done right now?

Desoto: I hope it's not too much.

Cody Maverick: None so far but because of how dangerous this wave is, everyone is too scared to go into the water.

Me: Not us. We're going to make that wave pay.

Cody Maverick: This wave is out of control.

Qin: Then we got to destroy it.

Lola: Yeah and fast.

Poliwag: I agree.

Zuria: No kidding. We got to stop this wave fast.

Me: But one good sign that we can spot when the Big One comes is that when it's coming, the sky darkens up with thunderclouds.

Nico: Yep.

Gramma Stuffum: (German Accent) But first, I'll give you some food I made.

Rock: You'll like it.

Cody Maverick: Lets eat.

We got to eating and Cody loved Gramma Stuffum's food.

Gramma Stuffum saw Naruto still full.

Gramma Stuffum: What's wrong with Naruto?

Me: He's really bloated. He is not gonna be eating anything more for the rest of the day.

Nico: We went to a planet made of Ramen earlier this morning and Naruto practically ate all his chakra and body weight in ramen.

Lola: Yeah.

Leozack: Which is a shame. Because WE really could use some Nine Tailed action right now.

Me: Guys the way Naruto is full right now he can't even get up. Besides it's best to let him have a food coma moment now.

Nico: Yeah.

Sakura Haruno: Naruto earned a little rest here.

Me: Good.

Camie: You know how much he loves Ramen.

Qin: Yeah he can't get enough of it.

Ice Demon: I wasn't in the Masters of Evil at the time the Big One was first fought.

Coldsnap: Me neither.

Me: No you guys joined the group later on down the road.

Xenia: Yeah you sure did.

Me: But it was an awesome wave to surf on.

Prohyas: And it was better to do than listen to Helmet insulting us all day.

Helmet hopped in.

Helmet: DORKS!

BOP!

I bashed him on his head.

Me: Man Helmet you are an even worse annoyance than a rattlesnake covered in maple syrup.

Constantine: Okay, so maybe Naruto can't fight at the moment. We've still got some heavy hitters. Like Hulk and Edzilla.

Me: That's true. You know who is a more pathetic heavy hitter? Morbidia & Gateaux.

We laughed.

Eli: Morbidia is more like a useless sidekick.

We laughed some more!

Back at M.O.E. HQ, Morbidia heard us laughing and when she heard us call her that SHE REALLY FLIPPED HER LID!

Mortal Kombat Scorpion: Hinata, J.D. told us about what you accomplished in terms of ramen eating.

Aries Zodiart: Let me just say that we are never looking at you the same again.

Hinata: Oh yeah I do have a big appetite.

Nico: You sure do.

Qin: But we're proud of you Hinata.

Hinata: Thanks guys.

Xenia: You're welcome.

Hex Girls Luna: Don't worry, Naruto. We'll send you video footage of the battle.

Naruto: Thanks guys. (BELCH)

Qin: Naruto is really full there.

Witchy Simone: Boy Naruto loves ramen doesn't he?

Me: Naruto has loved Ramen ever since he was little.

Kushina: It's true ya know. He got it from me.

Me: Yeah he sure has.

Prohyas: Great minds think alike huh squirt.

Witchy Simone: THAT'S NOT MY NAME!

She fired a beam of magic and it hit an umbrella in the distance and turned it into solid rubies.

Qin: Nice.

Iceage: So, do we go looking for the Big One or do we find hiding spots?

Doc Duodenum: (IN FART) (For when it's time to do the entrance.)

Nico: Whichever comes first.

THUNDER RUMBLES

We saw the sky darken with thunderclouds.

Qin: Thunderclouds.

Me: The Big One is almost upon us.

Nico: Hide and get ready for the entrance it is then.

Eret: Normal people wouldn't see it until it's too late. But we're not normal people.

Eli: True but it's awesome. (Senses Something) Here it comes.

We saw a huge wave coming at us.

Me: There it is.

Eli: 10 klicks and closing.

Mortimer Mouse: I think I just wet my pants.

Stonedozer: Keep them dry, dude!

Me: Ew. Focus everyone.

Qin: Be ready to head out on to the water.

Vambre: Here we go.

We got our surfboards ready.

Squidward: Entrance time!

Me: COWABUNGA DUDES!

We went out and onto the water.

The Big One was coming at the beach and roaring and then the spirits of the greatest surfers came and they swirled around the wave and then they converged and then…

MASSIVE SUPER SPLASH!

A huge rainbow water wave came and then we were surfing on it and we were blasting the Big One!

Qin: Take that you bad wave!

The Big One roared!

New Wave: It's even more bigger then the last time you guys fought it!

Yani: And more menacing!

Me: But the bigger they are the harder they fall. Er splash in this case.

Qin: Yep.

We fired waves of energy and smashed it all over.

Then Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, 10,000 Volt Ghost, Ryugu Tamatebacco, Metal Sonic, Marionette Shadow, Pterodactyl Ghost, May Kanker, Mudslide, Pisces Zodiarts, Evil Mushroom Man, Quark, Judge, Ghost of Merlin, Francisco, Two Face, and Droog.

Nico: Vypra, Dai Gui, Aqueduct, Evil Seed, Mirror Master, 10,000 Volt Ghost, Ryugu Tamatebacco, Metal Sonic, Marionette Shadow, Pterodactyl Ghost, May Kanker, Mudslide, Pisces Zodiarts, Evil Mushroom Man, Quark, Judge, Ghost of Merlin, Francisco, Two Face, and Droog.

Vypra: This brings back memories.

Me: Boy it sure does.

Dai Gui: Vypra, you're the only one out of all of us who saw it before.

Aqueduct: I'm just glad I'm in my element.

Nico: Yep.

Evil Seed: (to Nico) We heard you went to a Ramen planet.

Nico: We sure did.

Mirror Master: Did you save some for us?

Nico: We sure did.

Me: More than enough for all of us.

Turkey Jerk then came.

Me: Boy you sure are a glutton for punishment Turkey Jerk.

Turkey JerK: I know.

Qin: Nice.

Turkey Jerk: Maybe I should give make some turkey food for you guys sometime. Even though it's not Thanksgiving.

Me: Good idea.

Qin: Easter Sunday would be perfect for that.

Turkey Jerk: That works.

We got the battles underway.

Luan, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Naomi Yukito, Flashwing, Shego and William VS Vypra - Nico's rescue and

# Battling Margie on a Ramen Planet with Hitch and Ayame Transforming

---

Vypra was first.

Vypra: (to Luan) Nico's rescue involved Battling Margie on a Ramen Planet. And with Hitch and Ayame Transforming.

Luan: Boy it was one amazing sight and the Ramen Planet was full of noodley love! You might say it was Noodle Fun! (LAUGHS) Get it?

They laughed at her joke.

Vypra: (LAUGHS) That was a good one.

Pinkie Pie: (LAUGHS) That was a good one! I get it!

Maud Pie: (monotonously) That was so funny I could burst.

Featherweight: It was really funny.

Sprocket: I agree there. It was great.

Naomi Yukito: That was still a cool planet to see though and as you can see Naruto is bloated.

Vypra: Boy he sure ate a lot of Ramen.

Luan: Yeah he can't get enough of the stuff. He has loved his ramen ever since he was a little kid.

Flashwing: Boy I will say this. The kid sure can't stop loving ramen.

Vypra: No kidding there. But I'm really impressed that Hinata can eat that much ramen. We're not looking at her the same way again.

Luan: No one ever will again. She has just as big an appetite as Nico and Goku's.

Vypra: That's for sure! Shall we dance?

Luan: We shall!

She formed her light sword and they clashed and Luan used her legend items.

TREASURE HUNT OF MONKEYS! LUAN'S LIGHT MYSTERY!

They fired waves of light, metal, gears, lightning and energy and smashed her down.

---

## Cornelia, Nicole Hale, Applejack, Apple Bloom, Earth Skylanders, Crystal Wilmington, Andreas, Juandissimo and Tso Lan VS Dai Gui - Battling Another Tri Cerberus and Another Toyman

---

Dai Gui the Demon Sorcerer of The Earth was next.

Dai Gui: (to Cornelia) Nico, Carter's team, Toyman's team, and the others did good Battling Another Tri Cerberus. And Another Toyman too.

Cornelia: They sure did and they were both Sailor Soldiers for The Olympus Colosseum and The Destiny Islands. We were not expecting there to be a Sailor Soldier for Sora's islands.

Nicole Hale: Yeah it was an amazing surprise.

Applejack: Boy it sure was. Ever since we got back, Sora, Kairi, Riku, Aqua and friends have been talking about everything they did over the years.

Apple Bloom: Everything they did over the years was really amazing.

Flashwing: They had a lot of catching up to do.

Crystal Wilmington: Boy I'll say. But at least Sora is happy that Sailor Destiny Islands is back now.

Andreas: Andreas happy for them.

Dai Gui: I am too. Lets do it!

Cornelia used her legend items.

CORNELIA'S EARTH JUNGLE TREASURE HUNT! EARTHBOUND P.K. EARTHBUSTER!

They fired waves of earth, rock, mud, boulders, crystal, apples and energy and smashed him down.

---

## Raiden, Rainbow Dash, Scootaloo, Air Skylanders, Tasha Noriyama, Lincoln, Cozy Glow, and Ty Lee VS Aqueduct - Lincoln's Rescue

---

Aqueduct was next.

Aqueduct: (to Raiden) I heard Lincoln's rescue involved fighting another terrorist group. Though this one probably hated J.D. and the others even before the 20 Days of Darkness happened.

Raiden: Yes they did. It was a terrorist group called the Phoenix Killers and they were an organization made by a Satanist.

Rainbow Dash: This guy was one insane monster!

Scootaloo: Yeah but he and his followers are now dead and forgotten memories.

Whirlwind: I agree there.

Tasha Noriyama: That is for sure. I'm glad they are gone forever. The Presidents laws and the new satellites we installed with Ground Penetrating Radar are working wonders and they are flushing out evil organizations like you wouldn't believe.

Lincoln: Now there is DEFINITELY No place to hide for anyone evil.

Aqueduct: You got that right. You can run but you can't hide. Lets do it!

Raiden used his legend items.

RAIDEN'S LIGHTNING FIST OF SHOCKING FURY! MORTAL KOMBAT FIGHT TO THE DEATH!

They fired waves of energy, lightning, rainbows and wind and smashed him down.

---

Mallow, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Sierra Logan, Mossman, Babs Seed and Trixie Lulamoon VS Evilseed - Meeting Gene-slammers for Evil HERO Nemesis, Adjusted Gold and Infernal Princess

---

Evilseed was next.

Evilseed: (to Mallow I heard you guys met Gene-slammers for Evil HERO Nemesis, Adjusted Gold and Infernal Princess. What are their names?

Mallow: Their names are Larisa Amana, Chantel Rhodes and Avaloon Cadieux and they are really awesome and cool.

Fluttershy: They sure are and they are amazing guardian angels for Lincoln and have even took down Lori and an evil business group.

Tornado Bolt: They sure did.

---

Nico: Yep. So, Larisa, Chantel, and Avalon, what's the story on how Avalon had gained both her dad's business and his fortune, and how it led to the downfall of her mom, her older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family who'd hated her ever since the day she was born, and how it also led to Lori's humiliation when you girls found out she was in league with Lisa?

Avalon Cadieux: Oh, that's a story none of us will ever forget. As Lincoln, Larisa Amana, and Chantel Rhodes pointed out, my mom, my older sister, Lisa Cadieux, and the aunts, uncles, and all of the cousins on her mom's side of the family hated her ever since the day she was born, and that they've also physically and emotionally abused me and mistreated me, and Mom and Lisa murdered Dad so long ago, and they also schemed to get me killed as well, so they can take Dad's business and all his money which he left to me. But, I had help from Lincoln, the other Evil HERO Gene-Slammers, and my grandparents, my aunts, uncles, and all of the cousins on Dad's side of the family, who gathered a ton of evidence on those monsters, and all thanks to the help of the other Evil HERO Gene-Slammers, Lincoln, and my grandparents, her aunts, uncles, and all the cousins on Dad's side of the family, who are also powerful business owners, I'd gained both her dad's business and his fortune, and I became the CEO of Dad's business.

Larisa Amana: But as for the aunts, uncles, and all the cousins on her mom's side of the family, they lost their businesses when we showed everyone who was gathered there at a huge party in the lobby evidence of the misdeeds they'd dealt on their customers and Avalon, and not only did Avalon and her company take over their businesses, but their executives also fired all of the aunts, uncles, and all of the cousins on her mom's side of the family, because of evidence of their misdeeds have been made public, and their executives have also gone over to Avalon's side.

Gretchen Holland: But, that wasn't the end, we also called the police, and they arrested her Mom, Lisa, and the aunts, uncles, and all the cousins on her mom's side of the family since we also gave that evidence to the police. Among the partygoers, there was only one person who was absolutely pissed off: Lori. We'd found out that she and Lisa also humiliated Avalon horribly and they also beat her up badly. When Lori found out Lincoln, Avalon, and all of us had a hand in this, she lost her mind and grabbed a knife and ran at us to stab us, but Avalon punched Lori hard in the face and she went flying out of here, and Larisa put the cuffs on her, while we stood there, and I remembered Larisa's words all too well.

Larisa: (Smirks) Enjoy getting grounded by your parents, Lori.

Gretchen Holland: Then, I threw her at Luna, who grabbed Lori and dragged her into Vanzilla where she was dragged off back to The Loud House, and before the cops took her mom, her sister, and the aunts, uncles, and all the cousins on her mom's side of the family away, Avalon said these very words that really pissed them off.

Past Avalon: Enjoy the rest of your lives in federal prison.

Lorelai Delancey: Then, everyone on her dad's side of the family cut ties with those monsters and vowed never to help or speak to them ever again. And after getting convicted in court, her former aunts, uncles, and all the cousins on her mom's side of the family got sent to federal prison. And as for her former Mom and Lisa, for what they did in abusing her for years and murdering her dad, they got sent to separate federal prisons and with life sentences with no chance for parole.

Nico: Avalon, I hate to say this, but your ex-mom, and your former relatives on your ex-mom's side of the family are nothing more than shameless, abusive, greedy, and murderous gold diggers.

Avalon Cadieux: No, I agree with you, Nico, and that's exactly what Lincoln said about them as well, and when he found out Lori was also helping Lisa in hurting me, man, was he pissed off big time.

Lincoln: I sure was, when I found out Lori was helping that gold digger, Lisa, with hurting Avalon, I was really seeing red.

Lucinda Stewart: I honestly thought he was going to attack her and drain her dry of every last drop of blood, but he didn't: he had a plan to help Avalon Cadieux, he and all of us, along with Avalon's relatives on her dad's side began gathering evidence on her ex-mom, Lisa, and her ex-relatives on her mom's side, and after we gave the evidence to the police, we also planned to reveal the truth to everyone at a party that would be Avalon's ascension to being the CEO of her dad's company, and as soon as we revealed it, you should've seen the looks on her ex-mom, Lisa, and her ex-relatives on her mom's side, they were speechless, and they went berserk with rage, it was priceless.

Luan: And when we found out Lori was also helping that gold digger, Lisa Cadieux, in hurting Avalon, we wanted to turn her into a human pretzel for her involvement, but Mom and Dad chewed her out, and as soon as we got home, Lori got grounded for nine months, and she was sent to Aunt Ruth's house, because none of us even wanted to look at her.

the imps of The Fabled Gene-Slammers were already hissing with anger.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Matías Medina.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Joaquín Lozano, the next member of The Order of Nuestra Señora de la Santa Muerte.

Amaia Marcosia: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Matías Medina: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Amaia Marcosia's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Marcosia-themed greatsword from her back, and as she approached Matías Medina, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Amaia Marcosia: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Matías Medina. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Lurrie and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Amaia Marcosia was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Marcosia flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Amaia Marcosia emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Amaia Marcosia grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Marcosia emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Marcosia with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Amaia Marcosia has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Marcosia surrounded by darkness and light and imps and on top of Fabled Marcosia is an anti-Sergio symbol. Suddenly, Amaia Marcosia felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Amaia Marcosia has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Amaia Marcosia's massive Fabled Marcosia-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Marcosia's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Lurrie etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Marcosia's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. We were amazed by Amaia Marcosia's Super Angel-Fabled Marcosia-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Matías Medina saw it, he went insane and he got out his sacrificial knife to stab her, but Amaia Marcosia fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Matías Medina, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Amaia's transformed.

Lincoln: Yeah, and she really sent Matías Medina back with that energy blast she fired and that really pissed him off now, and Amaia, you look beautiful, how do you feel?

Amaia Marcosia: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Marcosia and Divine Darkness Light Fabled Marcosia Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Matías Medina once and for all?

Lincoln: (Smiles) With pleasure, Amaia.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Amaia Marcosia.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Matías Medina, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Amaia Marcosia and Lincoln went after Matías Medina, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Matías Medina and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Amaia Marcosia sent her three imps and Lincoln summoned his own imps and they sent them at Matías Medina, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Amaia Marcosia, her hand-cannon Blaster is known as Fabled Marcosia's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Marcosia surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Amaia Marcosia aimed their hand-cannon blasters at Matías Medina.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Matías Medina!

Amaia Marcosia and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Joaquín Lozano and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Matías Medina's sacrificial ritual knife and it hits Matías Medina right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Amaia Marcosia and Lincoln gave Matías Medina The Black Gates for good. We cheered as Amaia Marcosia and Lincoln holstered their massive greatswords on their backs and powered down, and Amaia Marcosia's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Amaia Marcosia: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Matías Medina for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Amaia.

Suddenly, Amaia Marcosia wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Amaia Marcosia's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Marcosia flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Amaia Marcosia absorbed the light and they came back to us as the display and Amaia Marcosia vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Matías Medina's death, now there are only twenty members of The Order of Nuestra Señora de la Santa Muerte.

Lincoln: Yep, which means that the next one to take down tomorrow is Nicolás Moreno, which means it'll be Isabel Miztoji's turn.

Isabel Miztoji: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Hmm, oh, I have an idea, but the next set of girls we'll be meeting on my rescues in the days to come are the incarnations of the beings from The Cthulhu Mythos.

This caused The Old Entity Gene-Slammers in Lincoln's harem and even The Goths of Darkness to gasp in shock.

Brittney: Holy crap, actual incarnations of the beings from The Cthulhu Mythos. My God, I hate to find out what would've happened if your enemies from the past ever crossed them.

Nico: (Gulps) Remember what happened if any of them ever crossed those who were Gene-Slammed into The Old Entity monsters?

Me: Yeah, I haven't forgotten. So, which one of these Cthulhu

Mythos being incarnations are we going to meet tomorrow, Lincoln?

Lincoln: Adriana Azathoth, The Incarnation of Azathoth.

Nicholette Torrington: She's also the most powerful of The Cthulhu Mythos entity incarnations, since Azathoth is one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Azathoth himself, immortality, along with knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Azathoth's Dark Madness Melody, one of a massive and forbidden collection of dark curses that we call The Lovecraftian Curses, and when she casts this dark curse on someone, they'll hear the music of The Servitors of The Outer Gods, and that accursed dark music will drive them mad, and even worse, should they dare see Azathoth in their dreams, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn, and these girls know these kinds of curses.

Lincoln: Oh yeah.

Nico: And there's a reason why it's forbidden: the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad.

Me: No kidding!

Pterodactyl Ghost: Looks the Big One just took a dive.

10,000 Volt Ghost: This time for good.

Metal Sonic: Scans indicate no signs of movement.

Me: Thank goodness.

Marionette Shadow: Which means it's safe to enter the water again.

Ryugu Tamatebacco: Thank goodness!

Me: I said that dudes. But yeah this was gnarly!

Qin: YEAH IT WAS!

Xenia: FAR OUT!

We cheered!

Nico: But great job today everyone.

Cody Maverick: This was so awesome!

SpongeBob: (LAUGHS) Yeah it was! (To the viewers) Hope you all liked this awesome surfing adventure everyone.

Me: I know we did.

Nico: Lets head home.

Me: Lets grab Naruto here and head home.

We grabbed Naruto who was snoring and out cold and lifted him up and we teleported back and put him in his bed. He was gonna be really tired for a while.

We went back home and enjoyed the rest of the day and went to sleep.

Nicole: This is gonna be an awesome treasure hunt for us guys!

Qin: Yeah it sure will!

Carol Pusateri: I have a feeling this one will be so cool!

Airazor: It sure will be an awesome sight to find.

Nico: Yeah it will!

Juniper Lee: You got that right guys! This is gonna be so awesome and fun!

Xenia: It sure is!

Nico: Raimundo, I want to thank you, Trickster, and your teams for coming today.

Raimundo: Not a problem Nico. It's gonna be so awesome helping you guys out!

Nico: It sure is.

Gargoyle Legendora: (Growls at me) I WILL KILL YOU AND EAT YOUR SOUL!

Me: Shut your fucking trap!

Xenia: Hey knock it off!

Nico: Oh brother.

Camie: Boy Fangires sure hold one heck of a grudge.

Lola: Tell me about it.

Nico: June, remember when we first met you?

Juniper Lee: I sure do Nico. You guys helped me find Ophelia and we became great partners.

Qin: And we found out that she was a vampire bat gene-slammer.

Juniper Lee: That's right. And you helped me and Ophelia become great partners in maintaining the balance of the physical and spiritual worlds.

Nico: Yeah we sure did.

Me: Yep. But the shocking part was Jodie and friends when they were possessed by those vikings.

Nico: Yep. That was bad.

Me: It sure was. It took Ino a year to help Jodie and friends out.

Nico: Sorry Ophelia got Gene Slammed under your nose, June. Bet that wasn't really how you wanted her to find about your secret.

Juniper Lee: I know. But I'm cool with Ophelia becoming like that. Now she and I can do so much together.

Me: You sure can.

Lola: And Monroe is awesome and your brother Ray Ray is awesome to get along with.

Xenia: He sure is.

Camie: You guys have done so much.

Brittney: They sure have. June was given a tremendous responsibility just like we have.

Lola: That's right.

Nico: It was fun hanging out with Cody yesterday.

Me: It sure was and we did a lot of cool surfing.

Nico: You bet we did. That was cool.

Lola: It sure was.

Xenia: The Big One was a massively huge wave.

Camie: No kidding! That was intense!

Laney: It sure was.

Juran: All of us who weren't with you guys the first time got to see it for ourselves.

Nico: You sure did.

Qin: Yeah that was awesome.

Camie: It sure was.

Laney: That was still very epic for us.

Twilight Sparkle: You got that right guys.

Rainbow Dash: That was still awesome!

Me: Naruto is back in action again. He was in a food coma since the battle began.

Nico: Geez!

Laney: He sure ate a lot of ramen yesterday.

Varie: Boy I'll say.

Nicole: That's Naruto for you. He loves his ramen.

Nico: Note to self: Never overeat.

Me: Noted.

Qin: Yep.

Nicole: You guys will love our quarry.

Nico: What is it Nicole?

Nicole: It's called the Ruby Book of Aggayu, The God of Volcanoes in Yoruba Myth. Legends say that it's a book that is so powerful it is said to have created the entirety of the Great Rift Valley here in Africa.

Xenia: Whoa! That is amazing!

Lola: Yeah!

Nico: Let's get to it. And then, we find the next of Swartz's Creations.

Me: Before that however, I got word from the warden of the Saturn Insane Asylum.

Nico: Oh no. Don't tell me.

Me: Yeah. Lila Rossi escaped again and she is out for revenge.

Nico: That bitch!

Qin: Why cant she take a hint!?

Nico: No idea!

Xenia: She is a monster!

Lola: Yeah why can't we just kill her and get over with it!?

Trickster: (sheepishly) Um… don't try and stab me for this. But the first time you guys tried to give Lila her just desserts, she retaliated by shooting Marinette's Mom and Chloe's Dad. And that led to the majority of Paris being Akumatized. I'm not trying to insult anyone. I'm just pointing out facts.

Me: Oh come on James that was in the past. Besides looking back, letting her live was a huge mistake.

Nico: I know but our code wouldn't allow it.

Me: I know. She was like what 15 or 16? Somewhere around there?

Nico: I guess.

Eli: But man that girl is REALLY getting on our nerves!

Me: I know bro. She is driving me batty.

Qin: Me too.

Varie: What is wrong with that girl?

Nico: Let's just find the treasure and worry about her later. With any luck, the authorities might be on their way to recapture her.

Me: Good idea.

Misty Brightdawn: Besides, I will be the one to face her when the time comes. I have something special planned for her.

Lincoln: What is it Misty?

Misty Brightdawn: I wouldn't want to spoil the surprise.

Nico: I have a feeling this will be good.

Nicole: Okay according to the map, the Temple of Aggayu should be just up ahead.

We got to the spot.

Nicole: We're here.

We saw nothing but sand and sand dunes.

Nico: Uh there's nothing here.

Laney; All I see is just desert and sand.

Nicole: Don't judge a book by it's cover.

Nicole fired a blast of wind and blew the sand far and then when the sand cleared we saw a huge temple and it was a solid ruby temple!

Qin: WHOA!

Xenia: There it is!

Nicole: At last! We found it.

Nico: Watch for traps guys.

We went over to the temple and went in and it was a temple made of pure ruby.

Eli: Wow. Look at this place.

Qin: Incredible. It's made of solid ruby.

Daring Do: And it was buried under all the sand of the Sahara Desert.

Rainbow Dash: How Awesome is this!?

Nico: Who wants to get it?

Me: First lets see what the origin story of the book is. It should be here.

Nico: Okay.

We looked around and I found a mural.

Me: Wait here it is.

Nico: What does it say?

Me: Lets see. It says "Eons ago, the volcano Mlima wa Kuzimu, erupted for the first time in history. Lava poured down the mountain and began burning the peoples villages. Not even water could stop the flows of lava as they destroyed everything in their path. Fearing that it would reach the city of Cairo, Egypt, the king made a pact with the God of Volcanoes, Aggayu and it granted him a mighty book made entirely out of pure ruby and with its mighty power and magic he sent the lava back into the volcano and in doing so caused it co collapse into the ground to form into a crater that became known as the Ngorongoro Crater. The power of the book was so great that it created the entirety of the Great Rift Valley. But the books power was so strong and powerful that the king feared that its power would be used to destroy the entire planet. So he made a call to Aggayu to hide the book in this temple. Where only one soul that is pure of heart can use its power for good and help people."

Nico: WHOA!

Nicole: Whoa so the Ngorongoro Crater was the volcano Mlima wa Kuzimu! That volcano collapsed about 2.5 million years ago. I never imagined that it would be because of the power of the book.

Qin: That is amazing.

Camie: No kidding!

Xenia: Wow!

Misty Tredwell: Wow! That is amazing.

Lola: It sure is.

Daring Do: This is amazing that this book packs that much power.

Qin: No kidding. Lava Girl would love to see this.

Nico: Too bad she isn't here with us though.

Girl Jordan: I know but this is amazing.

Xenia: Wow it sure is. This book is immensely powerful.

Nico: Who wants to get it?

Aylene C.: I will get it.

Nicole: Okay.

Me: Lets go find it.

Nico: Right.

We went down into the temple and as we went down it was getting hotter and hotter and hotter.

Me: WHEW! Man it's getting hot.

Nicole: We're going deep into the Earth's fiery interior. Legends say that the book was buried in a fiery lake of lava down here.

Nico: Lola, it's a good thing your fire powers make you immune to this heat.

Lola: That's true.

Me: We can handle it too. Fire is what we live in.

Qin: Yeah.

Xenia: But this is awesome though.

We went down further and got to a huge and big room and it was a huge lake of lava and there was an island in the middle of the lake.

Me: WHOA!

Qin: Wow! What a lake of lava.

Xenia: Wow!

Nicole: Look guys!

We saw on an altar, the RUBY BOOK OF AGGAYU! It was a red ruby book that had symbols of the Earth's volcanoes on it.

Nicole: There it is! At long last we found it!

Qin: It's beautiful.

Nico: Do the honors, Aylene.

Aylene went and flew over and she saw the book and then she lifted it up and then it glowed and she was enveloped in a powerful vortex of lava and fire and then she underwent a powerful transformation!

(ESCAFLOWNE INTRO (FOX KIDS) EXTENDED PLAYS)

She grew wings made of pure lava and fire and her hair turned shiny and glowed with fire and her power was enhanced dramatically!

When it faded she emerged forever changed.

Qin: WHOA!

Fu: WOW! Aylene you look incredible!

Xenia: Wow! How do you feel?

Aylene C: I feel amazing guys. Wow.

Littlefoot: Way to go Aylene!

Ducky: Oh yes yes yes.

Nico: Yeah! Lets get out of here before we sweat to death.

We got out of the temple.

Me: WHEW!

Nico: Good thing I packed several water bottles!

Maria: Same here but with me having water powers.

Qin: That's true.

Varie: Yeah.

Eli: I sense something guys. I feel Lila Rossi's presence.

Nico: She's close. I feel it.

Xenia: Me too.

I concentrated.

Me: Busted!

I fired a blast of energy and it hit a rock and it exploded!

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A figure was blasted out of the rubble and it was LILA ROSSI!

Me: Target found!

Maria: I'll need to get you guys hydrated quickly!

Maria gave us water.

Me: (GULPING) Ahh!

Qin: (GULPING) Ahh needed that!

Xenia: Thanks.

Me: That's better.

Lila Rossi saw us and she was REALLY SEEING RED!

Lila Rossi: I WILL KILL YOU ALL!

Qin: Come and try it!

Lila Rossi was REALLY ENRAGED NOW! On a scale of 1 to 10 on the stages of rages, SHE WAS NOW ON LEVEL 50,000!

Zocks: I just realized that as Chloe's boyfriend, I never got to beat the crap out of you yet!

Lila Rossi: THEN YOU WILL DIE FIRST!

Lila went at Zocks and then Zocks kicked her in the face and punched her in her stomach and punched her in her face and kicked her in her nose! Zocks punched her in her face twice and jumped and dealt her a deadly haymaker and sent her crashing into a rock!

Chloe Bourgeois: WHOA! Nice one Zocks!

Me: I'll say!

Gargoyle Legendora: (grabs Lila by the collar) You know, I might hold a grudge against J.D. right now. But I think he and I can agree that what you did in Paris years ago was messed up!

Nico: (to me) That might sound like half compliment and half insult, dude. But just take what you can get.

Me: I'll accept that. But I agree.

Gargoyle Legendora threw her into a rock and smashed her into it and she buried her!

Lila Rossi got up and then…

POW!

Chloe punched her in her face!

Chloe: That's for Marinette and her mom!

BLAM!

Chloe: (punches Lila in the stomach) That's for my daddy, bitch! Okay, Misty, you can have your fun.

Misty Brightdawn: You got it!

She growled.

Lila Rossi: You fuckers, you have ruined everything for me, if none of you hadn't shown your faces, I would've finally killed Marinette, her stupid friends, and all of Paris would be engulfed in fire. You stole everything from me, now I will end your lives once and for all!

Misty Brightdawn: You clearly deserved that fate, you heartless bitch. But, it looks like you're now out of your mind, and it looks like you need to be taught a brutal lesson you'll never forget.

Lila Rossi: I'LL FUCKING KILL YOU, BITCH!

Suddenly, something within Misty Brightdawn's mind snapped as the memories of Lila Rossi's crimes rushed through her head and her teal eyes turned neon teal and she was surrounded by a navy blue and teal energy aura with ocean waves, water, Equestrian Magic, stars, and Alicorns, she unholstered her massive Knights of The Friendship Table from her back, and as she approached Lila Rossi, she left navy blue and teal energy, ocean waves, water, Equestrian Magic, stars, and Alicorns with every step.

Misty Brightdawn: You seriously don't even know when to quit, do you? No matter how many times we'd beaten you down and thrown you back in jail, especially with your limbs broken and your head smashed in, you just come back for more. I don't even know if you're either crazy or just stupid, or just both. (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, no matter what, I've never forgotten how much harm you've done to Marinette and her friends, and for what, to topple Chloe, but guess what, Chloe will always be better than you in every way, because at least, she learned from her mistakes, and you haven't. But, what you've tried to do in destroying Marinette and her friends, so you can watch as Paris burns, along with the world… , YOU'VE CROSSED ONE FUCKING LINE TOO MANY, LILA ROSSI, YOU FUCKED-UP, MURDEROUS, VENGEANCE-CRAZED PSYCHO BITCH! TOO MANY INNOCENT PEOPLE HAVE SUFFERED BECAUSE OF YOU, AND FOR THAT, I WILL MAKE YOU SUFFER IN THE CRUELEST WAY POSSIBLE, AND I WILL MAKE YOU PAY FOR ALL OF YOUR CRIMES WITH YOUR OWN BLOOD!

We gasped at the sudden and violent extent of Misty Brightdawn's rage and fury: Lila Rossi is now a dead bitch.

Nico: Oh… shit!

Lincoln: Misty meant every single word she said, Lila's caused enough suffering to too many people and to Marinette and her friends, and she really means it when she said she's going to make Lie-La pay for her crimes with her own blood, even the vampires on the team know what that means, and even we are scared of that. STAND YOUR GROUND, GANG, SHE'S GOING TO BLOW!

We stood our ground, but Lila Rossi went mad with rage and ran at Misty Brightdawn to kill her, but Misty Brightdawn screamed like a madwoman and then…

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

There was a massive explosion of energy and she was surrounded by a massive vortex of navy blue and teal energy with ocean waves, water, Equestrian Magic, and stars surrounding the vortex, there are Alicorns flying around the vortex, and in the vortex is a blue phoenix with red eyes glaring at Lila Rossi: the eyes of death, and the force of the vortex was so strong, it blew Lila Rossi back. Then, as the vortex faded, Misty Brightdawn emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Misty Brightdawn grew to 7'4" in height, she has the body of a goddess, she has teal highlights in the bangs of her long flowing navy blue and teal kinky hair, she has neon teal eyes and a navy blue and teal energy aura with ocean waves, water, Equestrian Magic, stars, and Alicorns surrounding her, she has an Alicorn emblazoned on her forehead and Third Eye with teal iris, she has on Alicorn earrings with teal gems for eyes and the Water, Magic, Friendship, and Eternity Kanjis in its hooves, she also has an Alicorn with teal gems for eyes and holding the Water, Magic, Friendship, and Eternity Kanjis in its hooves on the bottom of her navy blue Alicorn-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with navy blue crystal links from her merged Crystal Necklace of the Buddha and navy blue gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Misty Brightdawn has on a navy blue dress with teal designs on it, navy blue pants, navy blue high-heeled boots, and long sleeveless white trenchcoat with Equestrian Magic, Alicorns, stars, ocean waves, and water on the coattails, and an Alicorn on the back surrounded by stars and ocean waves. Suddenly, Misty Brightdawn felt a sharp pain on her back, and then, massive navy blue angel wings with teal tips on the large white feathers grew and sprouted out from her back, her navy blue and teal tail grew longer, and her horn on her head grew longer. Misty Brightdawn has on her Ring of the Phoenix with large navy blue gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand. She also felt something on her right shoulder, and we saw that she now has a cutie mark of her own: an Alicorn with ocean waves surrounding it and an Angel halo above the Alicorn's head.

Suddenly, Misty Brightdawn's Knights of The Friendship Table and all of the swords she'd gotten began merging together, and they were surrounded by a kaleidoscope of navy blue and teal energy, ocean waves, water, Equestrian Magic, stars, and Alicorns, and when it emerged, it was transformed into Misty Brightdawn's Friendship Redemption Legacy and Friendship Savior Greatsword of True Alicorn Eternal Friendship and True Friendship Magic Alicorn Justice, it's a brand-new massive greatsword with embedded navy blue gems and her very own cutie mark, an Alicorn with ocean waves surrounding it and an Angel halo above the Alicorn's head etched on the 7'0" massive, wide, double-edged gold blade, large gold Alicorn heads for the crossguard, large navy blue gem embedded in the rainguard, longer black handle, four large gold Alicorn heads with teal gems for eyes and a large navy blue gem on the bottom of the heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with navy blue gems on her wrists, her Belt of Elemental Bravery with an Alicorn for the belt buckle and teal gems for eyes and a large navy gem in its collar for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a gold kanji below the Alicorn that said, "Misty Brightdawn, Alicorn Princess of Redemption, Former Right-Hand Servant and Destroyer of Queen Opaline, Savior, Protector, and Inheritor of Twilight Sparkle's Legacy of Friendship, Dear Friend of Sunny Starscout, Hitch Trailblazer, Pipp Petals, Zipp Storm, Izzy Moonbow, Jazz Hooves, Rocky Riff, Posey Bloom, Rufus, Dahlia, Windy, Fifi, Sparky Sparkeroni, Zoom Zephyrwing, Thunder Flap, Onyx, and Many, Loving Future Wife of Lincoln Loud, Destroyer of Queen Opaline and The Doomsday Twenty-Three, Defender of Equestria, Ponyville, and Canterlot, Member of The Knights of The Friendship Table, Archenemy of Pintar, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of The Powers of Friendship, Unity, Water, and Magic"

Misty Brightdawn has transformed into SUPER ANGEL-ALICORN-HARMONY CELESTIAL ETERNAL XELNAGA EQUESTRIAN FRIENDSHIP REDEMPTION ALICORN ANGEL OF DIVINE COSMIC EQUESTRIAN FRIENDSHIP JUSTICE AND DIVINE EQUESTRIAN UNITY FRIENDSHIP REDEMPTION ALICORN LOVE!

We were amazed by Misty Brightdawn's Super Angel-Alicorn-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lila Rossi saw it, she went even more ballistic with rage and she again ran at Misty Brightdawn to kill her, but Misty Brightdawn fired a powerful navy blue and teal energy blast with ocean waves, water, Equestrian Magic, stars, and Alicorns at Lila Rossi, and it exploded and sent her flying into another sand dune, she got out, but now she was beyond pissed off big time.

Nico: Whoa, now Misty Brightdawn has transformed, awesome.

Lincoln: And I was about to attack Lila for what she was about to do, but Misty beat me to it and she blasted her, and Misty, you look beautiful, how do you feel?

Misty Brightdawn: (Divine Echoing Cosmic Voice of The Redemption Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Redemption Alicorn Love) I feel incredible, Linky. Now, shall we take down that black-hearted bitch once again?

Lincoln: (Smiles) With pleasure, Misty.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Misty Brightdawn.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Time to send you back to prison yet again, Lie-La, this time, wrapped up in a straitjacket and in chains.

Lila Rossi: YOU MOTHERFUCKING BITCH!

Misty Brightdawn: (Divine Echoing Cosmic Voice of The Redemption Friendship Equestrian Magic Alicorn and Divine Equestrian Friendship Redemption Alicorn Love) Look who's talking, The Queen of The Bitches herself, I remember that Evil Sasuke's father said that very same thing to J.D. in 150,000 years just as he was killing the Uchiha for their crimes and snuffing out the very darkness that they used to destroy so many lives. When he made his speech about how they were going to kill all of the Leaf in the name of Madara Uchiha all they did was seal their fate. And in your case, you've poisoned yourself with your own hatred and that turned you into a bitch version of Evil Sasuke and you have poisoned your own mind with so much hatred over everything that you became a totally lost cause. You've into a homicidal and completely mentally unstable psychopath and you did not show any value towards friendship or comradery. You just wanted everything handed to you on a silver platter, just like that wretched Fugaku and the entire Evil Uchiha clan did. You cheated in everything, even though ninjas cheat, education is the one thing that we NEVER cheat at. Isn't that right, and you say you're leading yourself to greatness. But, it turns out you're just another lost soul, and you know it. You're not even in the same league in the kind of power that we possess. We can destroy the entire universe in the mere blink of a cosmic eye, in fact, next to my kind of power, you are nothing compared to me and you're nothing but a pathetic ant compared to it. The way you covet all that power, the way your did all those vile deeds, it's downright fucking disgusting. As the most powerful fighter and warrior and champion in the universe, all I see when I look at you is a fucked up miserable fuckweed and a heartless motherfucking psychotic wretch. And on top of that, I fucking hate your style above all others, you ruthless fuckkicker! What is it that you are hoping to accomplish? Trying to destroy Marinette, her friends, and her family, committing crimes all over the planet just to satisfy your own selfish desires, murdering innocent people, pursuing petty and worthless desires like revenge, and above all, betraying Paris and the world. You don't give a flying fuck about anyone but your pathetic goddamned motherfucking self and that is why you were defeated and thrown in the asylum like the insane lunatic that you've become. You are nothing but a heartless monster that wants to murder, lie, steal, betray, and you're completely powerhungry. YOU FUCKING DISGUST ME!

We cheered wildly at Misty Brightdawn's version of the Evil Sasuke Rant, and that fucking pissed off Lila Rossi.

Nico: Alright, Misty!

Chloe Bourgeois: That'll show you, bitch!

That really, really pissed off Lila Rossi and she really screamed in pure insanity like the insane and evil monster she truly is.

Lila Rossi: I HATE YOU, I HATE YOU, I HATE YOU, I HATE YOU, I FUCKING HATE YOU ALL!

Our auras flared up as we gained an extremely massive power boost from her deranged hatred.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion,

Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That's enough out of you, it's time for you to pay.

We also unholstered our massive greatswords and transformed, and we went after Lila Rossi, and we caused quite a mess by slashing at her with our greatswords, and leaving some nasty scars on her, and Lincoln was also slashing at her with his massive greatsword and claws and he left nasty scars on her with every slash. When we were done, Lila Rossi was really mangled up, but she's still standing and really pissed off now.

Nico: She's still standing, but not for long. Misty, Lincoln, if you would?

Misty Brightdawn and Lincoln went after Lila Rossi, and they fired extremely powerful blasts of rainbow energy, navy blue and teal energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lila Rossi and they exploded with incredible power as they hit her, and they attacked her with their massive greatswords leaving scars on her, and Lincoln left many more with his claws, and he was really, really, really pissing off her off now.

Then, Lincoln fired rainbow fire blasts which hits Lila Rossi as she screamed in pain and he also left a really nasty scar on her face as he slashed at her with his massive greatsword and she was also knocked down by a navy blue magic energy blast fired by Misty Brightdawn.

Nico: Nice, now all that's left.

Twilight Sparkle: Is the final blow.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Misty Brightdawn, her hand-cannon Blaster is known as Misty Brightdawn's Friendship Redemption Unity Alicorn Firestorm Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's navy blue with teal flames on the blaster and with a Phoenix, Angel, and an Alicorn surrounded by ocean waves etched on the sides, and a purple gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Misty Brightdawn aimed their hand-cannon blasters at Lila Rossi.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) This is the last time you will ever break out of prison yet again, Lila Rossi.

Nico: Nice job, Misty!

Me: YEAH!

Eli: You and Lincoln really socked it to that monster!

Qin: I'll say!

Xenia: Boy no kidding! And you twisted an Evil Sasuke Rant and matched it to fit her.

Lola: That was genius.

Misty Brightdawn: It sure was cool.

Me: Yeah it is! And it looks like the Maretime Bay ponies of Equestria have all had their moment to shine in the sun.

Twilight Sparkle: They sure have. And I'm proud of them all.

Camie: We all are Twilight.

Me: Yep.

Lincoln: (sighs) Someone get her out of here before I change my mind.

Then, Misty Brightdawn and Lincoln fired blasts of rainbow energy, navy blue and teal energy, and elemental forces at Lila Rossi, and they exploded with incredible power as they hit them. Then, as they holstered their hand-cannon Blasters, Lincoln fired rainbow energy blasts and rainbow energy chains which tied Lila Rossi up in a rainbow energy straitjacket and rainbow energy chains and she couldn't escape, and then, Misty Brightdawn and Lincoln tossed her through a portal which leads back to her cell in The Saturn Insane Asylum's Super Maximum Security Solitary Confinement Wing. We cheered wildly as Misty Brightdawn and Lincoln holstered their massive greatswords on their backs and powered down, and Misty Brightdawn's new body, clothes, weapons, jewelry, Third Eye, longer navy blue and teal tail, and massive navy blue angel wings and longer horn are permanent.

Misty Brightdawn: That'll teach that bitch never to come after us ever again. Thanks for helping me take down Lila Rossi, Lincoln.

Lincoln: (Smiles Warmly) You're welcome, Misty.

Suddenly, Misty Brightdawn wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Misty Brightdawn's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, and an Alicorn flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and ocean waves crashing behind them and the sunlight made a rainbow appear behind them and we cheered wildly. Then, Lincoln and Misty Brightdawn came back to us as the display vanished.

Pipp Petals: Now, that was so beautiful!

Me: That really was an awesome display we saw!

Sunny Starscout: You said it, and we're also glad Misty's part of Lincoln's harem.

Lincoln: And I swore I would take good care of her, along with you, Zipp, Pipp, and Izzy, Sunny.

Nico: And you've also been getting the attraction of Twilight's other friends, Lincoln.

Applejack: (Snickers) He's right though, Linky. You've really been getting the attention and the attraction of all of our other friends, and many of them are joining your harem faster than a jet-powered jackrabbit.

Luan: Well, can any girl help it? Lincoln's had that charm and his personality that literally draws girls in like a magnet.

Luna: She's right though, dude. But, we're so glad we took down that bitch, but this won't be the last time.

Nico: She'll try again, but when the time comes, she's getting a one-way trip to The Black Gates for good.

Me: I have a feeling we're going to battle her on the Cutie Mark Crusaders big day mission.

I snapped my fingers beamed her to the Saturn Solitary Confinement Section and strapped her with rainbow energy straitjackets and chains.

Qin: That will hold her.

Xenia: Yep.

Me: First we'll deal with Barodius when the time comes.

Nico: Yep.

Lola: Yeah!

Me: Not till later.

Nico: If it makes you guys feel any better, Lila will definitely get what's coming to her eventually before Barodius does.

Lola: What makes you say that?

Nico: Call it a hunch.

Me: Well that does make me feel better. And that wasn't sarcasm.

Nico: Good. I'm glad.

Maria: Anyone else want me to hydrate them before the next battles?

Me: Please.

She gave us more water.

Me: (GULPING) Ahh!

Qin: (GULPING) AHH!

Xenia: (GULPING) Ahh!

Misty Brightdawn: (GULPING) Ahh!

Nico: (GULPING) Ahh! So good.

Nicole: Boy out in the middle of the Sahara Desert you need all the water you can get.

Qin: Yeah.

Then my Wonder Ride Book for Needle Hedgehog started glowing.

Me: Needle Hedgehog is reacting to something.

Lola: That means the next Wonder Ride embodiment is for that one.

Lana: Yep.

ZOOOM!

SOMETHING ZOOMED PASSED US WITH INCREDIBLE SPEED!

Nico: WHOA!

ZOOOM!

This one was really fast!

Camie: WHOA! This one is quick!

It then stopped and we saw that it was a yellow version of Sonic the Hedgehog but had needle spikes on its back! It was ANOTHER NEEDLE HEDGEHOG!

Me: WHOA is that Sonic!?

Qin: Wow! This one looks like Sonic!

Nico: I don't remember any of Sora's worlds having Sonic the Hedgehog!

Me: No this one is Another Needle Hedgehog but it looks very much like Sonic.

Another Needle Hedgehog: (In a girls voice) I do look like Sonic and I have just as fast speed.

She changed back and it was a girl that had blond hair and brown and green clothes.

Me: (GASP) Tina Traverse A.K.A. Sailor Traverse Town!

Nico: Whoa! Traverse Town's Sailor Soldier!

Qin: Awesome!

Sailor Traverse Town: Awesome to see you again J.D.

Me: Same here Tina. Wow super speed fits you perfectly.

Sailor Traverse Town: It sure does. I've gotten so much done with this level of speed. It's amazing.

Rainbow Dash: Welcome to the Super Speed Club.

Nico: Awesome.

Me: That was the first part of Sora's epic journey to save the entire universe and we reunited Eli here with Aerith and many of his friends.

Sailor Traverse Town: I remember seeing that. That was so awesome and adorable.

Qin: It sure was.

Lola: Yeah it was awesome.

Nico: Um… anyone want to fight her?

Starlight Glimmer: I will do so. I kicked off that whole adventure the first time.

Me: Go for it Starlight. Also Tina are there anymore opponents with you?

Sailor Traverse Town: Yes there are. Another version of him.

She pointed to Trickster.

Trickster: Another version of me!? Whoa!

Me: This will be interesting. Friendly or hostile?

Sailor Traverse Town: Neutral actually. This one is one of Lincoln's Guardian Angels and has a massive intense burning hatred towards Killjoy Huggins.

Me: Uh oh. I wonder who it is and I wonder what Huggins did to get the full intense extent of this ones wrath.

Sailor Traverse Town: Well it's best you find out later.

Nico: (GULPS) I have a feeling that this one will set Eli off.

Qin: Yeah.

Nico: If she's one of Lincoln's Guardian Angels, then she counts as friendly.

Me: I agree.

Starlight Glimmer: Lets dance shall we?

Sailor Traverse Town: We shall.

She turned back into Another Needle Hedgehog!

Starlight spread her wings and flew at her and fired skulls and bones and bonked her all over.

Me: No bones about it! Let me help too! (Spins Magisword Bracelet)

BONEHEAD MAGISWORD!

I fired skulls and they hit Another Needle Hedgehog and Starlight smashed her down with a powerful kick!

I caught the Wonder Ride Book and it was called Dark Needle Hedgehog and it glowed and turned into a new book called THE FASTEST HEDGEHOG OF STAR LIGHTNING!

Me: Ooh!

I went over and picked her up and brought her over.

Maria: I'll get some water for her.

Nico: Another Trickster, if you can hear me, I want you to tell me if you're friend or foe!

A figure came out and it was ANOTHER TRICKSTER! It was a dark version of him.

Another Trickster: (In a girls voice) I am friend just so you know.

Lincoln: (GASP) Vicky Emily Skartaris!

Another Trickster: Awesome to see you again Lincoln and yes I am one of Lincoln's Guardian Angels. But also I am the gene-slammer of Legendary Fire Princess. It's an upgraded version of Fire Princess.

Me: Boy Catherine Windsor is gonna love having you with us and she is the gene-slammer of Fire Princess.

Another Trickster: That's true and it'll be awesome being with her.

Lola: Yeah it will.

Lincoln: Also Vicky Emily is a very silly prankster and she also can outdo Luan in deadly pranks and use them for good.

Nico: Whoa! Deadly! But awesome.

Lola: Yep.

Me: Also how about adding this to your arsenal of pranks?

TICKLE MAGISWORD!

I tickled her all over with it and she was laughing hysterically.

Another Trickster: (LAUGHING HYSTERICALLY)

I stopped.

Me: Boy she sure is ticklish.

Lincoln: Yeah she loves to laugh from being tickled.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Another Trickster: Just to get back at KILLJOY HUGGINS FOR WHAT HE WAS GOING TO DO TO LINCOLN! I WILL NEVER FORGIVE THAT TOUPEE WEARING SACK OF HOT AIR!

We gulped!

Me: What caused him to get the full extent of your wrath that he did to Lincoln?

Another Trickster: I'll tell you what it is. He tried to burn down the entire comic book factory and then frame Lincoln for it and get him expelled and sent to prison for life.

WE GASPED IN SHOCK!

Me: HOLY CRAP!

Eli then WENT BALLISTIC!

Me: Uh oh.

Eli: THAT STUPID JERK!

He flew back to GOTHAM ROYAL YORK LIKE A RAMPAGING MAD BULL AND EVEN THOUGH WE WERE ALL THE WAY OVER IN AFRICA WE HEARD ELI THRASHING HUGGINS ALL OVER THE PLACE LIKE A PACK OF RABID WOLVES!

Eli is gonna be really in for some heavy duty crying when we get back.

Me: (GULP) Something is telling me that Eli is gonna be feeling really sore about that.

Qin: You got that right.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor.

Nico: Oh boy. Huggins is gonna really be in pain. I hope Eli doesn't hurt him bad.

Back in Gotham Royal York, Eli was brutally and mercilessly beating the living fucking shit out of Huggins with ferociously extreme savagery and brutality in a brutal fight cloud and the fight was so bad that all his bones crunching and smashing were heard all over!

OOOH MAN HE IS NOT GOING TO LIKE FEELING THAT!

Nico: (gets out Trickster's Ridewatch) Time for you to get tricked!

He fired waves of energy and smashed her down.

Me: Top this too.

GUMMY STICKY HAND MAGISWORD!

I threw it and it stuck to her and I pulled her over.

WHOOPEE CUSHION MAGISWORD!

Me: Fire in the flatulent hole!

I had the sword on my butt and she landed on it and then…

EXPLOSIVELY LOUD FART!

The fart sent her crashing into a rock!

Nico: NICE!

Lola: YEAH!

Nico: (gets out Katty Katswell's Ridewatch) Time for cat power!

Nico activated it and got cat like reflexes.

Me: I think I'll do this for that. Hope there are no planes above us.

LASER POINTER MAGISWORD!

I fired a red laser and it shined on Another Trickster and Nico and Katty jumped and slashed her all over with claws.

Nico: (MEOW)

Katty: That was really genius!

Me: What can I say? The laser pointer is a cats best friend.

May: It sure is. My turn! (ACTIVATES GARGOYLE LEGENDORA'S RIDEWATCH)

She fired stained glass beams and smashed Another Trickster all over.

Me: That was cool!

May: Yeah! Now this! (ACTIVATES EUGEAL'S RIDEWATCH) FIRE BUSTER!

She fired an intense blast of fire!

Me: And this too!

BOULDER MAGISWORD!

I fired boulders and the fire merged with them and they smashed Another Trickster all over!

Maria: (gets out Mucor's Ridewatch) Hope no one gets grossed out.

She activated it and fired waves of snot and splattered Another Trickster all over.

Me: Hope you like this. One. It stinks.

SMELLY SHOE MAGISWORD!

Nico: (GAGS) P.U.!

I fired waves of stinky shoes and they hit Another Trickster all over.

Me: Smelly huh?

Maria: (gets out Nuns' Ridewatch) Now for this!

She activated it and got an awesome CRIPPLETRON VERSION SUIT!

Maria: COOL!

Me: Wow! Joe and Crippletron would love seeing this!

Xenia: YEAH!

She fired waves of holy light and smashed her down.

Me: How about this too?

TONGUE TWISTER MAGISWORD!

I fired a beam of energy and it hit Another Trickster.

Another Trickster: Silly Sally swiftly shooed seven silly sheep. The seven silly sheep Silly Sally shooed shilly-shallied south. These sheep shouldn't sleep in a shack; sheep should sleep in a shed.

Her tongue got all tied up in a knot!

Qin: That was funny!

Maria: I hope Eli is doing all right.

Vince and Gretchen Holland were holding him.

Vince: Eli what has gotten into you!?

Gretchen Holland: I think I know. Our fellow Guardian Angel, Vicky Emily Skartaris told him about Killjoy Huggins doing what he was going to do by destroying the comic book factory and framing Lincoln for it.

Eli: (Crying) It's true!

Eli then hugged Gretchen and cried hard.

Ms. Cantwell and her team came and she had Quirrell, Chojuro Kon, The Fluffy Bunch, Orion Zodiarts And Hacouchin.

Nico: Nice team, Cantwell!

Cantwell: Thanks Nico.

Qin: Awesome.

Lola: Aww are you guys the Fluffy Bunch?

Dog: We sure are.

Lola: Aww you sure are cute!

Qin: They are adorable.

Juniper Lee: They sure are. I got this one. (ACTIVATES KATTY'S RIDEWATCH)

She fired waves of energy and smashed her down.

Qin: YEAH!.

But then a blast of lightning hit Another Trickster from out of nowhere and knocked her down and I caught the ridewatch and purified it. Lincoln went over to Vicky Emily and she was a girl with orange hair and orange clothes and had orange angel wings and a sword of fire.

Lincoln picked her up.

Lincoln: You're all right.

Vicky Emily Skartaris: (GROANS) What a headache.

Nico: Um… who did that?

Lincoln: It wasn't me.

Laney: I think it was this little one.

She picked up a Pichu.

Qin: A Pichu!

Me: Aww what a cutie.

Nico: Yeah.

Pichu: (In a girls voice) Hey Nico. Awesome to see you.

Nico: Nefertiti Isabelle Dunbar!? WHOA!

Maria: Wait are you?

Pichu: Yeah. William is my cousin.

Me: He'll be happy to see you again.

Maria: Yeah and also your cousin is my husband.

Pichu: I heard that he married you Maria and I'm so happy for him and it's awesome to meet you too.

Maria: Same here.

Juniper Lee: What's your favorite memory of Nico?

Pichu: My favorite is when me and Nico went into the tomb of Queen Twosret.

Nicole: Whoa! She was queen back in 1189 BC.

Me: That was back almost 3200 years ago.

Pichu: That's right and there we found the treasure she had and it was called the The Ruby of Twosret.

Lola: Ooh!

Nicole: That is one of the most elusive treasures in all of Egypt.

Qin: Wow!

Nico: Yeah that was awesome.

Nicole: Also Twosret was known as one of Egypt's forgotten queens. Because she is only one of the few queens to rule Egypt back then.

Pichu: That's right.

Me: Awesome. Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a yellow Leotard. The boys covered their eyes and I snapped my fingers and she reverted back.

Nefertiti increased in size

She grew back to human and she was a girl with yellow hair and yellow eyes and Maria gave her the leotard and she put it on.

Nefertiti Isabelle Dunbar: That was crazy.

Nico and Nefertiti hugged.

Nico: I've really missed you.

Nefertiti Isabelle: Me too Nico. Me too.

Me: Lets get back home and check on Eli.

LEGENDARY HYPERSPACE MAGISWORD!

I opened a portal and we went through it and got home fast.

Nico: Wow! That was fast.

Me: Legendary Hyperspace Magisword is awesome.

Lincoln: Whoa, we're here in Boston, Massachusetts, and I know what we're going to do here, not only am I going to rescue the twelve girls here, but we got word that Van Bloot's come back from the dead and he wants revenge on us for what we did in destroying him years ago.

Nico: That bastard just doesn't know when to quit. But, instead of destroying him and sending him to The Black Gates, we're going to send him to The Pits.

Eli: The Pits?

Lincoln: It's a prison here in Perim, The Pits Prison is basically Perim's version of The Underworld, and that'll be in case if we have any use for him, and when Chaor found out Van Bloot came back, he and the others in The Underworld were definitely pissed off.

Just then, Chaor arrived.

Chaor: Indeed I was, Lincoln. But, it'll be good to send Van Bloot to prison where he belongs, besides we killed him once, plus, we can find use for him. But, one wrong move from him.

Lincoln: And it's The Black Gates for him, that's exactly right, Chaor, and I also want to thank you and your team for joining us, Tom.

Tom Majors: You're welcome, Lincoln. Plus, aren't we going to be meeting one of the incarnations of the beings from The Cthulhu Mythos?

Lincoln: That's right, and it also makes sense the first girl would be here in Boston, Massachusetts.

Brittney: And Massachusetts would be used for the setting in many of Lovecraft's stories, earning it the name "Lovecraft Country", along with fictional cities and towns filled with eldritch mysteries and cosmic horrors.

?: HELLLLLLLLPPPPPP!

Suddenly, we heard the sound of twelve girls calling for help along with the sound of malevolent and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the twelve girls, but they've been cornered by Van Bloot, and he's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the twelve girls, but they've been cornered by Van Bloot, and he's going to kill them.

?: Let's put an end to that miserable traitor of The Underworld once and for all.

Suddenly, we saw a beautiful girl with short midnight black hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the sigil of Azathoth on her forehead, she has on a sleeveless midnight black open blouse, sleeveless midnight black midriff top, midnight black skirt with the symbol of Cthulhu on it, midnight black pants, midnight black high-heeled boots with black butterfly shoe buckles, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Azathoth and holstered on her back is a massive

Azathoth-themed greatsword with embedded red gems and Azathoth etched on the 7'0" massive, wide, double-edged midnight blade, large midnight black demon heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads with curved tentacles and large red gem on the bottom of the large demon heads for the pommel.

Lincoln: (Gasps) I knew we'd run into you here, Adriana Azathoth, but we'll talk later, let's go take care of Van Bloot.

We rushed over and before Van Bloot could kill the girls, Lincoln fired powerful rainbow energy balls and elemental blasts at Van Bloot and that caused the seven girls to get away and take shelter in a rainbow energy field Lincoln created to protect them from Van Bloot, and when he saw us, he was indeed enraged.

Van Bloot: You! Don't think I've forgotten about what you all did to me, Team Loud Phoenix Storm!

Lincoln: You brought all that upon yourself, Van Bloot, and we had no remorse in what we did to you years ago. Now, we find out you come back from the dead years later and still with a grudge against us, looks like we need to teach you a lesson yet again.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Norbert Beaver unholstered his massive Hydros' Primordial Maelstrom Ocean Beaver Greatsword of Primordial Maelstrom Justice and transformed into Super Angel-Beaver-Harmony Celestial Eternal Xelnaga Oceanic Maelstrom Primordial Water Beaver Angel of Divine Oceanic Primordial Water Justice and Divine Oceanic Maelstrom Primordial Water Compassion, Qin, Clyde and his harem, Baloo, Izuku and his friends, The Z-Fighters, Tom Majors and his team, Daggett, Sasuke, Itachi, and their family, Sakura and her family, Naruto and his harem, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Sir William the Good, Lady Mary the Good, The Bakugan Battle Brawlers, Anatankha, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), The Demon Slayer Corps, The Ghostforce, The Louds' Ancestors, The L-ementals, Noctis, Prompto, Ignis, Gladio, Stella Nox Fleuret, Ravus Nox Fleuret, Heathcliff and his friends, my harem, and Nico's harem got out their weapons, Rayman unholstered his massive Morpheus's Celtic Dream Greatsword of Peaceful Celtic Dream Justice from his wider and muscular back and transformed into Super Angel Celestial Eternal Xelnaga Celtic Dream Glade Fairy Dragon Angel of Divine Moonlight Celtic Dream Justice and Divine Celtic Moon Dream Hope, and Me, Ken, Nico, Nicole, and Eli unholstered our massive greatswords and we transformed, and we went after Van Bloot, and we fired powerful blasts of rainbow energy, colored energy, elemental forces, Rainbow Crystals, Rainbow Super Lightning, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, steel orbs, throwing axes, and mythological animals, and they exploded with incredible power as they hit him.

Chaor: You got it, Lincoln.

Lincoln and Chaor: UNDERWORLD FIRESTORM FURY BARRAGE!

Lincoln and Chaor fired a barrage of powerful blasts of neon red hot red energy blasts at Van Bloot and they exploded as they hit him and he was burned badly.

Nico: Damn, they unleashed the fury of the fires of The Underworld on him!

Then, Chaor and Lincoln fired two more neon red hot energy blasts which transform into a straitjacket and bound Van Bloot, and he was then sent to The Pits. We cheered as we holstered our weapons and powered down.

Lincoln: Have fun in The Pits, Van Bloot. (To Adriana Azathoth) And it's so good to see you again, Adriana Azathoth.

Adriana Azathoth: You too, Lincoln, it's been a long time.

Lincoln went up to Adriana Azathoth and he hugged her, and Adriana Azathoth is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adriana Azathoth: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, this is Adriana Azathoth, The Incarnation of Azathoth, she's my Guardian Angel from Massachusetts and classmate in Reading, she's the most powerful of The Cthulhu Mythos entity incarnations, since Azathoth is one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Azathoth himself, immortality, along with very powerful knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Azathoth's Dark Madness Melody, one of a massive and forbidden collection of dark curses Nicholette Torrington called The Lovecraftian Curses, and when Adriana casts this dark curse on someone, they'll hear the music of The Servitors of The Outer Gods, and that accursed dark music will drive them mad, and even worse, should they dare see Azathoth in their dreams, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Adriana Azathoth: And the other Incarnations of The Cthulhu deities and I are well-known masters of these kinds of curses, and there's a reason why they're forbidden: the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad.

Me: Yeah, that's right, I know that all too well, and I also happen to have this.

I immediately showed her The Bracelet of Cthulhu which merged with my right gold cuff Bracelet of The Champions of The Universe.

Adriana Azathoth: The Bracelet of Cthulhu, I remember that thing all too well. If I'm not mistaken, Grim had it locked up in that trunk of his, but you're more responsible for The Bracelet of Cthulhu, J.D.

Nico: Yeah, he'd used it on certain people we don't like, and it drove them mad.

Adriana Azathoth: Just like with The Black Speech of Nyarlathotep that Colleen has, The Dark Curse of Azathoth that Claire Monroe has, and The Yellow Sign of Hastur that Audrey Brantley has, I know those curses all too well, and I've defended Lincoln from his enemies at their worst, but I hated Lynn with a blazing passion, and I almost got close to using Azathoth's Dark Madness Melody on her.

We gasped.

Nico and me: Lynn, what did you do?!

Adriana Azathoth: Trust me, you're not going to like this one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at their request, including Lincoln.

Lincoln: Adriana, are you absolutely sure about this?

Adriana Azathoth: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Adriana Azathoth, and he saw that she's really serious, and he smiled as he walks over to Adriana Azathoth, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Adriana Azathoth's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Adriana Azathoth: You're still as gentle as ever when you feed on someone, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Adriana Azathoth's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Adriana Azathoth: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adriana Azathoth.

Adriana Azathoth had a smile on her face and tears in her eyes as Lincoln had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the twelve girls, and when Lincoln saw them, he recognized them immediately. The twelve girls are Kyou Fujibayashi, Nagisa Furukawa, Kotomi Ichinose, Ryou Fujibayashi, Rie Nishina, and Tomoyo Sakagami from Clannad, Viola, Rebecca, Vinsmoke Reiju, Tashigi, and Koala from One Piece, and Misaki Nagatoro from Don't Toy with Me, Miss Nagatoro.

Lincoln: Oh wow, it's Kyou Fujibayashi, Nagisa Furukawa, Kotomi Ichinose, Ryou Fujibayashi, Rie Nishina, and Tomoyo Sakagami from Clannad, Viola, Rebecca, Vinsmoke Reiju, Tashigi, and Koala from One Piece, and Misaki Nagatoro from Don't Toy with Me, Miss Nagatoro.

Nicole: Whoa, that's awesome. Plus, Luffy's in for a reunion with some of his friends.

Lincoln: You said it, Nicole. And are you girls okay?

Kyou Fujibayashi: Yes, we're okay, thanks to you.

Then, when Kyou Fujibayashi and the other eleven girls saw who it was that saved them from Van Bloot, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn

Kyou Fujibayashi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made eleven clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kyou Fujibayashi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, twelve Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kyou Fujibayashi, Nagisa Furukawa, Kotomi Ichinose, Ryou Fujibayashi, Rie Nishina, Tomoyo Sakagami, Viola, Rebecca, Vinsmoke Reiju, Tashigi, Koala, and Misaki Nagatoro with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and they were shocked to find out the villain we went after was Van Bloot, who came back from the dead to get revenge on us for destroying him long ago.

But, when Lincoln showed what we did to him by giving him a beatdown, and Lincoln and Chaor using a combo which hurt Van Bloot and then tying him up in a neon red straitjacket and sending him to The Pits prison in Perim, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Adriana Azathoth have a lot of catching up to do, now that she's back in town.

Maria: Yeesh, I didn't expect Van Bloot to come back again, but it's good we threw him in prison.

Lincoln: But, in Perim's version of The Underworld, The Pits prison, and that prison's perfect for Van Bloot.

Me: You got that right.

Nico: Yeah, only the worst of Perim's most dangerous enemies would be sent here.

---

After finally taking down Van Bloot and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adriana Azathoth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adriana Azathoth: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Adriana, and I can still defend

myself, and in addition to getting stronger, I've also gotten smarter as well.

Adriana Azathoth: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Adriana Azathoth: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Adriana, what's the story on why you hated Lynn with a blazing passion and it almost wound up in you almost using Azathoth's Dark Madness Melody on her?

Adriana Azathoth: You're not going to like this one bit. You see, I make it no secret that Lynn was a big bully towards Lincoln and she almost killed him by beating him up and those times that she stabbed him with a knife, but on this day, Lincoln and I were busy working on some assignments for Language Arts. But, then, Lincoln got jumped on by Lynn and she was beating the shit out of him and she was laughing like the insane monster that she was, I was beyond furious with her. I formed a black tentacle from my back which grabbed Lynn and got her off Lincoln and I tossed her into a wall, but she got back up and she was about to attack me, and I almost got that close to using Azathoth's Dark Madness Melody on her, but Lincoln stopped me as he fired a red energy blast from his hands and tied that animal up. We told Mr. and Mrs. Loud what Lynn did to Lincoln and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lynn was just on another of her rampages again?! She sure is an animal.

Luna: She sure was, dude.

Lincoln: She was just on another of her rampages, and once again, it was for no reason other than to cause me pain. But, she made a big mistake when she crossed Adriana Azathoth, The Incarnation of Azathoth, and I was glad I stopped her from using her Lovecraftian Curse, Azathoth's Dark Madness Melody. But, that's only one of the Lovecraftian Curses that Nicholette mentioned.

Me: Oh, I hate to find out the other Lovecraftian Curses.

We got a shower afterwards, and then, Lincoln, Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse are heading to Aquarium Park.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Pam: Wow, so this is Aquarium Park, awesome.

Lincoln: I've been here many times before, and this is also perfect for our first beach date, ladies. Shall we?

Lincoln, Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello

Nurse dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse and they hugged the girls in their abnormally massive and powerful muscular arms and Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nico: (Snickers) Looks like someone had a good time at Aquarium Park, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pam, Alice, and Crimson, and Heloise Nerz A.K.A. Hello Nurse with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Lola: And I knew it was only a matter of time before Hello Nurse wound up in your harem, along with Pam, Alice, and Crimson.

Minerva Mink: (Snickers) Yeah, in fact, I haven't forgotten the blushes on their faces when they saw Linky working out in the gym all the time.

Yakko: Might've guessed it, and we'll be getting our chances to meet some girls soon, but I don't even know when, but it'll happen.

Wakko: Yeah.

* * *

Later it was time for Irena's second mission.

William: Anyone else want to go with Irena? Besides Sir Ivan, Rampage, and Cheese?

Vambre: (British Accent) Me and Prohyas will gladly go.

Me: Cool. It'll be awesome having you guys with us to see our Magisword Fighting Prowess.

Prohyas: It sure will.

Me: Yep.

Me: By the way William how does it feel having your cousin back?

William: It feels awesome! I did not expect her to be one of Nico's friends.

Nico: I guess you have a lot of catching up to do.

William: Yep.

Eli: Lets head out then.

Me: Yep.

We opened a portal and we were off!

* * *

We arrived at Big Green HQ.

Me: Here we are.

Mystique Sonia: Hey guys welcome.

Irena: Guys, this is my boyfriend and my archenemy.

Sir Ivan: (British Accent) Pleasure to meet you all. Sir Ivan of Zandar, Gold Ptera Ranger for the Dino Charge Rangers.

Rampage: And my name is Karen Lou Faulkner, But everyone calls me Rampage.

Lin Chung: Pleasure to meet you all.

Me: And these two are the Warrior Siblings.

Vambre: It's a pleasure to meet you all. I'm Vambre and this is my baby brother Prohyas.

Prohyas: Pleasure to meet you guys.

Lin Chung: Same here.

Me: Prohyas and Vambre are from the kingdom of Rhyboflavin and they have an amazing and cool form of battle skill. They use Magiswords.

Lin Chung: Magiswords?

Me: Watch.

I spun my Magisword Bracelet.

FIREWORKS MAGISWORD!

I fired fireworks and they formed a show above them.

Lin Chung: Wow that is amazing!

Me: It sure is. There are thousands of different kinds of Magiswords out there. Many shapes, sizes, forms and powers.

Nico: Yep.

Lin Chung: Here are some new drawings I made. Tell me what you think.

We saw that he drew pictures of the Legion of Superheroes team, the Zevo 3 team, Dragon Booster team, and the heroes from the

Valiant movie.

Me: Hey those are cool! They are future visions of Ambassador Missions for the second half of the year!

Nico: They sure are.

Me: And we're going to meet the Dragon Booster Team. Those dragons they have are really cool!

Prohyas: Boy they sure look awesome.

Irena: They sure do.

Me: But those pigeons are for the movie Valiant. I love that movie. Also I know the Legion of Superheroes. That will be cool. But Zevo 3 is gonna be awesome. I used to wear shoes based on them years ago.

Nico: Really? That's cool!

Me: It was before I got the shoes I'm wearing now. But I grew out of those shoes from back then. What can I say? I got big feet.

Rampage: (takes a closer look) Hmm. That drawing of the Legion is different from the one Supergirl met before. Think we should talk to Lightning Lord about this sometime.

Me: Now that you mention it Karen yeah. We'll have to talk about that.

Nico: Yeah.

Irena: But lets worry about that later.

Eli: I agree.

Me: Sorry to further rub salt in the wound but how has it been with Commander Apetrully?

Lin Chung: We took it really well.

Commander Apetrully: Listen, I would like to thank you all for not reacting badly to me being a monkey.

Mr. No Hands: Commander, after everything we've been through together, you really think we'd kick you out of Big Green for that?

Me: Absolutely not. You may be a monkey but you are just as much as important to Big Green as everyone here.

Irena: That's right.

Commander Apetrully: Thanks guys.

Me: You're welcome. And Lion King that was so awesome doing that basketball game with you.

Lion King: Glad you all had fun. And Lynn and Rainbow Dash are both magnificent athletes.

Nico: They sure are.

Me: We're good at many more sports besides basketball too.

Eli: It's true.

Me: But we'll talk more about that later. Any problems going on?

Lion King: Let's just say that it seems I wasn't the only one who High Roller tricked into turning on the humans here over the last month.

Me: Uh oh. Who did High Roller trick next?

Lion King: The Eagle King was among those.

Me: Looks like we're going up into the sky next.

Eli: Yep.

Vambre: This will be good.

Mr. No Hands: We're currently preparing the air force for flight. Let me show you the planes.

We followed him to the garage and he showed us awesome planes!

Me: COOL! They look like giant fireworks!

Nico: They sure do!

Mr. No Hands: They do don't they.

Eli: Yep.

Me: If it's a dogfight they want it's a dogfight they'll get. Luckily, I have just the things to help us for that.

I pulled out Dynacaps and pressed the buttons and threw them and then..

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOMMMMMM

Out came awesome new T-Wing Interceptor Starfighters!

Nico: T-Wing Interceptors?

Me: We modified them to use Magiswords and Legend Items.

Nico: Awesome!

Commander Apetrully: We have some time to prepare them even more before the Eagle King and his forces come. Who's up for paint?

Mighty Ray: Yes, awesome! Super duper red hot rod flames!

Cheese: No, bunnies!

Mighty Ray: Hot rod flames.

Me: Oh sorry this is cheese. He's an Imaginary Friend but he is a total idiot.

Mighty Ray: Really?

Me: Yeah he has a brain the size of an amoeba. But he makes a great annoyance tool.

Eli: Yeah he is really funny.

Mighty Ray: I can see that. But we're putting Hot Rod Flames on.

Cheese: Bunnies!

Mighty Ray: Hot rod flames.

Cheese: Bunnies!

Mighty Ray: (loudly) Hot rod flames!

Cheese: (quietly) Bunnies!

Mighty Ray: (louder) Hot rod flames!

Cheese: (quieter) Bunnies!

Mighty Ray: (even more louder) HOT. ROD. FLAMES!

Cheese: (even more quieter) Bunnies!

Me: Guys guys guys. Calm down.

Eli: That still is funny though.

Lin Chung: If it makes you two happy, we'll paint flaming bunnies.

Me: Just don't let Fluttershy see that. We almost faced her wrath on that.

Lin Chung: Really?

Me: Yeah when it comes to animals she gets really sensitive about that.

Nico: Yep.

Prohyas: It's true.

Me: Yeah. (Stomach grumbles) Uh oh. Time to Air Out the Chocolate Garage!

Then…

LOUD FART TOOT!

I farted like Garby in Cheese's face.

Me: Pardon me. I did eat 1 bowl of Chief Wiggum's chili for lunch though.

Nico: Good.

Jumpy Ghostface frowned as Lin Chung painted flaming bunnies on one of the planes.

Me: It's okay Jumpy. They aren't real.

Nico: They are just decals.

Me: Besides like I said, Cheese is an idiot.

Jumpy Ghostface: I get ya.

Sir Ivan: And I have my Pterodactyl Zord nearby.

Me: Great!

Nico: Awesome!

Vambre: This is gonna be really fun.

Prohyas: It will be fun!

Nico: Let's take off! The Eagle King and his eagles won't be kept waiting!

Me: Right!

Lin Chung: Lets get ready!

Eli: Right!

Vambre: Here we go!

Sir Ivan: Let me get ready first. Unleash the power!

(PTERODACTYL SCREECH) (CHOMP)

He transformed!

He was ready!

Nico: YEAH!

Me: I hope Eagles have noses.

I got farts ready for them.

Nico: Where's the starting line?

Eli: Over there.

We saw it and went over there.

Me: Here we go.

An Eagle acting as a referee blew the whistle.

THE RACE WAS ON!

ZOOM!

We were off!

We flew out. We arrived 10 minutes later.

Commander Apetrully: There they are. Let me talk to them first.

Lin Chung: Irena, while he's talking to them, why don't you tell us about your backstory?

Irena: I can do that. I was born in a really rich family that makes amazing candy bars. They are one of the wealthiest families ever.

Lin Chung: Interesting.

Commander Apetrully: The Eagle King has agreed to rejoin Big Green only if we can beat him to Eagle Castle in an aerial race.

Me: An Aerial race huh?

Nico: I like it.

Eli: Cool!

Nico: This is gonna be fun.

Vambre: It sure will be cool.

Prohyas: I think this will be fun.

Sir Ivan: Let me get ready first. Unleash the power!

(PTERODACTYL SCREECH) (CHOMP)

He transformed!

He was ready!

Nico: YEAH!

Me: I hope Eagles have noses.

I got farts ready for them.

Nico: Where's the starting line?

Eli: Over there.

We saw it and went over there.

Me: Here we go.

An Eagle acting as a referee blew the whistle.

THE RACE WAS ON!

ZOOM!

We were off!

Me: Okay Eagle face. Taste this!

LOUD FART TOOT!

My jets farted in his face.

Rampage: (lunges at Eagle King) There's no rule against battling you guys at the same time!

She smashed him down!

Me: And with this too!

HOT SAUCE MAGISWORD!

I inserted it and fired hot sauce and it burned Eagle King!

Nico: Take that!

Sir Ivan: Feel the power of the storm!

He fired blasts of lightning and electrocuted the eagles all over.

Sir Ivan: Feel the power of the storm!

He fired blasts of lightning and electrocuted the eagles all over.

Eli: Awesome.

Sir Ivan: How can you be decieved so easily again by a fiend like High Roller?!

Eagle King: Believe me, the last thing I wanted to hear were words coming out of High Roller's mouth. But he told me the humans were planning to betray me and my fellow eagles.

And as a king, it's my duty to do what's best for my subjects!

Me: But humans and eagles can live together!

Nico: That's right.

Lin Chung: Wait. There's another flying creature nearby. It looks like a bat.

We saw that it was a Crobat!

Me: Crobat!

Lin Chung: Another one of Nico's friends?

Nico: Lets see.

Crobat: (In a girls voice) (Czech Accent) I am a friend and it's good to see you again Nico.

Nico: Natasha Crogon!? Whoa!

Me: Awesome.

She fired energy blasts and blasted the eagle races out of the race.

Lin Chung: Anyone got eyes on the finish line?

Me: There!

We saw it.

Eli: It's coming up!

Numerous eagles were blocking out path!

Vambre: We got this!

CUCKOO NUT MAGISWORD! FROG MISSILE MAGISWORD!

Prohyas and Vambre: SUPER TEAMWORK COMBO: COCONUT MISSILE BARRAGE!

They fired a massive shower of coconut missiles and they hit the eagles and bashed them all over!

BONK BONK BONK BONK BONK BONK!

They were knocked out and we crossed the Finish Line!

Eagle King: Congratulations for winning. Me and my fellow Eagle will gladly rejoin Big Green.

Eli: Awesome!

Irena: Great!

Me: Cool! (To Crobat) What's your favorite memory of Nico?

Crobat: My favorite is where me and Nico found the treasure of Prague's most infamous warrior. His name is so widely feared that we forgotten his name.

Me: That is cool!

Nico: Yep.

Me: (Puts on blind man glasses.)

Nico pulled out a black leotard.

Me: Lets get you back to normal. (SNAPS FINGERS)

The boys covered their eyes and she was reverting back.

Natasha regained her legs.

She regained her human form and put on the leotard.

Natasha Crogon: (Groans) That was rough.

Nico and Natasha hugged.

Nico: I've really missed you.

Natasha Crogon: Me too Nico. Me too.

* * *

We later came back.

May: How did it go guys?

Me: Really awesome.

We told everyone everything and it was awesome.

Lola: Wow that is cool!

Lynn: I'll say!

May: Next time, Casey Rhodes, Ang Leung, and your fellow Underground Girls should go with you.

Nico: Good idea!

Irena: I agree there.

Me: Same here.

---

We were watching TV and we saw another Terrorist Group out to kill us get executed. It was a Satanic Cult group called the Order of The Infernal Skeleton and their goal was to destroy us to unleash the devil under the Earth.

They were blown apart and killed and given the black gates.

Me: Good riddance.

Billy: I'M SORRY!

SMASH!

Mandy: I WILL KILL YOU!

Mandy and Billy were fighting.

Me: Uh oh!

We went to their room and saw Mandy covered in snot and she and Billy were fighting in a brutal fight cloud.

Mushroommon: Billy, what did you do now?

Billy: I swear it was an accident!

Eli: I got this.

Eli went over and grabbed them as they were fighting.

Eli: Excuse me you two but I must discipline the nannygoats!

BLANG!

He bashed their heads together!

Mandy and Billy: OUCH!

Me: Now what did you do this time Billy!?

Billy: I was demonstrating a new cartoon gag in using my nose as a snot cannon and I got it on Mandy.

Qin: YUCK!

Erza: Cartoon gag? There's actually nothing wrong with that.

Me: No there isn't.

Qin: But watch where you're aiming next time.

Lola: Yeah Billy.

Me: But that was funny.

Sinnertwin: Maybe Common Cold can give you some pointers. He DOES have something similar after all.

Me: That's true. Billy how did you do it?

Billy: Like this.

He squeezed his nose and fired a deluge of snot and it covered Lana in a deluge of snot!

YUCK!

Lana: Awesome!

Me: OH SICK!

Streetwise: At least Lana likes it.

We laughed!

Me: (LAUGHS) That's Lana for you.

Twilight laughed.

The alarm went off.

Me: Uh oh.

We went to the computer.

Computer: Warning. Warning. Nico, My sensors have detected a largest iceberg moving in Antarctica. Dark Orb responsible for it.

Me: Whoa!

We saw the iceberg. It was an iceberg the size of Rhode Island.

Lola: Whoa that one is huge!

Dreamcatcher: Nico, which teams have you made?

Nico: Baihumon's team will include Bastemon, Francesca Giordano, Crono, Superboy, and Chunky Kong. Azulongmon's team will include Sara, Princess of the Indian Ocean, Crystal Wilmington, Alia, Gentoku, and Yuina

Me: Awesome choices!

Qin: Yeah and that will be awesome to see.

Francesca Giordano: (Italian Accent) I'm truly-a honored to be-a in a team.

Nico: Glad you are Francesca.

Lola: That is an awesome setup.

Nico: We better bundle up. It's gonna be cold.

Me: Well it's Antarctica and it's always cold down at the South Pole.

The previous group came.

Vypra: Can me, Dai Gui, Aqueduct, Evil Seed, Mirror Master, 10,000 Volt Ghost, Ryugu Tamatebacco, Metal Sonic, Marionette Shadow, and Pterodactyl Ghost go with you guys?

May Kanker: Me, Mudslide, Pisces Zodiarts, Evil Mushroom Man, Quark, Judge, Ghost of Merlin, Francisco, Two Face, and Droog will come as well.

Nico: Yes you all can come with us.

Me: Cool. The next gene-slammer should be here too.

Then we saw a light and out came a Lanturn!

Horsea: Look, it's a Lanturn!

Misty: Aww it's a cute one.

Lanturn: (In a girls voice) It's awesome to see you guys and you too Nico.

Nico: Alicia Lantura! Whoa!

Lanturn: Yep.

Me: Wait didn't you climb the Murderhorn? (Season 9 Episode 23)

Lanturn: I sure did and that's my favorite memory with Nico. Me and Nico climbed the Murderhorn and sponsored the Gushers Poptarts flavor and we made it to the top. But also we found the body of C. W. McAllister on that mountain frozen to death. And we found out that Homer's father tried to eat him.

All of us: EW!

Qin: YUCK!

Lola: Abraham Simpson you are a clod!

Me: Homer your father is an absolute douchebag.

Homer: Tell me about it.

Lanturn: Yeah but we did it.

Nico: Yep.

Me: That is cool! Lets get you back to normal.

I put on my blind man glasses and Nico got out a dark blue leotard and I snapped my fingers and the boys covered their eyes and she was reverting back.

She was back to normal and she put on the leotard and got up.

She was a girl with yellow hair and blue eyes.

Alicia Lantura: (GROANS) That was rough.

Maria: Did you give him a proper burial?

Alicia Lantura: We sure did. We had him buried in England.

Nico: Yep.

Nico and Alicia hugged.

Nico: I really missed you Alicia.

Alicia Lantura: Me too Nico. Me too.

Drill Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Misty will love this one. Cleffa, Igglybuff and Togepi next.

Me: Cool!

Qin: Misty had a Togepi long ago. Ash told me that she had one back when it first hatched.

Lola: That's right.

Misty: That's right guys. That was so awesome.

Aqueduct: We're gonna meet Mumble again right?

Pisces Zodiarts: I hope he's doing okay?

Nico: He will be. Lets head on out guys! We're going to McMurdo.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Nicolás Moreno of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Nicolás Moreno of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Isabel Miztoji: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Nicolás Moreno for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we got word from Mumble that trouble is brewing in Antarctica.

We got on our winter clothes and parkas.

Lincoln: Whatever's happening in Antarctica, I hope Mumble and his friends are okay, and once we get done with whatever's causing trouble to Mumble and his friends, you're the next one to die, Nicolás Moreno.

Isabel Miztoji: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Nicolás Moreno, you better say your prayers, because you deserve no salvation from

God for your sins, for there is one thing that awaits you: Eternal Damnation.

We went and got our fur parkas and we were off to Antarctica.

---

We arrived at McMurdo Station.

Yondu: Here we are again.

Me: Just as cold as ever down here at the South Pole.

Xenia: No kidding.

We went into McMurdo.

Me: Boy it's freezing!

Qin: No kidding!

Mumble: Hey you guys made it!

Me: Hey Mumble!

Qin: Glad to see you here.

Mumble: Yeah I was waiting for you guys to come.

Mirror Master: Glad we're not dealing with that Terminator Poromon, huh?

Mumble: What's next? Terminator Poliwag?

We laughed.

Quark: I think Evil Nico ran out of Terminator Robots.

Me: Yeah we found them and blew them to smithereens.

Qin: Yeah.

Mumble: Oh guys these are my friends The Mighty Sven.

The Mighty Sven was a Puffin.

Mighty Sven: (Scandinavian Accent) Awesome to meet you guys.

Mumble: And Bryan.

Bryan was an elephant seal.

Bryan: Hey there guys.

Me: Awesome to meet you guys.

Sea Clamp: By any chance, have you seen a large iceberg around here?

Mumble: Yeah! The Doomberg just came alive somehow!

Me: The Doomberg?

Mumble: It's our home. It came alive because of this weird black sphere.

Nico: That sphere is a dark orb.

Me: They are the remnants of Xehanort and that's our biggest mission. To purge the entire universe of Xehanort's evil remnants.

Bryan: Oh man!

Me: Yeah but it's gone forever.

Bryan: Good. The Doomberg is a big problem.

Mumble: It also fired ice cannons at us.

Me: Ice cannons!?

Retrax: Okay, those might be a problem!

Me: Boy the Dark Orb made it a living ice battle fortress.

Nico: No kidding.

Mumble: And it spawned Soldier Heartless.

Me: Now you're talking!

Marionette Shadow: I actually expected that.

Two Face: THOSE actually won't be a problem.

Me: Nope. Boy it has its own private army! Awesome!

Nico: Boy this will be awesome.

Xenia: It sure will.

Me: Boy I can't remember when we fought Heartless.

William: Nico, I just want to say that I approve of your relationship with my cousin.

Nico: Thanks, William. I knew we were close for a good reason.

William: (points blaster at Nico's head) But if you break her heart… well, let's just say that J.D. and the others are just gonna have to destroy Lila when the time comes without you. Comprende?

Leanbow: Nico, I think you better listen to William.

I pushed William's hand down.

Me: William don't threaten the life of your superior officer. Besides, like Lincoln, he would never hurt her.

Nico: That's right. You have my word.

Pterodactyl Ghost: William's just being protective.

Droog: Some of us have been in his shoes before.

Me: I know. But we don't want William to be reprimanded for that.

Nico: He's right on that.

Qin: Yeah.

Me: Besides we have had enough insubordination to last a while.

Xenia: Yeah.

Ace: Look at it this way. At least the Doomberg didn't turn into a giant walking ice monster.

Me: That would be a horrifying sight.

Camie: It sure would.

Xenia: Yeah.

Mumble: No kidding there.

Camie: Yeah.

Nico: Will there be more dancing involved in this one?

Me: Yeah when we met we really loved to dance.

Metal Sonic: We'll probably have to dance and fight at the same time.

Francisco: That shouldn't be a problem.

Me: We did so before and we can do now.

Qin: Yep. It was awesome.

Lola: Always is.

Leslie Gesneria: Are the rest of your friends here as well?

Mumble: Yes we rounded them all up to help us.

Nico: Cool.

Mumble: Most of them live in the water.

Me: This is gonna be awesome.

Camie: It sure will be.

10,000 Volt Ghost: Is anyone still trapped in that thing?

Judge: If so, we should get them out

Mumble: No there isn't.

Me: Thank goodness. That will make it easier.

Qin: Yeah.

Xenia: No kidding.

Me: We got to burn and melt that iceberg ship.

Lola: Iceberg ship?

Me: Well it's a living iceberg battle fortress.

Sora: That reminds me of the Glacial Fortress Heartless.

Nico: Whoa I heard about that one.

Ember McClain: I got just the song for this.

She took out the radio and put on I Wanna Be like You by Big Bad Voodoo Daddy.

Now I'm the king of the swingers, boy, Jungle V.I.P.

Well I've reached the top, and had to stop and that's what's bothering me

I wanna be a man, now man cub stroll right into town

Be just like the other men, I'm tired of monkeying around

So woo woo ooh, I wanna be just like you

Wanna walk like you, talk like you do

And you see it's true, an ape like me

Can learn to be human too, yeah

Now don't you mess with me man cub, I made a deal with you

What I desire is man's red fire so I can be just like you

And don't you mess with me man-cub, show me what to do

Give me the power of man's red flower so I can be just like you

So woo woo ooh, I wanna be just like you

Wanna walk like you, talk like you do

And you see it's true, an ape like me

Can learn to be human too, yeah

So woo woo ooh, I wanna be just like you

Wanna walk like you, talk like you do

And you see it's true, an ape like me

Can learn to be human too, yeah

So ooh, I wanna be just like you

Wanna walk like you, talk like you do

You see it's true, an ape like me

Can learn to be human too, yeah

Said ooh, I wanna be just like you

Wanna walk like you, talk like you do

You see it's true, an ape like me

Can learn to be human too, yeah

We danced and it was awesome.

Me: YEAH!

Qin: Love that song!

Eli: Yeah! That was from The Jungle Book.

Camie: Great song!

Evil Seed: Let's get going with the song still playing.

Evil Mushroom Man: Right!

Me: Lets rock!

Nico: YEAH!

We were off.

We saw the Doomberg and we saw that it looked like a perfect replica of the Glacial Fortress Heartless!

Nico: Whoa there it is!

Laney: Wow!

Tayuya: Entrance time, motherfuckers!

Me: Fuckin A!

Qin: YEAH!

We went at it.

The Glacial Fortress yawned. Then the spirits of penguins appeared and swirled around it and then converged and then…

THUNDERCLAP THUNDERCLAP! THUNDERCLAP! THUNDERCLAP!

Scootaloo: It sure is. You are not going to believe what she did.

---

Nico: Yep. So, Adriana, what's the story on why you hated Lynn with a blazing passion and it almost wound up in you almost using Azathoth's Dark Madness Melody on her?

Adriana Azathoth: You're not going to like this one bit. You see, I make it no secret that Lynn was a big bully towards Lincoln and she almost killed him by beating him up and those times that she stabbed him with a knife, but on this day, Lincoln and I were busy working on some assignments for Language Arts. But, then, Lincoln got jumped on by Lynn and she was beating the shit out of him and she was laughing like the insane monster that she was, I was beyond furious with her. I formed a black tentacle from my back which grabbed Lynn and got her off Lincoln and I tossed her into a wall, but she got back up and she was about to attack me, and I almost got that close to using Azathoth's Dark Madness Melody on her, but Lincoln stopped me as he fired a red energy blast from his hands and tied that animal up. We told Mr. and Mrs. Loud what Lynn did to Lincoln and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lynn was just on another of her rampages again?! She sure is an animal.

Luna: She sure was, dude.

Lincoln: She was just on another of her rampages, and once again, it was for no reason other than to cause me pain. But, she made a big mistake when she crossed Adriana Azathoth, The Incarnation of Azathoth, and I was glad I stopped her from using her Lovecraftian Curse, Azathoth's Dark Madness Melody. But, that's only one of the Lovecraftian Curses that Nicholette mentioned.

Perfuman: DANCE NATUrE STYLE: FIREFLIES!

You would not believe your eyes

If ten million fireflies

Lit up the world as I fell asleep

'Cause they fill the open air

And leave teardrops everywhere

You'd think me rude but I would just stand and stare

I'd like to make myself believe that planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems

'Cause I'd get a thousand hugs

From ten thousand lightning bugs

As they tried to teach me how to dance

A foxtrot above my head

A sock hop beneath my bed

A disco ball is just hanging by a thread (thread, thread)

I'd like to make myself believe that planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I fall asleep)

Leave my door open just a crack

Please take me away from here

'Cause I feel like such an insomniac

Please take me away from here

Why do I tire of counting sheep?

Please take me away from here

When I'm far too tired to fall asleep

To ten million fireflies

I'm weird 'cause I hate goodbyes

I got misty eyes as they said, "Farewell" (they said farewell)

But I'll know where several are

If my dreams get real bizarre

'Cause I saved a few and I keep them in a jar (jar, jar, jar)

I'd like to make myself believe that planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I fall asleep)

I'd like to make myself believe that planet Earth turns slowly

It's hard to say that I'd rather stay awake when I'm asleep

'Cause everything is never as it seems (when I fall asleep)

Frosta: DANCE ICE STYLE: ICE ICE BABY!

Yo VIP, let's kick it

Ice, ice baby

Ice, ice baby

Alright stop, collaborate and listen

Ice is back with my brand new invention

Something grabs a hold of me tightly

Flow like a harpoon daily and nightly

Will it ever stop? Yo, I don't know

Turn off the lights, and I'll glow

To the extreme, I rock a mic like a vandal

Light up a stage and wax a chump like a candle

Dance, go rush to the speaker that booms

I'm killing your brain like a poisonous mushroom

Deadly, when I play a dope melody

Anything less than the best is a felony

Love it or leave it, you better gangway

You better hit bull's eye, the kid don't play

If there was a problem, yo, I'll solve it

Check out the hook while my DJ revolves it

Ice, ice baby

Vanilla Ice, ice baby

Vanilla Ice, ice baby

Vanilla Ice, ice baby

Vanilla

Now that the party is jumping

With the bass kicked in, and the Vegas are pumping

Quick to the point, to the point, no faking

Cooking MCs like a pound of bacon

Burning them, if you ain't quick and nimble

I go crazy when I hear a cymbal

And a hi-hat with a souped up tempo

I'm on a roll, it's time to go solo

Rollin' in my 5.0

With my rag-top down so my hair can blow

The girlies on standby, waving just to say "Hi"

"Did you stop?" No, I just drove by

Kept on, pursuing to the next stop

I busted a left, and I'm heading to the next block

The block was dead, yo

So I continued to A1A Beachfront Avenue

Girls were hot wearing less than bikinis

Rockman lovers driving Lamborghinis

Jealous, 'cause I'm out getting mine

Shay with a gauge, and Vanilla with a nine

Ready for the chumps on the wall

The chumps acting ill because they're full of eight ball

Gunshots rang out like a bell

I grabbed my nine, all I heard were shells

Falling on the concrete real fast

Jumped in my car, slammed on the gas

Bumper to bumper, the avenue's packed

I'm trying to get away before the jackers jack

Police on the scene, you know what I mean

They passed me up, confronted all the dope fiends

If there was a problem, yo, I'll solve it

Check out the hook while my DJ revolves it

Ice, ice baby

Vanilla Ice, ice baby

Take heed 'cause I'm a lyrical poet

Miami's on the scene, just in case you didn't know it

My town, that created all the bass sound

Enough to shake and kick holes in the ground

'Cause my style's like a chemical spill

Feasible rhymes that you can vision and feel

Conducted and formed, this is a hell of a concept

We make it hype, and you want to step

With this, Shay plays on the fade

Slice like a ninja, cut like a razor blade

So fast, other DJs say "Damn!"

If my rhyme was a drug, I'd sell it by the gram

Keep my composure, when it's time to get loose

Magnetized by the mic while I kick my juice

If there was a problem, yo, I'll solve it

Check out the hook while D-Shay revolves it

It's early morning, the sun comes out

Last night was shaking and pretty loud

My cat is purring, it scratches my skin

So what is wrong with another sin?

The bitch is hungry, she needs to tell

So give her inches and feed her well

More days to come, new places to go

I've got to leave, it's time for a show

Here I am

Rock you like a hurricane

Here I am

Rock you like a hurricane

My body is burning, it starts to shout

Desire is coming, it breaks out loud

Lust is in cages 'til storm breaks loose

Just have to make it with someone I choose

The night is calling, I have to go

The wolf is hungry, he runs the show

He's licking his lips, he's ready to win

On the hunt tonight for love at first sting

Here I am

Shantae: DANCE MAGIC STYLE: WALK LIKE AN EGYPTIAN!

All the old paintings on the tombs

They do the sand dance don't you know?

If they move too quick (oh whey oh)

They're falling down like a domino

All the bazaar men by the Nile
They got the money on a bet
Gold crocodiles (oh whey oh)
They snap their teeth on your cigarette
Foreign types with the hookah pipes say
(Whey oh whey oh, ay oh whey oh)
Walk like an Egyptian
The blonde waitresses take their trays
They spin around and they cross the floor
They've got the moves (oh whey oh)
You drop your drink, then they bring you more
All the school kids so sick of books
They like the punk and the metal band
When the buzzer rings (oh whey oh)
They're walking like an Egyptian
All the kids in the marketplace say
(Whey oh whey oh, ay oh whey oh)
Walk like an Egyptian
Slide your feet up the street, bend your back
Shift your arm then you pull it back
Life is hard you know (oh whey oh)
So strike a pose on a Cadillac

If you wanna find all the cops

They're hanging out in the donut shop

They sing and dance (oh whey oh)

They spin the clubs, cruise down the block

All the Japanese with their yen

The party boys call the Kremlin

And the Chinese know (oh whey oh)

They walk the line like Egyptian

All the cops in the donut shop say

(Whey oh whey oh, ay oh whey oh)

Walk like an Egyptian

Walk like an Egyptian

They danced and fired waves of energy and elements.

Lincoln and his harem: DANCE FINAL SMASH: DANCE DANCE DESTRUCTION!

They started dancing all over the Doomberg which caused it to break apart.

We fired massive black fire blasts at The Doomberg, and it melted, and we sent it to The Black Gates.

Lincoln: You've caused enough trouble to Mumble and his friends, Doomberg.

Nico: Your days of hurting our friends are done. Awesome job, gang, but we're not done yet.

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Nicolás Moreno of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic should be coming… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Nicolás Moreno.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Nicolás Moreno, the next member of The Order of Nuestra Señora de la Santa Muerte.

Isabel Miztoji: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Nicolás Moreno: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Isabel Miztoji's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Miztoji-themed greatsword from her back, and as she approached Nicolás Moreno, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Isabel Miztoji: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Nicolás Moreno. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Miztoji and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Isabel Miztoji was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and

Fabled Miztoji flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Isabel Miztoji emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Isabel Miztoji grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Miztoji emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Miztoji with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Isabel Miztoji has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Miztoji surrounded by darkness and light and imps and on top of Fabled Miztoji is an anti-Sergio symbol. Suddenly, Isabel Miztoji felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Isabel Miztoji has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Isabel Miztoji's massive Fabled Miztoji-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Miztoji's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Miztoji etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Miztoji's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. ## インプ、堕天使のマスター

Isabel Miztoji has transformed into SUPER ANGEL-FABLED MIZTOJI-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED MIZTOJI ANGEL OF DIVINE DARK FABLED MIZTOJI IMP JUSTICE AND DIVINE FABLED MIZTOJI IMP LOVE!

We were amazed by Isabel Miztoji's Super Angel-Fabled Miztoji-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Nicolás Moreno saw it, he went insane and he got out his sacrificial knife to stab her, but Isabel Miztoji fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Nicolás Moreno, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Isabel's transformed.

Lincoln: Yeah, and she really sent Nicolás Moreno back with that energy blast she fired and that really pissed him off now, and Isabel, you look beautiful, how do you feel?

Isabel Miztoji: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Miztoji and Divine Darkness Light Fabled Miztoji Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Nicolás Moreno once and for all?

Lincoln: (Smiles) With pleasure, Isabel.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Isabel Miztoji.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Nicolás Moreno, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Isabel Miztoji and Lincoln went after Nicolás Moreno, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Nicolás Moreno and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Isabel Miztoji sent her three imps and Lincoln summoned his own imps and they sent them at Nicolás Moreno, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Isabel Miztoji, her hand-cannon Blaster is known as Fabled Miztoji's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Miztoji surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Isabel Miztoji aimed their hand-cannon blasters at Nicolás Moreno.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Nicolás Moreno!

Isabel Miztoji and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Nicolás Moreno and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Nicolás Moreno's sacrificial ritual knife and it hits Matías Medina right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Isabel Miztoji and Lincoln gave Nicolás Moreno The Black Gates for good. We cheered as Isabel Miztoji and Lincoln holstered their massive greatswords on their backs and powered down, and Isabel Miztoji's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Isabel Miztoji: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Nicolás Moreno for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Isabel.

Suddenly, Isabel Miztoji wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Isabel Miztoji's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Miztoji flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Isabel Miztoji absorbed the light and they came back to us as the display and Fabled Miztoji vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Nicolás Moreno's death, now there are only nineteen members of The Order of Nuestra Señora de la Santa Muerte.

Isabel Miztoji: (Spanish Accent) We're already ahead of the curve now.

Lincoln: Yep, which means that the next one to take down tomorrow is Samuel Ortega, which means it'll be Lola Oltro's turn.

Lola Oltro: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation we're meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Arabella Yog-Sothoth, The Incarnation of Yog-Sothoth.

Adriana Azathoth: She's the most intelligent of The Cthulhu Mythos entity incarnations, since Yog-Sothoth is another one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Yog-Sothoth himself, along with the power over time and space, immortality, along with knowledge of all forms of black, dark, and Satanic magic, and knowledge about the multiverse, and she's the master of a dark power called Yog-Sothoth's Dark Multiverse

Tragedy, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the thirteen globes that are part of Yog-Sothoth, and that'll drive them mad, and even worse, the thirteen globes will then form into Yog-Sothoth, and should they dare see him, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

Whiplash: Now, the Doomberg won't be causing any problems.

Drakkon: No, it won't.

Vulture: Its' monstrous face was hideous.

Me: It sure was. Rarity is more beautiful than it ever would have been.

Rarity: Oh why thank you darling.

Villamax: Well, tomorrow, it'll be the day before Erica's mission.

Hydrax: What do you guys wanna do?

Nico: Lets head back home and warm up.

Me: Good idea. It's cold.

Qin: Yeah.

Nico: But great job everyone.

Mumble: (To the viewers) This was a really cool adventure. Hope you all liked it.

Nico: I know we all did.

We all went back home and warmed up by the fire and had hot cocoa and we enjoyed the rest of the day and went to sleep.

Shanan: Slade is gonna rue the day he messed with Jump City. I can't wait to make that asshole pay for everything he did.

Xenia: I know you can do it Shanan.

Qin: At least it's not the Universe 666 version we're going after.

Me: Thank goodness for that. But at least we're going to make sure that evil monster pays for everything he did.

Shanan: No kidding. Seeing President Slade in Universe 666 reignited my revenge on Slade and it took every ounce of my willpower to not want to kill him. But I knew that it was the good version of him. But this is get some stress out of me.

Me: You'll be all right Shanan.

Nicole: Yeah sis. You'll be okay.

Shanan: Thanks guys.

Lisa Simpson: But this is terrible that he and Terra would do all this.

Cantwell: You're not kidding there.

Me: Yeah.

Nico: Lisa, I want to thank you, Cantwell, and your teams for coming.

Lisa Simpson: It's not a problem Nico. I'm glad we're here to help you guys this time.

Xenia: We all are Lisa.

Tsuyu: Yeah we sure are.

Camie: Shanan why do you hate Slade so much if I might ask?

Zuria: I was about to ask the same thing.

Shanan: You guys do have a right to know. I hate Slade not only because he forced Terra to do all sorts of terrible things but because she made the ultimate sacrifice to save her friends and the city. It's a day I'll never forget. A day that ignited one thing on my mind whenever I think of Slade: REVENGE!

FLASHBACK - CHAPTER 504

In the Simulator they got ready.

Girl Jordan: So what adventure are we gonna do first?

Shanan: We're gonna go after Slade Wilson when he had Tara under his control. I'll go in first and Lincoln and Janeen will come with me.

Janeen: This is gonna be awesome!

Shanan: It is. I invited the Teen Titans to watch with us.

They came in.

Robin: Hey guys.

Cyborg: We heard that you all are gonna go after Slade during the battle we killed him in when he was controlling Terra.

Tara: I can't believe that Slade manipulated me like that.

Beast Boy: It's not your fault Tara. Slade is a master manipulator and he got what he deserved.

Starfire: Yes. He sure did.

Shanan: Lets go guys.

Paige: Good luck Linky.

Lincoln: Thanks Paige. I'll be all right.

They went in and the Simulator Activated.

* * *

Shanan, Lincoln and Janeen found themselves in Jump City. It was under turmoil by Slade's robots and the Teen Titans had just finished them off. Beast Boy went off to find Terra.

Shanan: I know where Beast Boy is heading to. Come on.

They flew down into a cave and it was 2,624 feet below the surface.

Shanan: Keep your wits above you.

Lincoln: Okay.

Janeen: I sense trouble up ahead.

They went into the a huge pocket and it was Slade's lair. They found Slade and he had Terra under his control somehow.

* * *

CONTROL ROOM

Tara: That was the most horrific ordeal I've ever gone through.

Robin: I'll never forget that.

Nico: What happened there?

Tara: Slade put a suit on me that fused itself into my nervous system and he had some kind of control on me.

Linka: Like a remote control suit.

Tara: That's right.

Lilly: That suit is an abomination to nature.

Laney: You'll get no argument from me Lilly.

Riley: Same here.

---

SIMULATOR

Janeen: That is sick.

Janeen and Lincoln fired a blast of lightning and it hit Slade before he could even react and electrocuted him badly. This short-circuited the suit and severed his control link to Terra.

Shanan: Slade you will pay for everything you've done.

Shanan went Super Angel 10,000 Nature Fairy.

Slade: Impressive. You got me before I could act. Terra you can kill them.

Terra: NO!

Lincoln fired a blast of lightning at Terra and electrocuted her. But the lightning destroyed the suit she had on and she had bandages on her chest and black underwear.

Terra: I'm free.

Lincoln: Lightning is far more powerful than Earth.

Terra: Thank you for freeing me. Now it's personal.

Lincoln went Super Angel 3 and Shanan went after Slade and punched him in the face and kicked him in the stomach. Terra moved the earth around and had Slade at a terrible disadvantage. Shanan kicked him in the back of the head and punched him in the stomach and chest and kicked him in the face. Terra threw a bunch of rocks at him.

Lincoln and Janeen fired a huge blast of lightning at Slade and electrocuted him badly. The other Titans arrived and they saw the savage onslaught on Slade. They saw Shanan, Lincoln and Janeen and a redeemed Terra tearing Slade apart.

Lincoln flew up to Slade and fired a lightning ball at Slade and knocked him off the rock pillar and sent him falling.

Terra went to see if he was dead, but she was caught off guard as Slade jumped up from the chasm and punched her in the face. He grabbed her by the bandages. She built up her power.

Terra: YOU… CAN'T… CONTROL… ME… ANYMORE!

She released her power and in a huge explosion it killed Slade in an instant.

KRABOOOOOOOOOOMMMMMM!

Shanan: Go to Hell Slade!

Terra was exhausted. Suddenly without warning massive geysers of lava erupted out of the cave floor and the ground was shaking violently.

Robin: Terra's power! It's triggered a Volcano!

Cyborg looked at his analyzer.

Cyborg: Big enough to take out the whole city and way too big to stop!

Raven: We have to get out off here!

The Titans left.

Beast Boy: Terra! Come on we got to go!

Terra: I have to stay.

Shanan: (Gasp) No you can't! It's too dangerous!

Lincoln: Yeah we have to go!

Terra: I'm the only one that can stop it.

Janeen: That's crazy Terra.

Beast Boy: Please Terra you can't! It's too late.

Terra: It's never too late.

They embraced for one last hug and she cried.

Terra: You're the best friend I've ever had.

Terra got them out of there and the volcano was getting worse.

(Terra's Theme Song plays)

Terra built up her power to an incredible degree. Slade's mask of evil was consumed by the lava. Shanan, Lincoln and Janeen watched on in sheer horror as Terra released the full potential of her power and stop the volcano!

Terra:
AAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Shanan: Terra.

The explosion of power she released was so powerful and so devastating that it was unbelievable.

Shanan: (SCREAMING)
TEEEEEERRRRRRRRRAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAAA

Lincoln and Janeen were gasping at the sheer magnitude and ferocity of the level of power being released.

Lincoln: Has Terra lost her mind or what!? It's too much! She could die!

The level of power Terra released was unbelievable.

Lincoln: What has she done!?

Janeen: Terra! I can't let her do this!

Lincoln: Janeen wait! You know as well as I do she can't survive a blast like that. She's doing this to redeem herself and save people from destruction. She's risking her own life for the sake and love of her friends! Let her finish what she started.

The power of the earth was incredible.

---

DBZ Narrator: AND SO ONE OF THE EARTH'S MIGHTIEST SUPERHEROES HAS VANISHED IN A BLINDING FLASH OF LIGHT, HAVING MADE THE ULTIMATE SACRIFICE FOR THE LOVE AND SAFETY OF HER FRIENDS. HER NAME WAS TARA MARKOV A.K.A. TERRA, A PRINCESS, A TRUE HERO, AND A BRAVE… TEEN… TITAN.

---

When the smoke cleared Terra's power had ultimately done the trick. But with a heavy price. Terra was now a stone statue frozen in time for all eternity.

Shanan, Lincoln and Janeen saw the statue and Shanan was overtaken with grief.

Janeen: Are you sensing what I'm sensing Lincoln?

Lincoln: Yes. Terra's energy signal has completely disappeared. She's gone.

She walked up to the statue and broke down crying.

Shanan: (Crying hard) It's all my fault! It's all my fault!

She punched the ground and cracked it.

Lincoln: Shanan, no it's not.

Shanan: I should've stopped it! (Crying) I should've stopped her from doing this! TERRA! WHY!? WHY!?

Janeen came and comforted her.

Janeen: I'm so sorry Shanan.

Shanan's sadness quickly turned into extreme hatred and rage. She got up and flared up her power.

Shanan: SLADE! THIS IS ALL YOUR FAULT! IF YOU EVER COME BACK, I SWEAR THAT I WILL KILL YOU! I WILL NEVER FORGIVE YOU FOR ANY OF YOUR CRIMES SLADE! AS LONG AS I HAVE MY FRIENDS AND LOVED ONES BY MY SIDE, I… WILL… HAVE… MY… REVENGE!

Shanan had sworn to get Vengeance on Slade Wilson and she will make sure that he pays for everything he has done. He will pay far beyond the Ultimate Price for everything he has done. Not just to the Teen Titans, but to Terra and to the world.

FLASHBACK ENDS

When she was done everyone that hadn't heard about it was shocked.

Camie: Oh man.

Zuria: Shanan that is intense.

Anna Anyanova: No kidding. Shanan we had no idea.

Shanan: I know. Ever since then, I have hated Slade with every fiber of my being and I swore that I would make that monster pay in the most horrific way ever imaginable and make sure that he never returns to cause anymore pain to Robin or anyone else ever again.

Nico: Yeah.

Lola: Shanan has a massive and intensely burning hatred on Slade and she will make sure that he pays for it all.

Camie: She definitely has totally justified reasons for it.

Me: She sure does.

Lincoln: Chloe, remember when we first met?

Chloe Terryington: I sure do. You were having trouble with a math test and I helped you out.

Lincoln: That's right.

Me: So awesome. Boy That is awesome that you have so many great guardian angels looking out for you buddy.

Nico: I'll say.

Lola: Linky is one lucky guy too.

Applejack: He sure is.

Nico: And now, you're part of Lincoln's harem.

Chloe Terryington: I sure am.

Qin: That is amazing and cool.

Lola: Yep.

Eli: So cool and awesome.

Rarity: It sure is darlings.

Fluttershy: It sure is magical.

Nico: It sure is.

Me: Yep. And yesterday's mission was awesome.

Nico: It was awesome helping Mumble out again.

Me: It sure was. And it was really crazy that we had to fight a heartless iceberg.

Camie: That was awesome though.

Lola: It sure was.

Varie: Boy that was awesome though. And I agree there with Ino, that heartless should have had a princess in it for us to rescue.

Xenia: That would have been awesome to see.

Nico: It sure would.

May: It would be cool.

Nico: Too bad all of the Princesses we know we're out of its reach.

Me: Yeah. But it was still a fun mission nonetheless.

Lola: Yeah it sure was.

Nico: But during Sweet Leaf's battle I did not expect Animal Path to summon one of Pandora's aquatic creatures for it.

Me: That was amazing to see.

Anna Anyanova: That was really cool though.

Lincoln: It sure was. And there are many more where that came from.

Sirius: Yep.

Me: But tomorrow is Erica's big day mission guys. Are you all excited for that?

Nico: Of course I am. She's my sister, after all.

Me: You got that right.

Maria: We're really happy for Erica.

Xenia: This is gonna be so awesome.

Shanan: And I can't wait to destroy Onccalon and the Hargokk Empire for good. They have terrorized the entire universe long enough.

Camie: You got that right Shanan.

Touma: But we're ready for this.

Lincoln: Kind of peculiar that you volunteered to come, Zoom.

Zoom: Who, me? I just wanted to spend quality time with you guys. Nothing wrong with that.

Nico: Actually there's a good reason for it. I got a message from King Kai. He told me that Krytus and his Red Sentinel 5 have returned.

We gasped!

Me: It's about time Krytus and his followers make their move.

Camie: Who is Krytus?

Nico: A ruthless monster that Vert and friends battled a while back.

Nico went over his history.

---

Krytus is the main antagonist of Season 2 of Hot Wheels: Battle Force 5. He is the leader of the Red Sentient 5, Vert Wheeler's counterpart, and Sage's twin brother. He drives the vehicle known as the Syfurious.

He was voiced by Brian Drummond.

Years ago, both red and blue sentients were at war with each other however years of fighting made them weary of war so they agreed to compromise and be at peace with each other. Krytus was enraged by this as he enjoyed the war between the reds and blues, but begrudgingly accepted the new peace. Eventually Krytus rose to the ranks until he became the leader of his people while his sister sage became the leader of the blue sentients. In blast to the past both Krytus and his sister Sage were battling out with their warriors as per Sentient rules in a gladiator arena. Battle force 5 unfortunately interfered with history and thus the red sentients manage to gain victory in the battle. In order to keep history on track Battle force 5 fought for the blue sentients during the battle Krytus's real colors were shown deep down he despised the blue sentients and wanted to wipe them out Krytus vaguely remembers Battle force 5 from blast to the past. After that Krytus broke the truce and planned to attack the blue sentients but sage was one step ahead of him. Vert warned

Sage that Krytus would try to destroy her people and after seeing it with her own eyes created the double helix crystals to stop Krytus.

Using their power she managed to freeze the entire red sentient population Krytus and his team the red sentient 5 were off planet though so they weren't affected. Krytus was enraged by what Sage did and tried to use the double helix crystals to free his people but vert managed to stop him. Things got worse for Krytus when Zemerik turned against him do a virus that Sage created giving him free will. Even though Zemerik betrayed him and most of the red sentients were in stasis he still continued his war with the blue sentients causing the death of a multitude of blue sentients. He almost killed Sage as well but Rawkus manage to stop him Krytus was imprisoned in the Krypt zone by Zemerik and with him gone Zemerik conquered the red sentient home world with ease. Although Krytus was gone the damage he did to the blue sentients was devastating allowing the vandals to conquer the blue sentient home world leaving sage the last of her kind.

Unaware to Zemerik and Sage, Krytus had a Diad name Praxion who witness his masters defeat. He was ordered by Krytus to free him and so he traveled to the blue sentient home world to do so. Since some of the vandals resided in the blue sentient home world this made his mission difficult. Battle force 5 though appeared after fighting both the vandals and sark for the battle keys. The resulting conflict transported them to the blue sentient home world. Praxion seeing his opportunity lied to battle force 5 and manage to convince them that he was a supporter of the blue sentients. He told them about the cortex and how it can restore sage and her memories. After reaching the cortex he tried to kill sage by trying to convince battle force 5 to put her in the wrong complier but Sherman Cortez corrected him. His plan to kill sage failed but his original mission of freeing Krytus was a success he manage to free him while battle force 5 was distracted by Sage's revival much to Zemerik's horror.

After being freed he instantly turned Zemerik's machines against him to give him a taste of what betrayal feels like. Zemerik tried to attack and destroy Krytus but Krytus was able to overpower him. Sage took the Cortez brothers to create a battle key to escape back to earth while battle force 5 and Zemerik distracted Krytus even though he was outnumbered Krytus managed to defeat them single handedly. In the end Zemerik had to sacrifice himself in order for battle force 5 to escape back to earth. Realizing he was on the blue sentient home world disgusted Krytus and stated that blues made him sick Praxion agreed with Krytus and believe they should destroy their planet. Even though Praxion freed Krytus and wanted to help him free his teammates Krytus had no further use for Praxion and killed him he then turned his attention to Zemerik. Although he wanted revenge on Zemerik for betraying him he still needed him to find his other teammates but Zemerik refused to tell him. Zemerik tried to destroy Krytus with his blue sark and Zug but Krytus was able to beat them he learned from a damaged Zug where Kytren was located in the vault battle zone. Zemerik refuse to be bound to Krytus will so Krytus destroyed him by ripping his head off and went to the vault battle zone to free Kryten but Zemerik survived and repaired Zug.

Before leaving Krytus turned Zemerik's sark red and sent them on the vandals the battle was not shown but the vandals were on the losing side forcing captain Kalus, Krocomodo, Sever, and Hatch to return back to the vandal home world leaving the other vandals at the mercy of Krytus. Zemerik and Zug traveled to the vandal home world to escape the red sark and sent a message to battle force 5 to rescue them in exchange for the coordinates of the red sentient 5. After resciung Zemerik he gave them the coordinates of the red sentient 5 and told them that Krytus would most likely free Kytren first. Zemerik manage to escape but Vert let them as the red's were the real threat they tried to stop Krytus from freeing Kytren but they arrived too late. Krytus freed Kryten and both of them battled battle force 5 although the battle was fierce using the pistons in the battle zone they managed to defeat Krytus and Kryten. Even though he was about to be destroyed he warned battle force 5 that they would meet again. It was later shown that both Krytus and Kryten's energies entered into some machine and they were able to resurrect themselves. Zemerik believed that Krytus was destroyed so he began rebuilding his empire Vert had a feeling he would do this so he sent Zoom on a recon mission to check planet Zemerik. Before they could do battle both Krytus and Kryten appeared shocking both Zoom and Zemerik Zoom left to warn the others although Krytus allows him to leave since he didn't believe battle force 5 was a threat.

Krytus then reprogramed the sark back to red and sent them on Zemerik and Zug to destroy them but they managed to escape while Kryten wanted to give chase he told him to leave the Zemerik to the sark. Instead they focused on rescuing the other members of the red sentient 5 going to the magma zone this amplified Krytus senses allowing him to find the locations of the other three members. When they learned from Zoom that Krytus was alive Sage mentioned that Krytus created re-spawn chambers although she thought it was another one of Krytus twisted ideas. As long as the re-spawn chambers were active Krytus and his team could continue to revive themselves. Battle force 5 tried to stop Krytus from freeing his team but they were too late one by one Krytus mangled to free them and they did battle with battle force 5 but they were all destroyed but since the re-spawn chambers were still active this was only a temporary victory.

Although Krytus was able to free his teammates he didn't know the coordinates of earth making it impossible for him to find and destroy Sage. This would lead to multiple battles with Battle force 5 as Krytus tried to find Sage or try to find a new way to free his people. He eventually learned that Battle force 5 were trying to destroy the re-spawn chambers which would doom Krytus and his team so he scattered them in different battle zones making it more difficult for battle force 5 to destroy them. He also tried to get rid of Rawkus a being whose sole purpose was to keep balance in the multiverse that way nothing could stop him from conquering it but that plan failed do to the interference of battle force 5. During his battles with battle force 5 Krytus managed to get revenge on Zemerik but it didn't feel as good as it thought it was as Zemerik chose to forgive Krytus. He once tried to fool Vert into helping him destroy Sage telling him she was creating a doomsday weapon that could destroy the multiverse. Krytus however was the fool as he gave vert red sentient secrets that would give them an advantage in their future battles. In time Krytus made contact with a vandal named Grimian he supplied Grimian with sentient technology and would help him become leader of the vandals in exchange Grimian would serve Krytus. However Krytus was only using Grimian to weaken the vandals that way he could wipe them out but that plan failed as well because of Battle Force 5.

Eventually, Krytus was successful in reaching earth because of a portal that opened in the mouth of the dragon but because he never went to earth before he thought he was in another battle zone. Battle force 5 managed to send him back to the red sentient home world, where Krytus would face Zoom's master Takeyasu. Takeyasu implied they met before but Krytus didn't remember who the man was both battled and both survived the conflict. The only time Krytus helped Battle force 5 was when he and Vert were trapped in the shadow zone. If his red sentient energy combined with the shadow energy it would cause the destruction of the multiverse as a result both teams were forced to work together to free Krytus and Vert. Although they were successful Krytus set up an ambush but Vert was one step ahead of him and managed to escape with his team although they failed Krytus gained a new respect for Vert even calling him by his name. Although all of his plans failed he was told by Kyburi they had found a way to free their people pleasing him.

Krytus and his team were on a battle zone setting up a drill but battle force 5 appeared and fought them. Krytus told his team to protect the drill. Eventually the drill did its job and destroyed the battle zone. This is what Krytus wanted all along by destroying the battle zone he created an intense beta wave that would reach his home world and free his people from their stasis. Realizing how grave the situation was and unable to stop the beta wave Vert told his team that the minds of the blue sentients were in Sage and their best hope of stopping the red sentients was to bring back the blue sentients. They found Rawkus and he told them where the blue sentient shells were located after this Rawkus also told Krytus where the shells were and Vert's plan to bring back the blue sentients. Although Krytus was suspicious he left to stop Vert from bringing back the blue sentients. Krytus team manage to kill Sage but she was able to download herself into the vehicles of the battle force 5 cars using the data they were able to bring back Sage and the other blue sentients. Krytus was destroyed but he managed to make it to his re-spawn chamber after seeing his people free he tried to rally them to destroy the blue sentients. However, his plans for conquest come to naught as the Blue and Red Sentients, weary of eons of fighting, agree to a new peace and Krytus is forever banished into stasis to a frozen wasteland on a distant planet.

* * *

When he was done everyone that hadn't heard about him were shocked and horrified.

Xenia: He's pure evil!

Qin: He sure is. And he wants to destroy the entire multiverse along with Sage.

Me: Luckily we aren't going to let him do that.

Nico: Nope because we're going to destroy Krytus and banish him to the Black Gates. But we're going to face each of his Red Sentient 5 and have them recruited into the Masters of Evil.

Me: Awesome. And the best part is that he doesn't have his respawning chambers anymore to save him.

Camie: How did that happen?

Me: When I powered up, my energy was so powerful that it overloaded them and blew them all to smithereens.

Eli: Good riddance.

Camie: So we got him trapped like a rat.

Me: Yep.

While we were talking, Nico didn't realize the car heading in his direction. Luckily, it stopped and out came two people that Cyborg encountered before.

Cantwell: Wait. Aren't those Cash and Sammy, the guys who stole Cyborg's car before?

Me: Cash and Sammy? I've heard of them.

Cash: Great! Jump City's gone to Hell and we run into you losers trying to escape?!

Nico: (Grabs them by the collars) Care to repeat that statement?

Sammy: Take it easy, man. We'll give you anything!

Nico: Anything? Hmm… that's a tough call. Considering that J.D. and the Loud Kids constantly question my leadership, they easily get angered, my best friend is constantly obsessed with making Hiroshi and Masato Kusaka pay, there's a Red Sentient on the loose here, we came here just because Shanan wants payback on Slade, and on top of that, Eli might still be sad over getting pissed about the recent revelation about Huggins. Yeah, I'm gonna need a high price of payment to make up for all that!

Me: Nico lets not…

Nico: (Whispers to me) Play along guys.

Me: Oh right. Yeah I am mad enough to rip someone in half!

Eli: Yeah! I still have regrets!

Sammy: Okay, fine! What do you guys want?!

Nico: 3 things. 1) You apologize to Cyborg for stealing his car. 2) You work for the Teen Titans as their mechanics. And 3) You give us Cyborg's car that you stole.

Sammy: Okay okay okay! Deal!

Cash: Yeah! We'll do whatever they say.

Nico: Good. Better hold up your end of the bargain. I'm already mad enough as it is to want to chew someones head off!

Cash: Okay okay!

Sammy: Wait. You can't just leave us out-

Lincoln: (glares at them) Don't make me use the Black Gates on you two! (tries to calm down) I need to calm down. I need to fucking calm down!

Sammy: -nevermind!

Nico: Have fun with the next interrogation!

Just as Nico gets into Cyborg's car, Cyborg himself showed up with the rest of the Titans.

Cyborg: (smirks) Well, if it isn't Cash and Sammy?

Cash: OH, C'MON!

Me: Glad you show up guys. Also I think we did good getting your car back.

Nico: Yep.

Anna Anyanova massaged Lincoln's shoulders and he calmed down and was better.

Cyborg: Thanks for getting my car back guys.

Me: No problem man.

Robin: (glares at Cash and Sammy) We don't have time for games. Where's Terra and Slade?!

Cash: Why? Plan on getting Terra back?

Beast Boy: No. We've long accepted that Terra's just another criminal now.

Raven: And we're taking her down. No matter what it takes. But it's going to be hard to do that if you don't tell us where they are!

Shanan: I know where they are.

Shanan pointed to a volcano over in the west.

Shanan: Robin, Slade is mine. Terra is doing all this against her will. Let me show you all the future.

Shanan revealed what she saw and more.

When it was done the titans were shocked!

Starfire: Oh no! Friend Terra did not deserve this!

Raven: Terra is a true friend after all.

Lola: Don't worry guys. We will save her.

Me: That's right guys. She was punished long enough. It's time to bury the hatchet. The true threat is Slade.

Shanan: Leave that to me.

Sammy: Wait! You can't just leave us out here!

Cyborg: You're right. We'll let the cops come back you up when this is all over.

Me: Or better yet. (SNAPS FINGERS)

I snapped my fingers and beamed them to the estate prison.

Nico: Estate prison?

Me: Yep.

Nico: Good thinking.

Shanan: Yeah. Get ready Slade, (EYES GLOW RED) You want to have a war, I'm going to give you Armageddon!

We went to the volcano.

Maria: (sees an unconscious Ternion behind them) You guys were busy.

Robin: Yeah we sure were.

Me: Ternion, fusion of Overload, Cinderblock and Plasmus.

Nico: Ugly.

Xenia: Yeah.

Lincoln: Hailey Huntington would love to have him as an archenemy.

Nico: Good call there buddy.

Me: I was just about to say.

Nico: Wait where's Beast Boy?

Robin tracked him.

Robin: 5 Kilometers north and 800 meters below the surface.

Shanan: He must've gone after Terra by himself!

Nico: He's going to get himself killed! Lets go!

We were off. We saw NUMEROUS Slade robots everywhere destroyed and mangled up.

Me: Whoa you guys were REALLY Busy.

Lola: No kidding there.

Lana: Yeah these robots are all trashed.

Lola: And for the record, Nico, I don't question your leadership.

Nico: I know. I was just telling you guys to play along.

Me: I get it.

Eli: And Nico I was just upset about the latest revelation.

Nico: I know Eli. I know. What Huggins did made you mad.

Camie: Yeah.

We arrived at the Volcano.

Robin: (sees tire tracks) Wait. Someone else was here.

Me: One of the Red Sentient's cars just passed through here just a few minutes ago.

Lola: Yeah.

Zoom: That's Kytren's car!

Qin: Then he will definitely be fit to join the Masters of Evil.

Nico: Yep. Lets go.

We went down the tunnel into the volcano.

We heard fighting.

Raven: Looks like Slade decided Terra's no longer useful to him.

Shanan: Figures.

Slade: Forgive my apprentice. As usual, she can't seem to control herself.

(On the end of this line, Terra straightens up behind him. As Beast Boy looks up in complete shock, she staggers toward him, her visible eye filled with tears.)

Slade: So from now on, (A tear spills down her cheek.) I will be controlling her every move.

(The suit crackles as she plods toward the Titan. After a long internal struggle, contrite mind versus unalterable command; her eyes blaze up and the camera pulls back as she levitates many tumbled stones. They fly at Beast Boy, who jumps clear and swoops away as a falcon; she merely pivots to direct her rock barrage after him. Approaching Slade as a huge wolf, he is smashed aside by a huge boulder. The mastermind just looks incuriously down at him.)

(Cut to Beast Boy, back in human form and groaning among the debris. Raising his head, he looks around the chamber; Terra emerges inexorably from the thick dust, and his fury starts to surface again.)

Beast Boy: What have you done to her? (Cut to Slade.)

Slade: Nothing she didn't want me to. (Terra steps in to face the camera.) Terra came to me seeking control, and that's precisely what I've given her. My control, her body.

(Beast Boy glares at the two; Slade raises a hand, as does Terra, on the next line.)

Slade: I think you'll find I make far better use of her powers.

(The stones around him rise into the air and slam toward him, but he turns into a rat and jumps out of the way. As he scampers toward Terra and Slade, who raise their arms together, a large chunk of the floor rises under his feet and bears him toward the ceiling. Again, a last-second jump gets him out of harm's way; he becomes a rhinoceros as he falls. Terra drops out of sight, then rises behind him on a cylindrical piece. Most of it flicks away to leave a deadly sharp point at the bottom end, which she aims at the green changeling. Just before it embeds itself in the ground, he becomes a python, loosely coiled so that Terra's missile stabs the open space inside.)

(Beast Boy slithers away only to be seized by a hand that emerges from the ground. Cut to Terra, zooming in slowly, then dissolve to Slade and continue the camera movement.)

Slade: That's my good, little girl.

(The jilted Titan becomes a gorilla and breaks loose of the stony fist clamped around him. A growling lunge takes him across the space and brings Terra off her perch; she ends up with her shoulders pinned.)

Terra: You have to stop me, Beast Boy! Please! I don't want to fight anymore! (He resumes human form.)

Beast Boy: Then don't let Slade control you anymore!

Terra: I have no choice.

Beast Boy: That's a lie! You've always had a choice!

(She stares pleadingly up at him. Cut to Slade, who backs up with a yell of pure rage, and dissolve to Terra's eyes glowing, same posture, an equally furious scream in her throat. Two thin columns shoot up and project her friend/enemy high across the lair; he tumbles down from the far wall. Cu to Slade and zoom in, then dissolve to Terra in the same pose and zoom in again. Beast Boy gets to his feet.)

Beast Boy: It's all been your choice! (crosses to Terra) You chose to work for Slade, chose to betray us, and now you've chosen to give him control! Slade isn't doing this, Terra! You are!

Terra: No!

(She collapses the floor around her feet, leaving herself on a small perch and dropping him several yards, but he quickly becomes a falcon and flies back up. He lands in human form past the edge of the cave-in, but this area buckles and flings him back even farther; as he tumbles, he becomes a wolf and sets into a run. With a tortured yell, Terra brings down a fair part of the ceiling in an attempt to flatten the lupine Titan. A dense dust cloud hides him from view; cut to a close-up of Terra, eyes squeezed shut in horror at what she may have done. A short bark makes her pop them open in surprise, and the haze clears to show him amid the rubble with one leg trapped.)

(Terra gasps sharply at the sight of him. Pan to Slade a short distance back.)

Slade: Very good, my dear. (raises his left arm) Now shall we finish him off?

(Driven against her will, she takes faltering steps toward Beast Boy, who resumes human form and strains to get himself free of the rock fall. She reaches the spot and directs an anguished glance down at her former teammate and friend before her left arm comes up.)

Beast Boy: Terra! No!

Terra: He's too powerful! (Her hand glows.) I can't stop him!

Beast Boy: Yes, you can! It's your power, not his! (as she reaches to him) You can still control it! You can still do the right thing!

Terra: (sadly) It's too late.

(The rock sheets around him rise and form into a pointed missile, just like the one she tried to impale him with earlier. It hovers above his prone form as she keeps that left hand motionless in front of her; the battle is still raging in her mind and heart. Close-up of him, eyes fixed on the o.c. implement of death; its point plunges into view, but stops just short of his face. He utters a small gasp at having been spared; her attention is drawn by the next word.)

Robin: (from o.c.) STOP!

(Cut to the overhead reaches. He swings down on the end of a line and flashes past Slade.)

Slade: Strike, apprentice! Now! (Robin lands, followed by Cyborg with his cannon ready.)

Robin: Terra! No!

(Starfire flies in; Raven's eyes glow from the shadows, and she steps forth with both hands set to blast.)

Raven: It'll be the last thing you ever do!

(The standoff is now well and truly joined; Terra holding Beast Boy at the point of her lethal stone barb, while she herself faces down checked starbolts, cannon, telekinesis, and explosive discs.)

Slade: I gave you an order!

(Terra stares wide-eyed; cut to Starfire in midair, hands and eyes fully loaded.)

Slade: (from o.c.) DO IT!

Starfire: Please, Terra, no!

Cyborg: Don't do it! Don't do it! (Cut to her and Beast Boy.)

Robin: (from o.c.) Listen to us, Terra.

(His voice and those of the other three armed Titans call out a jumble of arguments, trying to talk her down. As they fall silent, cut to Beast Boy and zoom in slowly.)

Beast Boy: It's your life, Terra. Your choice. It's never too late to change.

Terra: Sorry, Beast Boy, for everything I've done.

Then a green energy blast was fired and it hit Slade and exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

When the smoke cleared, Slade emerged with a hole in his uniform and Shanan came out with her hand open.

Shanan: Your fight is with me Slade! I will kill you gor everything you did!

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above them and a phoenix cry was heard and fireballs rained down and they hit Slade all over the place and burned him.

We came out.

Me: Terra lets get that suit off you.

Terra: I can't get it off! It's merged with me.

Me: No problem. Lightning will get it off.

I fired a blast of lightning and it hit Terra and the suit fell off and she was free!

Slade: NO!

Robin: It's over, Slade. This time for good! (Slade chuckles) What's so funny?

Slade: Oh, Robin. I actually have arranged for someone else to fight you and your friends.

Me: Why am I not surprised! We actually knew you had help. You can come out now Kytren! We know you're here!

Nico: Yeah!

Kytren of the Red Sentients came!

Zoom: Long time no see Kytren.

Kytren: Battle Force 5…

Kytren summoned his Vylirex and got into it.

Zoom: (presses a button) Good thing Nico gave me this.

The Chopper appeared before Zoom got into it.

Me: You make me sick Slade!

Qin: Yeah! You don't give a flying fuck about anyone but yourself!

Shanan: YEAH!

Shanan went over to him and she was infuriated!

Shanan: That's it, I've had it up to hear with you to last a fucking eternity, Slade!

Suddenly, something within Shanan's mind snapped as memories of Slade's crimes and Terra's sacrifice rushed and echoed through her head, and her emerald green eyes turned neon emerald green, and she was surrounded by an emerald green energy aura with life energy, stars, galaxies, planets, magic, angels, and phoenixes, and as she angrily approached Slade, she left emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes with every step.

Shanan: You absolutely make me fucking sick, Slade, you caused a shit ton of trouble for the Titans and for all of Jump City all for your attempts to take over the city, and on top of that, you've had absolutely no fucking remorse for any of your crimes, that is completely inexcusable. (SUDDENLY GETTING EXTREMELY AND

DANGEROUSLY PISSED OFF) But, what you've done in using Terra and turning her against her friends in yet another attempt to take over the city and you also caused her nothing but pain and suffering… , YOU HAVE ABSOLUTELY CROSSED ONE FUCKING LINE TOO MANY FOR THE LAST FUCKING TIME, SLADE, AND FOR THAT, I WILL MAKE YOU PAY FOR EVERYTHING YOU HAVE DONE AND MORE, AND I WILL MAKE SURE THAT YOU DIE A HORRIBLE, BLOODY, PAINFUL, AND EXCRUCIATING DEATH!

We gasped at the sheer and extremely dangerous extent of Shanan's rage: and this meant that Slade has already fucked up big time.

Me: Oh, shit!

Nico: Slade, you are eternally damned for good!

Lincoln: What happened that day still scarred Shanan even now, and now, she's going to see to it that Slade dies here and now. STAND YOUR GROUND, GANG, SHE'S GOING TO EXPLODE!

We stood our ground as Shanan screamed like a madwoman and then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOMMM

There was an extremely massive and powerful explosion of energy as emerald green energy exploded from her, and she was surrounded by a massive vortex of emerald green energy with life energy, stars, galaxies, planets, and magic, surrounding the vortex, there are aliens of different species, angels, and phoenixes running around the vortex, and in the vortex is a green phoenix, and the force of the vortex and power was so great, it freed Terra from the suit Slade put her in, and she was in brand-new clothes and freed from Slade's control. Then, as the vortex faded, Shanan emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Shanan grew to 7'4" in height, she has the body of a goddess, she has green highlights in the bangs of her long blue green hair, she has neon emerald green eyes and an emerald green energy aura with life energy, stars, galaxies, planets, magic, angels, and phoenixes surrounding her, she has an angel and phoenix with a planet above their heads emblazoned on her forehead and Third Eye with emerald green iris, she has on phoenix earrings with emerald green gems for eyes and holding the Planetary, Life, Magic, and Eternity Kanjis in its claws and her Crystal Necklace of the Buddha with emerald green gems on the gold star links and emerald green crystal links and an emerald green phoenix-shaped Element of Harmony and on the bottom of the Element of Harmony is an angel with emerald green gems for eyes and holding the Planetary, Life, Magic, and Eternity Kanjis in its hands for the pendant. Shanan has on a sleeveless brown blouse, sleeveless strapless dark blue top, dark blue pants with green flowers, green heeled sneakers, and long white sleeveless trenchcoat with stars, galaxies, planets, magic, angels, and phoenixes on the coattails and on the back of the trenchcoat is the entire Solar System with a phoenix and angel above the sun with aliens surrounding the planets and magic. Suddenly, Shanan felt a sharp pain on her back, and then, massive blue green angel wings with emerald tips on the feathers, grew and sprouted out of her back and she now has eleven massive and long blue green wolf tails. Shanan has on a Ring of The Phoenix with emerald green gem and heart-shaped gem embedded in it on her right ring finger and a White Lantern Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Shanan's sword and all of the swords she'd gotten began merging together, and they're surrounded by a kaleidoscope of emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes, and when it emerged, it was transformed into Shanan Knudson's Interstellar Planetary Life Magic Greatsword of Interstellar Planetary Life Magic Justice, it's a brand-new massive greatsword with embedded colored gems representing the planets in the Solar System and an angel and phoenix etched on the 7'0" massive, wide, double-edged dark blue blade, large angel heads for the crossguard, large white angel head embedded in the rainguard with large emerald green gem embedded in the forehead, longer midnight black handle, four large phoenix heads with emerald green gems for eyes and a large dark blue gem on the bottom of the phoenix heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with dark blue gems on her wrists, her Belt of Elemental Bravery with a gold phoenix head with emerald green gems for eyes and large dark blue gem in its beak for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Shanan has transformed into SUPER ANGEL-PHOENIX-HARMONY CELESTIAL ETERNAL XELNAGA ETERNAL LIFE INTERSTELLAR PLANETARY LIFE MAGIC ANGEL OF DIVINE INTERSTELLAR PLANETARY LIFE MAGIC JUSTICE AND DIVINE INTERSTELLAR PLANETARY LIFE MAGIC LOVE!

We were really amazed by Shanan's Super Angel-Phoenix-Harmony Celestial Eternal Xelnaga transformation, but when Slade saw it, he fell into a rage.

Slade: You rotten, little… !

But, Shanan fired a powerful emerald green energy blast with life energy, stars, galaxies, planets, magic, angels, and phoenixes and it hits Slade and exploded and sent him into a wall, he got back up, but now, he was really enraged.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **You've caused enough damage to far too many innocent lives, Slade, and now, I will end your miserable life and see to it that you never rise again.**

Shanan went after Slade, and she fired powerful blasts of emerald green energy, life energy, stars, galaxies, planets, magic, angels, and phoenixes, and they exploded with incredible power as they hit Slade, then, she attacked him with her massive greatsword and leaving scars on him. Slade went at Shanan and tried to hit her with punches and kicks, but Shanan dodged every last one of them, and she countered with brutal kicks and punches of her own, and she was really letting Slade suffer.

Cyborg: (gets out of the Vylirex's way) Any suggestions on how to beat this guy?!

Me: Just one.

I fired an energy blast and destroyed the Vylirex in a powerful explosion!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Eli: Take that!

Kytren was down but not out!

POW! BLAM SMASH!

Shanan brutally pulverized and mangled Slade up.

Shanan: **You don't know how long I've waited for this Slade!**

BLAM SMASH!

Kytren got up and charged at Terra… only for Zoom to knock him out with one punch to the face.

Terra: (to Robin) Robin, I swear to you I didn't know about Kytren!

Robin: I know Terra. I know.

Me: Just leave Kytren to us.

Shanan was REALLY TEARING SLADE APART!

Shanan: **Words cannot begin to describe how much I hate you SLADE!**

She slashed him across his chest with her sword!

Shanan: **COUNTLESS LIVES have been tortured and slain because of you! And throughout the years you never gave a damn about who lived and who died!**

SLASH! SLASH SLASH!

She slashed him across his chest and then his face!

Shanan: **And for what!? For World Domination, to destroy the entire city and kill anyone that gets in your way!? NO MORE!**

SLASH!

She slashed him across his head and punched him viciously and mercilessly pulverized him and bashed him all over!

Shanan: **Too long have you gotten away with everything Slade! You MAKE ME FUCKING SICK JUST LOOKING AT YOU!**

POW BLAM SMASH!

She punched off his mask and revealed his true face and it was a a scarred and mangled up face!

Shanan: **I am now going to torture you and rip you apart piece by piece in the most painful and agonizing way ever imagined!**

She fired a barrage of Crazy Finger Blasts and blasted him all over and he was being blasted all over.

Nico: Eli, can you sense if Swartz's creations are near?

Eli: On it.

He did so and found them.

Eli: 50 klicks and closing.

Nico: It'll be a while before they get here. Plenty of time.

Terra got on her black shirt and old clothes.

Terra: There. Slade, you really disgust me! I will not let you get away with everything you did! You may have forced me to turn against my friends and turn everyone against me! BUT THERE IS ONE THING THAT I HAVE THAT YOU DON'T! AND THAT IS A HEART AND LOVE!

SHE FLARED UP HER POWER WITH INCREDIBLE EXPLOSIVE FURY!

ROCKS SMASHED AND PULVERIZED SLADE ALL OVER THE PLACE!

Nico: WHOA! WHAT POWER!

Eli: INCREDIBLE!

The force of her power was so intense that the entire volcano exploded!

EXTREMELY MASSIVE AND INCREDIBLE EXPLOSION!

There was a massive crater where the volcano was!

Terra was mad as all get out!

Shanan: **Terra, lets take this monster down together. It wouldn't be fair to leave everyone else out.**

Terra: Good thinking.

Nico: (Gets out Trickster and Toyman's Ridewatches) Let me in on this!

He activated them and blasted down Kytren with energy blasts and knocked him out and they tied him up.

And with a scream of supreme fury, she swings her hand across the crater. The projectile she made earlier pivots to point in that direction, and rockets directly at Slade. He jumps away from his vantage point, but the shock wave throws him off balance and sends him much farther back. She starts after him before anyone else can, then opens up a fissure to swallow him up; he leaps clear and perches amid a jumble of steel girders in the ground. Slade gets to his feet and finds Terra descending behind him; her gritted teeth and pinpoint pupils show that she has had all of him she can stand.

Slade: You ungrateful, little-

Shanan fired energy blasts at him and blasted him all over the place. Without finishing the thought, which surely would have ended with a very colorful obscenity, he charges at her. She holds her ground and brings up an immense column as he approaches; it carries him upward a bit too fast for his own comfort, and the Titans look on from the far end of the lair. As loose rocks rain down everywhere, Slade is driven to his knees before Terra. She begins to pelt him with one chunk after another.

Shanan and me fired waves of energy and blasted Slade all over the place!

May froze Slade in a block of ice.

May: Should be easy to kill you now.

Slade's lower body only was frozen.

Slade then broke out and grabbed Shanan in a hold.

Slade: IF I GO DOWN I'M TAKING YOU WITH ME!

Shanan: (SMIRKS) **I knew you would do this.**

SHE FLARED UP HER POWER AND BLASTED HIM OFF!

She then fired waves of energy and blasted him down.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **You don't deserve to live a single second further, Slade.**

Shanan drew the Judgement Kanji on Slade's forehead.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **UZUMAKI JUDGEMENT STYLE NINJA ART: BLACK GATES!**

Slade was sent to The Black Gates after he was found guilty by those he'd harmed.

Slade: DAMN YOU ALL, TEAM LOUD PHOENI (FADES AWAY)

THE TERROR OF SLADE WILSON HAS BEEN ENDED FOR GOOD, AND TERRA'S SACRIFICE HAS BEEN PREVENTED!

Lincoln: Whoa! I… honestly have no words to even say, but Shanan, that was really awesome!

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **Thanks, Lincoln, but we're not done yet. We've still got Krytus to banish to The Black Gates, but his followers, we'll have them join The Masters of Evil.**

Me: Good thinking, Shanan, and you did amazing.

Shanan: (Divine Echoing Cosmic Voice of The Interstellar Planetary Life Angel and Divine Interstellar Planetary Life Justice) **Thanks, Dad.**

Nico: We already defeated Kytren and sent him to the M.O.E. HQ.

Xenia: Yeah.

Shanan: Good.

Nico: Don't expect ALL of them to appear on my rescues though.

Shanan: **No promises. But at least Slade is gone forever.**

Terra: Thank goodness.

Terra then broke down crying.

Me: Terra.

Beast Boy: Terra.

Terra then hugged Beast Boy and cried hard.

Beast Boy: Terra it wasn't your fault.

Qin: If anyone was to blame for all this it was Slade.

Lisa Simpson: Yeah he did this to you.

Shanan: But Slade is gone for good now.

She powered down.

Shanan: No one will ever see that monster again.

Robin: Yeah Terra. What happened to you was totally evil. You have been punished enough.

Shanan: That's right Terra. In the end you redeemed yourself and you saved your friends and all of us.

Nico: Yeah.

Terra: Then it's not too late for me to do this.

Then she kissed Beast Boy.

She and Beast Boy kissed.

It was awesome.

Beast Boy and Terra were happy.

Beast Boy: Whoa can I get fries with that shake?

We laughed.

Nico: And the version of you with us can turn into a Killer Whale.

Me: It's true. Awesome story there.

Terra: Wow. But thank you guys for saving me and Shanan thank you for killing Slade.

Shanan: It was my pleasure Tara.

Terra: You know my name?

Me: Yeah we know all the superheroes and villains real names. It's a long story.

Camie: Yeah it sure is.

Sirius: We have a lot of teammates and more.

Eli: Yeah.

Nico: And we prefer calling you Tara.

Me: Yeah.

Terra: I understand.

Nico: Yep. But you all did a great job guys.

Lola: Yeah.

But then I saw a glow and the Black Turtle Legend Wonder Ride Book was glowing.

Me: The Black Turtle Legend book is reacting to something.

Nico: That means the next Another Wonder Ride Embodiment is close.

Me: Yep. It sure is.

Nico: Who's up next?

Me: We don't know who it is for yet. Lets find out who it is first.

Nico: Okay.

Then out came a giant TURTLE! It was ANOTHER BLACK TURTLE LEGEND!

Me: Whoa! Another Black Turtle Legend!

Robin: Wow! That is amazing!

Terra: Wow it sure is!

Another Black Turtle Legend: (In a girls voice) It sure is.

Me: (GASP) That voice!

She changed back and it was a girl with dark blue hair and blue and aqua blue clothes and had dark blue angel wings and her own version of Kamen Rider Buster's Sword!

Me: (GASP) Melanie Monstro A.K.A. Sailor Monstro!

Nico: What the?!

Eli: Monstro the Whale!?

Me: Yep.

CLANG!

Nico's jaw dropped.

I put his jaw back.

Nico: Monstro has a Sailor Soldier!?

Me: Shocking isn't it?

CLANG!

Nico's jaw dropped.

I put his jaw back.

Nico: Monstro has a Sailor Soldier!?

Me: Shocking isn't it?

Nico: I bet her appetite is just as big.

Me: You better believe it is! She is the only known person to beat the Paul Bunyan Burger Challenge all by herself and won.

Nico: Wait you mean that impossible burger that no one even won!?

Me: The very same. It's a burger that's 10 feet tall and as wide as a whole dinner table and weighs over 1,000 pounds.

CLANG CLANG CLANG CLANG CLANG CLANG CLANG CLANG!

The Mane 8, Qin, Eli and Varie's jaws dropped and so did Nico's again!

I put their jaws back.

Me: You guys got to stop doing that or you're going to catch flies.

Nico: That is absolutely amazing that she ate that big a burger!

Me: Yep.

I pulled out a picture and showed it to everyone and it showed that she ate that burger easily and she was wearing a shirt that said PAUL BUNYAN EATING MASTER!

Robin: Whoa! Having an appetite like that is a very impressive feat!

Qin: You're not kidding! Wow!

Eli: That is amazing!

Sailor Monstro: Yeah that was one delicious burger. And you wouldn't believe how long it takes to make it.

Me: They have to take 1,500 pounds of beef and bake it for 3 days and then bake 200 pound bun and put lots of toppings on it. Lettuce, tomatoes, onions, pickles, cheese, ketchup, mustard, mayonnaise, the works. That entire burger costs over $50,000. If a contestant fails they are left with one hefty bill.

Nico: WHOA! That is preposterously amazing and crazy!

Sailor Monstro: It sure was.

May: Does Monstro even count as a world?

Me: Well yeah he does. Because he may be a huge whale but he is definitely a world.

Sailor Monstro: It's true. Monstro may be a whale but he is still a world.

Nico: Wow!

Xenia: That is amazing.

Me: It sure is.

Eli: That sure is amazing.

Lola: Yep.

Fluttershy: I will gladly face you. I helped beat Monstro before.

Sailor Monstro: I heard about that and you are a true love of animals Fluttershy.

Me: By the way Melanie, anymore opponents with you?

Sailor Monstro: Yes there is. Another version of her.

She pointed to Cantwell.

Cantwell: Another version of me? Wow!

Lola: This will be interesting.

Lisa Simpson: It sure will.

Nico: Friendly or hostile?

Me: Right I was gonna ask that.

Sailor Monstro: Friendly and J.D. you might like this one.

Me: I have a feeling I will.

Nico: Me too.

Fluttershy: Shall we get wild?

Sailor Monstro: We shall.

She turned into Another Black Turtle Legend!

Fluttershy: The power is about to get WILD! (HOWLS LIKE A WOLF)

She flew at her and fired waves of energy and blasted her down and I caught the wonder ride book she had and it was called Dark Genbu of the North! It turned into a new book called THE STAR TORTOISE OF THE NORTHERN FORESTS!

Me: Cool!

I went and picked up Sailor Monstro and brought her over.

Nico: One down

Varie: She'll be okay.

Robin: That was amazing though.

Terra: It sure was.

Then we saw a figure and it was a dark version of Cantwell! It was ANOTHER CANTWELL!

Me: Whoa! Another Cantwell!

Camie: This one is gonna be interesting.

Nico: Yep.

Another Cantwell: (In a girls Voice) Looks like the fun has come.

Me: (GASP) That voice! Hailey Halloween A.K.A. Sailor Halloween Town!

Nico: Whoa! Halloween Town's Sailor Soldier!

Camie: Wow!

Another Cantwell: Good to see you again J.D.

Me: You too Hailey.

Nico: Wow!

Me: Hailey is a teacher on the history of Halloween. Also she has this intense power that can bring your worst fears to life. She tried it on a bunch of death row inmates and scared the living crud out of them.

Xenia: WHOA! That is amazing!

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Another Cantwell: He didn't promise me anything. I scared the living daylights out of him with his worst fears. He was afraid of chimney sweepers.

Me: What?

Varie: Chimney Sweepers?

Another Cantwell: Yeah crazy huh? But I got away from him before he can offer anything.

Camie: That is crazy.

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Qin: That is funny! Swartz afraid of Chimney Sweepers.

Me: Yeah we should have used his own fear against him on August 12th last year.

Xenia: That would have been funny.

Lisa Simpson: It sure would.

Me: Lets get it on. (SPINS MAGISWORD BRACELET)

DRIPPY CANDLE MAGISWORD!

I fired candles and smashed her down!

Me: You know back over 300 years ago we only had candles to use.

Nico: We sure did.

Me: Yeah.

Nico: (gets out Cantwell's Ridewatch) You'll be happy to know that Juran was the one to kill Oogie after what he said during the 20 Days of Darkness.

Juran: I still wasn't expecting Lana to eat his bugs though!

Another Cantwell: I heard that Lana ate all his bugs 3 times though!

Lana: You bet I did and man were they tasty bugs!

Another Cantwell: Nice! And I heard about what Oogie said! What a worthless pathetic sack of bugs he was.

Me: A no good unsanitary eel in the kelp!

Another Cantwell: You got that right! But I'm glad Oogie is gone.

Me: So is everyone in Halloween Town.

Nico activated the ridewatch and fired Rainbow Chakra blasts and smashed her down.

Nico: NICE!

Me: This will be fun!

NEEDLESSLY COMPLICATED MAGISWORD!

I fired waves of energy and they formed into soldiers with frying pans from Disney Infinity!

They came at us and we bashed and smashed them in their faces and I ducked under one of their strikes and took their frying pan and smashed his face in.

Nico: (gets out Quirrel's Ridewatch) Magic time!

Me: I'll add this too.

SHOOTING STAR MAGISWORD!

I fired stars and smashed her all over and Nico activated the ridewatch and fired a blast of magic and blasted Another Cantwell down.

Qin: YEAH!

Lola: That was cool!

Beast Boy: That was one that makes you see Stars! (LAUGHS)

Raven: That was not funny.

Me: To quote Vambre: BOO!

I pulled out the Tomato Magisowrds and fired a huge tomato and it hit Beast Boy in his face and splattered him.

Terra: Nice shot.

Me: Thanks.

May: (gets out Chojuro Kon's Ridewatch) I can't believe a powerful Time Jacker like Swartz is afraid of Chimney Sweepers!

Me: That is very silly but stupid. But how about this?

RUNNY NOSE MAGISWORD!

Me: This one is a little silly and gross.

I fired a wave of energy and it made Another Cantwell sneeze!

She sneezed a huge stream of snot out of her nose.

Nico: YUCK!

Me: Bless you.

May activated the Ridewatch and fired waves of energy and smashed her down.

May: (gets out Fluffy Bunch's Ridewatch) Feel the power of cuteness!

Fluttershy: Let me challenge that too.

May activated it and she and Fluttershy did a lot of cute faces!

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Me: That one would make the jerks at Lynn's Table burst.

We laughed!

Me: How about this one?

HOT OIL MAGISWORD!

I fired a wave of scalding hot oil and Another Cantwell jumped and the oil hit the ground and it burned the ground like acid!

Nico: WHOA that is potent oil!

Me: It sure is.

GIANT EGG MAGISWORD!

Maria: (gets out Orion Zodiarts' Ridewatch) You ever wonder what Poliwag does all day?

Nico: All the time.

Me: Ooh I smell another documentary coming.

Me and Maria fired waves of eggs and stars and smashed her down.

Me: YEAH! Here's one that Twilight and friends would love.

PRETTY PRETTY PEGASUS MAGISWORD!

I fired rainbow energy and smashed down Another Cantwell.

Maria: (Gets out Hacouchin's Ridewatch) You guys are still here?

Robin: It's the least we can do after you guys helped us.

Me: They deserve a good show.

RADIATOR MAGISWORD!

It lit up to red hot and my fire aura flared up.

Maria activated the ridewatch and fired waves of fire and I fired scalding hot water and the blasts smashed him down.

Xenia: Yeah!

Chalmers and his team consisting of Supreme King Jaden, Altar Zodiarts, Minister Blizzard, Nightmare X And Sorcerer Doomlander arrived.

Nico: Nice team, Chalmers!

Chalmers: Thanks Nico. It's cool.

Nicole: Wow and you have Nightmare X from Metroid Fusion! Awesome.

Chalmers: Thanks.

They fired waves of energy and smashed her all over.

Chloe Terryington: My turn. (ACTIVATES QUIRREL'S RIDEWATCH)

She fired magic blasts and smashed her down.

Minister Blizzard: Chill out!

He fired waves of ice and smashed her down.

Me: Oh yeah!

Nico: Cold!

Laney: YEAH!

Then something nuzzled her leg.

Laney: Huh?

She saw a Cleffa.

Laney: Hey a Cleffa.

She picked it up.

Laney: Aww aren't you a cutie.

Cleffa: (In a girls voice) I sure am a cutie.

Laney: Wow! Hey guys the next gene-slammer found us.

Nico: Whoa!

Cleffa: Awesome to see you Nico.

Nico: Sammie Valentine!? Whoa!

Cleffa: Yep. I got this.

She fired an Aurora Beam blast and it hit Another Cantwell and knocked her down and I caught the ridewatch and purified it and I went over to Sailor Halloween Town and she was a girl with orange hair and orange and black clothes and I picked her up.

Sailor Halloween Town: (GROANS) What a headache.

Me: You're all right.

Terra: You're so adorable!

Nico: She sure is.

Qin: Long time no see Sammie.

Cleffa: You too Qin.

May: Boy she looks awesome this way.

Lola: Yeah.

Cleffa: Oh stop guys.

Chloe Terryington: What's your favorite memory of Nico?

Cleffa: I have a lot of them but my favorite is where me and Nico went and stopped a bunch of fairy hunters from killing my kind.

Nico: Oh yeah. That was fun.

Me: So you're a fairy? Whoa.

Cleffa: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses.

Nicole: Better cover your eyes guys. She's gonna be in her birthday suit when she reverts back.

Robin: Oh I see.

Beast Boy: Oh boy.

The boys covered their eyes and Nico pulled out a magenta jumpsuit and I snapped my fingers and she reverted back.

Sammie increased in height.

She regained her height and human form and had pink butterfly wings and she was back to normal.

Nico gave her the jumpsuit.

Sammie Valentine: (GROANS) What a rush.

She put it on and got up.

Nico and Sammie hugged.

Nico: I've really missed you.

Sammie Valentine: Me too Nico. Me too.

Beast Boy: Good thing this volcano didn't erupt, huh?

Terra: No kidding.

Qin: Thank goodness for that.

Lola: No kidding.

Me: But the best part is that we're rid of Slade forever.

Xenia: No kidding.

Nico: Yep.

Robin: Thanks for helping us guys.

Me: Anytime Robin.

We later left the simulator and came back and we told everyone what went down and more.

But, we also got some bad news: Dark Ace of The Cyclonians is back, and he still wants revenge on us for destroying him, and when the news of Master Cyclonis' death hit him even from beyond the grave, it really pissed him off, and now, he has another reason to still want revenge on us.

Lincoln: Wow, so we're here in the south of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the five girls here, but we're also going to be in for a big surprise: we're going also meet more of the Legendary Hanna-Barbera Toons from the past and old friends of Yogi Bear, Cindy, Boo-Boo, Hong Kong Phooey, Top Cat and his friends, Jabberjaw and his friends, Space Ghost, The Flintstones, and the Hanna-Barbera toons who are already on the team: Loopy De Loop, Huckleberry Hound, Quick Draw McGraw, Mr. Jinks the Cat, Pixie and Dixie, Snagglepuss, Hokey Wolf, and Ding-A-Ling.

Me: To think that more of the legendary Hanna-Barbera toons from the past were also living here in our city, this is really awesome!

Nico: We did meet several of those legendary toons before: Yogi Bear, Cindy, Boo-Boo, Hong Kong Phooey, Top Cat and his friends, Jabberjaw and his friends, Space Ghost, The Flintstones, and they're already on the team. But, we also got some bad news: Dark Ace is back, and he still wants revenge on us for destroying him, and when the news of Master Cyclonis' death hit him even from beyond the grave, it really pissed him off, and now, he has another reason to still want revenge on us.

Lincoln: If he thinks we're just going to kill him, he's even dumber than he looks. Besides, death is too kind for him, no I've got a better punishment for him: he's going to be condemned to The Masters of Evil's prison, just in case we need him.

Yakko: Okay, but if he pulls one dirty double-cross, I'm sending his hide straight to The River of Fire for all eternity, but not before I tear his arms off and shove them right down his throat and tear out his intestines and strangle his neck with them, and then, I'll rip out his black heart and eat it right in front of his ugly face!

Nico: (Whistles) Remind me never to piss you or your siblings off, Yakko.

Lincoln: From what he just said, we're not looking at him or his siblings the same way again, and I want to thank you, Pure Terra Dragon, Pure Sea Dragon, and Pure Nature Dragon for joining us, Cameron.

Cameron: You're welcome, Lincoln.

Fasha: And if I'm not mistaken, the next Cthulhu Mythos entity incarnation is here.

Gine: Arabella Yog-Sothoth, and since she's just like Adriana Azathoth, she'll have the Sigil of Yog-Sothoth on her forehead, and she'll be coming in later.

?: (French-Canadian Accent) Ah, you've made it here at last, Team Loud Phoenix Storm.

Suddenly, we saw a tall brown-furred male gentleman wolf with tanned-fur muzzle and tanned-fur hands and wearing a tuque knit cap and yellow scarf head for us, it was Loopy De Loop, one of the legendary Hanna-Barbera toons.

Lincoln: Loopy De Loop, I knew you'd be the first of the toons to greet us.

Loopy De Loop: (French-Canadian Accent) Indeed, Monsieur Lincoln, and I'm also glad that our friends gave you the news that we wanted to meet you all. Please, come with me.

We followed Loopy De Loop, and we met up with Huckleberry Hound, Quick Draw McGraw, Mr. Jinks the Cat, Pixie and Dixie, Snagglepuss, Hokey Wolf, and Ding-A-Ling, who were with Yogi Bear, Cindy, Boo-Boo, Hong Kong Phooey, Top Cat and his friends, Jabberjaw and his friends, Space Ghost, and The Flintstones.

Huckleberry Hound: Well, bust my britches, Team Loud Phoenix

Storm's here!

Me: That's right, Huck, and we're surprised to see you all here.

Dixie: We decided to move to Gotham Royal York after everything Yogi told us about this city.

Pixie: And it's really amazing.

Mr. Jinks the Cat: And we're already amazed by this city.

Nico: You got that right.

Huckleberry Hound: And it's also good to see you again, Lincoln.

Me: Wait, you toons know…?

Lincoln: It was actually a long time ago.

Loopy De Loop: (French-Canadian Accent) But, we remembered it all too well. I was walking through the forest one day, but then, I saw a little boy crying in despair, and with him were several girls with him and they were comforting him. I could never ignore that kind of cry, I decided to head over and I introduced myself, and then, the boy introduced himself as Lincoln Loud, and he told me that five of his sisters had grabbed and beaten him black and blue and left him for dead, and they were laughing at his pain.

Nico: Those five sisters that he mentioned to you were Lori, Lynn, Lola, Lisa, and Luan, the five mean Loud sisters in his family, they were like this because of their Dark Sides. But, I can guess that you also told the others.

Huckleberry Hound: He sure did, Nico. We were horrified to see that kind of thing happen to someone like Lincoln.

Snagglepuss: And we were absolutely aghast with horror at what they did to him.

Quick Draw McGraw: Yep, so we all decided to head down there to comfort him.

Mr. Jinks the Cat: When we first met him, he was a nice person, but to see those kinds of injuries on him and crying in despair, that really hurt us. But, Nicholette decided to ask us for help.

Gine: And I can guess it was a plan of payback.

Huckleberry Hound: You guessed it. We lured Lori, Lynn, Lola, Lisa, and Luan out with fake invitations to a party at Royal Woods High School, but when they arrived at the parking lot, we then unleashed a lot of havoc on them: throwing pies at their faces, setting firecrackers off, and our usual toon tricks.

Loopy De Loop: (French-Canadian Accent) But, then, his Guardian Angels unleashed retribution on them, they were pummeled all over the place and they were also tied up. Vicky Emily Skartaris then called his parents and Leni, Luna, Laney, Lucy, Lana, and Lily to come over, and we explained every last detail of what Lori, Lynn, Lola, Lisa, and Luan did, right after Ms. Rita woke Mr. Lynn up after he saw us.

Lynn Sr.: Well, could I help it? I watched you all when I was a kid, same with Rita.

Lincoln: He's right, though. Anyways, after Loopy explained everything, Mom and Dad grounded Lori, Lynn, Lola, Lisa, and Luan for eighteen weeks and sent them to Aunt Ruth's.

Nico: Again?! I can guess Lori, Lynn, Lola, Lisa, and Luan begged and pleaded with your parents, but to no avail.

Luna: You got that right, they were doomed. Though we knew they did bad, sending them over to Aunt Ruth's for that amount of time, even we knew that was too cruel, but they needed to learn a big lesson.

Huckleberry Hound: That's right. Then, after that, we said our goodbyes to Lincoln, his Guardian Angels, his parents, Leni, Luna, Laney, Lucy, Lana, and Lily and we left. But, we swore if anything like that happens again, we told Lincoln to call us and we'll come.

Lincoln: Yep, so now, you guys also know about me having a friendship with some of the legendary Hanna-Barbera toons.

Top Cat: We were stunned ourselves, but then again, there's a lot we don't know about you, Lincoln. Now, I think it's time to get down to business. Loopy, you guys said you saw Dark Ace here, right?

Loopy De Loop: (French-Canadian Accent) Yes, we did, and he has five girls held hostage there, and he was planning on killing them. But, then, we saw a girl with long midnight black hair with midnight black angel wings come in, and she pummeled him and she got the girls untied.

Suddenly, we saw a beautiful girl with short midnight black hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the sigil of Yog-Sothoth on her forehead, she has on a sleeveless midnight black open blouse, sleeveless midnight black midriff top, midnight black frilly skirt with the symbol of Cthulhu on it, midnight black pants, midnight black high-heeled boots, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Yog-Sothoth and holstered on her back is a massive Yog-Sothoth-themed greatsword with embedded red gems and Yog-Sothoth etched on the 7'0" massive, wide, double-edged midnight blade, large midnight black demon heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads with curved tentacles and large red gem on the bottom of the large demon heads for the pommel, and in her right hand is the Cactus Magisword, and with her are the five girls.

Lincoln: (Gasps) I knew we'd run into you here, Arabella Yog-Sothoth, but we'll talk later, Dark Ace is already heading for us.

Arabella Yog-Sothoth: Yep, and I really made him mad by firing cactuses at his crotch and his butt.

?: I WILL HAVE MY REVENGE ON YOU ALL FOR WHAT YOU DID TO MASTER CYCLONIS, TEAM LOUD PHOENIX STORM!

We then saw our target, Dark Ace, and man was he really mad and he was covered in cactus needles and cacti covering his crotch and butt.

Lincoln: Whoa, holy cow, you really made him mad, Arabella!

Nico: (Whistles)

Me: Oh, brutal!

Lincoln: Looks like we didn't have to wait that long to hunt you down, Dark Ace. No matter, time to send you on a one-way trip to prison.

Dark Ace went after Loopy De Loop, but the Big Good Wolf fired a blast of energy, which hit Dark Ace

and sent him flying into a tree.

Nico: Wait a second, because you guys had seen our adventures, you've also been practicing on the side?

Loopy De Loop: (French-Canadian Accent) Exactly.

Huckleberry Hound: That's not all. Watch this.

Huckleberry Hound sprouted blue angel wings and he flew at Dark Ace and really pulverized him. The others did the same thing and sprouted angel wings in their fur colors and went at Dark Ace and they pulverized him with blunt instruments, and Dark Ace was on his last legs.

Mr. Jinks the Cat: He's all yours.

Lincoln fired rainbow energy blasts at Dark Ace, which transformed into a rainbow energy straitjacket and rainbow energy chains and he was tied up in them and beamed to The Masters of Evil's prison. We cheered as we holstered our weapons and powered down.

Lincoln: Strike Three, and you're outta here, Dark Ace! (To Arabella Yog-Sothoth) And it's so good to see you again, Arabella Yog-Sothoth.

Arabella Yog-Sothoth: You too, Lincoln, it's been a long time.

Lincoln went up to Arabella Yog-Sothoth and he hugged her, and Arabella Yog-Sothoth is very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Arabella Yog-Sothoth: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, this is Arabella Yog-Sothoth, The Incarnation of Yog-Sothoth, she's my Guardian Angel from Massachusetts and classmate in Reading and friend of Adriana Azathoth, she's the most intelligent of The Cthulhu Mythos entity incarnations, since Yog-Sothoth is another one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Yog-Sothoth himself, along with the power over time and space, immortality, along with knowledge of all forms of black, dark, and Satanic magic, and knowledge about the multiverse, and she's also the master of a dark power called Yog-Sothoth's Dark Multiverse Tragedy, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the thirteen globes that are part of Yog-Sothoth, and that'll drive them mad, and even worse, the thirteen globes will then form into Yog-Sothoth, and should they dare see him, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Adriana Azathoth: That's right, and like I said yesterday, the other Incarnations of The Cthulhu deities and I are well-known masters of these kinds of curses, and there's a reason why they're forbidden: the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad.

Me: Yeah, that's right, I know that all too well, and I also happen to have this.

I immediately showed Arabella Yog-Sothoth The Bracelet of Cthulhu which merged with my right gold cuff Bracelet of The Champions of The Universe.

Arabella Yog-Sothoth: The Bracelet of Cthulhu, I remember that all too well.

Nico: Yeah, he'd used it on certain people we don't like, and it drove them mad.

Arabella Yog-Sothoth: Just like with The Black Speech of Nyarlathotep, The Dark Curse of Azathoth, The Yellow Sign of Hastur, and Azathoth's Dark Madness Melody, I know those curses all too well, and I've defended Lincoln from his enemies at their worst, but I hated Lori with a blazing passion, and I almost got close to using Yog-Sothoth's Dark Multiverse Tragedy on her.

We gasped.

Nico and me: Lori, what did you do?!

Arabella Yog-Sothoth: Trust me, you're not going to like this one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Arabella, are you absolutely sure about this?

Arabella Yog-Sothoth: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Arabella Yog-Sothoth, and he saw that she's really serious, and he smiled as he walks over to Arabella Yog-Sothoth, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Arabella Yog-Sothoth's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Arabella Yog-Sothoth: You're still as gentle as ever when you feed on someone, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Arabella Yog-Sothoth's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Arabella Yog-Sothoth: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Arabella Yog-Sothoth.

Arabella Yog-Sothoth had a smile on her face and tears in her eyes as Lincoln had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the five girls, and when Lincoln saw them, he recognized them immediately. The five girls are Maho Shimano, Reika Kona Iwanagi, Riko Matsushita, Suzue Araya, and Hime Ishibashi from Sukumizu ~Fetch ni Narumon!~.

Lincoln: Oh wow, Maho Shimano, Reika Kona Iwanagi, Riko Matsushita, Suzue Araya, and Hime Ishibashi from Sukumizu ~Fetch ni Narumon!~.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Maho Shimano: Yes, we're okay, thanks to you.

Then, when Maho Shimano and the other four girls saw who it was that saved them from Dark Ace, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command

Maho Shimano: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made four clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Maho Shimano: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Maho Shimano, Reika Kona Iwanagi, Riko

Matsushita, Suzue Araya, and Hime Ishibashi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and we introduced Loopy De Loop, Huckleberry Hound, Quick Draw McGraw, Mr. Jinks the Cat, Pixie and Dixie, Snagglepuss, Hokey Wolf, and Ding-A-Ling to the rest of the team, and they were shocked to find out the villain we went after was Dark Ace of the Cyclonians who came back and he still wanted revenge on us, and he also wanted revenge on us for what we did to Master Cyclonis.

But, when Lincoln showed what we did to him by giving him a beatdown, and Lincoln then tying him up in a rainbow energy straitjacket and rainbow energy chains and sending him to The Masters of Evil's prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Arabella Yog-Sothoth have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that monster a lesson he'll never forget, but I still wish we could give him The Black Gates.

Lincoln: Now, now, we'd killed him twice years ago, I think that's enough. Besides, he'll be in for a lifetime of suffering in The Masters of Evil's prison.

Nico: Yeah, and we'll have use for him in the future.

Me: But, if he pulls a dirty double-cross like Yakko says, it's off to The River of Fire for him.

After finally taking down Dark Ace and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Arabella Yog-Sothoth saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Arabella Yog-Sothoth: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Arabella, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Arabella Yog-Sothoth: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Arabella Yog-Sothoth: I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Arabella, what's the story on why you hated Lori with a blazing passion and it almost wound up in you almost using Yog-Sothoth's Dark Multiverse Tragedy on her?

Arabella Yog-Sothoth: You're not going to like this one bit. You see, I make it no secret that Lori was a big bully, control freak, and flat-out bitch towards Lincoln and she almost killed him by beating him up and those times she stabbed him with a knife, but on this day, Lincoln and I were busy working on some assignments for Language Arts. But, then, Lincoln got jumped on by Lori and she was beating the shit out of him and she was ranting angrily like the bitch that she was, I was beyond furious with her. I turned my right arm into a black tentacle which grabbed Lori and I got her off Lincoln and I'd tossed her into a wall, but she got back up and she was about to attack me, and I almost got that close to using Yog-Sothoth's Dark Multiverse Tragedy on her, but Lincoln stopped me as he fired a red energy blast from his hands and tied that bitch up. We told Mr. and Mrs. Loud what Lori did to Lincoln and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lori was just on another of her rampages again?! She sure is an animal.

Luna: She sure was, dude.

Lincoln: And once again, it was for no reason other than to cause me pain because I refused to be her ottoman, she knows I had homework, but she was literally that powerhungry. But, she made a big mistake when she crossed Arabella Yog-Sothoth, The Incarnation of Yog-Sothoth, and I was glad I stopped her from using her Lovecraftian Curse, Yog-Sothoth's Dark Multiverse Tragedy. But, that's another of the Lovecraftian Curses that Nicholette mentioned.

Me: Oh, I hate to find out the other Lovecraftian Curses.

We got a shower afterwards, and then, we headed off to Aquarius, this time, for Yakko, Wakko, and Dot's first rescue.

Yakko: Whoa, so our first rescue's here in Aquarius, awesome!

Nico: This is really going to be awesome. Plus, we just got word from Chun-Li that Cammy's gone missing.

Lincoln: Same with Poison when Vypra contacted us.

Me: When we find the jackass responsible for it, the Warners are going to flatten them.

Wakko: We sure will.

Dot: And this is way before Erica's big mission tomorrow, nice.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of eight girls and one boy calling for help along with the sound of malevolent and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the eight girls and one boy, but they've been cornered by an army of demons, and they're going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the eight girls and one boy, but they've been cornered by an army of demons, and they're going to kill them.

We hightailed it over there.

Dot: Demons, here?! But, didn't you and the Emperyous Sisters get rid of The Chernabog Sisters?

Yakko: They did, and Lori and Leni destroyed their parents and sent them to join their daughters in The Black Gates. Whoever's summoned that army of demons is in big trouble.

We made it to the location and before the demons could kill the eight girls and one boy, Yakko, Wakko, and Dot fired powerful emerald green, sapphire blue, and hot pink energy blasts and elemental forces at the demons and that allowed the eight girls and one boy to get away and take shelter in a rainbow energy field Lincoln created to protect them from the army of demons, and when they saw us, specifically Lincoln and his Guardian Angels, they roared in anger.

Nico: Whoa, now why did they roar angrily at Lincoln and his Guardian Angels, when it was Yakko, Wakko, and Dot who fired at them?

Suddenly, we saw an inverted pentagram form on the demons' foreheads, and with it an Anti-Lincoln and Guardian Angels symbol.

Demons: Must kill Lincoln and The Guardian Angels!

Nicholette Torrington: Oh shit, not her!

Suddenly, something within Yakko, Wakko, and Dot Warner's minds really snapped as the memories of the suffering Lincoln went through because of his enemies rushed through their heads, and their eyes turned neon emerald green, neon sapphire blue, and neon rose pink, and they were surrounded by emerald green, sapphire blue, and rose pink energy auras with emerald green lightning, sapphire blue fire, pink rose petals, water, ocean waves, and phoenixes, they had their Yakko Warner's Emerald Green Electric Lightningstorm Giant Mallet of Acme Falls' Comedic Justice, Wakko Warner's Sapphire Blue Firestorm Giant Mallet of Acme Falls' Comedic Justice, and Dot Warner's Hot Pink Flower Maelstrom Giant Mallet of Acme Falls' Comedic Justice in hand, and as they approached the army of demons, they left emerald green, sapphire blue, and rose pink energy, emerald green lightning bolts, sapphire blue fire, pink rose petals, water, ocean waves, and phoenixes with every step.

Yakko: As if what Lincoln had to go through because of his enemies wasn't enough, now, even the forces of Hell are now out to kill him and his Guardian Angels as well, that's just absolutely disgusting.

Wakko: They haven't done anything wrong to anyone, they've done their jobs in defending Lincoln from the usual jerks in Michigan and from Lori, Lynn, Lola, Lisa, and Luan when they still had those abominable Dark Sides in them.

Dot: Yeah, and Lincoln's a nice person who would never do anything wrong, but it's jerks like those whom we've heard horrifying revelations that prove that Lincoln's been made a target for those evil, disgusting bastards.

Suddenly, we felt Yakko, Wakko, and Dot were really getting pissed off, and we were in for one wild explosive rage coming from them.

Yakko: (SUDDENLY GETTING EXTREMELY AND DANGEROUSLY PISSED OFF) But, now even after we'd put those jerks in their place and removed the Dark Sides of Lori, Lynn, Lola, Lisa, and Luan, along with the Dark Sides of the other Loud Siblings and sent them to The Black Gates forever, now even Hell's out to kill him and his Guardian Angels yet again… , WHOEVER IT WAS THAT SENT THAT ARMY OF DEMONS TO AQUARIUS TO KILL LINCOLN AND HIS GUARDIAN ANGELS, YOU'VE CROSSED ONE DAMN LINE TOO MANY, YOU HEARTLESS, SCUM-SUCKING, SELF-SERVING BLOODTHIRSTY BASTARD FROM THE DARKEST DEPTHS OF HELL!

Wakko: (SUDDENLY GETTING EXTREMELY PISSED OFF) EVERY LAST ONE OF YOUR SINS CAN NEVER BE FORGIVEN!

Dot: (SUDDENLY GETTING EXTREMELY PISSED OFF) AND AS THE RULERS OF ACME FALLS, YOU ARE HEREBY SENTENCED TO DEATH!

We gasped at the explosive extent of Yakko, Wakko, and Dot's rage, and it was deadlier than 150,000 tons of dynamite: whoever it was that sent that army of demons is in really big trouble tomorrow.

Nico: OH, CRUD!

Me: This is even worse than when they exploded with rage when they'd found out Belinda Chernabog brought Salazar the Pushy back last year when The Chernabog Sisters returned.

Lincoln: And now, their rage has truly been unleashed!

Eli: STAND YOUR GROUND, GANG, THEY'RE GOING TO EXPLODE!

We stood our ground as Yakko, Wakko, and Dot screamed like mad toons and they were surrounded by three massive vortexes of emerald green, sapphire blue, and hot pink energy with emerald green lightning, sapphire blue fire, and pink rose petals, water, and ocean waves surrounding the vortexes, there's an emerald green, sapphire blue, and hot pink phoenix flying around the vortexes, and in the vortexes are black and white phoenixes. Then, as the vortexes faded, Yakko, Wakko, and Dot Warner emerged, but they were changed forever.

Yakko Warner remained tall at 7'5" in height, he still retained his abnormally massive and powerful upper and lower body muscles and eight-pack abs, he has emerald green lightning bolt highlights in the bangs of his full head of long black hair reaching the bottom of his neck, he has anime-style eyes, he has beautiful neon emerald green eyes and an emerald green energy aura with emerald green lightning, emerald green lightning bolts, emerald green fire, angels, and emerald green phoenixes surrounding him, he has an emerald green phoenix with lightning in its wings emblazoned on his forehead and Third Eye with emerald green iris, he has on his Crystal Necklace of The Buddha with emerald green gems embedded in the gold lightning bolts and emerald green crystal links and an emerald green phoenix-shaped Element of Harmony in the center and on the bottom of the Element of Harmony is a phoenix with emerald green gems for eyes and holding the Thunder and Eternity Kanjis in its claws for the pendant on his bare chest. Yakko Warner has on an emerald green version of He-Man 2002's loincloth with long emerald green trenchcoat flaps with green lightning bolts and a phoenix on the coattails, large dark blue shorts with emerald green lightning bolts on them, large gold metal bands on his massive biceps and thighs, large gold-plated greaves, large gold armored boots, he now has nine large emerald green orbs orbiting around his legs, and he has an emerald green phoenix with emerald green lightning bolts and the Warner Bros logo in its claws tattooed on his wider and more muscular back. Suddenly, Yakko felt a sharp pain on his now wider and more muscular back, and then, his massive midnight black angel wings with emerald green tips on the black feathers and his tail grew longer for his new body and it now has an emerald green lightning bolt streak on it. Yakko has on his signature white gloves and Ring of The Phoenix with large emerald green gem and heart shaped gem embedded in it on his right ring finger and Green Lantern corps ring on his left ring finger and Stone of Gelel embedded in the back of his large left hand.

Suddenly, Yakko Warner's Emerald Green Electric Lightningstorm Giant Mallet of Acme Falls' Comedic Justice and all the swords he'd got began merging together and they're surrounded by a kaleidoscope of emerald green energy, emerald green lightning bolts, emerald green fire, angels, and emerald green phoenixes, and when it emerged, it was transformed into Yakko Warner's Emerald Green Supercell Electric Lightningstorm Giant Mallet of Acme Falls' Comedic Justice, it's a brand-new giant mallet measuring at 7'1" in length with a massive golden barrel-shaped head with an emerald gem in the center and two gold-plated cylinder heads at the ends of the barrel-shaped head and an emerald gem surrounded by a gold ring on top of the barrel-shaped head with gold phoenix coiling around one end of the long black handle and on the other end are four gold phoenix heads and on the bottom of the phoenix heads is a large golden ring surrounding a large emerald green gem for the weighted pommel, he has on his new large gold cuff Bracelets of the Champions of The Universe with emerald green gems on his wrists, his new large gold Belt of Elemental Bravery with a large gold phoenix head with emerald green gems for eyes and a large emerald green gem in its beak for the belt buckle on his waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace, Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on his right hip and Eater of Sins revolver holstered on his left hip. There's an emerald green kanji below the phoenix that said, "Yakko Warner, Loving Eldest Sibling and Leader of The Warner Siblings, Star from Animaniacs, King and Savior of Acme Falls, Loving Son of Sir William the Good and Lady Mary the Good, Destroyer of Salazar the Pushy and the Greedy, Archenemy of Chicken Boo, Slayer of Evil, and Destroyer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Cartoon Logic, Fast-Talk, Emerald Green Lightning, and Emerald Green

Dot Warner's transformed into SUPER ANGEL-PHOENIX-WARNER-HARMONY CELESTIAL ETERNAL XELNAGA HOT PINK MAELSTROM FLORAL COMEDIC PHOENIX ANGEL OF DIVINE HOT PINK WATERSTORM FLOWER COMEDIC JUSTICE AND DIVINE HOT PINK FLORAL MAELSTROM COMEDIC LOVE!

We were really amazed by the Super Angel-Phoenix-Warner-Harmony Celestial Eternal Xelnaga transformations of Yakko, Wakko, and Dot, and when the army of demons saw it, they flew into a rage, but they still went after Lincoln and his Guardian Angels to kill them, only to get hit with an emerald green energy blast infused with emerald green lightning fired by Yakko and he was electrocuted, Wakko fired a sapphire blue energy blast infused with sapphire blue fire at Salazar the Pushy and he was badly burned, and Dot fired a hot pink energy blast infused with hot pink petals, water, and ocean waves and he was drenched.

Yakko: (Divine Echoing Cosmic Voice of The Emerald Green Lightning Firestorm Comedic Phoenix and Divine Comedic Lightning Firestorm Justice) And now, it's time for you to die for good, you violent demons.

Wakko: (Divine Echoing Cosmic Voice of The Sapphire Blue Firestorm Lightning Comedic Phoenix and Divine Comedic Firestorm Lightning Hope) And whoever it was that sent you all here to kill Lincoln and his Guardian Angels will answer for their crimes.

Dot: (Divine Echoing Cosmic Voice of The Hot Pink Waterstorm Floral Comedic Phoenix and Divine Comedic Maelstrom Love) Now, to send you all back to where you belong.

Yakko, Wakko, and Dot went after the army of demons, and they fired powerful blasts of emerald green, sapphire blue, and hot pink energy, emerald green, sapphire blue, and hot pink lightning, emerald green, sapphire blue, and hot pink fire, emerald green, sapphire blue, and hot pink phoenixes, emerald green, sapphire blue, and hot pink angels, water, and rose petals at the army of demons and they exploded with incredible power as they hit them, then, they attacked them with their new giant mallets and they literally flattened them all over the place. Eventually, they killed all of the army of demons, except for one whom Yakko grabbed and dragged it to Lincoln and his Guardian Angels who had their massive greatswords out, and Lincoln asked the question.

Lincoln: Where is Isabella Abaddon?

Demon: Never!

Nicholette Torrington: If you don't tell us where that she-demon is, then, we'll toss you right back to Yakko and his siblings.

Demon: No… !

Lincoln: Where is she?!

Demon: Back… in Hell, where she banished herself.

Lincoln: Then, that's where you're going: back to Hell.

Lincoln beheads the demon and it exploded into dust. Yakko, Wakko, and Dot powered down, and Yakko, Wakko, and Dot's new bodies, weapons, jewelry, clothes, Third Eyes, and massive midnight black angel wings are permanent.

Yakko: Can someone please tell us who Isabella Abaddon is?

Lincoln: I was hoping never to hear that name ever again.

Nicholette Torrington: Same here. See, Isabella Abaddon was once Lincoln's Guardian Angel.

Me: Was?

Lincoln: That's right. See, Isabella Abaddon was once my Guardian Angel, but then, we found out she broke her oath and vow to protect me, and she sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies and she caused havoc on all of us, and she enjoyed causing me nothing but pain and suffering and pissing off my Guardian Angels.

Selene Emperyous: But, we eventually defeated her, along with Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, and while we tied up Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies, we had Isabella Abaddon trapped in a holy circle, and I can remember the day we told her off for what she did.

Selene Emperyous made a one-way window and it played a video of that battle on that day.

Past Lincoln: I can't believe what you did, Isabella. You broke your own oath and vow and betrayed me and your fellow Guardian Angels, and you sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies to cause havoc on all of us, and even worse, you enjoyed causing me pain and suffering.

Past Nicholette Torrington: And pissing all of us off in the process. That's the last straw!

Suddenly, heavenly lights shined down on Isabella Abaddon, but then, it ultimately meant something bad was about to happen.

?: (Divine Voice) Isabella Abaddon, you've broken your own oath and vow to protect Lincoln Loud, and even worse, you broke your own oath and vow and betrayed him and all your fellow Guardian Angels, and even worse, you sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of his enemies to cause havoc on all of them, and even worse, you enjoyed causing him and his fellow Guardian Angels nothing but pain and suffering.

Isabella Abaddon: That's right, I enjoyed betraying all of you and causing you all pain and suffering, and I'd do it all again! (LAUGHING MANIACALLY)

?: (Divine Voice) There can be no forgiveness for what you've done. Isabella Abaddon, you are no longer a Guardian Angel of Lincoln Loud, you have fallen from God's Grace and you are condemned to Hell for eternity.

Suddenly, a lightning bolt appeared out of nowhere, and it struck Isabella Abaddon, then, they saw her white angel wings turn midnight black and they looked demonic: the wings of a fallen

Guardian Angel, and she now has horns on top of her head. Isabella Abaddon has become a FALLEN GUARDIAN ANGEL! She screamed as her voice turned demonic, and she was then sent to Hell for eternity.

When the one-way window and video ended, we were shocked and horrified.

Nico: Oh man, that was horrible. I can't believe Isabella Abaddon would betray you all like that and just side with Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies like that, she's just like Lucifer.

Lincoln: Yeah, she is, Nico, and there can be no forgiveness for what she's done. When we face her tomorrow on my rescue, she's getting The Black Gates for what she's done in the past, and she'll suffer in the same way we made Lucifer suffer for his crimes against humanity and God.

Bertha Sellington: There's also no doubt she'll have her demonic armies with her, but we'll be ready for them, and we'll make that demon slut pay for her crimes.

Me: Yeah.

Then, Yakko went up to the four girls, Wakko went up to the four girls, and Dot went up to the one boy, and when Yakko, Wakko, and Dot saw who they were, they recognized them immediately. The four girls that Yakko went up to are Cherry Hunter from Streets of Rage, Cammy White from Street Fighter, Milan Flare from Golden Axe, and Yoko from River City Girls, the four girls that Wakko went up to are Poison from Street Fighter, Pyrrha Alexandra from Soul Calibur, Alice from Pandora Hearts, and Mimi Kitagami from The Best! Extremely Cool Student Council President, and the one boy that Dot went up to is Haneru Tobitatsu from Tribe Cool Crew.

Yakko: Oh, no way, Cherry Hunter from Streets of Rage, Cammy White from Street Fighter, Milan Flare from Golden Axe, and Yoko from River City Girls.

Wakko: And Poison from Street Fighter, Pyrrha Alexandra from Soul

Calibur, Alice from Pandora Hearts, and Mimi Kitagami from The Best! Extremely Cool Student Council President.

Dot: And Haneru Tobitatsu from Tribe Cool Crew.

Nicole: Awesome. (Gasps) And now, we know what happened to Cammy and Poison this morning, Isabella Abaddon kidnapped them and was about to have her army of demons kill them, along with Haneru Tobitatsu, Alice, Pyrrha Alexandra, Cherry Hunter, Milan Flare, and Yoko.

Nicholette Torrington: That heartless bitch, she's dead when we get her tomorrow.

Yakko: She sure is. (To Cherry Hunter, Cammy, Milan Flare, and Yoko) Are you girls okay?

Wakko: (To Poison, Pyrrha Alexandra, Alice, and Mimi Kitagami) And the same with you girls?

Dot: (To Haneru Tobitatsu) Along with you, Haneru?

Cherry Hunter: Yeah, we're okay, thanks to you for saving us.

Then, when Cherry Hunter and the three other girls saw who it was that saved them from Isabella Abaddon's army of demons, their faces turned atomic red when they saw the 7'5" tall and extremely muscular elder Warner Sibling.

And when Poison and the three other girls saw who it was that saved them from Isabella Abaddon's army of demons, their faces turned atomic red when they saw the 7'5" tall and extremely muscular middle Warner Sibling.

And when Haneru Tobitatsu saw who it was that saved him from Isabella Abaddon's army of demons, his face turned atomic red when he saw the 7'4" tall and beautiful youngest Warner Sibling.

Cherry Hunter: Wait a minute, you're Yakko Warner, eldest, wise-cracking, and leader of The Warner Siblings and one of the three rulers of Acme Falls.

Mimi Kitagami: And you're Wakko Warner, the middle and ever hungry sibling of the Warners and one of the three rulers of Acme Falls.

Haneru Tobitatsu: And you're Dot Warner, the cute youngest sibling of The Warner Siblings and one of the three Rulers of Acme Falls.

Yakko, Wakko, and Dot: And members of Team Loud Phoenix Storm.

Cammy: (British Accent) And we're glad you all came. That crazy monster was ranting at how much she hated Lincoln and his Guardian Angels.

Nicholette Torrington: That definitely is Isabella Abaddon, the Fallen Guardian Angel. Well, don't you worry, we're going to kill her tomorrow.

Lincoln: Yeah.

Yakko: And there's also the one thing to close out our first rescue.

Yakko made three clones of himself and he and his clones went up to Cherry Hunter, Cammy, Milan Flare, and Yoko, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider and muscular backs of Yakko and his clones, Wakko made three clones of himself and he and his clones went up to Poison, Pyrrha Alexandra, Alice, and Mimi Kitagami, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the wider and muscular backs of Wakko and his clones, and Dot went up to Haneru Tobitatsu, and they also kissed, and we cheered wildly at the scene.

Nico: Alright, looks like you and your siblings now have some love interests, Yakko.

Yakko: We sure do, and we give our word never to break their hearts ever.

Lincoln: That's right. But, how did Isabella Abaddon escape from Hell, she was condemned there for all eternity?

Selene Emperyous: This must've happened when Adrastea Chernabog and her sisters escaped from Hell last year, she must've slipped out of Hell and went into hiding and was plotting her revenge.

Me: That's got to be the case.

Maria: Yeah. But, that Fallen Guardian Angel's getting her just desserts tomorrow: a touch of divine justice and retribution for all the crap she's put Lincoln and his Guardian Angels through.

Lincoln: I'm going to rip her demonic angel wings off her back along with her horns, and then, I'm going to bleed her dry by spilling every last drop of her blood all over the place!

Nico: If there's one thing we can't stand, it's a Guardian Angel who willingly betrays the person who they've sworn to protect and decides to cause them nothing but pain, suffering, and chaos, that is an act that only The Devil is capable of committing.

Me: And she's already proven to be The Devil Incarnate, she's going to pay tomorrow.

We returned home to The World Tree Estate, and Yakko, Wakko, and Dot accomplished their first rescue and have some new love interests, but Isabella Abaddon, The Fallen Guardian Angel, will pay for her crimes tomorrow, and for what she did in betraying Lincoln and her fellow Guardian Angels and siding with Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies to cause havoc, there can be no forgiveness for someone like that, and there's only one punishment for her: Death.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy

signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Samuel Ortega of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Samuel Ortega of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Lola Oltro: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Samuel Ortega for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. We may not have a mission today since this is the day before Erica's big mission, but we're still hunting down Samuel Ortega and putting an end to him.

Lincoln: That's right, Nico, we may not have a mission today, but we still got to get rid of Samuel Ortega and put an end to him for good.

Lola Oltro: (Spanish Accent) That's right, Linky. Samuel Ortega, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

We flew out of The World Tree Estate to hunt down Samuel Ortega of The Order of Nuestra Señora de la Santa Muerte and make him pay for his crimes.

We arrived at the park to hunt down our target, Samuel Ortega of The Order of Nuestra Señora de la Santa Muerte.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Samuel Ortega.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Samuel Ortega, the next member of The Order of Nuestra Señora de la Santa Muerte.

Lola Oltro: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Samuel Ortega: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Lola Oltro's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Oltro-themed greatsword from her back, and as she approached Samuel Ortega, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Lola Oltro: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Samuel Ortega. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Oltro and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Lola Oltro was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Oltro flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Lola Oltro emerged, but she was changed forever.

Lola Oltro grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Oltro emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Oltro with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Lola Oltro has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Oltro surrounded by darkness and light and imps and on top of Fabled Oltro is an anti-Sergio symbol. Suddenly, Lola Oltro felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Lola Oltro has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Lola Oltro's massive Fabled Miztoji-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Oltro's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Oltro etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Oltro's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. There's a red kanji below Fabled Oltro that said, "Lola Oltro, Gene-Slammer of Fabled Oltro, Friend of Maria Garcia, Gene-Slammer of Fabled Leviathan, Member of The Fabled Gene-Slammers and Member of The Order of The Fabled, Goth Girl of Guanajuato, Mexico, Master of The Powers of Darkness and Summoner of Imps, Expert on Spooky Mexican Legends and Legendary Monsters of Spanish Legend, Loving Guardian Angel and Future Wife of Lincoln Loud, Smasher of Dark Lori, Despiser of Sergio Casagrande, Destroyer of Samuel Ortega of The Order of Nuestra Señora de la Santa Muerte, Slayer of Evil, Deranged, Murderous, Ruthless, and Sadistic Bastards, Amazing and Powerful Student of Amazing and Powerful Teachers, and Master of Darkness, Imps, and Fallen Angels"

Lola Oltro has transformed into SUPER ANGEL-FABLED OLTRO-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED OLTRO ANGEL OF DIVINE DARK FABLED OLTRO IMP JUSTICE AND DIVINE FABLED OLTRO IMP LOVE!

We were amazed by Lola Oltro's Super Angel-Fabled Oltro-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Samuel Ortega saw it, he went insane and he got out his sacrificial knife to stab her, but Lola Oltro fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Samuel Ortega, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Lola's transformed.

Lincoln: Yeah, and she really sent Samuel Ortega back with that energy blast she fired and that really pissed him off now, and Isabel, you look beautiful, how do you feel?

Lola Oltro: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Oltro and Divine Darkness Light Fabled Oltro Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Samuel Ortega once and for all?

Lincoln: (Smiles) With pleasure, Lola.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Lola Oltro.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Samuel Ortega, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Lola Oltro and Lincoln went after Samuel Ortega, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Samuel Ortega and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Lola Oltro sent her three imps and Lincoln summoned his own imps and they sent them at Samuel Ortega, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln was given.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Lola Oltro, her hand-cannon Blaster is known as Fabled Oltro's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Oltro surrounded by imps and light etched on the sides, and red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Lola Oltro aimed their hand-cannon blasters at Samuel Ortega.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Samuel Ortega!

Lola Oltro and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Samuel Ortega and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln threw Samuel Ortega's sacrificial ritual knife and it hits Samuel Ortega right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Lola Oltro and Lincoln gave Samuel Ortega The Black Gates for good. We cheered as Lola Oltro and Lincoln holstered their massive greatswords on their backs and powered down, and Lola Oltro's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Lola Oltro: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Samuel Ortega for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Lola.

Suddenly, Lola Oltro wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Lola Oltro's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Oltro flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Lola Oltro absorbed the light and they came back to us as the display and Fabled Oltro vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Samuel Ortega's death, now there are only eighteen members of The Order of Nuestra Señora de la Santa Muerte.

Lola Oltro: (Spanish Accent) We're already ahead of the curve now.

Lincoln: Yep, which means that the next one to take down tomorrow is Tomás Perez, which means it'll be Sara Ragin and Erica Haddock's turn.

Sara Ragin: (Spanish Accent) That's right.

Erica Haddock: Especially after we help take down and destroy Deeth.

Me: Yeah, and those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation we're meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Adrienne Nyarlathotep, The Incarnation of Nyarlathotep.

Adriana Azathoth: She's known as the shape-shifter of of The Cthulhu Mythos entity incarnations, since Nyarlathotep can take on many forms and he's another one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Nyarlathotep himself, along with godlike power, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Nyarlathotep's Dark Shapeshifter Madness, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the many forms of Nyarlathotep, and that will drive them mad, and even worse, should they dare see Nyarlathotep in his true form, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

---

Later Poliwag was heading out.

Poliwag: Horsea, I'm going out.

Horsea: Okay. Have hun.

He went to the elevator and went down to the surface. He went out and me in my Crocodile Hunter uniform, Eli and Laney were filming him.

Me: (Australan Accent) Crikey there he is. Subject: Poliwagia Mascotus A.K.A. Poliwag. We're going to show what he does every day mates.

Laney: This is gonna be amazing.

Maria: Wonder what he does since he doesn't have wings.

Me: We'll find out mates.

We used a bush for camouflage to follow him.

We saw Poliwag going to the Arcade.

Me: Crikey he's in the arcade. Lets see what games he is going to play mates.

We saw him go to skii ball, even that hard super stacker game. He won all kinds of awesome prizes and cleaned out the entire game! WHOA!

He left the arcade.

Poliwag: Where to go next?

Then he decided to go to the outlet mall and he went to the bird Emporium

We saw him meeting Corey Nebraska, Animal Activist and TV Dinner Enthusiast and helping him feed some of the awesome and endangered White winged owls.

Corey Nebraska: (Australian Accent) Thanks for helping me with this Poliwag.

Poliwag: No problem Corey.

He had a White Winged Owl eating seed off his tail

Nico: Poromon never met famous people when we were watching him!

Eli: At least Poliwag is doing something to help people.

Me: Crikey yes he is mates. White Winged Owls are herbivores and it's good that he is helping Corey out.

Nico: It sure is.

Poliwag then saw a strange egg and it looked familiar. But then he accidentally hit it with his tail and it rolled over to us.

Nico: What the?

Nico picked up the egg.

Nico: Better keep this for safe keeping

It woke up and it was a Togepi.

Maria: A Togepi.

Me: Crikey. There was a Togepi in the Bird Emporium.

Togepi: (In a little girls voice) Nico. It's great to see you

Nico: Eden Gilligan? Whoa you look awesome as a Togepi.

Togepi: Thanks.

Poliwag left the store. Then we followed him. He went to the mall.

Nico: Stay with us, Eden

Togepi: Okay.

We followed Poliwag and he went to the food court. He was getting a Big Burp Soda and A Dessert Stuff Stick.

He went to the tape and ate it.

Poliwag: Mmm!

He was really hungry.

Me: Crikey. He sure loves to eat at Filbert's restaurant.

Maria: He sure does.

Nico: Yeah he sure is hungry.

Poliwag drank the soda and then…

LOUD BELCH!

Poliwag: Pardon me.

Me: Crikey that was one good burp mates.

Filbert: Hey Poliwag want to see something funny?

Poliwag: Okay.

Filbert stuck two hamburger buns in his eyes.

Filbert: Hey pal get your BUNS out of my eyes!

Poliwag laughed.

Poliwag: Watch this. Roses are red, violets are blue, sugar is sweeet, (Slurps soda) (BELCHING LOUDLY) THIS BELCH IS FOR YOOOOUU!

Filbert laughed hysterically.

Filbert: (LAUGHS HYSTERICALLY)

Maria: Okay that is funny.

Then Filbert went back to work.

Poliwag: Now, what do I do?

He decided to take a stroll around town.

We followed.

Nico: Where's he going now?

Then there was a jewelry store robbery.

Me: Uh oh looks like we got a 2-11 in progress mates.

Poliwag: Time to bust a robber.

He went into the store and saw a robber taking all the jewels.

Poliwag: HEY YOU DIRTCLOD! Drop the Jewels!

Robber: Well look who it is. It's one of the mascots!

Poliwag: I won't ask again. Drop the Jewels now!

Robber: Oh yeah and what are you gonna do about it?

Poliwag: CUTIE ATTACK!

He jumped and robber and slapped him around with his tail and then fired a bubble beam and bashed him down and knocked him out.

Robber: I'm gonna skin you alive and make a wallet out of you!

Poliwag: Come and try it!

He fired a powerful Hyper Beam Blast and it hit the robber and blasted him down and then Poliwag zoomed around him and tied him up and everyone cheered wildly.

Sheila and Tom came along with Hayley Lair and they arrested the robber.

Sheila: Nice job Poliwag.

Tom Lair: Boy we have been after this guy for a long time. He robbed 20 jewelry stores in 2 months all over the city and they never caught him. But you saved us the trouble.

Poliwag: Glad I was in the right place and the right time.

Hayley Lair: You sure were.

All the jewels were returned.

Poliwag: What are you doing here, Hayley?

Hayley Lair: I want to learn how to be a police officer like Sheila and daddy. So Sheila decided to become a mentor to me.

Sheila Loud: Yep. I'm taking Hayley under my wing to learn what it's like to be a cop. And she is doing amazingly well.

Poliwag: That's cool!

Hayley Lair: It sure is. Best part is we have all the donuts we can eat.

Poliwag: Yummy.

They laughed.

Nico: So that's what Hayley does.

Me: Crikey. Like father like daughter as they say.

Eli: That's right.

Poliwag was on the move and he was heading over to the library and he picked up a book and he went over to the hospital and he was reading it to a bunch of really sick kids.

Nico: That's nice of him.

Me: Crikey it sure is.

Eli: Those poor kids. They are sick all day.

Nico: Yeah.

Togepi: Yeah it sure stinks.

Eli: Yeah. But it's awesome that Poliwag does this in his spare time.

Poliwag was reading his favorite to them: The Adventures of Aurora Girl and Star Lass. It's a superhero book about Aurora Girl and her daughter Star Lass and how they go on awesome adventures together to save the universe. Todays adventure was on the planet Tholia in the Star Trek Universe and it was being invaded by the Klingons and how Aurora Girl and Star Lass were called by the Tholians to stop them. In the end they were rewarded with Tholian Crystal Swords and they were beautiful. The kids loved it.

Nico: That was a good story!

Me: Crikey it sure was.

Eli: The kids loved it.

Later Poliwag went back to the estate.

Me: Looks like Poliwag is done.

We came back too.

Qin: Hey Poliwag. Have a good day?

Poliwag: I sure did.

We later came back and showed everyone everything.

Qin: Boy that was awesome!

Poliwag: Wow that was great guys!

Xenia: I'll say.

Nico: You didn't run into a Gene Slammer?

Qin: Not yet.

May: So Eden what's your favorite memory of Nico?

Nico: Also is your sister with you?

Togepi: Oh she'll be here shortly. She's an Igglybuff. My favorite is when me and Nico went to the Arcade and I hid the bell on the bell tower and won that huge stuffed elephant.

Nico: I remember that.

Igglybuff then came.

Igglybuff: (In a girls voice) That was so awesome.

Nico: Veronica!

Togepi: Hey sis you made it!

May: Wow!

Igglybuff: Glad I came and it's good to see you again Qin and Nico.

Nico: Same here.

May: What's your favorite memory of Nico?

Igglybuff: When me and Nico had a baked bean eating contest and I won. I was farting for days.

We laughed!

Me: Welcome to my world.

Nico: I got jumpsuits for you girls.

They were Pink and White.

Igglybuff: Thanks Nico.

I put on my blind man glasses and the boys covered their eyes.

I snapped my fingers and the two were reverting back to normal.

They increased in size.

And they were back to human form and back to their sizes. Veronica was a girl with magenta hair and had pink eyes and Eden was a girl with red hair and red eyes and Nico gave them their jumpsuits and they put them on.

Veronica Gilligan: Whoa. That was intense.

Eden Gilligan: It was but at least we're back to normal.

Nico hugged them both.

Nico: I missed you girls.

Veronica Gilligan: We missed you too Nico.

Me: Now it's time for the mandatory questions of the day for Nico. Starting with what teams he has come up with for 2 of us

Eli: I have a feeling that they are gonna be good.

Camie: Me too.

May: Nico, which teams have you made this time?

Nico: Rainbow Dash's team will include Noel, Princess of the Arctic Ocean, Laney Simmons, Crysta, Irena Malloy, and Princess Cadance. Lightning Dust's team will include Mika Kozuru, Hillary Jennings, Android 17, Footmon, and Melon Mint.

Rainbow Dash: AWESOME!

Qin: Yeah!

Princess Cadance: This is gonna be so fun being on your team Rainbow Dash.

Lola: Yeah you're going to do great!

Lightning Dust: Boy this will be great!

Melon Mint: It sure will be awesome!

Android 17: Looking forward to it.

Me: Yep.

Maria: And which Gene Slammers do you think you'll meet next?

Nico: I'm hoping for one for Togetic, Xatu and Ampharos next.

Qin: Ooh those are great choices.

Xenia: Yeah it sure is.

Me: Yep.

Lola: They sure are.

Nico: I know the perfect planet to spend the rest of the day.

Me: What is it?

Nico: We're going camping on the S'Mores planet.

We were excited about that!

Qin: COOL!

Laney: I'm looking forward to this!

Nico: Yep. Lets head to the ship!

We went to the ship and we were off.

---

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 7241.3: The U.S.S. Valorous Phoenix is en route to the S'Mores planet for a camping adventure and we're going there to spend the day there before the big mission of Erica tomorrow.

Lola: This is gonna be so fun.

Xenia: Yeah it is!

Nico: You excited, sis?

Erica: You bet I am! I can't wait to kick some butt tomorrow.

Xenia: It'll be awesome to help out Zixx and everyone.

Shanan: And it will be awesome to finish off Onccalon and the Hargokk Empire for good.

Nico: It sure will.

Qin: We're not going to let them get away with this.

Xenia: That's for sure.

Right: Remember: Deeth is Sark and Onccalon is the MCP.

Me: Noted.

Qin: Like in Tron.

Xenia: Yep.

Nico: And the Dinotrux might show up too.

Matt Olsen: Awesome!

Qin: It'll be awesome to see Ty and his friends help us out.

Nico: Yep.

Lisa Loud: We arrived at our destination.

Nico: On screen.

We saw that we were at the planet.

Me: Here we are.

We got to landing and we got out and we saw the S'Mores Planet and it was full of chocolate, graham crackers and marshmallows!

Horsea: Look at all the S'mores!

Nico: A perfect camping paradise.

Qin: Yep.

Lola: Lets get the tents and everything.

We found a great spot on a graham cracker by a chocolate sauce river and we set everything up.

Horsea tried some S'mores

Horsea: DELICIOUS!

Nico: Save some for the camping Horsea.

Horsea: Okay.

We got to camping and we were having amazing S'Mores and more.

Poliwag tried some S'mores.

They were awesome.

Me: Boy nothing like a little camping to enjoy some leisure time.

Erica: You said it.

Shaggy: Like yeah this is great.

Lola: It sure is.

Xenia: Yep.

Manaphy tried some S'mores.

Manaphy: Yummy!

Varie: It sure is!

May: Boy this is my kind of planet.

Applejack: It sure is amazing!

Lola: Yeah I like it.

Poromon tried some S'mores.

Poromon: Delicious!

Qin: They sure are.

Nico: Poliwag, is it okay if we tell you and Poromon what we observed from the documentaries we did on you two individually?

Poliwag: Sure.

Poromon: We would like that.

Nico: Okay then.

May: This will be fun.

Nico: Okay. What your routines seemed to have in common is that you two went to the arcade, went to the mall and have lunch, and busted robbers.

Poromon: Yeah we always have fun.

Poliwag: We sure do.

Nico: Yep. You sure do.

Me: Yeah.

May: However, Poromon's routine also included humiliating Mindy and ranting at the Digimon Emperor.

Poromon: Yes it did and that was fun.

Poliwag: I like doing things at a charitable level for the hospital and all that.

Nico: There's nothing wrong with that.

Me: I think that is so awesome.

Maria: Poliwag's routine included going to the bird Emporium and reading to sick kids.

Poliwag: Yes I just said that.

Nico: And it was awesome.

Me: Yeah those White Winged Owls are beautiful.

Mandy: They are also the birds that Billy's mom hated because she thought they ate her pet rat Sniffles. But it was actually Billy's dad that did it.

Me: YUCK!

Qin: GROSS!

Nico: Seriously, no routine involved drinking beer.

Me: No these are kids tomorrow.

Qin: Yeah and we got to obey the laws when it comes to that.

Poromon: Drat.

Lola: Yeah.

William: I wonder what Manaphy and Horsea's routines are.

Me: We'll find out those later.

Nico: I agree.

Qin: Yep.

Stewie: Alright, we're all done with s'mores. What do you guys say we head on home?

Me: Good idea.

We went back onto the ship and headed home.

We had a great time camping and we went to bed later on.

Meanwhile up in Canada, Zixx and her friends were getting ready for our arrival and it was going to be awesome helping them out.

Zixx: I can't wait to see Erica again.

Adam Frake: It's going to be awesome having all of Team Loud Phoenix Storm help us out.

Zixx: It sure will be awesome.

Griff: Yeah and we will bring an end to Onccalon and the Hargokk Empire for good.

Zixx: Lets power up guys!

They went Virtual and they went at the screen and it froze.

TO BE CONTINUED…

We also got reports of a restaurant that has been giving people food poisoning unintentionally for some reason and we were heading there to investigate.

Nico: I always love coming to Restaurant Blvd.

Qin: Me too. It makes me feel like we're in Restaurant Row in Canterlot.

Twilight Sparkle: It sure does.

Cheetor: Boy it always is fun coming here.

Bonnie Terrez: You got that right.

Nico: Stella, I want to thank you, Chalmers, and your teams for coming.

Stella (Winx Club): Not a problem Nico. It's gonna be awesome and cool.

Me: It sure will be.

Camie: Oh yeah!

Nico: Bonnie, are you happy you're reunited with Fi?

Bonnie Terrez: I sure am Nico. And it's awesome that we got to solve some mysteries together.

Qin: Those were really fun and Bonnie got me into that awesome song In The Darkness Is The Light. It is awesome.

Camie: Boy that song is great!

Me: It sure is.

Eli: The lyrics are great.

Fluttershy: It sure is fun to hear.

Camie: I like it.

Bonnie Terrez: Yeah that is a great song that Fi's mother played. Now I'm not only the gene-slammer of a Dragonair but I'm also the leader of my own branch of the team: The Supernormal Crime Brigade. Our motto: Spooks Beware, Mysteries will Bring Us Aware.

Nico: Clever.

Nico: You've really come a long way from when we first met you in 2021

Bonnie Terrez: I sure have.

Qin: Yeah that was so cool and that was on J.D.'s rescues I think.

Me: Yes it was and it was when we were in the world of the movie Queen of Blood. I think.

Lola: But nonetheless that was awesome.

Xenia: It sure was.

Nico: Who ate lots of s'mores?

Me: Mary my daughter did.

Qin: Yeah she has that powerful of a sweet tooth.

Nico: She sure does.

Lola: That was an awesome planet though.

Camie: Boy it sure was.

Me: Yep. It sure was. Also Nico I have a strong feeling that the next Another Wonder Ride Embodiment is gonna be for the world of

Hollow Bastion.

Nico: Really?

Qin: Really?

Me: Yeah. I have a huge feeling.

Nico: Don't you mean Radiant Garden?

Me: Yes I do but I found out that after we destroyed Maleficent 2 years ago we inadvertently made Hollow Bastion a secondary world.

Nico: Now you're telling us this.

Me: It slipped my mind Nico.

Nico: Oh.

Eli: But that world was a crazy one.

Qin: Yeah it sure was.

Nico: Yeah.

Me: But nonetheless, yesterday was fun.

Nico: And we saw Poliwag's daily routine.

Rarity: Oh it was absolutely amazing darlings.

Me: And Poliwag feels lots of great birds at the outlet mall and reads to sick children.

Rarity: Oh the poor kids are so tired from being in the hospital all day.

Xenia: Yeah being sick sucks.

Me: Yeah no kidding. Poor kids.

Lola: But that was great that Poliwag reads to them every now and then.

Me: It sure is.

LOUD VOMITING!

Nico: Wait. Do you guys hear vomiting?!

Me: I think we found the source! Look!

We saw a restaurant called the Smoker Pit, one of the most amazing and delicious barbecue smoked meat restaurants in the city and people were throwing up as they were coming out. We also saw Lori, Luna, Luan and Linka Loud throwing up!

Nico: Oh my god!

We went over and helped them!

Lori: (VOMITS ALL OVER)

Me: Oh yuck!

I pat her back.

Nico: Don't worry guys we will get you help.

Lincoln called Sam, Bobby, Edd and Eddy and they came.

Sam S.L.: Just hold on Lunes you'll be all right.

Luna vomited all over her.

Sam S.L.: OH YUCK!

Me: Geez you guys what did you eat!?

Lori: It was horrible! They got a really bad chef in there! He literally has no idea what he is doing!

Bobby: Hang on babe lets get you guys back to the estate to rest.

Lori: Thanks Boo boo bear.

Eddy: Guys I'll go with Luan to help her out.

Nico: Okay.

They took them back to the estate.

Nico: We better look into this.

We went inside.

We saw all the customers REALLY THROWING UP!

Me: Oh yuck!

Eli: This is definitely not Guy Grazer's work. This is definitely the work of someone REALLY stupid.

We went and looked around and we saw what the people were eating. It was a gross and disgusting dish called the Appetizer! The Appetizer is a brown sloppy monster with one eye. The creature has a foot, plants, a shell, and a pair of fly wings.

Me: (GASP) HOLY FISH PASTE! WHAT THE HELL IS THAT!?

Laney: I think I'm gonna be sick!

Customer: I have NO idea what the fuck this is!

Nico: Who's the fucking head chef here?!

Manager: Right this way.

We went to the kitchen and to our surprise and disbelief we saw that it was none other than Prohyas's dimwitted doppelgänger NOHYAS!

---

Nohyas is the evil doppelganger of Prohyas Warrior. He is a recurring antagonist throughout the series who seeks to impersonate the Warriors for Hire to make people like him.

As Prohyas' doppelganger, Nohyas' physical design is an exact copy the his. However, his hair and clothes are differently colored from Prohyas, having red hair with black and grey clothing. He also has a black mustache, which is most likely fake, and wears a small bowler derby hat. He has a frequent habit of going cross-eyed.

He often dresses one of his hands up with googly-eyes, a blue wig, large green earrings, and a yellow cape, creating a hand puppet which he calls "Handbre", attempting to imitate Prohyas' sister, Vambre Warrior.

Nohyas is a confusing individual, having dedicated his life since childhood to impersonating Prohyas Warrior for the sake of the friendship and adoration of others. Despite his motivations being the pursuit of friendship and adoration, he openly declares himself to be evil, typically just before committing a misdeed. He has no regard for the wellbeing of others, and will quickly turn on others for the sake of perpetuating the idea he is Prohyas Warrior, even to Prohyas himself. In addition to feigning Prohyas' character, he is also prone to making up stories about himself. He also has a habit of randomly screaming "NO-YEAH!" as an exclaimation.

His first TV short appearance was in "The Land Before Slime", where his evil cottage (with a mustache symbolizing him) was stomped and destroyed by King Rexxtopher.

In his second appearance, "No Robots for Old Men", he appears with his hand puppet, Handbre.

In "Whose Hyas is it Anyway?", he appears in Galacton with the Confusing Alien Magisword and uses it to shoot duckies (supposedly his favorite) at Prohyas' head, change his voice to a lispy Ed Wynn-esque one and make his scarf plaid. Nohyas ends up creating an interdimensional vortex, out of which comes a giant hand that grabs and pulls him in, ultimately depositing him at Slugburger.

His debut is in the short "Identity Theft", in which he and his hand, Handbre, pretend to be the Warriors for Hire in order to get Prohyas' burger, Vambre's book and many Magiswords from Ralphio's shop. The Warriors for Hire duel the doppelgangers but since he has the same Magiswords as them, they lose. However, he does not have any one-of-a-kind Magiswords such as the Oinkus Oinkus Magisword and the Dolphin Magisword, so they use the Super Teamwork Combo to vanquish him.

He made a small appearance in the episode "Gotta Get Grup to Get Down" where he entered the Rhyboflavin Talent Contest. His talent was impressions which was pretty much dressing an audience member with a mustache and derby like him.

He made a slight cameo in the episode "Little Sword of Horrors" as Prohyas watering plants.

He was one of the supporting players of the Rhyboflavin Grups in the episode "Grup Jam".

In "Random Acts of Memory" it is revealed that Nohyas has known the Warrior siblings since they were children, however up until adulthood he would use his signature "Selective Memory Magisword" to erase memories they made of him after things take turns for the worst. It is revealed that he was actually the one to burn down the barn with Vambre's tomato magisword (which she went to therapy for blaming herself for years), was the new kid in Vambre and Prohyas' adventure class where even under truth paste he still admits to believing he's Prohyas (and subsequently Vambre). He is also the reason why they didn't remember meeting Grup's brother Prug, only wanting them to remember a positive memory of him. After several more stories (some of which false) Prohyas uses the Pencil Magisword to trick him into giving him the Selective Memory Magisword, and uses Paperbag Magisword to trick him into thinking he's talking to himself.

Magisword user: Nohyas is very skilled in the use of Magiswords and is very skilled in using them. He has enough skill to use a Super Teamwork Combo on his own, something Prohyas has yet to accomplish.

Me: Nohyas!?

Nohyas: Well if it isn't our friends Team Loud Crow Storm!

Me: Team Loud PHOENIX Storm you numbskull.

Camie: So he's Nohyas?

Me: Yep.

Nico: You're under arrest!

Me: Wait Nico. Lets have Vypra take him into the Masters of Evil.

Qin: Good idea.

Me: Yeah.

Nohyas: Don't you know that it's me Prohyas?

Me: Prohyas has Periwinkle hair and yours is red like blood. Second he doesn't wear a hat or has a mustache and third his sister Vambre is real and not some stupid hand puppet.

Nico: You made some of us puke!

Me: Nico he's an idiot.

Lana: Yeah take it from me facing him the first time. He was the first enemy I faced.

Nico: Right.

Me: Also he is a very terrible cook. How the heck did you make head chef anyway?

Nohyas: That's easy I used this on the manager.

HYPNOSIS MAGISWORD!

Me: Hypnosis Magisword. Figures.

Nico: He hypnotized him!?

Qin: Oh boy.

Nohyas: That's right. And we as Prohyas and Vambre could make delicious food that everyone can enjoy.

Qin: Uh have you looked in the mirror lately?

Me: Yeah!

Nico: You have anything to say for yourself?!

Nohyas: It's because I'm Evil and Self-Loathing.

Me: You really hate yourself don't you.

Nohyas: Yeah.

Me: Lets not fight in here. It's too cramped.

We went outside.

Me: You have good Magisword skills I'll give you that. Lets see you match this. (SPINS MAGISWORD BRACELET)

DAIRY PRODUCT MAGISWORD!

I fired waves of milk and he swallowed them.

Me: Hope you aren't lactose intolerant!

Nico: Eli, please sense where Swartz's creations are.

Eli: On it.

He sensed for them.

Eli: They are already here!

Then a huge beanstalk appeared and wrapped Nohyas in a pod and he shook him and out came NUMEROUS FOOD MAGISWORDS!

Me: Whoa!

Nico: Wow! Look at all these!

Qin: Wow! A Boiled Crab Magisword, Omelette, Fruit Basket, Bean Burrito, Curry Spiciness, Chili Pepper, Legendary Atomic Pepper, So many!

Nico: Now I see how he was doing it. He was using all these magiswords to make disgusting food.

Me: Very clever.

I put them in my bracelet and I made copies of them to put in our bracelets.

Nico: But who did that?

Voice: We did.

Out came 2 figures and it was ANOTHER JACK OF THE EARTH'S BEAN TREE and ANOTHER CHALMERS!

The Another Jack and the Earth Bean's Tree looked like a giant from the story Jack and The Beanstalk and Another Chalmers looked like a dark version of Chalmers.

Nico: Whoa that was fast!

Me: Wow!

She reverted back and it was SUPERINTENDENT CHEN!

Me: Superintendent Chen! I did not expect you to be turned into this!

Qin: Me neither!

Eli: Did you turn into this because of Huggins?

Another Chalmers: No. This was forced upon me before you guys killed Swartz.

Me: Oh man.

Sailor Hollow Bastion: Yeah after news broke out of the return of Lincoln's Guardian Angels, Superintendent Chen vowed that she was gonna undo the wrongs of Killjoy Huggins. But Swartz kidnapped her and turned her into another Chalmers before that happened.

Lola: Oh man!

Me: Yeah that is bad.

Qin: No kidding.

Nico: You were going to fire Huggins weren't you?

Another Chalmers: That was my previous intention. But after hearing about how you guys changed him I decided to let that slide. I now know that his dark side is one to blame for it all.

Anna Anyanova: I had a feeling that his dark side was still at large inside him.

Lizzie Strong: We'll deal with him later when the time comes.

Kaito: (gets out Bioman gear) So Swartz didn't promise you anything?

Zocks: (gets out Dynaman gear) How come you just turned into Another Chalmers today then?

Heure and Ora came.

Ora: We can answer that. It was part of our plan.

Heure: Sorry to make this rough on you guys but we got word about Nohyas being a potential member of the M.O.E. And as part of our secret plan we put a delay activated Another Ridewatch for Chalmers into Chen to help you all bring in Nohyas for us.

Nico: That's pure genius guys!

Qin: It sure is!

Sailor Hollow Bastion: Yeah it sure is.

Kaito got a Bio Sword and Zocks got a Dynaman Sword.

Me: I get it. It was to throw off Suspicion so Swartz didn't know we were on to him.

Ora: Exactly.

Me: Clever. And you told Chen to play along till the time came.

Ora: Yep.

Sougo: (gets out Bioman Ridewatch) All under Swartz's nose? I knew recruiting you guys was a good idea!

Geiz: (gets out Dynaman Ridewatch) Please tell me you two didn't eat any of the food here!

Sougo got Red1Armor while Geiz got DynaRedArmor.

Ora: No way! We knew that Nohyas was a horrible cook so we didn't want to take that chance.

Qin: Good thinking there.

Sailor Hollow Bastion: Pinkie Pie you and J.D. did a great job taking down Dark Riku in Hollow Bastion. And yes I am the Sailor Soldier for Hollow Bastion. I didn't show up because I was put in a stasis state after draining my power to ward off Maleficent and the villains. But you guys saved me and I'm grateful.

Me: No problem.

Pinkie Pie: No biggie wiggie.

Qin: It sure was awesome.

Another Chalmers came and Sailor Hollow Bastion did too and they gave us their Another Items and Chen reverted back.

I purified the ridewatch and the Wonder Ride Book turned into THE GOLDEN BEANSTALK OF LIGHT!

Me: Cool! Nohyas is the greater threat here.

Sailor Hollow Bastion: Yes he is!

Nico: Lets do it!

BOILED CRAB MAGISWORD!

Me: Lets see what this one does.

I fired steamed crabs and they hit Nohyas and went into his mouth and burned him bad!

Qin: OUCH!

Me: Now you know how a lobster feels.

LEGENDARY ATOMIC PEPPER MAGISWORD!

I fired waves of super nuclear hot peppers and they went into Nohyas's mouth and then he SCREAMED IN PAIN AS FIRE EXPLODED OUT OF HIS MOUTH, NOSE, EARS AND BUTT AND ALARM BELLS RANG!

HE RAN AROUND LIKE A CHICKEN WITH ITS HEAD CUT OFF!

Qin: WHOA! THAT ONE IS HOT!

Camie: Wow

Nico: (gets out Chalmer's Ridewatch) By the way, Hades actually is in the Masters of Evil now.

Sailor Hollow Bastion: I heard. That is so awesome!

Chen: It sure is.

Nico activated it.

Nico: SKIINNNNNNEEEEERRR!

He yelled and fired a sonic blast and smashed Nohyas down.

Nico: Whoa! (COUGHS) Gary I don't know how your voice was able to handle that kind of yell.

Chalmers: Yeah (Laughs) I've been doing that for as long as I can remember and it hurts my voice.

Me: Whoa. No kidding there.

CURRY SPICINESS MAGISWORD!

Me: This one has a dial for spice. Cool.

I turned it to SUPER ATOMIC SPICE!

I fired waves of glowing neon red curry and it went down Nohyas's throat and he screamed in more explosive pain!

Eli: Wow that one is spicy!

Nico: No kidding!

Me: Lets see what this one can do.

BEAN BURRITO MAGISWORD!

I fired waves of burritos and they went into Nohyas's mouth and he swallowed them. Then his stomach grumbled loudly.

Nohyas: UH OH! I DON'T FEEL SO GOOD!

LOUD FARTING!

Me: WHEW! GEEZ!

Laney: Wow!

But then…

LOUD SUPER WET FART!

Me: UH OH! I think he just soiled his pants!

Qin: That magisword fires burritos that give you really bad farts followed by explosive diarrhea. Very funny and awesome.

Nico: (gets out Supreme King Jaden's Ridewatch) Time to get your game on!

Me: In a dark way!

Nico activated the ridewatch and summoned the Evil HERO Monsters!

They fired waves of elements and blasted Nohyas all over!

Qin: Nice one!

Me: Yeah! How about this one?

FRUIT BASKET MAGISWORD!

I fired a massive barrage of mixed fruits and they hit Nohyas and splattered him all over the place and he was really a mess!

Me: The Gaim Riders and Jared would love this one.

Nico: They sure would.

Me: Yeah. Nohyas how did you get all these food magiswords anyway?

Nohyas: That's easy. We stole them all from Ralphios.

Me: I figured you did.

Qin: You're gonna be paying one hefty Jemm Bill at Ralphios.

Camie: No kidding there.

Me: Yeah. How about this one?

CHOCOLATE TRUFFLE MAGISWORD!

I fired a barrage of Chocolate Truffles and they went into Nohyas's mouth and gave him a TREMENDOUS SUGAR RUSH!

Me: WHOA! Sugar Rush! Lola care for some chocolate?

Lola: You bet.

I gave her some chocolate and she went into SUGAR RUSH FRENZY!

Lola: AYIYIYIYIYIYIYIYIYIYIYIYIYIYIYIYIYIYIYI!

She zoomed around like a roadrunner and smashed Nohyas all over the place.

May: (gets out Altar Zodiarts' Ridewatch) You better hope Lori, Luna, Luan, and Linka get better after Irena's mission today!

Me: Don't worry May. We got the best doctors ever.

Varie: Yeah I made a remedy for food poisoning.

May: Wow!

She activated the Ridewatch and fired a blast of fire and smashed him down.

Me: This is a weird one.

CHUM MAGISWORD!

It was a Magisword that fires chum! YUCK!

Me: A Chum Magisword!?

Nico: YUCK!

Me: No kidding. I would normally be hurling my guts out at the sight of this. But I'm willing to bet that Nohyas used this and poisoned all the people here with it.

Lola: I have that same feeling too.

Lana: Cool! Can I have some?

Me: Sure Lana.

I gave Lana some chum and she ate it all and to her it was tasty.

Zuria: I think I'm gonna be sick!

Me: Oh that's Lana for you.

May: (gets out Minister Blizzard's Ridewatch) I think you need to chill!

She fired waves of ice and froze him in place and I fired waves of chum into Nohyas's mouth and then HE PROJECTILE VOMITED EVERYWHERE!

Me: OH SICK!

Xenia: YUCK!

Maria: Welcome to the face of your nightmares. (ACTIVATES NIGHTMARE X'S RIDEWATCH)

She molded her face into a HIDEOUSLY UGLY AND HORRIFYING MONSTROSITY AND SCARED THE LIVING SHIT OUT OF NOHYAS!

Me: WHOA! And I thought Toepick's face was terrible!

Maria: (gets out Sorcerer Doomlander's Ridewatch) Now for this!

She activated it.

Maria: BE AFRAID OF THE BANANAS!

Nico: That's a cheesy catchphrase.

Me: No kidding.

Sorcerer Doomlander: Yeah it is cheesy huh.

Maria fired waves of energy and smashed him down.

Qin: Take that!

Me: Taste the Rainbow Lightning!

ZAP APPLE MAGISWORD!

I fired waves of rainbow lightning and electrocuted Nohyas all over.

Nico: To quote Ed, Zappity Zap Zap!

We laughed!

Leni: (LAUGHS) That was totes funny!

Molten Man and his team consisting of Warp, Lava Ghost, TTG Blackfire, Fire Core and Raging Raven came.

Nico: Nice team, Molten Man!

Molten Man: Thanks Nico!

Raging Raven grabbed Nohyas.

Raging Raven: YOU MAKE ME SO MAD!

SMASH SMASH SMASH SMASH SMASH SMASH!

She smashed and pulverized the living shit out of him!

Raging Raven: (smells the puke) Dear God, do I smell vomit?!

Me: Don't fucking ask!

Qin: Mr. Serve-Chum-In-Food-Because-He-Has-A-Brain-The-Size-Of-A-Broccoli-Stalk there served it in the food and made people sick as hell!

Nico: Yeah no kidding!

Raging Raven: Sorry I asked anyway.

Me: Lets see how he likes this.

HOT TAMALE MAGISWORD!

I fired waves of Tamales and they went into Nohyas's mouth and he screamed in pain!

Me: NICE! Watch this.

CHARGING BULL MAGISWORD!

Me: (Imitates Slapsie Maxie Rosenbull) The Screwball in the side pocket.

I ran at Nohyas and rammed my head into his stomach with devastating force and smashed him into a big garbage can and smashed him down.

Bonnie: My turn! (ACTIVATES SUPREME KING DARK JADEN'S RIDEWATCH)

She fired waves of elements from the Evil HERO Monsters and they hit Nohyas and smashed him all over!

Me: YEAH! Watch this one.

DEHYDRATED CHILI DOGS MAGISWORD!

I fired Dehydrated Chili Dogs into his mouth and he swallowed them.

I fired waves of water and then they rehydrated and then made him fatter than a sumo wrestler!

Maria: Is the next Gene Slammer here?

?: You mean me?

We saw a Togetic.

Me: Whoa a Togetic!

Nico: Cool!

Togetic: (In a girls voice) This is gonna be fun.

Nico: Jackie Edgar!? Whoa!

Qin: Awesome to see you again Jackie.

Togetic: Same here. I got this.

She lifted him up with her psychic power and then spun him around ferociously like a spinning top and made him so dizzy and then he threw up all over RAGING RAVEN!

Nico: YUCK!

Qin: UH OH!

Then she teleported him to the M.O.E. HQ.

Nico: That was funny!

Togetic: But it was awesome.

Raging Raven was REALLY GOING TO KILL NOHYAS!

Nico: Should this restaurant be condemned now?

Me: No we'll clean it up and get it back in proper working order.

Nico: Okay.

I snapped my fingers and did so.

Qin: Easy.

Togetic: That was awesome and really funny though.

Xenia: Boy it sure was.

Sailor Hollow Bastion: That was awesome and funny.

Bonnie: What's your favorite memory of Nico?

Togetic: My favorite is where me and Nico discovered a new mineral in the mountains of Mexico and we call it Dunbarite.

Maria: That's cool!

Nico: Yep it's a radioactive mineral that has more gamma radiation than plutonium.

Nicole: Yeah it's a really dangerously radioactive one.

Qin: Boy no kidding there.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a white leotard.

Everyone covered their eyes and I snapped my fingers and she was reverting back.

Nico: Can I have your Ridewatch now?

I gave it to him.

Nico: Thanks.

She was back to normal and was a girl with red hair and blue eyes and the fashion brigade put the leotard on her and she got up.

Jackie Edgar: Whoa that was crazy.

Nico and Jackie hugged.

Nico: I've really missed you.

Jackie Edgar: Me too Nico. Me too.

We went back home.

Now, we're going to destroy Isabella Abaddon and give her The Black Gates for her crimes that made her The Devil Incarnate.

Lincoln: Wow, so we're here in the east of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also finally going to destroy Isabella Abaddon, The Fallen Guardian Angel who broke her solemn oath and vow to protect me years ago, and then betrayed me and her fellow Guardian Angels and sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies to cause us pain, suffering, and chaos until she, Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies were defeated by us, and it led to Isabella Abaddon's fall from Grace and she became The Fallen Guardian Angel and was condemned to Hell for eternity, only to finally escape from Hell when The Chernabog Sisters made their escape and return last year.

Winter Icyin: (British Accent) Finally, I knew the time would finally arrive, now we're finally going to destroy Isabella Abaddon and give her The Black Gates for her crimes that made her The Devil

Incarnate.

Nico: After what we saw yesterday on Yakko, Wakko, and Dot's rescue, she really is just like Lucifer, and as such, her crimes deserve no forgiveness.

Me: She deserves to pay for her betrayal.

Lincoln: We'll never forgive her for her betrayal, God's Judgement and her eternal damnation made it clear that very day after we defeated her, along with Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies. And I want to thank you, Genkai, and Juvia for joining us, Cornelia.

Cornelia: You're welcome, Lincoln. Plus, we also got to be careful, Isabella will no doubt have an army of demons with her, but we'll be ready to send them all back to Hell for good.

Genkai: Luckily, she didn't get Gene-Slammed, otherwise, we're in big trouble.

Lincoln: No, she wasn't, Master Genkai. Team Rocket didn't Gene-Slam her when she got sent to Hell for eternity, but she still has her dark powers, so we're in for a rough fight.

?: HELLLLLLLLLPPPPPP!

Suddenly, we heard the sound of six girls calling for help along with the sound of malevolent and sadistic laughter. With his Third Eye, deep sapphire blue cyborg eyes, superhuman senses, The Force, and sensing energy signals, Lincoln saw who it was calling for help: it was the six girls, but they've been cornered by Isabella Abaddon, and she's going to kill them.

Lincoln: (Gasps) Let's get over there at once, guys, I found the six girls, but they've been cornered by Isabella Abaddon, and she's going to kill them.

?: (Girl's voice) That treacherous Fallen Guardian Angel, let's get her and tear her limb from limb!

Suddenly, we saw a beautiful girl with short midnight black hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the sigil of Nyarlathotep on her forehead, she has on a sleeveless midnight black open blouse, sleeveless midnight black midriff top, midnight black skirt with the symbol of Cthulhu on it, midnight black pants, midnight black high-heeled boots, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Nyarlathotep and holstered on her back is a massive Nyarlathotep-themed greatsword with embedded red gems and Nyarlathotep etched on the 7'0" massive, wide, double-edged midnight blade, large midnight black demon heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large demon heads with curved tentacles and large red gem on the bottom of the large demon heads for the pommel.

Lincoln: (Gasps) I knew we'd run into you here, Adrienne Nyarlathotep, but we'll talk later, let's get rid of The Fallen Guardian Angel and send her to her doom.

We rushed on over and before Isabella Abaddon could kill the girls, Lincoln fired powerful rainbow energy balls and elemental blasts at The Fallen Guardian Angel and that allowed the six girls to get to safety inside a rainbow energy field created by Lincoln to protect them from Isabella Abaddon and the army of demons who tried to break the field only to be incinerated and sent back to Hell, and when The Fallen Guardian Angel saw us, she only laughed maniacally at us. But, when she saw Lincoln and his Guardian Angels here, her maniacal laughter turned to insane rage.

Isabella Abaddon: (Demonic Voice) YOU! This is all your fault, Lincoln Loud! I would've finally gotten the pleasure of seeing you and all of them die horribly, but you just had to be the hero and ruin my fun!

Lincoln: What you consider fun, we consider nothing more than betrayal, Isabella! You broke the vow and oath to protect me, and even worse, you betrayed me and your fellow Guardian Angels and you sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of my enemies, and you put us all through Hell!

Nicholette Torrington: You deserved God's punishment that day five years ago, Isabella, and you also deserved to be banished to Hell for eternity!

Isabella Abaddon: (Demonic Voice) I will kill every last one of you, and you will all suffer in Hell with me!

Lincoln: Go to Hell, Fallen Guardian Angel! Let's tear her to shreds!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-

Isabella Abaddon screamed even more in anger, and we saw the black feathers on her demonic black angel wings fall off and they turned into that of a demons: she'd completely descended into darkness and became a demon. She ran at Lincoln and tried to kill him yet again, but Lincoln drove his massive greatsword into her black heart and she died from blood loss and she exploded into black flames as she was erased by The Black Gates. We cheered as we holstered our weapons and powered down.

Lincoln: May you never darken Michigan again, Fallen Guardian Angel! (To Adrienne Nyarlathotep) And it's so good to see you again, Adrienne Nyarlathotep.

Adrienne Nyarlathotep: You too, Lincoln, it's been a long time.

Lincoln went up to Adrienne Nyarlathotep and he hugged her, and Adrienne Nyarlathotep is s very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Adrienne Nyarlathotep: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails and many accessories, that's really new. Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, this is Adrienne Nyarlathotep, The Incarnation of Nyarlathotep, she's my Guardian Angel from Massachusetts and classmate in Gym, she's known as the shape-shifter of The Cthulhu Mythos entity incarnations, since Nyarlathotep can take on many forms and he's another one of The Outer Gods in The Cthulhu Mythos, and she has the same omnipotent powers as Nyarlathotep himself, along with godlike power, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Nyarlathotep's Dark Shapeshifter Madness, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the many forms of Nyarlathotep, and that will drive them mad, and even worse, should they dare see Nyarlathotep in his true form, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Adriana Azathoth: That's right, and like I said yesterday, the other Incarnations of The Cthulhu deities and I are well-known masters of these kinds of curses, and there's a reason why they're forbidden: the dark language of The Cthulhu Mythos entities has the power to drive those who have no comprehension of them mad.

Me: Yeah, that's right, I know that all too well, and I also happen to have this.

I immediately showed Adrienne Nyarlathotep The Bracelet of Cthulhu which merged with my right gold cuff Bracelet of The Champions of The Universe.

Adrienne Nyarlathotep: The Bracelet of Cthulhu, I remember that all too well.

Nico: Yeah, he'd used it on certain people we don't like, and it drove them mad.

Adrienne Nyarlathotep: I know those curses all too well, and I've defended Lincoln from his enemies at their worst, but I hated Lola with a blazing passion, and I almost got close to using Nyarlathotep's Dark Shapeshifter Madness on her.

We gasped.

Nico and me: Lola, what did you do?!

Adrienne Nyarlathotep: Trust me, you're not going to like this one bit. (To Lincoln) And Lincoln, there's something I want to give you: I want to give you my blood.

We gasped at her request, including Lincoln.

Lincoln: Adrienne, are you absolutely sure about this?

Adrienne Nyarlathotep: (Smiles) Yes, more than anything, after all, I'm going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Adrienne Nyarlathotep, and he saw that she's really serious, and he smiled as he walks over to Adrienne Nyarlathotep, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Adrienne Nyarlathotep's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Adrienne Nyarlathotep: You're still as gentle as ever when you feed on someone, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Adrienne Nyarlathotep's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Adrienne Nyarlathotep: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Adrienne Nyarlathotep.

Adrienne Nyarlathotep had a smile on her face and tears in her eyes as Lincoln had his abnormally massive and powerful muscular arms around her waist, and he leans down to her face and kissed her passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw them, he recognized them immediately. The six girls are Ruri Miyamoto and Kosaki Onodera from Nisekoi and Tomoko Utsunomiya, Naoko Arai, Keiko Mejiro, and Eiko from Sexy Sailor Soldier.

Lincoln: Oh wow, it's Ruri Miyamoto and Kosaki Onodera from Nisekoi and Tomoko Utsunomiya, Naoko Arai, Keiko Mejiro, and Eiko from Sexy Sailor Soldier.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Ruri Miyamoto: Yes, we're okay, thanks to you.

Then, when Ruri Miyamoto and the other five girls saw who it was that saved them from Isabella Abaddon, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ruri Miyamoto: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ruri Miyamoto: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruri Miyamoto, Kosaki Onodera, Tomoko Utsunomiya, Naoko Arai, Keiko Mejiro, and Eiko with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Isabella Abaddon, Lincoln's former now turned into The Fallen Guardian Angel who broke her solemn oath and vow to protect Lincoln five years ago, and betrayed him and her fellow Guardian Angels and sided with Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies to cause him and all his Guardian Angels pain, suffering, and chaos until she, Lori, Lynn, Lola, Lisa, Luan, and the rest of Lincoln's enemies were defeated by Lincoln and his Guardian Angels, and Isabella Abaddon fell from Grace and she became The Fallen Guardian Angel and was condemned to Hell for eternity, only to escape from Hell when The Chernabog Sisters made their escape and return last year.

But, when Lincoln showed what we did to Isabella Abaddon by giving that Fallen Guardian Angel the well-deserved beatdown, but she finally descended into darkness and transformed into a demon and Lincoln finishing her off by driving his massive greatsword into her black heart and she exploded into black flames and was sent to The Black Gates forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and Adrienne Nyarlathotep have a lot of catching up to do, now that she's back in town.

Maria: That'll teach that Fallen Guardian Angel a brutal lesson she'll never forget. But, I can't believe that she just breaks her vow and oath to protect you and even worse side with Lori, Lynn, Lola, Lisa, Luan, and the rest of the jerks to cause you and the other Guardian Angels pain and suffering.

Lincoln: She made our lives Hell when she betrayed us, and I can never forgive her for what she did.

Anna Anyanova: None of us will either, what Isabella Abaddon did, she can never be forgiven for her dark deeds in the past.

Nico: But, she got her punishment: falling from grace and sent to Hell for eternity, and now, she's been sent to The Black Gates for good.

Me: You said it.

---

After finally destroying The Fallen Guardian Angel, Isabella Abaddon, and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Adrienne Nyarlathotep saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, she had an atomic red blush on her face, hearts in her eyes, and her nose was bleeding.

Adrienne Nyarlathotep: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Adrienne, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Adrienne Nyarlathotep: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was

formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Adrienne Nyarlathotep I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Adrienne, what's the story on why you hated Lynn with a blazing passion and it almost wound up in you almost using Nyarlathotep's Dark Shapeshifter Madness on her?

Adrienne Nyarlathotep: You're not going to like this one bit. You see, I made it no secret Lynn was a big bully and flat-out bitch towards Lincoln and she almost killed him by beating him up and those times she stabbed him with a knife, but on this day, Lincoln and I were busy working out in the gym we set up, and we were doing some wrestling. But, then, Lincoln almost got jumped on by Lynn and she was about to beat the shit out of him if he hadn't grabbed her by the jersey and slammed her onto the mat, I was beyond furious with her, and I almost turned my right arm into a black tentacle to toss Lynn into a wall, but Lincoln was holding Lynn in place, but I was worried Lynn was going to break free and attack Lincoln even though he was taller and extremely muscular, and I'd almost got that close to using Nyarlathotep's Dark Shapeshifter Madness on her, but Lincoln stopped me as he fired a red energy blast from his massive white angel wings and tied that bitch up. We finished our workouts in the gym, and we went back home and told Mr. and Mrs. Loud that Lynn tried to attack Lincoln again and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lynn was trying to attack Lincoln again because it was threatening her "dominance"?! She sure is nothing but a wild animal.

Luna: She sure was, dude.

Lincoln: And once again, it was for no reason other than to cause me pain because she saw that it's a threat to her so-called dominance, but she was literally that powerhungry and stupid. But, she made a big mistake when she crossed Adrienne Nyarlathotep, The Incarnation of Nyarlathotep, and I'm glad I stopped her from using her Lovecraftian Curse, Nyarlathotep's Dark Shapeshifter Madness.

Adrienne Nyarlathotep: Yeah, and you were really dominant when you body-slammed Lynn onto the mat, you outmuscled Lynn and outclassed her by leagues in terms of strength and power.

Nico: But, Lynn wasn't going to learn her lesson that easy, right?

Lincoln: Nope, she sure wasn't. That Dark Side of hers made her stubborn, violent, pig-headed.

Eli: Yeesh.

Lori: We had a lot of worse words to call Lynn, but we didn't, because if she heard it, she would kill all of us. That was said by Lincoln's Guardian Angels, but yeah, Lincoln made it clear, she was stubborn, violent, and a total meathead, because of that animal in her.

We got a shower afterwards, and then, Lincoln, Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter are heading to Gelato Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter all had feelings for

Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Rumi Usagiyama: Wow, so this is Gelato Beach, awesome.

Lincoln: I've been here many times before, and this is also perfect for our first beach date, ladies. Shall we?

Lincoln, Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter and they hugged the girls in their abnormally massive and powerful muscular arms and Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Nemuri Kayama: Looks like someone had quite a fun time at Gelato Beach, eh, Linky?

Lincoln: (In Heaven) It was awesome!

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Rumi Usagiyama A.K.A. Mirko, Emi Fukukado A.K.A. Ms. Joke, Rangiku Matsumoto, Rukia Kuchiki, Sakura (Pokémon), Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Yu Takeyama: And I knew Linky would also mark you and Emi, Rumi, same with Rangiku Matsumoto, Rukia Kuchiki, Sakura, Satsuki, Tamao, Sumomo, Koume, Posey Bloom, Muffet, Viperine Gorgon, Sirena Von Boo, Bonita Femur, and Avea Trotter.

Rumi Usagiyama: He certainly is quite gentle especially when he marked us and fed on our blood. (Seductively and rubs her right hand on Lincoln's massive right pec) I'm glad Midnight and Mountain Lady introduced me and Emi to you. Now, you have four sexy R-Rated Pro Heroes in your harem.

Lincoln had an atomic red blush on his face and his nose was bleeding.

Nico: Uh, Rumi, need I remind you of what happens when you flirt with Lincoln?

Rumi Usagiyama: Oh, I know, but that just gives us even more of a challenge to drive our man even more wild.

Me: Oh man, Lincoln's trying to hold his urges intact, but of course, that's not going to be easy.

Rudina Adalwulf: Apparently not. But, he's really holding on strong, thanks to my training.

---

Later it was time for Irena's 3rd Ambassador Mission.

Qin: This is gonna be awesome.

William: Anyone else want to go with Irena? Besides the other Underground Girls, Casey Rhodes, and Ang Leung?

Lincoln: Me and my siblings will go.

Lynn: It'll be awesome to bash more baddies into dirt.

Lola: Yeah!

Nico: All right then. Lets head out!

We opened the portal and we were off.

---

We arrived.

Me: Here we are.

Mystique Sonia: Hey guys! Welcome.

Me: Awesome to see you guys.

Irena: Guys, meet Casey Rhodes, Ang Leung, and my fellow Underground Girls.

Casey: Awesome to meet you. Casey Rhodes, leader of the Jungle Fury Power Rangers.

Ang Leung: Ang Leund, Golden Dragon.

Everyone introduced themselves.

Lin Chung: Wow that's a lot of kids.

Me: It sure is and their mom and dad thought it would be cute if their names all started with the letter L.

Sheila Loud: It's true. And I think it's awesome.

Lori: It literally is.

Me: (Whispers to Lin Chung) And their family has not been one to use condoms because they don't believe in them.

Lin snickered at that.

Lin Chung: Irena, can you describe what turning into your Lepidopterranian feels like?

Irena: I can try. It started with me sprouting red butterfly wings and it felt like I was being pulled in many directions and my bones cracked and my flesh stretched and it hurt like hell. But I got used to it as time went on.

Nico: It's true.

Sydney: Same thing happened to us.

Nanette: Yeah it's true.

Mr. No Hands: So far, Highroller hasn't attempted to turn anymore of the animals against the humans here. Which means we now have the chance to defeat one of his long standing allies and convert her to our side.

Nico: Wait. "Her"?

Mr. No Hands: The Chameleon Queen.

Me: Ah this will be interesting.

Lola: It sure will.

Nico: Yep.

Me: This will be fun.

Nico: Tell us more about the Chameleon Queen.

Mr. No Hands: Okay.

He did so.

---

Chameleon Queen is the Queen of the Chameleons. She first appeared in "Pitched Battle of the Tank Army", when she grew giant and had to eat all of the mosquitoes. For the time being, High Roller had no interest in using her until learning that she could be useful and bribed her with Candy. She becomes the first of few allies to join him. High Roller however, hates mosquitoes and if Chameleon Queen refuses to eat them up, High Roller just grabs or pinches her on any of her body parts and she will start crying, so she usually has to do as he says, to avoid him doing it again.

As shown in many episodes, her insides are big enough to hold many minions.

At first, the Chameleons were very weak against First Squad. It was soon they gained shields (really bells) for protection. It was then that High Roller had the Chameleon Queen join him and managed to do really well in a fight for a change.

As good as their partnership was, she was soon framed by the Zebra Brothers for stealing lollipops, who had eaten/stole many of the lollipops for themselves. High Roller banished the Chameleon Queen, so she joined forces with Second Squad to challenge First Squad to a Turtle Cannon Competition III. When High Roller overheard the Zebra Brothers discussing their plans while they were eating the lollipops, he realized he was tricked and goes to explain what happened to the Chameleon Queen, offering her a giant lollipop to get her to come back.

---

When he was done we were amazed.

Me: Whoa! So they act like Trojan Horse fortresses for High Roller's troops.

Lin Chung: Exactly.

Nico: Very interesting.

Mystique Sonia: In my opinion, she deserves much better than High Roller.

Lori: I literally agree.

Mystique Sonia: Look, I know it sounds crazy but- (realizes something) Wait. What did you just say?

Me: She agrees with you guys. And I do too.

Nico: I do too. Chameleon's are awesome.

Lynn: They sure are and they can do anything with their surroundings.

Eli: Even blend in with them.

Lily: They sure can and it is really cool.

Mystique Sonia: Glad we agree on that.

Casey Rhodes: This actually isn't my first time fighting a Chameleon.

Me: Casey fought Camille the Chameleon Warrior before he and the Jungle Fury Rangers joined the team along with Camille and Jarrod.

Nico: Yeah they sure did. And it was awesome.

Mystique Sonia: That is amazing.

Eli: It sure is and the cool part is that during the Jungle Fury Rangers usual battles with one of their monsters, Isabelle identifies what their spirit animals can do for us.

Me: It's true.

We showed our rings.

Me: My granddaughter Isabel is the chief shaman of the team and she can identify what each spirit animal can do for everyone.

Nico: It's a really awesome power.

Mighty Ray: Wow that is cool!

Commander Apetrully: The Chameleon Queen has luckily been spotted far away from High Roller and his allies.

Me: She's a sitting duck. But without a doubt she has many more in her army waiting.

Nico: Yep.

Lola: This will be awesome though.

Me: I haven't used a Combo from the Magiswords yet so this will be cool.

Nico: It sure will.

Mighty Ray: We're DEFINITELY gonna need those Magiswords combos.

Me: You got that right. She has a really dangerously impenetrable helmet shell so this will be good.

Nico: It sure will.

Lucy Loud: I think this will be fun.

Nico: And girls I got plenty of Leotards in case.

Sheila Loud: Thanks Nico.

Lin Chung: We'll wait for you girls outside.

Sydney: Okay.

We followed the heroes and waited for the girls.

Lin Chung: Lori, why do you smell like vomit?

Lori: The puke police pulled me, Luna, Linka, and Luan over. Fortunately, Varie was able to pay the fine!

Me: We had an incident this morning where one of Vambre and Prohyas's enemies poisoned lots of customers at a restaurant and made them sick. Also we had to clean it all up.

Nico: Yeah it's crazy.

Me: It's just just Lori though. Luan, Luna and Linka were poisoned by it.

Nico: He was using magiswords to make the grub.

Me: He even used this one.

CHUM MAGISWORD!

Mystique Sonia: A Magisword for chum!?

Mighty Ray: Gross!

Lin Chung: I heard one time that when you hear the word chum J.D. it makes you throw up.

Me: Don't fucking remind me.

Lana was eating chum.

Lana: To me chum is delicious.

We laughed.

Mystique Sonia: Lana likes chum!?

Me: Yeah she sure does.

Lily: She loves it as much as our dad does.

Lincoln: You're not kidding there.

Me: His school ran out of food and all they had to eat was chum and he loved it ever since.

Lin Chung: That is gross.

Me: No kidding. I hurled my guts out a lot since.

Nico: Yeah.

Mystique Sonia: Remind us to hold a meeting between humans and animals reminding all of them that they shouldn't be fighting when it's the big day.

Me: Noted.

Nico: We'll make a memo of that when March 14th comes.

Eli: Right.

Me: Look on the bright side though, Lana eating chum is better than eating Oogie Boogie's bugs.

Mystique Sonia: Lana ate Oogie's bugs!?

Me: 3 times.

Lana: And man were they delicious.

We laughed.

Mystique Sonia: I think I'm gonna hurl.

Lola: I'm with you sister!

Irena and everyone came out.

Irena: Sorry if we took so long.

Me: No worries girls.

Lin Chung: That looks good on you, Irena.

Irena: Thanks. It's cool.

Lola: It sure is.

Irena: Were you guys talking about how Lana likes chum?

Me: Yep.

Nico: Yeah.

Eli: Anyway are we ready?

Irena: We sure are.

We were off.

We flew off and we saw a huge tin helmet with legs.

Nico: There she is. And man, is she huge!

Me: She looks like a giant helmet with legs.

Laney: Its true what they say. Looks can be deceiving.

Lisa Loud: Indeed.

We landed in front of her.

Me: Okay tin can hold it right there!

Nico: (to Chameleon Queen) Don't bother calling Highroller and your other buddies for help. I used Soundwave's powers to jam your communications a few minutes ago.

Me: And we got this too!

CAN OPENER MAGISWORD!

Me: I'm going to open you up.

Chameleon Queen: Team Loud Phoenix Storm. With all of Big Green's animal members currently at peace with the humans, I knew it was only a matter of time before you came after one of us.

Me: Nice to know that we made an impression.

Nico: Indeed.

Eli: Don't you see that High Roller is only using you?

Irena: Yeah what he said!

Me: Yeah High Roller duped all the animals. This war has to stop now.

Eli: Like it or not we're ending this war one way or another and it will end on the big day when we destroy Twinmasters and send High Roller to prison forever.

Casey Rhodes: Jungle Beast, Spirit Unleashed!

Ang Leung: Power of the Dragon!

They transformed!

Casey: WITH THE STRENGTH OF THE TIGER! JUNGLE FURY RED RANGER!

He was ready!

Ang turned into THE GOLDEN DRAGON!

Me: Yeah! Ang, the Chinese New Years Moon Festival is on tomorrow so the Rabbit form will be perfect for that.

Ang: Thanks. Glad you think so.

One the Chameleons fired at Mighty Ray. It didn't harm that much. But Mighty Ray felt like it did.

Mighty Ray: I'M DYING! I'M TOO YOUNG AND HANDSOME TO DIE! I'M DYING! DYING!

Casey Rhodes: Call to the beast-

Mighty Ray: DID I MENTION I'M DYING?!

Casey Rhodes: Call to the-

Mighty Ray: SEARING PAIN!

Casey Rhodes: (sighs) Call-

Mighty Ray: DYING! WHY NOW?! I HAD SO MUCH TO ALMOST LIVE FOR!

Me: (FACEPALMS)

Eli: Oh brother.

Me: Mighty Ray you aren't dying. It's only a little slime.

Mighty Ray: Oh. Then never mind.

Me: Where were we? Oh right. Top this.

HOT DOG MAGISWORD!

I fired hot dogs into Chameleon Queen's mouth and she ate them and they were tasty.

Me: I know they aren't flies but they got to be good.

Casey Rhodes: (gets out Cheshire's Rider Ticket) Now to get serious!

He activated it and got Cheshire's claws.

Me: Top this one.

LICORISNAPPER MAGISWORD!

It was a Licorice Version of Wickersnapper Magisword!

I lashed the Chameleons all over and put them in Licorice Cages.

Nico: Wow!

Laney: Yeah!

Me: How about this too?

BOUILLABAISSE SOUP MAGISWORD!

I fired waves of Bouillabaisse and drenched the Chameleons all over!

Casey slashed the Chameleons all over.

Ang: (gets out Crabbe's Rider Ticket) How about a little magic?!

He activated it and fired magic and smashed them down.

Me: You'll like this. Ready Lana?

Lana: You bet I am!

FISHSTICK MAGISWORD!

SMELLY SHOE MAGISWORD!

Me and Lana: SUPER TEAMWORK COMBO: FILET OF SOLE!

We squished numerous Chameleon Soldiers in a stinky smelly fish shoe! P.U.!

Nico: (gets out Chalmers and Cantwell's Ridewatches) I'm not forgetting about these this time!

Nico activated them and fired a blast of energy and smashed them down.

Me: NICE! Lola time to bring on the spice!

Lola: You got it!

GIANT BOWL OF SOUP AND MICROWAVE MAGISWORDS!

CURRY SPICINESS AND HOT SAUCE MAGISWORDS!

Me and Lola: SUPER ULTRA TEAMWORK COMBO: ATOMIC HOT CURRY SOUP OF DOOM!

We fired a massive hot curry soup and it went into a bunch of Chameleon Soldiers and they bursted into intense flames!

Nico: NICE!

Chameleon Queen: I want to leave High Roller. But every time I try to disobey, he always hurts me!

Me: How does he do that?

Chameleon Queen: I don't know. It's under this helmet.

Me: Hmm. This requires strength!

Lynn: Leave this to me.

MUSCLY ARM MAGISWORD!

She grew her arms to superhuman levels and grabbed the helmet but it was too heavy to lift!

Me: Oh boy. Irena, Girls get in there and lift!

Nico: What he said!

Irena: You got it! Come on girls! It's underground monster time!

Irena's jumpsuit got tight.

It ripped with butterfly wings coming out of her back.

And antennae popped out of her head. They all fully transformed and were ready!

Nico: NOICE!

Me: YEAH!

They then got on all the helmet sides and then..

POP!

It popped off!

Me: Boy that is awesome!

Lin Chung: Let's see what's inside.

Me: Wait look!

We saw a giant chip on her back and it had a red flashing light with a skull and crossbones on it!

Nico: Whoa that is a nasty chip!

Lisa Loud: (GASP) Sweet Johannes Keplar! That's a Pain Chip! It zaps the target with 50 million volts of electricity should there be any form of disobedience!

Me: Lets get this nasty abomination off of her!

Nico: Way ahead of you!

Nico and me grabbed the chip and pulled it off her and she was free!

Chameleon Queen: Free!

Then we heard beeping.

Lisa Loud: That chip is a high explosive bomb!

We threw it into the air and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded with the power of 50 tons of high explosives!

Eli: WHOA! That was close!

Mighty Ray: Geez. High Roller usually just pinched or grabbed a part of your body to hurt you. But this is messed up even for him!

Me: No kidding there! That was insane!

Eli: Where did he even get that kind of chip anyway?

Me: No doubt from the Galacton Evil Chip Store.

Nico: SAY WHAT!?

Me: Yeah crazy huh?

Nico: Either way, Chameleon Queen, welcome to Big Green. And not to worry. We've given you the power to assume your small size again.

Chameleon: Thanks guys!

Nico: Yeah.

Eli: But that was cool.

Lin Chung: Wait. Is that a Xatu?

Me: Hey it sure is.

Nico: Wow.

Xatu: (In a girls voice) (Egyptian Accent) Nico it's good to see you.

Nico: (GASP) Saline Al Saladin! Wow!

Me: What's your favorite memory of Nico?

Xatu: I went to Nico's class in history on Egypt and we did projects on the history of Saladin and Rameses.

Me: That is cool!

Nico: Yep.

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a black leotard and the boys covered their eyes and I snapped my fingers and she was back to normal and Nico gave her the leotard and she put it on. She was a girl with black hair and blue eyes.

Saline Al Saladin: That is amazing.

Nico and Saline hugged.

Nico: I've really missed you.

Saline Al Saladin: Me too Nico.

We later went back home.

---

We later came back.

May: Hey guys.

Me: Boy was that awesome.

We told everyone everything and it was awesome.

Qin: WHOA! That is amazing!

Maria: Lets get the girls back to normal in the bathroom.

Irena: Good idea.

Maria took them into their bathrooms.

May: Next time, Ryotaro and Ruby Rose should go with you.

Irena: Good idea!

Me: I like it.

---

We were at the Arcade.

Me: Okay Lincoln, Paige, Ronnie Anne you guys have fun.

Lincoln: Thanks!

Lusamine: Okay, Poliwag. Why don't you show us the games you played here yesterday?

Poliwag: Sure!

He showed us the Super Stacker game and it was amazing!

Me: Oh yeah I love this game!

Nico: Me too! That's amazing that you cleaned this whole game out.

Lola: It sure is.

Nico: Well done Poliwag.

Mario: (Italian Accent) Let's-a try it!

Me: Lets shall.

I got to playing and I got to the top and won and I won a PS Vita.

Qin: Wow! Nice one!

Me: Thanks.

Paige and Lincoln were doing great.

Ronnie Anne: Man Lincoln I did not expect a Guardian Angel of yours to go bad.

Lincoln: Me neither! That was rough!

Me: Boy none of us did Lincoln. Anna that must have been a hard blow for all of you to see that.

Anna Anyanova: It was. But she is getting what she deserves later on.

Blot: Don't forget the other games!

Me: I know.

We got to playing the others.

We played skiiball and more.

Vambre: (British Accent) J.D. you invented really well thought up Super Teamwork Combos.

Me: Those were awesome Vambre. And those new magiswords we all got are cool.

Prohyas: They sure are and I diid not expect my evil doppelgänger to be at that restaurant.

Me: No kidding.

Nico: Lori, Luna, Luan, Linka, Sam are you guys all cleaned up?

Sam S.L.: We sure are.

Me: Sorry you girls got drenched in throw up.

---

French Narrator: (French Accent) 2 Hours Later.

---

We won tons and tons of tickets and got many many many prizes.

Qin: That was fun!

Groove: Look at all the prizes we won!

Me: Yeah that was awesome!

Poliwag: Glad you guys all had fun.

Me: We sure did.

Xenia: We sure had fun.

---

We later came back to the estate.

Me: Now it's time for the main event.

Erica: You got that right! This is gonna be so awesome!

Grave Clobber: Nico, which teams have you made this time?

Nico: Kaz's team will include the Gullwings, Emily Lola Sarsaparilla, Sherman Klump, Ace Ventura, and Toothless. Kimiko's team will include Yoko Minato, Dahlia Newton, Astrid, Hiccup, and Shura Kirigakure.

Toothless roared.

Kimiko: Awesome!

Astrid: This is gonna be awesome.

Hiccup: Hey yeah it will be!

Me: First lets get your leg back. Hold on to me.

I got his prosthetic foot off.

I had my hand glow and touched it and regrew his foot back.

Hiccup winced.

Me: Sorry.

His foot was back!

Hiccup: WHOA! Thanks J.D.!

Astrid: Glad you have your foot back Hiccup.

Me: Yeah!

The previous group came.

Villamax: Can me, Brain Freezer, Robo Blaze, Whiger, Griffin, Beetle, Whiplash, Drakkon, Vulture, and Hydrax go with you guys?

Garble: Me, Superfriends Captain Cold, Trifire, Goldar, Animal Path, Katz, Evil Snake, Zen Aku, Evil Aero Man, and Terror Dopant will go as well.

Nico: Yes you guys can come with.

Erica: I'm so excited for this one!

Qin: We all are!

Xenia: YEAH!

Cheetah: Nico, which Gene Slammers do you think you'll meet next?

Nico: Bellossom, Marill and Azumarill.

Me: I picked Marill for me because I just love how cute they are.

Misty: Marill is really cute.

Qin: It sure is. But those are good choices.

But then…

ZZZZZZZAAAAAAAAAAAAAAAAAAAPPPPPPPP!

Nico got zapped by something!

Nico: OUCH!

Me: Whoa!

Nico: OKAY WHO IS THE WISEASS!

Me: I think that.

We saw an Ampharos!

Maria: An Ampharos?

Ampharos: (In a girls voice) Sorry about that. Can't help it.

Nico: Tanya Nikos? Whoa!

Me: Looks like the next gene-slammer found you.

May: What's your favorite memory of Nico?

Ampharos: My favorite is when me and Nico did an awesome prank call on Huggins and he got 75 Limburger and anchovy pizzas.

Lynn: Whoa that was you guys that sent all those pizzas!?

Laney: Whoa I was wondering why his breath smelled like rotten socks.

Nico: That was funny.

We laughed!

Me: (LAUGHS) That is funny! Lets get you back to normal.

Maria: Lets do it in the bathroom.

We took her to the bathroom and Nico gave her a yellow leotard and I snapped my fingers and she reverted back. She came out and was a blond hair girl with blue eyes and was in the yellow leotard.

Tanya Nikos: (Groans) That was rough.

Nico and Tanya hugged.

Nico: I've really missed you.

Tanya Nikos: Me too Nico. Me too.

Brain Freezer: Let's get going.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Tomás Perez of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Tomás Perez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Sara Ragin: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Tomás Perez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, it's time to meet with Zixx and her friends and we're going to destroy Onccalon and the Hargokk Empire for good.

Lincoln: Onccalon will pay for everything that monster and that accursed empire has caused, and once we finally destroy Onccalon and the Hargokk Empire, you're the next one to die, Tomás Perez.

Sara Ragin: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Tomás Perez, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

Erica Haddock: Hang on, Zixx, we're coming.

Nico: To the Nicomobile! (runs outside)

Superfriends Captain Cold: Nico, you don't have- (sees Nico driving said car)-nevermind.

It was an awesome phoenix car.

Me: Remind me to ask where Nico got a cool car like that.

We were off to Canada!

* * *

We were flying and driving.

Bruiser Cruiser: Nico, where did you even get that car?

Nico: I found it at a junkyard and me and Lana spruced it up and made it into a Phoenix Car with all sorts of cool features.

Me: That is cool!

Eli: So that's what you were doing in the garage.

Xenia: Awesome!

Cyborg: Speaking of which Nico, thanks for getting my car back.

Nico: No problem.

We arrived at Zixx's school.

Goldar: There they are.

We saw them in the Cafeteria.

We went in.

Whiger: Hi there, Zixx and friends!

Zixx: Hey guys!

Erica: Zixx!

They hugged!

Me: Sorry to interrupt your lunch guys.

Zixx: No worries.

Me: Let me get us a good feast going.

RUMP ROAST MAGISWORD!

I got Erica and us a lot of meats.

Erica: Awesome!

Jindrax: How have you guys been?

Zixx: Busy as ever.

Erica: Well it's my big day now. So it's time for us to take down Onccalon and the Hargokk Empire.

Shanan: Yep and we're going to make those monsters pay. Time to finish what I started.

Qin: Yep and Shanan transformed and got stronger.

Beetle: We just want to thank you guys for helping to defeat Speed Demon.

Katz: And we ARE talking about that car from the 2012 Turtles' world.

Nico: It's true.

Ultrox: That was really awesome.

Zixx: Think nothing of it. It was our first time on Xenoc.

Me: You guys had a lot of fun there.

Lola: Yep.

Erina Nakiri: That was so awesome though.

Lola: It sure was.

Poromon came out in a fairy costume carrying 3 bottles of beer.

(DANCE OF THE SUGAR PLUM FAIRY PLAYS)

Poromon: (to Zixx and her friends) Hello there! I'm the beer fairy! Come to give you guys 3 bottles of beer!

Adam Frake: Um… beer fairy?

Ashi: (sighs) Well, they were gonna see the costume eventually.

Me: (Chuckles) It's really cute. Poromon now dresses up as the Beer fairy whenever a big day mission comes.

Qin: It's really cute.

Nico: It sure is.

Me: But Poromon they are just kids and are too young to drink.

Poromon: Oh right I forgot.

Zixx: Digimon and Pokemon that drink beer?

Me: Don't fucking ask.

Drakkon: Yeah, Poromon's like the tooth fairy except with beer instead of teeth.

Zen Aku: He may or may not put beer bottles underneath pillows.

Me: That would be really funny if he did.

Poromon: No beer bottles are too big.

Qin: That would be awesome though.

Xenia: Yep.

Zixx: Thank goodness that doesn't happen though.

Lola: Yep.

Erica: (Eating meat) Mmm. That would be funny though.

Varie: It sure would.

Crow Hogan: That would be funny too.

Scrap Shooter: Hey, Zixx. Did ya ever meet the Andorians at one point, see?

Zixx: Actually yes I have.

Me: Really? You have?

Zixx: I sure have. Along with so many alien races.

Me: Wow. You went all over the universe as much as we have.

Nico: That is cool.

Xenia: It sure is.

Lola: That is awesome. And we actually know Captain Picard and Captain Kirk and their crews.

Me: We have not met Captain Janeway and her crew yet.

Zixx: Also, can I ask you guys a question?

Terror Dopant: What is it?

Zixx: You guys mentioned a trailer for a movie called Blood and Honey. Can you explain what that is?

Me: Uh oh. You should not have mentioned that.

Hydrax: Zixx, I don't think that's a good-

Poliwag: OH, I'LL GLADLY SHOW YOU SAID TRAILER! (shows trailer close to Zixx's face) LOOK AT IT!

Me: Poliwag calm down.

ROUNDY SPINNY THING MAGISWORD!

I got Poliwag to calm down.

Nico: Awesome.

Vambre: Wow J.D. it's good you're starting to use Magiswords more often.

Me: We feel that they were being neglected as of late. But also Zixx to answer your question, it's a movie that comes out on February 15th and it's called the Dark Side of Winnie the Pooh. It's a horror movie version of it.

Zixx: Oh man! That must've scared the Mascots and Winnie the Pooh and friends bad.

Me: It sure did. They wanted me to give the Director who made it the black gates. But I told him he is an innocent soul.

Adam Frake: Is Dark Eddy still causing trouble?

Vice: Yep. But Eddy got him out of his body.

Me: We only have 14 more times left before he is given the black gates.

Zixx: Wow! But what do you mean Eddy got him out of his body?

Nico: Eddy regained control of his body and separated him from Dark Eddy and we banished him to the Book of Vile Darkness dimension.

Zixx: Wow! That is amazing!

Me: It sure is.

Zixx: And J.D. I saw a massive burst of energy explode out from your tree.

Me: That was me. I was infuriated because of what happened with the Faix Kamen Rider Team and a rider named Masato Kusaka. He did horrible crimes.

Xenia: Yeah and it pissed off J.D.

Riley: While that's not a bad thing, there's a downside.

Vulture: What downside?

Riley: There's now an evil version of Eddy running around the Multiverse with a blaster.

Evil Aero Man: Not exactly.

Me: He's now trapped in the Book of Vile Darkness dimension.

Nico: But he will appear on the first missions of each ambassador mission.

Eli: Yep.

Zixx: Oh I get it.

Poison Ivy: You guys better throw any recyclable items in those recycle bins. That way, no plants will be harmed.

Zixx: Don't worry we only use biodegradable items.

Me: That's good you do.

Qin: Thank goodness.

Adam Frake: Yeah no kidding.

Evil Snake: And you guys won't have to worry about going after Deeth and Onccalon the long way around.

Whiplash: Vexen gave us this transporter that will create a portal to take us to Onccalon's hideout directly.

Me: Very clever.

Zixx: That's perfect.

Me: Now all of us can go without having to use the computer or Virtualizer.

Qin: Yep.

Shield Shredder: Alright, Erica. All stuffed?

Erica: (LOUD BELCH) Oh pardon me.

Sheila Loud: I'll take that as a big yes.

Nico: Now that we're all fed it's time to get to work.

Griffin: Don't worry about any calories.

Animal Path: They'll probably be burned when you transform.

Nico: Good call.

Qin: Yep.

Lola: But we still have a lot of fun.

Me: Yeah. Lets show you guys our power with our usual battles.

Zixx: This will be fun.

Nico: Maria call it in.

Maria did so.

Then Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Mummy, Diabolico, Lanhua, Queen Cannabis, Yost Domino, Orbit Woman, Kuroto Dan, Grand Duke's Minions, Black Knight of Merlin, Evil Ice Man, Mummy of Anhk-Ha, and Evil Cloud Man appeared.

Nico: Killer Shrike, Wolf, Captain Boomerang, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Mummy, Diabolico, Lanhua, Queen Cannabis, Yost Domino, Orbit Woman, Kuroto Dan, Grand Duke's Minions, Black Knight of Merlin, Evil Ice Man, Mummy of Anhk-Ha, and Evil Cloud Man.

Vexen: You heard right, Zixx. The transporter will take us directly to Onccalon's lair.

Killer Shrike: Of course, you'll be in your virtual forms.

Wolf: And Plank will be able to talk.

Me: Yep.

Zixx: Cool.

Jonny 2X4: RIGHT ON!

Captain Boomerang: (to Nico) (Australian Accent) Heard people vomited at a restaurant.

Nico: Yep.

Crimson Dynamo: (Russian Accent) How many are in the hospital?

Me: 15. But it's not serious.

Nico: Yep.

Wrecking Ball then appeared.

Me: Wrecking Ball, back for another round I see.

Wrecking Ball: Yep.

Me: Awesome.

Wrecking Ball: Lori, are you, Luna, Linka, and Luan okay now?

Lori: Yes we are.

Luna Loud: We sure are dudes.

Linka: Yeah we are.

Luan: Yep.

Wrecking Ball: Good.

Nico: Lets get started shall we?

We got the battles underway.

Rice Fitzgerald, Sunset Shimmer, Pipsqueak, Fire Skylanders, Irina Verokkova, Mr. Krabs, Gulper and Grave Clobber VS Simon Maddicks A.K.A. Killer Shrike from Marvel - Nico's Rescues over the last two days

---

Killer Shrike was first.

Killer Shrike: (to Rice) Nico's Rescues over the last two days have been awesome. I just hope Lori, Luna, Luan, and Linka are okay now.

Rice Fitzgerald: Don't worry they are fine now. Varie's remedy did great for them.

Sunset Shimmer: Yeah Nohyas really made a mockery of the cooking world today.

Pipsqueak: (British accent) That red hair doppelgänger of Prohyas really is both funny and silly.

Sunburn: He sure is. But he is really stupid.

Irina Verokkova: (Russian Accent) What is with people using chum in food these days? It's like they want to get people sick.

Mr. Krabs: No kidding lass. It's like what Plankton was doing all over again.

Killer Shrike: Boy you're not kidding there! Lets do it!

Rice used her Legend Items.

RICE'S KRABBY PATTY ESCAPADE! SOUND OF DOOM!

They fired waves of energy and fire and smashed him down.

---

Cole Evans, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Bear Sisters, Kenai, Cheetah and Fuzzy Lumpkins VS Wolf - Nico battling Another Jack and The Earth's Bean Tree and Another Chalmers

---

Wolf was next.

Wolf: (to Cole) Nico, Stella's team, Chalmers' team, and the others did good battling Another Jack and The Earth's Bean Tree. And Another Chalmers as well.

Cole Evans: They sure did but we were not expecting both of them to help everyone out. That was awesome!

Fluttershy: It sure was and we gave Nohyas a big beatdown.

Tornado Bolt: Boy we sure did and we used all the magiswords he stole against him!

Seabreeze: (Swedish Accent) That was so amazing to see there.

Stealth Elf: Yeah we got all kinds of amazing Food Magiswords.

The Bear Sisters nodded in agreement.

Kenai: Boy you should see some of them. They are awesome.

Wolf: Boy that will be awesome to see. Lets do it!

Cole activated his Legend Items.

STARFOX FLIGHT OF FURY! WOLF VS FOX BATTLES!

They fired waves of energy, leaves, grass, flowers, fruit and vegetables and smashed him down.

## Julie Yamamoto, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Lola Ferrington, Ship, Smoke Scream and Bruiser Cruiser VS Captain Boomerang - Lincoln's Rescues

Captain Boomerang was next.

Captain Boomerang: (to Julie) Lincoln's rescues were as awesome as ever. You guys met new girls like always.

Julie Yamamoto: They always are so much fun. But this one was different. We battled a fallen Guardian Angel.

Captain Boomerang: What!? One of Lincoln's Guardian Angels went bad!?

Pinkie Pie: Boy she sure did! I could not believe it either! She broke the sacred oath of protecting Lincoln and sided with Lincoln's mean sisters and his enemies!

Maud Pie: (monotonously) That was not a good sight to see.

Captain Boomerang: That was awful mates! What was her name?

Pinkie Pie: Her name was Isabella Abaddon and she was a Guardian Angel that went mad.

Featherweight: Yeah she was a bad one.

Sprocket: Man I don't know what could possibly possess a girl like her to go rogue like that but it was awful!

Lola Ferrington: Yeah I never thought I would see the day when that happened!

---

Lola Ferrington: Ship says that he agrees with me and all of us.

Captain Boomerang: That is crazy mates. Thank goodness you guys stopped her and destroyed her. Lets do it!

Julie used her legend items.

TENNIS FURY OF NINTENDO! TENNIS SPEED FURY OF JULIE!

She fired a powerful barrage of tennis balls and they fired waves of energy, metal and gears and lightning and smashed him down.

---

Akira Akatsuki, Twilight Sparkle, Starshine Sparkle, Magic Skylanders, Jeri Kamiya, Gearshift, Toxica and Jindrax VS Crimson Dynamo - Meeting the Incarnations of Yog Sothoth and Nyarlathotep

---

Crimson Dynamo was next.

Crimson Dynamo: (to Akira) I heard you guys met the Incarnations of Yog Sothoth and Nyarlathotep. What are their names?

Akira: Their names are Arabella Yog-Sothoth and Adrienne Nyarlathotep and they both are really amazing and powerful masters of their dark power.

Twilight Sparkle: Boy they sure are. And they both have intensely powerful revelations.

Starshine Sparkle: You are not going to believe what happed.

---

Arabella Yog-Sothoth

Arabella Yog-Sothoth: You're not going to like this one bit. You see, I make it no secret that Lori was a big bully, control freak, and flat-out bitch towards Lincoln and she almost killed him by beating him up and those times she stabbed him with a knife, but on this day, Lincoln and I were busy working on some assignments for Language Arts. But, then, Lincoln got jumped on by Lori and she was beating the shit out of him and she was ranting angrily like the bitch that she was, I was beyond furious with her. I turned my right arm into a black tentacle which grabbed Lori and I got her off Lincoln and I'd tossed her into a wall, but she got back up and she was about to attack me, and I almost got that close to using Yog-Sothoth's Dark Multiverse Tragedy on her, but Lincoln stopped me as he fired a red energy blast from his hands and tied that bitch up. We told Mr. and Mrs. Loud what Lori did to Lincoln and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lori was just on another of her rampages again?! She sure is an animal.

Luna: She sure was, dude.

Lincoln: And once again, it was for no reason other than to cause me pain because I refused to be her ottoman, she knows I had homework, but she was literally that powerhungry. But, she made a big mistake when she crossed Arabella Yog-Sothoth, The Incarnation of Yog-Sothoth, and I was glad I stopped her from using her Lovecraftian Curse, Yog-Sothoth's Dark Multiverse Tragedy. But, that's another of the Lovecraftian Curses that Nicholette mentioned.

Me: Oh, I hate to find out the other Lovecraftian Curses.

Adrienne Nyarlathotep

Adrienne Nyarlathotep: You're not going to like this one bit. You see, I made it no secret Lynn was a big bully and flat-out bitch towards Lincoln and she almost killed him by beating him up and those times she stabbed him with a knife, but on this day, Lincoln and I were busy working out in the gym we set up, and we were doing some wrestling. But, then, Lincoln almost got jumped on by Lynn and she was about to beat the shit out of him if he hadn't grabbed her by the jersey and slammed her onto the mat, I was beyond furious with her, and I almost turned my right arm into a black tentacle to toss Lynn into a wall, but Lincoln was holding Lynn in place, but I was worried Lynn was going to break free and attack Lincoln even though he was taller and extremely muscular, and I'd almost got that close to using Nyarlathotep's Dark Shapeshifter Madness on her, but Lincoln stopped me as he fired a red energy blast from his massive white angel wings and tied that bitch up. We finished our workouts in the gym, and we went back home and told Mr. and Mrs. Loud that Lynn tried to attack Lincoln again and she got grounded for eighteen weeks and put in a straitjacket and thrown in a cage.

Nico: So, Lynn was trying to attack Lincoln again because it was threatening her "dominance"?! She sure is nothing but a wild animal.

Luna: She sure was, dude.

Lincoln: And once again, it was for no reason other than to cause me pain because she saw that it's a threat to her so-called dominance, but she was literally that powerhungry and stupid. But, she made a big mistake when she crossed Adrienne Nyarlathotep, The Incarnation of Nyarlathotep, and I'm glad I stopped her from using her Lovecraftian Curse, Nyarlathotep's Dark Shapeshifter Madness.

Adrienne Nyarlathotep: Yeah, and you were really dominant when you body-slammed Lynn onto the mat, you outmuscled Lynn and outclassed her by leagues in terms of strength and power.

Suddenly, Erica Haddock's Sword of The DNA Spliceteam and all the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of red energy, fire, plants, dinosaurs, and tyrannosaurus rexes, and when it emerged, it was transformed into Erica Haddock's DNA Splice Quantum Firestorm Jurassic Jungle T-Rex Greatsword of Firestorm Jurassic Jungle Justice, it's a brand-new massive greatsword with embedded red gems and a Tyrannosaurus Rex etched on the 7'0" massive, wide, double-edged crimson red blade, large T-Rex heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large T-Rex heads with blue gems for eyes and a large red gem on the bottom of the T-Rex heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, large gold Belt of Elemental Bravery with gold T-Rex head with red gems for eyes and large red gem in its open mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Aruto quickly moves toward Deeth and deflects his attack with an upward kick. He then delivers a horizontal flying kick and lands behind Deeth before performing another upward kick, launching Deeth into the air. Aruto follows them and performs a series of aerial high-speed punches and kicks. As Deeth falls back to the ground, Aruto performs a final flying kick that produces red and green energy upon impact. The energy is then channeled into Aruto's foot before he breaks through Deeth, causing the number "02" to appear before Deeth is consumed by a large red and green explosion.

Isamu: I'm next! Rampage Power Blast!

The emblems of the Punching Kong, Breaking Mammoth, and Biting Shark Progrisekeys combine with Isamu's body. Isamu forms the Punching Kong Rider Model's fist around his arm and uses it to smash Deeth's projectile. The Breaking Mammoth Rider Model's leg then forms around Isamu's own leg, which he uses to crush Deeth.

Finally, the Biting Shark Rider Model rushes toward Deeth before Isamu emerges from it and grabs them between his legs, which are covered in blue energy, eventually causing Deeth to be blasted backward.

Deeth was obliterated in the explosion and he was given the Black Gates for his crimes!

Me: One down.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Tomás Perez.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Tomás Perez, the next member of The Order of Nuestra Señora de la Santa Muerte.

Sara Ragin: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Tomás Perez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Erica Haddock's blue eyes turned neon blue and she was surrounded by a red energy aura with fire, plants, dinosaurs, and tyrannosaurus rexes, she unholstered her massive Erica Haddock's DNA Splice Quantum Firestorm Jurassic Jungle T-Rex Greatsword of Firestorm Jurassic Jungle Justice from her back, and as she approached Tomás Perez, she left red energy, fire, plants, dinosaurs, and tyrannosaurus rexes with every step.

Erica Haddock: Well, I'm not surprised to know that you're still the same insane religious fanatic and heretic, and honestly, I don't even know how Maria Garcia and the other Fabled Gene-Slammers had the patience to even deal with you and the rest of you bastards. Well, that ends here and now, Tomás Perez, I hope you like getting chewed to bits.

Suddenly, Erica Haddock was surrounded by a massive vortex of red energy with fire and plants surrounding the vortex, there are dinosaurs and tyrannosaurus rexes running around the vortex, and in the vortex is a blue phoenix. Then, as the vortex faded, Erica Haddock emerged, but she was changed forever.

We were amazed by Erica Haddock's Super Angel-Tyrannosaurus Rex-Harmony Celestial Eternal Xelnaga transformation, and when Crow Hogan saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Tomás Perez saw it, he went insane and he got out his sacrificial knife to stab her, but Erica Haddock fired a powerful red energy blast with fire, plants, dinosaurs, and tyrannosaurus rexes at Tomás Perez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Nico: Awesome, Erica Haddock's transformed, nice!

Erica Haddock: (Divine Echoing Cosmic Voice of The Inferno Firestorm Jurassic Jungle T-Rex and Divine Jurassic Inferno Jungle T-Rex Love) Now, all that's left is for Sara Ragin to transform, so, she, Lincoln, and I can get rid of this douchebag.

Sara Ragin: (Spanish Accent) That's right, we're not letting you have your fun with harming Tomás Perez by yourself.

Suddenly, Sara Ragin's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Ragin-themed greatsword from her back, and as she approached Tomás Perez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Sara Ragin: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Tomás Perez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Oltro and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Sara Ragin was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Ragin flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Sara Ragin emerged, but she was changed forever.

Suddenly, Sara Ragin felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Sara Ragin has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Sara Ragin has transformed into SUPER ANGEL-FABLED RAGIN-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED RAGIN ANGEL OF DIVINE DARK FABLED RAGIN IMP JUSTICE AND DIVINE FABLED RAGIN IMP LOVE!

We were amazed by Sara Ragin's Super Angel-Fabled Ragin-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Tomás Perez saw it, he went insane and he got out his sacrificial knife again, this time to stab his hated enemy, but Sara Ragin fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Tomás Perez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia: (Spanish Accent) Incredible, Sara's transformed.

Lincoln: Yeah, and she really sent Tomás Perez back with that energy blast she fired and that really pissed him off now, and Sara, you look beautiful, how do you feel?

Sara Ragin: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Ragin and Divine Darkness Light Fabled Ragin Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Tomás Perez once and for all?

Lincoln: (Smiles) With pleasure, Sara.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Sara Ragin and Erica Haddock.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Tomás Perez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Sara Ragin, Lincoln, and Erica Haddock went after Tomás Perez, and they fired extremely powerful blasts of rainbow energy, black energy, red energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Tomás Perez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Sara Ragin sent her three imps and Lincoln summoned his own imps and they sent them at Tomás Perez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and Erica Haddock slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and Erica slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Sara Ragin, her hand-cannon Blaster is known as Fabled Ragin's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Ragin surrounded by imps and light etched on the sides, and a red gem on the top of the blaster.

Suddenly, another beam of light descended and a hand-cannon Blaster appeared, this time for Erica Haddock, her hand-cannon Blaster is known as Erica Haddock's Firestorm Jurassic Jungle T-Rex Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's red with flames and plants on the blaster and with a Phoenix, Angel, and a T-Rex surrounded by fire and plants etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he, Sara Ragin, and Erica Haddock aimed their hand-cannon blasters at Tomás Perez.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Tomás Perez!

Sara Ragin, Lincoln, and Erica Haddock fired blasts of rainbow energy, black energy, and elemental forces at Tomás Perez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln turned his left hand into a large black tentacle and he sent it right at Tomás Perez and it hits Tomás Perez right in the chest and it pierced his black heart, and he immediately died of blood loss as Lincoln removed his tentacle arm which then turns back, and when his spirit appeared, Sara Ragin and Lincoln gave Tomás Perez The Black Gates for good. We cheered as Sara Ragin, Lincoln, and Erica Haddock holstered their massive greatswords on their backs and powered down, and Sara Ragin's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent, and Erica Haddock's new body, clothes, weapons, jewelry, Third Eye, and massive red angel wings are permanent

Sara Ragin: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Tomás Perez for good, Linky and Erica.

Lincoln: (Smiles Warmly) You're welcome, Sara.

Erica Haddock: We're just glad to be rid of yet another member of that wretched order.

Erica Haddock went back to us, only to be hugged by Crow Hogan and kissed on the lips, and then suddenly, Sara Ragin wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Sara Ragin's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Ragin flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Sara Ragin absorbed the light and they came back to us as the display and Fabled Ragin vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with

Tomás Perez's death, now there are only seventeen members of The Order of Nuestra Señora de la Santa Muerte. Plus, Lincoln, that was one wicked kill you made on him when you turned your left hand into a large black tentacle and pierced him in his heart and killed him.

Lincoln: That was thanks to Adriana Azathoth, Arabella Yog-Sothoth, and Adrienne Nyarlathotep with teaching me how to turn my arms into black tentacles, and have them sprout out from my back.

Sara Ragin: (Spanish Accent) Either way, it was still awesome, and we're already ahead of the curve now.

Lincoln: Yep, which means that the next one to take down tomorrow is Emiliano Rosas, which means it'll be Valeria Raven's turn.

Valeria Raven: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation we're meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Callista Cthulhu, The Incarnation of Cthulhu. Plus, for a Gene-Slammer tomorrow, how about a Gene-Slammer for Supreme King Z-ARC.

Nico: Awesome.

Adriana Azathoth: You said it. Plus, Callista Cthulhu is known as the most powerful of The Cthulhu Mythos incarnations, and Cthulhu is one of the most powerful of The Great Old Ones in The Cthulhu Mythos, and she has the same omnipotent powers as Cthulhu himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthulhu's Dark Deep Sea Curse of R'yleh, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the sunken city of R'yleh suddenly rise from the sea, and that will drive them mad, and even worse, should they dare see Cthulhu emerge from the city, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

We went back to Ty and the others.

Garby: Look, guys, I'm sorry that I left.

Ty Rux: Don't be. J.D. invited you and you had a lot of fun with everyone.

Me: Yeah Garby you did great.

Qin: Yeah we owe you big for helping us.

Xenia: It was fun having you with us.

Matt Olsen: It sure was.

We arrived back home.

Billy Numerous: We're back in the real world.

Deker: And now, Onccalon is gone for good.

Shanan: Along with the entire Hargokk Empire.

Shiva: (to the Dinotrux) You guys helped too.

Ty Rux: We sure did.

Me: We owe you big time Ty.

Zixx: See you guys in 7 days.

Ty Rux: We'll be waiting.

Zixx and Ty Rux shook hands

They drove back.

Mummy: Where should we have the victory celebration?

Diabolico: In the cafeteria again?

Nico: I got a better idea. Lets head to Lynn's Table.

Me: But welcome to the team guys.

Zixx: It's an honor.

Nico: Yep. Great job today guys!

Zixx: Thanks Nico. (To the viewers) Now the Hargokk Empire is extinct and forgotten. The was a great adventure.

Nico: It sure was.

We went to Lynn's Table and had a great meal and we showed Zixx and team to their rooms and enjoyed the rest of the day and went to sleep.

Also we're going to meet a Bellossom Gene-slammer and her name is Lilly Cheng and she is another one of Qin's sisters and she is also from the planet Lilly.

She is a nature master and loves the beautiful aurora. The next match-up in this saga is Valeria Raven - Gene-Slammer of Fabled Raven and Lincoln VS Emiliano Rosas. For Lincoln's rescue tomorrow, Lincoln and his group are heading to Drake City, and not only were we there for an awesome rescue, but it's finally time we put down that heartless jerk, Mathis, and we're going to make good on our promise and send that jerk to The Black Gates forever. And we're going to meet the next Incarnation of the Cthulhu Mythos deities, Callista Cthulhu, The Incarnation of Cthulhu, she's Lincoln's Guardian Angel from Massachusetts and classmate in Gym, Callista Cthulhu is known as the most powerful of The Cthulhu Mythos incarnations, and Cthulhu is one of the most powerful of The Great Old Ones in The Cthulhu Mythos, and she has the same omnipotent powers as Cthulhu himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthulhu's Dark Deep Sea Curse of R'yleh, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the sunken city of R'yleh suddenly rise from the sea, and that will drive them mad, and even worse, should they dare see Cthulhu emerge from the city, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

She also loathes bullying, in fact when she saw Lynn, Chandler, his goons, Pablo, and Anderson bullying Lincoln, she beat the living crap out of them and left them with broken arms, legs, teeth, noses, black eyes, and she even kicked them in the groins, and she even turned them into a human pretzel and threw them into a pile of stinky jockstraps. To show thanks, Lincoln took Sakura to a lake, where they kissed underwater, and she hates Pablo, Anderson, and Chandler with a burning passion.

Get ready for awesome holiday fun as tomorrow is the Chinese Moon Festival and to celebrate the Year of The Rabbit we're going to battle Shan Yu with Mulan and help Qin and her ancestor destroy him forever in the Simulator.

see you all tomorrow

Me: Boy nothing like having an awesome adventure in Rhyboflavin.

Qin: Boy you said it J.D. and it's awesome that we're doing it on the day of the Moon Festival.

Xenia: Boy that's one of my favorite times of the year.

Qin: Mine too.

Lola: It's awesome.

Camie: You got that right!

Nico: Kaz, I want to thank you, Molten Man, and your teams for coming

Kaz: Not a problem Nico. It's gonna be awesome helping you out today.

Emily Lola Sarsaparilla: This is gonna be so awesome as long as we get to kick some butt.

Nico: You got that right!

Yuna: Yeah this will be awesome!

Nico: Yuna, remember when you girls first met Sora?

Yuna: I sure do. That was back when we lived in Hollow Bastion as it was still being rebuilt as the Radiant Garden.

Me: That was awesome.

Payne: It sure was.

Rikku: I think so too.

Qin: That is awesome girls.

Eli: It sure is.

Nico: It also means you girls fought the 1000 Heartless.

Yuna: We sure did and that was awesome.

Me: It sure was!

Qin: Yeah no kidding! It was so fun!

Laney: Boy no kidding there.

Nico: Yep and 2 members of the Red Sentient 5 down.

Lola: Yep.

Nico: It was definitely like fighting Sark and the MCP

Leni: Boy it totes was.

Xenia: It sure was cool though.

Lana: But the rescue yesterday was a crazy one too.

Me: You're not kidding Lana. Also Nico to be honest I did not expect Prohyas's dopey doppelgänger to be behind that nasty food poisoning spree.

Xenia: That was crazy.

Nico: Yeah no kidding there.

Camie: But it was still fun to face him though.

Maria: How are Zixx and her friends liking the Estate?

Nico: They are loving it and they said that the view of the entire planet was everything they could ever dream of.

Me: When you live 528,000 feet up you have a view of Earth at its fullest.

Xenia: That's true there.

Camie: Yep.

Kaz: But I'm so happy for Erica and Zixx. Also it was awesome for Erica to kick some butt.

Molten Man: Boy it sure was! That was fun.

Lola: Yep.

Nico: Also, Jumpy Ghostface is with the team today.

Nico: They sure are.

Lola: Yeah they are. And you guys will like this. Bulma is dressed up like one of those Playboy Bunny Girls for this.

Nicole: It was her idea. She decided to incorporate the sexy bunny girl outfit for today.

SOON AT SLUGBURGER!

Me: Boy I can't remember the last time we were here.

We went in.

Nico: Wow look at everyone here.

Me: Boy no kidding.

Prohyas: I'll have the slugburger.

Witchy Simone: Would you like to make that a double slugburger for just two jemms more?

Prohyas: Normally I can't stand upselling but today I'm gonna say yes!

Witchy Simone: Make it a deluxe?

Prohyas: Yes.

Witchy Simone: Mollusk Sized Escarfries?

Prohyas: Yes.

Witchy Simone: Barrel of Belch Zero?

Prohyas: Yes!

Witchy Simone: Frosty Snail Shake?

Prohyas: YES!

Witchy Simone: Hot Broccoli Nuggets?

Prohyas: (Buzzer) Nope.

Witchy Simone: 24 Collectable Piggy-Pie Jones Toys!?

Prohyas: YES!

Witchy Simone: ONE OF EVERYTHING ON THE MENU!?

Prohyas: (EXCITED AND ECSTATIC!) YEEEEESSS!

Me: WHOA Someone sure is hungry!

Nico: Wow! No kidding there!

Nico: Hey, Vambre!

Vambre: (British Accent) Oh hey dears!

Me: Happy Chinese New Years to you.

Vambre: That explains why you're dressed up but same to you.

They paid for their meal.

May: Enjoying yourself?

Vambre: I sure am.

We went and got the same things Prohyas got and paid for it all.

Me: Boy Prohyas is really hungry.

Vambre: Indeed he is.

Witchy Simone: Yeah he sure is.

Vambre: We are here for lunch before we go on our next mission. Phil the Pilferer is back and he is out stealing very valuable magiswords.

Me: Oh man! Not him again.

Nico: Where was he last spotted?

Vambre: He was spotted at Ralphios and he stole all of his Magiswords right out from under him.

Prohyas: And he also stole numerous legendary Magiswords from the Castle that he found in the castle museum and the vault.

Nico: Boy he sure has been busy.

Camie: No kidding. If he has that many powerful magiswords he is gonna be tough.

Me: No kidding. (Eating a slugburger) Mmm! Boy I missed eating this.

Witchy Simone: Boy I can tell. You guys haven't been by in a while.

Me: Well we are always busy saving the world. But yeah.

Nico: Eli see if you can find Phil and 2 of Swartz's creations.

Eli: On it.

He concentrated.

Eli: Found him. He's coming here. The creations of Swartz are 65 klicks northeast and closing.

Qin: Plenty of time before they get here.

Camie: Who is Phil?

Lana: He was one of the bad guys here that I stopped when I first met Prohyas and Vambre. He is a cunning thief.

Lana told everyone all about him.

---

Phil the Pilferer is an antagonist and thief in the animated series, Mighty Magiswords. He often commits petty thefts and is considered a recurring antagonist for the Warriors for Hire. His victory catchphrase is "Even when Phil loses, he wins". He is voiced by Eric Bauza.

Phil is very sneaky and clever, being one of the most notorious thieves in all of Lyvsheria. A chronic kleptomaniac, he is prone to stealing anything that isn't nailed down, and even that too once he has stolen the nails. Despite his short stature, he views himself as being larger than life, having a hugely inflated opinion of his self-worth. Most conspicuously, he only refers to himself in the third person, even redundantly. Despite his frequent rate of failure, Phil often finds a way to still come out on top, even after his initial plans have been foiled.

Phil is not without a heart, as he admitted to having taken the time to read stories to orphaned kittens at the Lyvsherian kitten shelter. Though deeply embarrassed this came to light in front of his fellow thieves, Phil could only smile as he looked back on it.

In his first appearance, he pretended to be Prohyas' hat in order to get money, even though Vambre stated that hats don't work like that. She uses the cheese magisword on him, which shoots cheese blocks at him in which he comments that it's not the kind of cheddar he wants. She later shoots a tomato Magisword at him for that corny joke. Then, she uses the Blow Dryer Magisword on him which blows him away but damages Prohyas' hair and face as well.

In his second appearance, he swiped Vambre's wallet which she was gonna used for the cloak. She demanded it back but he refused with the phrase "Don't wanna". She used the Mummy Magisword on him asking him if her mother told him not to steal, he replied with "Yes?" and got tied up in mummy rope. Vambre was glad but realized her money was still with Phil in which Phil laughed in victory. Then, she used the Magnet Magisword which pushes her wallet towards the magnet, but with Phil still holding on to it. Phil admits defeat and asked her if she wants to get lunch. She agrees and the two leave.

His first appearance was in "Dolphinominal" where he swiped Prohyas' Dolphin Magisword claiming he wanted one of those since Prohyas got one. Prohyas was even shocked that he gestered with the magisword and tried to use the Chainsaw Magisword to cut the tree Phil was standing on. However, Phil (off-screen) told Prohyas that he already disappeared. Vambre tried to help her brother by using the Attractive Voice Magisword to call Phil. It worked and Vambre demanded that he return the Magisword to him. Phil, sympathetically remarks how Vambre dearly loves her sibling and offers her the sword for 300 gems. As she used the Boulder Magisword on him, he ducts and calls it a duel. As he tries to use the Dolphin Magisword, the love band between the sword and Prohyas was too strong and the sword flies back to Prohyas knocking him down to the floor. Prohyas uses the Dolphin Water trick to flush Phil out of his home and Phil landed on the arms of The Mysterious Hooded Woman, and asked if she was a beautiful woman under the hood. His last line of victory was his catchphrase.

His second appearance was in "The Land Before Slime", where King Rexxtopher stomped on his house. It was actually Grup the Dragon's house, which Phil stated he stole but let him have it back. He last appeared at the end of the episode where it revealed that he was the one who got Hoppus to lie to the Warriors about a fine for the damage in Rhyboflavin as the two walk away to spend the gems on Slugburgers.

In, Phil's in the House, he pilfers Ryboflaven Bazaar. When the Warriors foil his pick pocketing, he moves into the walls of their house to steal their stuff and mess with them.

Phil debuts in the TV series episode "Cleanliness Is Next to Grupliness" revealing that he purposely locked all of the Warriors for Hire HQ's doors.

He also appeared towards the end of Flirty Phantom, who ended up at Penny Plasm's mansion due to being lost. Penny took that as an opportunity to kidnap and kiss him. Phil popped out and shouted his catchphrase once again.

Phil had a major debut in the episode "Thick as Thieves" where it reveals that he's a member of a cult called the Brotherhood of Thieves. He is shown constantly stealing items from the other members and called the meeting to order, as he is seen wearing the Summoning Hat. He was later informed by the Grand Poobah that Phil has the lowest ranking in becoming the Thief of the Year. The only way for Phil to earn the title is if he stole the Sheepy Mantis isle from the Sheepy Jungle. Phil steals the Warriors Magiswords in order to do so and was almost away with it until the Warriors used their Magiswords against him. Phil decided to bring the Mantis guard to the Brotherhood of Thieves' headquarters to impress the members. The Grand Poobah rewarded Phil by moving him above Naso, one of the members of the cult.

Phil also appeared in the episode "Dungeons and Dayjobs" where he stole several Magiswords and gems from the Warriors. He rewards himself by stuffing himself with profellar burgers with Excaliburger. At the end of the episode, he tries ordering a Slugburger in order to eat it combined with a Propellar burger. Witchy Simone zaps him and returns the stuff he stole to Prohyas. Phil later said an invert of his catchphrase "When Phil wins, he loses!".

---

When she was done we were amazed.

Me: He is definitely Masters of Evil Material.

Witchy Simone: He sure is.

Me: And he has honor and doesn't hurt people.

Xenia: Thank goodness.

Nico: Let's find Phil.

Prohyas: Great! (Eats last bite) (BELCH) Pardon me.

Me: Perfect timing. We got finished too.

Nico: Yep. And we got tons of new Magiswords too.

Xenia: Yep.

We got ready.

Maria: Phil's gotta be around here somewhere.

Lana: He's not that hard to spot. He may be a thief but he is not that skilled in hiding.

Nico: Good we can use that to our advantage.

I then saw something in a bush.

Me: That's his hat.

I spun my magisword Bracelet!

MOUSE TRAP MAGISWORD!

I fired mousetraps and they went into the bush and then…

SNAP SNAP SNAP SNAP SNAP SNAP SNAP SNAP!

Phil jumped out and he screamed in pain and he had a huge bag on him!

Phil the Pilferer: OUCH OUCH OUCH OUCH!

Nico: Caught you!

I got the bag he had and we dumped out all the magiswords.

Me: Whoa look at all these!

Vambre: My goodness! These are all amazing new magiswords.

Lola: Incredible!

Maria: Just come along quietly.

Phil was pulling mouse traps off him.

Phil the Pilferer: (SNAP!) Ouch! Never!

I formed a force field around us to prevent him from escaping.

Me: Nice try Phil!

Nico: It's always the hard way with people like you huh? Lets get him!

Me: Lets see what these can do.

BIG RED DYNAMITE MAGISWORD!

I fired dynamite and they strapped onto Phil and then…

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

It exploded and released a massive fiery huge explosion that packed a huge wallop of over 10 pounds of C4!

Qin: WHOA!

Me: HOLY COW!

Xenia: That one was potent!

Nico: Boy that one packed a wallop!

Vambre: Wow no kidding there.

May: We warned you!

Me: Lets see.

MUGGA CIDER MAGISWORD!

I fired apple cider and he gulped it down and then he started acting drunk and stupid!

Me: Uh oh.

Nico: Oh boy.

Phil the Pilferer: (Drunk and slurred speech) If you want that money then come and find where it is you baloney! You make me want to wretch!

Nico: Okay that is funny!

Xenia: It sure is.

Me: But Applejack would love this Magisword.

Applejack: It is perfect for me.

Me: It sure is.

Nico: Should we end this now?

Me: One more. Hmm. Ooh!

TWINKIE CREAM PUFF MAGISWORD!

Nico: Oh boy!

I fired waves of twinkies and buried Phil in a huge pile of them.

Nico: Megan Kiraton would love that one!

Lincoln got some twinkies out of the pile and they were delicious.

Lincoln: (Eating Twinkies) Mmm! Delicious!

Xenia: Boy that one is cool!

Me: Yeah it sure is!

Nico: Yep. Lets call Vypra and Dark.

Maria did so and they grabbed Phil.

Vypra: He'll be perfect for us.

Dark Spicer: Boy no kidding and those new magiswords are awesome.

Me: They sure are guys! Phil you play nice with your new team.

Phil the Pilferer: Even when Phil loses, HE WINS!

He was taken to the M.O.E. HQ.

Nico: He's right about that last part.

Me: That may be his catchphrase but I agree. And he is now part of our awesome frenemies.

Xenia: You got that right.

Qin: As a bonus we got lots of great magiswords.

Camie: Boy no kidding.

Vambre: That we did guys.

Prohyas: They sure are amazing.

Eli: Yeah they sure are.

Then I saw a glow and it was the Hanselton and Gretel book.

Me: The Hanselton and Gretel book is reacting to something.

Nico: That means that the next Another Wonder Ride Embodiment is near.

Nico: Who's up next?

Me: Lets find out who it is first.

Nico: Okay.

Then we saw a figure.

Me: Wait look.

We saw that the figure looked like THE EVIL QUEEN IN HER WITCH FORM!

Me: WHOA QUEEN GRIMHILDE IN HER WITCH FORM!?

Nico: How the!?

Another Henselton and Gretel: (In a girls voice) No it's actually me.

Me: Wait I know that voice!

She reverted back and it was a pink hair girl in pink clothes.

Me: (GASP) Hazeltine Snow White A.K.A. Sailor Dwarf Woodlands!

Eli: Cool! Snow White's World Sailor Soldier!

Xenia: Cool!

Me: Yeah! Awesome to see you again Hazeltine.

Sailor Dwarf Woodlands: Same to you J.D.

Nico: Why do you look like fucking Grimhilde?!

Sailor Dwarf Woodlands: I have no idea! It just came with this form I got.

Me: You know what's coincidental is that the witch in Hansel and Gretel which is what Hanselton and Gretel is based on has an evil witch in a house made of candy. And the queen disguised herself as a witch to get to Snow White and give her a poison apple.

Sailor Dwarf Woodlands: That is true.

Nico: Yeah it sure is. Very cool.

Me: Although irrelevant with Snow White that is true. But yeah. Also Hazeltine has a really unusual yet cool condition. She can sweat out jewels.

Rarity: Can she really?

Sailor Dwarf Woodlands: It's true. Whew!

She was sweating hard and then it turned into jewels that are as big as the ones from the Dwarfs Mine!

Laney: Wow that is cool!

Lola: I've heard of crying diamonds but never sweating them!

Nico: At least you don't look like her hag form.

Sailor Dwarf Woodlands: I know. My Another Form looks like that though.

Nico: Why couldn't you have looked like her younger self?!

Sailor Dwarf Woodlands: I don't know!

Me: Lets just figure something out. By the way are there anymore opponents with you?

Sailor Dwarf Woodlands: Actually yes there are. Another version of him.

She pointed to Molten Man.

Molten Man: Another version of me!? Whoa!

Me: That one is gonna be hot.

Qin: Yeah.

Me: Friendly or hostile?

Sailor Dwarf Woodlands: Friendly. And you will like this one. But you will be scared on what the gene-slammer is.

Me: Oh boy. But okay.

Nico: Shall we?

Me: You can face her Nico. You haven't had a shot yet.

Nico: Gladly.

Sailor Dwarf Woodlands: All right then.

She turned back into her Another Hanselton and Gretel form and Nico activated his Ridewatch for Universe 666 Isabella Abaddon and fired waves of darkness and smashed her down and I caught the Wonder Ride Book and it was called The Darkness of Hansel and Gretel. Then it turned into a new book called THE CANDY WITCH HUNTERS OF JUSTICE!

I went over and picked up Sailor Dwarf Woodlands and brought her over.

Vambre: That was great!

Lincoln: And a Universe 666 version of Isabella is a good idea.

Anna Anyanova: I agree there.

Nico: About time I had a shot!

Me: I wanted to get Twilight and friends a chance with the worlds we went to that started Sora's journey first.

Qin: That was cool and awesome.

Then we felt the temperature rise fast.

Me: WHEW! Did it suddenly get warm?

Nico: Whew! Man is it hot!

Me: Wait I think it was from that one!

We saw a figure come and it was a dark version of Molten Man! It was ANOTHER MOLTEN MAN!

Me: Whoa! This one is scorching hot!

Eli: Wow! No kidding! I'm sweating hard!

Juran: Hazeltine said this one might scare us.

Gaon: The only thing scary about her is that she could burn us alive.

Another Molten Man: (In a Girls Voice) That's not the reason actually.

Me: Gasp! Kira Neurenberg! Whoa!

Qin: Wow!

Another Molten Man: Let me show you.

She changed into an Eevee?

Me: And Eevee?

Nico: How is that scary?

Me: Wait guys. I've got a bad feeling about this.

Then WE SAW THE EEVEE TURN INTO A HORRIFYING AND GROTESQUE VERSION OF ALL OF ITS FORMS! IT WAS AN EEVEE THING!

Me: WHAT THE FUCKING HELL!

Maria: I did NOT see that coming!

Camie screamed in fright!

Qin: THAT IS SO FUCKED UP!

Me: THAT IS HORRIFYING!

Nico: THIS IS WHAT SHE MEANT!

Eevee Thing: Yeah I know! Team Rocket did this to me. They made some of the Thing Virus merge with all the Eevee forms and I got turned into this Abomination!

Me: Team Rocket really messed up big time!

Qin: No fucking shit!

Xenia: What the hell were they thinking!?

Lola: No kidding!

Eevee Thing: But I'm still in full control of this form though.

She changed back and turned into a girl with blood red hair and had red eyes and had black and purple clothes and she had octopus tentacles that grew out of her back.

Kira Neurenberg: I'm sorry guys. I didn't mean to scare you like that.

Me: No worries Kira.

Kate Lloyd: That is a really dangerous form you have there though.

Kira Neurenberg: I know Kate and I'm sorry if my form reopens old wounds.

Me: Boy I'm gonna need therapy after seeing that.

Maria: Thank goodness William isn't here or he would have shit himself full in his pants.

Me: Boy no fucking shit! By the way guys. Kira is a volcanologist and she is a very skilled and prominent surveyor of volcanoes and even went to some of the worlds most dangerous volcanoes and brought back lots of samples for everyone to learn about.

Nicole: Looks like she and I would get along great.

Molten Man: I'll say.

Kaito: (gets out Denziman's gear) Did Swartz promise you anything?

Zocks: (gets out Battle Fever gear) Because we can grant it instead.

Kaito got a Denziman sword and Zocks got a Battle Fever sword.

Kira Neurenberg: No he didn't promise me anything. After he put the ridewatch that made me into Another Molten Man in me I turned into my Eevee Thing form and scared the living daylights out of him to the point where he literally soiled his pants.

Me: Really?

Kira Neurenberg: I sure did. I scared him so bad that he filled up his pants big time. Literally.

Me: Okay we did NOT Need to know that part but that was awesome.

Qin: Very cool.

Kate Lloyd: So he got scared of you as the Thing just as bad as I did.

Kira Neurenberg: Yeah he sure did.

Me: Boy you learn something new every day. First we found out that he is afraid of chimney sweepers and now we learn that he got traumatized by the Thing.

Nico: The very shapeshifting alien monster with over 10,000,000 aliens woven into it that traumatized Kate here for life ended up traumatizing one of our most dangerous enemies.

Me: That is crazy.

Kira Neurenberg: It sure is.

Sougo: (gets out Denziman Ridewatch) Too bad you didn't finish him off early for us.

Geiz: (gets out Battle Fever Ridewatch) That's probably because Evolt was still alive and probably knew about what the Thing's capable of.

Sougo got DenziRedArmor while Geiz got BattleJapanArmor.

Kira Neurenberg: I know. Again I'm sorry I scared you guys.

Me: No worries. Still gonna need therapy though. But we got to get you back to normal.

Kira Neurenberg: Please do so.

She turned into ANOTHER MOLTEN MAN!

Me: This one is really hot. But we'll ask Universe 666's version of Evolt if that is true that he knows what the Thing is capable of.

Vambre: That's a good idea.

Me: Time to cool you down. (SPINS MAGISWORD BRACELET!)

WATER MAELSTROM MAGISWORD!

I fired a powerful blast of water from it and it hit Another Molten Man and an enormous cloud of steam blasted out.

Nico: WHOA! That's most steam than when Water Hazard sprayed P'andor.

Me: WHEW! That is as hot as a steaming sauna.

Nico: No kidding!

Rarity: That is really steamy darlings.

Nico: (gets out Molten Man's Ridewatch) Feel the heat!

He activated it and fired waves of fire and smashed her down.

Me: That only added more fuel to the fire. But how about this.

SNOWBALL MAGISWORD!

I fired numerous snowballs at her and they hit her and steam came off!

Nico: (gets out Warp's Ridewatch) This is a different kind of Warp!

Me: It's more like the Time Traveling one.

Nico activated it and got the Clock of Eternity?

Me: Whoa!

I picked it up.

Me: It's the Clock of Eternity. Starfire told me that this was what Warp was trying to get here in the 21st Century when they first fought.

Nico: Not the reaction we had in mind though.

Me: Yeah but still cool.

RAINCLOUD MAGISWORD!

I formed a raincloud over Another Molten Man and it released a deluge and drenched her and steam came off her.

Qin: Nice!

May: (Gets out Lava Ghost's Ridewatch) Time for more fire!

She activated it and summoned numerous Lava Ghosts and they did an ominous moan and they smashed down Another Molten Man.

Me: That was cool. Prohyas do you mind if I do this?

Prohyas: Go for it.

DOLPHIN MAGISWORD!

I fired a blast of water and it hit Another Molten Man and smashed her down and steam came out.

Qin: Nice!

Me: Good work Dolphin.

I gave her a little fish.

Me: Lets see here. How about this too.

RADIATOR MAGISWORD!

I had it go red hot and my fire aura flared up and I fired scalding hot water and it hit Another Molten Man and intense steam came off.

Me: Hot water and lava really are a volatile combination.

May: (gets out TTG Blackfire's Ridewatch) Time for Tamaranean Power!

She activated it and fired purple energy lasers from her eyes and blasted down Another Molten Man.

Qin: Whoa!

Me: Boy that was cool! Watch this.

SPLASH MASTER MAGISWORD!

Me: This one is based on Overflow.

I fired waves of water and blasted Another Molten Man and steam came off her.

Xenia: Nice one!

Maria: (gets out Fire Core's Ridewatch) Let's keep it up with the hot stuff!

She activated it and fired fireballs and smashed Another Molten Man down.

Qin: YEAH!

Me: SpongeBob would like this one.

MISTER ABSORBENCY MAGISWORD!

I went to a lake and sucked up water like a sponge and was bloated.

Me: Nico can you take me over to her and wring me out?

Nico: You got it!

He picked me up and twisted me and I splashed her.

Me: WHOA! That was fun! At least I didn't get any bones broken.

Maria: (gets out Raging Raven's Ridewatch) Time to get my rage on!

Me: Brace yourselves guys!

Maria activated it and grabbed her with darkness!

Maria: YOU MAKE ME SO FUCKING MAD!

She smashed her onto the ground!

Raging Raven: Geez is that what I sound like when I'm mad?

Nico: Oh boy.

Yuna: Our turn!

They activated Warp's Ridewatch and fired time rays and Another Molten Man ducked and it hit a rock and disintegrated it into dust!

Qin: NOICE!

Nico: It might have missed. But it showed that it's one of the more powerful Ridewatches!

Me: That's true there.

El Diablo and his team consisting of Fire Lord, Demon Peter Puppy, Fire Geargolem, Volcano Lord And Falkar came.

Nico: Nice team, El Diablo!

El Diablo: Thanks Nico. This is gonna be awesome. Boy this one is a hot one.

Qin: No kidding there.

Me: Too hot to handle actually.

Maria: Is the next Gene Slammer near?

Then a Bellossom came and she was dancing.

Me: Ooh a Bellossom!

Qin: Wow! What a dancer.

Bellossom: (In a girls voice) I sure do have that awesome dance.

Qin: (GASP) Lilly!? Is that you?

Bellossom: Awesome to see you sis.

Nico: Lilly Cheng!? You were just a baby when I saw you last.

Bellossom: Boy time sure has flown by. I got this.

She fired a solar beam blast and it hit Another Molten Man and knocked her down and I caught the Ridewatch and purified it and I went and picked up Kira and brought her back.

Yuna: Do you have any favorite memories of Nico?

Bellossom: Not really. I was only a baby when Nico saw me last.

Me: Well that's all right. You were just a baby and people usually hardly never remember what they do.

Qin: True.

Me: Lets get you back to normal though.

I put on my blind man glasses.

Nico got out a green jumpsuit.

Everyone covered their eyes and I snapped my fingers and she was reverting back.

Qin: (laughs) I went through a naked revival too!

Lilly was back to normal and she was a girl with green hair and had fairy wings and Qin helped get the jumpsuit on and Lilly and Qin hugged.

Qin: Me, Mirai and Nico missed you.

Lilly Cheng: I missed you guys too.

Prohyas: I think this calls for a…

Prohyas and Vambre: Warrior sibling secret handshake.

They did a fist bump, hand stack, finger twitch, booty bump and a head butt. OUCH!

BONK!

Prohyas and Vambre: OUCH!

Lincoln also called Namine here, so that she can get some payback on that jerk.

Lincoln: Wow, we're here in Drake City, and I know what we're going to do here, not only am I going to rescue the fifteen girls here, but, we're also here for a one awesome mission: it's finally time we put down that heartless jerk, Mathis, and we're going to make good on our promise and send that jerk to Juvie.

Nico: We did have thoughts of sending that jerk to The Black Gates, but you decided to have him sent to Juvie instead, and that was indeed a wise choice you made, Lincoln.

Lincoln: Thanks, Nico. Plus, we finally get a chance to beat him senselessly for everything he's done, the jerk.

Just then, Arkayna, Zarya, Piper, and Emerald arrived, along with Buster, Bugs, Lola, Lexi, Ace, Warren, his siblings, and the other rabbit heroes.

Mathis.

Bugs Bunny: No worries, Doc, we already got it under control.

Lincoln: Nice!

Suddenly, we saw a beautiful girl with long green hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the sigil of Cthulhu on her forehead, she has on a sleeveless midnight black open blouse, sleeveless midnight black midriff top, midnight black skirt with the symbol of Cthulhu on it, midnight black pants, midnight black high-heeled boots, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Cthulhu and holstered on her back is a massive Nyarlathotep-themed greatsword with embedded red gems and Cthulhu etched on the 7'0" massive, wide, double-edged midnight blade, large green octopus heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large green octopus heads with curved tentacles and large red gem on the bottom of the large octopus heads for the pommel.

Nico: Whoa, that's Supreme King Z-ARC and the fourth incarnation of the Cthulhu Mythos entities.

Supreme King Z-ARC: (Girl's Voice) You got that right, and we got the girls away from that jerk, Mathis, and Callista really pissed him off by firing blasts of darkness at him, and she also poured nuclear hot sauce down his pants.

Lincoln: (Gasps) Callista Cthulhu and Sakura Hanma, I knew it was you two, it's awesome to see you both again, but we'll talk later, that jerk, Mathis, is already heading right for us.

?: YOU BITCHES ARE GOING TO PAY FOR HUMILIATING ME!

We then saw our target, Mathis, heading for us, and man, was he extremely pissed, and we saw his pants smoking.

Lincoln: WHOA! You really made him mad, Callista. Now, we can finish him off.

Namine went after Mathis, and she was beating him up badly as she smashed his mouth and some of his teeth fell out, she punched him hard in the eye, and she kicked him hard in the crotch, as he fell down in pain, and Ace filmed it, then, he and our rabbit heroes pounced on Mathis and pummel him with toon tricks and mallets, and Lincoln also filmed it with Ace's camera.

Lincoln: Nice one, now, it's our turn.

Then, Lincoln fired some rainbow energy blasts, which turned into a rainbow energy straitjacket and rainbow energy chains, and they tied up Mathis, and a police wagon arrived as we threw Mathis inside and it drove off, but not before we gave Mathis the bird and he screamed with rage. We cheered as we holstered our weapons and powered down.

Lincoln: Have fun being locked up in Juvie, Mathis. (To Callista Cthulhu and Sakura Hanma) And it's so good to see you again, Callista Cthulhu and Sakura Hanma.

Sakura Hanma reverted back to normal, and she's a beautiful girl with short neck-length pink hair, pink eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful pink and blue angel wings and she reigned in the power of Supreme King Z-ARC, she's dressed in a white and pink school uniform shirt, pink skirt, socks, blue shoes, and long white sleeveless trenchcoat with darkness, Sakura blossoms, and dragons on the coattails and on the back is Supreme King Z-ARC and holstered on her back is a massive Supreme King Z-ARC-themed greatsword with embedded pink gems and Supreme King Z-ARC etched on the 7'0" massive, wide, double-edged pink blade, large midnight black dragon heads for the crossguard, large pink gem embedded in the rainguard, longer midnight black handle, four large dragon heads and large pink gem on the bottom of the large black dragon heads for the pommel.

Callista Cthulhu: You too, Lincoln.

Sakura Hanma: It sure has been a long time, hasn't it, White Rabbit?

Lincoln went up to Callista Cthulhu and Sakura Hanma and he hugged them, and Callista Cthulhu and Sakura Hanma are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I also haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Callista Cthulhu: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails and many accessories, that's really new.

Sakura Hanma: Plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, the first girl you see is Callista Cthulhu, The Incarnation of Cthulhu, she's my Guardian Angel from Massachusetts and classmate in Gym, Callista Cthulhu is known as the most powerful of The Cthulhu Mythos incarnations, and Cthulhu is one of the most powerful of The Great Old Ones in The Cthulhu Mythos, and she has the same omnipotent powers as Cthulhu himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthulhu's Dark Deep Sea Curse of R'yleh, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll see the sunken city of

R'yleh suddenly rise from the sea, and that will drive them mad, and even worse, should they dare see Cthulhu emerge from the city, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Me: Yikes!

Callista Cthulhu: Yeah, it's a deadly curse, and I knew you'd have The Bracelet of Cthulhu, J.D., but you're using it responsibly, I wasn't exactly surprised when I found out Grim had it in his trunk for safekeeping, but it's safer in your hands than in the hands of Billy.

Lincoln: Yeah, that's right, and the second girl you see is Sakura Hanma, she's my Guardian Angel from Japan and classmate in Gym, but she's also without question one of the strongest, fastest and possibly one of the most beautiful of my Guardian Angels.

Nicole: A combination of beauty, speed, and strength, that's quite a deadly combination.

Lincoln: You said it, Nicole, and she also loathes bullying, in fact when she saw Lynn, Chandler, his goons, Pablo, and Anderson bullying me, she beat the living crap out of them and left them with broken arms, legs, teeth, noses, black eyes, and she even kicked them in the groins, and she even turned them into a human pretzel and threw them into a pile of stinky jockstraps.

FOGHORN SOUND!

Nico: P.U.! THAT STINKS!

Lincoln: We had to throw tomato juice on her to kill the stink of those jockstraps, but she had it coming, and to show thanks, I took Sakura to a lake, where we kissed underwater, and she hates Pablo, Anderson, and Chandler with a burning passion.

Me: Nice one, plus, the pink hair she has is really beautiful.

Lincoln: And there's a reason for that, I found out she's the daughter of Yuujiro Hanma, and she was given the title The Angelic Dragon, and she also loves to flirt with me, especially in swimming pools, while in swimsuits.

We gasped.

Nico: Whoa, she's the daughter of Yuujiro Hanma?! That explains the reason why she's really strong, plus, this also makes her Baki Hanma's sister.

Lincoln: That's right, and I was aware of what her dad's done, thanks to her telling me that.

Sakura Hanma: Yes, and if I ever see my father again, I would make him pay for what he's done. (To Lincoln) Oh, Lincoln, there's something Callista and I want to give you: we want to give you our blood.

We gasped at their request.

Lincoln: Callista, Sakura, are you absolutely sure about this?

Callista Cthulhu: (Smiles) Yes, more than anything, after all, we're going to be one of your many future wives, Linky, and the others in your harem also did the same thing as well, as a gesture of their love for you.

Lincoln looked into the eyes of Callista Cthulhu and Sakura Hanma, and he saw they're really serious, and he smiled as he first walks over to Callista Cthulhu, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Callista Cthulhu's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Then, he went over to Sakura Hanma and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Sakura Hanma's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Sakura Hanma: You're still as gentle as ever when you feed on someone, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Callista Cthulhu's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck, and an Elemental Thunderbird Necklace of Eternal Love appeared on Sakura Hanma's neck with pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Callista Cthulhu and Sakura Hanma: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Callista Cthulhu and Sakura Hanma.

Callista Cthulhu and Sakura Hanma had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the seventeen girls, and when Lincoln saw them, he recognized them immediately. The fifteen girls are Tina from Toriko, Hilda from Beelzebub, Maria Inomata and Yuki Ushimaru from Gakuen Babysitters, Manon from Street Fighter, Ayane, Kasumi, Leifang, Tina Armstrong, Lisa Hamilton A.K.A. La Mariposa, Marie Rose, Honoka, Nyotengu, Helena Douglas, Kokoro, and Hitomi from Dead Or Alive.

Lincoln: Oh wow, it's Tina from Toriko, Hilda from Beelzebub, Maria Inomata and Yuki Ushimaru from Gakuen Babysitters, Manon from Street Fighter, Ayane, Kasumi, Leifang, Tina Armstrong, Lisa Hamilton A.K.A. La Mariposa, Marie Rose, Honoka, Nyotengu, Helena Douglas, Kokoro, and Hitomi from Dead Or Alive.

Nicole: (Gasps) Now, I know why Ayane and Kasumi went missing this morning: Mathis kidnapped them and he was going to kill them. That heartless jerk, I hope he suffers big time in Juvie.

Lincoln: He will, Nicole. Are you girls okay?

Ayane: Yes, we're okay, thanks to you.

Then, when Ayane and the other fourteen girls saw who it was that saved them from Mathis, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke

Ayane: Lincoln, wow, so you were the one who rescued us. Thanks for coming, that jerk tried to kill the girls who were located here, and Kasumi and I tried to stop him, but he kicked us hard into the

ground.

Lincoln: He's not going to be doing any of that again, Ayane, we threw him in a police wagon heading for Juvie. And it's a pleasure to meet the rest of you.

Lincoln made fourteen clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Tina: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, fifteen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Tina, Hilda, Marie Inomata, Yuki Ushimaru, Manon, Ayane, Kasumi, Leifang, Tina Armstrong, Lisa Hamilton A.K.A. La Mariposa, Marie Rose, Honoka, Nyotengu, Helena Douglas, Kokoro, and Hitomi with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Mathis, the jerk from Drake City.

But, when Lincoln showed what we all did to him, along with Namine delivering some payback on him and the rabbit heroes pulverizing him, and Lincoln tying him up and putting him in a police wagon to take him to Juvie, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Callista Cthulhu, and Sakura Hanma have a lot of catching up to do, now that they're back in town.

Maria: It's been a long time coming for that jerk, but Mathis got what he deserved. Plus, I can't even believe he also kidnapped Ayane and Kasumi.

Lincoln: Yeah, and they were trying to rescue the other girls that jerk had tied up. But, that jerk's in for a really nasty time in Juvie.

Lincoln was definitely right about that: Mathis was convicted for his crimes in court, and he was sent to a tough juvenile detention center in Michigan, where he would remain there until his 18th birthday and after that, he will be transferred to The Uranus Prison where he'll spend the rest of his life there.

* * *

After finally taking down Mathis and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Callista Cthulhu and Sakura Hanma saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Sakura Hanma: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Callista Cthulhu: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sakura and Callista, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Callista Cthulhu: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Sakura Hanma: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Callista, Sakura, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Callista Cthulhu: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lisa. One day, Lincoln and I were busy doing some workouts in our gym, since we can't do them anywhere near The Loud House, not with Lynn running rampant. But, then, I sensed something bad in the distance, and I saw that Lisa was heading here to kidnap Lincoln and kill him with another experiment. So, I summoned an army of demons who went after Lisa and her robot horde, and the robots were trashed and Lisa was tied up and brought to us. I told Lincoln, and he put Lisa in a dark energy orb, and after we finished our workout, we showered and went home, and we'd told Mr. and Mrs. Loud of what Lisa tried to do to Lincoln, and she got grounded for fourteen weeks, and Lily changed the password on Lisa's bunker again after she tossed all of Lisa's lab equipment in there.

Nico: Sheesh, Lisa, your Dark Side made you an abominable monster.

Sakura Hanma: That's putting it mildly, okay, now it's my turn. One day, Lincoln and I were at the gym and we were doing some martial arts practice, and since Lincoln's been getting taller, not to mention bigger and beefier in muscle mass, I decided to advance his training even more with some advanced martial arts moves. But, our day got rudely interrupted when Chandler, Lynn, Pablo, and Anderson showed up wanting revenge for the time I viciously beat them up, and I was about to tear them apart again, but this time, Lincoln was with me. Pablo and Anderson went after us, and they tried to pummel us, but the trouble for them is we were well-trained martial artists and they only fight when driven by wrath and revenge, so they got tired quickly, and Lincoln lifted them up by their shirt collars and he bonked them hard on their heads and he tossed them into a wall, Chandler came after us next, but Lincoln swept him off his feet and he kicked him hard into a wall and he was also knocked out, and finally, we had to deal with that violent meathead, Lynn, who came after us on all fours like the animal that she is, but Lincoln and I tag-teamed and we pummeled Lynn hard, and we kicked her hard into a wall and she got knocked out. Then, Lincoln fired red energy beams from his white angel wings and tied them up, and Lincoln called the cops on Pablo, Anderson, and Chandler who took them to jail, but for Lynn, Luna showed up and she dragged Lynn home by her ponytail, and after we told them of what Lynn, Chandler, Pablo, and Anderson tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, I gave Lynn the bird through the window, and she roared again and beat her chest like a gorilla again.

Me: Now, that day, I remember all too well. Lynn really was out for your head after what you did to her and those jerks.

Lincoln: Lynn had it coming, but Chandler, Pablo, and Anderson earned her hatred, and if Lynn and Chandler's goons tried anything like that again, they would also suffer her hatred as well.

Lynn: That animal made me like that, and no matter how many times I was beaten up, I wouldn't learn my lesson, and always wanted revenge.

Luna: And if she didn't stop, there was going to be one less sister in The Loud House, especially if the Guardian Angels who really hated L.J. with a blazing passion decided to kill her.

We got a shower afterwards, and then, Lincoln, Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Chun-Li: I always knew you'd pick Lake Lamode for our first date, Lincoln, it's really beautiful.

Lincoln: It always is, Chun-Li. Shall we?

Lincoln, Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu

Kurotsuchi dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went into an indestructible dome and they also had a game of volleyball, and Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi and they hugged the girls in their abnormally massive and powerful muscular arms and Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Kurumu Kuruno: Looks like someone had quite a fun time at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It was awesome!

Suddenly, seven Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Chun-Li, San Zang, Yukari Sendo from the real world, Ruby Tojo from the real world, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Mizore Shirayuki: And I knew Linky would also mark you and Ruby, Yukari, same with Chun-Li, San Zang, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi.

Lincoln: Plus, you and Kurumu were the ones who introduced me to Ruby and Yukari, Mizore.

Kurumu: You got that right. Plus, since Yakko has Cammy in his harem, Chun-Li would eventually join yours.

Me: Along with San Zang, Isane Kotetsu, Nanao Ise, and Nemu Kurotsuchi.

Rayman: And Wukong already knew about your feelings for Lincoln, Lady San Zang.

Sun Wukong (Warriors Orochi): And you can bet I'll be there for your wedding when the time comes. Plus, Rayman and I also pummeled Flip after Lincoln hit him on the head, and I was quite surprised when he got out a rocket launcher for that one.

Rayman: That jerk tried to murder our friends for revenge, so I had to make it a point: he messes with our friends, he's getting no mercy from me.

Keiji Maeda (Samurai Warriors): And Rayman certainly wasn't messing around when he said he can get pretty wild and crazy, but in the defense of those around him.

Nicole: That's true, and that's why no one dares to mess with the Hero of the Glade of Dreams.

* * *

Later we called Princess Luna and Natilee.

Princess Luna: Is there something you guys need?

Mr. Krabs: Well, you know how you and Natilee went into Horsea's dreams before?

Natilee: Why do you ask?

Nico: Can you help us see what the mascots' dreams are like?

Natilee: We can do that.

Princess Luna: You guys are going to love this one.

Natilee: Lets start with Poromon's dream.

She showed a viewing window and it had a world made of beer.

Nico: Can we go into said dreams?

Natilee: It only works that way if you're asleep.

Princess Luna: That's right.

Nico: Oh right.

Me: Lets not forget that I am a dreamwalker too now.

Nico: Yeah that's right.

May: Why am I not surprised to see a beer world?

Poromon: What can I say? I love beer.

Homer: (Laughs) That is cool.

Barney Gumble: It's perfect for both you and me Poromon. (BELCH)

We laughed!

Nico: Yeah.

Natilee: Now here is Manaphy.

She showed it and it showed May as a mermaid and she is swimming with Manaphy and lots of Water Pokemon and it was beautiful.

Lillie: That actually makes sense.

Me: That is a beautiful dream.

May: Boy I look awesome as a mermaid.

Manaphy: Boy you sure do Mama.

Princess Luna: Now here is Poliwag.

She showed his dream. It was a treasure hunt and he was finding the swords of the pokemon elements. It was awesome and beautiful and fun.

Reflector: Poliwag likes to find treasure?

Poliwag: I've always wanted to be a treasure hunter.

Qin: Neat.

Nicole: Welcome to the treasure hunting club.

Nico: Yep.

Horsea: Me next!

Natilee: Okay.

She showed Horsea's dream. It was a world made of ice cream and she and Maria were eating and drinking ice cream and milkshakes.

First Aid: You really like ice cream that much?

Horsea: I sure do!

Maria: We both love it.

Qin: Boy we can tell.

Xenia: So awesome.

Nico: Is that all of them?

Natilee: Yep.

Qin: Okay then.

Camie: That was fun though.

Xenia: It sure was.

Tussle Sprout: Nico, which teams have you made this time?

Nico: Leo's team will include Ophelia Nefertiti, Katherine Swendleton, Tarantulas, Crow Hogan, and Carly Atlas. Cole's team will include Lilith Sahl, Jeanne Sorensson, Misty Tredwell, Allenby Beardsley Knudson, and Cassie Covvington.

Me: Cool choices!

Qin: Awesome!

Misty Tredwell: This is gonna be cool!

Xenia: It sure will be.

Nico: I can't believe we didn't see a Gene Slammer in the Mascots' dreams.

Me: That's because you don't have to go into their dreams to find them.

Nico: What do you mean?

I pointed and Nico looked and saw a Marill and Azumarill!

Nico: Hey a Marill and Azumarill!

Misty: Aw they are cute.

Nico: They sure are.

Marill: (In a girls voice) We got that a lot.

Azumarill: (In a girls voice) (Chinese Accent) We sure do.

Nico: Marle Verbina and Vin Xi Lang! Whoa!

Qin: Hey awesome to see you girls.

Marill: You too Qin. You're looking great.

Qin: Same to you.

Horsea: Were you two there the entire time?

Marill: We just came in 3 minutes ago.

Horsea: Oh.

May: What are your favorite memories of Nico?

Marill: My favorite is when me and Nico had that Potsticker Dumpling eating contest and Nico ate the most.

Azumarill: My favorite is when we were in China and we had a Szechuan Pepper Sauce Chicken and Noodles Eating Contest and it was awesome.

Nico: I was blowing fire out of my butt for days.

We laughed!

Me: That is funny!

Nico: Yep.

Me: Lets get you girls back to normal.

Nico got out blue jumpsuits for them and we took them to the bathroom and I snapped my fingers and they reverted back. They came out and had blue hair. Marle was short hair and Vin Xi Lang had long hair.

Marle Verbina: That was rough.

Vin Xi Lang: That was crazy.

Nico hugged them.

Nico: I've really missed you girls.

Marle Verbina: We did too Nico.

The previous group came.

Captain Boomerang: Can me, Killer Shrike, Wolf, Crimson Dynamo, Shiva, Billy Numerous, Deker, Vexen, Mummy, and Diabolico go with you guys?

Yost Domino: Me, Lanhua, Queen Cannabis, Orbit Woman, Kuroto Dan, Grand Duke's Minions, Black Knight of Merlin, Evil Ice Man, Mummy of Anhk-Ha, and Evil Cloud Man will come too.

Nico: Yes you all can. And I have just the perfect mission for us for the Chinese New Years today. We're going to the world of Mulan and we're going to destroy Shan Yu.

Me: We already did that didn't we?

Nico: Not in the Simulator.

Xenia: True.

Me: But this will be perfect for that.

Eli: It sure will. And if I face Chi-Fu, I'm sending that jerk to the black gates for his atrocities against Mulan.

Me: Me too!

Nicole: Same here. I hate that guy.

Nico: I do too.

Camie: Can you remind me who Shan Yu is?

Me: Sure. He lived back over 2,000 years ago and he was a ruthless leader of a massive horde of huns that were trying to take over China.

I went over his history.

---

Shan Yu (sometimes spelled Shan-Yu) is the main antagonist of Disney's 36th full-length animated feature film Mulan. He is the mysterious chieftain of the Huns and a ruthless warlord who is determined to invade and conquer China because he believes that the Chinese emperor built the Great Wall as both an insult and a challenge. He is the arch-nemesis of Fa Mulan.

As a violent warlord, Shan Yu leads his horde of Huns to invade, savoring when China knows he is there. He is the reason Mulan joins the Imperial army in her father's place. His pet falcon Hayabusa serves as a messenger and spy, and the Elite Hun Soldiers as his main henchmen.

In the 1998 animated film, he was voiced by the late Miguel Ferrer, who also played Lloyd Henreid in the 1994 adaptation of The Stand, Vice President Rodriguez in Iron Man 3, Big Boss in Rio 2, and Deathstroke in Teen Titans: The Judas Contract. In Kingdom Hearts II, he was voiced by Corey Burton, who also played Captain James Hook in the same game, Count Dooku in The Clone Wars, Onus in Treasure Planet, Malware in Ben 10: Omniverse, Jones in Tarzan, and Quint in the Disney animated series Timon & Pumbaa.

In the film's opening scene, Shan Yu scales the Great Wall of China and leads the Huns in an invasion of China, setting the tone for the rest of the film. When one of the Chinese guards of the Great Wall revealed that he lit the torches and that the Emperor will soon know of Shan Yu's presence in an attempt to intimidate him, Shan Yu's only response was to burn one of the Imperial flags on the torch in front of him before giving a satisfied "perfect", revealing that the Emperor receiving the message of Shan Yu and the Huns' invasion was precisely what he had intended to accomplish.

Later on, Shan Yu destroyed yet another village and exposed two spies sent by the Emperor. He ordered them to pass a message to the Emperor telling to send his best men for battle. Before the two were able to leave, he had his head archer murder one.

Later, while waiting for the Emperor's armies, Shan Yu's pet falcon named Hayabusa acquired a doll from a village in the Tung Shao Pass. After close examination of the doll and traces on it by his five main men, Shan Yu deduces that the Imperial Army is waiting for them. Though one of his archers suggested that they simply avoid the soldiers and continue heading towards the Imperial City, Shan Yu insisted on confronting the Imperial army, as the quickest way to the Emperor was through the pass, before adding "And besides, the little girl will be missing her doll. We should return it to her." with an extremely manipulative and murderous grin.

Shan Yu and the Huns ambushed General Li's army, so they fought against the Emperor's best troops, including the General, and ultimately won the battle, setting the village on fire on the process. The Huns only suffered minimal casualties, leaving hundreds of troops intact. Unfortunately, only the aftermath was seen in the film. None of the known survivors were discovered by Li Shang's troops. As they headed for the Imperial City, the Hun army noticed them and sneaked up a mountain in the Tung Shao Pass, preparing their fiery arrows. When Mushu accidentally fires a cannon causing their position given away to him and his army, the Huns attacked, casting flaming arrows from the mountains to disintegrate their ammunition.

Shan-Yu then led his entire army to wipe out Li Shang's small battalion. Mulan, however, took control of Li Shang's last cannon, aiming it for a nearby mountain.

This maneuver triggered an avalanche that wipes out almost all of Shan-Yu's army and encases Shan Yu in a thick blanket of snow. At first, it seems like a complete victory, thanks to Mulan. However, it is not so. Following the avalanche and the departure of Li Shang's troops, Haybusa screeched the all-clear and Shan Yu rose from the snow, shaken and infuriated at the loss of his army. A loud yell of anger is all it takes for Mulan to realize that there is still a chance for the Huns; Shan Yu's falcon and five of his best troops had survived the assault. Since the Imperial army are unaware that Shan Yu is alive at this point, he and his troops are able to infiltrate Imperial City, though Mulan chooses to pursue them to warn Shang.

While his troops hid within a Chinese lion at the Imperial celebration, Shan Yu lies in wait on top of the roof of the Emperor's palace. At the right moment, Shan Yu's falcon retrieves his sword and his troops sprung into action, locking up the palace and kidnapping the Emperor. As Shan Yu threatens the Emperor to bow to him, Mulan, Li Shang, Yao, Chien-Pao and Ling infiltrate the palace in an attempt to rescue the Emperor, the latter three being in drag (as a disguise). Mulan, Yao, Chien-Po and Ling defeat Shan Yu's men and his pet falcon is fried by Mushu.

After securing the Emperor, in an attempt to distract Shan Yu from Shang (whom he was about to slaughter), Mulan reveals that it was she who destroyed his army. Pursuing her throughout the palace and onto the roof, Shan Yu's attempts to kill Mulan backfire when Mulan initiates a plan of her own.

Immobilizing the Hun leader by pinning his cape to the roof with his own sword, Mushu aims a large rocket at him. Releasing the rocket, Mushu, Mulan and Crik-ee escape from the roof as it hits Shan Yu at great speed and propels him through the air into a fireworks tower, resulting in a huge colorful explosion that (albeit off-screen) blows him to smithereens. Mulan is then awarded Shan Yu's sword for her success of ridding China of the Huns forever.

---

When it was done everyone that hadn't heard about it was shocked and horrified!

Camie: He us pure evil!

Nico: Yep and we're going to destroy him and finish him forever..

Pain Yatta: Nico, which Gene Slammers do you think you'll meet next?

Nico: Sudowoodo, Politoed and Jumpluff next.

Camie: Ooh!

Xenia: Those are good choices.

Nico: Yep.

Qin: Also we faced Shan Yu on Day 2 of the 20 Days of Darkness and that was crazy.

Lola: Yeah we sure did.

Lincoln: And I faced Larxene on that day too.

Camie: Whoa!

Xenia: This was an evil version of her.

Lola: Yeah and Lightning exploded out that day.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Emiliano Rosas of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Emiliano Rosas of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Valeria Raven: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Emiliano Rosas for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, it's time to head to the Simulator and destroy Shan-Yu once and for all.

Lincoln: He will pay for everything he's done, and once we get done with him, you're the next one to die, Emiliano Rosas.

Valeria Raven: (Spanish Accent) That monster will pay for every last one of his crimes, and once we get done with him, Emiliano Rosas, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

Suddenly, we saw Lincoln glowing with rainbow energy surrounding him, and suddenly, his white wolf ears turned into white rabbit ears, and a rabbit's tail formed on top of his eleven massive and long white wolf tails, Lincoln's transformed into SUPER ANGEL

THUNDER HARE XELNAGA!

Me: Whoa, Lincoln, take a look.

We made a mirror, and Lincoln saw what happened.

Lincoln: Whoa, I've mastered my Miraculous, and now, I've turned into Super Angel Thunder Hare Xelnaga.

Eini: That's right, Lincoln. Plus, it's perfect since it's the Year of The Rabbit.

Ace Bunny: And we're not the only ones who like what's happened to you.

Suddenly, Lincoln's entire harem were blushing like crazy when they saw what happened to Lincoln, and they each pounced on him, and they kissed him all over, and when they got off, Lincoln was covered in lipstick kissy marks on his face, massive and muscular upper body, and eight-pack abs, and he looked like he was in Heaven.

Lincoln: (In Heaven) I'm never ever getting tired of that!

Lincoln recovered.

Lincoln: Plus, my ears can now change from wolf ears to rabbit ears, and the rabbit tail on top of my eleven wolf tails is now permanent.

Alix: It's still really amazing. Now, let's get after Shan Yu and make him suffer.

Nico: Right, let's go.

Killer Shrike: Let's get going.

Lanhua: Right behind you!

We were off to China.

---

CHINA - HAN DYNASTY

---

We arrived in Han Dynasty China.

Me: Here we are guys.

Carol: Wow.

Lincoln: Boy feels like forever since we were here.

Nico: It has been a while.

Qin: I hope ancestor Mulan is all right.

Shiva: I'm sure she's okay.

Kuroto Dan: It all depends on what events already passed.

But then…

BOOM!

We heard an explosion!

Me: LOOK!

We saw THE AVALANCHE!

Qin: UH OH!

Me: Chi Fu's order is not far behind!

Nico: Lets go!

We flew off.

Elena Validus: Everyone, hang on!

We then arrived and saw the avalanche and Mulan saved Captain Li Shang!

Me: WHOA!

She got him to a tent.

But Mulan was wounded herself.

We got there.

Me: Captain Shang!

We flew down.

Li Shang: Long time no see guys.

Me: Sorry to drop in like this but are you guys all right?

Li Shang: Yeah we're okay. (Whispers to me) Thanks to Mulan.

Me: (Nods)

Li Shang: How is Nico doing? I heard what happened almost 2 years ago.

Nico: I'm better now Captain. It's all over now.

Vexen: Don't tell me we missed everything!

Shang: Well, you DID see the avalanche.

Evil Ice Man: I guess that's okay?

Me: Yeah we did and one of your men (Winks) saved you.

Qin: Yep.

But then.

Mulan: I can explain!

Chi Fu: So it's true!

Mulan: Shang!

Chi Fu: [yanking Mulan out of the tent and pulling her hair out of a bun] I knew there was something wrong with you! A woman! Treacherous snake!

Mulan: My name is Mulan. I did it to save my father!

Chi Fu: High treason!

Mulan: I didn't mean for it to go this far!

Chi Fu: Ultimate dishonor!

Mulan: It was the only way! Please, believe me!

Chi Fu: [scoffs] Captain?

Me: Eli kill that son of a bitch!

Chi Fu: You!?

Me: YES! ME!

Nico: Wait! Let me say something to him first.

Nico went over to Chi Fu and he grabbed him by the shirt.

Nico: Who the hell to do you think you are you pompous turncoat!?

Chi Fu: So the cowardly second in command stands up to me!

Nico: Correction, I'm now the leader of the team!

Chi Fu: What!?

Nico: Promoted last year. Lets get one thing clear! I don't EVER Treat women as badly as you do! You think women are so much weaker than you but they are stronger than you EVER will be! She has more courage and strength than you EVER WILL! And she is also my sister's ancestor! And you have no honor when it comes to women! You are just a chauvinistic fucked up pig!

Qin: YEAH!

Nico: I should just kill you right here and right now but right now we have more bigger concerns.

Shang: Chi Fu, for your behaviour against Mulan, we are detaining you until Shan Yu and his new ally are dealt with. And then, you will be executed on Mulan's place.

Android 21: New ally?

Shang: It looked like a woman that was red and had spikes.

Vert: That's Kyburi!

Qin: So she is here too!?

Shang: She was the one who caused that avalanche.

Deker: That explains a lot.

Me: I thought it was Mulan that did it.

Shang: So did I.

Black Knight of Merlin: Her vehicle can also behave like a robot, right?

Agura: And it can climb on walls if they're large enough.

Nico: That's amazing.

Vicky Emily Skartaris: She will be perfect as my archenemy.

Qin went over to Mulan.

Qin: Mulan are you all right?

Mulan: It's all my fault.

Qin: Don't say that Ancestor.

Mushu: I was this close. This close! To impressing the ancestors, getting the top shelf, in entourage… man. All my fine work. [He uses the tip of an arrow to roast a piece of food over a tiny fire]

Mulan: I should never have left home.

Mushu: Hey C'mon. You wanted to save your father's life. Who knew you'd end up shaming him, disgracing your ancestors and losing all your friends. Y'know, you just gotta… just gotta learn to let these things go.

Me: That's not helping Mushu.

Mulan: Maybe I didn't go for my father. Maybe what I really wanted was to prove that I could do things right. So that when I looked in the mirror, [she picks up her helmet] I'd see someone worthwhile. But I was wrong. I see nothing. [she throws the helmet aside]

Lilly Cheng went and got it.

Mushu: Hey, that's just cause this needs a little spit, that's all. [He spits on the helmet.] Let me shine this up for you. I can see you, look at you, you look so pretty! [He turns cry] The truth is, we're both frauds. Your ancestors didn't send me; they don't even like me. I mean, you risked your life to help people you love. I risked your life to help myself. At least you had good intentions.

Me: Mulan come on. Don't talk like that. You did your best and that's all that counts.

Mushu: And just to clarify, I DID take out most of the Huns without causing the avalanche.

Carly Atlas: Guess your aim wasn't off this time.

Me: No it wasn't. But come on Mulan buck up. You think we gave up on anyone when the 20 Days of Darkness reared its ugly head? Absolutely No Fucking Way Not. Nico may have done all that against his will but it was not his fault and our friendship has helped us all get through it all and we are stronger than ever when we work together.

Eli: That's right Mulan.

Nico: Yeah. Look, Mulan I know you messed up and I've been in your shoes before. But thanks to all my friends we got through the toughest of challenges together. And we never gave up the one thing that we have and always will. And that is hope.

Mulan knew that I was right.

Mulan: You're right guys. I was giving up too easily! Thank you all.

A falcon screech was heard.

Hayabusa then landed in front of us and approached Mushu menacingly.

Mummy of Anhk-Ha: Hayabusa!

Me: He is a pretty Falcon.

Mummy: I get it. Since Mushu took out most of the Huns, Shan Yu sent Hayabusa to kill him for it!

Eddy: Permission to kill bird?!

Nico: Denied.

Fluttershy: Let me handle this.

Fluttershy went up to Hayabusa and used her stare on him and made him go into submission and Fluttershy told him to be a good bird and help us instead of serving a monster like Shan Yu.

Nico: Wait if Hayabusa is here then that means?

Me: That Shan Yu is Alive.

Nico: Shang we got to get ready.

Shang: What are you gonna do.

Nico: I have a plan.

We huddled and Nico told us his plan. It was an ambush. The Huns and Shan Yu are going to disguise themselves as the dragon for China's New Years and then when the dragon approaches the palace we hit them hard and bloody.

Diabolico: We'll leave the Chinese Dragon intact.

Evil Cloud Man: Don't want it ruined.

Xenia: Good idea. It is for the Chinese New Year after all.

Qin: Indeed.

Xenia: Yeah.

Nico: Lets get ready guys.

Disk Wars Silver Samurai: That monster will feel the full might of my blade!

Me: So will all his men when we slash them to pieces.

Xenia: Yeah.

Nico: Lets go!

We were off to Beijing.

But little did we know that Shan Yu was alive.

Shan Yu climbed out of the snow and looks around. He lets out a roar. Soon he is joined by five of his soldiers. They start down the path toward the Imperial City.

We arrived.

In the Imperial City

The Chinese citizens watch happily as the Imperial City celebrates the Chinese victory with a parade.

Parade Leader: Make way for the heroes of China!

Me: Here we are guys.

Nico: Lets get ready.

Emperor Han: Nico and everyone?

Me: Your Excellency we have big trouble.

Emperor Han: Shan Yu is alive still.

Me: Yes sir.

Wolf: That also means the Hun Army isn't dead yet.

Emperor Han: The Hun Army isn't dead yet?!

Unfortunately, everyone heard this and gasped.

Queen Cannabis: (facepalms) And now, everyone knows.

Nico: Don't worry everyone! We are ready for them!

Emperor Han: Please remain calm everyone!

Mulan: We're not going to let them get away with this!

Nico: Nope.

Marie Kanker Loud: Despite the fact that Kyburi is helping him now. (deadpans) And I'm not helping the situation, am I?

Me: Nope.

Vicky Emily Skartaris: I will face her. Leave her to me.

Nico: Okay. Lets not add more fuel to the fire.

Eli: I sense them coming.

Blizzard Man: Kyburi can't be far behind.

I unsheathed my sword and me and Shan Yu clashed and sparks went flying all over the place with incredible force and fury!

I slashed Shan Yu and cut his face!

Nico: Take that!

Shan Yu: KILL THEM ALL!

We went at him and slashed and cut and killed many of his men.

Then KYBURI APPEARED!

Kyburi: You may have defeated Kytren and Krylox. But I'm more tougher! (to Shan Yu) Don't bother with them. I'll take care of this!

Kyburi summoned the Venikus and got into it.

Vicky Emily Skartaris: I got this guys!

Orbit Woman: Focus on Shan yu!

Crimson Dynamo: Me and Orbit Woman can take her!

Agura: Not without me!

Agura got into the Tangler.

Vicky Emily Skartaris: Lets dance!

Kyburi: Bring it on!

Then Kaos, Mr. Fizz, Dr. Viktor, Technus, Zavok, General Schwarz, Juggernaut, Rowdyruff Boys, Sportsmaster, Skinner, Shaman Apsu, Ed Bighead, Frankenstein, Mike Rochip, Yost Rhino, Evil Pharaoh Man, Evil Vespa Woman, Axel, Thunderhoof, and Sellon appeared

Kaos: Are you enjoying it with us, Jumpy.

Jumpy Ghostface: I sure am!

Mr. Fizz: Glad to hear it.

Dr. Viktor: Too bad you'll have to go back to Big Green afterwards.

Jumpy Ghostface: I know. But it was awesome.

Technus: (to Nico) We heard you fought Phil the Pilferer.

Nico: We sure did.

Juggernaut: How'd it go?

Me: Won and got him put into your ranks.

Qin: Yep.

?: Cool!

A figure came out and it was TRANSLUCITOR from Turbo!

---

Translucitor is an antagonist in Power Rangers Turbo. A shaman-themed monster, he was used by Divatox in order to make Angel Grove invisible.

He was voiced by Ken Merckx.

Translucitor was first seen attacking a group of people at the Youth Center where he turned everyone invisible. Soon after, we saw his ruining things on the Power Chamber's viewing screen. He returned to the Youth Center and kidnapped everyone inside, including Bulk and Skull, and only left Ashley and Cassie because plot.

Later on, he accompanied Divatox and her entourage on an attack on invisible Angel Grove and he was assigned to deal with the Rangers when they showed up. He vanished and the Rangers summoned their Legendary Vehicles to go after him. Unfortunately for them, his illusion was constantly appearing and disappearing caused the Vehicles to crash into each other which flung the Rangers out.

He summoned a ground symbol to cage up the Rangers and used a sheet to depart with them. When the girls followed him into the woods, he laughed manically at them but was taken down by the Phantom Ranger at which point he ran away. He went to the other Rangers (who were tied to a rocket) and ignited the chord to try and kill them but the girls saved the trio.

Translucuitor made himself vanish in order to capture them but the

Turbo Navigator suddenly started working in spite of it being impossible to find him before. They pounded him before he decided that now was a good time to run so he vanishes once again and he fled. He attempted to hide in a far away field but a seeking laser from Ashley's Turbo Navigator; Defender Mode. He went invisible but was hit every time.

T.J. then combined the Turbo Navigator and his Auto Blaster into the Auto Blast Defender to knock him out. This returned things to normal but Divatox fired the torpedoes to make him grow. He was destroyed by the Turbo Megazord after Robo Racer destroyed his staff with it's Synergizer; Blaster Mode.

He later appears in the United Alliance of Evil invasion, in Divatox's army.

T.J.: Translucitor!

Translucitor: Been a while rangers.

Me: I remember you! You were sent to make Angel Grove invisible!

Translucitor: That's right. Good memory.

Nico: Yep.

Translucitor: You guys still haven't met the Phantom Ranger yet?

William: Actually, no.

Me: We will soon. The timing should be just about right.

Xenia: I agree there.

We got the usual battles underway.

## Cyborg, Pinkie Pie, Maud Pie, Featherweight, Tech Skylanders, Katie Kirrington, Lisa Loud, Dexter, Elena Validus and Circe VS Technus - Meeting the Incarnation of Cthulhu and a gene-slammer for Supreme King Z-ARC

Technus was next.

Technus: (to Cyborg) I heard you guys met the Incarnation of Cthulhu and a gene-slammer for Supreme King Z-ARC. What are their names?

Cyborg: Their names are Callista Cthulhu and Sakura Hanma and they are amazing and let me tell ya these girls are no pushovers.

Pinkie Pie: They sure are and they pack an amazing bunch of great skill and power.

Maud Pie: (monotonously) And their story is amazing too.

* * *

Sakura Hanma: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Callista Cthulhu: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, Sakura and Callista, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Callista Cthulhu: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Sakura Hanma: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Callista, Sakura, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Callista Cthulhu: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lisa. One day, Lincoln and I were busy doing some workouts in our gym, since we can't do them anywhere near The Loud House, not with Lynn running rampant. But, then, I sensed something bad in the distance, and I saw that Lisa was heading here to kidnap Lincoln and kill him with another experiment. So, I summoned an army of demons who went after Lisa and her robot horde, and the robots were trashed and Lisa was tied up and brought to us. I told Lincoln, and he put Lisa in a dark energy orb, and after we finished our workout, we showered and went home, and we'd told Mr. and Mrs. Loud of what Lisa tried to do to Lincoln, and she got grounded for fourteen weeks, and Lily changed the password on Lisa's bunker again after she tossed all of Lisa's lab equipment in there.

Nico: Sheesh, Lisa, your Dark Side made you an abominable monster.

Sakura Hanma: That's putting it mildly, okay, now it's my turn. One day, Lincoln and I were at the gym and we were doing some martial arts practice, and since Lincoln's been getting taller, not to mention bigger and beefier in muscle mass, I decided to advance his training even more with some advanced martial arts moves. But, our day got rudely interrupted when Chandler, Lynn, Pablo, and Anderson showed up wanting revenge for the time I viciously beat them up, and I was about to tear them apart again, but this time, Lincoln was with me. Pablo and Anderson went after us, and they tried to pummel us, but the trouble for them is we were well-trained martial artists and they only fight when driven by wrath and revenge, so they got tired quickly, and Lincoln lifted them up by their shirt collars and he bonked them hard on their heads and he tossed them into a wall, Chandler came after us next, but Lincoln swept him off his feet and he kicked him hard into a wall and he was also knocked out, and finally, we had to deal with that violent meathead, Lynn, who came after us on all fours like the animal that she is, but Lincoln and

I tag-teamed and we pummeled Lynn hard, and we kicked her hard into a wall and she got knocked out. Then, Lincoln fired red energy beams from his white angel wings and tied them up, and Lincoln called the cops on Pablo, Anderson, and Chandler who took them to jail, but for Lynn, Luna showed up and she dragged Lynn home by her ponytail, and after we told them of what Lynn, Chandler, Pablo, and Anderson tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, I gave Lynn the bird through the window, and she roared again and beat her chest like a gorilla again.

Me: Now, that day, I remember all too well. Lynn really was out for your head after what you did to her and those jerks.

Lincoln: Lynn had it coming, but Chandler, Pablo, and Anderson earned her hatred, and if Lynn and Chandler's goons tried anything like that again, they would also suffer her hatred as well.

Lynn: That animal made me like that, and no matter how many times I was beaten up, I wouldn't learn my lesson, and always wanted revenge.

Luna: And if she didn't stop, there was going to be one less sister in The Loud House, especially if the Guardian Angels who really hated L.J. with a blazing passion decided to kill her.

FLASHBACK ENDS

Maria Garcia: (Spanish Accent) That's right, there's still the matter of Emiliano Rosas of The Order of Nuestra Señora de la Santa Muerte to deal with, and that religious fanatic should be coming… right now!

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

were glowing, and that means we've got big trouble incoming, and the imps of The Fabled Gene-Slammers were already hissing with anger.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Emiliano Rosas.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Emiliano Rosas, the next member of The Order of Nuestra Señora de la Santa Muerte.

Valeria Raven: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Emiliano Rosas: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Valeria Raven's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Ragin-themed greatsword from her back, and as she approached Emiliano Rosas, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Valeria Raven: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Emiliano Rosas. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Raven and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Valeria Raven was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and

Fabled Raven flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Valeria Raven emerged, but she was changed forever.

(IMPERATRIX MUNDI PLAYS AT 1:45 TO 2:14)

Valeria Raven grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Raven emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Raven with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Valeria Raven has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Raven surrounded by darkness and light and imps and on top of Fabled Raven is an anti-Sergio symbol. Suddenly, Valeria Raven felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Valeria Raven has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Valeria Raven's massive Fabled Ragin-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Raven's Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Raven etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Raven's head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Valeria Raven has transformed into SUPER ANGEL-FABLED RAVEN-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED RAVEN ANGEL OF DIVINE DARK FABLED RAVEN IMP JUSTICE AND DIVINE FABLED RAVEN IMP LOVE!

We were amazed by Valeria Raven's Super Angel-Fabled Raven-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Emiliano Rosas saw it, he went insane and he got out his sacrificial knife to stab her, but Valeria Raven fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Emiliano Rosas, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia:(Spanish Accent) Incredible, Valeria's transformed.

Lincoln: Yeah, and she really sent Emiliano Rosas back with that energy blast she fired and that really pissed him off now, and Valeria, you look beautiful, how do you feel?

Valeria Raven: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Raven and Divine Darkness Light Fabled Raven Imp Love) (Spanish Accent) **I feel incredible, Linky. Now, shall we put an end to Emiliano Rosas once and for all?**

Lincoln: (Smiles) With pleasure, Valeria.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Valeria Raven.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **You're done running, Tomás Perez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.**

Valeria Raven and Lincoln went after Emiliano Rosas, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Emiliano Rosas and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Valeria Raven sent her three imps and Lincoln summoned his own imps and they sent them at Tomás Perez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes, and fired lightning blasts from his rabbit ears, which electrocuted Emiliano Rosas as they hit him.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal. Plus, he fired lightning blats from his rabbit ears, now that's cool.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Valeria Raven, her hand-cannon Blaster is known as Fabled Raven's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Raven surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Valeria Raven aimed their hand-cannon blasters at Emiliano Rosas.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) **Eat energy blasts, Emiliano Rosas!**

Valeria Raven and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Emiliano Rosas and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Emiliano Rosas and the blades skewered him, and one of them hit Emiliano Rosas right in the chest and it pierced his black heart, and he immediately died of blood loss, and when his spirit appeared, Valeria Raven and Lincoln gave Emiliano Rosas The Black Gates for good. We cheered as Valeria Raven and Lincoln holstered their massive greatswords on their backs and powered down, and Valeria Raven's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Lincoln's rabbit ears changed back into the wolf ears, but the rabbit tail on top of his eleven massive and long white wolf tails remains.

Valeria Raven: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Emiliano Rosas for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Valeria.

Suddenly, Valeria Raven wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Valeria Raven's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Raven flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Valeria Raven absorbed the light and they came back to us as the display and Fabled Raven vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Emiliano Rosas' death, now there are only sixteen members of The Order of Nuestra Señora de la Santa Muerte.

Valeria Raven: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Felipe Suarez, which means it'll be Angelina Soulkius' turn.

Angelina Soulkius: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation and Gene-Slammer are we meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Selena Shub-Niggurath, The Incarnation of Shub-

Niggurath, and for the Gene-Slammer, I have an idea, how about a Gene-Slammer for Blue-Eyes Ultimate Dragon.

Nico: A Blue-Eyes Ultimate Dragon Gene-Slammer and The Incarnation of Shub-Niggurath, whoa.

Adriana Azathoth: You got that right, Nico. Selena Shub-Niggurath is known as the most powerful of The Cthulhu Mythos incarnations, and Shub-Niggurath is also one of The Outer Gods in the Cthulhu Mythos: The Outer God of Fertility, and Selena has the same powers as Shub-Niggurath herself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Shub-Niggurath's Dark Young Nebulous Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged into a dark forest, and they'll be driven them mad upon seeing The Dark Young of Shub-Niggurath, and even worse, should they dare see The Black Goat With A Thousand Young appear, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

Chi Fu was tip toeing away but we noticed him.

Emperor Han: Where do you think you're going, Chi Fu?

Chi Fu: Your majesty, if you just let me explain things-

Shang: (gets out sword) No! Let me explain things. In a manner I think you'll understand!

Me: To quote the Queen of Hearts, Off With his Head!

Me and Shang slashed his head off and Eli banished his spirit to the

Black Gates.

Maria: How exactly was he let in the army again?

Shang: He entered on his own accord.

Me: What a jerk.

Xenia: No kidding there.

Camie: Yeah no kidding.

Zavok: Looks like it's the end of Shan Yu

Hoppus: I'll say! That was great!

General Schwarz: And Hayabusa and Kyburi are in our ranks.

Brick: Now that's how to celebrate Chinese New Year!

Nico: You got that right!

Sportsmaster: (to Jumpy Ghost Face) Have a nice trip back to Big Green, Jumpy.

Skinner: Tell Lin Chung and the others that Irena will see them tomorrow.

Jumpy Ghost Face: I will and it was an honor to help you guys out on the Chinese New Years.

Me: We are glad you had a great time.

Nico: Yep. But this was so awesome and cool. Great job today guys.

Qin: Yeah! (To the viewers) Happy Chinese New Years to you all everyone. Hope you liked this adventure like we did.

Varie: I know we did.

We went back home and enjoyed the rest of the day and went to sleep.

Even some dessert flavors. Also we're going to be battling MANFISH from Mighty Magiswords who not only has an attractive French Accent that swoons some of the girls but also is very pissed with the world for eating fish. But he will be in the Masters of Evil. Also we're going to battle Another Rock Band of Bremen and Another El Diablo and we're going to meet a gene-slammer for Sudowoodo and that one is Naoko Yamaguchi and she is Nico's friend from Japan and is a Nature Master and has a powerful form of Martial Arts. The next match-up in this saga is Angelina Soulkius - Gene-Slammer of Fabled Soulkius and Lincoln VS Felipe Suarez. For Lincoln's rescue tomorrow, Lincoln and his group are heading to the east of Gotham Royal York, and Lincoln and his group are finally going to take down Principal Huggins' Dark Side whom we call Killjoy Huggins, and Superintendent Chen's coming with us to hand down that killjoy's punishment, and we're going to have him be part of the humiliation fodder for all eternity. And we're going to meet the next Incarnation of the Cthulhu Mythos deities, Selena Shub-Niggurath, The Incarnation of Shub-Niggurath, she's Lincoln's Guardian Angel from Massachusetts and classmate in Math. Selena Shub-Niggurath is known as the most powerful of The Cthulhu Mythos incarnations, and Shub-Niggurath is also one of The Outer Gods in the Cthulhu Mythos: The Outer Goddess of Fertility, and Selena has the same powers as Shub-Niggurath herself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Shub-Niggurath's Dark Young Nebulous Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged into a dark forest, and they'll be driven them mad upon seeing The Dark Young of Shub-Niggurath, and even worse, should they dare see The Black Goat With A Thousand Young appear, they will be damned to eternal madness and their soul will be dragged into eternal darkness. Plus, we're also going to meet a Gene-Slammer for Blue-Eyes Ultimate Dragon named Takara, Tomoko and Toshiko Neobāsuto, The Neobāsuto Triplets, they're Lincoln's Guardian Angels from Japan and classmates in Science, but their father was once part of The Yakuza, but he cut his ties with The Yakuza, but they didn't take kindly to that and plotted to kill him for his treachery. Luckily, for Takara, Tomoko, and Toshiko, Lincoln, along with his Guardian Angels took down The Yakuza before they could even try to kill their father. The Neobāsuto Triplets may look the same, but the only way to tell who's who is by their hair: Takara's hair is Bubblegum Pink, Tomoko's hair is Emerald Green, and Toshiko's hair is Honey Orange. To show thanks for saving their father from The Yakuza, Takara, Tomoko, and Toshiko each kissed lincoln on the lips and even took him on a date at a magical girl convention while they each cosplayed as Sailor Moon characters, and Takara, Tomoko, and Toshiko even introduced Lincoln to magical girl anime starting with sailor moon when they were 6 years old. Their last name, Neobāsuto, means Neo Burst in Japanese, and they've been watching magical girl anime ever since. They're the nieces of Tatsu from The Way of The HouseHusband, and they hate Icky Vicky with a burning passion. Tomorrow is the anniversary of the most dreadful time of our teams history, The 20 Days of Darkness and we're going to do a recap of that awful time in a non-combat chapter.

See you all next time.

# 20 Days of Darkness Anniversary 2

Today is the 2nd Anniversary of The 20 Days of Darkness

In the early morning hours at 3:35 AM, Clyde had a dream, and he saw three figure who was hiding out and living in the streets of Shanghai, China. But, they were no ordinary three figure, their were, Api Apple, daughter of Clyde's future wife, Apple Bloom. Pixel Bit, daughter of Clyde's future wife, Sweetie Belle. and Echo Five, daughter of Clyde's future wife, Scootaloo. Clyde woke up from the dream, but he wasn't the only one, Apple Bloom, Sweetie Belle, Scootaloo, Lincoln Loud, Nico, and me also had the same dream.

Lincoln: We sure did, buddy.

Apple Bloom: And it also means that we found out where our kids at.

Scootaloo: And the question is, Where?

Me: Their at Shanghai, China.

Nico: Oh no, that's not good. It's the same place when we found Radiance, Logan Berrytown, Blossom Bloom, Rob, Sharp Claws, Silverwing, Jones, and Dark Rose, And it is not a safe place for them.

Clyde: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Lincoln: You got that right, buddy.

As we whore about to go Shanghai, China, to rescue The Young CMC, Then suddenly, there was a knock at the door.

Apple Bloom: Who would that be in the middle of the Night?

Scootaloo: Only one way to find out.

Sweetie Belle: I'll get it.

Sweetie Belle went to the door, then she opened the door and found a large humanoid black and purple dragon like-bat warrior who has black flight pads, large black and purple angelic wings which bear three red claw-like protrusions at their tips each, And a fluffy white collar of fur encircling the lower portion of his neck. he wears a black metal robotic European Armor with white cape, and ancient yet robotic bat-like helmet and mask-like with crimson gem. He wielded a giant golden axe-like weapon called the Ouryuken Sword. It was Black Alpha the Dark Knight.

Black Alpha: (to Cutie Mark Crusaders) Are you three the Cutie Mark Crusaders?

Sweetie Belle: Yes.

Apple Bloom: We are.

Scootaloo: And Who are you?

Black Alpha: I am Black Alpha the Dark Knight. Do these young kids belong to you?

The three kids that whore with Black Alpha, Was a 8-year-old girl who has white skin, brown eyes, freckles, and light red and dark red short hair. She wore a murky green t-shirt under dark blue overalls, and brown small work boots. A 10-year-old girl who has tannish pink skin, orange eyes, and ginger short hair with pink streak. She wore a red an white half long sleeve shirt, pink ankle jeans, and red sandals with two heart decorations. And 10-year-old who has purplish gray skin, lavender eyes, and dark purple short hair with light pink streak. She wore a greenish blue hoodie, black pants with yellow-colored stripes, and greenish blue and yellow sneakers. It was Api Apple, Pixel Bit, and Echo Five.

When Apple Bloom, Sweetie Belle, and Scootaloo saw them, they were stunned.

Apple Bloom: (Stunned) How?

Scootaloo: (Stunned) How did you find them?

Black Alpha: I found them out on the streets in Shanghai, China, abandoned and alone.

Sweetie Belle: Thank you, Black Alpha.

Apple Bloom, Sweetie Belle, and Scootaloo ran up to Api Apple, Pixel Bit, and Echo Five, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Clyde joined in on the hug, along with me, Nico, and Lincoln.

Me: Thanks, Black Alpha.

Black Alpha: It's in honor, young Master J.D. (to Clyde) Do you have something to say to them?

Clyde: Course, Black Alpha. (To the Young CMC) there's something you three should know, Apple Bloom, Sweetie Belle, Scootaloo, your mothers are one of my many future wives.

Api Apple, Pixel Bit, and Echo Five: That means… you're our father.

Clyde smiled, and that filled Api Apple, Pixel Bit, and Echo Five with joy, as he picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

And then, Clyde told everyone what happened. We were proud of what Clyde and Black Alpha did in reuniting Apple Bloom, Sweetie Belle, and Scootaloo with their kids, and they now has Clyde, a loving, strong, brave, and caring father in their life. As well as Black Alpha join the Team Loud Phoenix Storm as the Leader of The Heroic Elementals.

Me: Boy this is a festival Naruto would love.

Qin: He sure would! Wow so many awesome venders.

Nico: I know. The Ramen Festival is awesome. It's amazing that there are so many kinds of ramen out there.

Camie: It sure is awesome.

May: Boy it sure is awesome.

Haiku: I think it's cool too.

Tsuyu: Boy this is my kind of festival.

Misty Brightdawn: It sure is awesome and amazing.

Varie: Boy I'll say. Look at all these kinds of ramen they have.

Leo Corbett: I think it's awesome too.

Xenia: It sure is.

Nico: Leo, I want to thank you, El Diablo, and your teams for coming.

Leo Corbett: No problem Nico. It's awesome going with you on this.

Nico: Ophelia, remember when I First met you?

Ophelia Nefertiti: I sure do. But it's Lincoln that actually met me. I'm one of his community college buddies.

Qin: That is awesome.

Ophelia Nefertiti: Yeah. I was helping him with a huge math test.

Nico: Wow that is cool.

Camie: It sure is.

Ophelia Nefertiti: I sure am.

Qin: That is so awesome.

Lola: Yep.

Nico: The Chinese New Year was awesome though.

Nico: We got to destroy Shan Yu once again

Me: We sure did and it was perfect for the Chinese New Year too.

Xenia: That was so much fun.

Rarity: Oh it sure was darlings.

Camie: And we looked great in Chinese outfits.

Laney: We sure did. And it was awesome having Jumpy Ghost Face with us too.

Lana: It sure was.

Eddy: Too bad we couldn't kill Hayabusa. I was all set to have bird stew!

Me: It's all right. But Hayabusa will make a great friend.

Fluttershy: He sure will and I think Hayabusa is a pretty bird.

Xenia: He sure is.

Camie: I love the Falcon.

Lola: The falcon is the fastest bird ever.

Nico: It sure is.

Varie: Yep.

Nico: The law said that Mulan was to be executed for what she did. But Shang instead settled for a replacement who DID deserve death.

Eli: And that was Chi Fu. What a jerk!

Qin: Yeah no kidding! I can't believe that centuries ago we were killing women that did that and Mulan was just doing what she could to save her father.

Xenia: No kidding! Chi Fu was a monster.

Camie: He sure was. He had no love for women at all.

Twilight Sparkle: That is for sure. But I'm glad he is gone.

Stanford: Thanks for letting me join you guys today. Especially with Kryosis still on the loose.

Me: No problem Stanford.

Camie: But it's awesome that we're going after Kryosis.

Me: And we go after Krytus himself after that.

Nico: Yep.

Laney: This is gonna be good.

Nico: I have a feeling he's not the only one we're fighting before Swartz's creations.

Me: I have that same feeling too.

Varie: Yeah.

We got to trying all sorts of flavors of ramen. We tried meat flavors, vegetable flavors, fish flavors, even dessert flavors. They all were delicious and awesome.

Nico: (Slurps up Chocolate Ramen) Mmm! Yummy!

Me: (Slurps up Vanilla Ramen) Mmm!

Laney: (Slurps up Mint Chip Ramen) Mmm! Delicious!

Nico: Let's get some for Naruto.

Me: He'll love that.

We got lots and lots of amazing flavors of ramen. They came in a lot of boxes.

Naruto was gonna be set with ramen for a long time.

Nico: That is a lot of ramen.

Me: Not for someone like Naruto and Hinata.

We laughed.

Xenia: That is true.

Nico: I'm gonna leave Poromon, Poliwag, and Buzz in charge of the Estate again while we get things ready. But this time, we'll leave Manaphy, Horsea, and Kirby with them to keep an eye on them!

Qin: I get it. If they throw a party we'll catch it in the act.

Nico: Yep.

Me: Very clever.

Lola: Nice.

Camie: Nice.

Me: Hopefully there won't BE a party this time.

Nico: Yeah.

Maria: Or bathroom doors that don't lock.

Qin: I agree.

Varie: Yeah.

We left the convention and we got to the lobby of the Convention Center. Then we heard screaming and then out came MANFISH THE FISH MAN!

---

Manfish the Fish Man is the self-appointed protector of the Fickle Sea who debuts in the Mighty Magiswords TV episode, Potion in the Ocean. He is voiced by Bill Kopp.

In his debut appearance, Potion in the Ocean, he slaps Witchy

Simone for trying to steal the eye of the one-eyed newt. The Warriors for Hire and Simone begin to brawl with him until Prohyas decided to try negotiation. Manfish stated that all he wanted was to make sure the newt's not harmed. The Warriors try to figure out on how to solve it. After deciding to take the newt's eye and replacing both his eyes with Zombie Pumpkin's eyes, Manfish reluctantly lets them go.

In his second appearance, Biggest Fan, Glori throws rocks at him in order for him to attack her so the Warriors could save her. At first he tried to ignore her but Glori's repetitive nature influenced him to capture her and charge her for disturbing the sea. The Warriors later saved Glori and apologized to Manfish, who was injured by a boulder stuck to his face.

In Strange Nedfellows he appears to take the Queen Salmon for her own safety (despite her protests) and attacks the Warriors and Neddy with a giant monster comprised of various sea creatures, which is then eaten by a ravenous Neddy.

In Pachydermus Interruptus, towards the beginning of the episode, he battles the Warriors for Hire because Grup stole a goldfish from the Fickle Sea, which turns out that Grup won the goldfish, named Gwendolyn, from a carnival game. While facing the warriors, he began to gasp for water being unable to breathe. The Warriors hand him a glass of water, and he vows to return after lunch. Later in the episode, he reappears inside the mouth of a bear, dubbed as Manfish Bear the Bear Manfish giving a final warning on the return of the goldfish, as well as claiming that his new transformation gives him a new outlook on life. He becomes further enraged and shocked upon seeing Grup eating Mr. Pachydermus' tuna fish sandwich in front of Gwendolyn and proceeds to attack the Warriors. The Warriors defeat Manfish, causing the bear to spit Manfish and kick him away while walking off-screen.

In Unconventional Dolphinism, he hosts a panel during Dolphin Con. Prohyas, depressed from being separated from Dolphin Magisword, asks Manfish if they are friends. Manfish denies this due to their differentiation in species. He hears the cries of Janet the Sealdebeast, who is being interrogated by Vambre and Witchy Simone over the Narwhal Magisword, and jumps into the Fickle Sea to stop them. Eventually, a giant flying fish swallows Janet and Manfish chases after it.

Powers

Marine life creation: Manfish seemingly has the ability to generate random aquatic creatures, which he uses as weapons.

Semi-aquatic physiology: Manfish can breathe underwater unaided.

Origin

Manfish the Fish Man throughout the years Left to right: 1992, 2014 and 2016-present

Manfish is one of the oldest characters Kyle Carrozza created that later transitioned to Mighty Magiswords. Kyle created Fish Man in 1992 as an entry for then-Nintendo Power's contest for new characters for Mega Man: Robot Masters. 22 years later, Kyle discovered a folder full of old drawings and decided to redraw him.

---

Nico: Wait is that?

Lana: That's Manfish!

Manfish: (French Accent) Ahh ze famous Team Loud Phoenix Storm. Pleasure to meet all of you monsieurs and mademoiselles.

Me: Pleasure to meet you too Manfish.

The ladies then came and gathered around him and were entranced with his French accent.

Manfish: Yes yes ladies I know zat French is ze language of love.

Me: You are quite the ladies man Manfish.

Nico: Eli, sense if any of Swartz's creations are here.

Eli: Right.

He concentrated.

Lana: Been a while Manfish. You're looking good.

Manfish: Ahh same to you mademoiselle Lana. You have gotten stronger since we last engaged in battle.

Lana: I sure have.

Me: We all have.

Eli: Swartz's creations are close. 15 klicks and closing.

Nico: What about Kryosys? Is he close as well?

Manfish: Ah Monsieur Kryosis of ze Red Sentients? Oui he is.

He came out.

Nico: Kryosys.

Stanford: So you are working with Manfish.

Xenia: Yep.

Kyrosys: You didn't think Manfish was by himself, did you?

He then summoned the Synthrax and got into it.

Stanford: No. We didn't.

Stanford got into the Reverb.

Me: Go get him!

Stanford: With pleasure!

I put up a force field to protect the building from damage.

Nico: This is gonna be good.

Me: Lets do it! (SPINS MAGISWORD BRACELET)

FISHSTICK MAGISWORD!

I fired fishsticks and smashed Manfish down.

Me: By the way Manfish your French Accent really has a lot of ladies frolicking to you.

Qin: You are quite the lady magnet too.

Kyrosys fired flare wheels of fire at Stanford but he fired back with Sonic Blasts.

Eli fired Force Lightning blasts at Kyrosys and smashed him down.

Xenia fired arrows and blasted Kyrosys down and Stanford stopped and they tied him up.

Lola: Nice!

Manfish: Zat was a great battle with Monsieur Kyrosys.

Me: It sure was. How about this too?

RAMEN ARCHERY MAGISWORD!

Nico: Ramen Archery Magisword? Cool!

Me: Got it from Nohyas.

I fired ramen noodle arrows and they hit Manfish and smashed him all over.

Me: Nice!

Camie: And how about this?

JAWBREAKER MAGISWORD!

She fired Jawbreakers as big as the ones that Ed, Edd N Eddy like and smashed Manfish all over.

Nico: Had enough?

Manfish: (Spits out teeth) Oui. (Raises white flag) I surrender.

Eli: Good choice.

We tied him up.

Me: You 2 would be perfect for our frenemies in the M.O.E.

Lola: I agree.

Me: Now we just have to face Swartz's creations.

Stanford: At least I got to battle Kyrosys one last time.

Me: You sure did.

Then I saw a glow and it was from the Rock Band of Bremen book.

Me: The Rock Band of Bremen book is reacting to something.

Qin: That means we're going to face a musical one.

Nico: Like that one?

We saw a figure come out and it looked like Frankie Jupiter but with black hair. It was Another Rock Band of Bremen!

Nico: Whoa!

Lana: Wow this one looks like a black hair version of Frankie Jupiter!

Camie: Yeah!

Me: But it's Another Rock Band of Bremen.

Nico: Very fitting.

Maria: Yep. And you are?

Another Rock Band of Bremen: (In a girls voice) I think J.D. knows me.

Me: (GASP) That voice.

She reverted back and it was a girl that had aqua green hair and had red, green and blue Sailor clothes and had blue and green Angel Wings.

Me: (GASP) Wanda Enchantra A.K.A. Sailor Enchanted Dominion.

Nico: Whoa! Enchanted Dominion's Sailor Soldier.

Eli: Cool! The Sailor Soldier of the World of Sleeping Beauty!

Sailor Enchanted Dominion: That's right and J.D. it's great to see you again.

Me: You too Wanda.

Sailor Enchanted Dominion: I heard that you guys all killed Maleficent and for that I am grateful for that.

Me: The Prime Universe version of her. But the one from universe 666 is in our frenemies.

Sailor Enchanted Dominion: That I can live with. Also 2014's version is cool too.

Kaito: You'll be happy to know that I personally helped kill Maleficent.

Sailor Enchanted Dominion: I am glad you did Kaito.

Me: Maleficent is Disney's most evil and most iconic villain.

Qin: She sure is.

Sailor Enchanted Dominion: That's right. But she was born good just so you know and she once had wings as you know.

Me: That is true. 2014's version of Maleficent told us all about that. But we were shocked to see that the roles were flipped in that one. King Stefan was bad and Maleficent was good. Confusing.

Sailor Enchanted Dominion: I know. The one from 1959 was pure evil to the brink.

Nico: The Prime version of Maleficent was also the leader of a group of Disney villains.

Me: Then again that was no surprise there.

Sailor Enchanted Dominion: I know. But you guys destroyed all of them and I am forever grateful.

Me: The prime universe versions of the villains are all gone.

Eli: Thank goodness for that.

Qin: Yeah.

Nico: No kidding.

Me: Sorry we have to fight like this though Wanda.

Sailor Enchanted Dominion: I know.

Me: Any other opponents with you?

Sailor Enchanted Dominion: Actually yes. Another version of him.

She pointed to El Diablo.

El Diablo: Another Version of me!? Ay Caramba!

Me: This will be interesting. Friendly or hostile?

Sailor Enchanted Dominion: Friendly and it's someone that Sailor Venus knows all too well.

Me: Hmm. Interesting.

Shanan: Wait a second. Could it be?

Nico: Hades, on the other hand, is in the Masters of Evil.

Sailor Enchanted Dominion: (LAUGHS) That guy always cracks me up and I heard he is Anna Knudson's archenemy.

Qin: Yeah he sure is. And he does crack us up.

Eli: It's even funnier when I sneak up behind him and blow his hair out like a candle.

Sailor Enchanted Dominion and us laughed.

Me: (LAUGHS) That cracks us up every time Eli.

Nico: That sure does.

Sailor Enchanted Dominion: Yeah. Shall we dance?

Qin: Yes we shall and I wiill face you. I loved the movie Sleeping Beauty ever since I was a little girl. Both the 1959 and 2014 versions are great.

Sailor Enchanted Dominion: They sure are. Lets dance.

She turned into Another Rock Band of Bremen.

Qin flew at her and fired waves of fire and blasted her down and I caught the Wonder Ride Book she had and it was called the Dark Band of Temptation. It glowed and it formed into a new book called THE BAND OF STELLAR SALVATION!

Me: Cool!

I went and picked up Sailor Enchanted Dominion and brought her over.

Maria: One down.

Nico: And one to go.

Then we saw a figure come in and it was a version of El Diablo made of black fire! It was ANOTHER EL DIABLO!

Me: Whoa! Another El Diablo!

Qin: Whoa! This one has black flames as hot as the sun!

Xenia: Deadly!

Nico: Yeah!

Me: You know Sailor Venus right?

Another El Diablo: (In a girls voice) (British Accent) Yes I sure do.

Shanan: (GASP) I knew it. Katarina it is you.

Another El Diablo: That's right Shanan.

She reverted back and it was Sailor Venus's friend from INTERPOL, Katarina!

Shanan: Oh man. Sailor Venus is gonna be really pissed at Swartz for this even though he is dead.

Katarina: I know. I heard he is dead now.

Me: That's right. We gave him the Black Gates and he is gone forever.

Nico: Nonetheless though Sailor Venus will be glad that you are back.

Shanan: Yeah.

Katarina: I am happy that I'm gonna see Mina again.

Me: I heard from Mina that you are one of the few people that know about her being a Sailor Soldier.

Katarina: That's right.

Me: Oh boy.

Katarina: I was turned into that creature too.

Shanan: You were turned into what was called a Glaucusian

Katarina: What is a Glaucusian?

Shanan: They are butterfly humanoids from the planet Papillionus. It's a forest planet located 76,240 light-years away from Earth. They are a peaceful race that are widely known for their loving and healing nature and can only attack when provoked at a certain level.

But it was destroyed when a massive gamma ray burst from a far away galaxy struck it and completely destroyed it.

Katarina: Wow! That is amazing.

Nico: It sure was. And Gamma Ray Bursts pack more power than that of a supernova explosion.

Sougo: (gets out Grand Zi O Ridewatch) Did Swartz promise you anything?

Grand Time! (Orchestral rock music) Kuuga, Agito, Ryuki, Faiz, Bla~de! Hibiki, Kabuto, Den-O, Kiva, Deca~de! W! OOO! Fourze~! Wizard, Gaim, Drive~! Ghost! Ex-Aid! Build~! Iwae! Kamen Rider~! GrandZi-O~!

Geiz: (gets out Geiz Majesty Ridewatch) Because we can grant it instead.

Majesty Time! G3, Knight, Kaixa, Garren, Ibuki, Gattack~! Zeronos, Ixa, Diend, Accel~! Birth, Meteor, Beast, Baron! Mach, Specter, Bra~ve! Cro~ss-Z! Kamen Rider~! GeizMaje~sty!

Sougo became Grand Zi O while Geiz became Geiz Majesty.

Katarina: Just to bring Chato Santana back to jail. But I heard he is with the M.O.E.

El Diablo: Indeed. But it's good to see you again Señora Katarina.

Katarina: You too Chato.

Me: How do you two know each other?

Katarina: I helped Mina bring him to jail the first time when she turned into Sailor Venus.

Me: That's amazing!

Nico: Yeah we had no idea that you brought him to prison the first time.

Katarina: Yeah.

Me: Sorry we have to fight like this Katarina. But it's the only way to save you from this.

Katarina: I know. But it will be good to be reunited with Mina again.

Me: It sure will.

She turned into Another El Diablo!

Kaito and Zocks: Zenkaiju Gear!

They donned their Zenkaiju armor!

Leo Corbett: GO! GALACTIC!

He turned into his Red Lost Galaxy Ranger form!

Nico: YEAH!

Qin: Oh yeah!

Nico: (gets out El Diablo's Ridewatch) Is it hot in here? Or is just me?!

Me: It's not just you Nico. I'm hot too.

Nico activated it and fired a blast of fire and blasted down Another El Diablo.

Me: Here's a cool one.

MARSHMALLOW STAFF OF FLAMES!

I got a Flaming Marshmallow Staff!

TOASTED MARSHMALLOW MAGISWORD!

I fired flaming marshmallows and smashed her down.

I smashed Another El Diablo down with the Flaming Marshmallow Staff.

Nico: (gets out Fire Lord's Ridewatch) Time for more heat!

He activated it and got an intense fire aura.

Me: Ooh don't mind if I do.

I put marshmallows on a skewer and cooked them on Nico's aura and they were toasted and I made s'mores.

Me: S'mores anyone?

Applejack: Hey thanks sugarcube.

They got some and ate them.

Me: Now for this.

BACON MAGISWORD!

I fired waves of bacon and smashed her down and Nico fired waves fire and smashed her down.

Me: Mmm!

I fired bacon into my mouth and ate it.

Me: (Eating) Mmm!

May: (gets out Demon Peter Puppy's Ridewatch) It's like I'm using Peter Puppy's powers.

Me: Sure feels like it. And this will be funny too. (Gets out Progrise Key)

EARTHWORM JIM'S HOMING SMASH MISSILES!

I got out a Homing Missile Gun and May activated it and turned into a DEMON VERSION OF HERSELF! She roared and jumped Another El Diablo and smashed her all over in a brutal fight cloud and I fired houses and smashed Another El Diablo down and I tickled's May's armpit and she reverted back with a belch.

May: Thanks J.D.

Me: No problem.

May: (gets out Fire Geargolem's Ridewatch) Buddy, you're fired!

Me: YEAH! Try this too.

DONUT FLAME MAGISWORD!

I fired waves of flaming donuts and bashed her all over and May activated the ridewatch and fired waves of fire and smashed her down.

Me: Mmm donuts.

Nico: (LAUGHS) That's funny,

Me: Homer would love this one.

GUATEMALAN INSANITY PEPPER MAGISWORD!

Nico: Uh oh.

I fired Guatemalan Insanity Peppers and they went into Another El Diablo's mouth and she screamed in agony.

Maria: GEEZ!

She fired waves of water into Another El Diablo's mouth and steam exploded out and she was relieved.

Qin: GEEZ! That was potent.

Me: Spicy too.

Maria: (gets out Volcano Lord's Ridewatch) I want in on the fire action!

Maria activated it and got Volcano Lord's staff and she fired fireballs and they hit Another El Diablo and burned her all over.

Me: Nice! How about this too.

ULTIMEATUM MAGISWORD!

Nico: Cool!

I fired Ultimeatum Burgers into Another El Diablo's mouth and she got stuffed fast and then released a massive belch!

Another El Diablo: (LOUD MONSTROUS BELCH)

She really let out a huge belch!

Qin: WHOA! Nice one!

Another El Diablo: That was so delicious.

Me: It's the Ultimeatum. Mordecai and Rigby's favorite and ours too.

Nico: Nice one.

Maria: (gets out Falkar's Ridewatch) Now for this!

She activated it and fired waves of feathers and they stuck into Another El Diablo and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

They exploded in a massive fiery explosion!

Qin: WHOA!

Camie: Deadly!

Me: Falkar's deadliest power is feather bombs.

Qin: Yep.

Ophelia Nefertiti: Now for me. (ACTIVATES FIRE LORD'S RIDEWATCH)

She fired waves of fire and fireballs from her wings and smashed Another El Diablo down.

Then Count Spankulot came!

Count Spankulot: (Transylvanian Accent) Those who impersonate other Masters of Evil villains are bad and must be punished! Prepare to feel the stingy wrath of COUNT SPANKULOT! And his awesome team! (LAUGHS EVILLY!)

He had Lady Quark, Red Claw (DC), Anti-Tooth Fairy, Big Bad Wolf (Super Mario Show) and Count Burns with him.

Nico: Nice team, Spankulot!

Count Spankulot: Thanks Nico! It's amazing!

Me: It sure is and it will be good! Gentlemen Start your paddles!

OL SPANKFUL MAGISWORD!

(WHAP!) (SCREAM OF PAIN!)

We got out spanking paddles and jumped her and spanked Another El Diablo bad! OUCH!

Maria: Is the next Gene Slammer near?

Qin: I think it's already here. Look who's hugging me.

A Sudowoodo was hugging Qin.

Me: Whoa a Sudowoodo.

Nico: Cool!

Me: I hope this one doesn't cry as loud as Brock's does.

Sudowoodo: (In a girls voice) (Japanese Accent) Don't worry I don't cry like that.

Nico: Naoko Yamaguchi!

Qin: Wow it's awesome to see you but you can stop hugging me now.

Sudowoodo: Oh sorry. I got this.

She fired an energy ball and smashed down Another El Diablo and she was back to normal and I caught the ridewatch and purified it and Shanan went over and picked Katarina up.

Ophelia: What's your favorite memory of Nico?

Sudowoodo: My favorite is where me and Nico pulverized the Yakuza in a wearhouse and we kicked their butts and smashed them all over and then brought them to death row.

Xenia: Nice!

Qin: Yeah!

Nicole: Take that Yakuza dirtbags.

Lola: Yeah!

Me: Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a green leotard.

The boys covered their eyes.

I then snapped my fingers and she reverted back.

She was a girl with green hair and green eyes and she put on the leotard and got up.

Naoko Yamaguchi: Oh man. That was intense.

Nico and Naoko hugged.

Nico: I really missed you.

Naoko Yamaguchi: Me too Nico. Me too.

We later went back home.

Lincoln: Wow, we're here in the east of Gotham Royal York, and I know what we're going to do here, not only am I going to rescue the four girls here, but we're finally going to take down Principal Huggins' Dark Side whom we call Killjoy Huggins, and we're going to have him be part of the humiliation fodder for all eternity.

Shayla Sigmar: Finally, the day has arrived, that stupid killjoy is finally going to get his just desserts for all the crap he's put Lincoln through.

Sheila Thatcher: (Australian Accent) Too right, mate. That dumb killjoy has tormented Lincoln for far too long.

Nico: After everything we'd heard from you girls about what that killjoy has done to him, I think it's time we got rid of Killjoy Huggins by removing him from Principal Huggins for good.

Me: And having him humiliated for all eternity, that's basically karma for everything he's done in the past.

Lincoln: That's right, and I don't want my kids to suffer the same kind of mistreatment at his hands, so we get rid of Killjoy Huggins and put him through all sorts of humiliations for eternity, and I want to thank not only you for joining us, Superintendent Chen, but also, you and your team for joining us, Cole.

Cole: You're welcome, Lincoln.

Superintendent Chen: And I'd heard from your mom about that book your Guardian Angels made and it details all of Huggins' crimes against you. Can I take a look?

Rita: Got it right here.

Rita gave the book to Superintendent Chen, and when she read every last page detailing every last one of Huggins' crimes against Lincoln in the past, she was furious, but not surprised.

Superintendent Chen: That good-for-nothing Killjoy, I don't know what I was thinking when I hired him, but all of you made him a good person. I do not tolerate this awful behavior to children. Especially amongst the staff! But, like Lincoln said, we need to get rid of his Dark Side, so that way, no one else would have to suffer that kind of mistreatment, not even his kids.

Lincoln: Right.

We arrived at the school, and we asked Principal Huggins to meet us outside, which he did, and he was surprised to see us all here.

Principal Huggins: This is quite a surprise, what brings you here?

Lincoln: Sorry, Principal Huggins, but you know why we're here: we're here to get rid of your Dark Side, the one who's tried numerous times to ruin my life all those years ago.

Me: Yeah, we know you've been doing good, but that Dark Side of yours absolutely needs to go now.

Nico: Just take it easy, we're not going to hurt you.

?: (Girl's voice) That's not for our case!

Suddenly, we saw a beautiful girl with short purple hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the sigil of Shub-Niggurath on her forehead, she has on a sleeveless midnight black open blouse, sleeveless midnight black midriff top, midnight black skirt with the symbol of Cthulhu on it, midnight black pants, midnight black high-heeled boots, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Shub-Niggurath and holstered on her back is a massive Shub-Niggurath-themed greatsword with embedded red gems and Shub-Niggurath etched on the 7'0" massive, wide, double-edged midnight blade, large black goat heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black goat heads with curved tentacles and large red gem on the bottom of the large goat heads for the pommel.

Then, we saw Blue-Eyes Ultimate Dragon also arrive, and with them are the four girls.

Nico: Whoa, that's Blue-Eyes Ultimate Dragon and the fifth incarnation of the Cthulhu Mythos entities.

Blue-Eyes Ultimate Dragon: (Girls' Voices) You got that right, and we got the four girls who were tied up in the basement, and that stupid killjoy was waiting for you when you guys arrived, so he can kill you all and them.

Lincoln: (Gasps) Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto, I knew it was you four, it's awesome to see you both again, but we'll talk later. Nico, J.D., Eli, grab him and don't let him get away!

We grabbed Principal Huggins.

Me: Sorry Principal Huggins but this is for your own good.

Lincoln: Looks like we got here just in time. Girls, shall we?

Lincoln's Guardian Angels and his entire harem stood with him, and they decided to do something to force Killjoy Huggins into the open.

Lincoln and Lincoln's Guardian Angels: THE JIG IS UP, KILLJOY HUGGINS, NOW GET OUT HERE AND FACE YOUR PUNISHMENT!

Suddenly, Principal Huggins groaned as he clutched his head in pain, and then, a large black mist of darkness escaped, and it landed on the floor, and it took on the shape of Principal Huggins, but he has red eyes of hatred and he was glaring at Lincoln and his Guardian Angels with hatred: it was none other than Killjoy Huggins, the killjoy monster responsible for trying to ruin Lincoln's life and mistreated him all those years ago.

Shayla Sigmar: I should've known we'd run into you yet again, you miserable killjoy.

Sheila Thatcher: (Australian Accent) You remained hidden for years, but now, we're going to see to it that you never come back again.

Killjoy Huggins: YOU! YOU'VE RUINED EVERYTHING! IF ALL OF YOU HADN'T GOTTEN IN MY WAY, I'D FINALLY BE RID OF THAT STUPID LINCOLN LOUD ONCE AND FOR ALL! I HATE YOU, LINCOLN LOUD, I HATE YOU, I HATE YOU, I HATE YOU! HATE! HATE! HATE! HATE! HATE! HHHHHHAAAAAAAAATTTTEEE!

Lincoln's rainbow energy aura flared up extremely as it exploded with extreme power and force as he really gained a massively extreme power boost from Killjoy Huggins' hatred.

Lincoln: Keep hating me all you like, you miserable old grouch, but your hatred's continuing to make me stronger, and now, it's time we ended this once and for all! Come on, gang, let's get him!

Me: Now that you are out in the open we don't have to worry about ending you for good!

We went at him and smashed his face in!

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, TLPS Mr. Wolf transformed into his Super Angel-Wolf-Harmony Celestial Eternal Xelnaga form and the rest of The TLPS Bad Guys Gang transformed into their Super Angel Celestial Eternal Xelnaga forms and they unholster their massive greatswords, The Dynasty Warriors and Samurai Warriors unholstered their weapons, Lincoln's sisters and parents transformed into their Super Angel Celestial Eternal Xelnaga forms and unholstered their massive greatswords from their backs, Lincoln's harem unholstered their massive swords from their backs and transformed, Sherlock Hound transformed into Super Angel Xelnaga Eternity Infinity Stellar Darkness Demon Hound of Divine Demonic Darkness Compassion and Divine Demonic Dark Demon Hound Justice, and he unholstered his massive Sparda's Demonic Fang Greatsword of The Demon Hound from his wider and more muscular back, Crash Bandicoot unholstered his massive Skylands' Elemental Wolf Draconic Bandicoot Greatsword of Ten Elemental Justice and Eternal Skylanders Bravery from his wider and more muscular back and transformed into Super Angel-Bandicoot-Dragon-Harmony Celestial Eternal Xelnaga Elemental Knight Skylander Draconic Bandicoot Angel of Divine Ten Elemental Skylanders Justice and Divine Ten Elemental Skylanders Bravery, Max Goof unholsters his massive Gabriel's Eternal Unbreakable Bonds of Friends and Angels Archangel Keyblade from his wider and muscular back and transformed into Super Angel-Archangel-Harmony Celestial Eternal Xelnaga Heavenly Lightstorm Keyblade Phoenix Angel of Divine Heavenly Light Archangel Justice and Divine Heavenly Light Justice, Norbert Beaver unholstered his massive Hydros' Primordial Maelstrom Ocean Beaver Greatsword of Primordial Maelstrom Justice and transformed into Super Angel-Beaver-Harmony Celestial Eternal Xelnaga Oceanic Maelstrom Primordial Water Beaver Angel of Divine Oceanic Primordial Water Justice and Divine Oceanic Maelstrom Primordial Water Compassion, Yakko, Wakko, and Dot transformed into their Super

Then, Lincoln's Guardian Angels and his harem had their turn by viciously pulverizing Killjoy Huggins and blasting him all over the place, Shayla Sigmar fired a powerful fire blast which burned his toupee to ashes, and that really ticked him off, but then, Lincoln punched Killjoy Huggins hard in the stomach and he went down like a pile of bricks. Then, Lincoln tied him up in a rainbow energy straitjacket and rainbow energy chains, so he couldn't escape, and Superintendent Chen walked up to him angrily.

Superintendent Chen: I've been wanting to say this to you for a very long time. Due to the reports of what I've heard from The Guardian Angels of Lincoln Loud and based on documented evidence that they've recorded on your crimes, you have violated your code of conduct and too many rules, and even worse, you tried to kill an innocent student just because of your hatred of him. Killjoy Huggins, you truly are a pathetic, miserable, rule-stickling, unfair piece of work, and for everything that you've tried to do to Lincoln Loud, YOU ARE FIRED!

Lincoln's Guardian Angels and everyone here cheered wildly, and this horrified Killjoy Huggins, but the look of horror turned into out-of-control hatred, as he screamed wildly and angrily, as he tried to get out of this. But, then, Lincoln walked up to Killjoy Huggins, and he lifted his large left hand, and then, a green octopus head with red gems for eyes appeared on top of his large gold cuff Bracelet of The Champions of The Universe, and as the red gem eyes glowed, an eldritch language was said and it hit Killjoy Huggins and he really lost his mind.

Nico: WHOA!

Me: HOLY CRAP! AND I DIDN'T EVEN USE MY BRACELET OF CTHULHU!

Callista Cthulhu: Nice one, Linky. Someone, get him out of here!

Legoshi suddenly arrived and grabbed the now insane Killjoy Huggins, and he dragged him to Lynn's Table and chained him up with rainbow energy chains to his post. We cheered as we holstered our weapons and powered down.

Nico: Holy cow, Lincoln, that was awesome! But, how did you acquire your own Bracelet of Cthulhu?

Lincoln: Remember how I've been feeding on the blood of The Incarnations of The Cthulhu Mythos deities? Well, I've found out that I've acquired many jewelry and weapons based on The Cthulhu Mythos deities.

Me: Whoa!

Nicholette Torrington: Yeah, he's been acquiring weapons and jewelry based on the Cthulhu Mythos deities because of feeding on the blood of The Incarnations of The Cthulhu Mythos deities, and that makes sense since he's been acquiring weapons and jewelry based on those who are in his harem by feeding on our blood.

Nico: That's right, now I remember. But, at last, we're finally done with Killjoy Huggins for good.

Lincoln: You got that right, and Principal Huggins is freed from that killjoy nutcase. (To Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto) And it's so good to see you again, Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto.

Takara Neobāsuto reverted back to normal, and she's a beautiful girl with long bubblegum pink hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful bubblegum pink angel wings and she reigned in the power of Blue-Eyes Ultimate Dragon, she's dressed in a white and pink school uniform shirt, pink skirt, socks, blue shoes, and long white sleeveless trenchcoat with lightning, light, and dragons on the coattails and on the back is Blue-Eyes Ultimate Dragon and holstered on her back is a massive Blue-Eyes Ultimate Dragon-themed greatsword with embedded blue gems and Blue-Eyes Ultimate Dragon etched on the 7'0" massive, wide, double-edged pink blade, large blue dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large blue dragon heads and large bubblegum pink gem on the bottom of the large blue dragon heads for the pommel.

Tomoko Neobāsuto reverted back to normal, and she's a beautiful girl with long emerald green hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful emerald green angel wings and she reigned in the power of Blue-Eyes Ultimate Dragon, she's dressed in a white and emerald green school uniform shirt, emerald green skirt, socks, blue shoes, and long white sleeveless trenchcoat with lightning, light, and dragons on the coattails and on the back is Blue-Eyes Ultimate Dragon and holstered on her back is a massive Blue-Eyes Ultimate Dragon-themed greatsword with embedded blue gems and Blue-Eyes Ultimate Dragon etched on the 7'0" massive, wide, double-edged pink blade, large blue dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large blue dragon heads and large emerald green gem on the bottom of the large blue dragon heads for the pommel.

And Toshiko Neobāsuto reverted back to normal, and she's a beautiful girl with long honey orange hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful honey orange angel wings and she reigned in the power of Blue-Eyes Ultimate Dragon, she's dressed in a white and honey orange school uniform shirt, honey orange skirt, socks, blue shoes, and long white sleeveless trenchcoat with lightning, light, and dragons on the coattails and on the back is Blue-Eyes Ultimate Dragon and holstered on her back is a massive Blue-Eyes Ultimate Dragon-themed greatsword with embedded blue gems and Blue-Eyes Ultimate Dragon etched on the 7'0" massive, wide, double-edged pink blade, large blue dragon heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large blue dragon heads and large honey orange gem on the bottom of the large blue dragon heads for the pommel.

Selena Shub-Niggurath: You too, Lincoln.

Takara Neobāsuto: It sure has been a very long time since we last met.

Lincoln went up to Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto and he hugged them, and Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, Selena, and I also haven't seen you or your sisters when we were six, and as you all can see, I really grew a lot since then.

Selena Shub-Niggurath: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Takara Neobāsuto: You really grew a lot, but you're still the same kind boy we all met back when we were six, and Selena's right about that, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Tomoko Neobāsuto: You've really grown up to be a man, alright. No one, not even The Yakuza would dare to cross you again.

Toshiko Neobāsuto: Especially after you and the other Guardian Angels kicked their asses when they went after our dad.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, the first girl you see is Selena Shub-Niggurath, The Incarnation of Shub-Niggurath, she's my Guardian Angel from Massachusetts and my classmate in Math. Selena Shub-Niggurath is known as the most powerful of The Cthulhu Mythos incarnations, and Shub-Niggurath is also one of The Outer Gods in the Cthulhu Mythos: The Outer Goddess of Fertility, and Selena has the same powers as Shub-Niggurath herself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Shub-Niggurath's Dark Young Nebulous Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged into a dark forest, and they'll be driven them mad upon seeing The Dark Young of Shub-Niggurath, and even worse, should they dare see The Black Goat

With A Thousand Young appear, they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Me: Yikes!

Lincoln: Yeah, it's a really dark and deadly curse for those who are beyond redemption, and the three triplets you see here are Takara, Tomoko and Toshiko Neobāsuto, The Neobāsuto Triplets, they're my Guardian Angels from Japan and classmates in Science.

Nico: Awesome. But, I heard Tomoko mention The Yakuza, and I can guess it's not good.

Lincoln: You're right about that, Nico. See, their father was once part of The Yakuza, but he'd cut his ties with The Yakuza, but the members of The Yakuza didn't take kindly to that and plotted to kill him for his treachery. Luckily, for Takara, Tomoko, and Toshiko, my Guardian Angels and I took down The Yakuza before they could even try to kill their father.

Me: That makes three people who've taken down The Yakuza: me, Nico, and now, you.

Lincoln: You said it. Plus, The Neobāsuto Triplets may look the same, but the only to tell who's who is by their hair: Takara's hair is Bubblegum Pink, Tomoko's hair is Emerald Green, and Toshiko's hair is Honey Orange. To show thanks for saving their father from The Yakuza, Takara, Tomoko, and Toshiko each kissed me on the lips and even took me on a date at a magical girl convention while the girls each cosplayed as Sailor Moon characters, and Takara, Tomoko, and Toshiko even introduced me to magical girl anime starting with Sailor Moon when they were 6 years old. Their last name, Neobāsuto, means Neo Burst in Japanese, and we've been watching magical girl anime ever since. Plus, they're the nieces of Tatsu from The Way of The HouseHusband, so that also explains their nasty run-ins with The Yakuza, and they hate Icky Vicky with a burning passion.

Sailor Jupiter: That's so awesome. Plus, you've heard that some of the fellow Sailor Soldiers are part of Lincoln's harem, right?

Takara Neobāsuto: Yes, we did, Lida, and it's really cool that some of the Sailor Soldiers are part of Lincoln's harem, and I can guess that Clyde also has some Sailor Soldiers in his harem too, right?

Lincoln: You guessed it, Takara.

Selena Shub-Niggurath: And we're also glad that stupid Killjoy is finally put in his place and fired for good. (To Lincoln) Oh, Lincoln, there's something the Neobāsuto Triplets and I want to give you.

Lincoln: Let me guess, you four want to give me your blood, right?

Selena Shub-Niggurath: How did you guess?

Lincoln: Well…

Lincoln's Guardian Angels and his entire harem showed the bite marks Lincoln made on them when he marked them and fed on their blood.

Selena Shub-Niggurath: Whoa, and it's true that those you feed on: those you love won't be turned into vampires, but still, you marking them proves if they get messed with, you're heading right for the dumbasses who dared to anger you.

Me: That's right.

Lincoln first walks over to Selena Shub-Niggurath, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Selena Shub-Niggurath's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Then, he walks over to Takara Neobāsuto, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Takara Neobāsuto's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Then, he walks over to Tomoko Neobāsuto, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Tomoko Neobāsuto's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

And finally, he walks over to Toshiko Neobāsuto, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Toshiko Neobāsuto's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Takara Neobāsuto: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Selena Shub-Niggurath's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on Takara Neobāsuto's neck with bubblegum pink gems on the gold lightning bolts and pink crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck, an Elemental Thunderbird Necklace of Eternal Love appeared on Tomoko Neobāsuto's neck with emerald green gems on the gold lightning bolts and emerald green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck, and an Elemental Thunderbird Necklace of Eternal Love appeared on Toshiko Neobāsuto's neck with honey orange gems on the gold lightning bolts and honey orange crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto.

Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the four girls, and when Lincoln saw them, he recognized them immediately. The four girls are Eiko Tsukimi and Nanami Kuon from Paripi Koumei, Sakura Minamoto from Zombie Land Saga, and Shiba Yuzuha from Tokyo Revenger.

Lincoln: Oh wow, it's Eiko Tsukimi and Nanami Kuon from Paripi Koumei, Sakura Minamoto from Zombie Land Saga, and Shiba Yuzuha from Tokyo Revenger.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Eiko Tsukimi: Yes, we're okay, thanks to you.

Then, when Eiko Tsukimi and the other three girls saw who it was that saved them from the Dark Side of Principal Huggins, Killjoy Huggins, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of

Eiko Tsukimi: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made three clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Eiko Tsukimi: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, four Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Eiko Tsukimi, Nanami Kuon, Sakura

Minamoto, and Shiba Yuzuha with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Principal Huggins' Dark Side, Killjoy Huggins, the one responsible for trying to ruin Lincoln's life.

But, when Lincoln showed what happened such as him and his Guardian Angels calling him out and all of us beating him down and finally tying him up, along with Superintendent Chen firing that killjoy and Lincoln using his own Bracelet of Cthulhu on him which drove him mad before Legoshi dragged him to Lynn's Table to be used as humiliation fodder forever, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto have a lot of catching up to do, now that they're back in town.

Maria: Oh man, that punishing beatdown on Principal Huggins' Dark Side was a long time coming.

Lincoln: You said it, and Superintendent Chen really laid down the law on him when she fired him.

Rita: Not as much as you and your Guardian Angels did, honey. Plus, I got word from Superintendent Chen that Principal Huggins is doing okay now, but he'll have a major headache for the rest of the day.

Me: But, he's now a better person and his Dark Side is now humiliation fodder.

Nico: And Lincoln and his Guardian Angels delivered some well-deserved retribution on that killjoy for all the shit he's put Lincoln through.

Nicholette Torrington: That's putting it mildly, but yeah, you're right about that.

After finally taking down Principal Huggins' Dark Side, Killjoy Huggins, and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Selena Shub-Niggurath, Takara, Tomoko and Toshiko Neobāsuto saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Selena Shub-Niggurath: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Takara Neobāsuto: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Tomoko Neobāsuto: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Toshiko Neobāsuto: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Selena, Takara, Tomoko, and Toshiko, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Selena Shub-Niggurath: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Chandler. One day, Lincoln and I were at our Gym and Lincoln was doing some weightlifting, and it still surprised me to see how much weight Lincoln can lift. But, our day got rudely interrupted when Chandler showed up wanting Lincoln dead yet again. I was so mad at him, I wanted to use Shub-Niggurath's Dark Young Nebulous Curse on him, but before I could dare attack him, Chandler came after Lincoln again, but Lincoln dodged every last one of his attacks, and he delivered a mean left hook to Chandler's stomach and he went down like a sack of bricks, and he lifted Chandler up by the collar of his shirt and he tossed him into a mat-covered wall and he wound up knocked out. Then, Lincoln fired red energy beams from his white angel wings and tied Chandler up, and Lincoln called the cops on Chandler, who arrived and took him to jail again. After we finished our workouts, we went back home and Lincoln told everyone what happened, they wanted to press charges on

Chandler, but I showed them a video of what Lincoln did, and they were so proud, Luna, Leni, Laney, Lucy, Lana, and Lily especially.

Laney: Lincoln really put Chandler in his place that day, and he showed how much stronger he was really getting. This also made Lynn really mad and envious, but when Luna had her guitar and she'd threatened to smash her head in, Lynn zipped her big fat mouth.

Nico: Yeesh, you dare to make Luna mad, and she'll do more than just smash cymbals in your face.

Takara Neobāsuto: That's the last thing anyone would want, okay, now it's our turn, and there's one person who'd earned our hatred other than Icky Vicky: it was Lynn. One day, Lincoln, my sisters, and I were at the gym and we were doing some martial arts practice, and since Lincoln's been getting taller, not to mention bigger and beefier in muscle mass, I decided to advance his training even more with some advanced martial arts moves. But, our day got rudely interrupted when Lynn showed up wanting to kill us, and we were about to tear her limb from limb, but this time, Lincoln was with us, and we were finally going to deal with that violent meathead. Lynn came after us on all fours like the animal she is, but we pummeled Lynn hard, and we kicked her hard into a wall, but she got back up, and she roared like an animal again, she was about to pounce on us, but Lincoln fired a fire blast at her ponytail and burned it off, that caused her to freak out.

Tomoko Neobāsuto: But, that made her even more pissed off at us, and she roared again and beat her chest like a gorilla again, and was about to pummel us again, but Lincoln delivered a nasty punch to her face and sent her flying into a wall and she was knocked out.

Toshiko Neobāsuto: Then, Lincoln fired red energy beams from his white angel wings and tied that animal up, but as soon as we finished our workouts and showered, Luna showed up and she dragged Lynn home by her ponytail, and after we told them of what Lynn tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, Takara gave Lynn the bird through the window, and she roared and beat her chest like a gorilla again.

Nico: Sheesh, so Lynn was on another rampage again, and Chandler was out for Lincoln's blood yet again?!

Lincoln: Yep, but I really taught Chandler a lesson that day.

Takara Neobāsuto: Along with Lynn, what we all saw was literally a supreme and awesome display of boldness, bravado, bravery, and courage, and you were really dominant in putting those two in their place, and we warned Lynn if she ever went after Lincoln like that again, we'll enjoy seeing her sports career go up in flames as she's dragged away to prison to rot there forever.

We got a shower afterwards, and then, Lincoln, Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra are heading to Lake Lamode.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Lara Laramie: I always knew you'd pick Lake Lamode for our first date, Lincoln, it's really beautiful.

Lincoln: It always is, Lara. Shall we?

Lincoln, Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia

Alexandra dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went into an indestructible dome and they also had a game of volleyball, and Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra, and they hugged the girls in their abnormally massive and powerful muscular arms and Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Kurumu Kurono: Looks like someone had quite a fun time at Lake Lamode, eh, Linky?

Lincoln: (In Heaven) It was awesome!

Suddenly, five Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Lara Laramie, Cassandra, Melanie, Duplica, and Sophitia Alexandra with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Me: And I knew Lara, Cassandra, Melanie, and Duplica would wind up in your harem, Lincoln.

Cassandra Alexandra: Same with Sophitia, which also means you're now going to be the father of Pyrrha and Patroklos, Lincoln.

Nicole: That's really awesome.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Felipe Suarez of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Felipe Suarez of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Angelina Soulkius: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Felipe Suarez for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Let's go hunt down Felipe Suarez and end him for good.

Lincoln: Even though today's the anniversary of The 20 Days of Darkness, we still got to put that mad fanatic down for good before he gets after Maria Garcia and the rest of The Fabled Gene-Slammers.

Angelina Soulkius: (Spanish Accent) That's right, Linky. Felipe Suarez, you better say your prayers, because you deserve no salvation from God for your sins, for there is one thing that awaits you: Eternal Damnation.

Nico: And since we're holding the anniversary in the park, it's the perfect place to put an end to that Dark Santeria-practicing heretic

Lincoln put up a rainbow energy field to protect all of his kids as we left The World Tree Estate to hunt down that religious fanatic, Felipe Suarez.

We arrived at the park to hunt down Felipe Suarez of The Order of Nuestra Señora de la Santa Muerte.

?: (Spanish Accent) You and the rest of your friends, along with all of Team Loud Phoenix Storm, shall be sacrificed to Santa Muerte, Maria Garcia!

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Felipe Suarez.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Felipe Suarez, the next member of The Order of Nuestra Señora de la Santa Muerte.

Angelina Soulkius: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Felipe Suarez: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Angelina Soulkius' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Soulkius-themed greatsword from her back, and as she approached Felipe Suarez, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Angelina Soulkius: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Felipe Suarez. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Soulkius and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Angelina Soulkius was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Soulkius flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Angelina Soulkius emerged, but she was changed forever.

Angelina Soulkius grew from 6'5" to 7'4" in height, she has the body of a goddess, she has red highlights in the bangs of her long flowing midnight black hair, she has neon red eyes and a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels surrounding her and her three imps, she has Fabled Soulkius emblazoned on her forehead and Third Eye with red iris, she has imp earrings with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands, she also has Fabled Soulkius with red gems for eyes and holding the Light, Dark, and Eternity Kanjis in its hands on the bottom of her red imp-shaped Element of Harmony, along with the gold Thunderbird pendant of her Elemental Thunderbird Necklace of Eternal Love necklace with red crystal links from her merged Crystal Necklace of the Buddha and red gems on the gold lightning bolts and she also has on her new Elemental Thunderbird Choker Necklace of Eternal Love. Angelina Soulkius has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Soulkius surrounded by darkness and light and imps and on top of Fabled Soulkius is an anti-Sergio symbol. Suddenly, Angelina Soulkius felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Angelina Soulkius has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Suddenly, Angelina Soulkius' massive Fabled Soulkius-themed greatsword and all of the swords she'd gotten began merging together and they're surrounded by a kaleidoscope of black energy, darkness, light and dark magic, light, fiends, imps, and dark angels, and when it emerged, it was transformed into Fabled Soulkius' Darkness Light Fabled Imp Greatsword of Darkness Light Fabled Justice, it's a brand-new massive greatsword with embedded red gems and Fabled Soulkius etched on the 7'0" massive, wide, double-edged midnight black blade, large imp heads for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large imp heads with green gems and large red gem on the bottom of the imp heads for the pommel, she has on her large gold cuff Bracelets of The Champions of The Universe with red gems on her wrists, her Belt of Elemental Bravery with a gold version of Fabled Soulkius' head with red gems for eyes and a large red gem in its mouth for the belt buckle on her waist, large rainbow-colored leather and gold metal bound Elemental Spellbook of Harmonious Justice, Eternal Harmony, and Equestrian Peace and Talisman Cards of The Universe and Talisman Cards of Eternal Elemental Harmony on her right hip and Eater of Sins revolver holstered on her left hip. Angelina Soulkius has transformed into SUPER ANGEL-FABLED SOULKIUS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED SOULKIUS ANGEL OF DIVINE DARK FABLED SOULKIUS IMP JUSTICE AND DIVINE FABLED SOULKIUS IMP LOVE!

We were amazed by Angelina Soulkius' Super Angel-Fabled Soulkius-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Felipe Suarez saw it, he went insane and he got out his sacrificial knife to stab her, but Angelina Soulkius fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Felipe Suarez, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia:(Spanish Accent) Incredible, Angelina's transformed.

Lincoln: Yeah, and she really sent Felipe Suarez back with that energy blast she fired and that really pissed him off now, and Angelina, you look beautiful, how do you feel?

Angelina Soulkius: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Soulkius and Divine Darkness Light Fabled Soulkius Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Felipe Suarez once and for all?

Lincoln: (Smiles) With pleasure, Angelina.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Angelina Soulkius.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Felipe Suarez, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Angelina Soulkius and Lincoln went after Felipe Suarez, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Felipe Suarez and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Angelina Soulkius sent her three imps and Lincoln summoned his own imps and they sent them at Felipe Suarez, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Angelina Soulkius, her hand-cannon Blaster is known as Fabled Soulkius' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Soulkius surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Angelina Soulkius aimed their hand-cannon blasters at Felipe Suarez.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Felipe Suarez!

Angelina Soulkius and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Felipe Suarez and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Felipe Suarez and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Felipe Suarez and Lincoln sucked out his life force and he was reduced to a desiccated corpse, and when his spirit appeared, Angelina Soulkius and Lincoln gave Felipe

Suarez The Black Gates for good. We cheered as Angelina Soulkius and Lincoln holstered their massive greatswords on their backs and powered down, and Angelina Soulkius' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Angelina Soulkius: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Felipe Suarez for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Angelina.

Suddenly, Angelina Soulkius wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Angelina Soulkius' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Soulkius flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Angelina Soulkius absorbed the light and they came back to us as the display and Fabled Soulkius vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Felipe Suarez's death, now there are only fifteen members of The Order of Nuestra Señora de la Santa Muerte.

Angelina Soulkius: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Lucas Velasco, which means it'll be Regina Topi's turn.

Regina Topi: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation and Gene-Slammer are we meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Helena Hastur, The Incarnation of Hastur, and for the Gene-Slammer, I have an idea, how about a Gene-Slammer for Ultra Beetrooper Absolute Hercules.

Nico: An Ultra Beetrooper Absolute Hercules Gene-Slammer and The Incarnation of Hastur, nice.

Adriana Azathoth: You got that right, Nico. Helena Hastur is known as the most powerful of The Cthulhu Mythos incarnations, and Helena Hastur is also one of The Great Old Ones in the Cthulhu Mythos, and Helena has the same powers as Hastur himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Hastur's Yellow Sign Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged into a dark planet in the dark reaches of space, and even worse, should they dare see Hastur appear in his Avatar form, The King In Yellow, he'll mark the victims with The Yellow Sign, and they will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

Later it was time for Irena's final ambassador mission.

William: Anyone else want to go with Irena? Besides Ryotaro and Ruby Rose?

Captain America: Me and the Avengers will go.

Nico: Cool Steve.

Irena: This will be awesome!

Nico: Lets roll!

We opened the portal and we were off.

---

We arrived at Big Green HQ.

Lin Chung: Hey guys! Welcome.

Irena: Guys, these are Ryotaro Nogami and Ruby Rose.

Ryotaro: Awesome to meet you guys. Leader of the Den-O Riders.

Ruby Rose: And I'm the leader of the RWBY team.

Mystique Sonia: Awesome to meet you guys.

Me: And these are the Avengers.

Captain America: Awesome to meet you guys.

Mystique Sonia: Wait THE Avengers!

Black Widow: The very same.

Lin Chung: Awesome!

Me: Yep.

Lin Chung: Have I ever told you guys about the combined form of all the 108 heroes of Big Green?

Me: Wow!

Nico: We got to see this to believe it.

Irena: Looking forward to that.

Ruby Rose: Me too.

Wasp: That will be awesome to see in action.

Mighty Ray: But to form it, we need all the Big Green heroes in one place.

Me: That is gonna be a big gathering.

Nico: 108 heroes to make it. That is amazing.

Eli: It sure is. I wonder if we can do the same.

Ruby Rose: That would be awesome.

Spiderman: You got that right.

Lin Chung: Can't you already do so with that one Ultrazord?

Me: Yes we can. But we never have done it the way you guys did it.

Nico: It's awesome to try something new.

Lin Chung: True but that is a good point.

Eli: It would be awesome.

Mr. No Hands: We spotted the Zebra Brothers and Bearstomp very far from Highroller's HQ

Me: Highrollers right hand minions and enforcer!

Eli: Oh boy.

Me: Albeit incompetent minions. They deserve much better so for the final mission of Irena's missions we'll recruit them into the M.O.E. And I'll let Irena deliver her threatening message to him.

Irena: Ooh! I like it!

Nico: I will allow it.

Mighty Ray: Hope the Twin Masters see it too

Nico: Oh we'll make sure they do.

Me: Yeah. This war will end on March 14th.

Eli: It sure will.

Nico: Lets head out guys.

We got ready and we were off.

We then saw the Zebra Brothers and Bearstomp!

Nico: There they are!

Me: Time for an entrance!

We flew down.

Then…

MASSIVE FIERY EXPLOSION!

A massive fiery explosion blasted off above them and a phoenix cry was heard and we came out.

Me: Okay buttfaces, time for some buttkicking!

Bearstomp Roared!

Sparky White: Are we glad to see you guys!

Sparky Black: We're here to fight and join you guys?

Mystique Sonia: Really?

Me: Okay what's going on here?

Sparky White: High Roller really hasn't been right in the head.

Irena: Probably because we've been foiling his plans.

Sparky Black: No, this is way before you guys showed up and after the Twin Masters' first defeat.

Me: What do you mean?

Nico: Yeah what's going on?

Eli: Wait I sense it. They are telling the truth. High Roller is insane.

Sparky White: Before, his outbursts were usually funny.

Sparky Black: But now, it's like he's snapped!

Eli: That is weird.

Me: What was it that he was saying?

Sparky White: He said he's going to find a way to destroy Big Green if it's the last thing he does!

Me: He is really off the rails! Did he throw you guys aside like garbage?

Sparky Black: Yep.

Me: What a jerk! See guys I think we should give High Roller the Black Gates instead of sending his ass to prison.

Nico: You're right on that but like it or not we're sending him to prison.

Sparky Black: Oh, I agree. Because the Twin Masters might actually return. And THEY'RE more of a threat!

Me: I agree too. As much as I don't like it, You're right. Twin Masters is the Embodiment of Chaos and we need to destroy him big time.

Eli: Yeah.

Me: High Roller has completely lost his marbles.

Lin Chung: Yeah he needs to be thrown in jail.

Eli: Either way he needs to be stopped.

Ruby: (gets out Deker's Rider Ticket) Let's do this!

She activated it and got his sword and slashed the Zebra Brothers all over and then we fired waves of energy and blasted them down.

Me: You guys deserve much better than a jerkface like High Roller. How about you guys join the Masters of Evil? You will be treated with love and friendship instead of being like slaves.

Sparkly White: That's a great idea there.

Sparkly Black: I agree too.

Me: Good.

Ryotaro: (gets out Kyd Wykkyd's Rider Ticket) Come on, bear man!

He activated it and teleported and kicked him down.

Me: If I may ask, why did High Roller start this pointless war?

Sparkly White: Because he hates animals and humans being friends. Also he was told to do so by Twin Masters.

Lin Chung: (gets out Master Udon's Rider Ticket) Time to test this out!

He activated it and GREW REALLY MUSCULAR and punched Bearstomp in his stomach with devastating force and smashed him down.

Nico: OH YEAH!

Me: That was awesome! Your archenemy is Master Udon. (To the viewers) That one is made in honor of the late Pat Morita. He played as the sensei in the Karate Kid Movies.

Eli: One of my favorites.

Lin Chung: This is perfect for me!

Me: Glad you like it. Pat Morita will never be forgotten. May he rest in peace. One sec guys.

We did a moment of silence for the great Pat Morita and put our hands on out chests and had our hats off for him.

We got done and resumed.

We fired waves of energy and blasted them all over.

Me: Time to Air Out The Chocolate Garage!

I pointed my butt at them.

LOUD FART!

They really felt that.

The Zebra Brothers and Bearstomp gagged.

Sparky White vomited on Sparky Black.

Sparky Black: AWWW SICK!

Sparky Black vomited on Sparky White!

Sparky White: OH GROSS!

Me: Sorry!

Nico: Is the next Gene Slammer near?

Me: It should be…

Then something landed on my head.

Me: Oh!

I saw that it was a Jumpluff.

I picked it up and it was in my hands.

Me: A Jumpluff. Aren't you a cute and light as a feather one.

Nico: That one is a cutie.

Jumpluff: (In a girls voice) I sure am a cutie.

Nico: Helga Fern! Whoa!

Jumpluff: Awesome to see you again Nico.

Nico: You got this, right?

Jumpluff: You bet.

She fired a Solar Beam blast and knocked them all down.

Me: YEAH!

Irena: That was cool!

Me: Now for the grand finale.

Irena: To send a threatening message to High Roller.

High Roller was screaming in fury! He was mad! No he was now level 20 on the scale of rage!

High Roller: NO! THIS IS NOT FAIR! THOSE ACCURSED 108 HEROES! THEY RUINED ALL MY PLANS AND KILLED TWIN MASTERS! I WILL MAKE THEM PAY FOR THIS!

?: No you won't!

He then saw Irena as a hologram!

Irena Malloy: So you are High Roller.

High Roller: Who are you?

Irena Malloy: My name is Irena Malloy and I'm one of the heroes of Team Loud Phoenix Storm and yes we are helping the 108 heroes.

I'm a hologram right now. But consider this my warning. Nothing you send against us will stop me. I swear to you that when we come on March 14th, you and Twin Masters better be ready to face us with everything you got! Our power is far greater than you can ever possibly imagine and when we face you on that day believe me VICTORY will be ours! We will stop this war and you will pay for all the people and animals you have hurt in your sick game to destroy humanity! Get Ready High Roller because I'M COMING FOR YOU!

She left.

HIGH ROLLER'S DAYS OF TYRANNY ARE NUMBERED!

Irena Malloy: That was fun.

Eli: Good job Irena.

Mighty Ray: What's your favorite memory of Nico?

Jumpluff: I have a lot of them but my favorite is when me and Nico stopped a bunch of loggers from destroying my forest.

Nico: That was cool.

Me: Wow I'll say. Lets get you back to normal.

I put on my blind man glasses and Nico pulled out a blue leotard. The boys covered their eyes and I snapped my fingers and she was reverting back.

She was back to normal and was a blond hair girl with blue butterfly wings and had blue eyes and she put on the leotard. She got up and Nico went over and caught her as she was about to fall. Nico and Helga hugged.

Helga Fern: Me too Nico. Me too.

Lin Chung: Irena, ever since I met you, I've seen you as a little sister

Irena: Really Lin?

Lin Chung: Yep.

She hugged him and then Mighty Ray bursted into tears of happiness.

Eli: So awesome.

Ruby Rose: Yeah.

* * *

We later came back home.

May: Hey guys. How did it go?

Me: REALLY awesome! And the Zebra Brothers and Bearstomp are now in the M.O.E.

Irena: And I sent a threatening message to High Roller to let him know that we're coming for him.

Me: He is gonna rue the day he messed with us.

Camie: You tell them!

May: For your first mission, Soji and 3 Rabbids should go with you.

Cassidy: Awesome!

Me: YEAH! About time. (EYES GLOW RED) Get ready Masato, in two days it's going to be your last day alive!

* * *

We were getting ready to head out for some preparation time for our party anniversary.

Maria: Okay, Buzz. We'll leave you, Poromon, and Poliwag in charge of the Estate.

Buzz McCallister: Okay.

Me: No parties this time Buzz! We are serious!

Buzz McCallister: Okay okay.

Me: And don't cross your fingers behind your back mister!

I made the finger gesture for I'm Watching you Bub!

May: And to make sure, Manaphy, Horsea, and Kirby will be with you

Manaphy: You can count on us Mama!

Horsea: Yeah!

Kirby: You got it!

He went FIRE KIRBY!

Kirby: Just in case.

Nico: Okay then.

Me: Buzz if you throw a party for even one second and damage ANYTHING, (Imitating Mr. Krabs) I'LL HAVE YOUR REAR ENDS CUT OFF AND MOUNTED OVER ME FIREPLACE!

I held up trophy plaques with their names on them! I was being serious!

Luan: (sighs) We're serious, Buzz! We're already stressed out enough because of Hiroshi and Masato. We don't need you guys adding more stress!

Buzz McCallister: Okay okay okay okay!

Poromon: Yeah we'll be good!

Me: Good.

Nico: Okay.

We left.

Buzz: Now what are we supposed to do while the others are gone?!

They got to thinking.

Poromon: Hmm.

Kirby: We can go look in everyone else's rooms.

Poromon: Okay.

They got to searching and in Nicole's room they found a treasure map.

Poromon: Hey a treasure map!

Buzz McCallister: We can go on a treasure hunt?

Poliwag: That works!

Kirby: Yay lets do it!

Buzz McCallister: And according to the map it's in the park.

Kirby: I'll leave the others a note.

Kirby went and did so.

They left for the park.

Poliwag: I wonder what the treasure is

Buzz McCallister: We'll find out soon.

They went to the park and followed the map.

Buzz McCallister: Okay it says here that the treasure is buried by a tree that looks like an M.

Poromon: M?

Buzz McCallister: Hmm.

They looked around and saw it. It was a tree that was shaped like the letter M.

Manaphy: There it is!

Kirby: Lets dig.

Poromon got out a shovel

They got to digging.

They dug and dug and dug.

Then…

CLUNK!

Manaphy: I hit something!

Poromon: Lets see!

They cleared the dirt and found a huge wood box.

Kirby: What is it?

Buzz McCallister: Lets see.

They pulled it up and it was a huge pirates treasure!

Poromon: Whoa!

Manaphy: It's got a huge lock on it.

Kirby: I got this.

He turned into cutter Kirby and slashed the lock and they got it off and opened it and in it WAS A PRICELESS TREASURE OF GOLD, JEWELS, DIAMONDS, AND MORE!

THE GREAT TREASURE OF THE PIRATES OF 1913!

Buzz McCallister: WOW!

Kirby: What a treasure!

Manaphy: Amazing!

Buzz McCallister: Lets bring it back to the estate.

Poliwag: We can explain!

Nico: Please do.

Sumire Denellda: Long time no see Nico.

Nico: Sumire Denellda!? Whoa!

They hugged.

Nico: I've missed you.

Sumire Denellda: I did to Nico. I'm now a Politoed Gene-slammer.

Nico: Wow.

Me: Wait what's that you guys got there?

Buzz McCallister: Oh this? We found it in the park.

They brought it in and opened it.

Nicole: (GASP) I don't believe it! You guys found the Great Treasure of The Pirates of 1913! I've been trying to find this treasure for years!

Nico: Whoa! That is amazing!

Me: Where did you guys find this?

Buzz McCallister: We found it in the park. We followed this map.

He showed Nicole's map.

Nicole: Wow! You guys accomplished what I could not! I'm really proud of you guys. I've been trying to figure this map out for a long time but this one really stupefied me.

Nico: Wow! That is awesome!

Nicole: I thought this was either in the jungle or on an island somewhere but I did not expect it to be in the park in the city. Great job guys.

Luna: (sighs) Danny, please check if there are any Dark Orbs in us.

Danny Phantom: Sure.

He did so and found LOTS OF THEM and got them out and we had headaches the size of Texas like you wouldn't believe.

Varie healed us all.

Danny Phantom got them out.

Me: Whoa! Thanks Danny.

Danny Phantom: No problem.

He threw them into the Warp.

Nico: We are not taking any chances. I'm checking the bathroom door!

Lisa Loud: And I will check the cameras.

She did so and Nico checked the door. Lisa came back and so did Nico.

Nico: Bathroom door undamaged.

Lisa Loud: And the Surveillance cameras confirmed your doings. You left a note.

Me: That explains what this is. I couldn't make it out.

Kirby: Sorry guys I'm terrible at writing.

Laney: No worries Kirby.

Nicole: But I'm proud of you guys.

Megan McCallister: You guys did awesome.

Maria: Just to be sure. Eli, sense if anyone is here.

May: (glares at Buzz, Poromon, and Poliwag) If we find that anyone was here, you guys can't say that the stress of the missions is getting to us. Danny just got several Dark Orb out of us!

Eli did so.

Eli: Nope nothing.

May: Good.

Me: Okay you guys are clean. But we're really proud of you for finding this treasure.

Nico: This is an awesome find for you all.

Kirby: What's your favorite memory of Nico?

Sumire Denellda: Oh right. My favorite is where me and Nico won a quarter of a trillion dollars in the Caesar's Palace casino.

Me: Whoa! That is amazing!

Nico: Yep. That was awesome.

Sumire Denellda: I have been known as the luckiest girl in the world.

Lola: Wow that is amazing.

Maria: Nico, which teams have you made this time?

Nico: Sakura Avalon's team will include Buster Bunny, Anna Hotteling, Zixx, Carrot, and Vambre. Lucy Heartfilia's team will include X-Squad Bangray, Shelley Laurence, Thomas, Gordan, and Kagura (Gintama)

Me: Cool!

Qin: Awesome!

Lola: Yeah that will be cool!

Zixx: And it will be an awesome honor to be part of a team.

Xenia: It sure will.

Lola: Yeah!

Me: Oh speaking of which. I have someone special joining us right now.

Nico: You do?

Me: Yep.

I snapped my fingers and then Daisuke Yamamoto of the Kamen Rider Amazon Team from 1974 appeared.

Nico: Daisuke Yamamoto!

Qin: Cool!

Daisuke Yamamoto: Good to see you all again.

Me: Even though its been almost 50 years but that was so awesome that you came and helped us out during the 20 Days of Darkness.

Nico: It sure was cool and we owe you big time.

Daisuke Yamamoto: Think nothing of it guys.

Me: You are the first rider from the 70s that helped us back then too.

Daisuke Yamamoto: I'm glad I was able to help.

May: Nico, which Gene Slammers do you think you'll meet next time?

Nico: Aipom and Sunflora next.

Qin: Ooh! Those will be cool.

Laney: Sunflora is beautiful.

Lola: Yeah.

Me: Oh speaking of which we know what day it is.

Nico: Alright. It's that time of the year again.

Eli: Yep. It's the anniversary of the 20 Days of Darkness.

Xenia: That's right.

Pinkie Pie: Also we have a special surprise for Cloud Star and Lilly Crystal.

Cloud Star: Ooh! What is it?

She put blindfolds on them.

Pinkie Pie: You'll love this guys.

Nico: Lets head to Lynn's Table.

We were off.

We were walking.

Cloud Star: Can we remove the blindfolds?

Me: Not yet girls.

Varie: We're almost there.

We arrived at Lynn's Table and went in.

Me: Okay girls now you can.

They took them off and then…

Everyone: SURPRISE!

Mascots: HAPPY BIRTHDAY CLOUD STAR AND LILLY CRYSTAL!

Lilly Crystal: WOW!

Cloud Star: OH MY GOODNESS!

Nico: We would never forget your birthdays either.

Cloud Star: Wow! Thanks guys! You're the best!

We got to having a great party as well as a great barbecue for the anniversary.

We also saw Cameron Clix there.

Nico: Clix! We missed you, man!

Clix: I missed you too Nico.

Me: Clix is the one that warned us about the events of the 20 Days of Darkness coming. He was under the influence of Number 25: Focus Force and he warned me about what was going to happen during those days.

Eli: He sure did.

Clix: It's true.

Lola: Yep.

Clix: Although, I didn't foresee the arrivals of the Kamen Riders.

Me: No that was a surprise appearance.

Nico: Yeah it was.

Daisuke Yamamoto: But it was still awesome helping everyone out.

Me: Yep. We had 13 riders from over the course of 49 years come and help us out.

Xenia: That was so awesome.

Clix: Cool!

Luan: The first day was in Twilight Town where the first Kamen Rider helped us.

Me: Takeshi Hongo. Wow. 50 years ago he became the very first rider.

Qin: He sure did. Wow!

Daisuke Yamamoto: Boy it was ages since we saw each other.

Luan: It sure has.

Nico: Yep.

Me: In Twilight Town we faced Evil Roxas and Luan transformed with the powers of light.

Evil Roxas: Boy I remember that. That was awesome.

Nico: It sure was. That's when Xemnas hit me and began this whole nightmare.

Me: It was a sneak attack.

Xenia: Yeah.

Me: But I do have news. I went and talked to Seifer and his friends and they agreed that they would join the team. The 20 Days of Darkness and that incident with the Other Nico proved to be a massive wakeup call for them.

Seifer and friends came.

Seifer: Hey guys.

Nico: Hey Seifer, Rai, Fuu.

Rai: Hey.

Seifer: Nico I know we have had a lot of differences but after what happened we realized that being mean and jerks was not worth it.

Me: Being mean and all than never is.

Seifer: But to be honest, your Other Self was more of an evil self for you than the Digimon Emperor when he looked like you!

Nico: No arguments there.

Seifer: And for everything we did to Sora, Eli and all you guys we're sorry.

Me: It's all water under the bridge.

Sora: Yeah.

Eli: We've had our differences but now it's time to brush them aside and work together.

Nico: Yep.

Me: Then here is where the trouble began. Starting with Seymour Skinner's mother.

Lincoln: That same day was when I faced Evil Larxene.

Daisuke Yamamoto: THAT was when I helped you guys.

Me: That's right.

Larxene: That was so awesome and cool.

Mulan: Boy it sure was.

Me: Electrifying and awesome. I hope Skinner's mother still isn't pissed about that.

Nico: Yeah.

Agnes Skinner: Nah. All water under the bridge.

Nico: Good. Thanks Mrs. Skinner.

Skinner: Glad all is forgiven.

Me: Also like yesterday we went to the world of Mulan and faced Shan Yu.

Qin: That was awesome.

Me: Then came the world of The Lion King.

Simba: That was awesome.

Laney: It sure was.

Me: Yep.

Laney: The third day was when I faced Evil Marluxia. Skyrider also appeared.

Me: 1979's Kamen Rider. That was so awesome. So that makes 3 Kamen Riders of the 70s that we owe big for helping us.

Daisuke Yamamoto: That's right. Hiroshi Tsukuba is a great man. I wonder how he is doing?

Me: We'll find out later on.

Xenia: Yeah.

Me: Lets not forget that during that day King Stefan was ambushed by Nico under the influence of the emperor.

Nico: Yep.

Lily: Next was when I faced Luxord. (laughs) Too bad for Xehanort, he failed to realize that ALL versions of Luxord are honorable. And Kamen Rider Black appeared.

Luxord: That is too true.

Me: And we faced him in the world of the first Pirates of The Caribbean movie.

Nico: The Curse of The Black Pearl.

Varie: Yep.

Barbossa: Aye lads. That be a fun time back then.

Me: And also 1987's Kamen Rider came.

Qin: Yep. That was awesome and fun.

Nico: Yeah.

Me: Lets not forget that you almost threw Daniel Mockridge out the window and then ate magic mushrooms.

Nico: And looking back on that WHAT THE HELL WAS I EVEN THINKING DOING THAT!?

Xenia: I don't know.

Brian: That was stupid though.

Nico: Yeah.

Luna: I faced Evil Demyx next.

Soji: I also helped that day.

Me: Yep and you became the first of the 21st Century Riders to help us.

Nokama: He sure did.

Me: Yep.

Nico: And we faced 1,000 Heartless too!

Demyx: That was still epic though.

Xenia: It sure was.

Me: Now here's where things REALLY Go downhill for us.

Lola: Then came the most emotional day. But on the bright side, I got Axel to join us.

Gentaro: And I helped you guys too.

Me: You guys sure did.

Axel: That day was awful.

Me: All because Oogie Boogie had to open his big ugly bug filled mouth!

Xenia: That ugly sack of bugs!

Camie: Yeah!

Lana: But his bugs were tasty.

Lisa: I faced Evil Saix next.

Tsukasa: And I helped as well.

Me: In Disney Castle and that was awesome.

Roxy: Boy it sure was awesome.

Tsukasa: It sure was.

Saix: That was awesome and fun.

Lucy Loud: I faced Evil Zexion next.

Shinnosuke: And I helped. After I signed up for Hades' tournament.

Onewa: You sure did.

Me: That was so awesome.

Nico: Yep.

Hercules: That was still awesome and fun.

Eli: And I blew Hades hair out.

Camie: That always makes me laugh.

Zexion: Yeah that was awesome.

Hercules: It sure was and the trophies are still in our case.

Me: They sure are.

Shinnosuke: That was still fun though.

Lynn: I faced Lexaeus next.

Evelyn: Kazuma helped too. (sighs) I wish he was here with us right now.

Me: Me too. But we'll help him out shortly. Just hold on. We only have 21 days.

Nico: Yep.

Lexaeus: That was still cool back then.

Me: It sure was.

Aladdin: We had a lot of fun back then too.

Me: Yep. Then came the Timeless River. That one was awesome and it made us feel like we were back in the cartoons of the 1920's, 30's and 40s. Good memories back then.

Qin: Those were awesome cartoons.

Lola: And Disney was starting out from 1929 back then.

Lana: I faced Evil Vexen next.

Takeru: And I helped too.

Vexen: You sure did.

Qin: That was so awesome.

Me: Yep. But after that day Apple Bloom ascended and became the Princess of Cutie Marks.

Xenia: She sure did.

Qin: That was awesome.

Applejack: Yeah it sure was. My little sister became an Alicorn that day.

Xenia: Yep.

Nico: Then came Beast's Castle and that was fun.

Xenia: It sure was.

Qin: Yep.

Me: Me and Misty danced in the ballroom and that was so awesome.

Misty Tredwell: It was the most amazing dance ever.

Lola: It sure was beautiful.

Qin: Yep.

Lori: I literally faced Evil Xaldin next.

Wataru: I helped too.

Me: You sure did Wataru.

Xenia: And that was so funny how we put that rapist Gaston in his place.

Himiko: That sure was awesome hearing about it.

LeFou: Yeah darn right!

Xaldin: That was awesome though.

Prince Adam: It sure was cool.

Leni: I faced Xigbar next.

Haruto: I helped as well

Me: You sure did.

Elyon: That was so awesome and cool.

Me: Boy that was back in the world of Tron from 1982.

Xenia: That really put J.D.'s technological skills to the test.

Eli: It sure did.

Varie: That was awesome.

Nico: Yep and the world that Zixx went to reminded us of Tron 1982.

Eli: It sure did.

Xigbar: That was awesome.

Me: Yep. Then came the grand finale.

Touma: Finally, you guys defeated Xemnas. And I played a part in it

Me: You sure did Touma. And that was awesome destroying Xemnas. The Prime Universe version put up one helluva powerful fight.

Lola: Boy he sure did!

Qin: Yeah no kidding there.

Megan McCallister: That was still so awesome that you helped us Touma.

Touma: It sure was.

Nico: And seeing the Kamen Riders during those days gave me the idea for 2022's Ambassador Missions after I put my missions to the Aligned Transformers world to the test.

Me: And it worked perfectly.

Nico: Yep.

Me: But what really shocked us was that we had no idea that MaloMyotismon's evil essence was inside you and causing you so much trouble.

Myotismon: That was really shocking.

Xenia: It sure was.

Nico: We weren't done yet though.

Me: Nope. Now we had to deal with The Sullen 6.

Zuria: The Sullen 6?

Me: They were 6 enemies that we put away years ago. They were Denzel Crocker, Vlad Plasmius, C.S. Montgomery Burns, Plankton, Jock Jockerson and King Goobot V.

Nico: Yep. We had to be ready for them.

Cozy Glow: And during that time is when I was redeemed.

May: The day after Xemnas' defeat, Burns had me kidnapped.

Me: And to make it look like we died we sent a dummy rocket and pretended that we blew ourselves up.

Nico: Yep.

Xenia: That was crazy.

Camie: But it fooled them bad.

Me: Yep. It sure did. They fell for it hook line and sinker.

Maria: The 3 days after that were pretty normal. But day after that, the Piraka Gang was hired to do us in.

Me: And we met them when we were fighting the Miller Family. And that was awesome. We had no idea that Nico had history with the Miller's and their organization back in his C.I.A. Days.

Karla: Yeah we were trying to bust S.U.S.P.E.N.S.E. for a long time.

Xenia: Yeah.

Vypra: The Piraka were awesome. And I have them now in the M.O.E.

Me: That's a good idea Vypra.

Nico: The Piraka Gang are perfect for the M.O.E.

Varie: Yep.

Camie: What does S.U.S.P.E.N.S.E. mean?

Me: It was an Agricultural Terrorist group that was trying to destroy our entire food supply. It stands for the Secret Underground Society of Peach Entrepreneurs Nixing Sour Exports.

Nico: Yep.

Maria: The day after that was normal too. But next after THAT, not only did Burns had Wertz try to shut us down. But he also sent the Barraki after us.

Me: Yep and we sent Wertz to the nuthouse and then we encountered the Barraki on a mysterious flying island.

Qin: Yeah that was awesome.

Nico: Yep.

Optimus Primal: That flying island was really amazing to see.

Tigatron: It sure was. Thank goodness that it was not used as a weapon.

Me: No that would not be good.

Vypra: I plan to have the Barraki put into our ranks soon.

Nico: Awesome.

Chiro: We helped you guys finish them off.

Me: You sure did Chiro and that was so awesome.

Qin: We are forever grateful to you and your team for that.

Mandarin: And you guys saved me from my evil.

Me: Yep. And we got rid of the Sullen 6 and thus ending the darkest saga of our teams history.

Nico: Yep.

Maria: Although Vlad and Plankton HAVE joined up with us.

Me: That wasn't until later on. The battle with HIM had Plankton do that.

Plankton: That's true.

Me: And one of Elyon's Ambassador Missions had Dark Danny in it and Vlad Plasmius joined us later on.

Qin: It sure did.

Clix: I know all about that evil future involving HIM. (to the Trinity of Violence) NOW do you understand why these days had to happen?

Stewie: If you try to alter time, time will fight back. Adolt Hitler could be president. Germany could be the world's dominant super power. Cheese could have invented Facebook!

Me: Okay okay we get it Stewie. Cheese inventing facebook would be funny.

Nico: Yeah.

Lori: But yeah you're right Stewie.

Qin: Yeah.

Nico: Bottom line is: That's why we can't alter the past. No matter how much we want to prevent the birth of certain scumbags. All we can do is move forward.

Me: Yep. That is right.

Nico: Yep.

Me: And learn from the past to make sure it never happens again.

Lori: You're right on that.

Xenia: Yep.

We had a great party and more and it was fun.

# RAGE OF THE RED SENTIENTS

This chapter is for where we go after Krytus from Hot Wheels Battle Force 5.

---

In the early morning hours at 3:35 AM, Lincoln had a dream, and he saw five figures who was hiding out and living in the streets of New Zealand, Oceania. But, they were no ordinary five figure, their were, Icy Storm, son of Lincoln's future wife, Rainbow Dash. Summer Scoutstar, daughter of Lincoln's future wife, Sunny Starscout. Izabella Moondrop, daughter of Lincoln's future wife, Izzy Moonbow. Patty Saddles, daughter of Lincoln's future wife, Pipp Petals. and Zapp Thunder, daughter of Lincoln's future wife, Zipp Storm. Lincoln woke up from the dream, but he wasn't the only one, Rainbow Dash, Sunny Starscout, Izzy Moonbow, Pipp Petals, Zipp Storm, Black Alpha, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Sunny Starscout: And not only that, it also means that we found out where our kids are at.

Rainbow Dash: And the question is, Where?

Me: they're at New Zealand, Oceania.

Nico: Oh no, that's not good. Out on the streets in New Zealand, Oceania, even though it's a nice place, but not so much for little kids.

Lincoln: That's right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Rainbow Dash, Sunny Starscout, Izzy Moonbow, Pipp Petals, Zipp Storm, Me, and Nico were heading to New Zealand, Oceania. Then, Lincoln saw a 12-year-old boy who has pale blue skin, emerald eyes, and short dark blue spiked hair with teal streaks. He wore a black and white jacket with white stripes on sleeves and a picture of a Air Element on the left, black pants with white side stripe, and black & white sneakers. a pretty 12-year-old young girl who has apricot orange skin, emerald green eyes, and magenta & purple hair that is tied in two large sock buns above her ears, with two long locks hanging loose to her waist, and shorter locks on either side of her face. She wears a salmon pink tank top tied with a bow around her neck like a bikini top under a yellow quarter length slim fit top with dark red sleeves and a fully salmon pink sun printed on the chest area, a frilly flared yellow shorts over dark red lycra leggings, and a white and dark red hi-top shoes with yellow laces. A short 11-year-old young girl who has lilac skin, magenta eyes, and cerulean blue hair with a spiky tuft on her forehead and in curly pigtails. She wears a dark pink T-shirt with three cerulean blue bows, a very small blue denim shorts with pink frills on the bottom, and dark pink ballet type shoes with short heels and matching ankle cuffs. A tall and very slender 11-year-old girl who has light pink skin, short violet hair with long extensions tied in two diamond patterned braids, and kiwi green eyes. She wears a gold headdress/tiara with a purple jewel and golden wheat, light purple headphones with cone shaped spikes protruding out of the ear pieces, a purple and yellow two piece, made up of a crop top and very short shorts with the top and shorts connected by a hexagon shaped buckle, a large fluffy dark yellow coat, and purple ballet flats. And a tall and slender 13-year-old girl who has white skin, very long hot pink hair with aqua and pink streaks tied in a big thick high fluffy ponytail, and turquoise blue. She wears a short purple and pink sleeveless dress over black cycling shorts, and purple boots with pink heart decals and wings. Lincoln saw who they are, it was Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder.

Lincoln: Excuse me?

Summer Scoutstar: Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Rainbow Dash, Sunny Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm came out, and when Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder saw them, they was stunned.

Summer Scoutstar: Mom, is that you?

Sunny Starscout: Yes, sunshine, it's me.

Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder Rush ran up to Rainbow Dash, Sunny Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Rainbow, Sunny, Izzy, Pipp, Zipp, your mothers are one of my many future wives.

Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder: Does that means… you're our father.

Lincoln: (smiled) What else I won't I be?

That filled Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Rainbow Dash, Sunny Starscout, Izzy Moonbow, Pipp Petals, and Zipp Storm with their kids, and Icy Storm, Summer Scoutstar, Izabella, Patty Saddles, and Zapp Thunder now has a loving, strong, brave, and caring father in their life. And when Pixel Bit saw Icy Storm, She blushes so hard and Suddenly, Pixel Bit wrapped her arms around Icy Storm's neck, as her chest was pressed against Icy Storm's pecs and her stomach pressed against his abs, which'd brought an atomic red blush to Icy Storm's face, and he wrapped his arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Icy Storm leans down to Pixel Bit's face, they kissed passionately as Pixel Bit's left arm was still wrapped around Icy Storm's neck, but she moved her right arm and her right hand onto Icy Storm's right pec, and when Lincoln's kids and Clyde's Kids see them, they all cheered wildly.

But this time was different because the evil Werewolf Cult called Club De La Lune is back and they are going to murder more people if we don't stop them. But this cult picked the wrong people to mess with.

Me: Hard to imagine that Club De La Lune is back.

Xenia: No kidding. These guys are REALLY Pissing me off.

Eli: Me too!

Nico: Yeah I've had it with these bad werewolves to last forever.

Me: Me too. This time we banish them to the Black Gates forever.

Camie: Yeah.

Nico: Lucy, I want to thank you, Spankulot, and your teams for coming.

Lucy Heartfilia: No problem Nico. It's gonna be so awesome helping you out.

Xenia: It sure will be Lucy.

Count Spankulot: (Transylvanian Accent) It will be awesome too.

Lola: Yeah it will!

Camie: So who is this cult?

Me: It's a Werewolf Cult that has existed for centuries. It's an evil cult that is for werewolves. Their goal is to kill many people. Their leader is Claude and he is a werewolf.

I went over his history.

---

Claude is the main antagonist in An American Werewolf in Paris. He is the leader of a werewolf society based in Paris. His plan was to use a drug that activates the werewolf transformation to his own advantage.

He was portrayed by Pierre Cosso.

Much of his back story is unknown but it's implied he was sired by Serafine Pigot, the daughter of David Kessler, as she claims he stole her blood. It's also implied that he seduced her in order to get it. Somehow he became the leader of the werewolves in Paris and use's his night club to lure in more victims.

In the film, Claude invites American tourist and college student Andy McDermott and his friends to his club. Serafine, who earlier befriended Andy earlier, rushes to the club as the full moon rises. She helps them escape but Andy is bitten by a werewolf and his friend Brad is killed by another. Over a course of several days, Andy discovers he is turning into a werewolf himself.

Claude and his henchmen run into Andy again and try to get him to join their society, but in order to do so, he must kill his surviving friend Chris. Andy refuses and Serafine comes to his rescue once again. It turns out Serafine's stepfather attempted to make a cure for lycanthropy, but the "cure" caused an immediate transformation. Claude raids Dr. Pigots' lab and plans to distribute the drug to the other werewolves in his club.

Meanwhile, Andy learns the cure to lycanthropy is actually eating the heart of the werewolf who bit him. He and Serafine rush to the party which is filled with tourists celebrating the Fourth of July. Serafine and Andy manage to break down the door as the werewolves begin to transform. At the same time the police arrive and a fight with the werewolves ensues. Most of the police are killed but Andy and Serafine hold their own. Andy pursues Claude and manages to chase him down to a subway train, where he learns that Claude was the werewolf who bit him. Andy manages to take the syringe and transforms, Andy attacks Claude and eats his heart, curing himself.

When I was done everyone that hadn't heard about it was shocked.

Zuria: These guys are monsters!

Qin: Yeah they sure are.

Nico: They are the devil's evil minions in wolf form.

Camie: Yikes.

Eli: Yeah.

X-Squad Bangray: No kidding there.

Eli: We got to stop them.

Nico: Bangray, the powers of your Prime self sure have come in handy

X-Squad Bangray: I can tell they have. I'm glad my Prime Self's powers have been handy for you all.

Varie: Yeah they are cool.

Nico: It even helped restore a friend of ours.

X-Squad Bangray: It sure did.

Qin: Yeah no kidding. Those powers there are awesome.

Lola: I'll say.

Xenia: They sure are.

Me: Yep.

Eli: The mascots didn't throw a party this time thank goodness.

Maria: That's because we put Manaphy, Horsea, and Kirby there to watch them.

Me: Yep. But they found an awesome and great treasure.

Nicole: They sure did. I'm proud of them too.

Qin: Me too.

Lola: Yeah same here.

Nico: That was amazing that it was hidden in the park.

Qin: It sure was.

Nico: But we didn't know that Kirby's handwriting was terrible.

Me: Someone needs to teach him. But we can do that later.

Qin: He did try his hardest to tell us though.

Nico: He sure did.

Lola: Yep.

Varie: But Megan's brother did a great job.

Nico: He sure did.

May: And of course, we had the anniversary.

Qin: We sure did and that was awesome.

Lola: Yep.

Camie: It was amazing recapping what happened back then.

Nico: It sure was.

Lola: Yep.

Varie: Nonetheless, I'm glad that will never happen again.

We then heard screaming and it was coming from a church!

Qin: OH NO!

We heard roaring in the church too!

Me: The bloodbath has begun!

Nico: We got to get them out of there!

We saw a bulldozer blocking the door!

We went over and I lifted it up and threw it.

I then ripped the doors off and the people came running out of there screaming in fear!

We went in and saw a massacre! We saw 15 people viciously mutilated and slaughtered! Blood was splattered everywhere and internal organs were thrown all over.

Me: Oh man!

Spankulot: You werewolves have been VERY bad!

Me: They are not just bad! But they don't know who they are fucking around with!

I looked up and the Full Moon peered out of the clouds and then it hit me and I underwent an awesome transformation! I grew fur, then my teeth turned into fangs and my ears turned into wolf ears, I grew a wolf tail and my muscles grew bigger and I had claws grow on my fingers and my eyes turned into yellow and glowing slit eyes and my wings turned dark blue and glowed with the moons light! I became J.D. THE NOCTURNAL!

Me: (HOWLS!)

Camie: WHOA!

Nico: YEAH!

Zuria: J.D. is a werewolf!?

Me: (Beastly voice) That's right. I am J.D. the Nocturnal in this form.

Zuria: Cool! (Turned on) Wow! I love this form of J.D.

Camie: Me too. Rawr.

Me: Come on you werewolf fuckers! It's time to dance! (WOLF ROAR!)

I went at them and they went at me and one jumped at me and I kicked it in its face and slashed him and then I grabbed a werewolf and threw him.

Then a werewolf roared and went at me and I plunged my hand into his chest and ripped out his intestines and his heart!

SQUELCH!

Nico: (gets out El Diablo and Molten Man's Ridewatches) Feel the burn!

Nico activated it and fired waves of fire and incinerated the Werewolf corpses piling up!

I then grabbed a werewolf and lifted him up and then ripped him in half and splattered his blood and guts everywhere!

SQUELCH! SPLAT! SPLAT!

Nico: EEEEEEEEWWW!

Eli fired Force Lightning and electrocuted a werewolf.

I jumped on one and then plunged my hand into his back and ripped out his entire spinal column along with his skull! AND BRAIN!

RIPPPP!

Xenia fired energy arrows and they hit a bunch of werewolves and they exploded!

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOMMMMMMMM!
KRABBBBBBBBBOOOOOOOOOOOOOOOOMMMM!

SPLAT SPLAT!

Count Spankulot fired energy hands and blasted the Werewolves butts and they were red hot stinging spanks.

Spankulot: (laughs) It's funny how there's a werewolf and a vampire fighting together!

Me: That's true!

I grabbed a werewolf and ripped his head clear off and splattered his blood everywhere!

Me: Even though werewolves and vampires have been battling for centuries it's awesome to see them working together.

ROAR!

I turned and plunged my hand into a werewolves chest and ripped out its beating heart!

SQUELCH!

Nico: NICE!

Spankulot: They should not be fighting each other at all!

Me: That I agree on Count.

I grabbed a werewolf by his leg and ripped it off!

RIP!

IT ROARED IN PAIN!

I then grabbed its head and then ripped it off his body and tore his spinal column out too!

SPLAT!

Blood was splattering EVERYWHERE!

Camie: What a bloodbath!

Spankulot spanked one.

He laughed doing so!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Zuria: Werewolf's getting a spanking!

They laughed!

Eli: (LAUGHS) That is funny!

I then grabbed a werewolf on both sides of its head and then…

RIP! SQUELCH!

I RIPPED HIM IN HALF RIGHT DOWN THE MIDDLE AND SPLATTERED ALL HIS BLOOD AND GUTS EVERYWHERE!

Laney: WHOA!

I grabbed another Werewolf and stabbed him in his eyes with my claws and then I grabbed him by his mouth and then ripped his face in half!

SQUELCH!

Lola: NICE ONE!

Lucy Loud: This is getting good.

Brittney: I love a good bloodbath but this is a Blood Flood.

Nico: Yep.

Maria: Maybe I should consider using the M.O.E. Cannon to summon the teams of the M.O.E. when we manage to reach about

155 completed ones.

Nico: Good idea!

Xenia: We haven't used that in a while.

I grabbed a werewolf and used the Titanic Twist move on it and then tied it up in knots and then I grabbed it and ripped him in half!

SQUELCH!

His blood and guts were splattered everywhere!

Nico: Eli, how close are Swartz's creations?

Eli: 75 klicks to the northwest.

Nico: It's gonna be a while. But I do love battles like this.

Varie: No kidding. But this is more werewolves than ever.

Xenia: Wait I see where they are coming from!

She pointed to a Dark Orb in the wall that was producing werewolves.

Nico: All we have to do is destroy it.

Eli: I got this! Bro you keep them busy! I'm going for the Dark Orb!

Me: Okay bro!

He went for the dark orb and I was disemboweling and mutilating werewolves left and right.

SQUELCH SPLAT SPLAT SQUELCH!

Eli dodged them and jumped over one and ignited his lightsaber and slashed a werewolf and cleaved it in half and then Eli slashed the Dark Orb and it shattered into oblivion and was destroyed!

Then the werewolves all exploded all at once and blood and guts splattered everywhere! It was a brutal blood flood!

Nico: GEEZ!

Qin: What a mess!

Nico: Should've just done that after I used the two Ridewatches.

Eli: But at least it worked.

Nico: Yeah. But great job Eli and you too J.D.

Me: Boy that was brutally bloody.

I was dripping blood like a slab of freshly cut raw steak.

Maria: Man you are a mess J.D.

Me: No kidding. This is the most blood I've ever been covered in since that dark mermaid massacre in the Mediterranean.

Lola: Boy no kidding there.

Maria: Let me wash you guys off.

Maria then put me in a water ball and washed us off. The water ball turned red and I was clean.

Nico and Count Spankulot got the same.

Me: Man that was awesome.

Laney: No kidding.

Me: Sorry you guys had to see all that.

Zuria: No worries.

I shook off like a dog and I was clean.

Me: Sorry about that. Being a werewolf is awesome and you do all kinds of amazing things.

Zuria and Camie came up to me and rubbed their fingers on my fur.

Zuria: You are so soft and strong J.D.

Camie: Oh I would love having this form out more often.

Me: Oh you would really like that huh?

Nico: In that case, why don't you use this form to kill Masato?

Me: Hey not a bad idea. And since Takumi is the Wolf Orphnoch too that would be fitting. What Cruel Irony.

Nico: Why is that?

Me: I'm a werewolf and I can rip apart opponents like this. So it's both fitting and very cruel.

Nico: True.

Qin: That's gonna be awesome seeing Masato get what he deserves.

Me: Especially at the hands and claws of a werewolf.

Nico: For Krytus though, you'll need a more powerful form.

Me: That I can do. I'm gonna revert back after the rescue is done.

Xenia: Yeah.

Zuria: How did you get this awesome form though?

Me: Professor Milo's work.

Zuria: One of Batman's enemies?

Me: Yep.

Nico: Right I wasn't with you guys when that happened. Can you fill me in too?

Me: Sure.

I went over what happened in chapter 378 and it was awesome.

It starts in the Dakota City Prison. I was visiting Francis in the courtyard.

Me: So Prison life hasn't been too kind for you hasn't it?

Francis: No it hasn't J.D. Ever since you cured me I've been left with nothing.

Me: Well that happens in prison. But it's never too late for you to redeem yourself.

Francis: How can I redeem myself? I've done so many crimes against you and the city that it goes beyond all understanding.

Me: I know Francis but that was because you were lashing out against the world for the pain you felt at the hands of your family.

Francis: How did you know that?

Me: Your eyes. They do say that the eyes are the window into the soul and they tell everything.

Francis: You're right and I can't argue with that. You're right J.D. My parents hated me and they did all kinds of terrible things to me from age 5 until I today. They hate me with a vengeance and they want nothing to do with me. (Crying) Because of them I became a monster!

Me: It's not your fault Francis. If anyone is to blame it's those monster parents of yours and they need to be punished to the fullest extent of the law. In fact the reason I came here was to ask if you would like to join The Redemption Squad?

Francis: Count me in. I want to change my ways.

Me: Wise choice. Welcome aboard man.

Francis: Thanks J.D. I'm sorry for all those things I did to you.

Me: It's all right man. To tell you the truth it was perfect for me because it made me stronger and got me to protect my friends and loved ones.

Francis: That's cool. Maybe it can do the same for me. You must be really desperate to come to me for help, JD.

Me: Trust me. I didn't want to. But you were Clayface's partner and my great sparring partner over the course of 11 years. It's only fair that we give you the chance to help him.

Francis: True, but how do you know that you can really trust me?

Me: Because if you decide to double cross us, we'll kill you in seconds.

Francis: Fair enough. But now that I don't have my powers, I'll need a weapon.

Me: You can have one of Stewie's flamethrowers and volcano gun.

Francis: Sounds good. Now, where do we start?

Me: Lets go home.

We went back home and in the living room everyone was shocked that I brought Francis with me.

Lori: What is he doing here!?

Me: It's all right guys. Francis wants to redeem himself. Just let him explain himself.

Francis explained his horrific background.

Francis: (Crying) And that's why I became who I was! I'm so sorry guys!

William: It's okay Francis.

Leslie: You're not the only one that's been through what you have. Like you before we became Agony, me and Ashley were savagely abused by our former father. He was a monster.

Meg: And me, Stewie and Brian were abused by the Griffin's.

Stewie: That's right.

Sam: My former parents were merciless to me.

Me: See Francis you're not the only one that went through what you went through.

Francis: You're right man. Thank you. Now I know that I can be helped with this.

Me: That's the spirit. Now we have a job to do. There's some kind of creature terrorizing the zoo in Gotham. Witnesses are saying that it's a werewolf.

Lincoln: A Werewolf!?

Laney: How can that be?

Me: I don't know. But whatever it is it's not good and we need to find out what it is.

Lynn: The Full Moon was 4 weeks ago right?

Me: Yes and the next Full Moon is tomorrow night.

Francis: I want to get Clayface to help us.

Me: That's understandable. He wants to get revenge on Daggett for turning him into Clayface. Max, Rachel, Lincoln, Paige, Redemption Squad, you all come with me. Lola, you gather some dirt on Roland Daggett we can present to the FBI, CIA and Interpol.

Lola: I'm on it J.D.

Me: All right. Lets head out!

We went to Arkham Asylum in Gotham.

Me: Arkham Asylum, home to Gotham's most dangerous criminals.

Lincoln: I've heard about this place. It's considered the ultimate prison in Gotham.

Laney: It's horrible.

Francis: It's hard to imagine that Arkham Asylum is that dangerous.

Me: Yep. And once we set foot in there it's like stepping through the Gates of Hell.

We went into the Asylum and saw some of the most insane nutcases in the country.

Me: Boy these guys are seriously screwed up.

Laney: They are really mentally broken.

Lincoln: No kidding.

We went to the cells and saw Clayface in his cell reading.

Me: Matt Hagen AKA Clayface.

Clayface: J.D. Knudson and friends surprised to see all of you here.

Lincoln: Same here.

Me: We have a strange proposition for you.

Clayface: And what would that be?

Me: How would you like to get out of here and have your revenge on Roland Daggett?

Clayface: That is an offer I can't refuse. But why should I trust you?

Me: Because this will be a chance to not only get revenge but also redeem yourself. After we capture Daggett we're going to send him and his cronies to the most dangerous prison in the galaxy: (Dramatic Voice) CREMATORIA!

Thunder and Lightning crashes in the background.

Lincoln: What's Crematoria?

Me: It's a Triple-Supermax Prison that's only reserved for the galaxy's most dangerous criminals. The Worst of The Worst.

Scene shows the Planet Crematoria. It's an extremely hostile planet.

Me: Planet Crematoria is an extremely hostile planet located in the Igneon System about 3,700 light-years away from Earth. The planet is considered one of the most inhospitable and most dangerous planets in the universe. The reason for this is because the temperatures are extremely dangerous. The temperature of the day side of the planet is over 700 Degrees fahrenheit and anyone that's on that side will be killed instantly. On the night side the temperature is -300 degrees. One side you burn, the other you freeze. The reason it's so hot on this planet is because of the planets close proximity to it's parent star. I call Crematoria an Earth-size Mercury.

Lincoln: That's awful!

Laney: That sounds like a nightmare world!

Clayface: It sure does. I had no idea such a place even existed.

Me: Yeah. Here's what the surface looks like.

I snap my fingers and an illusion forms and we saw what Crematoria looks like. It was a horrific world that made even Hell itself look like childs play.

Lincoln: Whoa! So this is Crematoria?

Laney: This place is really scary.

Clayface: It sure is. I can't even begin to imagine what it's like here.

Francis: This place is a nightmare.

Maria: It sure is.

Me: It is. This planet makes Hell look like a mere walk in the park compared to it.

Rachel: And this planet is home to the most dangerous criminals in the galaxy? That's horrific. I would call this place a death sentence in its entirety.

Me: You got that right Rach. This place is truly a form of Capital Punishment amplified 200 times.

Venom: You got that right J.D. We are terrified of this place already.

Francis: Me too.

The illusion vanished and we were back in Arkham.

Me: So what do you say Matt. You with us?

Clayface: It's a deal.

I release him.

Maria: I hope there are no hard feelings between us, Francis.

Francis: Nah. I'm actually happy that you got your life back. (to Clayface) How are you feeling, buddy?

Clayface: Right now, I'm happy that I'm getting revenge on Daggett. And I'm even more happy that you're helping me just like the old days.

Me: All right. First we're going after one of his cronies, Professor Milo.

Clayface: I know him. He's the one that gave me the Renuyu stuff.

Me: That's good that you know him. Maybe we can find something to reverse your condition.

Clayface: Nah. I'm good J.D. I know where his lab is.

We follow Clayface to Milo's lab and he lead us into it. It was loaded with all kinds of chemicals, notes and more.

Laney: Look at all this stuff.

Lincoln: Yeah. Lisa would find a use for this.

Rachel: I'm sure she would.

Francis: This is all strange stuff.

I see a beaker full of blue-green liquid.

Me: I wonder what this stuff is.

Lincoln: I don't know. Lisa always performs experiments on us so give it a try.

Me: Okay.

I drink the beaker and it made my muscles grow a little.

Me: Whoa! It's a steroid formula.

But then I got an unexpected surprise when the Full Moon appeared out of the clouds. I was in excruciating pain.

Me: (Groans in pain) What's happening to me!?

I saw my body get all furry and felt my ears get pointy. My eyes become glowing yellow and slit, my teeth become fangs and my fingernails and toenails became claws and I grow a wolf tail.

Me: Whoa! What a rush.

Lincoln: J.D. you've become a werewolf!

Me: I have?

Maria: Yeah see for yourself!

Maria formed a mirror of water and I look at myself and I was shocked!

Me: (Gasp) I'M A WEREWOLF!

Laney: This is so cool!

Rachel: What can you do with this power?

Me: Well my senses have been enhanced and I can hear everything in the city from a long distance away and I can see everything in the dark. Everything I see is all yellow and you guys are all glowing in my vision.

Clayface: That's amazing. What was that stuff you drank?

Me: It was a steroid drink and I think there was something with wolf DNA in it.

Suddenly my new enhanced hearing picked up something at the stadium under construction.

Me: I hear something at the stadium.

Riku: What is it?

Me: It's Anthony Romulus.

At the stadium Anthony Romulus was with Professor Milo and the light of the Full Moon was causing him to change.

Anthony: (Groans in pain) You fool! There's no telling what the werewolf might do.

Professor Milo: Hey. Ask me if I care.

Anthony changed into a Werewolf.

Professor Milo: Now go. Your victim is waiting.

Me: (Gasp) Professor Milo has Batman! Lets go!

We hightailed it over to the stadium and arrived to see Professor Milo standing in front of a ruined cabin and Batman was chained to the stadium floor.

I land by him and grab him by the front of his shirt.

Me: Professor Milo. Just the man we've been looking for.

Professor Milo: What!? You're a werewolf too?

Me: That's right.

Professor Milo: Who are you?

Me: Perhaps you've heard of me and my friends on the news.

Professor Milo: (Gasp) J.D. Knudson!? Is that you?

Me: That's right and your Werewolf Steroid gave me a whole new transformation. You can call me J.D. the Nocturnal, Defender of the Night. Rachel tie him up and make sure he doesn't do anything funny.

Rachel: You got it.

Anthony came out and he was a black werewolf.

I kick him in the face and send him crashing into the steps.

We flew down and help Batman.

Me: Are you all right Bruce?

Batman: Yes. Thank to you J.D. But you're a werewolf.

Me: I know. It was thanks to Professor Milo's Werewolf Steroid that I got this form. The Light from the Full Moon awoke it and I look awesome as a werewolf.

Clayface: We got problems guys!

We saw Anthony get up and he was coming at us.

Batman: Who is that werewolf?

Me: That's Anthony Romulus. Professor Milo made him like this through the same formula that made me into a werewolf. I retained my humanity thanks to my powers unlike him.

Batman: (Shocked) That's Tony?

Francis: I'm afraid so Batman.

Lincoln: I can cure him.

Me: Go for it buddy.

Lincoln: (Chants an incantation) Nukroni Myrontika Fesmona!

Lincoln fired a bolt of Silver Lightning and it hit Anthony head on and he was made human again and it cured him.

Me: Great job buddy!

Anthony woke up and I held my hand to him.

Me: It's all right Anthony. You've been cured now. It's over.

Anthony: What? J.D. Knudson is that you?

Me: It is.

Anthony: But you're a werewolf.

Me: Yes. Professor Milo's Werewolf Steroid made me this way. My powers allowed me to retain my humanity. I can now transform into this form at will. In this form I'm known as J.D. the Nocturnal - Defender of the Night.

Anthony: That's amazing. Thank you all for saving me from being a werewolf.

Lincoln: You're welcome Tony. I cured you with my lightning magic.

Laney: Lincoln fired a bolt of Silver Lightning and it cured you.

Batman: That's right. It's good that you're all right Tony.

Anthony: Thanks Batman. I'm sorry I tricked you.

Batman: I know. It was because of Professor Milo.

Me: Now we can turn him over to the proper authorities. Also we're going after Roland Daggett.

My phone rang and it was Lola calling.

Me: Hello?

Lola: J.D. I got the dirt on Daggett and it shows that he has done all kinds of Criminal Activity all over not just Gotham but the rest of the world. He's done it all. He stole a huge amount of money, stole chemical weapons, murder, fraud and more and he covered his tracks so the FBI, CIA and Interpol couldn't find him. I showed the dirt to said organizations and they're going after him now.

Me: Good work Lola. We're going to arrest him now. (Hangs up) Lets head out.

We went over to Daggett's building and I kicked in the door and we faced him.

Me: Roland Daggett I presume?

Daggett: That's right. Who are you?

Me: You've heard of me on the news. (I change back to my human form)

Daggett: J.D. Knudson and the Loud's. I've seen all of your achievements on the news from around the world.

Me: It's mutual. I can change to my werewolf form at will now. Also I believe that you know Clayface here.

Clayface: You ruined my life Daggett. It's because of you that I became like this!

Daggett: So the Clay avenger has come for some payback.

Clayface: You may not know me now but perhaps you might know this face.

Clayface became Matthew Hagen before the Renuyu.

Daggett: It can't be! Matt? You're alive?

Clayface: That's right. You did this to me and ruined my life. I'm now a shape-shifting monster because of you!

Me: And now you will pay for it.

I kick him in the face and knock him out.

Me: That was easy. Too easy.

He tried to get up and Francis had his flamethrower pointed at him.

Dagget: Please! Don't kill me!

Francis (lowers flamethrower): Oh, you've got it all wrong. We're not gonna kill you.

Daggett: You're not?

Clayface: No. (grins evilly) But by the time J.D.'s done with you, you'll wish that we had.

The FBI and Interpol busted in and arrested Daggett.

Me: Get him out of here.

They took Daggett away.

Maria: That takes care of that. Francis, Matt, you redeemed yourselves by helping us bring Daggett to justice. Would you like to join the Redemption Squad?

Francis: I'm afraid we have to decline.

Clayface: Even though we got a taste of what it's like to be heroes I'm afraid that we can't.

Francis: We have to go and serve out the rest of our prison sentences. But it was fun working with you guys. How about we help you guys from the shadows whenever it's needed.

Me: We understand and that would be greatly appreciateed. Thanks buddy.

We shake hands and they went back to their prisons.

Batwoman: You did really good Max. (She playfully punches Max.)

Max: Thanks Francine.

Roland Daggett was found guilty of his crimes and sentenced to eternity in the Crematoria Slam. He will never get out of that prison alive. Professor Milo was found guilty of his crimes and sentenced to Life Without Parole in the Lake Vostok Prison in Antarctica.

FLASHBACK ENDS

When I was done everyone was amazed!

Qin: Whoa! So that's how you got your werewolf powers.

Me: Yep. And I rubbed it in Professor Milo's face.

Xenia: Nice.

Lady Quark: That's great you did. I never liked that guy.

Nico: That is amazing that you got your werewolf powers like that.

Qin: Yep.

Me: If he ever joins the M.O.E., it'll be awesome to show him what a werewolf can do

Xenia: You got that right.

May: No kidding!

Me: But look at this place!

Qin: Boy no kidding! I haven't seen this many bodies in well ever.

Nico: No kidding.

Xenia: Yeah what a bloodbath.

Camie: This was a slaughter fest.

Nico: Let's bring some heads home.

Me: EW! Nico we may kill bad guys but we do not collect heads as trophies.

Nico: Yeah you're right.

Me: Besides the heads are all brutally mutilated as you can see how I ripped them apart.

Nico: Yeah that is true.

Juran: What about those intact heads over there?

Nico: Juran no way.

Juran: Okay okay.

Me: We don't want people to think of us as deranged lunatics do you?

Juran: Yeah you're right.

Xenia: That would not be good. We don't want to be compared to Jeffery Dahmer.

Maria: We're not bringing ANY heads home.

Me: No way.

Xenia: Yeah.

Me: Anyway lets get ready for the next part of the rescue.

Nico: I was just about to suggest that.

Then my book for Jakku Dragon started glowing!

Me: Whoa my Jakku Dragon book is reacting to something.

Nico: That means the next Another Wonder Ride Embodiment is near.

Eli: Yep.

Nico: Who's next?

Me: (Sniffs) P.U.! What is that stench!?

Nico: Wait I think it's that!

We turned and saw a dragon! And it smelled horrible! It looked like a dark version of Haze Shenron, the Dragon of Pollution! It was ANOTHER JAKKU DRAGON!

Qin: Whoa! Another Jakku Dragon!

Xenia: Wow!

Lana: This one looks like Haze Shenron!

Camie: Yep.

Another Jakku Dragon: (In a girls voice) Sorry the stench came with the transformation.

Me: (GASP) That voice.

She reverted back and it was a girl with brown hair and had purple and dark blue sailor clothes.

Me: (GASP) Ella Tremaine A.K.A. Sailor Castle of Dreams!

Eli: Wow! The Sailor Soldier of Cinderella's world!

Nico: That is awesome!

Sailor Castle of Dreams: Yep and it's awesome to see you again J.D. You look amazing as a werewolf.

Me: I sure do. I call this form J.D. the Nocturnal, defender of the Night.

Lola: Yep.

Nico: I'm gonna need a noseplug!

I got a noseplug out of my pocket and gave it to him.

Nico: Thanks J.D.

He put it on him.

Me: Sorry about the mess.

Sailor Castle of Dreams: Boy you guys did a really thorough and brutal job in here mutilating those werewolves.

Me: That is a total understatement.

Xenia: No kidding.

Me: I take it you heard about what happened to Lady Tremaine.

Sailor Castle of Dreams: I don't ever want to see that monster and her spawn of Satan daughter Drisella again.

Camie: Why?

Me: Ella has a really nasty history with them. The reason? She saw Lady Tremaine poison her stepfather in cold blood and killed him. Ever since then she moved out of her home and into the castle to train hard to become the defender of the Castle of Dreams. And she became the Sailor Soldier for it. She and Cinderella were really close. Like real sisters. But after Lady Tremaine treated Cinderella like a slave, that was the last straw. She trained hard to one day get justice for her father.

Nico: Oh man.

Qin: Yeah.

Me: But you don't have to worry about those two.

Nico: They're banished to another planet.

Me: It's true. We banished those two to a distant planet at the very distant edge of the galaxy.

Eli: Good riddance.

Sailor Castle of Dreams: I heard about that and I"m really glad.

Me: Now everyone knows all about the true colors of Lady

Tremaine.

Camie: Yep.

Me: Anastasia…

Sailor Castle of Dreams: I heard J.D. She redeemed herself and I'm proud of her.

Nico: You should be.

Me: Yeah. Lady Tremaine and Drisella both got what they deserved.

Xenia: Yep.

Me: By the way are there anymore opponents with you?

Sailor Castle of Dreams: Yes there are. Another version of him.

She pointed to Count Spankulot.

Count Spankulot: Ooh another version of me!? This will be most interesting.

Me: It sure will. Friendly or hostile?

Sailor Castle of Dreams: Friendly. But also this one is a Spank Happy Vampiress.

Me: Really? That is amazing.

Sailor Castle of Dreams: And she is a gene-slammer for Maju-Garzett.

Me: Whoa that one will be interesting.

Nico: Who wants to face her?

Zuria: I will. Cinderella is one of my favorites.

Qin: Awesome.

Nico: Awesome.

Sailor Castle of Dreams: Lets do it.

She turned back into Another Jakku Dragon and Zuria went at her and fired waves of energy and smashed her down and I caught the Wonder Ride Book and it was called Dark Dragon Shadow. Then it turned into a new super Wonder Ride book called THE DRAGONS OF THE 7 DRAGONBALLS!

Me: Wow!

I went over and picked her up. And brought her over.

Nico: There. No more stink!

He took off the nose plug. But then…

PROJECTILE VOMIT!

Nico then got splattered with sludge vomit!

Me: AW SICK!

Eli: GROSS!

Me: Yuck!

Nico: Who did that?!

Eli: Yeah!

Nico: WHO'S THE WISEASS!?

Maria: GEEZ! Nico that stinks!

Me: You're gonna be taking a scalding hot shower when we get home mister!

Nico: Seriously, who did that?!

Me: I think that guy!

We turned and we saw MAJU GARZETT!

Qin: Whoa Maju Garzett!

Xenia: Scary!

Zuria: Yeah.

Then it changed and we saw that it turned into a dark version of Count Spankulot! It was ANOTHER COUNT SPANKULOT!

Qin: Another Count Spankulot!

Xenia: Cool!

Another Count Spankulot: (In a girls voice) (Transylvanian Accent) But it's good to see you again J.D.

Me: Wednesday Erebus! I had a feeling this one would be fitting for you.

Another Count Spankulot: It sure is.

Me: Wednesday is a goth girl and she is also a vampire. She is from Transylvania and also is a Spank Happy Vampire. But she goes after criminals and not children. She gives them such a vicious spanking that leaves their butts bleeding.

Xenia: YIKES!

Kaito: (gets out Ohranger gear) Did Swartz promise you anything?

Zocks: (gets out Carranger gear) Because we can grant it instead.

Kaito got a Zeo Sword and Zocks got a Carranger sword.

Another Count Spankulot: Oh he didn't promise me anything. Because he was in a hurry to get me out of there. The reason is because I spanked him so bad to the point where his butt had to be amputated.

We winced!

Nico: OUCH!

Another Count Spankulot: I'm beginning to like this girl.

Me: Yichihuahuas! To quote Mephisto: That was the worst fucking decision he ever made.

Nico: That is true! Boy he must've really been pissed at you for that.

Another Count Spankulot: He was.

Me: That was awesome leaving your mark on him like that.

Camie: Boy I'll say.

Me: You don't have to worry about him anymore though. We gave him the black gates.

Another Count Spankulot: That's good you did.

Sougo: (gets out Zeo Ridewatch) Tell me you spanked the rest of Dai Shocker!

Geiz: (gets out American Turbo Ridewatch) Except Gamou, of course.

Sougo got ZeoRedArmor while Geiz got RedTurboArmor.

Another Count Spankulot: Oh I sure did give them a great spanking.

Me: Now that you mention it, I did notice bleeding handprints on their butts when were facing them. Minus Gamou of course.

Xenia: Yeah no kidding.

Lola: Those were nasty bleeding handprints.

Another Count Spankulot: That was all me.

Me: Wow! You were really letting them have it. Sorry we have to fight like this.

Another Count Spankulot: That's all right. Come and get me.

Me: I think this calls for a little vampire action. Count, she just broke some bad rules.

Nico: (gets out Spankulot's Ridewatch) That means she's been VERY bad!

Count Spankulot: Those who break the rules are bad and must be punished! Prepare to feel the stingy wrath of Count Spankulot! (EVIL LAUGHTER)

She got the worst paddling ever! OUCH!

Me: OOH! OUCH!

Another Count Spankulot: OUCH!

Me: Sorry.

Maria: We'll get you some ice when this is done.

Me: In fact…

I spun my magisword bracelet.

SNOWBALL MAGISWORD!

I fired a bunch of snowballs and formed a pile and then she sat in them and then a massive cloud of steam came out of her butt!

Qin: OUCH!

Nico activated his ridewatch and fired energy hands and she dodged them.

Nico: (gets out Lady Quark's Ridewatch) Now, for this!

He activated it and fired energy blasts and smashed her down.

Me: I also found this one since Vampires hate this.

HOLY WATER MAGISWORD!

Lana: Wow!

I fired Holy Water and it burned her.

Nico: Ouch.

Me: Mental note: Make this useable during vampire hunting missions.

Xenia: Noted.

May: (gets out Red Claw's Ridewatch) My turn!

Me: Just so you know May, Red Claw doesn't have any powers but she is a very formidable and deadly martial artist.

May: Noted.

She activated it and went and smashed and pulverized Another Count Spankulot all over.

Me: And this too.

EXPLODING BUBBLE MAGISWORD!

I fired bubbles and they hit Another Count Spankulot and smashed her down in a huge explosion.

May: (gets out Anti-Tooth Fairy's Ridewatch) Let's knock out some teeth!

She activated it and fired a magic blast and Another Count Spankulot dodged it and the blasts bounced off the walls.

Me: I got this!

I snapped my fingers and teleported Killjoy Huggins to us and then the magic blast hit his teeth and smashed them into dust!

Qin: OOH! That has to hurt!

Me: Hope you like talking with no teeth huggy wuggy.

We laughed!

Killjoy Huggins saw me as a werewolf.

I roared!

WOLF ROAR!

Me: I'M GONNA EAT YOUR FLESH!

He screamed and then I teleported him back.

Nico: Nice scare and very clever.

Me: Thanks.

Eli: That was awesome.

Me: He sure didn't like seeing me as a werewolf.

Maria: (gets out Big Bad Wolf (Super Mario Show) Ridewatch) Speaking of wolves…

She activated it.

Maria: YOU COME OUT OF THERE OR I'LL HUFF AND I'LL PUFF AND I'LL BLOW YOUR HOUSE DOWN! Oops wrong story.

She fired waves of energy and smashed her down.

Me: That was funny.

Maria: (Gets out Count Burns' Ridewatch) Now, to use the power of another vampire.

She activated it and got fangs and floated and she fired waves of energy.

Maria: I look awesome with fangs. I wonder how William will like seeing me with them. Anyone got any blood?

I pulled out my cooler and gave her some blood from the blood bank.

Maria: Thanks J.D.

Me: Anytime Maria.

Maria drank it all.

Then Count Nocturne and his team consisting of Evil Bubble Man, Rat Fangire, Count Duckula, Lillith and Billiard Shadow came.

Count Nocturne: Hey guys! Whoa what a bloodbath!

Qin: Yeah no kidding.

Nico: Nice team, Count Nocturne!

Count Nocturne: Thanks. Whoa J.D. is that you? You look awesome as a werewolf.

Me: Yeah I sure do don't I. It's my J.D. the Nocturnal Werewolf form.

Nico: Yep.

X-Squad Bangray: I got this one.

He activated Lady Quark's Ridewatch and fired more energy blasts and smashed her down.

Nico: Is this your first time seeing J.D. in this form?

Count Nocturne: It sure is.

Me: Yep. I think so too. With this form I caused all this carnage here.

Count Nocturne: Whoa that is brutal!

Qin: No kidding there.

Camie: Yeah that was awesome.

Lola: Yep. I hope the next gene-slammer is near too.

Maria: I have a feeling that she is.

Then a figure flew in spinning and we saw that it was an Aipom.

Qin: An Aipom!

Camie: Awesome.

Aipom: (In a girls voice) It sure is.

Nico: Farrah Wendoll!? Whoa!

Me: The famous Olympic gold medal gymnastics star? Awesome!

Xenia: Yeah!

Aipom: Yep. I got this.

She fired energy stars and smashed down Another Count Spankulot and I caught the ridewatch and purified it and I went over to Wednesday and picked her up.

She was a black hair girl that had it braided in pigtails and had black clothes and had vampire fangs and had bat wings.

Me: You okay Wednesday?

Wednesday Erebus: (Groans) That was crazy.

She saw me.

Me: Sorry if I'm scaring you.

Wednesday Erebus: You aren't J.D. I like you as a werewolf.

Me: I do look awesome.

I brought her over.

X Squad Bangray: What's your favorite memory of Nico?

Aipom: My favorite is when me and Nico won the state gymnastics tournament and it was awesome.

Qin: That was awesome.

Me: Wow. Lets get you back to normal.

I reverted back and I put on my blind man glasses and Nico pulled out a purple jumpsuit and the boys covered their eyes and I snapped my fingers and she was reverting back. She reverted back and was a girl with purple hair and purple eyes and she put on the jumpsuit and Nico went over and helped her up. Then he and Farrah hugged.

Nico: I've really missed you.

Farrah Wendoll: Me too Nico. Me too.

Juran: You know what? Let's just burn the bodies and not bring home any heads!

Me: Good idea.

Lola: Leave that to me.

She fired a massive blast of fire and incinerated them in an instant into ashes.

Xenia: Nice.

We went back home.

Lincoln: Whoa, we're here in Japan, and I know what we're going to do here, not only am I going to rescue the ten girls here, but we're going to destroy the Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5 from Chainsaw Man.

Nico: This is going to be one brutal and bloody battle, Linc. You ready to start spilling blood?

Me: And causing a massacre?

Lincoln: You bet. Plus, from what I know from reading the manga and anime of Chainsaw Man, we've got three dangerous organizations that need to be destroyed for good, and blood's going to be spilled all over the streets. Luckily, I also brought this with me.

Lincoln spun his Magisword Bracelet.

CHAINSAW MAGISWORD!

Me: Oh yeah, now you're talking!

Nico: The Chainsaw Magisword, oh man, body parts are going to go flying all over the place.

Lincoln: And blood's going to be spilled by the bucket loads, and I want to thank you and your team for joining us, Sakura.

Sakura Avalon: You're welcome, Lincoln.

Buster Bunny saw something heading our way.

Buster Bunny: Uh oh, we got something heading our way.

Suddenly, we saw a beautiful girl with long golden yellow hair, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful midnight black angel wings and the Yellow Sign on her forehead, she has on a sleeveless midnight black midriff top, midnight black skirt with the symbol of Cthulhu on it, midnight black pants, no shoes, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Hastur and holstered on her back is a massive Shub-Niggurath-themed greatsword with embedded red gems and Hastur etched on the 7'0" massive, wide, double-edged midnight blade, large octopus heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large octopus heads with curved tentacles and large red gem on the bottom of the large octopus heads for the pommel.

Then, we saw Ultra Beetrooper Absolute Hercules also arrive, and with them are the ten girls.

Nico: Whoa, that's Ultra Beetrooper Absolute Hercules and the sixth incarnation of the Cthulhu Mythos entities.

Ultra Beetrooper Absolute Hercules: (Girl's Voices) You got that right, and we got the ten girls away from the Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5, and they're really really mad now.

Lincoln: (Gasps) Helena Hastur and Kasumi Herakuresuōkabuto, I knew it was you two, but we'll talk later, I just know our targets are already fast approaching.

Suddenly, we heard massive roars of anger and we saw three large groups fast approaching: The evils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5, and they're really really mad now.

Lincoln: Whoa, did you girls really make them mad! Perfect! (Deep Sapphire Eyes turn Blood Red)

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable

Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he went after The Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5, and he fired extremely powerful blasts of rainbow energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at the Devils/Fiends, Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5, and they exploded with incredible power as they hit him.

Then, Lincoln slashed at them with his massive greatsword and Chainsaw Magisword, and he not only left scars, but he was also hacking off their arms and legs, even decapitating them, and oceans of blood were really being spilled.

Me: Jeez! Lincoln's really causing a bloody massacre, should we jump in?

Nico: Are you kidding, dude? This is something that Lincoln's been wanting to do for a long time, and there's no way I'm getting in the middle of this!

Eli: Same here, it's a bad mistake to get in the way between a vampire-werewolf-cyborg hybrid and his food.

When Lincoln was done, oceans of blood have been spilled all over the place and the body parts of our targets are littered all over the place. Then, Lincoln began absorbing all of the spilled blood and he was also absorbing the hacked off body parts, and then, energy cards with the imprisoned souls of The Devils/Fiends, Gun Devil's Agents, and The Public Safety Devil Extermination Special Division 5 appeared before Lincoln, and all of them were finally sent to The Black Gates. Lincoln holstered his massive greatsword and the Chainsaw Magisword shrank back, and he powered down.

Vambre: (British Accent) (Stunned with Awe) Wow. Linky, that was truly amazing, you've really been training hard, especially with your own Magisword Bracelet.

Lincoln: Thanks, Vambre, thanks to the training I got with the Magiswords for six and a half years, I've been getting good with this, and I wanted to show my skills with my own Magisword Bracelet. But, now we're rid of the Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5 for good. (To Helena Hastur and Kasumi Herakuresuōkabuto) And it's so good to see you again, Helena Hastur and Kasumi Herakuresuōkabuto.

Kasumi Herakuresuōkabuto reverted back to normal, and she's a beautiful girl with long red hair, blue eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful bubblegum pink angel wings and she reigned in the power of Ultra Beetrooper Absolute Hercules, she's dressed in a white and red school uniform shirt, pink skirt, socks, blue shoes, and long white sleeveless trenchcoat with insects and beetles on the coattails and on the back is Ultra Beetrooper Absolute Hercules and holstered on her back is a massive Ultra Beetrooper Absolute Hercules-themed greatsword with embedded blue gems and Ultra Beetrooper Absolute Hercules etched on the 7'0" massive, wide, double-edged pink blade, large beetle heads for the crossguard, large blue gem embedded in the rainguard, longer midnight black handle, four large beetle heads and large bubblegum pink gem on the bottom of the large beetle heads for the pommel.

Helena Hastur: You too, Lincoln.

Kasumi Herakuresuōkabuto: It sure has been a very long time since we last met, and it's also good to see you again, Lisa.

Lisa Loud: You too, Kasumi.

Lincoln walked up to Helena Hastur and Kasumi Herakuresuōkabuto and he hugged them, and Helena Hastur and Kasumi Herakuresuōkabuto are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Helena Hastur: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Kasumi Herakuresuōkabuto: You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, the first girl is Helena Hastur, The Incarnation of Hastur, she's my Guardian Angel from Massachusetts and classmate in Art. Helena Hastur is known as the most powerful of The Cthulhu Mythos incarnations, and Helena Hastur is also one of The Great Old Ones in the Cthulhu Mythos, and Helena has the same powers as Hastur himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Hastur's Yellow Sign Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged into a dark planet in the dark reaches of space, and even worse, should they dare see Hastur appear in his Avatar form, The King In Yellow, he'll mark the victims with The Yellow Sign, and they will be damned to eternal madness and their soul will be dragged into eternal darkness.

Me: Yikes!

Lincoln: Yeah, it's a really dark and deadly curse for those who are beyond redemption, and the second girl is Kasumi Herakuresuōkabuto, she's my Guardian Angel from Japan and classmate in Math, but she's also an expert on insects, mainly beetles. Her last name, Herakuresuōkabuto, means Hercules Beetle in Japanese. She and I would also check out all kinds of insects, and surprisingly, Lisa, along with Kasumi and I would study the insects and name new ones they end up coming across. While in the park, I kissed Kasumi on the lips.

Me: Wow, that's really awesome that you guys would check out all kinds of insects.

Nico: And surprisingly, Lisa came along, despite knowing of Lisa's…?

Lincoln: Yeah, but Kasumi was watching her like a hawk. Plus, I found out that she's also the younger sister of Loid Forger.

We gasped.

Me: Which makes her the aunt of Anya Forger and Yor Forger's sister-in-law. Anya and her family are in for a big reunion when we get back.

Lincoln: You said it, and Kasumi hates Icky Vicky with a burning passion.

Helena Hastur: Who doesn't? (To Lincoln) Oh, Lincoln, there's something Kasumi and I want to give you.

Lincoln: Let me guess, you two want to give me your blood, right?

Kasumi Herakuresuōkabuto: How did you guess?

Lincoln: Well…

Lincoln's Guardian Angels and his entire harem showed the bite marks Lincoln made on them when he marked them and fed on their blood.

Kasumi Herakuresuōkabuto: Whoa, and it's true that those you feed on: those you love won't be turned into vampires, but still, you marking them proves if they get messed with, you're heading right for the dumbasses who dared to anger you.

Me: That's right.

Lincoln first walks over to Helena Hastur, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Helena Hastur's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Then, he walks over to Kasumi Herakuresuōkabuto, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Kasumi Herakuresuōkabuto's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Kasumi Herakuresuōkabuto: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Helena Hastur's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on Kasumi Herakuresuōkabuto's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Helena Hastur and Kasumi Herakuresuōkabuto: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Helena Hastur and Kasumi Herakuresuōkabuto.

Helena Hastur and Kasumi Herakuresuōkabuto had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the ten girls, and when Lincoln saw them, he recognized them immediately. The ten girls are Kobeni Higashiyama, Power, Makima, Quanxi, and Himeno from Chainsaw Man and King, Blue Mary, Kasumi Todoh, Chizuru Kagura, and Li Xiangfei from King of Fighters.

Lincoln: Oh wow, it's Kobeni Higashiyama, Power, Makima, Quanxi, and Himeno from Chainsaw Man and King, Blue Mary, Kasumi Todoh, Chizuru Kagura, and Li Xiangfei from King of Fighters.

Nicole: Whoa, awesome.

Lincoln: Are you girls okay?

Kobeni Higashiyama: Yes, we're okay, thanks to you.

Then, when Kobeni Higashiyama and the other nine girls saw who it was that saved them from the Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Lincoln made nine clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Kobeni Higashiyama: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, ten Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Kobeni Higashiyama, Power, Makima, Quanxi, Himeno, King, Blue Mary, Kasumi Todoh, Chizuru Kagura, and Li Xiangfei with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were the Devils/ Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5 from Chainsaw Man.

But, when Lincoln showed what he did to them and the bloody massacre that followed thanks to him hacking and slashing them to pieces along with using The Chainsaw Magisword and finally absorbing all the blood and hacked off body parts of those monsters and sending their souls to The Black Gates for good, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Helena Hastur, and Kasumi Herakuresuōkabuto have a lot of catching up to do, now that they're back in town.

Maria: Damn, first J.D. had his fun with ripping Claude and his werewolf horde to shreds, and now, you did when you slaughtered the villains from Chainsaw Man, and you absorbed all the spilled blood and hacked off body parts. Man, you were really hungry.

Lincoln: It was still really good, and I made sure to clean up the mess.

Nico: He sure did, and Eli warned us not to get in the way of a vampire-werewolf-cyborg hybrid and his food.

Me: Yeah, and we didn't want to get caught in the middle of the massacre Lincoln started. Plus, he did have fun showing his skills with the Magiswords, namely the Chainsaw Magisword, that was a nice touch.

* * *

After destroying the Devils/Fiends, along with The Hybrids, Gun Devil's Agents, and Public Safety Devil Extermination Special Division 5 from Chainsaw Man and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Helena Hastur and Kasumi Herakuresuōkabuto saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Helena Hastur: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Kasumi Herakuresuōkabuto: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Kasumi Herakuresuōkabuto: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Helena Hastur: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Helena, Kasumi, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Helena Hastur: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lynn. One day, Lincoln and I were all busy with painting something in his room, and Laney was also with us. But, then, Lincoln's door was busted down, and we saw who it was: it was Lynn, and she wanted to kill Lincoln and Laney yet again. I was so absolutely pissed off at that gorilla, I almost got that close to using Hastur's Yellow Sign Curse and having her damned for all eternity by Hastur, but Lincoln stepped in and he fired a blast of fire energy and trapped her inside a fire orb, and he told everyone of what Lynn tried to do to us, and as a result Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, I gave Lynn the bird through the window, and she roared and beat her chest like a gorilla again.

Laney: Yeah, I remember that day all too well, plus, Lynn was still behaving like a wild animal. That's proof that she needed to be put in her place again, otherwise she would go on a rampage throughout Michigan.

Kasumi Herakuresuōkabuto: That's putting it mildly, and Lynn was also at it again with me, Lincoln, and Lisa. One day, we were at the park, and we were doing a study on the Japanese Beetles, Asian Long-Horned Beetles, and Emerald Ash Boners, three of the local 180 beetles native to Michigan. But, then, we saw an incoming soccer ball come in, and it sent the beetles scurrying for their lives, and we heard the sound of obnoxious laughter in the air, and there was only one person responsible for it: Lynn. That ignoramus ape was once again on another rampage, and she ran at us to pummel us, but Lincoln grabbed Lynn by her ponytail, and he slammed her hard onto the ground, which knocked her out and Lincoln fired red energy beams from his white angel wings and tied that animal up, then we dragged Lynn home, and after we told the family of what Lynn tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal cage, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lynn the bird through the bars, and she roared and beat her chest like a gorilla again.

Nicholette Torrington: This hadn't been the first time I gave Lori, Lynn, Lola, Lisa, or Luan the finger, and I wasn't the only Guardian Angel of Lincoln to give those five that gesture as well.

Me: Yeesh, isn't that really just provoking them even more?

Nico: Yeah, by giving them the finger, you're just going to provoke them even more, including Lynn.

Lincoln: I told them that as well, and I eventually got them to stop with giving them the finger when they wind up getting thrown in there. But, Lori, Lynn, Lola, Lisa, and Luan refused to give up in trying to kill me, so with great reluctance, I told my Guardian Angels to flip them off whenever those five get thrown in that metal cage

again.

Nico: Ouch.

We got a shower afterwards, and then, Lincoln, Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze are heading to Sirena Beach.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze all had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Stella Zhau: Wow, you've chosen Sirena Beach for our first date, Lincoln, it's really beautiful.

Lincoln: It always is, Stella. Shall we?

Lincoln, Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze, and they hugged the girls in their abnormally massive and powerful muscular arms and Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Kurumu Kurono: Looks like someone had quite a fun time at Sirena Beach, eh, Linky?

Lincoln: (In Heaven) It was awesome!

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Nami, Nico Robin, Monet, Vivi Nefertari, Stella Zhau, Fleetfoot, Saffron Masala, Tree Hugger, and Autumn Blaze with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Ronnie Anne: Should've known Stella also had feelings for you, Lincoln, the same with Saffron Masala, Tree Hugger, and Autumn Blaze, and Nami, Nico Robin, Monet, Vivi Nefertari.

Stella Zhau: And he also fed on our blood, and you're right, Ronnie Anne, he sure is gentle when he marks his future wives and feeds on their blood.

Lily the Mermaid: He sure is.

---

Later we were watching TV.

I couldn't find a good spot to sit on our sofa. The reason is because it was falling apart.

Me: Geez our sofa is a mess.

Camie: No kidding.

Me: The sooner our new couch gets here the better.

Lola: Yeah.

DING DONG!

Keito: Our new couch is here!

The elevator opened and in came a huge sofa and it was a really nice flame color sofa. It was huge sofa lounge and love seat and sofa sleeper.

Me: Wow!

Qin: Awesome!

Leni: Who wants to move the couch?

Poromon: Me, Poliwag, Manaphy, and Horsea will!

Nico: As long as one of us helps.

Poromon: Okay.

I volunteered and Nico and Eli got the old couch out and given to the donation center.

We put the sofa together and it looked amazing.

G1 Tantrum: Need some help?

Manaphy: Yeah! It's heavy!

?: Let us help.

We saw 2 Sunflora!

Me: Whoa! Two Sunflora?

Sunflora: (In a girls voice) This sofa is amazing.

Nico: Sunny Tayoura! Wow!

She reverted back and was a girl with blond hair and purple eyes and green clothes and she had yellow butterfly wings.

Sunny and the mascots and Tantrum lifted the sofa and we got to setting it up.

Sunny Taiyoura: Boy that is a beautiful sofa.

G1 Hot Spot: You reverted back on your own?

Sunny Taiyoura: I sure did.

Qin: Just like many of us did.

Lola: Cool!

I tried out the sofa.

Me: Ahh! Boy this is nice and comfy.

Xenia: Boy I'll say.

Qin: It's nice.

Maria: What's your favorite memory of Nico?

Sunny Taiyoura: My favorite is where me and Nico went and took down loggers trying to destroy the forest.

Nico: Yep.

Qin:That was awesome.

Lola: Wow!

Xenia: Tjay os cool!

Nico and Sunny hugged.

Nico: I really missed you.

Sunny Taiyoura: Me too Nico. Me too.

Me: Your Sunflora is awesome.

Poromon: She sure is.

Manaphy: I'll say.

Meowth: Nico, which teams have you made this time?

Nico: Marceline's team will include Melody, Iris Brockman, Sailor Starlights, Lava Girl, and Charlie McGee. Dante's team will include Jessie Bannon, Gabby Eunice, Kale, Caulifla, and Gine.

Me: Cool!

Gabby Eunice: That is awesome!

Kale: Yeah it is!

Gine: I'm looking forward to this one.

Caulifla: Me too!

The previous group came.

Juggernaut: Can me, Kaos, Mr. Fizz, Dr. Viktor, Technus, Zavok, General Schwarz, Rowdyruff Boys, Sportsmaster, and Skinner go with you guys?

Yost Rhino: Me, Shaman Apsu, Ed Bighead, Frankenstein, Mike Rochip, Evil Pharaoh Man, Evil Vespa Woman, Axel, Thunderhoof, and Sellon will come as well.

Nico: Yes you guys can all come with.

Butch: And if we're going to destroy Krytus today, we should go to the Hub.

Boomer: That's Battle Force 5's HQ.

Nico: I was just about to suggest that.

Qin: Yep.

Metal Man: Nico, which Gene Slammers do you think you'll meet next?

Nico: Yanma, Quagsire and Espeon next guys.

Camie: Awesome!

Xenia: Yep.

King Kai: (Telepathically) Nico, everyone, can you hear me?

Nico: Loud and clear, King Kai, what's up?

King Kai: (Telepathically) I've got some huge news, Krytus has returned, and he's out for revenge on you guys for destroying him.

Me: This is the kind of news we've been looking forward to hearing: now, we're finally going to send that dishonorable monster to The Black Gates once and for all.

Lincoln: And because we destroyed his respawning chambers all over the universe years ago, there'll be no chance of him returning ever again. Now, he's heading for The Black Gates once and for all.

Nico: You got that right, Lincoln.

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Lucas Velasco of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Lucas Velasco of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Regina Topi: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Lucas Velasco for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, it's time to put the final touches to our plan and send that monster, Krytus, to The Black Gates once and for all.

Lincoln: Our long and patient plan is finally about to come to fruition, and soon, we'll be rid of Krytus once and for all, and once we get through with Krytus, you're the next one to die, Lucas Velasco.

Regina Topi: (Spanish Accent) That monster, Krytus, will pay for his crimes against The Multiverse, and none will ever say a kind word at his funeral, and once you're gone, Krytus, you better say your prayers, Lucas Velasco, you better say your prayers, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation.

Nico: Lets go!

We teleported to the Battle Force Hub.

---

We arrived.

Kaos: Here we are at the Hub!

Agura: Home sweet home!

Shaman Apsu: You guys really missed this place, huh?

Me: It's amazing. Wow.

Qin: Boy this place is cool.

Nico: Yep.

Sage: Welcome back, everyone.

Beekeeper: Good to see you again, Sage.

Me: Sorry to drop in like this. Have you heard the news?

Sage: Yes. Krytus is back.

Me: We have been facing his 4 followers over the last 4 days and they are now in the Masters of Evil.

Sage: That's what I was hearing.

Teresa: Krylox appeared while we fought Onccalon and Deeth.

Erica Haddock: That's right and on my big day mission too.

Android 17: That is right. I decided to make him my archenemy.

Sage: That is amazing.

Zavok: We faced Kyburi on Chinese New Year.

Axel: Specifically, when she was helping Shan Yu.

Vicky Emily Skartaris: We sure did. Sorry my name is Vicky Emily Skartaris and I just joined the team.

Sage: Ah pleasure to meet you.

Vicky Emily Skartaris: She is now my archenemy.

Nico: Yep.

Cloud Man: And we just faced Kyrosys yesterday.

Sailor Enchanted Dominion: Yep and he is now my archenemy.

Sage: Boy you guys have been busy.

Me: Yep. Now all that's left is to deal with your so-called brother.

Xenia: Yep and we're going to give him the black gates.

Me: He doesn't have anywhere to go now that all his respawning chambers are destroyed.

Nico: Good. We got him trapped like a rat. (To Master Splinter) No offense.

Master Splinter: None taken.

Sportsmaster: We better upgrade our cars here so we'll be ready for Krytus.

Thunderhoof: Except me because I turn into a vehicle.

Nico: Okay.

Axel: By the way J.D. we heard from Count Nocturne you really ripped a bunch of werewolves and an entire cult of them to shreds as a werewolf.

Me: I sure did.

Nico: Boy you should have seen it guys. That was the bloodiest gorefest we ever did.

Scrapper: And you didn't bring any heads home?

Juran: (pouts) I wanted to!

Me: We don't want to be compared to Jeffery Dahmer.

Juran: Yeah you're right on that.

Scrapper: Good reason.

Nico: Yeah that was awesome.

Axel: Boy we saw that all over the news in Paris. U.A. Carnage loved all that blood and carnage everywhere.

Skinner: It was a horror themed rescue

Sellon: With werewolves and vampires.

Me: That's right and it was awesome seeing vampires and werewolves working together.

Nico: Yep.

Me: And Masato is gonna be in for a rude awakening tomorrow. I promised to rip him apart in the same manner as I did as J.D. the Nocturnal.

Sellon: Oh this I got to see!

Axel: Boy this will be awesome!

Me: You're more than welcome to come with.

Cassidy: Yeah.

Axel: Thanks guys.

Toad Man: Soji's DEFINITELY coming with you.

Soji: It takes a Rider to help defeat another Rider.

Me: Yep. What's ironic is that Takumi is also the Wolf Orphnoch and it'll be fitting too. J.D. the Nocturnal and Takumi the Wolf Orphnoch.

Nico: Battle of Werewolves.

Camie: His Wolf Orphnoch half is going into the M.O.E.

Xenia: Yep.

Brittney: Yeah I can use my powers to make the Faiz Changer safe for everyone.

Me: Okay. You'll come with too Brittney.

Brittney: Great.

Evil Vespa Woman: I have a feeling that Takumi might ask us to make a contingency plan in case his Orphnoch side gets out of control.

Brick: Not that I blame him.

Me: Me neither but that is a good call there.

Nico: Leave that to me.

Me: Okay.

Nico: Lets get ready for Krytus.

We did so.

I sat down and I was thinking in deep thought.

Vert: What's a matter J.D.?

Me: I've been thinking. It's about Cassidy. I have a feeling she is gonna be doing great on her missions. But I've…

Nico: You also developed feelings for her.

Me: Yes I sure have.

Sixshot: (overhears this) If you love her, tell her how you feel.

Me: I will. But I just need to wait.

Nico: Give it some time J.D.

Cassidy was sitting down and she was looking at me the same way.

Varie: You like J.D. too Cassidy?

Cassidy: I sure do. I've developed feelings for him.

Varie: Well tell him how you feel when you are ready.

General Schwarz: Where do you think Krytus is?

Vert: Definitely in the Battle Zone with that arena where the ancient Sentient gladiatorial games.

Evil Pharaoh Man: And it's where you guys ensured that he showed his true colors when you time travelled there that one time.

Vert: That's right.

Me: I remember hearing about that. That was intense!

Vert: Yeah no kidding.

Ink Rose: By the way J.D. I forgot to ask this. How many werewolves did you rip apart?

Me: 80,217. I counted.

CLANG!

Axel's jaw dropped!

Sellen had to put it back in!

Axel: That is a massive bloodstorm!

Me: You're not kidding there.

Qin: That was a lot of dismemberment.

Alister: Have you locked on to his coordinates?

Sage: Yes we have.

Nico: Good then finding him will be easy.

She showed us that it was in a Roman Colosseum like arena on the Red Sentient Homeworld.

Nico: This will be awesome.

Me: Yep.

Technus: Vert called it!

Mike Rochip: Let's head on over there!

Me: Get ready Krytus, we're Coming for you! (EYES GLOW RED)

Nico: Yeah! You have nowhere left to run.

We were off!

We arrived at the Red Sentient Homeworld.

Me: Target sighted.

We saw the Colosseum.

Juniper Montage: Entrance time!

Nico: Lets go!

At the colosseum Krytus was roaring in fury as the blue and red sentients that turned against him jeered with incredible fury.

Then the spirits of the Hot Wheels Cars from over the course of the years drive and swirled around around him and then they converged and then…

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

A massive fiery explosion blasted off above him and then a phoenix cry was heard and then we flew in and the Battle Force 5 drove in on their cars and we were facing KRYTUS!

Me: Krytus! So we meet at last. For the first and final time!

Krytus: You will pay for everything you did J.D.!

Me: What I Did!? Oh no no no it's the other way around. You will pay for everything YOU did!

Krytus: I remember that our feud against each other began so many years ago on this planet in this arena.

Mr. Fizz: That's what Vert told us.

Me: So we have heard.

Krytus: And it's where it will all end. And after you're all dead, Earth will be mine to conquer. I'll even show Sage your dead bodies right before I kill her!

Me: Like hell you will!

Vert: You're not going anywhere near her!

Ed Bighead: Plus, even if you DO kill us, you still have the Dinotrux, Beyblade Metal Fusion heroes, Blade Riders, Natsumi and her friends, Revice Riders, Jun and her friends, and Big Green heroes to deal with.

Nico: That's right!

Me: Even if you destroy us you haven't won! My friends will never stop fighting you! And even if they fall others will come forward! As long as all you care about is yourself you will have to take on the entire universe! YOU WILL NEVER WIN!

Krytus: Even if you are right, which you're not, there is still one thing I CAN do: I CAN KILL YOU!

He fired a massive red energy blast and I did the same and fired a massive blue blast and the blasts collided and then they exploded with unbelievable power!

EXTREMELY MASSIVE AND UNBELIEVABLE POWERFUL FIERY EXPLOSION!

The explosion was so massive and so powerful and so devastating that it shook the planet to the core! Fire spread over the entire planet like mad!

Krytus was infuriated!

Krytus: (ENRAGED SCREAMING) WHEELER! WHEELER! WHEELER! WHEELER! WHEELER! WHEELER! The first thorn in my side was my sister, Sage, and now it's his that meddling fool Vert Wheeler! Why?! I hate you Vert Wheeler! AND I FUCKING HATE YOU TOO J.D. KNUDSON! I never hated anyone or anything more fucking so than I hate you! Why is it always you guys, why must you stand in the way of my plans time after time, again and again?! WHY CAN'T YOU ALL JUST FUCKING MIND YOUR OWN BUSINESS!? I am getting so sick of the ALL YOU FUCKING DO GOODERS sticking their FUCKING noses where they don't belong! If it hadn't been for the two of you, then I would already be ruler of the entire Multiverse and the Earth by Now!

Then all our auras FLARED UP WITH INCREDIBLY EXPLOSIVE FORCE FROM HIS INTENSE HATRED!

Nico: Thanks for the power boost!

Me: And Another thing, THIS IS our fucking business!

HE SCREAMED IN RELENTLESS AND UNBELIEVABLE FURY! HE WAS INCREDIBLY MAD!

Krytus: I FUCKING HAAAAATEEE YOU ALLLLL!

Then suddenly!

EXTREMELY MASSIVE UNBELIEVABLY MASSIVE EXPLOSION OF ENERGY AND POWER!

OUR AURAS EXPLODED OUT WITH INCREDIBLE FORCE AND FURY THAT IT MADE THE POWER BOOST WE RECEIVED FROM EVIL MANDY FEEL LIKE NOTHING! OUR POWER INCREASED INFINITELY POWERFULLY AND MORE! OUR POWER WAS STRONGER THAN EVER!

Nico: You can hate us as many times as you want but all you're doing is just making us infinitely more powerful.

Then Toiletnator, Fixer, Mr. Mittens, Leonard, Xiao Fung, Iron Lung, Vanitas, El Diablo, Merman, Evil Lyn, Pooperman, Evil Spring Man, Superfriends Cheetah, Beagle Boys, Evil Wing Man, Windfall, Dark Phoenix, Fire Lord, Genbu, and Mouth of Sauron appeared.

Nico: Toiletnator, Fixer, Mr. Mittens, Leonard, Xiao Fung, Iron Lung, Vanitas, El Diablo, Merman, Evil Lyn, Pooperman, Evil Spring Man, Superfriends Cheetah, Beagle Boys, Evil Wing Man, Windfall, Dark Phoenix, Fire Lord, Genbu, and Mouth of Sauron.

Leonard: WHOA! What an explosion!

Iron Lung: That was incredible!

Mr. Mittens: Man Krytus is really mad now.

Me: Yep.

Toiletnator: I knew defeating Krytus' former buddies would pay off!

Fixer: It sure did.

Me: Yep.

Mr. Mittens: Since we're not in the Shadow Zone, we can kill Krytus without endangering the Multiverse.

Me: You got that right.

Leonard: (to me) We heard you killed several Werewolves.

Me: We sure did. Actually we all did.

Xiao Fung: Was it that bloody?

Me: Incredibly bloody! Total Dismemberment and Carnage Fest.

Nico: That was awesome.

Destructipede then appeared.

Nico: Destructipede, back for another round?

Destructipede: You bet I am.

Nico: Cool.

Destructipede: I can't wait for when the Donbrothers join you guys.

Me: Boy me neither.

Qin: I have a feeling this will be awesome!

Eli: Yeah we'll have 46 years of rangers with us soon.

Xenia: We sure will.

We got the battles underway.

---

## Layla, Rarity, Sweetie Belle, Water Skylanders, Michelle Torrington, Echo, and Team Rocket VS Toiletnator - The Ramen Festival yesterday and Nico's rescue today was a Bloodbath

---

Toiletnator was first.

Toiletnator: (to Layla) I hope the others enjoyed The Ramen Festival yesterday. And Nico's rescue today was a Bloodbath

Layla: They really enjoyed that one and got tons of different kinds of ramen. Also Nico's was the bloodiest ever.

Rarity: Boy it sure was darlings! The most blood ever spilled in one day.

Sweetie Belle: You're not kidding there!

Gill Grunt: Yeah that was an awesome battle too.

Michelle Torrington: You said it and J.D. looked amazing as a werewolf.

Echo: Boy he sure did.

Toiletnator: I agree there. Lets do it!

Layla used her legend items.

WATER CLOSET OF SEWER FILLED DOOM! TOILETNATORS SHIT MINIONS OF FEAR!

Layla summoned Shit Minions and fired waves of water and they fired waves of water, jewels, ice and toilet paper and smashed him

down.

Layla: Okay now I need to wash my hands.

---

Piper, Sunset Shimmer, Pipsqueak, Fire Skylanders, Hailey Helios, Sailor Sun, Metal Man and Ice Man (Megaman) VS Fixer - The battles on Nico's rescue Yesterday and Today

---

Fixer was next.

Fixer: (to Piper) The battles on Nico's rescue Yesterday and Today were awesome. Though his rescue today was very bloody.

Piper: That was the bloodiest ever!

Sunset Shimmer: That one had the most dismemberment of any rescue ever known.

Pipsqueak: (British Accent) No kidding there!

Sunburn: All because a Dark Orb was making clones of the werewolves.

Hailey Helios: That was one of the most bloodiest battles ever.

Sailor Sun: J.D. was literally SATURATED in blood!

Fixer: Boy no kidding there! Lets do it!

Piper used her legend items.

PIPER'S PHOENIX FLIGHT! MYSTICON FURY FORCE!

Piper grew wings of fire and they fired waves of fire and smashed him down.

---

CatDog, Fluttershy, Tornado Bolt, Seabreeze, Life Skylanders, Blind

## Maria Johnson, Daredevil, Beekeeper and Doofenshmirtz VS Mr. Mittens - Lincoln's Rescues yesterday and today

---

Mr. Mittens was next.

Mr. Mittens: (to CatDog) Lincoln's Rescues yesterday and today were awesome like always. And we got several new girls.

Cat: We sure did and it is amazing.

Dog: Boy you said it Cat.

Fluttershy: All the girls that Lincoln met are amazing.

Tornado Bolt: They sure are.

## Lori Loud, Rainbow Dash, Scootaloo, Air Skylanders, Miranda Rodriguez, Maximum Ride, Teresa and Arpeggio VS Leonard - Meeting the incarnations of Shub-Niggurath and Hastur and gene-

slammers for Blue-Eyes Ultimate Dragon and Ultra Beetrooper Absolute Hercules.

* * *

Leonard was next.

Leonard: (to Lori) I heard you guys met the incarnations of Shub-Niggurath and Hastur. And gene-slammers for Blue-Eyes Ultimate Dragon and Ultra Beetrooper Absolute Hercules.

Lori: We sure did and they are literally amazing.

Rainbow Dash: Their names are Kasumi Herakuresuōkabuto, Helena Hastur, Selena Shub-Niggurath and Takara, Tomoko and Toshiko Neobāsuto. You should see what they are like.

Scootaloo: All their stories are awesome too.

* * *

Selena Shub-Niggurath: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Chandler. One day, Lincoln and I were at our Gym and Lincoln was doing some weightlifting, and it still surprised me to see how much weight Lincoln can lift. But, our day got rudely interrupted when Chandler showed up wanting Lincoln dead yet again. I was so mad at him, I wanted to use Shub-Niggurath's Dark Young Nebulous Curse on him, but before I could dare attack him, Chandler came after Lincoln again, but Lincoln dodged every last one of his attacks, and he delivered a mean left hook to Chandler's stomach and he went down like a sack of bricks, and he lifted Chandler up by the collar of his shirt and he tossed him into a mat-covered wall and he wound up knocked out. Then, Lincoln fired red energy beams from his white angel wings and tied Chandler up, and Lincoln called the cops on Chandler, who arrived and took him to jail again. After we finished our workouts, we went back home and Lincoln told everyone what happened, they wanted to press charges on Chandler, but I showed them a video of what Lincoln did, and they were so proud, Luna, Leni, Laney, Lucy, Lana, and Lily especially.

Laney: Lincoln really put Chandler in his place that day, and he showed how much stronger he was really getting. This also made Lynn really mad and envious, but when Luna had her guitar and she'd threatened to smash her head in, Lynn zipped her big fat mouth.

Nico: Yeesh, you dare to make Luna mad, and she'll do more than just smash cymbals in your face.

Takara Neobāsuto: That's the last thing anyone would want, okay, now it's our turn, and there's one person who'd earned our hatred other than Icky Vicky: it was Lynn. One day, Lincoln, my sisters, and I were at the gym and we were doing some martial arts practice, and since Lincoln's been getting taller, not to mention bigger and beefier in muscle mass, I decided to advance his training even more with some advanced martial arts moves. But, our day got rudely interrupted when Lynn showed up wanting to kill us, and we were about to tear her limb from limb, but this time, Lincoln was with us, and we were finally going to deal with that violent meathead. Lynn came after us on all fours like the animal she is, but we pummeled Lynn hard, and we kicked her hard into a wall, but she got back up, and she roared like an animal again, she was about to pounce on us, but Lincoln fired a fire blast at her ponytail and burned it off, that caused her to freak out.

Tomoko Neobāsuto: But, that made her even more pissed off at us, and she roared again and beat her chest like a gorilla again, and was about to pummel us again, but Lincoln delivered a nasty punch to her face and sent her flying into a wall and she was knocked out.

Toshiko Neobāsuto: Then, Lincoln fired red energy beams from his white angel wings and tied that animal up, but as soon as we finished our workouts and showered, Luna showed up and she dragged Lynn home by her ponytail, and after we told them of what Lynn tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, Takara gave Lynn the bird through the window, and she roared and beat her chest like a gorilla again.

Nico: Sheesh, so Lynn was on another rampage again, and Chandler was out for Lincoln's blood yet again?!

Lincoln: Yep, but I really taught Chandler a lesson that day.

Takara Neobāsuto: Along with Lynn, what we all saw was literally a supreme and awesome display of boldness, bravado, bravery, and courage, and you were really dominant in putting those two in their place, and we warned Lynn if she ever went after Lincoln like that again, we'll enjoy seeing her sports career go up in flames as she's dragged away to prison to rot there forever.

---

Kasumi Herakuresuōkabuto: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Helena Hastur: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Helena, Kasumi, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Helena Hastur: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lynn. One day, Lincoln and I were all busy with painting something in his room, and Laney was also with us. But, then, Lincoln's door was busted down, and we saw who it was: it was Lynn, and she wanted to kill Lincoln and Laney yet again. I was so absolutely pissed off at that gorilla, I almost got that close to using Hastur's Yellow Sign Curse and having her damned for all eternity by Hastur, but Lincoln stepped in and he fired a blast of fire energy and trapped her inside a fire orb, and he told everyone of what Lynn tried to do to us, and as a result Lynn got grounded for nineteen weeks and Lincoln threw her in a metal container, and she roared at us and pounded on the door. But, I gave Lynn the bird through the window, and she roared and beat her chest like a gorilla again.

Laney: Yeah, I remember that day all too well, plus, Lynn was still behaving like a wild animal. That's proof that she needed to be put in her place again, otherwise she would go on a rampage throughout Michigan.

Kasumi Herakuresuōkabuto: That's putting it mildly, and Lynn was also at it again with me, Lincoln, and Lisa. One day, we were at the park, and we were doing a study on the Japanese Beetles, Asian Long-Horned Beetles, and Emerald Ash Boners, three of the local 180 beetles native to Michigan. But, then, we saw an incoming soccer ball come in, and it sent the beetles scurrying for their lives, and we heard the sound of obnoxious laughter in the air, and there was only one person responsible for it: Lynn. That ignoramus ape was once again on another rampage, and she ran at us to pummel us, but Lincoln grabbed Lynn by her ponytail, and he slammed her hard onto the ground, which knocked her out and Lincoln fired red energy beams from his white angel wings and tied that animal up, then we dragged Lynn home, and after we told the family of what Lynn tried to do to us, Lynn got grounded for nineteen weeks and Lincoln threw her in a metal cage, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lynn the bird through the bars, and she roared and beat her chest like a gorilla again.

Nicholette Torrington: This hadn't been the first time I gave Lori, Lynn, Lola, Lisa, or Luan the finger, and I wasn't the only Guardian Angel of Lincoln to give those five that gesture as well.

Me: Yeesh, isn't that really just provoking them even more?

Nico: Yeah, by giving them the finger, you're just going to provoke them even more, including Lynn.

Lincoln: I told them that as well, and I eventually got them to stop with giving them the finger when they wind up getting thrown in there. But, Lori, Lynn, Lola, Lisa, and Luan refused to give up in trying to kill me, so with great reluctance, I told my Guardian Angels to flip them off whenever those five get thrown in that metal cage again.

Nico: Ouch.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Lucas Velasco, the next member of The Order of Nuestra Señora de la Santa Muerte.

Regina Topi: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Lucas Velasco: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Regina Topi's red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Topi-themed greatsword from her back, and as she approached Lucas Velasco, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Regina Topi: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Lucas Velasco. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Topi and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Regina Topi was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Topi flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Regina Topi emerged, but she was changed forever.

Regina Topi has on a sleeveless open midnight black blouse, sleeveless midnight black midriff top, long midnight black skirt with jewels around the waist, black lace stockings, midnight black knee-high boots, and long sleeveless white trenchcoat with darkness, light and dark magic, light, fiends, imps, and dark angels on the coattails, and on the back is Fabled Topi surrounded by darkness and light and imps and on top of Fabled Topi is an anti-Sergio symbol. Suddenly, Regina Topi felt a sharp pain on her back, and then, her massive midnight black angel wings with red tips on the large midnight black feathers, grew much bigger for her new body and she now has eleven massive and long midnight black wolf tails. Regina Topi has on her Ring of the Phoenix with large red gem and heart-shaped gem embedded in it on her right ring finger and Star Sapphire Corps ring on her left ring finger and Stone of Gelel embedded in her left hand.

Regina Topi has transformed into SUPER ANGEL-FABLED TOPI-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT

IMP MEXICAN FABLED TOPI ANGEL OF DIVINE DARK FABLED TOPI IMP JUSTICE AND DIVINE FABLED TOPI IMP LOVE!

We were amazed by Regina Topi's Super Angel-Fabled Topi-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Lucas Velasco saw it, he went insane and he got out his sacrificial knife to stab her, but Regina Topi fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Lucas Velasco, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia:(Spanish Accent) Incredible, Regina's transformed.

Lincoln: Yeah, and she really sent Lucas Velasco back with that energy blast she fired and that really pissed him off now, and Regina, you look beautiful, how do you feel?

Regina Topi: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Topi and Divine Darkness Light Fabled Topi Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Lucas Velasco once and for all?

Lincoln: (Smiles) With pleasure, Regina.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Regina Topi.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're

done running, Lucas Velasco, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Regina Topi and Lincoln went after Lucas Velasco, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Lucas Velasco and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Regina Topi sent her three imps and Lincoln summoned his own imps and they sent them at Lucas Velasco, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Regina Topi, her hand-cannon Blaster is known as Fabled Topi's Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Topi surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Regina Topi aimed their hand-cannon blasters at Lucas Velasco.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Lucas Velasco!

Regina Topi and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Lucas Velasco and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Lucas Velasco and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Lucas Velasco and Lincoln sucked out his life force and he was reduced to a desiccated corpse, and when his spirit appeared, Regina Topi and Lincoln gave Lucas Velasco The Black Gates for good. We cheered as Regina Topi and Lincoln holstered their massive greatswords on their backs and powered down, and Regina Topi's new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Regina Topi: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Lucas Velasco for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Regina.

Suddenly, Regina Topi wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Regina Topi's face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Topi flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Regina Topi absorbed the light and they came back to us as the display and Fabled Topi vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Lucas Velasco's death, now there are only fourteen members of The Order of Nuestra Señora de la Santa Muerte.

Regina Topi: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Agustin Ruiz, which means it'll be Camila Urustos' turn.

Camila Urustos: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. So, Lincoln, who's the next Cthulhu Mythos Deity Incarnation and Gene-Slammer are we meeting tomorrow?

Adriana Azathoth: There's already one we already had in mind, right, Lincoln?

Lincoln: Oh yeah, Cadenza Cthugha, The Incarnation of Cthugha, and for the Gene-Slammer, how about a Gene-Slammer for Rayquaza.

Nico: A Rayquaza Gene-Slammer and The Incarnation of Cthugha, nice.

Adriana Azathoth: You got that right, Nico. Cadenza Cthugha is known as the most powerful of The Cthulhu Mythos incarnations, Cthugha is also one of The Great Old Ones in the Cthulhu Mythos, and Cadenza, in addition to being a vampire, has the same powers as Cthugha himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthugha's Fire

Vampire Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged to the home planet of Cthugha, Fomalhaut, in the dark reaches of space, and even worse, should they dare see Cthugha, he will send his fire vampires to consume their life energy, and their soul will be damned to eternal madness and their soul will be dragged into eternal darkness.

We gasped in horror.

Me: Oh, damn.

Nico: Yikes! And this curse is also accompanied by her speaking in the dark language of The Cthulhu Mythos entities.

Lincoln: That's right.

Iron Lung: No resurrections for Krytus this time.

Vanitas: Got that right.

Me: Good riddance.

El Diablo: Sage is gonna be happy when we tell her.

Nico: Yep.

Merman: How do you celebrate a victory in this arena?

Vert: I got a better idea for a victory celebration.

Evil Lyn: Zeke's diner?

Vert: Zeke's diner!

Qin: Yeah!

Nico: Great job today everyone.

Vert Wheeler: (To the viewers) Krytus is gone but many more enemies are still at large.

Qin: And we'll be ready for them.

Me: We sure will.

We went to Zeke's Diner and had an awesome and great meal and we later went back home and enjoyed the rest of the day and went to sleep.

THE END

Now, it's really personal, and Lincoln's going to see to it that they get sentenced to death for their crimes, and he's going to personally send them to The Black Gates after they've been put to death. And we're going to meet Cadenza Cthugha, she's Lincoln's Guardian Angel from Massachusetts and classmate in Gym. Cadenza Cthugha is a vampire and she's also known as the most powerful of The Cthulhu Mythos incarnations, Cthugha is also one of The Great Old Ones in the Cthulhu Mythos, and Cadenza, in addition to being a vampire, also has the same powers as Cthugha himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthugha's Fire Vampire Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged to the home planet of Cthugha, Fomalhaut, in the dark reaches of space, and even worse, should they dare see Cthugha, he will send his fire vampires to consume their life energy, and their soul will be damned to eternal madness and their soul will be dragged into eternal darkness. And we're also going to meet a Rayquaza Gene-Slammer named Delia Skythunder, she's Lincoln's Guardian Angel from Michigan and classmate in English, but she's also an expert meteorologist and could tell whether it rains or not. She and Lincoln made a diagram of the weather, and they even have fun in arcades together. They even kissed each other on the lips while dancing, and she absolutely hates Lila Rossi with a blazing passion. Me: Wow Yellowstone.

Nicole: It's always beautiful coming here.

Nico: It sure is.

Zuria: I've always wanted to come here ever since I was a little girl.

Varie: It's awesome here.

Lisa Loud: Indeed it is. This is also where I acquired my powers.

Me: It sure is. Also it's where Max, Nudge and Angel came here when we found them.

Earth: Wow that is amazing.

Nico: It sure is.

Camie: Wow that is awesome.

Tsuyu: Yeah no kidding.

Nico: Marceline, I want to thank you, Count Nocturne, and your teams for coming.

Marceline: It's like no problem Nico. It's gonna be awesome helping you out on this.

Nico: It sure is.

Qin: Boy Yellowstone is so beautiful.

Lola: It sure is.

Camie: (Sniffs) Uch! The Sulfur smells in the air are horrible.

Me: Well it's a volcanic geyser field. Also scientists found out that Yellowstone is a huge Supervolcano that is prime to erupt in the future.

Nico: Yep.

Camie: Oh man.

Me: Yeah. Yellowstone is overdue for an eruption. The last one happened back 640,000 years ago.

Lola: Yeah that will be a nasty eruption. It will plunge the planet into a new ice age.

Kate Lloyd: That is right. I'm not a volcanologist but that is exactly what will happen.

Varie: That's right. But we saw what happened when Yellowstone erupted on that Earth that was ravaged by the 2012 Event.

Nico: That was horrible.

Xenia: No kidding there.

Melody: Boy it was awful that happened there.

Me: No kidding.

Nico: Melody, remember when you helped us out in that mess involving Lugia?

Melody: How can I forget. That was amazing.

Camie: What happened back then?

Me: It was a mess involving a powerful and deadly cataclysmic prophecy that was linked to the legendary Lugia and the 3 Legendary Birds Moltres, Articuno and Zapdos. It went like this:

"Disturb not the harmony of fire, ice or lightning, lest these titans wreak destruction upon the world in which they clash. Though the water's great guardian shall arise to quell the fighting, alone its song will fail, lest the earth shall turn to ash. O Chosen One, into thine hands, bring together all three. Their treasures combined tame the Beast of the Sea."

If Ash didn't finish that prophecy the entire planet would be doomed. It would have been the end of the world as we know it.

Camie: Oh man. That is terrible.

Nico: It was and all because of one man's greed in collecting Pokemon as trophies.

Xenia: That was an amazing and powerful adventure.

Me: It sure was.

Nico: Thankfully, Ash came through.

Me: He sure did.

Qin: Man that was crazy. But thank goodness Ash saved the world.

Me: No kidding.

Camie: I remember Marceline that you were caught in the middle of something like that right?

Marceline: I sure was. It was an event called the Great Mushroom War.

Camie: What's that?

Me: It was another name for a Nuclear Holocaust that wiped out much of the entire human race.

Camie: Oh man!

Qin: Yeah Finn and all his friends came from a terrible apocalyptic world that was decimated by a nuclear war that destroyed much of the world and humanity.

Lola: That was terrible.

Camie: Oh man! So Finn is the last human being in his world?

Me: Yeah.

Camie: That's horrible!

Varie: Yep.

Nico: Lets look at the positives though. Finn and Flame Princess are a couple and more. And he is among more of his kinds now.

Xenia: Yep. That's true.

Qin: It sure is.

Me: Lets just focus on what happened.

Nico: It was a long time coming for us to kill Krytus. But it was worth it!

Me: It sure was! Boy that was so awesome!

Xenia: It sure was!

Camie: Yeah! We finally destroyed that monster.

Varie: Thank goodness. It took over 3 years but the wait was worth it.

Nico: Sure, the Evil versions of Vert and his team are still loose. But they get what's coming to them eventually.

Me: I remember Vert telling me about that. The Negative Battle Force 5.

Qin: Whoa.

Me: The good versions of Kalus and his team will make awesome recruits.

Nico: That is true.

Qin: But the Negative Battle Force 5 gets the Black Gates.

Maria: And there's also Grimian, the Vandal who worked with Krytus.

Me: Yep.

Qin: But we'll face them later.

Camie: Yeah.

Me: Lets just enjoy the sights of Yellowstone.

Nico: Good idea.

Qin: It's so beautiful here.

Maria: Let's take some pictures.

Me: Good idea.

We got our cameras on our phones ready.

We snapped photos of many of the great geysers of Yellowstone.

We took pictures of Grotto Geyser, Castle Geyser, Giant Geyser, Old Faithful and so much more and we even saw lots of amazing animals too like bison, moose, wolves, all kinds of birds and more.

Xenia: Wow so many beautiful animals.

Camie: They sure are. But what happened to some of the trees?

Me: It was burned by a huge fire back in 1988. Lightning caused it and it burned over 1.2 million acres.

Nico: Geez!

Me: Yeah.

Nico: Hey, Maria. Remember when Horsea gets into a fight with a seagull?

Maria: I sure do. That is funny.

Qin: It sure is.

Camie: Yeah.

Lola: That was awesome.

Later we were flying over the largest spring in the park: The Grand Prismatic Spring.

Qin: Wow!

Me: The Grand Prismatic Spring, 3rd largest spring in the world.

May: I'm taking pictures of it!

She did so.

Me: Yellowstone is so awesome.

Xenia: Boy it sure is.

Me: Yep. This is the very spot where Max, Nudge and Angel came.

Nico: Really?

Me: Yep.

Lisa Loud: And this is also where I got my powers.

Nico: I wasn't with you guys at the time.

Me: You sure weren't. But that was an awesome adventure.

I told everyone what happened in chapter 96.

---

It starts with Vanzilla 2.0 going down the highway.

Lynn Sr.: We're almost there guys.

Me: [To the Viewers] Me, Varie, Aylene, Eddy, Naruto, Sakura, Fu, Hinata and the Loud Kids are on our way to Yellowstone National

Park in Wyoming and it is gonna be awesome!

Lincoln: I know. We're gonna check out all the geysers and everything in the park!

Varie: I hope we all get to see Old Faithful blow. That would be awesome!

Me: I know.

Aylene: I've heard that it erupts every 64 minutes.

Lisa: Yellowstone is a big Supervolcano that's scheduled to erupt in the future. Its been 640,000 years since it last erupted.

Me: That's what I've seen and read in science documentaries. I heard that if it blows it will plunge the world into the next ice age.

Aylene: I believe it.

Lori: That's not gonna happen for a while yet. Right?

Naruto: Probably not for another few thousand years.

Sakura: Yeah. Lets hope it doesn't erupt now.

Me: If it did we would be in serious trouble.

Lana: I heard the mud pits are awesome!

Lola: For you maybe but they're too hot.

Lily: I've never been to Yellowstone. This is gonna be fun.

Leni: And I can't wait to see Pop Pop.

Me: Leni, your grandpa is not gonna be there.

Luna: He's right dudes. It's a geyser field.

Lynn: This is gonna be cool! I can't wait to throw some rocks in the geysers.

Fu: I don't think they'll allow you to do that Lynn.

Hinata: I agree with Fu.

Luan: This is gonna be fun! I remember the Last trip was very FORTUNATE! [Rimshot] [Laughs]

Me, Varie, Aylene, Eddy, Gabrielle, Naruto and Sakura laughed and the others sighed.

Lynn Sr.: [Laughs] Good one!

Eddy: [Laughs] Good one Luan!

Me: Thank you for taking us to Yellowstone Mr. Lynn.

Lynn Sr.: You're welcome J.D. Have you ever been here before?

Me: Back when I was 8. This is my second time.

Gabrielle: (British Accent) That's cool J.D. You'll have to show us around.

Me: I don't know this whole park like the back of my hand, but I've seen most of it with my parents.

Laney: This is gonna be a blast. I've always wanted to go to Yellowstone. The geysers and the scenery are supposed to be beautiful.

Me: It is. But the sulfur smell all over the park is rank.

Linka: I heard it smells like rotten eggs.

Everyone but Lana: EW!

Lana: Cool!

Lynn Sr.: We're here everyone!

We park and got out. We arrive at the admission desk, paid for our visit and went in.

We saw lots of people in front of Old Faithful, the most famous geyser in Yellowstone and we all saw it erupt.

It was an amazing sight just like I remember.

Lori: That is so cool!

Me: It's just like I remember.

Varie: Amazing!

Aylene: It's just like I've seen in pictures.

Luna: Amazing dudes!

Eddy: This is so cool!

We go around the park and we saw lots of cool geysers. We saw Anemone Geyser, Grotto Geyser, Aurum Geyser, Castle Geyser, Lion Geyser, Beehive Geyser, Sawmill Geyser and more. The geysers were so beautiful and breathtaking.

We were all taking lots of pictures, selfies and romantic photos and buying lots of souvenirs and postcards.

We arrived at the Midway Geyser Basin of Yellowstone and we saw the largest spring in the park and the United States: The Grand Prismatic Spring.

It was truly a beautiful sight as I had remembered it.

Me: This is so beautiful.

Leni: This has to be the largest Pop Pop I've ever seen.

We facepalm. But then we hear a whoosh high above us and we see a wormhole open up and out of it came 3 girls. The strangest thing was that they had wings.

Me: We've got a code Dimension Jump! Varie, Aylene, Laney, come with me!

I spread my black wings, Varie spread her water wings, Aylene spread her fire wings and Laney spread her Leaf Wings and we flew up to the girls and caught them as they were falling.

Me: They're unconcious but they're gonna be all right. [I see the wings on their backs] Incredible. These wings are real bird wings.

Varie: I wonder how they got them?

Aylene: Good question.

As we were about to land, a gear appeared out of nowhere and flew to Lisa and it touched her. She was in a tornado of gears, sprockets and springs.

We landed and we saw Lisa in the tornado.

Laney: We got another elemental choosing in progress!

Me: Yeah.

When the tornado vanished, Lisa was on the ground and we saw that she has angel wings made of small gears. She got up.

Lisa: What just happened? I feel very strange and my back feels heavy.

Laney: You've been given powers Lisa.

Lisa saw the gear wings and gasped.

Lisa: I do have wings! A gear suddenly touched me and I was in a tornado of gears and springs.

Me: A gear huh? I'd look it up but we got my hands full here.

Lynn Sr.: Lets go back to the hotel so we can take a look.

1 Hour later we got to our room in a hotel on the border between Montana and Wyoming. We rented a penthouse suite.

We placed the girls on the couch and I pulled out my book and looked it up.

Me: Here it is. Lisa you've been given Technokinetic powers by the Gear of Hephaestus the Greek God of Blacksmiths, metalworking, carpenters, craftsmen, artisans, sculptors and metallurgy. Once every 3,500 years, he grants his powers over all things buildable and more. But there's a catch. He can only grant these powers to someone who has an IQ greater than 230.

Lincoln: Lisa, that's incredible!

Lisa: Indeed dear brother. This is quite an astounding change for me. I'll have to learn how to control my powers like all of you have.

Lana: Our visitors are waking up.

?: (Groans) Wha… Where am I?

?: What happened?

?: I don't know.

Me: We saved you from falling as you came out of a wormhole.

?: Oh we appreciate that.

Me: We should introduce ourselves. I'm J.D. Knudson.

Varie: I'm Varie Knudson. J.D.'s Fiance.

Aylene: I'm Aylene Carter.

Eddy: My name is Eddy.

Naruto: I'm Naruto Uzumaki Namikaze.

Me: Naruto's my adopted little brother.

Sakura: I'm Sakura Haruno.

Fu: I'm Fu. I don't have a last name.

Hinata: I'm Hinata Hyuga.

Lynn Sr.: I'm Lynn Loud Sr. and this is my wife Rita.

Rita: Hello.

Lynn Sr.: These are our kids.

Lori: I'm Lori Loud, the eldest. I'm 17 years old.

Carol: I'm Carol Loud. I'm adopted.

Leni: I'm Leni Loud. The fashion designer. I'm 16 Years old.

Luna: I'm Luna Loud. The Rock Star. I'm 15 years old.

Gabrielle: I'm Gabrielle Elizabeth Loud. The Adventurer. I'm adopted.

Luan: I'm Luan Loud. The Jokester. I'm 14 Years old.

Lynn: I'm Lynn Loud Jr. The Sports Star. I'm 13 Years Old.

Shannon: I'm Shannon "Gaz" Loud. Former Member of the Black Daffodil Gang. I'm 12 years old.

Lincoln: I'm Lincoln Loud. The only son. I'm 11 years old.

Linka: I'm Linka Loud. Lincoln's Dimensional Twin. I'm 11 too.

Lucy: I'm Lucy Loud. The Vampire Goth Poet. I'm 8 years old.

Laney: I'm Laney Loud. The Bookworm and Gardener. I'm 7 years old.

Lana: I'm Lana Loud. The Tomboy Twin. I'm 6 years old.

Lola: I'm Lola Loud. The Beauty Pageant Twin. I'm 6 years old too.

Penny: I'm Penny Loud. I'm adopted. I'm 5 years old.

Lisa: I'm Lisa Loud. The Scientist. Pleasure to make your acquaintance. I'm 4 years old.

Lily: And I'm Lily Loud. I'm 15 months old but because of special circumstances I look like I'm 10.

Max: It's a pleasure to meet you all. I'm Maximum Ride. Call me Max. I'm the Leader of The Flock.

Nudge: I'm Nudge.

Angel: And I'm Angel, the Youngest of the Flock.

Me: The Flock? That's a cool name.

Max: Yes.

Varie: Your wings are very beautiful.

Angel: Thanks Varie.

Nudge: We got our wings because of a government experiment.

Aylene: Government Experiment?

Sakura: What happened?

Max: There were 6 of us and we were part of a project called The Angel Experiment. We were in a facility called The School. They spliced out DNA with bird DNA. We are now 98% Human and 2% bird.

Me: That is insane. These people are playing with fire. You mess around with Mother Nature and there will be horrible consequences.

Max: Yes. The purpose of the School is to create powerful mutants for World Domination.

We all gasp.

Varie: World Domination!? That's madness!

Angel: Yes. But we did not want to be a part of such a plan.

Nudge: So we escaped.

Aylene: That's good.

Laney: Being used like that is a fate worse than death.

Max: That's right Laney. The world we lived in was not a pleesent place to call home. It was a post apocalyptic nightmare. Our world was hit by a meteor and humanity had to rebuild everything from the ground up. We were in the School 500 years after that event. We just spent our entire lives running and fighting the mutants of the School.

Me: That is horrible!

Laney: You guys have been through a horrific experience.

Eddy: That's like one of my friend Ed's Zombie Comics.

Luan: That is awful.

Varie: No kidding.

Fu: You guys have been through something that would make my life look like childs play.

Naruto: Yeah.

Max: It was a nightmare. We were fighting some wolf people and we were knocked unconcious as Fang, Izzy and Gazzy fought to protect us. Then we wound up here with you guys.

Me: You went through a wormhole from your dimension to ours.

Angel: A wormhole?

Varie: It's a dimensional bridge that connects one dimension to ours. It sucked you three in and took you here.

Lisa: Exactly.

Nudge: That's very complicated for me.

Aylene: It was complicated for most of us.

Lori: Yeah. We saw a wormhole once and it was an amazing sight.

Luan: It was weird and cool. You might say that it was a Dimensional Wonder! [Rimshot] [Laughs] Get it?

Me, Varie, Aylene, Eddy, Naruto, Max, Nudge and Angel laughed and everyone else sighed.

Max: [Laughs] That was funny.

Me: Luan is really funny.

Angel: I can tell.

Max: But we still have to figure out how to get back home.

Me: I'm afraid that's gonna be a big problem. There's an infinite number of dimensions and parallel universes across all of time and space.

Laney: Yeah and finding the dimension is like trying to find a needle in a haystack as big as the infinitely vast reaches of the cosmos.

Lisa: Exactly Laney.

Varie: Linka is from a dimension where everyone in her family is the opposite Gender.

Naruto: Me, Sakura, Fu, Hinata and my entire village are from a world where we all are Shinobi.

Hinata: But we are different from the Ninja's of Japan.

Me: We also have Starfire, Raven and Terra who were sucked in through a wormhole from their dimension when Lincoln and Linka got their powers of Lightning.

Lincoln: Jessie Bannon was also teleported to our dimension too.

Max: That's very strange and I guess we're stuck here.

Aylene: I'm afraid so.

Max: Well I guess we'll have to adapt to it.

Nudge: Yeah at least we're free from the School.

Angel: Yeah.

Max: But we don't know where we'll live.

Rita: That's simple. You can stay with us.

Lynn Sr.: Yeah. You guys have been through alot and you would be perfect for the family.

Me: We all live in a super huge mansion in Royal Woods, Michigan. We have lots of room. Me, Varie and my friends here are on vacation here in Yellowstone National Park in Wyoming.

Max: Thank you all so much.

Varie: You're welcome Max.

Lori: It's gonna be cool having you in the family.

Leni: Totes!

Luna: Rockin Dudes! [Makes the Rock On hand sign]

Lynn Sr.: We still have 6 days before we head home. So lets have some fun.

We all cheer.

6 days later we drove home and arrived in 2 days. We go to our rooms and unpacked and put our dirty clothes in the wash. The next day we go to Royal Woods Mall and get Max, Nudge and Angel some new clothes. Lisa made gash holes in them so they can sprout their wings out without tearing their clothes. Max, Nudge and Angel were right at home and they go to Royal Woods Middle School and Royal Woods Elementary School. It was a much better life for them.

---

When I was done everyone was shocked and amazed.

Qin: Whoa! So that's how Max and the girls came to us.

Camie: Yeah and how Lisa got her powers.

Nico: Wow!

May: Good times, huh?

Me: Yeah that was awesome.

Lisa Loud: Indeed.

Lincoln: Those were really fun too.

Nico: Yep. Also J.D. you excited for meeting Takumi and his team?

Me: You bet I am. Also it's a darn shame that the Faiz team didn't help us out during the 20 Days of Darkness.

Camie: Yeah that sucks.

Lola: Yeah. But that's all right.

Maria: Emu and his team didn't help us back then either. But they're not complaining.

Me: That's true. Many rider teams didn't help out back then.

But then something landed on my head and I looked up and saw that it was a Yanma.

Me: Hey a Yanma!

Nico: Cool!

Qin: That is a beautiful Pokemon.

Yanma: (In a girls voice) I do love being a Yanma.

Nico: Whoa! Kira Yanma Dillan!

Qin: Wow! We found the Yanma gene-slammer here in Yellowstone.

Me: And before the rescue battle.

Yanma: Yeah sorry to drop in like this.

Me: Don't revert back just yet.

Yanma: Don't worry I got all the time in the world.

Me: Good.

Then the Jaou Dragon book started to glow.

Me: The Jaou Dragon book is reacting to something.

Eli: It's close.

Nico: Who's up next?

Brittney: I will do this.

Me: Go for it Brittney.

Lola: Yeah!

Qin: But where is it?

Nico: Keep your eyes peeled.

Then the Grand Prismatic Spring was really BUBBLING!

Nico: Whoa is Yellowstone going to erupt now!?

Me: No I don't feel any shaking.

Nicole: Me neither. I think something is in the spring!

Then…

KRASSSSPPPPLLLLAAAAAAAASSSHHH!

A huge black dragon exploded out of the Spring and it was amazing! It flew into the air.

Me: WHOA!

Nico: WOW!

It was ANOTHER JAOU DRAGON!

Me: Wow! Another Jaou Dragon!

It landed by us.

Another Jaou Dragon: (In a girls voice) Sorry about that. I always did like making an entrance.

Me: (GASP) That voice!

She reverted back and it was a girl with dark blue hair and had blue Sailor Soldier clothes and had star angel wings.

Me: (GASP) Maria Mysterio A.K.A. Sailor Mysterious Tower!

Eli: Whoa! The Sailor Soldier of Yen Sid's Tower!

Sailor Mysterious Tower: That's right and it's good to see you again J.D.

Me: Same to you as well Maria.

May: Yen Sid's place has a Sailor Soldier now?!

Sailor Mysterious Tower: That's right. When the first Keyblade War ended, Yen Sid had me be appointed as his sailor soldier.

Qin: That is amazing.

Eli: It sure is.

Yanma: Boy I'll say.

Qin: Yeah.

Sailor Mysterious Tower: I heard that you guys all destroyed Xehanort and I'm proud of you all for doing so.

Me: Thanks. But we still have all his evil mess to clean up.

Nico: Yeah his evil essence is now scattered all over the universe and it's now infecting us.

Sailor Mysterious Tower: I heard. But I have a spell that can prevent that from doing so to you ever again.

Me: You do?

Sailor Mysterious Tower: I sure do.

Nico: Good. But leave the one inside me and the ones used by the Masters of Evil. We DO need those.

Maria: At least now Buzz can't say that the stress of missions is getting to us the next time he throws a party.

Sailor Mysterious Tower: I can tell.

Brittney: I tried everything to help us make sure no dark orbs infect us ever again but it's like they always find a way around my spells.

Sailor Mysterious: That's because the Dark Orbs are not just the very fragments of his essence, they are the very fragments of his soul. J.D. does have the right idea. If he uses the Black Gates on a Dark Orb, Even just one, it will wipe out all the Dark Orbs in the entire universe completely. But you don't have to worry about the ones inside Nico and the ones used by the Masters of Evil. My spell will keep the members brought back by them here.

Nico: Go ahead and use that spell then. But not to worry. We'll use the Black Gates to destroy all the Dark Orbs near the end of the year.

May: But there's nothing stopping you from making sure no more Dark Orbs enter us ever again except for the one Nico has.

Sailor Mysterious Tower: Okay then. Here we go.

She chanted a powerful incantation and then released a massive wave of energy and it enveloped everyone and everything and then all the dark orbs minus the one in Nico all came out of us and we were purged of ALL THE DARK ORBS and we had immense auras around us and they were blue. We were all protected by Dark Orbs completely now and forever.

Me: WHOA!

Then we fell to the ground and our heads felt like they were being crushed by an avalanche of boulders.

Me: (GROANS) Man that hurt.

Qin: My head feels horrible!

Nico: Whoa are you guys all right?

Me: Yeah. What a headache.

Lola: Wow look at that.

We saw piles of dark orbs on the ground.

Me: All those were all inside us!?

Camie: Holy crap!

Xenia: No wonder we were so overwhelmed with stress and more.

Me: Jeez!

Sailor Mysterious Tower: Yeah.

I picked them up and threw them into the Warp.

Me: Maria thank you so much.

Sailor Mysterious Tower: No problem J.D.

Me: Man my head feels like it's going to explode.

Qin: Mind too.

Sailor Mysterious Tower: I'll give you guys a few minutes to recover from that.

Me: Thanks.

Maria: Of course, Buzz said that he probably can't pull off another party like the one he did before. I think the writing on the previous bathroom door was in permanent marker.

Lisa Loud: It was Maria. I analyzed it and it was.

Maria: I had a feeling.

Me: Me too. And it's a good thing I keep spare doors like that for just such an emergency.

Then my cell phone rang.

Me: Oh excuse me.

I answered it.

Me: Hello?

Lori: J.D. it's Lori. We literally felt this massive energy wave and then numerous Dark Orbs left us and now we're glowing in these blue auras. Are you guys all right?

Me: We are Lori. We met the Sailor Soldier of Yen Sid's Tower and she used a powerful spell on us that got all the Dark Orbs out of us and we're now permanently dark orb free.

Lori: Wow! Yen Sid's tower has a Sailor Soldier!? That's literally amazing.

Me: It sure is.

Lori: And we're now totally dark orb free? What about Nico?

Me: He's all right Lori. His contingency plan still remains because he is not taking any chances. The Masters of Evil are all still here thank goodness too.

Lori: Wow! I'm so glad.

Me: We all are.

Lori: Me too but our heads are hurting.

Me: I know. Didn't mean to worry you guys but we're all right.

Lori: Thank goodness. See you shortly.

Me: You too Lori. Bye.

I hung up.

Maria: Are you related to Mysterio?

Sailor Mysterious Tower: No. Just because I share the name of his Supervillain Identity means in no way that I'm related to him.

Me: Mysterio's real name is Quentin Beck and they are in no way related by blood.

Maria: Ah. I see.

May: Who's up next?

Brittney: I said I would face her next.

May: Oh sorry.

Me: Whew. I think we're ready.

We got up.

Me: Man that was brutal.

Sailor Mysterious Tower: Sorry about that. But I'm glad my spell will help.

Me: Yeah.

Brittney: You ready?

Sailor Mysterious Tower: I sure am.

She turned into Another Jaou Dragon and flew into the air and Brittney followed and fired waves of dark energy and smashed her down and I caught the Wonder Ride Book she had and it was called Dark Dragon of Terror. Then it turned into a new book called ZODIAC FORCE DRAGON OF LIGHT!

Me: Cool!

Brittney caught Sailor Mysterious Tower and brought her over.

Me: Nice job Brittney.

Brittney: Thanks dad.

Nico: We forgot the mandatory question!

Me: Right! Sorry we were in a hurry.

Sailor Mysterious Tower: (Groans) What a headache. But right sorry I forgot to tell you. Another version of him is coming.

She pointed to Count Nocturne.

Count Nocturne: Another version of me!? Whoa!

Me: I hope it's a vampire. Friendly or Hostile?

Sailor Mysterious Tower: Friendly but no she isn't a vampire.

Me: Darn. But good. I'm glad it's a friendly one.

Qin: Same here.

Nico: Get ready!

Then a figure came out and it was a dark version of Count Nocturne! It was ANOTHER COUNT NOCTURNE!

Qin: Whoa! This one is scary looking.

Me: Another Count Nocturne. Awesome.

Laney: Yeah.

Another Count Nocturne: (In a girls voice) I do look scary like this though.

Me: (GASP) Edith Moulin!

Another Count Nocturne: Good to see you again J.D.

Me: You too. Edith is a girl from France that I know and she is a vampire goth girl. She's not a vampire but she has teeth like one and loves all things dark and scary.

Another Count Nocturne: It's true. And J.D. I saw you as that werewolf. Is it true that you are also J.D. the Nocturnal?

Me: I sure am. Wait were you among the crowd of people running for their lives last night?

Another Count Nocturne: I sure was. You are much cooler than ever J.D.

Me: Glad you think so. Sorry you had to see all that bloodshed.

Another Count Nocturne: No worries but I'm glad you killed all those werewolves.

Me: That was a massive bloodstorm.

I then saw her leg and it was wounded.

Me: (GASP) Oh no you were wounded. Don't tell me you were bitten.

Another Count Nocturne: Yes I was. I now have the curse.

Me: Uh oh.

Kaito: (gets out Abaranger gear) Did Swartz promise you anything?

Zocks: (gets out Dekaranger gear) Because we can grant it instead.

Another Count Nocturne: Just to be like J.D. the Nocturnal.

Me: You want to be a werewolf hero too? I'm truly honored. And I would be more than happy to help you out.

Another Count Nocturne: Thank you. I knew Swartz was lying to me.

Me: He lied to everyone. But he is now dead and given the black gates.

Another Count Nocturne: Good.

Kaito got a Dino Thunder Staff and Zocks got an SPD Blaster.

Chloe Bourgeois: Do you hate Lila Rossi just as much?

Another Count Nocturne: You better believe I do Chloe! And I'm sorry she shot your dad.

Chloe Bourgeois: I'll be all right.

Me: Her dad is fine now so don't worry.

Sougo: (gets out Dino Thunder Ridewatch) Don't worry.

Geiz: (gets out SPD Ridewatch) We'll help you control your upcoming powers.

Sougo got DinoThunderRedArmor while Geiz got SPDRedArmor.

Me: And talk about perfect timing. The full moon was last night.

Nico: Yep.

Another Count Nocturne: I know.

Lola: But we'll help you out as best as we can.

Another Count Nocturne: Thanks guys.

Me: You're welcome.

Another Count Nocturne: Sorry I couldn't come out to help you guys. I wanted to be cured of this form first.

Me: No worries. But now we can help you out. (SPINS MAGISWORD BRACELET)

EXCALIBURGER MAGISWORD!

I fired waves of helicopter burgers and smashed her down!

Xenia: Nice one!

Nico: (gets out Count Nocturne's Ridewatch) Even though you're not a vampire, time to get a taste of one!

Me: Just don't suck her blood dude.

Nico: Relax.

Nico activated it and he grew fangs and hissed like one!

Me: Uh oh!

I formed a dome of darkness over him.

Me: Sorry Nico you were out in the Sun and vampires can't stand being out in the sunlight. Remember how Tommy had those shades and was covered in heavy clothes like that from head to toe?

Nico: Oh right. Thanks.

I gave him some blood from the blood bank in my cooler.

Nico drank it all down.

Nico: (Slurps) Ahh. Mmm he had tuna tartare for dinner. Exquisite.

Me: Next time use that ridewatch only at night.

Nico: Noted. Thanks.

Me: You're welcome.

Nico was back to normal.

Nico: (gets out Evil Bubble Man's Ridewatch) Time for some bubbles! BLECH! I'm gonna be tasting blood for a while.

Nico activated it.

Me: I'll add bubbles to the mix too.

EXPLODING BUBBLE MAGISWORD!

Me and Nico fired bubbles and they hit Another Count Nocturne and

then…

KRABBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOMM

She was burned all over.

Nico: Nice!

May: (activates Rat Fangire's Ridewatch) Rat Time!

Me: And this too.

TAUNTING JESTOR MAGISWORD!

Me: (IMITATING R. LEE ERMEY) ATTENTION!

Taunting Jester Magisword: SIR YES SIR!

Me: USE YOUR MAGIC ON HER AND HAVE HER WORK OUT SOLDIER! THAT'S AN ORDER!

Taunting Jester Magisword: SIR YES SIR! (To Another Count Nocturne) DROP AND GIVE ME 50 SOLDIER!

He did so and made Another Count Nocturne do 50 pushups!

May activated the ridewatch and fired waves of energy.

Nico: NICE!

Qin: Wow that was cool!

Me: Never underestimate the power of the Military.

May: (gets out Count Duckula's Ridewatch) Hard to believe ducks can be vampires too.

She activated it and fired waves of energy and smashed her down.

Me: Time for huh?

I saw something under the walking bridge and I pulled it out and it was a new magisword.

ERUPTING STEAM GEYSER MAGISWORD!

It looked like a geyser with a jet of water coming out of it.

Me: Whoa! This looks cool! Lets see what this one can do.

I fired a jet of scalding hot superheated water and it hit her and smashed her down!

Me: WHOA! Ralphio has nothing on this one.

Maria: (gets out Lillith the Lilysha's Ridewatch) My turn!

She activated it and grew bat wings and fired blasts of darkness from them and smashed her down.

Me: NICE! Huh?

I saw a price tag on the Erupting Steam Geyser Magisword and it said 800 billion jemms!? THAT IS HORSESHIT!

Me: 800 billion jemms!? Ralphio you are gonna make the Warrior Siblings bankrupt. But something tells me that Nohyas took this.

Nico: I have that same feeling.

Me: Lets see here. Hmm. I know!

LEGENDARY CONDIMENT BURST MAGISWORD!

I fired waves of ketchup, mustard, relish, hot sauce, mayonnaise, horseradish and Teriyaki sauce and blasted her down!

Qin: OH YEAH!

Maria: (gets out Billiard Shadow's Ridewatch) Time for a different type of Pool!

She activated it and got a pool cue and a floating cue ball appeared.

Maria: 8 ball in the side pocket.

CLACK!

She hit the ball and it hit Another Count Nocturne and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOO

Nico: YEAH!

Me: Nice one. Here's what I would do to Oldman Oldman if he steps out of line.

WALNUT MACHINE GUN MAGISWORD!

I fired massive blasts of walnuts and smashed her down.

Then Dirty Bubble and his team consisting of Stinkor, Dancing Rats, Sluggy the Unshaven, Movie Will Blake and Sinister Slug came.

Nico: Nice team, Dirty Bubble!

Dirty Bubble: Thanks.

Stinkor: Stinkor happy.

LOUD FART!

Me: Geez!

They fired waves of energy and smashed her all over.

Melody: My turn! (ACTIVATES EVIL BUBBLE MAN'S RIDEWATCH)

She fired waves of bubbles and smashed her down!

Qin: Oh yeah!

Xenia: YEAH!

Me: Okay since Kira is with us, go to it.

Yanma: You got it!

She fired wind blades and smashed down Another Count Nocturne and I caught the Ridewatch and purified it and then I went over and picked her up and she was a girl with a black shirt and black pants and had a nasty bite wound on her ankle.

I picked her up and brought her up.

Varie: Man that wound is bad.

Yanma: That was crazy though.

Nico: That needs to be treated.

Varie: I'm on it.

She got to helping her.

Melody: That was awesome though. By the way Kira what's your favorite memory of Nico?

Yanma: My favorite is when me and Nico were over in Rhyboflavin a while back and gave Oldman Oldman a piece of our minds.

Me: Wait you guys were in Rhyboflavin before?

Nico: You never asked.

Me: Touche. But that is cool.

Nico: Yep. Oldman Oldman always ia a guy that likes to take the easy way out. And he beat the living crap out of the Warrior siblings with an evil wig and me and Kira did so to him.

Me: Ouch.

Lana: Yikes.

Nico: Yeah.

Me: Lets get you back to normal Kira.

Nicole: Yep.

I put on my blind man glasses and Nico got out a green leotard.

Everyone covered their eyes and I snapped my fingers and she was back to normal and was a green hair girl with orange butterfly wings and Nico put on the leotard and she got up.

Nico and Kira hugged.

Nico: I really missed you.

Kira Yanma Dillan: Me too Nico. Me too.

Me: But this trip to Yellowstone was awesome.

Qin: It sure was.

Xenia: It sure was.

Me: Nico I have an idea. Lets do some of your rescues in some of our favorite National Parks and more.

Nico: Good idea.

We went back home.

Lincoln: Wow, we're here in Equestria, and I know what we're going to do here, not only am I rescue the six girls here, but we also got bad news from Princess Celestia.

Nico: Yeah, a vicious criminal and evil bully from the dark past of Gina Readington, Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari, your Guardian Angels and The Legendary Planet Gene-Slammers named Damien Blakewell, along with his gang of thugs known as The Harbingers of Chaos broke out of prison, and they're not only causing havoc, but they want revenge on the girls.

Gina Readington: Oh no, not him again. I thought we got rid of him after we stopped him and his gang of thugs.

Me: I've heard about that story, but the rest haven't. Can you tell us the story?

Erica Gillette: You're not going to like hearing the story. Damien Blakewell is a vicious, bloodthirsty, and sadistic thug who enjoyed torturing and tormenting the students and teachers and he ruled the school with an iron fist and a really dark and malevolent black heart, and he caused havoc throughout the school.

Varya Halinorova: And no one was able to stop him, because he was extremely violent, sadistic, and bloodthirsty, and he had a massive gang of thugs called The Harbingers of Chaos, and any who dared to challenge him were either killed by his thugs or by him personally.

Lincoln: That's right, that was until Gina Readington, Erica Gillette, Varya Halinorova, Rachel Jacobs, Valerie Apollo, Jessica Florrence, Caitlyn Togero, Nikolette Furya, Hailey Nicos, and Katie Ferrari had gathered tons of evidence against Damien Blakewell and his thugs, and after they knocked out and tied up his thugs, they defeated him in a ten-against-one fight and they ended his reign of terror.

Rachel Jacobs: And after he and his gang were defeated, he was expelled from school and sent to prison, and we also turned in the evidence we gathered on his crimes, and he and his thugs were sentenced to life in prison without the possibility of parole.

Valerie Apollo: That was until we find out the life sentences the judge handed down to him and his thugs was upgraded to death, due to finding out that they'd committed a ton of murders, and even worse, they were also hired thugs for The Mafia, and they did a lot of extortion, racketeering, murder for hire, drug trafficking, and more!

We gasped.

Jessica Florrence: We didn't know that we'd brought down a dangerous group of thugs, and that they were also engaged in Organized Crime. Now, years later, we find out Damien Blakewell and his thugs, The Harbingers of Chaos, have broken out of death row in federal prison, and they want revenge on us for throwing them in prison and getting them sent to death row.

Lincoln: And even worse, they sent death threats to them saying they're going to slit their throats, cut their heads off, and drink their blood and eat their flesh. Now, it's really personal, I'm going to see to it that they get sentenced to death for their crimes, and I'm going to personally send them straight to Hell after they've been put to death. And I want to thank you and Kokou for joining us, Yumi.

Yumi: You're welcome, Lincoln.

Suddenly, we saw a beautiful girl with long orange hair tied in a ponytail, red eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful orange angel wings and the sigil of Cthugha on her forehead, she has on a sleeveless midnight black midriff top, midnight black pants, midnight black sneakers, and long white sleeveless trenchcoat with darkness, eldritch horrors, and cosmic horrors on the coattails and on the back is Cthugha and holstered on her back is a massive Cthugha-themed greatsword with embedded red gems and Cthugha etched on the 7'0" massive, wide, double-edged midnight black blade, large black goat heads with curved tentacles for the crossguard, large red gem embedded in the rainguard, longer midnight black handle, four large black goat heads with curved tentacles and large red gem on the bottom of the large goat heads for the pommel, and in her right hand is a fire sword.

Then, we saw Rayquaza also arrive, and with it are the six girls, but three of them were familiar to Cassie Cage and Jacqui Briggs: the three girls among the group were Li Mei, Ashrah, and Sheeva.

Nico: Whoa, that's Rayquaza, along with the sixth incarnation of the Cthulhu Mythos entities.

Jacqui Briggs: And we're very surprised to see you, Li Mei, and Ashrah here, Sheeva. Looks like we weren't not the only ones after Damien Blakewell.

Sheeva: Indeed. Damien Blakewell kidnapped us and planned to kill us.

Lincoln: They wanted to slake their thirst for blood, and they knew of what I've been doing on my rescues, so they wanted to kill you and the other girls to try and break me. Looks like we'll have to hand down their death sentences ourselves, and I'd recognize the two girls who rescued you all, I knew it was you, Cadenza Cthugha and Delia Skythunder, but we'll talk later.

Ashrah: Yes, Damien Blakewell is coming after us, and they're now out for blood.

Suddenly, we heard angry yells in the air, and we saw who they were: it was Damien Blakewell and his gang of thugs, The Harbingers of Chaos.

Lincoln: Well, look who's here.

One of Damien Blakewell's thugs tried to attack Sheeva, only for her to grab him with all four arms and proceeded to rip his arms and legs off as he screamed in pain, and she ripped his head clean off. Another tried to attack Ashrah, only for her to fire a beam of purifying light, and it incinerated him to ashes, and another tried to attack Li Mei, only for her to use her martial arts and brutally injure the thug, and he died from a massive hemorrhage. This really pissed off Damien Blakewell and the rest of his thugs.

Damien Blakewell: You bitches, you ruined everything! I was the king of the school, but you all had to play the hero and ruin everything!

Lincoln: Because, what you've been doing is making everyone's lives misery and you don't give a damn about anyone except yourself. You've inflicted pain, misery, and death on everyone in your path, and now, we're going to see to it that you all are sent to Hell for your crimes! Let's get them!

Damien Blakewell: (ENRAGED SCREAMING) YOU WORTHLESS BITCHES! I'LL TEAR EVERY LAST ONE OF YOU TO FUCKING SHREDS!

Damien Blakewell growled like a wild animal, and his eyes turned yellow with slits and he grew even more muscular, his ears turned into wolf ears, brown fur covered his body, and he now has a muzzle and his nose changed into a wolf's nose. Damien Blakewell turned into a werewolf!

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) So, Claude turned you into a werewolf after you and your thugs broke out of prison. Okay, now you're asking for it!

Lincoln let out a growl as white fur began growing on his abnormally massive and powerful muscular body and his abnormally massive and powerful upper and lower body muscles grew a little bit bigger, white fur growing on his massive and wide muscular pecs and eight pack abs, his nose changed to a wolf's nose and he had a wolf's muzzle, his deep sapphire blue eyes and the rainbow iris of his Third Eye remained the same, but his pupils turned into slits, along with the white wolf ears on his head, massive white angel wings with aurora and orange tips, his eleven massive and long and powerful white wolf tails with rainbow markings and white rabbit's tail above his white wolf tails, and he let out a powerful howl. Lincoln Loud has transformed into LINCOLN THE NOCTURNAL, DEFENDER OF THE NIGHT!

Cadenza Cthugha: I knew Lincoln would going to transform into his werewolf form, and he's also Lincoln The Nocturnal, the famous werewolf hero.

Me: Yep, same with me being J.D. The Nocturnal. But, we knew how Lincoln became a werewolf, and he became a vampire-werewolf hybrid.

Lincoln: (Divine Echoing Cosmic Beastly Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) I'm going to enjoy ripping you to shreds, you fucked-up asshole! (WOLF ROAR)

Damien Blakewell sent his remaining thugs at Lincoln, but Lincoln ran at them as well, he plunged his hand in a thug's chest and ripped out his heart and intestines, he grabbed another and lifts him up and he ripped him in half spilling his guts everywhere, he jumped on another and he plunged his hand into his back and ripped out his entire spinal column along with his skull and brain, he grabbed another and ripped his head clean off spilling his blood everywhere, he grabbed another and ripped his leg off, he grabbed another by his head and ripped his head off and tore out his spinal column as well, he'd grabbed another and plunged his hand in his chest and ripped out his beating heart, he grabs another thug on both sides of his head and RIPPED HIM IN HALF DOWN THE MIDDLE SPILLING HIS BLOOD AND GUTS EVERYWHERE! Lincoln grabbed another thug and stabbed his eyes out with his claws and he grabbed him by his mouth and ripped his face in half.

Nico: DAMN! THIS IS EVEN BLOODIER THAN MY RESCUE IN PARIS YESTERDAY!

Me: And I thought what I did to Claude and his werewolf cult was that bloody! GO, LINCOLN!

Loud Sisters: YEAH! TEAR THEM TO SHREDS, BRO!

Lincoln's Harem and Guardian Angels: RIP THEM APART AND SPILL THEIR BLOOD AND GUTS, LINKY!

With his thugs all dead, the now beyond enraged Damien Blakewell went after Lincoln, as he tried to rip him to shreds, but Lincoln kicks

Damien Blakewell away, and he slashed at Damien Blakewell with his claws and greatsword, and he was really spilling his blood. Then, Lincoln grabs Damien Blakewell by his neck with one of his white wolf tails and lifted him up, and then, with his left hand, he plunged it into Damien Blakewell's chest as he roared in pain, and then, Lincoln ripped out his beating heart and ate it right in front of him, and Damien Blakewell died from severe blood loss, and Lincoln sent his soul and the souls of his thugs to The Black Gates. The rest of us cheered as we holstered our weapons and powered down.

Nico: OH! Oh man, Lincoln, that was one awesome blood fest! You ripped Damien Blakewell and the rest of his thugs to shreds when you turned into Lincoln the Nocturnal!

Lincoln: (Beastly Voice) Thanks, Nico. Besides, J.D. did that yesterday with those werewolves in Paris, but still, I never expected Damien Blakewell to get turned into a werewolf by Claude after he broke out of prison, and he did the same to his thugs. But, either way, now we're rid of the last of Claude.

Eli: Yeah! Oh, and Lincoln, you're dripping blood like a slab of freshly cut steak.

Lincoln: (Beastly Voice) I've been covered in blood before, but man, this beats out all the times I've been covered in blood.

Lily the Mermaid: You got that right. Here, let me wash you off, Linky.

Lily the Mermaid put Lincoln in a water ball and washed him off, and the water ball turned red and he was clean. Then, Lincoln shook like a dog and he was dry.

Lincoln: (Beastly Voice) Thanks, Lily, and sorry you all had to see that.

Me: That's alright, but I got to ask: how did you experience being turned into a vampire, and then,

a werewolf, and you eventually became a hybrid of those two?

Lincoln: (Beastly Voice) It actually felt great, I was stronger, faster, and my senses really improved by a really wide margin, and like you said, you do all sorts of awesome things. Plus, thanks to all of the training I got from Rudina and Isabella Lupa, I not only gained control over the animalistic side of the werewolf and the vampire, but I'd also gotten even stronger and faster than ever.

Lily the Mermaid: And you've also been feeding on blood from your future wives and those whom you killed. (Rubs Lincoln's fur) And feeling the soft fur and even bigger massive muscles you have, oh, we are so going to enjoy having this form of you out more often.

Lincoln's harem also agreed on the same thing, and he had a smirk on his face. Then, he grabbed Lily the Mermaid in his furry and really muscular arms and he leaned down to her face and kissed her and she returned it, and he went to each current member of his harem, and he gave them a kiss, and he even gave Li Me, Sheeva, and Ashrah a kiss as well, and all of them returned it as well.

Lincoln: (Beastly Voice) (Smirks) Oh, trust me, all of you are going to enjoy seeing me like this more often.

Lincoln reverted back.

Lincoln: But, now we're finally rid of Damien Blakewell and his thugs for good. (To Cadenza Cthugha and Delia Skythunder) And it's so good to see you again, Cadenza Cthugha and Delia Skythunder.

Delia Skythunder reverted back to normal, and she's a beautiful girl with long green hair, green eyes, she was tall at 6'5" in height, she had the body of a goddess, she has massive and beautiful green angel wings and she reigned in the power of Rayquaza, she's dressed in a sleeveless green vest, sleeveless green midriff top, green skirt, green pants, green legwarmers, green shoes, and long white sleeveless trenchcoat with winds and dragons on the coattails and on the back is Rayquaza and holstered on her back is a massive Rayquaza-themed greatsword with embedded green gems and Rayquaza etched on the 7'0" massive, wide, double-edged pink blade, large green dragon heads for the crossguard, large green gem embedded in the rainguard, longer midnight black handle, four large green dragon heads and large green gem on the bottom of the large dragon heads for the pommel.

Cadenza Cthugha: You too, Lincoln.

Delia Skythunder: It sure has been a very long time since we last met.

Lincoln went up to Cadenza Cthugha and Delia Skythunder and he hugged them, and Cadenza Cthugha and Delia Skythunder are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Cadenza Cthugha: Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Delia Skythunder: You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, the first girl is Cadenza Cthugha, she's my Guardian Angel from Massachusetts and classmate in Gym. Cadenza Cthugha is a vampire and she's also known as the most powerful of The Cthulhu Mythos incarnations, Cthugha is also one of The Great Old Ones in the Cthulhu Mythos, and Cadenza, in addition to being a vampire, also has the same powers as Cthugha himself, along with godlike power, superhuman strength, immortality, and knowledge of all forms of black, dark, and Satanic magic, and she's the master of a dark power called Cthugha's Fire Vampire Curse, yet another of The Lovecraftian Curses, and when she casts this dark curse on someone, they'll be dragged to the home planet of Cthugha, Fomalhaut, in the dark reaches of space, and even worse, should they dare see Cthugha, he will send his fire vampires to consume their life energy, and their soul will be damned to eternal madness and their soul will be dragged into eternal darkness.

Me: Yikes!

Lincoln: Yeah, it's a really dark and deadly curse for those who are beyond redemption, and the second girl is Delia Skythunder, she's my Guardian Angel from Michigan and classmate in English, but she's also an expert meteorologist and could tell whether it rains or not. She and I made a diagram of the weather, and we even have fun in arcades together.

Nicole: That's really awesome!

Lincoln: Plus, while we were dancing, we even kissed each other on the lips, and she absolutely hates Lila Rossi with a blazing passion.

Nico: If she also wants to beat her to death, we've got plenty of people who absolutely hate that bitch to the core and want her dead and gone for good.

Cadenza Cthugha: You said a mouthful. (To Lincoln) Oh, Lincoln, there's something Kasumi and I want to give you.

Lincoln: Let me guess, you two want to give me your blood, right?

Delia Skythunder: How did you guess?

Lincoln: Well…

Lincoln's Guardian Angels and his entire harem showed the bite marks Lincoln made on them when he marked them and fed on their blood.

Delia Skythunder: Whoa, and it's true that those you feed on: those you love won't be turned into vampires, but still, you marking them proves if they get messed with, you're heading right for the dumbasses who dared to anger you.

Me: That's right.

Lincoln first walks over to Cadenza Cthugha, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Cadenza Cthugha's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Then, he walks over to Delia Skythunder, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Delia Skythunder's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up.

Cadenza Cthugha: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on Cadenza Cthugha's neck with red gems on the gold lightning bolts and red crystal links from her merged Crystal

Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Then, an Elemental Thunderbird Necklace of Eternal Love appeared on Delia Skythunder's neck with green gems on the gold lightning bolts and green crystal links from her merged Crystal Necklace of The Buddha along with an Elemental Thunderbird Choker of Eternal Love on her neck.

Cadenza Cthugha and Delia Skythunder: (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Cadenza Cthugha and Delia Skythunder.

Cadenza Cthugha and Delia Skythunder had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them.

Jacqui Briggs: That's still just as awesome as ever. So, who are the other three girls that were with you, Li Mei, and Ashrah, Sheeva?

Sheeva: I was hoping you'd ask.

We then met the three other girls who were with Li Mei, Ashrah, and Sheeva, and when Lincoln saw them, he immediately recognized them. The three other girls with Li Mei, Ashrah, and Sheeva are Ranfan from Dragon Ball, Uru Chie, and Kawa Yui from High School! Kimengumi.

Lincoln: Oh wow, Ranfan, Uru Chie, and Kawa Yui. (Realizes something) Wait a second, Master Goku, didn't you tell me you met Ranfan long ago?

Goku: Yes, I did, Lincoln. So, she's also among the group of girls we've met.

Chi-Chi: Ranfan's here. Wow, she's really grown up, and it has been a long time since we last saw her.

Suddenly, Ranfan saw Goku and Chi-Chi, and she was stunned.

Ranfan: Oh, no way, Goku, Chi-Chi, is that you?

Goku: Hey, Ranfan.

Ranfan went up to Goku and Chi-Chi and they hugged.

Ranfan: It's so good to see you both again, but wow, you both have really grown up.

Chi-Chi: We sure have, we tied the knot long ago. We've been married for years, and we raised two boys and a granddaughter.

Ranfan: I always knew you both would tie the knot one day.

Chi-Chi: (Giggles) Speaking of which, take a look at the person who rescued you from those thugs.

Then, when Ranfan and the other two girls, along with Li Mei, Ashrah, and Sheeva saw who it was that saved them from Damien Blakewell and his thugs, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Ranfan: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Ranfan: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ranfan, Uru Chie, Kawa Yui, Sheeva, Li Mei, and Ashrah with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villains we went after were Damien Blakewell and his thugs, The Harbingers of Chaos, vicious criminals and bullies from The Legendary Planets Gene-Slammers' past.

But, when Lincoln showed what happened such as us beating them down, and Lincoln turning into Lincoln the Nocturnal in response to Damien Blakewell's werewolf transformation and ripping all of his thugs and Damien Blakewell to shreds and sending them all to The Black Gates, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln, Cadenza Cthugha, and Delia Skythunder have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I didn't expect the villain to be another bully from your Guardian Angels' past, and he got turned into a werewolf by Claude when he broke out of jail the other day.

Lincoln: Same here, but either way, Damien Blakewell and his thugs are gone for good, and they're not coming back.

Nico: You got that right.

---

After destroying Damien Blakewell and his thugs and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Cadenza Cthugha and Delia Skythunder saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Cadenza Cthugha: Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Delia Skythunder: If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Delia Skythunder: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Cadenza Cthugha: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Cadenza, Delia, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Cadenza Cthugha: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lori. One day, Lincoln and I were busy doing workouts in our gym and the other Guardian Angels were with us. But, then, the doors burst down, and we saw who it was: it was Lori, and she wanted to kill Lincoln yet again. I was so absolutely pissed off at that control freak bitch, I almost got that close to using Cthugha's Fire Vampire Curse and having her damned for all eternity, but Lincoln stepped in and he fired a blast of fire energy and trapped her inside a fire orb, and he told everyone of what Lori tried to do to him, and as a result, Lori got grounded for nineteen weeks and Lincoln threw her in a metal container, and she screamed at us and pounded on the door: she lost her mind. But, I gave Lori the bird through the window, and she screeched like a banshee yet again.

Luna: Yeah, I remember that day all too well, plus, Lori was still behaving like a wild animal. That's proof that she needed to be put in her place again, otherwise she would go on a rampage throughout Michigan.

Delia Skythunder: That's putting it mildly, and Lori was also at it again with me and Lincoln. One day, we were at the park, and we were doing a study on the types of clouds and the weather patterns that occur when the seasons change. But, then, we heard the sound of high-pitched shrieking in the air, and there was only one person responsible for it: Lori. That control freak was once again on another rampage, and she ran at us to pummel us, but Lincoln grabbed Lori by the collar of her shirt, and he slammed her hard onto the ground, which knocked her out and Lincoln fired red energy beams from his white angel wings and tied that bitch up, then we dragged Lori home, and after we told the family of what Lynn tried to do to us, Lori got grounded for sixteen weeks and Lincoln threw her in a metal cage, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lori the bird through the bars, and she screeched like a banshee yet again, as she lost her mind.

Nicholette Torrington: This hadn't been the first time I gave Lori, Lynn, Lola, Lisa, or Luan the finger, and I wasn't the only Guardian Angel of Lincoln to give those five that gesture as well.

Me: Yeesh, I remember those two days all too well.

Nico: (Winces) Damn, I wonder what got Lori in that kind of bad mood in those two days?

Lincoln: Diana Elementa found out from Lisa's cameras in those two incidents that someone cracked the screen on Lori's phone, and she found out who it was that did the dirty deed: it was Lynn, she'd cracked the screen on Lori's phone and placed a piece of my hair at the scene to frame me. Lynn got grounded for twelve weeks, and Riley Mackenzie punched Lynn hard in the face and threw her in a metal cage again, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lynn the bird through the bars, and she roared and beat her chest like a gorilla again.

Luna: Yeah, we were pretty mad at Lori at first, but then, to find out Lynn did that, I was that close to smashing her head in with my guitar for those stunts.

We got a shower afterwards, and then, Lincoln, Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina are heading to Emerald Coast.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in a large orange speedo with the Thunderbird and a lightning bolt surrounded by elemental forces and stars on it and rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble.

And Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Blair Flannigan: Wow, you've chosen Emerald Coast for our first date, Lincoln, it's really beautiful.

Lincoln: It always is, Blair. Shall we?

Lincoln, Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina, and they hugged the girls in their abnormally massive and powerful muscular arms, and Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina placed their hands on the massive pecs of Lincoln and his clones, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs.

Bulla: (Snickers) Looks like someone had quite a fun time at Emerald Coast, eh, Lincoln?

Lincoln: (In Heaven) It was awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Blair Flannigan, Fonda Fontaine, Missy, Maron, Erasa, and Galaxina with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks.

Ronnie Anne: Whoa, I knew Blair, Fonda, and Missy had feelings for Lincoln years ago, but they had to wait for the right moment, the same with Maron, Erasa, and Galaxina.

Tails: Nice to see that Cosmo's big sister is now with Lincoln.

Nico: And Erasa and Maron are also with Lincoln.

Me: You said it. Plus, Bulma and Gohan had quite a field day tearing into Flip for what he tried to do.

Lincoln: Please, tell me they dumped a vat of scalding hot nacho cheese on him.

We then heard Flip screaming in pain as we saw Bulma and Gohan dump a vat of scalding hot nacho cheese on him.

Nico: (LAUGHING HYSTERICALLY) THAT'S WHAT YOU GET FOR TRYING TO KILL A GROUP OF LADIES, YOU FAT MUTANT CHEAPSKATE!

Lincoln: I already killed his thugs by sucking out their blood and hitting him on the head with a mallet for his stunt, but he's not going to quit, but I'll always be ready for that cheapskate's stunts.

---

Later we were back at the estate.

Sailor Mysterious Tower had a block of ice on her head.

Maria Mysterio: Buzz, I want you to know that even though there are still Dark Orbs out there, one of my spells have ensured that none can enter J.D. and the others ever again.

Buzz: Why are you telling me this?

Megan: Because now, the next time we catch you throwing a party, you can't say that stress is making us see things as an excuse!

Buzz: Okay okay! I don't think I can throw another party that awesome anyway.

Me: Next time leave the party planning to the professionals like Pinkie Pie and Cheese Sandwich.

Buzz: You got it.

Me: Yep. Now it's time for Cassidy's mission. I've been looking forward to this one.

Cassidy: Me too!

William: Anyone else want to go with Cassidy? Beside 3 Rabbids and Soji?

Me: Well Axel and Sellon wanted to come with so I invited them.

Sellon: Yeah we're looking forward to this one.

Zuria: And I want to go too.

Camie: Me too.

Me: Okay.

Will: And me and the guardians will go too.

Me: All right then.

Cassidy: This is gonna be so awesome.

Me: Yep. We're going to meet the Faiz team. I've been looking forward to this one for a long time.

Xenia: Boy I can tell guys.

Nico: Yep.

Me: Ready Cassidy?

Cassidy: You bet I am!

Nico: Lets roll!

We were off to Japan.

TOKYO, JAPAN

We arrived in Tokyo.

Me: Here we are.

Cassidy: Love Japan.

Soji: Good to be home.

Then we saw Takumi Inui!

Soji: There he is.

Takumi: (to Soji): I know you! Kamen Rider Kabuto, right?

Soji: That's right. Soji Tendo, leader of Kabuto.

Me: And he is now with us.

Takumi: Wow Team Loud Phoenix Storm! It's an honor.

Me: Same to you Takumi

Nico: It's awesome to meet you guys.

Eli: Same here.

Cassidy: It's awesome to meet you guys. My name is Cassidy. I'm your ambassador.

Me: It's part of a special diplomatic mission program we made.

Takumi: I see.

Cassidy: Yep. And these are some of the team.

Everyone introduced themselves.

Takumi: It's truly an honor to meet you all.

Will Vandom: Same here.

Takumi: Want to meet my friends? (Gets serious) And then, discuss how you're gonna deal with the person who I tried making my friend but who I've officially given up on?

Me: You mean Masato Kusata. Get in line because I already called first dibs on killing him. But sure Takumi we would like to meet your friends.

Takumi: Great.

We went to Ryusei School.

Me: Takumi we're really sorry about everything you went through.

Halinor: Yeah that was horrible.

Nico: But you should still feel proud of yourself. You became the Wolf Orphnoch to try and prevent that massacre at your school. Sure, you weren't successful. But at least you tried.

Takumi: I know. I did try.

Me: Yeah.

We arrived at Ryusei School.

Yuji Kiba: Hey Takumi! Wow! Team Loud Phoenix Storm it's an honor.

Me: You too Yuji.

Eli: We are honored.

Mari Sonoda: It's awesome meeting you guys.

Me: Same to you Mari.

Syuji Mihara: I'm Syuji Mihara. Kamen Rider Delta.

Me: Awesome to meet you Syuji.

Nico: Same here.

Kadma: Yeah.

Me: We also owe you guys big time for helping us during the 20 Days of Darkness. Even though you weren't there you all helped us out spiritually.

Cassidy: That's right.

Taranee: I agree there.

Me: Anyway we have a lot to tell you. Starting with this.

I pulled out my bag and showed the Faiz Phones we got.

Me: During last years missions we defeated Another Riders and Sentai and Rangers and got legend items.

Takumi: Another Faiz, you mean? Tsukasa told me about those.

Me: That's right but this one was an evil version of our teammate Lynn Loud.

Nico: Yeah it's an ugly story.

Me: But these Faiz Phones are imbued with the powers of the M.O.E. members, core, Non-Core and Neo Core.

Sellon: It's true.

Axel: Yeah it sure is.

Halinor: That was crazy.

Takumi: But we're glad you guys stopped them.

Me: Yeah.

Nico: (to Kiba) After we kill Masato, you can have his transformation device.

Kiba: I would like that.

Me: After we make sure to get rid of the fatal side effects. We can use our powers to make the Faiz Phones compatible with everyone.

Takumi: Good idea.

Me: Yep. I'm going to rip Masato to shreds as J.D. the Nocturnal.

Takumi: The Werewolf hero?

Me: Yep. I have that kind of power. I can turn into him at will with or without the Full Moon.

Eli: It's true.

Takumi: I got to see that.

Me: You will love it.

The Rabbids gibbered.

Soji: (sighs) And these are Rabbids.

Me: They are very funny.

Mari: They sure are cute too.

Me: Yeah but they are not the brightest lightbulbs in the closet if you know what I mean.

Cassidy: Yeah but they are great for a laugh.

Camie: Yeah they sure are.

Zuria: Yep.

One of the Rabbids was about to eat Takumi's Faiz Phone.

Takumi: No! Don't eat that!

The Rabbid raspberried him.

Takumi: Don't you dare raspberry me!

Me: (LAUGHS) That's the line of the day on our first mission.

Eddy: (LAUGHS) That sure is funny.

Me: Yep. Oh just a forewarning there's a dark side of Eddy here that is gonna come for you.

Nico: Yeah he will try and kill you.

Cassidy: Also, I actually have died in the past.

Mari: You did!?

Takumi: How?

Nerissa: I accidentally killed her.

Me: It's a really ugly story that lead to a devastating battle that nearly tore the entire planet apart.

Megan McCallister: Yeah it's true. That was a powerful battle.

Elyon: It sure was.

I told them everything.

Takumi: Whoa!

Mari: That is scary!

Kiba: But it's great that you saved Nerissa back then J.D.

Me: I knew there was still good in Nerissa and I'm glad that I didn't give her the Black Gates back then.

Eli: Yeah.

Nico: You know, looking back on the facts, I actually do realize that Nerissa accidentally sent Cassidy falling to her death.

Cassidy: That was an accident.

Me: Yeah. But I did resurrect Cassidy and she became a great help to us before we went after Nerissa before.

Takumi: Wow! What kind of power do you have J.D.?

Me: Omnipotent.

Eli: J.D. is a god among man and he has power that is so strong that he can literally do anything.

Mari: That is incredible.

Kiba: Wow! And you all have done so much over the years.

Camie: We don't like to brag but yeah.

Me: Has Masato made his move yet?

Takumi: No. Which worries me.

Eli: (Concentrates) I sense him. He's over in the park. He's contemplating on what bro said to him.

Me: It has been a couple of weeks since then. I did threaten him on January 6th.

Nico: Just like you said J.D.

Me: Yep.

Takumi: When is your big mission to meet us J.D.?

Me: We're projecting March 19th.

Nico: Yep. We have The Ridonculous Race after that.

Will: This time, we're gonna make sure no phony heroes slander us.

Me: Or anyone that tries to make us look bad.

Camie: That's for sure.

Me: And we're going to make sure that no imposters ruin our good name.

Camie: That's for sure.

Me: Also there's a curse that Nico put on Dark Eddy. He will be banished to the Black Gates after 24 first missions of the Ambassador Missions are done.

Nico: Yep. So this will be Number 11.

Taranee: He'll have 13 times left after today.

Takumi: Very interesting.

Me: Yep.

Soji: I think it's time we make good on our threat.

Me: Yep. Get ready Masato, (EYES GLOW RED) Time for the Wolf to Spill your blood.

Mari: Your eyes glowed red!

Me: Oh yeah. That's my justice glare. It means that I mean business.

Nico: Yep.

Mari: Cool.

We were off to the park.

Soji: (wasting no time) Henshin!

HENSHIN!

He donned his Kamen Rider Kabuto form.

We arrived at the park and looked around and we saw MASATO! He was sitting on a bench.

Me: There he is. Time for an entrance worthy of the Wolf Moon.

Nico: We'll save another entrance like that for our big mission.

Me: Right.

We went at him.

Masato Kusaka was mad and enraged. Then a Solar Eclipse happened and then the howls of wolves were heard and then the spirits of wolves appeared and then they ran around him and then they converged and then…

KRABBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM

A massive blue fire explosion blasted out from the moon and then a wolf howl was heard.

And then we came out!

Me: Masato Kusaka.

Masato glared at me ferociously.

Kevin: Nothing to say, dork?

Masato Kusata: Orphnachs are a menace to this world and they all must be destroyed! Starting with you Takumi!

Me: You want to get to him then you have to get through me. And that is not going to be easy!

Nico: Yeah!

Me: Masato I will not allow you to get away with the crimes that you have done to innocent people!

Nico: That's right! The Orphnachs were once people you knew and you just kill them all for pleasure! That makes you a murderer!

Masato then gets out a gun and pointed it at us.

Masato: Do you all have any last words before I send you all to Hell?!

Takumi: (I'm about to say something) I failed you. I failed you as a fellow Rider. I wish I would have been better. I should have never showed you that Kaixa Driver. Look what it made you!

Masato: What the fuck? That's what you fucking say? That's the last thing you say to me? It's that the Kaixa Driver made me this way? The Driver? No, Takumi! It was you. You! (loses it) YOU MADE ME

THIS WAY! YOU MADE ME THIS WAY!

Masato fired his gun at Takumi but Nico took the bullet instead!

Sarah: Nico! That's it! You're going down!

Me: Deja-Vu!

Unknown to Masato, Nico had one of Quagmire's porn magazines take the bullet instead.

Nico pulled out the magazine and it had the bullet in it.

Me: Whoa! That was awesome!

Eli: But now you are dead meat!

(THE MASSACRE AT THE CHURCH - AN AMERICAN WEREWOLF IN PARIS PLAYS)

I growled and grew fur, my hands turned into claws, I grew a tail, my head grew wolf ears, my teeth turned into fangs, my eyes turned glowing yellow with slits and I grew muscular and my wings turned dark blue! I turned into J.D. THE NOCTURNAL!

Me: (HOWLS!)

Nico: He's in for it now!

Masato: WHAT THE FUCK!

Me: (Beastly Voice) **You just ticked off the wrong wolf asshole!**

Takumi opens his Faiz Phone and punches in the code 5-5-5 followed by the "Enter" button before closing it

Faiz Phone: Standing By.

Meanwhile, Syuji presses an unseen button on his gun stock device while Takumi closes his phone and holds it to the sky.

Takumi and Syuji: Henshin!

Delta Phone: Standing By.

With their battle cry known, Takumi inserts the Faiz Phone into an empty slot onto the front of his belt and then folds it down into place, while Syuji places his Delta Phone onto the video camera device, forming his gun.

Faiz Phone and Delta Phone: Complete.

As the call of "Complete" is given, Takumi and Delta are surrounded by red and blue lines of energy, which consolidate into armor, both primarily black and silver. Takumi's armor has red lines corresponding to the energy lines, and a head resembling the letter Phi, primarily colored silver and black, outlined in red with two huge yellow eyes. Meanwhile, Syuji's armor consolidates as almost all black save the blue energy lines that consolidate onto it, becoming silver for some reason. And this is the primary scheme of the suit, save the large orange eyes resembling the logo on his belt.

Nico: YEAH!

Me: **You have no idea who you are fucking around with Masato! I viciously massacred over 80,000 werewolves with this form and splattered an entire church floor and the walls with their blood and guts and now you will be added to that mess.**

Camie: That's right you clod!

Zuria: And it will hurt!

Eli: (Senses something) Dark Eddy is here!

Suddenly, Takumi and Syuji avoided blaster fire as we saw Dark Eddy.

Dark Eddy: (laughs evilly) Mind if I crash the party?!

Takumi: So he is Dark Eddy!?

Nico: Yep!

Me: **All right then.**

Nico: Now its interesting.

Cassidy: It's a 3 way battle now!

Dark Eddy fired shots at all of us.

Eli used the Force and sent the shots back and they hit Dark Eddy and blasted him all over.

Nico: Bring it on Masato.

Me: **Either way you are not getting out of this alive!**

Masato: I'll show you!

Soji: (gets out Dirty Bubble's Zecter) Let's start things off!

DIRTY BUBBLE!

He used the powers of Dirty Bubble and encased Dark Eddy in a bubbly.

I teleported and kicked Masato in his face and knocked him down.

He spit out some blood.

Nico: (gets out Count Spankulot and Count Nocturne's Ridewatches) If you thought J.D.'s Nocturnal form is bad, get a load of these!

Nico activated them and fired hand blasts and energy blasts and smashed Masato down.

Nico: YEAH!

Me: **Come on Masato, someone like you being kicked down that hard by me? I don't think so.**

Nico: Yeah come on Masato, transform already!

Masato: Henshin!

While Masato was transforming, Dark Eddy got out of the bubble and fired at Kevin and Takumi.

They dodged the shots and Eli teleported and kicked the blaster out of his hands.

Eli then grabbed Dark Eddy and threw him into the ground!

SMASH!

Soji: (gets out Dirty Bubble's Mission Memory) Now, for Faiz's Legend Items.

He activated it and fired more bubbles and encased Dark Eddy in one.

Masato turned into KAMEN RIDER KAIXA!

Me: **Now it's on.**

He got a yellow Lightsaber sword and I formed a sword of Moonlight Energy.

We clashed and sparks flew everywhere.

I kicked him and slashed him in his chest and then kicked him in his face and shattered his visor!

Me: **That was for hurting Mari!**

Masato then snapped!

Masato: DON'T YOU DARE SAY HER NAME! DON'T YOU DARE SAY IT!

Cassidy: (gets out Nosferata's Mission Memory) Touched a nerve, huh?

Cassidy fired waves of magic and blasted him all over.

I kicked him down.

Me: **Mari doesn't deserve to be with you! Not after everything you did! You killed innocent people, assaulted Takumi and**

**made him look like a total fool, and to top it off, you would rape and hurt people all for your own amusement!**

Nico: YEAH! Who the hell do you think you are!?

Eli: If there is one thing we hate above all others it's monsters like you!

Nerissa: I used to be like you once. But unlike you, I learned from my mistakes!

Masato: Then you're a fool!

Me: **Correction! YOU"RE THE FOOL!**

I punched him in the face and kicked him in the stomach and I fired energy blasts and blasted him all over in the stomach and Takumi fired waves of lasers from his Faiz Blaster and smashed him all over the place.

I kicked Masato in the stomach and kicked him in the back and sent him crashing into a tree!

He got up and I was laughing at him.

Me: **(LAUGHS)**

Dark Eddy: (charges at me and Takumi) Newsflash: I'm the only one who gets to kill you! Not deadbeat over there!

I grabbed Dark Eddy and threw him back into the Book of Vile Darkness Dimension.

Me: **Sorry Dark Eddy but this no longer concerns you.**

Nico: We have much bigger fish to fry.

Me: **Masato, I will NEVER FORGIVE YOU for everything you did!**

Takumi: Dark Eddy was right about one thing: You ARE a deadbeat!

Masato: YOU MAKE ME SICK TAKUMI! I HATE YOU WITH EVERY FIBER OF MY BEING! I WILL MAKE YOU SUFFER FOR

EVERYTHING YOU DID TO ME! I HAVE THE POWER TO KILL EVERYONE YOU EVER CARED ABOUT! YOU MADE A FOOL OF ME FOR THE LAST TIME! AT YOUR HANDS, YOUR PATHETIC HANDS DID YOU MAKE A MOCKERY OF ME! IT WAS AT YOUR HANDS THAT YOU HUMILIATED ME! I WAS DEFEATED TIME AND TIME AGAIN BY YOU! YOU WILL PAY FOR EVERYTHING YOU DID TO ME! YOU WILL PAY FOR ALL YOUR CRIMES AGAINST ME! YOU DISGRACED ME AND MANAGED TO HUMILIATE ME EVEN FURTHER BY STEALING MY LIFE AND STEALING THE GIRL THAT I WORKED SO HARD TO MAKE MINE! NOW I WILL MAKE SURE YOU ARE CUT DOWN INCH BY PATHETIC INCH! I WILL TAKE BACK WHAT'S MINE!

Syuji: (grabs Masato by the throat) Yeah, not gonna happen!

Me: **You know it's funny. Vegeta said the exact same thing to Master Goku when he was humiliated by him all the time.**

I grabbed Masato with my tail and tortured and pulverized him like how Frieza did to Vegeta.

I then threw him and smashed him into a boulder.

Masato got up.

Me: **You have no honor at all Masato. All you are is nothing but a pathetic little coward. Look at you. You are never going to be worthy of a Kamen Rider.**

Nazz: I like your Universe 666 version better!

Takumi: Universe 666?

Nazz: Long story.

Me: **Yeah we'll tell you later.**

Then MASATO WENT BALLISTIC!

Masato Kusaka: YOU THINK YOU'RE A HERO, TAKUMI INU! NO! YOU ARE JUST AN ANT UNDERNEATH MY BOOT! ONCE I KILL YOU, MARI WILL BE MINE TO DO AS I PLEASE! AND THEN, I

WILL KILL YOUR FRIENDS! AND AS FOR THE KAMEN RIDERS, I WILL JUST ANNIHILATE THEM TOO! STARTING WITH KABUTO OVER THERE!

Me: **Like hell you will!**

I teleported and kicked him in his stomach and he belched up a tremendous amount of blood!

Camie punched him in his face and kicked him in his stomach and then he reverted back and the belt came off him!

I grabbed it and his Faiz Phone.

Me: **You don't deserve this.**

Takumi: You can have this, Kiba.

Kiba: Thanks Takumi.

He put it on.

Me: **Time to turn you into roadkill.**

I pulled out my Wonder Ride Book.

Me: (Reads verse) **"Then a truck came barreling towards the opponent at an incredible speed and honked its horn loudly as it turned him into roadkill."**

HONK HONK!

A huge semi truck appeared and smashed Masato down and sent him crashing into a tree!

Me: **Now to finish this.**

I then slashed Masato's head off and killed him instantly!

His spirit then appeared.

Me: **Nico care to do the honors**

Nico simply summoned Dark's blaster, channeled Black Gate Energy into it, and fired at Masato's head and chest.

He was found guilty by those he hurt and was fading away.

Masato: NO! TAKUMI HELP ME! You wouldn't let a fellow rider die would you?

Takumi: A rider no. You? YES! Goodbye Masato and enjoy the black gates.

Me: **Give my regards to Swartz.**

Masato: DAMN YOU ALL TO HELL! (FADES)

He was gone!

I skewered his severed head on a spear.

Me: **Now for this .**

I wrote a note on a a scroll.

I threw the spear with his head on it.

It went into the Jacaranda cafe.

Kazuma saw it.

Kazuma: WHOA! Hey what's this?

He saw the note and read it.

カズマ様

かつて仮面ライダーカイザとして知られていた草戸マサトの頭であり、我々とファイズチームによって倒された。彼は永遠にブラックゲートに追放され、今では忘れられた記憶にすぎません。約束通りトラックで彼を轢き、東京中に彼の血をまき散らした。彼は二度と誰も傷つけません。 2月12日にまたお会いしましょう。

敬具 J.D.

追伸、Evelyn があなたに挨拶します。

He was happy.

Takumi: Listen, in case my Wolf Orphnoch gets out of control, I need you to make a contingency plan for me.

Nico: I can do that.

Me: **That is a promise.**

I reverted back.

Eli: But that was awesome though.

Cassidy: It sure was!

Axel: Yeah! You really socked it to him.

Me: Yep.

Eli: Wait look! Is that an Espeon and Umbreon?

We saw them.

Nico: It sure is.

Espeon: (In a girls voice) Long time no see Nico.

Umbreon: (In a girls Voice) Yeah you're looking good.

Nico: Fiona and Felicia Tamara!? Whoa!

Me: You know them?

Nico: I sure do. They are twins from my science class days and we studied on the power of wind and moonlight.

Me: Cool!

Cassidy: What are your favorite memories of Nico?

Espeon: Mine is where we invented a wind powered generator.

Umbreon: Mine is where we made a moonlight powered solar cell.

Me: Cool! Moonlight is Sunlight being reflected off the moon. So that is awesome.

Nico: It sure is.

Me: Lets get you girls back to normal. Takumi I would cover your eyes.

Takumi: Oh right.

They did so.

Nico pulled out a black and pink leotard.

I put on my blind man glasses and Nico and the boys covered their eyes. And I snapped my fingers and they were reverting back and they were back to normal. Fiona was a girl with pink hair and purple eyes and Felicia was a girl with black hair and yellow eyes and Nico gave them their leotards and they put them on.

Fiona Tamara: (GROAN) That was rough.

Felicia Tamara: It sure was.

Nico then hugged them both.

Nico: I've missed you girls.

Fiona and Felicia: We did too Nico.

We later came back.

May: Hey guys. How did it go?

Me: It was awesome!

We told everyone everything and everyone cheered that Masato was gone.

Varie: Good riddance!

Me: Yep.

May: Next time, Cheese and Nosferata should come with you.

Me: Good idea!

Cassidy: Yeah!

---

Later at the beach, Nico had me blindfolded and Varie had Cassidy blindfolded.

Dr. Krankcase: Nico, I hope you can run very fast after this!

Nico: (GULP) I know.

Me: So where are we heading?

Nico: You'll see.

Cassidy: I have a feeling this will be good.

Varie: Yep.

We got to a picnic spot.

Then they took off our blindfolds and we saw we were at the beach.

Me: The beach.

Cassidy: Awesome.

Me: (GASP) Cassidy?

Cassidy: J.D.!?

Me and Cassidy: You're my blind date!?

Me: (In my head) Nico I knew this was your work.

Food Fight: Nico, did you know about this?!

Nico: Yes. We both knew.

Food Fight: Oh.

Me and Cassidy then had an awesome picnic.

It was a great lunch and more.

Then Cassidy kissed me on the lips and I returned the kiss and it was awesome.

Cassidy: I love you J.D. You did so much for me and helped me get through the darkest of times and I will always be grateful. I love you.

Me: I love you too Cassidy.

We kissed again and it was awesome.

Everyone: Aww.

Dirge: I'm really happy for them. But why couldn't they do this yesterday?!

Nico: They didn't know what to say.

Varie: Yeah.

Dirge: I see.

Me: Cassidy lets give Nico his just rewards.

Cassidy: With pleasure.

I spun my magisword bracelet.

TICKLE MAGISWORD!

UH OH!

Nico: You'll never take me alive! (activates Speed Demon and Reverse Flash's Ridewatches)

G1 Blades: (sees something) Yes, they will.

But then Nico fell into a mud pit and it came from a Quagsire!

Me: A Quagsire! Cool!

Quagsire: (In a girls voice) Cool huh?

Nico: (SPITS) Bethany Logan? Whoa!

Quagsire: You asked for this.

Me and Cassidy tickled Nico and he laughed hysterically!

May: Your favorite memory of Nico?

Quagsire reverted back and she was a girl with blue hair and had blue and black clothes on.

Bethany Logan: Me and Nico loved playing in the mud and it was so fun. My favorite was when me and Nico were on a field trip to a stinky swamp and I slipped and fell into the stinky mud and Nico jumped in and splashed me all over.

We laughed!

We stopped tickling Nico.

Me: That is fun.

Lana: Boy I got an awesome mud playing partner.

Xenia: You sure do.

Cassidy: I'll say.

Nico: Yeah that was funny.

Nico and Bethany hugged.

Nico: I really missed you.

SPLAT!

Bethany splashed mud in Nico's face.

Bethany Logan: Me too Nico. Me too mud splashee.

We laughed.

We arrived back and the estate.

Family Guy Penelope: Nico, which teams have you made this time?

Nico: Kopaka's team will include Arisia, Rachel Stavenport, Oceanus Shenron, Nuova Shenron, and Universe 666 Eis Shenron. Nuju's team will include Sam Manson, Sydney Kirlian, Shana the Flame Haze, Evangelyne, and Edyn.

Me: Cool choices!

Qin: I'll say!

Rachel Stavenport: I agree and I'm honored to be on a team.

Shana: Me too.

Nuju: This will be fun.

The previous group came.

El Diablo: Can me, Toiletnator, Fixer, Mr. Mittens, Leonard, Xiao Fung, Iron Lung, Vanitas, Merman, and Evil Lyn go with you guys?

Fire Lord: Me, Pooperman, Evil Spring Man, Superfriends Cheetah, Beagle Boys, Evil Wing Man, Windfall, Dark Phoenix, Genbu, and Mouth of Sauron will come too.

Nico: Yes you all can come with.

Pooperman: Nico you're really filthy.

Nico: Oh yeah. Sorry.

Maria: I got this.

She fired waves of water and washed him off and he was clean.

Nico: Ahh. That's better.

Maria: No problem.

Tempest Shadow: Nico, which Gene Slammers do you think you'll meet next?

Nico: Murkrow and Slowking next.

Me: Ooh!

Poromon: Oh boy.

Xenia: Poromon it's not the Murkrow you fought. It's a gene-slammer for one.

Poromon: Oh.

Qin: But this will be cool.

Fixer: Where are we heading next?

Evil Spring Man: That's what I want to know.

Nico: Well you'll like this. We're going after Donny from the 2006 move Ted.

We gasped!

Me: I thought he was in jail!

Nico: Me too.

Camie: Who is Donny?

I went over his history.

* * *

Donny is the main antagonist of the Ted duology, acting as the main antagonist in both films.

He is Robert's father who desperately wants Ted to give to his son. Donny is also Ted's biggest fan and arch-nemesis.

He was portrayed by Giovanni Ribisi, who also played Parker Selfridge in Avatar and Tim Briggs in Contraband.

Donny came from a lower-class background. His mother had presumably left him with his father, who had one-night stands in front of him. When he saw Ted on TV one night, he immediately liked him and wanted one of his own. However, when he asked his father (who was making out with a woman on the couch) if he could have him, he refused since he had already given him a present: a rake. After his father tells him to go to his hammock, Donny felt heartbroken and took one last glance at the TV screen of young Ted before reluctantly leaving.

When Robert, his son, was born, a grown-up Donny vowed to be the best father ever and let his son have anything he wants - including Ted (which may have contributed to Robert's nature). It's unknown what happened to Donny's wife, but given his stalking attitude, it's possible that she may have left or divorced him.

Donny is first introduced in a positive way. He approaches John and Ted in the park with his son Robert. Donny had remembered Ted from an interview he had years ago, where the host kept on saying prejudiced jokes because he thought Ted was ALF. He offers to buy Ted from John for Robert, but he refuses and he's a little insulted by Robert's actions towards Ted.

Later, Donny's true nature begins to take a darker form when he appears outside of the grocery store Ted works and asks Ted why he's alone. Ted pretends that he isn't alone and that Christ is with him. Sooner or later, Ted leaves with Tami-Lynn.

Finally, Donny and Robert kidnap Ted and take him to their old house, which is also their secret hideout. There, Donny's obsession with Ted comes into full circle. On the walls are hundreds of tapped magazine cut-outs of Ted as a kid and an adult. When Donny tells Ted he belongs to Robert now and that the former must do as the latter says, Ted rudely criticizes his getting away with kidnapping and says the "F" word when sarcastically complimenting this example, but Donny yells loudly at him for swearing, scaring Robert. Noticing this, Donny quickly apologizes to his son for this. Donny reveals that when he was young, he asked his dad for a talking teddy bear, but he said no; it was then that he swore that if he ever had a son, he'd never say no to his son again. He also showed Ted a basement full of destroyed teddy bears that he had used to fill Ted's place, only to realize eventually that none of them were real enough.

Donny sends Ted and Robert upstairs to play whilst he goes downstairs to dance in private. Before Robert violently rips Ted's ear off for swearing with Jesus' name and the "F" word between the last two parts of His name, he says that like his father, he needed to be punished, suggesting that his father abuses him. Ted tricks Robert into playing hide-and-seek with him and he sneaks downstairs to call John. He tells John who took him and that he thinks Donny and Robert may be lovers, but the phone is quickly disconnected by Donny.

Donny and Robert put Ted in a big bag and place him into the trunk of the car to escape John. It is then that John and Lori smash into the back of Donny's car, breaking the back window and allowing Ted to escape, but during so, his stomach is ripped a bit. Ted runs into a nearby building and he's pursued by Donny. As Robert runs at John and Lori demanding "his" teddy bear back, John punches Robert in the nose and knocks him out (to Lori's shock), saying that he deserved it. Donny catches up with Ted into the building, which, in terms, is Fenway Park. Ted crawls up a stadium, but he's stopped by Donny who offers him love, rocking horses, and dancing, but of course, Ted refuses, telling Donny they're far apart from it. Donny quickly grabs him and throws him onto the field, ripping him in half by accident and draining the magic from him, killing him. Immediately, Donny runs away from a passing police car before Ted is brought back to life by Lori, wishing her life back.

In the end, Patrick Stewart (narrating the whole Ted story) reveals that Donny was arrested for kidnapping a plush toy, but the charges were dropped when he and the police realized how completely stupid that sounded.

After having failed to capture Ted in the first film, Donny is now working as a janitor at the Hasbro Toy Company. He discovers that Ted's imminent court case is on the news, and decides to use this to his advantage by convincing the CEO to hire their best lawyer to ensure that Ted loses his case and retains his status as property. He also wants them to capture Ted and study him in the hopes of discovering the secret to creating more live teddy bears.

Later on, after Ted storms off to get away from John and Samantha, Donny stalks him and follows him into the New York City Comic-Con. He disguises himself as a Teenage Mutant Ninja Turtle and asks Ted for a picture, but when he reveals himself, Ted runs away. As Ted is contacting John and Samantha, Donny appears behind him and knocks him unconscious.

Just as Donny is about to cut Ted open with a kitchen knife, John and Samantha arrive at Comic-Con and save Ted. The CEO then abandons Donny out of fear for being sued or charged for potential crimes. John furiously confronts Donny and punches him in the face. Enraged that he will never have his own Ted, Donny decides that if he cannot have a Ted for his own, no one can. As Ted, John and Samantha are leaving, Donny cuts the cables holding up a model of the Starship Enterprise, hoping the model will crush Ted. His plan fails utterly, however, when John winds up being hit by the model instead, which gets him sent to the hospital. When Donny hides from the security among the Ninja Turtle cosplayers, Ted exposes him by playing Tiffany's "I Think We're Alone Now", making him dance and allowing security to apprehend him. With Ted now contributing to humanity and authorized as a person, Donny is arrested and is facing charges for kidnapping and attempted murder.

When I was done everyone was shocked!

Me: This guy is a monster.

Qin: Yeah no kidding!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Agustin Ruiz of

The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Agustin Ruiz of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Camila Urustos: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Agustin Ruiz for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we're off to meet Ted the bear.

Lincoln: And stop that spoiled brat, Donny, from trying to steal him again and send him off to reform school, and once we send him off to reform school, you better be prepared to die, Agustin Ruiz.

Camila Urustos: (Spanish Accent) Jackie's already got the black vans heading for our location to send Donny off to reform school, and once you're sent away, Donny, you better say your prayers, Agustin Ruiz, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation.

Headstrong: We should go meet Ted right now!

Nico: Lets roll!

We were off to New York.

---

We arrived and we saw a bear and he was drinking beer.

Leonard: Hi there!

Beagle Boy Leader: You must be Ted.

Ted: Who wants to fucking know?

Me: Team Loud Phoenix Storm. That's who fucking wants to know.

Xenia: Your voices sounds so much like Peter Griffin's voice.

Me: I was just about to say the same thing.

Larry Koopa: Guys, I don't know if comparing Ted to Peter Griffin is a-

Ted: Let me tell you something about Peter Griffin. He's a fat dumbass who caused trouble in Quahog just for the Hell of it. He also abused Meg over there for no reason. I'm not like him! I am a resonsible person who cares deeply for my friends. In fact, if I ever have children, which I probably never will, I would treat them with love and fucking respect!

Me: That's the fucking spirit!

Qin: Yeah you said it Ted!

Stewie: You may be a teddy bear Ted, but you are a pretty cool cat!

STEWIE JUST SAID THAT!

Stewie: Take it home with ya!

Ted: Wanna meet my friends?

Iron Lung: Sure.

Windfall: Which ones are here right now?

Ted: John Bennett is here.

John came.

John Bennett: Team Loud Phoenix Storm it's an honor.

Me: You too John.

Qin: Awesome to meet you.

He got out a Marijuana smoke.

Me: Light you?

John Bennett: Thanks.

I formed a flame on my thumb and he puffed it.

Ted: Sam's here too.

Cinderella Anastasia: I knew she would be here!

Samantha Leslie Jackson Came.

Sam Leslie Jackson: Hey guys.

Me: Hello Sam.

Qin: Awesome to meet you.

Sam Leslie Jackson: Same here.

Cassidy: J.D. lets get to making out.

Me: Your wish is my command.

Me and Cassidy and my harem got to kissing. RAWR!

Evil Lyn: You'll have to pardon J.D. and his harem.

Ted: No worries. I think it's awesome they love each other that much.

Nico: I think it's so adorable.

Mouth of Sauron: Are you a spectacled bear, Ted?

Ted: Not really sure. I'm just a teddy bear.

Lola: But you're still awesome.

Poromon: Here Ted want one?

He gave Ted a beer.

Ted: Oh thanks.

He opened it and was drinking it.

Sam Leslie Jackie: Digimon and Pokemon that drink?

Nico: Don't fucking ask.

Qin: It's awesome and funny.

Merman: The kind of rumors started to cause a panic?

Ted: Exactly!

Genbu: I see.

Nico: Oh boy.

Qin: Not good. But Donny is a jerk. He doesn't care about anyone but himself.

Lola: I agree.

Vanitas: Where do you think he'll be?

Ted: Probably in that Comic Con convention again.

Dark Phoenix: You mean the one with Bumblebee and TMNT?

Ted: Yep.

Qin: Then we got to stop him.

Nico: I agree. We won't let him get away with this.

May: J.D., did you hear all that?

Me: I sure did. Boss made a clone to have me listen to to everything.

Nico: Great.

Qin: Good.

Nico: Then we got to ready.

Maria: (to the other mascots) You guys want to get drunk with them?

Poliwag: Me, Manaphy, and Horsea do!

Jamesdean5842: Someone put me out of my misery.

They got to drinking too.

They drank 20 bottles of beer!

Me: Uhh boss?

We stopped making out.

Me: Huh? Uh oh.

Poliwag: (Slurred) I just want to s- How are you Alfred Hitchcock?

Poromon: (Slurred) This comic sucks. He couldn't make me laugh even if I was laughing my ass off and he was making me do it huh.

Manaphy: (Slurred) Yeah come on skinny make me laugh.

Horsea: (Incoherent Slurred Speech) What can't you just accent that you're my father?

Ted: (Drunk and slurred) Why can't you be good looking like most Americans?

Poromon: Actually I'm quite typical. Most Americans look nothing like the way they're portrayed in the media.

Poliwag: In fact, obesity is one of our country's primary public health concerns.

Nico: (laughs) Okay, that's enough!

Me: Yeah you guys have had enough.

I snapped my fingers and they were back to normal and had a massive hangover headache.

Poromon: (GROANS) What a headache!

Poliwag: What the fuck happened!?

Nico: You drank the most ever.

May: Let's get going now.

Ted: Okay.

We were off to the New York Convention Center.

We arrived.

Roy Koopa: Ah, Comic Con. the place where people dress up like their favorite characters in popular media

Me: Yep.

We walked around.

Me: Wow look at all these. Huh? (Sees something) Hey look.

I showed everyone comics about us.

Me: They made comic books about many of our adventures.

Nico: Cool! Team Loud Phoenix Storm Issue 575 - Guardians Together, W.I.T.C.H. Forever.

Will: Wow!

Nico looked at it and it was a perfectly accurately retelling and comic of our adventure with when we faced Nerissa the first time!

Nico: Boy this is cool.

Qin: That is so cool.

Lincoln: It sure is.

Me: And our adventures are still going on. But I'm truly honored that they are making comics for us.

Nico: Me too. We'll buy some later.

Nico put it back.

We looked and saw DONNY!

Superfriends Cheetah: Donny's dressed up like one of the Ninja Turtles!

Me: He sure is a big fan of them I'll give him that.

Ted: Showtime!

Ted played on Sam's phone "I Think We're Alone Now"

Mr. Mittens: Any minute now.

Donny heard it and saw Ted.

St. Patricia: Entrance time!

Me: Lets do it. Lets get him True Believers!

Nico: Excelsior!

We went at him.

Donny went to Ted and then the spirits of the great comic books appeared and they swirled around him and then converged and then the statue of the great creator of Marvel Comics, Stan Lee, appeared and in its hand was the Earth with the 6 Infinity Stones orbiting around it and then they formed into a rainbow and then out came us.

Everyone saw us and cheered wildly!

Me: Thank you thank you!

Nico: That entrance was a work of art.

Donny: Team Loud Phoenix Storm!

Me: That's right Donny!

Toiletnator: No one tries kidnapping innocent toy bears!

Pooperman: You don't deserve to wear that Raphael costume!

Qin: Yeah!

Raphael: And no one impersonates me.

I told everyone everything Donny did and more and they booed him!

Qin: You heard them Donny!

Lola: It's buttkicking time!

Deadwood, Brass Knuckles, Mojo Jojo, Killer Croc, Amora, Electropede, Baron Mordo, Thundermon, Felix Faust, Kerbero Gangan, Emil Eagle, Evil Crash Man, Ape Man, Ghost of Dr. Coffin, Evil Drill Man, Millipede Pete, Evil Cut Man, Strikning, Ozzie Ostritch, and Bond Man then appeared.

Amora: I'm truly honored to be at the NYC ComicCon.

Baron Mordo: Same with me.

Felix Faust: This is awesome.

Me: It's perfect for some of the Marvel Villains.

Amora: That sure was and that was awesome doing an entrance as an homage to our creator.

Me: Yeah it sure was cool!

All of us: EXCELSIOR!

Deadwood: There are comics about our adventures?

Maria: There sure are

Brass Knuckles: I didn't know that!

Mojo: I should read them later

Me: You'll love them. They are so cool.

Killer Croc: (to Nico) Heard you went to Yellowstone.

Nico: We sure did.

Amora: How was it?

Me: It was awesome and very beautiful.

Qin: We'll show you all some pictures of the sights later.

Me: Yep.

?: Boy I'll say.

A figure came out and it was KUBAK from episode 22 of Lost Galaxy!

---

Kubak and Teksa were employed with the task of assassinating Trakeena and framing the Red Galaxy Ranger for her death. When they intervened with Trakeena's battle against Leo, she defeated them with trouble, Teska being the first to fall under her sword. She spared Kubak and demanded to know who put him to the task. Kubak, however, hesitated long enough for Deviot to shoot him.

He was presumed dead like his comrade until he grew, distracting both Trakeena and the Galaxy Rangers from their present matters. Trakeena left Kubak to deal with them and the Rangers quickly called upon the Galaxy Megazord to battle him. Kubak was no match for the Megazord which easily destroyed him with its Missile

Launch attack.

---

Leo Corbett: Kubak!

Kubak: Been a while rangers!

Me: I remember you! You were sent to kill Trakeena and frame the red ranger for her death.

Kubak: That's right J.D. and you did my work for me.

Me: Trakeena deserved it one way or another. She was a heartless monster.

Kubak: No arguments there.

William: Why couldn't you have just succeeded in killing Trakeena the first time?

Kubak: I might have underestimated her.

Me: She was just that cunning and she beat the living shit out of me. Twice. But I won and destroyed her in the end.

Qin: Yeah it's true.

Me: But she was banished to the Warp.

Xenia: Thank goodness.

Kubak: Good. I'm glad she is gone.

Me: The Universe 666 version would make a great M.O.E. Member.

Kubak: Indeed.

We got the usual battles underway. Everyone was in for a great show.

Keiko: Their names are Cadenza Cthugha and Delia Skythunder and they are both really awesome.

Rarity: Indeed they are darlings. Cadenza has amazing fire powers and amazing skills.

Sweetie Belle: Boy they sure do and both their stories are amazing.

---

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Cadenza Cthugha: Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Cadenza, Delia, what memories did you have with Lincoln, oh, and I forgot to ask: did any of Lincoln's enemies or his mean sisters do anything to earn your hatred?

Cadenza Cthugha: Allow me to go first, and to answer your question: yes, there's one person who had earned my hatred, it was Lori. One day, Lincoln and I were busy doing workouts in our gym and the other Guardian Angels were with us. But, then, the doors burst down, and we saw who it was: it was Lori, and she wanted to kill Lincoln yet again. I was so absolutely pissed off at that control freak bitch, I almost got that close to using Cthugha's Fire Vampire Curse and having her damned for all eternity, but Lincoln stepped in and he fired a blast of fire energy and trapped her inside a fire orb, and he told everyone of what Lori tried to do to him, and as a result, Lori got grounded for nineteen weeks and Lincoln threw her in a metal container, and she screamed at us and pounded on the door: she lost her mind. But, I gave Lori the bird through the window, and she screeched like a banshee yet again.

Luna: Yeah, I remember that day all too well, plus, Lori was still behaving like a wild animal. That's proof that she needed to be put in her place again, otherwise she would go on a rampage throughout Michigan.

Delia Skythunder: That's putting it mildly, and Lori was also at it again with me and Lincoln. One day, we were at the park, and we were doing a study on the types of clouds and the weather patterns that occur when the seasons change. But, then, we heard the sound of high-pitched shrieking in the air, and there was only one person responsible for it: Lori. That control freak was once again on another rampage, and she ran at us to pummel us, but Lincoln grabbed Lori by the collar of her shirt, and he slammed her hard onto the ground, which knocked her out and Lincoln fired red energy beams from his white angel wings and tied that bitch up, then we dragged Lori home, and after we told the family of what Lynn tried to do to us, Lori got grounded for sixteen weeks and Lincoln threw her in a metal cage, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lori the bird through the bars, and she screeched like a banshee yet again, as she lost her mind.

Nicholette Torrington: This hadn't been the first time I gave Lori, Lynn, Lola, Lisa, or Luan the finger, and I wasn't the only Guardian Angel of Lincoln to give those five that gesture as well.

Me: Yeesh, I remember those two days all too well.

Nico: (Winces) Damn, I wonder what got Lori in that kind of bad mood in those two days?

Lincoln: Diana Elementa found out from Lisa's cameras in those two incidents that someone cracked the screen on Lori's phone, and she found out who it was that did the dirty deed: it was Lynn, she'd cracked the screen on Lori's phone and placed a piece of my hair at the scene to frame me. Lynn got grounded for twelve weeks, and Riley Mackenzie punched Lynn hard in the face and threw her in a metal cage again, and she roared at us and pounded on the door. But, Nicholette Torrington who also arrived gave Lynn the bird through the bars, and she roared and beat her chest like a gorilla again.

Luna: Yeah, we were pretty mad at Lori at first, but then, to find out Lynn did that, I was that close to smashing her head in with my guitar for those stunts.

Maria Garcia: (Spanish Accent) Oh great, I knew there was no mistaking that voice from anywhere, don't you know when to stay away from us, Agustin Ruiz.

A man with black hair, tanned skin, brown eyes, and dressed in black clothes came out, it was Agustin Ruiz, the next member of The Order of Nuestra Señora de la Santa Muerte.

Camila Urustos: (Spanish Accent) Lincoln was right that you and the other members of The Order of Nuestra Señora de la Santa Muerte had broken out, but if you think you intend to finish what we started, then, you're just as insane as ever.

Agustin Ruiz: You will all be sacrificed to Santa Muerte, and our deity will reward us as we bathe in your blood!

Suddenly, Camila Urustos' red eyes turned neon red and she was surrounded by a black energy aura with darkness, light and dark magic, light, fiends, imps, and dark angels, she unholstered her massive Fabled Urustos-themed greatsword from her back, and as she approached Agustin Ruiz, she left black energy, darkness, light and dark magic, light, fiends, imps, and dark angels with every step.

Camila Urustos: (Spanish Accent) At least, I know that you're still the same religious fanatic still devoted in the practice of Black Santeria, but now, I've just about had it up to hear with you for the last time, Agustin Ruiz. You and The Order have caused more than enough bloody chaos for the last time, and for what you all tried to do in an attempted desecration of the bodies of the dead, that is an unforgivable sin. As the Gene-Slammer of Fabled Urustos and member of The Order of The Fabled, I hereby sentence you to death for your bloody crimes!

Suddenly, Camila Urustos was surrounded by a massive vortex of black energy with darkness, light and dark magic, and light surrounding the vortex, there are imps, fiends, dark angels, and Fabled Urustos flying around the vortex, and in the vortex is a red phoenix. Then, as the vortex faded, Camila Urustos emerged, but she was changed forever.

Camila Urustos has transformed into SUPER ANGEL-FABLED URUSTOS-HARMONY CELESTIAL ETERNAL XELNAGA DARKNESS LIGHT IMP MEXICAN FABLED URUSTOS ANGEL OF DIVINE DARK FABLED URUSTOS IMP JUSTICE AND DIVINE FABLED URUSTOS IMP LOVE!

We were amazed by Camila Urustos' Super Angel-Fabled Urustos-Harmony Celestial Eternal Xelnaga transformation, and when Lincoln saw her, he had an atomic red blush on his face, hearts in his eyes, and his nose was bleeding, but when Agustin Ruiz saw it, he went insane and he got out his sacrificial knife to stab her, but Camila Urustos fired a powerful black energy blast with darkness, light and dark magic, light, fiends, imps, and dark angels at Agustin Ruiz, which hit him and pushed him back and he also got burned, but this really pissed him off now.

Maria Garcia:(Spanish Accent) Incredible, Camila's transformed.

Lincoln: Yeah, and she really sent Agustin Ruiz back with that energy blast she fired and that really pissed him off now, and Camila, you look beautiful, how do you feel?

Camila Urustos: (Divine Echoing Cosmic Voice of The Darkness Light Fabled Urustos and Divine Darkness Light Fabled Urustos Imp Love) (Spanish Accent) I feel incredible, Linky. Now, shall we put an end to Agustin Ruiz once and for all?

Lincoln: (Smiles) With pleasure, Camila.

Lincoln unholstered his massive Hinon's Almighty Cosmic Storm Greatsword of Universal Hope, Elemental Bravery, and Unbreakable Eternal Bonds from his wider and muscular back and his large gold Elemental Shield of Harmony magically unholstered itself and strapped itself on his left forearm, and he transformed into Super Angel-Ebonwu-Thunderbird-Phoenix-Harmony Celestial Eternal Xelnaga Elemental Thunderbird Buffalo Angel of Divine Elemental Universal Justice and Divine Elemental Mythological Hope, and he joined Camila Urustos.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) You're done running, Agustin Ruiz, and now, you're going to pay for the times you and The Order have tried to kill my Guardian Angels in the past.

Camila Urustos and Lincoln went after Agustin Ruiz, and they fired extremely powerful blasts of rainbow energy, black energy, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, leaves, plants, animals, music notes, psychic blasts, jewels, starships, imps, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Moonlight, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Mythological Animals, Mammoths, Pegasi, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, and Mermaids at Agustin Ruiz and they exploded with incredible power as they hit him, and they attacked him with their massive greatswords leaving scars on him, and Lincoln left many more with his claws, and he was really, really, really pissing off him off now.

Then, Camila Urustos sent her three imps and Lincoln summoned his own imps and they sent them at Agustin Ruiz, and they claw at his face and body, and that caused him to drop his sacrificial ritual knife, which Lincoln suddenly destroyed, and he slashed out his eyes.

Nico: Nice touch with summoning imps to attack him.

Me: Lincoln did say that The Fabled Gene-Slammers can also summon imps, and he can also do the same thing after he fed on their blood, and he also slashed out his eyes.

Qin: Yeesh, now that was brutal.

Suddenly, a beam of light descended and a hand-cannon Blaster appeared for Camila Urustos, her hand-cannon Blaster is known as Fabled Urustos' Darkness Light Fabled Fallen Angel Fury and it's modelled after Rabbid Peach's Fuchsia Fury Blaster, but it's midnight black with red flames on the blaster and with a Phoenix, Angel, and Fabled Urustos surrounded by imps and light etched on the sides, and a red gem on the top of the blaster. Lincoln got out his Universal Elemental Thunderbird hand-cannon Blaster as he and Camila Urustos aimed their hand-cannon blasters at Agustin Ruiz.

Lincoln: (Divine Echoing Cosmic Voice of The Harmonious Elemental Thunderbird Buffalo Phoenix Angel and Divine Echoing Voice of Universal Friendship, Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty,

Generosity, Kindness, Selflessness, Courage, and Trust) Eat energy blasts, Agustin Ruiz!

Camila Urustos and Lincoln fired blasts of rainbow energy, black energy, and elemental forces at Agustin Ruiz and as they hit him, they exploded with incredible power, and he was knocked down. Then, as they holster their hand-cannon blasters, Lincoln fired energy blades from a swing of his massive greatsword at Agustin Ruiz and the blades skewered him, and Lincoln fired a blood red and black energy beam which hits Agustin Ruiz and Lincoln sucked out his blood and life force and he was reduced to a desiccated corpse, and when his spirit appeared, Camila Urustos and Lincoln gave Agustin Ruiz The Black Gates for good. We cheered as Camila Urustos and Lincoln holstered their massive greatswords on their backs and powered down, and Camila Urustos' new body, clothes, weapons, jewelry, Third Eye, eleven massive and long midnight black wolf tails, and massive midnight black angel wings are permanent.

Camila Urustos: (Spanish Accent) For what you've done in practicing Black Santeria to cause death to so many innocent souls, you deserve nothing but eternal damnation. Thanks for helping me end Agustin Ruiz for good, Linky.

Lincoln: (Smiles Warmly) You're welcome, Camila.

Suddenly, Camila Urustos wrapped her arms around Lincoln's wider and muscular back, as her chest pressed against Lincoln's massive pecs and her stomach pressed against his eight-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waists, which took her by surprise and brought an atomic red blush to their faces. Then, as Lincoln leaned down to Camila Urustos' face, they kissed passionately as she moved her arms and placed her hands on Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Angel, imps, and Fabled Urustos flying in the air, and we saw a herd of Buffalo and many animals running across the field, along with elemental forces and and light shining down on them and we cheered wildly. Then, Lincoln and Camila Urustos absorbed the light and they came back to us as the display and Fabled Urustos vanished.

Nico: Wow, guys, that was one awesome battle you fought, and with Agustin Ruiz's death, now there are only thirteen members of The Order of Nuestra Señora de la Santa Muerte.

Camila Urustos: (Spanish Accent) Now, we're really ahead of the curve.

Lincoln: Yep, which means that the next one to take down tomorrow is Rubén Parra, which means it'll be Carmen Valkyrus' turn.

Carmen Valkyrus: (Spanish Accent) That's right.

Me: Those monsters have caused enough trouble and damage to too many innocent lives.

Nico: And all for the practice of Dark Santeria. Say, Lincoln, which Gene-Slammer are you hoping to meet tomorrow?

Lincoln: Good question, Nico. Hmm, oh, I have an idea, how about Gene-Slammers for the Wubbox Sisters.

Nicholette Torrington: Ooh, now that's an awesome idea. There's seven Wubbox sisters of different elements, and there are only seven girls who would be Gene-Slammed into the seven Wubbox Sisters.

Lincoln: Amunet Musiqidandi, The Wubbox Gene-Slammer, Bastet Musiqidandi, The Rare Wubbox Gene-Slammer, Chione Musiqidandi, The Plant Wubbox Gene-Slammer, Ebony Musiqidandi, The Cold Wubbox Gene-Slammer, Isis Musiqidandi, The Air Wubbox Gene-Slammer, Neferteri Musiqidandi, The Water Wubbox Gene-Slammer, and Rana Musiqidandi, The Earth Wubbox Gene-Slammer.

Me: Seven Wubbox Sisters of The Seven Elements, now that's really awesome.

Nico: And we'll be meeting them tomorrow, but I know we'll meet some other bullies from the pasts of your Guardian Angels, right, Lincoln?

Lincoln: I'm afraid you're right, Nico.

Electropede: Have fun in jail, Donny!

Baron Mordo: I hope everyone enjoyed the show.

Thundermon: I bet they did.

EVERYONE CHEERED WILDLY FOR US!

Me: YEAH! Thank you everyone!

Felix Faust: I hope we have another adventure involving a bear tomorrow.

Qin: Me too!

Kerberos Gangan: Now, what should we do to celebrate?

Ted: Let's drink til there's no tomorrow!

Me: I think you guys have had enough.

Nico: Yeah. But great job today everyone!

Ted: (To the viewers) Hope you all loved this adventure and it was so awesome and fun. Also drink responsibly.

Me: Yep.

We went and bought many of our comics that were made for our adventures and more. Then we went back home and enjoyed the rest of the day and went to sleep.

But, her plan to burn Royal Woods to the ground and watch the world burn was stopped by Lincoln, Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina, along with the other Guardian Angels, who defeated her, and they sealed her into a container and Leina Mobius froze her in a glacier and sent it to Antarctica where she would remain there forever. They also would also sing alongside lincoln and they even play music with Lincoln and his sisters, and just like The Men in Black, they even caught a few illegal aliens that were from space that crash landed on earth right in Michigan. Their last name, Musiqidandi means Dandy Musician in Arabic. The Musiqidandi also took up being fashionistas as their hobbies, and they even made bikinis for the girls in Lincoln's harem which in addition to adapting to the Super Angel transformation, but also grant the girls the ability to breathe underwater. They also made Lincoln a speedo, which in addition to adapting to the Super Angel transformations, but this would also give Lincoln the ability to breathe underwater, and they knew he'd gotten the ability to breathe underwater, thanks to his powers and from feeding on the blood of those who have water powers and can also swim underwater. In fact, when they made Lincoln a pair of orange swim shorts while they were 12 at the time, Lincoln kissed the Musiqidandi sisters on the lips. They're also the nieces of Space Dandy, and like their uncle, they hunt down criminals, and they hate Flip, Lewis Travolta, Scoots, Billy McLean, and even The Wet Bandits with a burning passion. # Night of The World War I Bear

This chapter is based on the Death Bear episode from Regular Show

---

In the early morning hours at 3:30 AM, Lincoln had a dream, and he saw a figure who was hiding out and living in the streets of New Zealand, Oceania. But, they were no ordinary figure, it was, Jamie Loud, daughter of Lincoln's future wife, Taylor (Loud House). Lincoln woke up from the dream, but he wasn't the only one, Taylor (Loud House), Black Alpha, Nico, and I also had the same dream.

Lincoln: Let me guess, same dream as me?

Black Alpha: We sure did, Lincoln.

Taylor (Loud House): And not only that, it also means that we found out where my daughter is at.

Me: they're at New Zealand, Oceania.

Nico: Oh no, that's not good. That's the same place when we found Icy Storm, Summer Scoutstar, Izabella Moondrop, Patty Saddles, and Zapp Thunder, And it is not a safe place for kids.

Lincoln: That's right, Nico. Come on, we're going to rescue her, and bring her to the Estate.

Black Alpha: We're on it, Lincoln.

Lincoln, Black Alpha, Taylor (Loud House), Me, and Nico were heading to New Zealand, Oceania. Then, Lincoln saw a 14-year-old girl who has tanned skin, long wavy brown hair with large tuft of her hair sticking upwards on her right side, black and purple eye makeup, and freckles. She wears a red hoodie jacket, a white shirt with a ace symbol, black fingerless gloves, black jeans, and red sneakers. Lincoln saw who she is, it was Jamie Loud.

Lincoln: Excuse me, are you Jamie?

Jamie Loud: Yeah! And who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and this is the dark knight and leader of the Heroic Elementals, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Jamie Loud: You don't mean?

Then, Taylor (Loud House) came out, and when Jamie Loud saw her, she was stunned.

Jamie Loud: So you're telling me that you're my mom?

Taylor (Loud House): Of course, sweetie.

Jamie Loud walk up to Taylor (Loud House), and they hugged, and Taylor cried tears of happiness while Jamie Loud blushes in embarrassed so hard, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Taylor, your mother is one of my many future wives.

Jamie Loud: Does that means… you're my father.

Lincoln: (smiled) What else I won't I be?

That filled Jamie Loud with embarrassment, as Lincoln picked her up and hugged her, and we had a smile on our faces and tears in our eyes.

Jamie Loud: (groans) Dad! Back off, okay? You're embarrassing me.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Jamie Loud to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Taylor (Loud House) with her daughter, and Jamie Loud who maybe embarrassed, but now has a loving, strong, brave, and caring father in her life.

Our mission was to expose an evil Mr. Krabs and send him to prison forever.

Me: Been a while since we were in Bikini Bottom.

Xenia: Yeah it sure has been a while.

Camie: No kidding.

Lily: I was actually starting to miss Bikini Bottom.

Himiko: Boy I can tell.

Nokama: But this will be fun.

Me: It has been a while since we were here though.

Camie: No kidding.

Varie: But it feels good to be underwater again.

Eli: It sure does.

Nico: Nokama, I want to thank you, Dirty Bubble, and your teams for coming.

Nokama: No problem Nico. It's awesome to go with you on this.

Penelope Florrington: I'm excited for this.

Qin: We all are Penelope.

Nico: Penelope, remember when we first met each other?

Penelope: I sure do Nico. I was being teased because of my condition and you stood up for me and told those kids off that I couldn't help it.

Nico: Yep.

Zuria: What condition does she have?

Nicole: She has a rare metabolic condition called Trimethylaminuria. It's a condition in which the liver fails to break down an amino acid called Trimethylamine. It builds up and when it sweats out it makes you smell like rotten fish.

Zuria: YUCK! Is there a cure?

Nicole: No. There is none.

Zuria: Oh man. I had no idea.

Nico: Yeah no one did.

Nicole: Yeah and no matter how much you wash it off it will smell worse and worse.

Zuria: Geez!

May: But now, you're part of Nico's harem.

Penelope: I sure am.

Qin: That is so awesome.

Cassidy: We are so happy for you Penelope.

Hilary Thestalos: We all are.

Xenia: Yep.

Nico: Who enjoyed meeting Ted yesterday?

Me: We all did! But the mascots enjoyed him more because of how much they drank with him.

Qin: (LAUGHS) That was the most beer I've ever seen them drink.

Lola: Yeah it sure was.

Lily: Boy no kidding!

Xenia: Yeah! Cana Alberona would have loved to go up against Ted and the mascots like that in a beer drinking contest.

Nico: Oh god. That would be chaos.

Qin: Yep.

Camie: That would be crazy though.

Himiko: Boy it sure would.

Cassidy: I agree there.

Nico: We also saw that comics of our adventures are being posted.

Lincoln: Boy we sure did and that is so awesome.

Laney: I think they are all amazing. Now we can relive our adventures in comic book form.

Xenia: We sure can.

Me: That is so awesome.

Varie: I think that's so awesome.

Camie: It sure is. That is so amazing that you guys went on an amazing adventure around the world like that In issues 260 to 304.

Himiko: And how you helped bring Chris Hargensen to justice in issue 156.

Luna: Those were so fun dudes.

Me: They sure were.

Nico: I also liked the song "I Think We're Alone Now".

Me: That was a cool song!

Qin: It sure was.

Lola: Yeah and Donny sure likes that song.

Xenia: He sure does. Now he is in a boarding school in Siberia.

Camie: Yep.

Himiko: But Luna we had no idea that Sam went through hell with Michael and Michelle Malloy. That was horrible.

Luna: Yeah it sure was.

Nico: Oh man. I heard about that but I wasn't there when it went down.

Me: You won't like what you will see dude.

Dirty Bubble: It's good to be home!

Me: It sure is good to be in Bikini Bottom.

Qin: Yep.

We went to the Krusty Krab.

Lily: Okay now. We got to keep a low profile. This rescue is where we expose Mr. Krabs for more crimes. I gathered lots of evidence on this one and the people are gonna want to tar and feather him when they hear it.

Nico: Oh boy.

We saw Plankton.

Nico: Plankton? What are you doing here?

Plankton: This isn't what you think. I was planning my next scheme to get the formula when I see SpongeBob with bags in his eyes. I got Man Ray here to investigate.

Man Ray was in a detective coat and fedora hat.

Me: Oh I get it. You're working undercover.

Plankton: Yep.

Camie: Very clever.

Man Ray: And I see that you brought Dirty Bubble and Sinister Slug here too.

Dirty Bubble: Yep. This will be good.

Sinister Slug: Too bad Jumbo Shrimp and Atomic Flounder couldn't come.

Xenia: Yeah but that's okay.

Me: Lets go.

Nico: You got it.

[Open on the Krusty Krab. The customers are eating food.]

We went in.

Nico: Good morning Krusty Crew!

SpongeBob: Hey guys!

Squidward: Awesome to see you all here.

Me: Same here Squidward.

We got to ordering Krabby Patties and got to eating.

Nico: (Whispers) Remember guys. Play along.

We winked.

[Mr. Krabs is painting a picture while humming "Blow the Man Down" and Squidward is manning the cash register.]

Mr. Krabs: Finished at last! [Shows the picture to Squidward and SpongeBob, who is now at the chef's window] What do you boys think of my masterpiece?

Me: Lets see.

SpongeBob: [reading the sign] New business hours: 6 a.m. to 11 p.m.

Me: Ahh decided to expand hours.

Squidward: What?! That is totally unfair!

SpongeBob: Squidward's right, that's totally unfair! Couldn't we get to work earlier than 6:00 a.m.? Like 5:30 a.m.? Or 5:00 a.m.? Or 4:00 a.m.? Or- [Squidward zips up the chef's window before SpongeBob says the next time]

Squidward: Zip it!

Me: Boy SpongeBob loves working here huh?

Squidward: Yeah he does.

[Mr. Krabs places the sign on the front window. He stares out of the window and notices something surprising from across the street]

Mr. Krabs: What the…?! [The Chum Bucket now displays a sign in front saying that it is "now open 23 hours"] The Chum Bucket open 23 hours?!

Me: (In my head) Oh so that's it.

Mr. Krabs: So, that little piece of flotsam Plankton thinks he can stay open longer than me, does he? [A customer walks up to him, tray in hand]

Fish: Sure. I don't know. Why not?

Mr. Krabs: Well, he's wrong!

Fish: Oh, okay. Sure.

Mr. Krabs: As of now, the Krusty Krab is open 24 hours!

UH OH!

[SpongeBob's head bursts through the wall, in the place where the chef's window used to be]

SpongeBob: Did you hear that, Squidward? We get to keep working and working and working without ever having to go home! I've got to pinch myself, because I must be dreaming. [SpongeBob exits the punctured hole in the wall and stands flat on the floor. He starts pinching himself twice, then yells in pain. He pinches himself again and yells again, then does it four more times. After a brief pause, he pinches himself yet again] Well, I'm not dreaming.

Me: Nope you aren't.

[Switch to a telescope view of the front window of the Krusty Krab. Mr. Krabs walks up to the sign and amends it to read, Open 24 hours!]

Plankton: [behind the telescope] Open 24 hours, eh? I knew he couldn't resist staying open later than me. [He starts walking into the Chum Bucket] My evil plan is working perfectly. He'll run his employees into the ground, and when SpongeBob's mind finally cracks from exhaustion, I'll get him to tell me the secret Krabby Patty formula! [Laughs evilly. He notices after a while that Karen is not laughing with him] Why aren't you laughing?

Karen: I've heard this joke before.

Lily: Better get some coffee guys. We're going to be here for a while.

Nico: Okay.

Spongebob: What about Dirty Bubble? I spotted him an hour ago. Or at least someone who looked like him.

Maria: Was this Dirty Bubble lookalike colored black?

SpongeBob: That's right Maria.

Me: Another Dirty Bubble. Oh man. We'll worry about that later.

[Scene switches to the Krusty Krab. Mr. Krabs is standing near the cash register with a cowbell and beater in his hands]

Mr. Krabs: All right, everybody. The Krusty Krab is entering day 3 of non-stop service! Let's give it up for day 3! [The camera shows the customers of the Krusty Krab eating their food and not being swayed by Mr. Krabs' excitement] Yee haw! Day 3!

Me: Three days. Wow.

SpongeBob: [inside the kitchen, holding a Krabby Patty] Krabby Patty, I don't care if we have to stay open until the day after the end of time. As long as I am with you, I am complete.

Awww.

Nico: SpongeBob sure loves Krabby Patties.

[Bubbles fill the screen as the episode transitions to the outside of the Krusty Krab. It then cuts to the inside, where Mr. Krabs still is holding the cowbell]

Mr. Krabs: Day 10 of non-stop service!

Nico: 10 days? Uh oh.

Squidward: [exhausted] Mr. Krabs, can I go home yet?

Mr. Krabs: No one goes home!

Squidward: [points to the bags under his eyes] Look at these bags under my eyes; even my bags have bags! [The camera shows a closely detailed picture of Squidward's drowsy eyes, and a lady screams offscreen.]

Lincoln: Geez!

Applejack: And I thought I had bad bags like that.

Mr. Krabs: Quit your bellyaching, Squidward; you don't hear SpongeBob complaining, do you?

SpongeBob: [grilling patties in the kitchen] K-R-A-B-B-Y P-A-T-T-Y, says I.

Mr. Krabs: You could learn a few things from that boy.

Squidward: [through his teeth] Mr. Krabs, he is not normal. [SpongeBob starts kissing a Krabby Patty]

Mr. Krabs: All right, you can sit down for five minutes. Then it's back to work. [Squidward drops over and starts snoring.]

Me: (Whispers) Our plan is working guys. Any of you tired at all?

Nico: (Whispers) Nope. Good thing this is a simulation.

Xenia: (Whispers) Yeah.

[Plankton, wearing a tight black suit, descends from a rope on the wall and monitors at SpongeBob]

Plankton: Drat! He's not collapsing from exhaustion! But with a little more pressure, the sponge will crack like an egg! [clenches his fists] Then I'll be there to feast on the goo of his shattered psyche. [Slurps and then does an evil laugh. Mr. Krabs notices Plankton, but since he is tiny, black and suspending from a coil, he believes Plankton is a small insect]

Mr. Krabs: Ew, A spider bug. [Mr. Krabs squishes him and the scene changes to the Chum Bucket a while later. Plankton is on the phone, ordering an item from the Krusty Krab]

Plankton: Aw, Come on! [Mr. Krabs finally picks up on the other line]

Mr. Krabs: Krusty Krab! The restaurant that never closes. Would you like to place an order? [We hear a muffled sound from Mr. Krabs' phone] 10,000 Krabby Patties?! We'll start your order right away, Mr… uh, uh… What was that name again? [Muffles coming from the phone. Mr. Krabs writes his information on a piece of paper] Uh huh… Peter Lankton. Wait a minute, this isn't some kind of prank, is it?

Plankton: Eh… no.

Mr. Krabs: Good! We'll call you when it's ready, Mr. Lankton. [Mr. Krabs bursts through the kitchen door, and starts yelling orders at

SpongeBob] Kick it into high gear! We've got a big order! [Clutches SpongeBob, who is staring into space] I'm counting on you, boy! I need you to raise that spatular! [SpongeBob does so, enthusiastically] Yeah! And I need you to say, "Team Krusty Krab!"

SpongeBob: Team Krusty Krab!

Mr. Krabs: That's me boy! Now, make me 10,000 Krabby Patties.

Me: 10,000 Krabby Patties!? HOLY APPLESAUCE!

Qin: That is a lot!

[SpongeBob's eyes swell up as Mr. Krabs walks away]

Mr. Krabs: And no breaks!

SpongeBob: [Ecstatic, giggles] Did you hear that, spatula? You, me and 10,000 Krabby Patties. And the best part? No breaks! [Pinches himself] Wow!

Nico: Boy you would have to be crazy in order to do that!

[Cut to a view of the ocean with a small island with some palm trees in the background]

Mr. Krabs: Day 15! Give it up for day 15! [floats by as he hits the bell]

SpongeBob: K-R-A-B-B-Y P-A-T-T-Y… [floats by, flipping three of the six patties on the grill, as the setting transforms into the nighttime. Plankton floats by as the setting transforms into the daytime. Plankton laughs menacingly. SpongeBob floats by, putting mustard on one of four unfinished patties]

SpongeBob: 1,322…

Mr. Krabs: Day 23! Give it up for day 23! [floats by as the setting transforms into the nighttime. Mr. Krabs and SpongeBob continue floating by as the setting changes from day to night and vice versa]

SpongeBob: 6,654…

Mr. Krabs: Day 30!

SpongeBob: 7,121… [Plankton floats by now. He laughs menacingly. Patty items float by]

Mr. Krabs: Day… 35… ! [floating by as the setting transforms into the nighttime. Mr. Krabs and SpongeBob continue floating by as the setting changes from day to night and vice versa]

SpongeBob: 8,659… [floats by]

Old Man Walker: Wait, what's going on? Whoa, whoa! [floats by, confusedly. The scene switches back to the Krusty Krab. Mr. Krabs appears extremely tired]

Mr. Krabs: Day… [record scratch] anyone know how many days it's been? I've lost track.

Squidward: [Breathing heavily next to a pile of Krabby Patties] 43… ! [Gasps, as the top of his head expands and shrinks.]

Me: Oh boy.

Plankton: (uneasy) Although seeing Krabs do this is freaking me out a bit.

Me: It's freaking me out too.

Lincoln: No kidding and I did this the same way as Flip's brother did.

Nico: No kidding there.

[SpongeBob places a tray of food items on the chef's window and then shoves them off. He does the same again for a smelly boot]

Me: Whoa man.

Mr. Krabs: What the flimflam?! [Enters the kitchen and notices SpongeBob looking like a wreck] What are you doing in here, boy? You're wasting all me food! [SpongeBob does not answer him] Boy? [SpongeBob starts fighting the air with his spatula. Mr. Krabs hits him on the back of his head]

SpongeBob: [Drowsily] Oh, hey, Mr. Krabs. When did you get here?

Mr. Krabs: Boy, I'm worried that… [Mr. Krabs turns into a giant Krabby Patty that apparently talks gibberish] Got it?

SpongeBob: [wiping his eyes] I'm sorry, Mr. Krabs. Could you run that by me again?

Mr. Krabs: Sure, I said I'm worried that… [He turns into a Krabby Patty again. He turns back into himself after he stops talking]

SpongeBob: That's what I thought you said. Now, let me offer this as a rebuttal: [he starts screaming and throwing his hands in the air. He hides in the corner, waving his spatula at Mr. Krabs] Stay back! I'm warning you!

Mr. Krabs: [Starts walking towards SpongeBob] All right. Now you're just acting silly. I want you to… [Mr. Krabs turns into a Krabby Patty again]

SpongeBob: No, don't eat me! I'm too chewy! [Screams and runs outside the kitchen, where his eyes bulge as he notices the customers are now Krabby Patties] Holy shrimp! They're everywhere! [Runs screaming and knocks into a Krabby Patty, falling]

Krabby Patty: [looking at him] blarg.

SpongeBob: [Running and screaming. He starts screaming at two Krabby Patties sitting at a table, then one going to the bathroom and then screaming and pointing at Tom.]

Sally: I told you that shirt was hideous. [SpongeBob screams again]

Man Ray: I think we should hold an intervention for Spongebob.

Me: Good idea.

Lily: Now guys!

We got up.

Lily: Everyone! This version of Mr. Krabs is a cheapskate and a fraud and a thief!

Everyone gasped!

Man Ray: Spongebob, look at yourself! Do you really think you can keep working here when you're tired?!

Spongebob:… yes!

Squidward: Whatever you guys are up to, count me in! I can't stand this lunacy anymore!

Me: And you need it too! (SPINS MAGISWORD BRACELET)

SLEEPING DRAGON MAGISWORD!

I fired energy blasts and it hit them and they fell asleep.

Out like a light!

We put blankets on them.

Nico: Be right back. (ACTIVATES REVERSE FLASH'S RIDEWATCH)

ZOOM!

Nico ran and put SpongeBob and Squidward in their beds and came back.

Nico: I'm back.

Me: Good idea.

Lily: Now that that's taken care of we got some incriminating evidence.

The Police came.

Officer: Lets hear it.

She pulled out a massively huge book and it had all of Mr. Krabs's activities he did in it.

Eugene Harold Krabs (b. November 30, 1942), better known as Mr. Krabs, is a major character in Nickelodeon's SpongeBob SquarePants franchise. He is the money-obsessed founder of the Krusty Krab and just like Spongebob, he is business rivals with Plankton.

Although he is one of the series protagonists, Mr. Krabs is frequently known for having a villainous side throughout the series' run, and can even be seen as the main antagonist in several episodes. He has been shown mistreating his employees as slaves and using them for personal and financial gain, serving no consideration for almost anyone (including his own daughter) unless money is involved, and is shown to show absolutely no respect for Plankton at his most harmless, even if it means driving him to suicide for his own amusement. Those continuous traits overtime serve him as an antagonistic or yet, an outright villainous character on multiple occasions. In fairness, however, his cheapness is all to blame for which as he deep down does care about SpongeBob, and his daughter Pearl at heart.

In the films, he is a major character in The SpongeBob SquarePants Movie, the central antagonist in The SpongeBob Movie: Sponge out of Water, and the tritagonist in The SpongeBob Movie: Sponge on the Run.

He is voiced by Clancy Brown, who also played Byron Hadley in The Shawshank Redemption, Viking Lofgren in Bad Boys, the Kurgan in the Highlander film franchise, Lex Luthor in the DCAU and other DC animated works, Mr Freeze in The Batman, Uka Uka and Dr. Neo Cortex in the Crash Bandicoot franchise, Hades in God of War III, Trident, Undertow, and Parallax in Green Lantern, Baron Praxis in Jak II, Taskmaster in Ultimate Spider-Man, Rahzar in the 2012 Teenage Mutant Ninja Turtles series, Gunmar in Tales of Arcadia, Ray Schoonover in Marvel's Daredevil, and Surtur in Thor: Ragnarok. While in a few video games, he is voiced by Joe Whyte and Bob Joles. In SpongeBob SquarePants: Typing, he is voiced by Patrick Pinney. In the Broadway musical adaptation, he was portrayed by Brian Ray Norris.

Since the beginning of the series, Mr. Krabs' overall characterization has become more and more negative. Sometimes, he becomes the villain in some episodes of the show, with Mr. Krabs being just as bad as, if not worse than, Plankton himself.

Although he had moral standards and was a reasonable father figure for SpongeBob at times despite his greedy and recurring antagonistic behavior, the Post-First-Movie Seasons utterly removed it all in favor of more out of character moments where he's much more villainous. Subsequently, this turned him into a full-blown Protagonist Villain who proved time and time again more detestable than Plankton in his worst episodes.

Even prior to controversial Post-First-Movie Seasons, Mr. Krabs does have fair records of villainous and antagonistic acts, notably his recurring tendency to exploit his employees and even exhibits unnecessary sadism towards torturing Plankton upon the latter's defeat. Krab's most prominent antagonistic role, as well as only instance where he truly came close to, if not outright crossing Moral Event Horizon without the franchise's degradation, is Jellyfish Hunter where he abuses captured jellyfish in favor of producing as much jellyfish jelly as he can and nearly eradicate them all had the blue jellyfish save the day by exposing his crime on SpongeBob. He was also willing to harm SpongeBob for attempting to foil his scheme.

Other examples include trying to kill Squidward so that he could make money from his art, trying to con Patrick out of his coupon, and several other crimes. As with most characters, however, his morality depends on who is in-charge of writing the episode. One should also note that while it doesn't excuse his actions, he did try to convince Squidward to leave, so he wouldn't have to resort to murdering him.

A hideous and demonic version of Mr. Krabs that appeared for one second in the episode "Jellyfish Hunter", and now is seen frequently in videos on the internet is called Moar Krabs.

Background

Eugene Harold Krabs was born on November 30, 1942, being born with the blood of a pirate to Victor and Betsy Krabs and grew up from humble beginnings. He was bullied, mistreated and ostracized at school for being poor and ironically his only friend was Sheldon J. Plankton, who is to be his arch-nemesis. At some point during his youth he was sent to live with his grandfather, Redbeard the pirate, who mostly taught and raised him. During his preteen years, he took over the family ship, the Krusty Krab. However, he realized he was not making a profit, so he decided to run away with his grandfather's last words haunting him, "A pirate never lies". He then joined the Pacific Navy. Krabs earned the nickname Armor Abs Krabs, and the title of being the manliest of the crew. His shipmates were Torpedo Belly, Mutton Chop, Iron Eye, and Lockjaw Jones. Krabs's manhood began after the war, where he was secluded in the deep depression that seemed endless. His luck changed when he bought a local bankrupt retirement home, "The Rusty Krab", which he decided to turn into a restaurant, adding a K to "Rusty", thus making it the Krusty Krab after his pirate ship. He decided to go into business, selling his family's Krabby Patty burgers. The Krusty Krab was extremely successful from the beginning, and has for years stood as Bikini Bottom's premiere daytime eatery. Said success resulted in Krabs becoming greedier over time.

At some point of his life, he was the head chef of the S.S. Diarrhea and cleaned the bathrooms on the S.S. Gourmet. Krabs's arch business rival is his one-time friend Plankton, who owns a restaurant called the Chum Bucket literally right across the street from the Krusty Krab. Plankton, a mad scientist and a technological and scientific genius, constantly attempts to steal the Krabby Patty Secret Formula, frequently using his various robots and other creations. This, along with bitterness that stems from their former friendship, resulted in them competing with each other for several decades.

Occasionally, Plankton uses other tactics besides stealing the formula in order to hinder Krabs and attract customers to him. However, all of Plankton's schemes are doomed to fail, and are constantly thwarted by Krabs, with help from SpongeBob, Patrick, and other allies with some being undone by Plankton's shortcomings. On multiple occasions, Plankton states that he has never had a single customer (however, in some recent episodes, such as "Chum Caverns", Plankton's plots do give him brief success).

In The SpongeBob SquarePants Movie, Mr. Krabs opens The Krusty Krab 2, right next door to the original Krusty Krab. He chooses Squidward to manage the restaurant despite his poor treatment of customers, much to SpongeBob's dismay. However, at the end of the movie, (after SpongeBob saves Bikini Bottom and Krabs's life), he is appointed new manager of the Krusty Krab 2. In "Squilliam Returns", Krabs works as the chef in Squidward's fancy new version of the Krusty Krab, but is apparently a terrible cook, creating a disgusting and freakish "appetizer", which eventually comes to life and begins attacking the restaurant's patrons. Even though he weighs 5 ounces, in one of the episodes he says he only put on a couple of pounds.

Before he established the restaurant, he tried to open a business along with his former best friend, Plankton. Their first customer was Old Man Jenkins, which their burger poisoned. Plankton and Krabs blamed each other and fought over the recipe, resulting with ingredients dropped into the meat, which became the Krabby Patty. At the end, Plankton only got one ingredient: Chum.

Krabs was a Navy cadet for some time and retired to running a business again. He bought a retirement home named the Rusty Krab and made it a restaurant. Currently, he has two employees: one loyal and hardworking and the other who does not care about his job and sleeps during his shifts. Occasionally, he would have extra employees to boost his success often being better without them in the end because they either aren't as loyal as SpongeBob, or even lazier than Squidward. Less often, he works for someone else or had another business. Sometimes, he leaves either SpongeBob or Squidward in-charge when he isn't around.

In some episodes such as "Culture Shock" and "Squirrel Jokes", he provided entertainment to the customers. Other businesses that he owned include the Pretty Patties restaurant and the Kuddly Krab, which were not successful in the end. In The Krabby Kronicle, he was the editor-in-chief of the newspaper that he used to advertise the Krusty Krab. However, him forcing SpongeBob to write lies about the citizens of meant forced him to stop publishing them. During Squilliam Returns, he served as the chef for the "five star restaurant" that Squidward "owned" with him letting Squidward use his restaurant as he hated Squilliam almost as much. He looked for a job when he was looking for something to do which led him to become the dishwasher in "Selling Out".

Some restaurants or businesses that he owned were a reformed version of the original Krusty Krab, a separate store, or a different idea. Some changes of the Krusty Krab turned the restaurant into others like the Kuddly Krab, 5 Star Krusty Krab, Krabby O'Monday's and The Krusty Sponge. Separate restaurants include the Pretty Patties Store and Krusty Krab 2. New ideas were made such as hotels like Krusty Towers Hotel.

## Villainous Acts

Mr. Krabs had an extremely prevalent villainous acts and plays a recurring villainous role due to his greed mostly because he's the villain side in conning and criminality as well as committing illegal misdemeanors and felonies at occasions. When it comes to his business rival, Plankton, their rivalry corrupted Mr. Krabs to the point where he takes pure joy in Plankton's suffering and refuses to let him have any form of happiness or even a single customer. He goes as far as being the aggressor without Plankton even plotting to steal the formula. He even breaks boundaries Plankton doesn't.

Mr. Krabs often couldn't care less about his employees, treating them as if he owned them. He breaks several worker's rights laws as if they are nonexistent to him, leading to even free labor at times. He'll bill his employees instead of giving them their paychecks ("Squid on Strike" and "Big Pink Loser"), have them replaced when they go on strike ("Squid on Strike"), pay them with fake money ("One Coarse Meal"), make them work 24 hours a day for over a month ("Graveyard Shift" and "Fear of a Krabby Patty"), hunt them down to drag them into work early, put them in bad working conditions ("Fear of a Krabby Patty"), claim their prize money as his own ("Lame and Fortune" and almost in "Krusty Krushers"), steal their tips ("Krusty Krab Talent Show"), force them into labor even outside of work ("Sanitation Insanity"), and force them to do his sentences while he relaxes and later takes credit ("Sanitation

Insanity"). He especially abuses SpongeBob's kindness, loyalty, and obliviousness, which almost always succeeds.

His cheap nature also makes him put a price on everything if it means he'll make at least one penny. This includes ridiculous things such as napkins ("Imitation Krabs") and using the bathroom ("SpongeBob You're Fired"). He even makes his employees pay extra for his various scams, such as when he pretended to be an automatic voice message just to make SpongeBob put another coin in the phone booth ("Spongicus"). One of his most cheap actions was when he made his customers pay a dollar for every step they took ("Kracked Krabs").

His lust for money even forces himself to actually steal money. An obvious example being when he used Gary to steal coins from civilians ("The Cent of Money"). He'll even steal the property of others so he won't have to spend any money ("Life of Crime," "Growth Spout," and "Hello Bikini Bottom!"). He'll also steal for his own profit ("The Smoking Peanut" and "The Krabby Patty That Ate Bikini Bottom").

Season 1

Help Wanted: He and Squidward get rid of SpongeBob by tricking him into buying hydrodynamic spatula from Barg'N-Mart, but he actually buy it for real and saved both from the anchovies. After that, he rewarded SpongeBob by hired him as a fry cook.

Pizza Delivery: He antagonized Squidward by making him deliver the Krusty Krab Pizza with SpongeBob. This is also a labor law violation because it was closing time before the pizza order even began. Furthermore, he likely made them continue working right afterwards despite the delivery taking all night.

Pickles: It is revealed that the Krusty Krab has a refund policy, but Mr. Krabs had it written very small on the sign that it was almost impossible to see. Despite losing $2 from the refund, he takes it out of SpongeBob's paycheck.

Squeaky Boots: He took SpongeBob's boots away from him, because of the squeaky noise. The squeaky noise hallucination forced him to tell the truth (similar to the Narrator of "The Tell-Tale Heart"), and he did so. He then went insane and started eating the boots to make sure all the squeaking noise doesn't come back to annoy him. At the end of the episode, he got the hiccups sounding exactly like the squeaky noise of the boots, much to his dismay.

Culture Shock: He charged his customers to throw food at Squidward.

Karate Choppers: He threatened to fire SpongeBob to if he won't stop doing karate (even out of worktime) after he strikes one of the customers thinking he was a disguised Sandy. When he saw SpongeBob get attacked by Sandy (in that moment SpongeBob wasn't doing anything and it was clearly visible) he fires SpongeBob, causing him to cry. He rehired him only after Sandy explained to him that SpongeBob tried to tell her, but she would not listen.

Arrgh!: This is the first episode where Krabs is entirely the main antagonist of an episode. His first notorious deed was he hired Patrick just so he can fire him. Then, he kept harassing SpongeBob and intruded his pineapple house just to keep playing their treasure hunt board game, as SpongeBob is exhausted and wants to go to sleep. During that time, when Fred the fish comes in to the Krusty Krab for a Krabby Patty, Mr. Krabs literally throws him out. The next morning, Mr. Krabs gets SpongeBob and Patrick to be pirates and help him find the Flying Dutchman's treasure. He becomes a tyrannical control freak towards the two, condemning them that they're tired and hungry from the treasure hunt, then makes them sleep on the cold ground while he himself gets a warm tent. The two eventually see that Mr. Krabs was using their gameboard as a map. When they find the treasure, Krabs refuses to share it. SpongeBob and Patrick get fed up with Krabs' greed and fight over the treasure chest, then when the Flying Dutchman gets angry at how loud their arguing is and that they dug up his treasure, Krabs immediately incriminates SpongeBob and Patrick. In a twist of irony, the Dutchman rewards the latter two with actual gold doubloons and only gives plastic to Krabs.

Hooky: He reveals that no one at the Krusty Krab has taken a break "Since the chum famine of 59", and he gets mad at SpongeBob for taking a break. This is illegal, as all employees are entitled to a break. Mr. Krabs and Squidward humiliate SpongeBob in front of Pearl and her friends by "Hooking" his pants and making him take off his underwear. This was to get him to never play on the hooks again.

Neptune's Spatula: After telling SpongeBob he has full confidence that SpongeBob will win the fry cook challenge, Mr. Krabs bets all his money on Neptune winning. However, SpongeBob was declared the winner and Mr. Krabs started crying. SpongeBob, thinking Krabs is crying since the former is being forced by Neptune to move to Atlantis to be a fry cook, tries to assure Krabs he'll miss him too, but instead, Mr. Krabs is crying about losing all the money he bet on King Neptune.

Season 2

Big Pink Loser: Despite Mr. Krabs' nonexistent appearance in this episode, he hires Patrick so he can pay him $50 an hour to work at the Krusty Krab. It is also revealed that SpongeBob had to pay Mr. Krabs $100 an hour when he started working. These actions are obviously illegal and have no given reason besides making more self-profit.

Bubble Buddy: Makes Squidward cater to Bubble Buddy, threatening to make his life miserable otherwise. Later he joins Squidward and everyone else in popping Bubble Buddy because SpongeBob had paid Krabs in (worthless) bubble-money for expensive services and food until they found out he was alive.

Patty Hype: Despite he and Squidward makes fun of SpongeBob's pretty patty ideas, he later takes over SpongeBob's Pretty Patties stand so he can earn money to take advantage of its financial success. However, the Pretty Patties turned out to have side effects that angered the customers. After pointing out the Patties added unnatural color to their appearances and demanding refunds, Mr. Krabs then ran away screaming in fear (because he's worried he'll lose his money, not because the crowd is angry at him). The angry mob of color-mutated fish may have caught up on Mr. Krabs and physically beat him up.

Life of Crime: Steals various objects from people and lies to

SpongeBob and Patrick about borrowing. The lesson he taught them caused them to fight after a candy bar incident and the lollipop incident (Patrick also accused the policemen).

The Smoking Peanut: Mr. Krabs steals Clamu's pearl and abuses Free Day. SpongeBob believed he was the one who did it, but it was Patrick who became the scapegoat and people threw peanuts at him as revenge. The zookeeper explains Mr. Krabs angered Clamu by stealing her egg (containing a baby clam). Mr. Krabs doesn't apologize, only making up the excuse "But it's Free Day!" and the fish all throw peanuts at him. Off-screen, Mr. Krabs presumably was arrested by the police for petty theft.

Graveyard Shift: Made his employees work 24 hours without a break or hiring extra employees for the night shift (much to Squidward's dismay).

Sailor Mouth: He used foul language along with SpongeBob and Patrick after explaining to them about swearing and was about to punish them by making them paint the restaurant. However, this only began when he stubbed his foot and lost his temper from the pain. He also stole a coin from his mom's pocket when she fainted.

Jellyfish Hunter: Tricks SpongeBob into collecting jellyfish. SpongeBob soon discovers that Mr. Krabs is squeezing jelly out of them so more Jelly Krabby Patties can be made (this even kills off lots of jellyfish up to where the factory resorted to using barrels to store their dead bodies). Unfortunately, the jellyfish became an endangered species because of Mr. Krabs. The jellyfish are set free and sting Mr. Krabs all at once, burning and electrocuting his body. He has no choice but to take jelly off the menu. This is the episode where Moar Krabs meme begins.

Krusty Love: He puts SpongeBob in charge of his money on his date with Mrs. Puff so that he does not end up spending it all, yet demands SpongeBob to buy several increasingly unnecessary items for her before they even leave her house to go to the park, and still getting mad at SpongeBob just for doing what he was told. Eventually, SpongeBob loses his temper and gives Mr. Krabs a verbal scolding before walking off in a huff.

The Fry Cook Games: He and Plankton turn SpongeBob and Patrick against each other by making them compete in the Fry cook games and even make them fight each other.

Squid on Strike: He refuses to pay his employees and instead makes them pay him for reasons as ridiculous as breathing and existing. Forcefully charges his employees for their "slacking", even though the stuff they did on the slacking list were needed to do their jobs (such as existing, talking, standing) and fired both of them. After SpongeBob destroyed the Krusty Krab in revenge, Mr. Krabs forces him and Squidward to pay for the damages by working for him "FOREVER". The next scene cuts to SpongeBob and Squidward still working even after they've been reduced to skeletons.

Sandy, SpongeBob, and the Worm: When Sandy said she would catch the worm if they're willing to pay, Mr. Krabs freaks out and says he would rather have the worm eat everyone alive than to get a cent out of him.

Season 3

The Algae's Always Greener: After Plankton and Mr. Krabs switch lives, Mr. Krabs who is stark naked follows Plankton's motive to steal the secret formula.

My Pretty Seahorse: Mr. Krabs tried to get rid of Mystery (in which SpongeBob tries to hide her from him and Squidward). He told SpongeBob about a story about losing a friend (actually a dollar he spent on soda) which inspired SpongeBob to release Mystery into the wild. It should be noted that Mr. Krabs wished for Mystery to be given up as he noticed she was not enjoying her unnatural surroundings and did console SpongeBob when he tearfully gave up Mystery stating he had done the right thing for her. After Mystery does gallop away, Mr. Krabs tries to comfort SpongeBob who is lamenting her (as Krabs is in a good mood about having gotten rid of Mystery), Squidward teases that Mystery managed to eat the Krusty Krabs's cash reserves and therefore Krabs yells at SpongeBob to quickly get her back. The audience can imply that SpongeBob and Mr. Krabs never found Mystery since she didn't make another appearance and so Mr. Krabs never recovered the money she ate.

Nasty Patty: Forces SpongeBob to help him make a Nasty Patty by threatening to fire him, because he thought the health inspector in his restaurant was a phony. He along with SpongeBob try to get rid of the "body" which was still alive, getting the health inspector injured more and more.

The Sponge Who Could Fly (Lost Episode): Mr. Krabs along with everyone else in Bikini Bottom took advantage of SpongeBob and his flying pants by making him do their favors.

One Krabs's Trash: Mr. Krabs tries to take back a soda-drinking hat he sold to SpongeBob after hearing about its price. He scares SpongeBob out of it with a paper ghost and defiles a grave to get it back, only to find out it was worthless. He also kills an army of skeloton people who just wanted the hat back.

As Seen on TV: When he sees that the Krusty Krab commercial Squidward set up looks expensive (despite it all being necessary), Mr. Krabs scolds Squidward and angrily fires all the crew members except a clown (who ends up leaving anyway). Despite Squidward's chagrin, He decides to make the commercial using "the cheapest crew in the world" (himself, Squidward, Pearl, and SpongeBob (who has a small background role)), which turns out to be terrible and at a time that no one (except SpongeBob (because of his loyalty)) is awake to watch it.

Can You Spare A Dime?: He is the overarching antagonist of the episode as he accuses Squidward for stealing his first dime, causing him to quit and eventually lose his house, forcing him to move in with SpongeBob and make him do stuff for him. When SpongeBob confronts him, he refuses to rehire Squidward until SpongeBob shakes him in anger, causing the dime to fall out of his pocket, revealing he had it the whole time. He then accuses Squidward for putting the dime in his pants at the end of the episode.

Wet Painters: Asks SpongeBob and Patrick to paint the walls of his house and messes with them by scaring them into thinking the paint they were using was permanent and tells them if any paint got onto anything but wall, he would chop their butts off. After they get some on his first dollar, he licks it off and confesses his lie and that it comes off with saliva and laughs while the two walk out angrily. He then accidently ruins SpongeBob and Patrick's work by laughing about his own joke, causing saliva to hit the walls. It was noted that his first dollar came from his childhood.

Clams: After he got his million dollar, he cheaply invited SpongeBob and Squidward to go clam fishing with him, much to Squidward's dismay. As Squidward was injured, Mr. Krabs couldn't care about that. However, he lost his million dollar and refuse to accept his loss. Because Squidward reluctantly promises to help him get the dollar back, Mr. Krabs told both that they cannot leave until they got him his dollar back. After waiting for a clam to come for days, Squidward initially tricked Mr. Krabs into thinking that they got a million dollar, but Mr. Krabs guesses it. Because of this, he throws away the food, made SpongeBob and Squidward stay in the fishing boat, and holds them hostage to get back his millionth dollar from a giant clam. It gets worse when he refuses to take another dollar Squidward had (he uses them as a bait to lure a clam). He gets his dollar back after trading his body, minus his head and one of his arms, with the clam. This was also the first time Mr. Krabs nearly crossed the Moral Event Horizon.

Mid-Life Crustacean: Mr. Krabs goes through a mid-life crisis and does several activities with SpongeBob and Patrick to feel young again. After doing several activities, SpongeBob and Patrick asks him "are you feeling it now, Mr. Krabs?" Feeling embarrassed, he then says "I'm feeling like a total barnacle-head!" And throws the kids off him. After insulting SpongeBob and Patrick, Patrick convinces him to do "The Panty Raid." He then breaks into an unsuspecting victim's house to steal their underwear which he finds out to be his mother, something SpongeBob and Patrick didn't tell him, which makes her ground him for the rest of the night, although he forgives them in the end. Most likely due to complaints from audiences about the "panty raid" scene, the episode was eventually removed from further rotation and was also excluded from Paramount+, but can still be found on home media releases.

Born Again Krabs: Tries to sell a rotten Krabby Patty to customers. He gets sick after eating it and is persuaded to be generous by the Flying Dutchman. However, after realizing it wasn't a dream, he steals back toys from children, soda from a customer, stopped another customer from watching free TV, nearly rips someone's arm off for a penny, and trades SpongeBob's soul for 62 cents. Squidward was the one who was horrified that Mr. Krabs would sell SpongeBob's soul, especially when SpongeBob defended Krabs. Luckily, Krabs regretted selling out SpongeBob and disavowed the 62 cents.

Krabby Land: Creates a bogus theme park made of garbage and masquerades as a clown so he can collect children's money. This brings SpongeBob to tears, and the children beat Mr. Krabs up and take his money after finding out he didn't care one bit about them, only their money. As punishment for his scam, Mr. Krabs gets forced to eat a truckload of lima beans. Also, doesn't show any concern when SpongeBob is injured entertaining the children.

Pranks a Lot: Shows SpongeBob and Patrick naked to people in the Krusty Krab. This was to teach him a lesson to never scare people again.

The SpongeBob SquarePants Movie

In the first feature-length movie based on SpongeBob SquarePants, he cons out Mrs. Puff to pay nine dollars for the press conference of the Krusty Krab 2's grand opening, and had Sandy pay an additional dollar for the fact that she is a land creature, making it a rip-off. Despite SpongeBob being a great and most loyal fry cook from day one, he gives the job of manager to Squidward since SpongeBob is "just a kid" (despite it being confirmed that he's an adult) and Squidward is "more mature" than him (even though SpongeBob is his most loyal employee and loves his job unlike Squidward who is shown to be a lazy employee and clearly hates his job) leads to SpongeBob going into developing depression. The next day, after assuming that King Neptune is coming to the Krusty Krab 2 to eat, he changes the cost of a Krabby Patty with cheese from $1 to $101 in an attempt to get more money off of him. His karma is when King Neptune claims that he is only here to retrieve his crown (which Plankton stole and framed Mr. Krabs for with an obviously fake note) and threatens to kill him once learning that the crown was in the forbidden Shell City. Later, he finally receives the karma he deserves for the many years of mistreating his rival when Plankton finally steals the secret formula and starts selling Krabby Patties at the Chum Bucket. Mr. Krabs was forced to watch this while being unable to stop him since he was frozen in place by King Neptune.

Season 4

Fear of a Krabby Patty: Plankton makes Mr. Krabs open Krusty Krab for 24 hours after seeing that Plankton opens the Chum Bucket for 23 hours, but he's unaware that it is part of Plankton's plan, making Squidward upset, and SpongeBob fearing Krabby Patties (although he conquered his fear by sleep). He then works SpongeBob, Squidward, and even himself to near death for 43 restless days straight, not letting any of them even go home and didn't cared if they lacked any sleep because of this. In the end, he decides that 23 hours a day is enough.

This is the second time he kept the restaurant open for 24 hours; the first time was in Graveyard Shift. However, unlike the aforementioned episode, he stays at the Krusty Krab with his employees, thus suffering from the same lack of sleep that they do.

The Lost Mattress: When Squidward tells Mr. Krabs he threw away his old mattress, Mr. Krabs attacks Squidward and antagonizes him because all his money was in the mattress, which Squidward didn't know about. When he falls into a cash coma, Squidward, SpongeBob, and Patrick head to the dump to get the mattress, resulting in Squidward getting repeatedly attack by a guard worm.

Krabs vs. Plankton: Mr. Krabs was being negligent by not putting a wet floor sign on the ground, which has the possibility of injury. Being that he is the owner of the Krusty Krab he has a duty of care, but failed to meet with this standard of care. Plankton then uses this as a excuse to sue Mr. Krabs to get the secret formula. Fortunately, Krabs manages to win the case with SpongeBob's help. Squidward also reveals he hasn't had a day off in over 3 years, which is illegal, as all employees have to have days off throughout the year.

Have You Seen This Snail?: Neglects SpongeBob's depressed state and doesn't even bother to understand him and ask him what's his problem, only to focus on the amount of his tears being dropped onto the patties that the customers are asking for refunds, informing him that working more should help as an attempt to increase self-profit. As karma for his insensitive nature and his petty greed, SpongeBob leaves his job until further notice to work harder to find Gary, much to Mr. Krabs' shock at the realization.

Skill Crane: Took advantage of Squidward's obsession over the new crane machine to pay him in quarters only, just as he was in the middle of being broke. Whale of a Birthday: It is revealed that Pearl's social life had become crippled overtime as her birthday parties also go in shambles due to Mr. Krabs' cheap nature. He also originally plans to give Pearl nothing despite being oblivious of his daughter's 16th birthday and her age. He initially agrees to grant Pearl her wishes, but then goes back on his word by changing just about everything on her list to make them "even better," such as hanging a banner that reads "It's a Boy!", x-ed out to say "Girl", serving stale popcorn instead of fresh, serving dishwater instead of punch, having a statue made of raw Krabby Patty meat by Squidward instead of ice by a professional, using cardboard instead of an actual cake (although it still had frosting), and having Squidward perform instead of Pearl's favorite boy band, the Boys Who Cry. Because of this, Pearl's 16th birthday is at first, horrible, causing her to run outside in tears, but she manages to get a lot of presents, including a boat and the Boys Who Cry, bought by SpongeBob through Mr. Krabs' credit card, which was most likely maxed out. Mr. Krabs intends to chastise SpongeBob for it, but the fry cook lucks out when Pearl praises her father, despite not learning anything from his cheap nature.

Wishing You Well: Plans a wishing well scheme to increase self-profit. During that, he put SpongeBob in there so he can get the coins, saying he'll see him in 8 hours, not even promising he'll let him out. Later that night, after getting some coins in his well, as expected, he wouldn't let SpongeBob and Patrick leave just so he can get more coins from any late-night wishers. He also didn't bother planning on paying Patrick for staying in the well. Near the end of the episode, he told SpongeBob that there is no such thing as magic (even though SpongeBob and Patrick struck magic down the well) and regardless of seeing Sandy, Mrs. Puff, and Plankton's wishes coming true, he still didn't believe him. To prove SpongeBob wrong, Mr. Krabs wished he was served as a meal, but in the end, ends up playing himself when he ends up on a plate as a man prepare to eat him. Before being eaten, Mr. Krabs cried that he now believes in magic in hopes of it getting reversed, thus karma strikes again.

New Leaf: When Plankton surrenders and tells Krabs he's done competing with him, he decides to open a souvenir shop and quit the food business. Mr. Krabs does not believe this, and he confronts Plankton and goes on a rage. He destroys his new gift shop and smashes all of his Nic Nacks. Although this was an elaborate scheme to get the Krabby Patty formula, Plankton never revealed it until the end of the episode. In the end, he gave Plankton a fake secret formula and then taunted at him for this.

Once Bitten: He and the Bikini Bottomites attempt to kill Gary for "infecting" everyone despite SpongeBob's desperate pleas.

The Original Fry Cook: During a flashback of Jim's relationship with Mr. Krabs at his former job at the Krusty Krab, he constantly tries to change the subject when Jim was generously asking him for a raise on his paycheck at the end of every week, much to reveal how cheap he really is at nature. When Jim is finally able to demand a raise, Mr. Krabs mockingly laughs as if he just heard a hilarious joke, causing him to quit. Despite not learning anything from it, he manipulates SpongeBob into making him think that his cheap nature is what benefits everything, only for financial gain, still finding Jim's "joke" hilarious to date.

Krabs à la Mode: Refuses to have the thermostat changed from 62° to save money. He even enforces this rule when it is obvious there are icicles on the ceiling and the floor is ice. This shows that he is too stupid and oblivious to the fact that the temperature was not 62° and was more concerned about saving money. After Plankton revealed to him that the temperature was -15°, it is unknown if he felt guilty for not believing Squidward. His karma for being too stubborn was being frozen by Plankton several times. At the end of the episode, he is seen drinking a frozen Plankton from a glass of lemonade.

Money Talks: Does not listen to his money when they want to be spent on objects. He also kicks an elderly couple out of their seat after being bribed by a fish who wanted the seat. This episode also shows that he has sold his soul to many demons, depressing the Flying Dutchman. He also sold his soul to SpongeBob because he was five cents short on payday.

The Krusty Sponge: Mr. Krabs makes Squidward cook spongey patties (rotten patties), thus poisoning the customers and bringing himself to court. He made Squidward ride the judge around on a train to pay.

The Krusty Plate: Instructs SpongeBob to clean up a plate and to not leave work without doing so, yet angrily chases after SpongeBob at the end despite all of the best attempts he did to complete his task. In which case his neglect by leaving him alone essentially makes him responsible for the Krusty Krab's accidental damage to begin with.

After reading it, Mr. Krabs felt remorse and guilty because He, Sandy, and Patrick called SpongeBob "Idiot Boy" after SpongeBob accidentally upsets them: ruining Patrick's cake for his mother's birthday, destroying Sandy's new invention: a robot, even though Spongebob didn't mean to. Mr. Krabs not only panics because the latter is gone, but also because he feels guilty for pushing him away.

SpongeBob may have taken the blame for Stanley at first, but then he started to accuse SpongeBob without question. He also admitted that he denied his own nephews a job at the restaurant and sent them off. Near the end of the episode, he blames SpongeBob for his spatula's destruction, but it is unknown if he felt bad after SpongeBob explained the truth to him. At the end of the episode, he hands Stanley over to Plankton so he can destroy the Chum Bucket even though Plankton didn't try to steal the secret formula in the episode.

Season 6

Penny Foolish: Mr. Krabs sees SpongeBob picking up a "penny" (which is later revealed to be a $500 dollar bill that SpongeBob mistook for a chewed piece of gum) and tries various plans to take it from him, even to the point of breaking into SpongeBob's house with a metal detector. After SpongeBob reveals the truth to him, Mr. Krabs still believes he has one and continues to search for it, digging holes all over SpongeBob's yard looking for it.

Patty Caper: He stole the secret ingredient of the secret formula, so he wouldn't have to pay $1.99 for delivery. When SpongeBob discovered the ingredient was stolen, he and Patrick went around town falsely accusing Plankton, Sandy, Gary, and Squidward of stealing it before telling Mr. Krabs it was gone. He then tried to frame SpongeBob for it to the police, but accidently points the stolen bottle at him, exposing himself as the real thief and is arrested for it. It is revealed at the end of the episode that the "customer" was only eating at the Chum Bucket because Karen was secretly paying him, and Plankton started crying over his failure once again while Mr. Krabs watched with joy.

Krabby Kronicle: He creates a newspaper and makes SpongeBob write lies about people, ruining their lives. SpongeBob tries to stop but Mr. Krabs threatens to take away his spatula. When SpongeBob exposes his scheme in the paper, an enraged crowd (including Sandy, Larry, Mrs. Puff, and Plankton) confront him and take their money back. However, one dollar is left behind and he puts it on the newspaper printer creating counterfeit cash.

The Slumber Party: He was being cheap to his daughter Pearl by giving her crackers with ketchup instead of pizza, and tries to ruin her slumber party by making up ridiculous rules like no laughing, eating snacks, chewing gum etc… Which gets him kicked out of his house, causing him to stay at SpongeBob's house. He vandalizes

SpongeBob's house and forces SpongeBob spy on Pearl and her friends against his will. After Pearl's party is accidently ruined by SpongeBob, Mr. Krabs is forced to spend his money for a new party at Goo Lagoon as his punishment for not trusting Pearl.

No Nose Knows: Mr. Krabs, along with Squidward and Sandy, planned on hurting Patrick and kick him out of town when his new nose causes him to attempt to get rid of every bad smell. He also forces Plankton to work the cash register since Squidward wasn't there.

Season 7

Tentacle Vision: Mr. Krabs ran an illegal commercial on Squidward's show and had stated on his illegal commercial that he wants to take people's money.

Greasy Buffoons: He and Plankton sell customers greasy food (mostly just grease period). This eventually turns people (including Patrick) into overweight, mindless zombies. SpongeBob calls a health inspector, resulting in both the Krusty Krab and the Chum Bucket being shut down until the grease was cleaned up.

He scares Plankton into being too scared to eat dinner, having nightmares, and even trying to commit suicide. It was shown he was cruelly enjoying, even laughing at Plankton's anguish and responded gleefully and uncaring when informed Plankton was trying to kill himself. When SpongeBob tells Plankton what Krabs was doing, he punishes him by trapping him and inviting a mime to the Krusty Krab to terrifying him. In the end, it is unknown if he finally learned his lesson. It was Mr. Krabs' most evil moment in the entire franchise.

He steals everyone's money, brings Gary to exhaustion, all the while completely ignoring or writing off the poor animal's suffering, and distracts SpongeBob by giving him tedious chores. Mr. Krabs soon receives karma when he is crushed by a tidal wave of money and put in the hospital, where every cent he collected is used up to pay his bill.

A Pal for Gary: He sees SpongeBob bringing his pet snail to work as a way to use Gary for free labor as he hands him a spatula.

Yours, Mine and Mine: He stole a Krabby Patty from a customer (who most likely already paid for it) to turn it into a toy. He also charged a dollar extra for a smaller patty (which is paying more for less). Also, he charges $13.50 for a toy.

Squidward in Clarinetland: He refuses to imply with the Bikini Bottom Labour Regulations because it gives him hives. After Squidward demands a locker, he forced him to share with SpongeBob since it is "required by law." Also, he sweet talked a lady out of 20 bucks.

The Curse of the Hex: Refused to let Madame Hagfish have a Krabby Patty and takes away the Krabby Patties SpongeBob made for Madame Hagfish, throws them in the garbage, and tells SpongeBob they would be coming out of his paycheck. He later gets his karma when Madame Hagfish curses the Krusty Krab, (it is later revealed she merely placed a "closed" sign in front of the restaurant,) and no customers show up. He is then forced to retrieve a doubloon from a giant golden eel to get her to undo the "curse." After they succeed in getting the doubloon, Madame Hagfish keeps her word and removed the sign. Later, the same eel from earlier shows up in the restaurant and scares the customers away.

He then reopened the ride to the public without even having it restored, resulting in the ship falling apart. The Googly Artiste: Adds Artistic Advice on the menu for $25 after Squidward said it wasn't on the menu, and forces him to give advice to Patrick. Then while Mr. Krabs was scolding Patrick and SpongeBob for taking his customers from him and selling merchandise made from his own, which was illegal, Patrick explained to Mr. Krabs that he was trying to follow Squidward's "advice", making Mr. Krabs blame Squidward for being responsible for his actions. Then Mr. Krabs agrees to let Patrick sell his art, but only he gets payed, and gets Squidward to be his student.

Sponge-Cano!: He nearly tried to take SpongeBob and Squidward's life essences (kill them).

The Masterpiece: He attempts to plagiarize the Sea Chicken Shack to get his customers back. He has Squidward make a statue, but disapproves of the finished masterpiece and calls it a weapon, a doohickey, and a piece of junk. He is later painted gold and has the kids play on him. Squidward stills seems to be mad at him about his disapproval of his art.

Drive Thru: Smashes a hole in the wall for a drive thru window instead of having someone install one properly. Even though SpongeBob bought a microphone and a menu board, Mr. Krabs uses old napkins as a menu board and tin cans as a microphone instead of using the items SpongeBob bought (despite that using the drive through items wouldn't cost Krabs any money at all since they're already paid for). He also forces SpongeBob and Squidward to work extra hard instead of hiring more employees to work for both drive-thru's. When SpongeBob and Squidward tell him that the customers are starting to riot, Mr. Krabs does not believe them until the Krusty Krab sign crashes through the window. Mr. Krabs then smashes more walls in the Krusty Krab, believing that he will make more money if there are more drive thru's, but instead it causes the Krusty Krab to completely fall apart, leaving Krabs to wallow in sadness while SpongeBob attempts to fix everything with toothpaste that runs out immediately.

Frozen Face-Off: Mr. Krabs abandons his team to try to win the sled race by himself with plans of keeping the million dollar prize all to himself without sharing any of it. He later ends up getting frozen and hypocritically believes the others froze him on purpose to keep the money for themselves after Sandy thaws him out, only to learn from Karen that the race was a trick by Plankton to steal the Krabby Patty formula and the price money was fake. He also tells the monster that had been following them throughout the episode to eat Squidward.

Walking the Plankton: He wins two tickets to a cruise, which he first attempted to go by himself. When SpongeBob pointed out that it was two tickets, he decided to only let someone else join him if they agreed to be his unpaid man servant (with SpongeBob agreeing to do so). When he started selling Krabby Patties on the cruise (which he would most likely need a permit for), he tried to scam what he assumed was a rich man into paying $100 on a Krabby Patty. Once he realized it was Plankton however, he had SpongeBob take it back from him without giving him a refund.

Mr. Krabs Takes a Vacation: He heads off to go on "vacation" with Pearl and SpongeBob. Once on the road, he purposefully leaves

Bikini Bottom and drives by several vacation spots to get Pearl's hopes up, eventually returning to Bikini Bottom and stopping at their true destination, the Bikini Bottom Mint. It can also be said that he lied about it being an actual vacation since it was obviously just a tour experience he didn't have to pay for. Once there, it is obvious that Mr. Krabs had the intention of keeping some of the money made there as he heads onto a conveyer belt. When he redeems himself for his actions throughout the tour by stopping actual robbers, he and SpongeBob are both rewarded dollars with their faces on them. However, Mr. Krabs decides to steal SpongeBob's reward as payment for tagging along on his vacation, only for Pearl to steal both dollars from him as payment for bringing her on a terrible vacation and immediately spent them on shoes right in front of her dad as if they were just regular dollar bills. Fiasco!: After his employees are falsely arrested by the police, he only bails out SpongeBob and Patrick, leaving Squidward in jail. It is also obvious why he refused to bail out Plankton, implied that he still hated him.

Free Samples: After Plankton tricks the town into hating Krabby

Patties, Mr. Krabs tells SpongeBob that they have to do everything in their power to bring them back, with his idea being tripling the prices. He is then convinced by SpongeBob that they should lower the prices instead, which he only does by one cent, even having a disappointed mood about it. It could also be said that he kept all the money SpongeBob made after getting the customers back.

InSPONGEiac: Snaps at SpongeBob and being picky at his work, like too much mustard (101%) and saying the way that he flips Krabby Patties is wrong and kicks him out to get some sleep for he believes he's wasting his profits, claiming that he'd be broke in 411 years. Then after seeing SpongeBob crying out the right amount of mustard, he starts saying it's a terrible thing just to make him cry more.

Chum Fricassee: Tells Squidward that he doesn't value him at all, causing Squidward to get a new job at the Chum Bucket for his cheap nature for a doormat and his years of treating Squidward as if he owns him, and then becomes famous for his grandmother's recipe. Mr. Krabs gets karma from his actions as this nearly causes the Krusty Krab to go out of business. His mistreatment of his employees catches up to him, as Squidward humiliates him as revenge for the years of abuse. When the Chum Bucket is destroyed, he rehires Squidward to be the actual doormat of the restaurant.

Hello Bikini Bottom: When Colonel Carper promotes SpongeBob and Squidward to become a band, Mr. Krabs steals this band for the money they would bring in. He also steals his sound equipment (since his equipment was sabotaged) and takes things from several other people. Basically, he denies Squidward and SpongeBob their happiness (Squidward from performing in concerts and SpongeBob from the Krusty Krab - since he sold it to pay for the tour). He is later forced to giveaway the money he earned from these actions to a long line of angry people he wronged, including Mrs. Puff and Colonel Carper.

Restraining SpongeBob: He remove the star from Krusty Krew employee chart after SpongeBob shows his restraining order. He hires Patrick Star, much to Squidward's dismay.

Season 9

Patrick-Man: He was about to carry groceries for an old woman crossing the street (who is actually The Dirty Bubble in disguise), when he spots a dollar, and then it blows away making him chase after it leaving the old woman behind in the middle of the crosswalk trapped in the middle of cars passing by. He later gets karma when Patrick, trying to be a superhero at the time, believes he is stealing the dollar and places it back on the ground, causing the woman he left behind to take it herself. At the end of the episode, after Patrick defeats the Dirty Bubble, he forces him to clean up the Krusty Krab after he trashes it, showing no gratitude for his actions.

Mr. Krabs tells the officer that he isn't a registered driving instructor and instead of getting a ticket (or even having SpongeBob paying for it), he is forced to be a student at Mrs. Puff's Boating School to his shock.

What's Eating Patrick?: Teaches Patrick how to eat in order to win the eating contest, even in means of depriving him from tasting the patties. During the contest, Patrick tries to leave because he was tired of not tasting, only for Krabs to tell him if he does, he bills him, stating that all the training patties become eating patties. While

Krabs's threat to Patrick held some morality (such as how the boy and the rest of the town would be upset if they lost the contest yet again), his methods were still harsh to Patrick's esteem of eating.

The Sewers of Bikini Bottom: He, along with Crupski, showed no concern about the customers' safety at the stadium and cared less about the consequences when the plumbing system begins to go haywire.

Larry's Gym: After overhearing Larry about that the opening of the gym is free only for today, Mr. Krabs takes advantage of the opportunity and stays there thoroughly. He even taunts Larry several times (especially when he becomes unfit). However, at the end of the episode, Mr. Krabs becomes cooked from staying in the sauna in preserves from abusing the opportunity.

Lame and Fortune: After Squidward won money as an award for being the most miserable cashier thanks to a fortune cookie, Krabs took the money from Squidward abrasively stating "Me register, me money" (also considered stealing), making Squidward miserable again.

He later destroys the bulletin board after Patrick starts posting notes that people misunderstood, resulting in Krabs losing money. He then forces SpongeBob, Patrick, and Squidward to join a knitting class with him.

Move It or Lose It: Both he and Plankton won't comply with the law of restaurants having to be more than 100ft of each other, when one of them only has to move a couple inches. This causes both of them to fight.

Mutiny on the Krusty: Acted like a tyrant and abused his power throughout the episode. He cared less about the rip current that's endangering everyone and the only thing he cared about was having his customers spend their money in his restaurant, mostly out of petty crankiness due to the fact that this was the day that he must pay his employees for their service. He even berated and belittled the customers and his workers after being called tyrant and claimed himself as the captain of the restaurant, much to everyone's disdain. He even acted like a spoiled child when he selfishly refused to save the customers from the monster. However, SpongeBob managed to get him to his senses when he almost spent his first dime on candy. At the end of the episode, he forced Squidward and the customers to push the Krusty Krab back to Bikini Bottom, despite performing a heroic act of saving them from a sea monster. He cancels payday for Squidward.

Goodbye, Krabby Patty: He sells the Krusty Krab to sell frozen Krabby patties, and changed the secret formula to have the Krabby Patties being made of sand, which all Bikini Bottom residents ate, and completely changed The Krusty Krab. He shows a lot of greed as he did this to become rich. He also end his friendship between SpongeBob and Patrick. At the end of the episode, Patrick reveals the truth about the patties being made of sand, making everyone who ate one vomit up the sand, resulting in the frozen patties being discontinued, giving Mr. Krabs karma for his greedy actions.

Before SpongeBob could say anything, he tosses his shrunken fry cook to the Chum Bucket. After SpongeBob is kicked back to the Krusty Krab and is mistaken for an action figure, it is only then that Mr. Krabs learns that it's SpongeBob. He decides to take advantage of his small size by only paying him one penny a year.

Lost and Found: Mr. Krabs has SpongeBob go to the Lost and Found to find a kid's teddy fish. Mr. Krabs points out that there's a ladder, making SpongeBob think there was already a ladder there and causing him to fall. A few seconds later, Mr. Krabs throws down the actual ladder, which both hurts SpongeBob and isn't tall enough for him to get out. With SpongeBob gone for so long, he throws Squidward into the Lost and Found so he could look for SpongeBob.

Once there, Squidward learns that Mr. Krabs took his clarinets from his locker and put them in the Lost and Found. As time goes on, Mr. Krabs decides to abandon the mission, believing his employees to be forever lost as he closes the hatch. SpongeBob eventually escapes with the teddy fish, the lost children, and a juvenile tylosaurus. Squidward, however, is still trapped in the Lost and Found by the end of the episode, caught in a river and surrounded by prehistoric reptiles in the Lost World.

SpongeBob's Place: He becomes jealous of SpongeBob for getting all the customers' attention. He tries to get rid of him by lying about the restaurant being haunted with ghosts. He tries to cook the same way SpongeBob does, but this fails. He goes over the edge when he traps the customers by putting a river of lava around the restaurant. But this also fails when the customers stretched him into a bridge for them to cross, which resulted in him getting burned, which is considered karma.

Season 11

Spin the Bottle: He selfishly demands the bottle to use it for corruptive matters. He is later shrunk and stuffed into an empty ketchup bottle by the genie Plankton got the bottle from earlier along with Patrick, Squidward, and Plankton as punishment for their greed. Krabby Patty Creature Feature: When Sandy and Mr. Krabs create a new Krabby Patty, SpongeBob becomes worried and fears that the patty might be dangerous. SpongeBob attempted to talk Sandy and Mr. Krabs out of it, but they refused to listen to reason. Soon, SpongeBob's worst fears came true when she, Mr. Krabs, and the rest of Bikini Bottom were transformed into Krabby Patty zombies. Since she and Mr. Krabs made the patty, they didn't test to see if it was safe and were unaware of the patty's horrible side-effects. But having been turned into Krabby Patty monsters is considered punishment for failing to see the consequences of making something that could lead to dangerous results. After SpongeBob turned everyone back to normal with Plankton's chum, Sandy and Mr. Krabs both learned their lesson and decided to never sell the Secret Patty again.

Patrick's Coupon: When Patrick was going to buy an ice cream for SpongeBob, Mr. Krabs tried to con Patrick out of the coupon. He almost succeeds in obtaining it from Patrick in exchange for a handshake but Squidward intervenes and reprimands Krabs for taking advantage of Patrick's naïve and gullible nature.

Out of the Picture: After Mr. Krabs finds out that Squidward's art would be valuable if Squidward was "out of the picture," Mr. Krabs sends Squidward on various errands, hoping that he will never return. After nothing works, Mr. Krabs tries to kill Squidward with a mallet. He later receives karma when a piece of the roof falls on him and Squidward, and the same fish who gave him the idea to get rid of Squidward puts them in a museum as an art piece.

Sanitation Insanity: He cared less about the punishment he got from the trash inspectors and forces SpongeBob and Squidward to clean up the mess for him. When he sees them in a trash fight with Patrick, he blatantly lies that they are ruining his hard work, even though he did not clean up any trash. Soon, he gets involved with the trash fight. Luckily, the trash inspectors puts their fight to a stop and Mr. Krabs sadly accepts the punishment by helping SpongeBob, Patrick, and Squidward clean up the trash, even though Patrick is not seen with them.

Pat the Horse: He forced Patrick to carry a lot of kids on his back to make money. He even did the same thing with Squidward and bragged SpongeBob that his horse is better than Patrick. He and SpongeBob challenged to a race to see who gets to deliver the food to a customer at Black Devil Bay first. During the race, he cheated in hopes of winning even though Sandy told them not to, which means that Mr. Krabs doesn't want to play fair. He even impersonated an officer during the race which almost lead him to getting arrested by the police. He eventually wins the race due to Patrick eating the delivery, but gets the punishment he deserves when Patrick steals his arms and starts acting like a real crab.

Bottle Burglars: He stuffs both SpongeBob and Squidward in the safe of the Krabby Patty formula as his "new security system." This is yet another time he abuses his workers.

Shopping List: He gives SpongeBob a phony shopping list containing strange, exotic items and sends him and Sandy on a dangerous but pointless mission to retrieve them. When Plankton steals the fake ingredients, he revealed that he sent SpongeBob to get those items to keep Plankton distracted just so he could go shopping for the real ingredients at the Barg'N-Mart, which meant he also lied about the supposed "apocalypse" that would happen if SpongeBob lost the list. Sandy gets really mad at Mr. Krabs since his stupid little ruse almost got her and SpongeBob killed and costed her both the fur of her tail and her submarine. Mr. Krabs gets the karma he deserves when Sandy beats him up in his office, takes a bag of his money to pay for a new submarine, and sends him flying out through the roof of his restaurant as payback for deceiving his employee. He even admits his defeat at the end when he says to himself, "Well, I guess I had that coming."

Whale Watching: He imprisons Pearl in his own home by barricading everything with prison bars when she was intending on going to a teen party. He even threatened Squidward, who was hired to babysit Pearl, that if anything happens to his daughter while he's away, he'll have SpongeBob torment him for the rest of his life.

Life Insurance: When Squidward decides to try the "Sushi Maker" obstacle course SpongeBob and Patrick made to prove life insurance protects them from injury, Mr. Krabs tells SpongeBob and Patrick what life insurance really is, and signed SpongeBob's contract to take Squidward's money when he dies, and cheered for Squidward to jump in the lava, hoping he will die. Fortunately, Squidward survives, albeit badly injured.

Surf N' Turf: When there is a ship-in-a-bottle contest, Mr. Krabs destroys Sandy's house to make a ship and steals Sandy's treedome to get the prize money. He is later forced to build a replacement tree for Sandy until she grows a new one.

Plankton Paranoia: He starts to become paranoid and a psychopath himself when Plankton isn't coming to get the Krabby Patty secret formula. He mistakes a customer for Plankton and forces out the skeleton, hooks Mrs. Puff to take away her Krabby Patty, and forces everyone to wear barrels by suggestion of Squidward. Mr. Krabs bans all of his customers, Sandy, and even SpongeBob and Squidward just because he thinks that they are all minions of Plankton to hunt over the secret formula. Mr. Krabs stays up all night, and starts to hallucinate Plankton being everywhere (even his eyestalks). He checks on the Chum Bucket and finds that all of his friends, his daughter, and Old Man Jenkins are entering the Chum Bucket. SpongeBob informs Mr. Krabs that Plankton kidnapped Squidward (in an unnatural-sounding tone), and Mr. Krabs comes armed with Krabby Patties with traps in them. Mr. Krabs comes to the Chum Bucket, only to find it is a surprise party and that Plankton wanted to celebrate the anniversary of stealing the formula. SpongeBob explains everyone was planning the event, as Mr. Krabs regains his sanity and realizes that he had been a paranoid jerk all this time. He even realizes that his own insane behavior nearly destroyed his restaurant business and reconciles with everyone by apologizing for his behavior, but since they knew that he was only trying to protect the secret formula, they naturally forgive him. However, when he sees everyone going to eat the Danger Patties, he rushes over and takes them back in order to protect them from getting hurt, causing Mr. Krabs to get painfully mauled by the patties as punishment for his behavior. At the end of the party, the group leaves Chum Bucket, but Plankton finds out Mr. Krabs left the formula behind. However, the formula bottle has dynamite inside of it, and Mr. Krabs and SpongeBob both watch the Chum Bucket explode.

ChefBob: He shows no concern for SpongeBob's stage fright problem and threatens to fire SpongeBob if he does not perform. He receives karma when he is insulted about his weight from ChefBob and slapped by him with money, as well as having his office taken from him.

Call the Cops: Mr. Krabs happily mocks Plankton for getting sent to jail. He also forced SpongeBob to celebrate with him or else he's fired. However, tables turn on him when the police take the Krabby Patty Secret Formula as evidence. When he objects, he gets hit with a baton. He impersonates as a police officer to get the formula back and makes SpongeBob impersonate an officer too. But even though SpongeBob reluctantly wants to do it, Mr. Krabs once again threatens to fire him if he fails to obey his offer. Mr. Krabs even lies to SpongeBob that being an officer is like being in the navy, which in reality is not true. Although he succeeds in finding the formula and takes it away from Plankton, he gets caught and arrested. Getting himself arrested by the police is considered karma for impersonating an officer, stealing evidence, and for forcing SpongeBob to impersonate one as well.

Appointment TV: Mr. Krabs forces SpongeBob to organize his coins despite his objections.

The Grill is Gone: He unfairly flings Plankton out of the race as soon as it starts to prevent him from having a fair chance of winning the grill. His karma could be being sabotaged by the kids during the race. Mr. Krabs might've been only protecting the Krabby Patty formula, but he could've just beat Plankton in the race since Plankton's selected vehicle seemed too slow anyway.

Bubbletown: After getting a call from SpongeBob that he's in Bubbletown jail, he causes a jailbreak just so he can get SpongeBob back to work. When a guard catches him in the act, Mr. Krabs goes helicopter-pincher-mode and pops the entire city, causing SpongeBob to be really upset. He even ignores the damage he caused (claiming that they were just bubbles) and was about to bring SpongeBob to the Krusty Krab, telling him to forget about it. Later, when SpongeBob was able to inflate the entire town again with the help of Bubble Buddy, a new Krusty Krab (the Bubbly Krab) was inflated as well. Once he realized there was no exchange rate for bubbles to real money, Mr. Krabs popped the restaurant and left with SpongeBob in his claws to the real Krusty Krab.

Season 12

FarmerBob: He has SpongeBob work for Old Man Jenkins to pay off his debt rather than pay for the materials that he buys from a garden. He also does not believe in SpongeBob and Patrick's claim in a UFO appearing. However, he receives karma when he sees the aliens for himself and is abducted along with SpongeBob and Patrick for his cheap nature.

The Krusty Slammer: Mr. Krabs turns The Krusty Krab into a jail after he found out jail guard would give him a lot of money. He constantly tortures Plankton with a bunch of punishments while he's in the jail, until Plankton got released early. He then finds out how costly running a prison is, which makes him take away the prisoners food, and he releases the criminals before their prison time was over which is illegal. Mr. Krabs gets arrested for this and gets his comeuppance when he gets locked in a prison cell at the Chum Bucket, while getting chum thrown at by Plankton.

Gary's Got Legs: It is revealed that he charges each of his customers five dollars to make a complaint. Once he realizes that Gary is making the patties and getting slime everywhere, he heads out to make SpongeBob return to work. Once at SpongeBob's door, it at first looks as if he's concerned about SpongeBob having the flu or being at death's door, only for him to yell that those aren't valid excuses for missing work. Once SpongeBob explains the situation and tells Mr. Krabs how happy Gary is to have limbs, he effortlessly cuts them off anyway and brings SpongeBob back to work. However, his actions could be justified since he brought things back to normal.

Broken Alarm: When SpongeBob didn't arrive at the Krusty Krab, he makes the customers more upset when he announces his supposed death. He even scared them with horror stories of SpongeBob's house. Throughout the entire episode, he continuously made threats to SpongeBob about being late to the Krusty Krab if he doesn't get a proper alarm clock. He even tried to find a replacement fry cook if SpongeBob doesn't arrive on time. But he changed that when SpongeBob made it, even though he was sound asleep. When Mr. Krabs discovered that SpongeBob is still asleep after arriving to work, it looked as though if he was going to fire him as punishment for being late. But instead, he makes a cheap and pathetic excuse by saying that he'll have to open and close the restaurant an hour later, something SpongeBob overreacts to. Mr. Krabs receives his karma in the end when Patrick comes in and shows SpongeBob that he fixed his alarm clock.

Senior Discount: He tries to get rid of Old Man Jenkins using very cruel ways: turning up the heat to very hot temperature, playing very loud rock music and even shaking him making his skeleton fall off his body. Seeing that this all didn't work, he brings over his family so they can get rid of Jenkins. He even disturbs the ghosts of his ancestors although they just wanted to party. He then gets kicked out of the Krusty Krab with Jenkins by both their ancestors, and decide to go to the Chum Bucket and torture Plankton the same way Jenkins does while they wait for the ghosts to leave.

SpongeBob's Big Birthday Blowout: He is seen stealing money from people in the party as payment for entering the Krusty Krab section of the party. He does this by tricking them into a pat down before entering.

SpongeBob in RandomLand: Mr. Krabs forces SpongeBob and Squidward to make a delivery to RandomLand in order to make a quick buck while ignoring the protesting Squidward and ejected him by bashing him out with the malfunctioning cash register. His karma is having the customer Rodger come to the restaurant after his employees couldn't make the delivery on time. As a result, he is forced to give the order for free, much to his dismay. He receives further punishment for sending his employees on a dangerous wild goose chase when the cash register bashes him the same way it did to SpongeBob and Squidward.

Breakin': it was revealed that Mr. Krabs doesn't give his employees any breaks. After being confronted by a labor authority officer, Mr. Krabs only agreed to give SpongeBob the minimum amount of break time: 5 minutes every 20 years or else he will pay a fine. It was also revealed that he hid an actual break room behind the wall to prevent his employees from taking breaks in the first place. After SpongeBob's break was up, he once again covers up the break room, unknowingly trapping Squidward inside.

My Two Krabses: He steals Squidward's lunch, claiming that employees are not allowed to bring their own food into the restaurant (which probably hints that they have to order from the menu and pay for their food like a customer for them to eat which would be reasonable if not what's revealed later). This rule turned out to be a con by Mr. Krabs to get free food as he hypocritically looks through Squidward's bag and eats his strawberry ice cream sandwich. This ends up backfiring on him, as the tanning booth he was in causes the ice cream to melt next to his empty shell, causing SpongeBob to think he melted and tries to bring him back to life using chum so he wouldn't miss his date with Mrs. Puff, resulting in Krabs getting humiliated when he comes home naked to his daughter's party, and attacked by SpongeBob and Patrick when they think he's an imposter trying to ruin the date. When he tries to tell SpongeBob and Patrick he was the real Mr. Krabs, they don't believe him until Squidward shows up and reveals he's telling the truth, and mocks his tuxedo, serving as karma for stealing his lunch.

Kwarantined Krab: According to him, it is revealed that back in his navy days, they would isolate the "sicko" and lock them in the freezer so that the others can enjoy their good health. However, it's highly implied that nobody let out the people Mr. Krabs quarantined in the freezer during his sailor years, meaning they likely froze to death. When the health inspector quarantines the Krusty Krab after he discovers somebody inside has Clam Flu, who is later revealed to be Plankton, he sends SpongeBob in the freezer after he sneezes, despite him not being sick. After Patrick pretends to be sick so he could be with SpongeBob, he becomes paranoid by thinking someone is sick such as Squidward scratching his arm, or Mrs. Puff yawning, and throws them into the freezer. When Pearl remembers that she still had money leftover from last time she went to the mall and gives him back his change, Mr. Krabs think that the flu has poisoned Pearl's mind, and he locks her in the freezer too, despite that his daughter was only giving his change back. When the others escape the freezer and attempt to throw him in, he ends up getting into a fight with them all over the restaurant, resulting in the others each getting a different disease, and Krabs himself getting a combination of all five diseases.

Season 13

SpongeBob's Road to Christmas: During his Christmas party, Mr. Krabs, being the cheap skinflint he's always been, gave Plankton a lump of coal for Christmas rather than a decent gift.

The SpongeBob Movie: Sponge Out of Water

In this sequel to The SpongeBob SquarePants Movie, Mr. Krabs committed several heinous acts, making himself different from his comparably more innocent self in the previous movie. Examples are down below:

Mr. Krabs and numerous Krusty Krab customers constantly tease Plankton, who is actually a robotic decoy of him, thinking that he's suffered from another failure to steal the Krabby Patty secret formula.

After SpongeBob and Plankton see the secret formula surprisingly disappear, Mr. Krabs shows up and accuses Plankton of stealing it, even though Plankton truthfully said that he didn't do it. Mr. Krabs wouldn't listen, even when SpongeBob was defending him that he's telling the truth, and traps Plankton in tape and tells a knock-knock joke to make SpongeBob do his signature laughter and torture Plankton forcing him to tell where the secret formula is. Then, while Mr. Krabs and the Bikini Bottom citizens attempt to attack him, SpongeBob rescues him with a giant bubble. Mr. Krabs instantly thinks that SpongeBob has been a double agent working for him and Plankton all these years as they both float away.

Mr. Krabs then becomes a leader of a savage group of apocalyptic sufferers. Later, while they were planning a sacrifice for the "sandwich gods", which a savage Sandy explained due to finding a page of the magic book that was tossed into the ocean by the seagulls, SpongeBob and Plankton return from time traveling, only to discover they brought back the wrong bottle. Then, even when SpongeBob tried to convince the people how savage they've become with the formula missing, Mr. Krabs and the rest attempt to sacrifice SpongeBob by having him get squashed by a falling burger-bun-shaped stone. SpongeBob smelled the familiar scent of Krabby Patties coming from the outside surface, which is coming from Burger-Beard, the one that really stole the formula. Then, as the stone is about to fall on SpongeBob, Mr. Krabs stops it after he and the others smell the scent as well, as they aid SpongeBob to follow the scent.

Mr. Krabs notices that Burger-Beard is selling his Krabby Patties for $8.99 and says to himself, "Why didn't I think of that?"

During the end credits, he pulls Patrick's wallet out of his pocket.

Battle For Bikini Bottom

He has a large possession of Golden Spatulas which he knows are needed for Bikini Bottom to be saved, but refuses to let SpongeBob have them unless he trades them for a large quantity of shiny objects.

When SpongeBob reluctantly disagrees to give him a hard earned Golden Spatula, Mr. Krabs makes SpongeBob's break time at work -5 minutes, effectively meaning he has no break and has to work an extra five minutes.

After having bought all the Golden Spatulas Mr. Krabs has, the player can still talk with him. However, he only ever says the one thing; "The only good robot is the one that's givin' me them shiny objects". This is a subtle reference to the possibility that Mr. Krabs thinks of SpongeBob as a robot which is actually another word for slave.

---

Lily finished and everyone was shocked and horrified and absolutely outraged at Mr. Krabs.

Officer: (to Plankton) How do we know this isn't one of your schemes?

Plankton: Officer, I plead the 5th.

Me: Does Bikini Bottom even do the 5th Amendment?

Nico: Not… really sure.

Officer: All right then.

Me: What do you say to that Krabs!?

Plankton: Now, who's the villain, Krabs?! Now, who's the villain?!

Mr. Krabs: You don't get to talk, Plankton! All the times you tried to steal the Formula…

Plankton: Even I don't do what you did!

Nico: What do you have to say for yourself you cheapskate!?

Me: Yeah!

Camie: Tell them or else!

Krabs: All right you want the truth!? FINE! I did all that yes! And I would do it again!

Lily: Here's what I found out! Krabby Patties are made out of CRABS! (The customers gasp in horror. A green fish retches and spits out his bits from his Krabby Patty.)

Mr. Krabs: (laughs) Hah! Everyone knows Krabby Patties are me family's secret recipe.

Lily: Then explain this. (holds out a box with the label "Crab Legs" in it with some crab legs in it and everyone gasps at him and a box of crab legs of Carl the night janitor) You said you fired Carl the night janitor, but this is his tattoo! (Holds a crab leg that says "Born 2 Lose" and the camera zooms in on it.)

French Green Fish: You fed us to us!

Orange Fish: We gotta pay you to kill us?! (points at Mr. Krabs)

Lily: You're disgusting!

Mr. Krabs: No… I'm the last honest man in Bikini Bottom. We're all animals, boys and girls. Eating each other is what nature intended. (The customers fight him in a brutal fight cloud)

Plankton: Officers, I know I probably have no right to ask this. But I think I could be a better owner of the Krusty Krab than Krabs at the moment.

Officers: I think that can be arranged. All right break it up people.

They stopped and slapped the cuffs on Mr. Krabs.

Later at the courthouse we were watching the Trial.

Judge: All rise. Eugene Krabs.

Mr. Krabs: Yes your honor?

Judge: As punishment for committing several crimes including: Grand Theft, Assault, Fraud, Counterfeiting, Attempted Murder, Forcing Your Employees to Work 24/7 with No Breaks, Grave Robbing, Child Endangerment, Murder, Animal Cruelty, Breaking and Entering, Numerous Health Violations, and Criminal Negligence, I Sentenced You To Life In Prison Without The Possibility Of Parole. (bangs his gavel)

Mr. Krabs: NOOOOOO!

Judge: And you are hereby ordered to pay restitution to Mr. SpongeBob Squarepants and Squidward Tentacles in the amount of $5,282,822,355,322,356,644,323,578,900,422,578,333,578,321,689,432,83
(Bangs his gavel again)

Mr. Krabs: NOOOOOO!

Judge: And The Krusty Krab is hereby placed into the ownership of Sheldon J. Plankton!

He banged his gavel for the third time.

Mr. Krabs was taken away.

Nico: (to me) I'm not complaining about Masato and Krytus getting what they deserved. But sooner or later, someone's gonna take advantage of these villainous breakdowns.

Me: (laughs arrogantly) Ha! Like that will ever happen!

Unknown to us, a certain Noto General was watching outside.

Sonoshi: (smirks) Interesting. (walks away)

I sensed it and knew something big was coming and it involved the Donbrothers.

Me: (In my head) Hmm. I sense something coming. And it's Sonoshi from Donbrothers. Looks like Lyra Heartstrings is gonna be in for a fun battle. But we can't act till Donbrothers is finished which won't be till next month.

We went back to the Krusty Krab.

Plankton: So, what's the fate of the Krusty Krab?

Me: Placed into your permanent ownership.

Lily: And Mr. Krabs is now in prison where he belongs as a convicted criminal.

Xenia: Good riddance.

Nico: Yep.

Plankton: Spongebob, as owner of the new Krusty Krab, my first order is for you and Squidward to get some well deserved rest.

Nico: I already put them back in their beds Plankton. They needed it too.

Qin: Yeah.

Plankton: Oh then that's good.

Xenia: Yep.

Me: Yep. Now SpongeBob and Squidward are living the life of luxury.

Nico: Yep.

Eli: They will get their rightful restitutions.

Plankton: Yep and I'm changing the pay roll to $100.00 an hour.

Me: Good idea.

Dirty Bubble: We should've asked Spongebob if the Another Me was hostile or friendly!

Nico: No worries Dirty Bubble.

Then the Wonder Ride Book for Happy Sarutobi Ninjaden started glowing!

Me: The Happy Sarutobi Ninjaden book is reacting to something!

Nico: It's time.

May: Who's up next?

Nico: Hmm.

Eli: I will go next.

Me: Okay bro.

Then a big green monkey appeared and it was ANOTHER HAPPY SARUTOBI NINJADEN!

Me: Whoa! That one is cool!

Eli: Looks like a bigger version of Beast Boy.

Me: It sure does.

Another Happy Sarutobi Ninjaden: (In a girls voice) I do get that a lot in this form.

Me: (GASP) That voice.

She reverted back and she was a Sailor Soldier with purple hair and purple clothes and had her own version of Kamen Rider Kenzen's swords and had silver and red angel wings.

Me: (GASP) Sumire Giordano A.K.A. Sailor Deep Space!

Eli: Whoa the world of Lilo and Stitch! But in space.

Qin: That's cool!

Sailor Deep Space: Yep and it's awesome to see you again J.D. How are Stitch and his friends?

Me: Great Sumire. They are all awesome.

Maria: And Gantu's a good guy now.

Sailor Deep Space: That's what I heard and I'm so proud of him.

Qin: We all are.

Shanan: He's on my group when we have our usual battles and he is great.

Sailor Deep Space: That's awesome Shanan.

Nico: All of Stitch's friends have so many awesome and amazing powers and they all have been very helpful.

Eli: They sure have.

Sailor Deep Space: That is awesome.

Nico: It sure is. Also we took down that German Hamster.

Sailor Deep Space: You mean Dr. Jacques von Hämsterviel. I heard about that. And I got word that he might be joining the Masters of Evil soon.

Nico: Awesome!

Xenia: That is cool.

Nico: We seriously need to give Stitch's cousins some focus.

Me: I agree there.

Sailor Deep Space: It'll be good for them to get some attention. By the way I take it SpongeBob told you about another version of The Dirty Bubble running around right?

Me: Yes he did. Friendly or Hostile?

Sailor Deep Space: Friendly. And also you might like this one but it's not affiliated with the worlds that Sora and friends visited.

Me: I have a feeling this one will be cool.

Eli: Yep.

Nico: You can do the honors, Eli.

Eli: Gladly. Sorry we have to fight like this.

Sailor Deep Space: No worries Eli.

She turned into Another Happy Sarutobi Ninjaden and Eli fired a wave of Force Lightning and electrocuted her and knocked her down and she was back to normal. I caught the Wonder Ride Book and it was called THE DARK GORILLA BLOODFEAST! Then it turned into a new book called THE WINDS OF THE GORILLAS OF THE SKY!

I went over and picked up Sailor Deep Space.

Me: Nice job bro!

Eli: Thanks.

Nico: First thing when we get back is look into what the rest of Stitch's cousins can do. We already know about what Amnesio can do.

Me: Yep. That will be awesome.

Nico: They have so many amazing powers I know that.

Me: Oh and we do know that there is one that does good luck and bad luck.

Nico: Yep. That's Shoe. I remember him.

Qin: Yeah he was cute.

Me: And there's Fudgy and he looks like a blob of chocolate.

Qin: Oh yeah! He was tasty and funny.

May: Have we really been neglecting them that much?

Me: I guess we have. But I still remember them. Some of them anyway. And they have been a massively big help for all of us.

Nico: That's true.

Laney: Hey look!

We saw a black bubble come in and it had a scary face. It was ANOTHER DIRTY BUBBLE!

Qin: Whoa Another Dirty Bubble!

Me: This one looks like it's made from Tar.

Dirty Bubble: Boy it sure does.

Another Dirty Bubble: (In a girls voice) I do look that way don't I?

Me: (GASP) That voice.

She reverted back and it was a girl with green hair and had orange and pink clothes and had a cutie mark in the shape of a tree star on her right arm.

Me: (GASP) Gina Reginald A.K.A. Sailor Land Before Time!

We gasped!

Nico: The Land Before Time's Sailor Soldier!?

Qin: Cool!

Littlefoot: Gina we all thought you were gone for good after the attack of Sharptooth.

Sailor Land Before Time: I tried to get back to you all but I couldn't. Fate had different plans for me.

Me: Swartz right?

Sailor Land Before Time: Yeah that's right.

Nico: How do you know her J.D.?

Me: Me and Gina would go to the Land Before Time with Aylene and Friends and help her on their adventures. Just recently before she was abducted by Swartz, we went and rescued Ducky and even found the Stone of Cold Fire.

Qin: Wow!

Lola: That is cool!

Aylene C.: Yep and we found out that the Stone of Cold Fire was actually a rock made from the same kind of stone as my time stone.

Xenia: Wow that is cool!

Aylene C.: It sure is.

Me: It's also how I met the Rainbow Faces and found out that they were not from Earth. I told them that we actually have been to many planets all over the universe and have only begun to scratch the surface with how many things are out there.

Nico: That is cool!

Qin: Yeah it is!

Sailor Land Before Time: That is awesome and I'm glad you met them.

Me: We all are.

Kaito: (Gets out Hurricanger gear) Did Swartz promise you anything?

Zocks: (gets out Gaoranger gear) Because we can grant it instead.

Sailor Land Before Time: Actually no he didn't promise me anything. I kicked him in the crotch with the power of an Ankylosaurus and destroyed his sex drive forever before I got out of there.

Me: (WINCES) OOH! OUCH!

Xenia: That must've hurt!

Sougo: (gets out Ninja Storm Ridewatch) Who would want to have sex with Swartz anyway?!

Geiz: (Gets out Wild Force Ridewatch) Or have children with him?!

Sougo got NinjaStormRedArmor while Geiz got WildForceRedArmor.

Kaito: No one. But that was funny.

Zocks: It sure was.

Zocks got a Wild Force Sword and Kaito got a Ninja Storm Sword.

Me: But that was really awesome thinking there kicking him in the balls like that.

Sailor Land Before Time: It sure was awesome. And I have news for you guys. Just to let you know there is Another Version of Nohyas running around and she will appear on your next mission. This one has Magiswords imbued with all the powers of all the members of the Masters of Evil.

We gasped!

Me: Whoa! Thanks for the heads up Gina.

Sailor Land Before Time: You're welcome.

Me: Sorry we have to fight like this.

Sailor Land Before Time: No worries. Also Aylene you did a really great job killing Sharptooth. You have come a long way on your adventures. Your grandmother and your family are really proud of you just like I am.

Aylene C.: Thank you Gina.

Sailor Land Before Time: You're welcome.

She turned back into Another Dirty Bubble!

Me: I hope I don't pop you Gina. (SPINS MAGISWORD

BRACELET)

BOILED CRAB MAGISWORD!

Me: You know it's funny. This would have been perfect on Mr. Krabs in here.

We laughed.

I fired waves of steamed crabs at her and smashed her down.

Me: We'll have to save those for later.

Qin: Yeah.

Me: By the way did you hear about the Zombie Argentinosaurus attack in the Great Valley?

Another Dirty Bubble: Boy I sure did! Those poor dinosaurs all got mutilated all by one of their own turned into a disease filled killing machine.

Me: That was awful! Aylene was traumatized by seeing what happened in that episode of Primal and she wouldn't come out of her room.

Nico: Yeah it was bad. Vambre helped her out and got her better.

Aylene C.: It's true. That was a heartwrenchingly dark episode.

Qin: Yeah no kidding.

Another Dirty Bubble: I don't blame her. What could have caused a gentle giant to do that?

Nicole: A form of Super Ebola that made it a feral monster.

Qin: Yeah that was awful.

Xenia: It sure was.

Another Dirty Bubble: Jeez!

Me: Yeah.

Nico: (gets out Dirty Bubble's Ridewatch) You're a good swimmer, right?

Another Dirty Bubble: I sure am. I have the power to make exploding bubbles underwater.

Me: I saw this power in action long ago.

Nico: Cool! (ACTIVATES DIRTY BUBBLE'S RIDEWATCH)

He fired waves of slime and smashed her down.

Me: It's like these too.

EXPLODING BUBBLE MAGISWORD!

I fired waves of bubbles and they hit her and exploded!

Me: Also in the Land Before Time, we found a geyser field beyond the Sheltering Grass and man did it stink! WHEW! That was awful.

Nico: Boy that is cool! A Geyser Field in the Great Valley.

Another Dirty Bubble: That was awesome.

Me: We also found geodes in a canyon and they were beautiful.

Qin: Wow! Did you bring some back?

Nicole: They sure did and they were some of the most magnificent geodes I've ever seen.

Xenia: We'll have to see them too.

Nico: (Gets out Stinkor's Ridewatch) Try not to barf.

He activated it and then…

LOUD FART!

He farted and the stench hit Another Dirty Bubble and smashed her

down!

Me: GODDAMN NICO! What the fuck did you eat!?

Nico: Sorry.

We coughed and blew the stench out.

Me: Whew! Also Gina did you hear about how we went into the Land of Mists and helped cure Littlefoot's grandpa?

Another Dirty Bubble: Boy I sure did! That was awesome! That was a really harrowing adventure for you.

Qin: Boy no kidding there.

Me: Yeah no kidding there.

Another Dirty Bubble: And I heard that there was an asteroid shower that caused the waterfall that goes into the Great Valley to stop and it led to it being burned.

Me: Yeah. Lightning struck a tree and ignited a huge fire.

Qin: That was terrible!

Lola: It sure was.

May: (gets out Dancing Rats' Ridewatch) Let's dance!

Nico: Shall we milady?

May activated it and The Russian Dance of The Nutcracker Suite played and they danced and bashed and pulverized Another Dirty Bubble all over and it was graceful and fun.

Qin: YEAH!

May: (gets out Sluggy the Unshaven's Ridewatch) Now, for this!

She activated it and fired waves of slime and smashed her down.

Maria: (gets out Movie Will Blake's Ridewatch) I hope my clothes don't rip!

She activated it and went WEREWOLF! She grew fur, her ears turned into wolf ears, grew a tail, her hands turned into claws and her feet had claws too and she had her teeth turn into fangs and her eyes turned glowing yellow and slit and she had dark blue angel wings. She turned into MARIA THE MIDNIGHT - DEFENDER OF THE NIGHT!

Me: WHOA! That is awesome Maria!

Nico: Wow! You look great as a Werewolf!

Laney: Just as awesome as J.D. the Nocturnal!

Me: Looks like you and me will have sisterly bonding time when we do night missions.

Maria: (Beastly Voice) **I do look cool though.**

I formed a mirror and she saw it.

Maria: **COOL! Boy I look like a female version of you in your werewolf form J.D.**

Me: You sure do.

Maria: **I will call this form Maria the Midnight.**

Qin: Yep.

Maria fired waves of dark blue energy and smashed Another Dirty Bubble down.

Qin: Boy that was cool!

Me: Looks like we are gonna be busy helping you out with this awesome werewolf form.

She reverted back.

Me: That was cool though.

Maria: It sure was. (gets out Sinister Slug's Ridewatch) Since we ARE in Bikini Bottom…

She activated it and fired waves of slime and smashed Another Dirty Bubble down.

Qin: YEAH!

Penelope Florrington: Time for me to have some fun. (ACTIVATES STINKOR'S RIDEWATCH)

LOUD FART!

She fired a loud fart and smashed down Another Dirty Bubble.

Me: I have a feeling the next team coming will be Stinky Butt.

Camie: J.D.!? Are you okay!?

Me: (Dazed) Someone get the number of that fist that hit me? (Blubbers) OW! GEEZ! THAT HURT!

Stinky Butt: Sorry about that J.D. Mr. Sucker Punch here is a very punchy guy and loves punching things at random.

Me: Boy he sure packs a wallop.

Qin: No kidding.

Nico: Nice team, Stinky Butt!

Stinky Butt: Thanks Nico.

Me: And Universe 666's version of Supergiant! Wow! You know back 3 years ago the Prime Universe version of you killed Ra's.

Universe 666 Supergiant: I know and that was awful.

Maria: Man, my Werewolf form was a rush!

Nico: Yep.

Emma Vampirella: I got this.

She fired a blast of darkness and smashed down Another Dirty Bubble and I caught the ridewatch and purified it and I went over to Sailor Land Before Time and picked her up and brought her over.

Nico: You know we still have to give you a jumpsuit, right?

Emma Vampirella: I know.

Nico gave her a black jumpsuit.

Emma Vampirella: I have the power to change into human at will.

Me: That is cool. But you realize that because you're a vampire mermaid that you can't go out in the sun, get exposed to silver and garlic and all that.

Emma Vampirella: That would normally the case but I am a daywalker vampire mermaid. I don't have their weaknesses. But I do have the thirst for blood.

Qin: Oh man.

Nico: A mermaid version of Blade. Cool.

Qin: Yep.

May: What's your favorite memory of Nico?

Emma Vampirella: My favorite is when me and Nico went after a horde of sea demons and we destroyed them all and they were located in the Mid Ocean Ridge.

Me: Whoa that is awesome!

Nico: Yeah that was cool.

Nico and Emma hugged.

Nico: I've really missed you.

Emma Vampirella: Me too Nico. Me too.

We later left the simulator and went back and told everyone everything and it was awesome.

After Nico's rescue, Lincoln and his harem, Me and my harem, Ken Knudson, Nico and his harem, Clyde and his harem, Naruto and his harem, Sasuke, Itachi, and their family, Sakura and her family, Qin, Eli, Nicole Knudson, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., Rita, Harriet Loud, Sherlock Hound, Noctis Lucis Caelum, Gladiolus Amicitia, Ignis Scientia, Prompto Argentum, Stella Nox Fleuret, Ravus Nox Fleuret, TLPS Mr. Wolf, TLPS Mr. Piranha, TLPS Mr. Snake, TLPS Mr. Shark, TLPS Ms. Tarantula, The Dynasty Warriors, The Samurai Warriors, Yakko, Wakko, Dot, Sir William the Good, Lady Mary the Good, The Z-Fighters, Max Goof, P.J., Bobby Zimmeruski, Tank, Roxanne (A Goofy Movie), Baloo, Sora, Donald, Goofy, Roxas, Xion, Riku, Kairi, Lea, Elena, Crash Bandicoot, Coco Bandicoot, Aku-Aku, The Quantum Masks, Alternate Tawna, Spyro, Cynder, The Ghostforce, Rayman, The Louds' Scottish Ancestors, The L-ementals, The Demon Slayer Corps, Anatankha, The Bakugan Battle Brawlers, The Power Rangers, Izuku and his friends, The Goths of Darkness, Norbert and Daggett, Heathcliff, Riff-Raff, Hector, Wordsworth, Mungo, Cleo, Leroy, Gali, Sailor Saturn, Destiny the Whale Shark, Dory, Nemo, and Bailey are heading to Pokitaru, and not only is Lincoln going to rescue the six girls here, but we're also going to take down a former relative of Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina named Abigail Seraphina, she may have been born with really strong and immensely powerful fire powers, winged flight, and total mastery of all forms of fire magic like her sisters, but she doesn't have immortality, and what also makes her not like her sisters is that she used her powers to cause havoc and destruction across Royal Woods and wants nothing more than to see the world burn, because she's a very envious, jealous, and greedy girl and she hated her sisters for a very long time. But, her plan to burn Royal Woods to the ground and watch the world burn was forever stopped by Lincoln, Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina, along with the other Guardian Angels, who defeated her, and they sealed her inside a container and Leina Mobius froze her in a glacier and sent it to Antarctica where she would remain there forever. But, she eventually broke out, and now, she wants revenge and intends to finish her sisters off and burn the entire world.

Lincoln: Wow, we're here in Pokitaru, and I know what we're going to do here, not only am I going to rescue the six girls here, but we're also going to take down a former relative of Stella Seraphina, Hestia Seraphina, Nuria Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, and Bridget Seraphina named Abigail Seraphina.

The Seraphina Sisters gasped in shock at the mere mention of Abigail Seraphina's name.

Stella Seraphina: What, Abigail's returned, didn't we defeat that jealous, destructive, psychopathic fire-crazed bitch and froze her in an iceberg after we put her in that container?!

Hestia Seraphina: We did, but it looks like she's escaped!

Nico: Uh oh, so this one's a former relative of you girls. Can you tell us about her and why you hate her so much?

Stella Seraphina: Of course. See, Abigail was once our sister, and like us, she was born with really strong and immensely powerful fire powers, winged flight, and total mastery of all forms of fire magic like her sisters, but she doesn't have immortality.

Hestia Seraphina: And what also makes us not like her is that she used her powers to cause havoc and destruction across Royal Woods and wants nothing more than to see the world burn, because she's a very envious, jealous, and greedy girl and she hated us for a very long time.

We gasped.

Me: Jeez, now I know the full reason behind what you said about her, Stella.

Lincoln: Yeah, none of us liked her, she was always envious, greedy, jealous, and really full of hate, and she enjoyed causing destruction and havoc, even burning people badly.

Nuria Seraphina: And in her jealous rage, she tried to burn down

Royal Woods, and then, she would also watch the world burn, but, her plan was stopped by Lincoln, Stella Seraphina, Hestia Seraphina, Eilane Seraphina, Ember Seraphina, Alinta Seraphina, Helia Seraphina, Bridget Seraphina, and I along with the other Guardian Angels, and we defeated her, and we sealed her inside a cryogenic container that would neutralize her powers and Leina Mobius froze her in a glacier and she sent it to Antarctica where she would remain there forever.

Becky Long: I was the one who made that cryogenic container, and I made sure it would neutralize all of Abigail's powers, but we took a look at the footage from the battle, and we soon found out that a demon sent by that fallen Guardian Angel, Isabella Abaddon, to sabotage the cryogenic chamber.

Nico: Why, that evil, little… !

Lincoln: We were furious at what she did, even in Hell, she still wanted to cause trouble for us. Now, I am really glad we sent her to The Black Gates and made her pay for her crimes, but now, we got to put a stop to Abigail Seraphina, and I'm going to take all of her powers and make her powerless, and we're going to throw her in prison forever., and I want to thank you and your team for joining us, Gali.

Gali: You're welcome, Lincoln.

Sailor Saturn: This is going to be an interesting rescue, and we'll put a stop to the Seraphina Sisters' former sibling and put her in prison.

Suddenly, we saw Wubbox, Rare Wubbox, Plant Wubbox, Cold Wubbox, Air Wubbox, Water Wubbox, and Earth Wubbox appear before us, and with them are the six girls.

Nico: Whoa, that's Wubbox, Rare Wubbox, Plant Wubbox, Cold Wubbox, Air Wubbox, Water Wubbox, and Earth Wubbox, nice.

Wubbox: (Egyptian Accent) That's right, and we got the six girls away from the former sister of The Seraphina Sisters.

Lincoln: (Gasps) Those voices, Amunet Musiqidandi, Bastet

Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi, I knew it was you seven, it's awesome to see you again, but we'll talk later, we still got Abigail Seraphina to deal with.

?: YOU BITCHES, YOU WILL ALL PAY FOR RUINING MY PLANS TO SEE THE WORLD BURN!

Suddenly, we saw our target, Abigail Seraphina, heading for us, and man, was she really mad.

Lincoln: Right on time, Abigail Seraphina. Too bad I have an ice-cold surprise for you.

Lincoln fired a ball of ice at Abigail Seraphina, and it hit her, and she was sent crashing to the ground and was right in front of us, and when she saw us, she was pissed, and even more when she saw her hated sisters.

Abigail Seraphina: YOU… !

Abigail Seraphina fired a powerful blast of fire at us, but we absorbed it and it made us even stronger than ever.

Lincoln: I'm not surprised to see you're still the same bad-tempered, envy-driven, jealous, greedy, and psychopathic monster, Abigail.

Stella Seraphina: None of us are, Lincoln. We thought we'd never have to deal with you again, but that bitch, Isabella Abaddon, had to fuck things up, now we're going to stop you for good and clean up yet another of The Fallen Guardian Angel's mess.

Then, Lincoln grabbed her by the neck with his left hand and hoisted her up and he began sucking out and absorbing all of her really strong and immensely powerful fire powers and fire magic, and we saw her fire wings disappearing forever, and when Lincoln was done, Abigail Seraphina was now just a powerless bad girl, and Lincoln tied her up and beamed her to prison. We cheered as we holstered our weapons and powered down.

Amunet Musiqidandi: (Egyptian Accent) You too, Lincoln.

Bastet Musiqidandi: (Egyptian Accent) Indeed, it's been a very long time since we last met.

Lincoln went up to Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi and he hugged them, and the Musiqidandi sisters are very surprised at just how much taller, more handsome, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much stronger and muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face went even deeper when she saw he still has his vampire fangs and massive white angel wings with stars on the feathers and orange and aurora-colored tips on the feathers, along with hearing his mature, deeper, and manlier voice and seeing the white wolf ears on his head, eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails, and many other accessories.

Lincoln: It sure has been a long time, I haven't seen you seven since you were twelve, and as you can see, I really grew a lot since then.

Amunet Musiqidandi: (Egyptian Accent) Whoa, you sure have, you've really grown up to be very big and very strong like a tree, Lincoln, you've really grown a lot from the cute 11-year-old little boy into a 17-year-old and permanently 7'5" tall, very handsome, and manly teen with abnormally massive and powerful upper and lower body muscles and eight-pack abs, and you still have those vampire fangs and massive white angel wings, that's so awesome, and the white wolf ears and the eleven massive and long white wolf tails with white rabbit tail on top of the massive and long white wolf tails and many accessories, that's really new.

Bastet Musiqidandi: (Egyptian Accent) You really grew a lot, but you're still the same kind boy we all met back long ago, plus, you've grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs, and cut a rock into a diamond on those rock-hard eight-pack abs, and there's not a tape measure long enough to measure that chiseled chest or massive biceps.

Nico: Wow, Lincoln, so this is…?

Lincoln: That's right, Nico, these seven girls are the Musiqidandi Sisters, Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi, these seven are my Guardian Angels from Egypt and classmates in Music. They also would also sing alongside me and they even play music with me and my sisters, and just like The Men in Black, they even caught a few illegal aliens that were from space that crash landed on earth right in Michigan. Their last name, Musiqidandi means Dandy Musician in Arabic. The Musiqidandi also took up being fashionistas as their hobbies, and they even made bikinis for the girls in my harem which in addition to adapting to the Super Angel transformations, but also grant the girls the ability to breathe underwater.

The Musiqidandi Sisters took out the bikinis that they made for the girls in Lincoln's harem which in addition to adapting to the Super Angel transformations, but also grant the girls the ability to breathe underwater.

Nico: Wow, those are really awesome!

Girl Jordan: Really awesome! And these will merge with our current bikinis, nice.

Amunet Musiqidandi: (Egyptian Accent) I knew you'd love them, Girl Jordan, and we also even made Lincoln a speedo, which in addition to adapting to the Super Angel transformations, but this would also give Lincoln the ability to breathe underwater, and we knew he'd gotten the ability to breathe underwater, thanks to his powers and from feeding on the blood of those who have water powers and can also swim underwater.

Amunet Musiqidandi took out the speedo they made for Lincoln, which in addition to adapting to the Super Angel transformations, but this would also give Lincoln the ability to breathe underwater.

Lily the Mermaid: Oh, we're so going to enjoy seeing Linky in that new speedo, and it's also going to merge with his current speedo.

Neferteri Musiqidandi: (Egyptian Accent) And in fact, when we made Lincoln a pair of orange swim shorts while we were 12 at the time, Lincoln kissed each of us on the lips.

Lincoln: That's right, and they're also the nieces of Space Dandy, and like their uncle, they hunt down criminals, and they hate Flip, Lewis Travolta, Scoots, Billy McLean, and even The Wet Bandits with a burning passion.

Chione Musiqidandi: (Egyptian Accent) That's right, we hated those jerks, but we're also glad Scoots is gone forever, that stupid, scooter-driving, troublemaking, heckling old shrew was asking for it big time. (To Lincoln) Oh, Lincoln, there's something we want to give

you.

Lincoln: Let me guess, you seven want to give me your blood, right?

Amunet Musiqidandi: (Egyptian Accent) How did you guess?

Lincoln: Well…

Lincoln's Guardian Angels and his entire harem showed the bite marks Lincoln made on them when he marked them and fed on their blood.

Amunet Musiqidandi: (Egyptian Accent) I always knew it was only a matter of time, but we always knew it's true that those you feed on: those you love won't be turned into vampires, but still, you marking them proves if they get messed with, you're heading right for the dumbasses who dared to anger you.

Me: That's right.

Lincoln first walks over to Amunet Musiqidandi, and he hugged her in his abnormally massive and powerful muscular arms, he slowly leaned his head down on Amunet Musiqidandi's neck, and he slowly bit her and he fed on her blood, and we also saw his rainbow energy aura with elemental forces and mythological animals flare up as he gained a massive power boost and he also gained the very same powers as her, and his muscles bulged even more. He then slowly unlatched his fangs from her neck as it healed and the puncture marks sealed up, and then, he did the same thing with Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi.

Amunet Musiqidandi: (Egyptian Accent) You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, seven Elemental Thunderbird Necklace of Eternal Loves appeared on the necks of Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi with colored gems on the gold lightning bolts and colored crystal links from their merged Crystal Necklace of The Buddha along with Elemental Thunderbird Chokers of Eternal Love on their necks.

Amunet Musiqidandi: (Egyptian Accent) (Surprised) Lincoln, are these…?

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and my many future wives, Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi.

Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi had a smile on their faces and tears in their eyes as Lincoln had his abnormally massive and powerful muscular arms around them, and he leans down to their faces and he kissed each of them passionately on the lips, and she also returned it, and we cheered for them. Then, we went up to the six girls, and when Lincoln saw who they were, he immediately recognized them. The six girls are Sabine Callas A.K.A. Viper from Valorant, Lola Pop, Mechanica, Ribbon Girl, and Twintelle from ARMS, and Natarle Badgiruel from Mobile Suit Gundam SEED.

Lincoln: Oh wow, it's Sabine Callas A.K.A. Viper from Valorant, Lola Pop, Mechanica, Ribbon Girl, and Twintelle from ARMS, and Natarle Badgiruel from Mobile Suit Gundam SEED.

Nicole: Awesome.

Lincoln: Are you girls okay?

Sabine Callas: Yes, we're okay thanks to you.

Then, when Sabine Callas and the other five girls saw who it was that saved them from Abigail Seraphina, their faces turned atomic red upon seeing the 17-year-old permanently 7'5" tall, handsome hunk with abnormally massive and powerful upper and lower body muscles, eight-pack abs, mane of long wild white hair going down to the bottom of his neck and rainbow lightning bolt highlights in the bangs of his long white hair and white wolf ears on top of his head, rainbow colored thunderbird with a gold lightning bolt emblazoned on his forehead with a Third Eye of the Buddha on his forehead with rainbow iris, rows of straight teeth with vampire fangs, golden lightning bolt cutie mark with the thunderbird and comic books right on his massive left pec and surrounded by the symbols of Fire, Water, Ice, Wind, Earth, Nature, Light, and Darkness in a circle, large Celtic Cross cutie mark tattoo in the form of the cutie marks of Twilight Sparkle, Sunset Shimmer, Rainbow Dash, Applejack, Rarity, Pinkie Pie, Fluttershy, Starlight Glimmer, and Trixie Lulamoon, surrounded by a circle were the marks of the other girls in Lincoln's harem on his massive, wider, and more muscular back, and right on top is the Earth surrounded by the ring of mermaids and surrounded by a Thunderbird, Phoenix, Angel, and Buffalo and a Rinnegan-like marking, and right below the Cutie Mark tattoo is a deep sapphire blue kanji with nine magatama in between the kanji that said, "Lincoln Landon Loud, Champion and Emissary of Hinon, Master of Storms, The Weather, The Elemental Forces, The Cosmos, and The Universe, Master of Hero Personas and Many Powers, The Loud House's Man With A Plan, Voice of Reason, Golden-Hearted Brother of Many Siblings, Golden-Hearted Lover and Father of Many Kids, Golden-Hearted and Loving Son of Lynn Sr. and Rita Loud, Loving Grandson of Albert Loud, Golden-Hearted and Loving Future Husband, Powerful Alpha Vampire-Werewolf-Cyborg Hybrid, Descendant of The Seventeenth Century Duke Lincoln McLoud of Loch Loud in Scotland, Destroyer of Morag McLaughlin, Archenemy of Max Dillon Also Known as Electro, Destroyer of Evil, Black-Hearted, Sadistic, Delusional, Power-Hungry, Psychotic Bastards, Talented Comic Book Writer and Video Gamer, True God of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust, Ambassador and Beacon of Hope to The Universe, Savior of The Loud House and Michigan, True Immortal Hero, Amazing and Powerful Student of Numerous Amazing and Powerful Teachers, Shinobi of The Hidden Leaf Village, Member of Many of Team Loud Phoenix Storm's Branch Teams, Spice Demon of The Loud Family, Surfer of The Legendary Wave Humungadunga, Third-In-Command And Founder of Team Loud Phoenix Storm, Dodgeball Angel King of Gotham Royal York, The Unifier of The Three Kingdoms and Warriors of Japan, and Destroyer of The House of Damaskinos", he has deep sapphire blue eyes, a tattoo of a pepper with fire surrounding it on his broader and muscular left shoulder, and Mark of Manhood tattoo of a male bodybuilder with a barbell raised above his head and around him are elemental forces and an orange kanji that read, "Lincoln Landon Loud, Strongest, Bravest, Resilient, Courageous, Handsomest, and Manliest Warrior of The Loud Family" on his massive left muscular forearm, and he had his Rabbit Miraculous, Eini, with him, along with Darkus Battle Ax Vladitor, Darkus Omega Leonidas, Pyrus Omega Leonidas, Haos Omega Leonidas, Subterra Omega Leonidas, Ventus Omega Leonidas, and Ventus Omega Leonidas.

Sabine Callas: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made five clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clones, and we cheered wildly at the scene.

Sabine Callas: (Seductively and rubs her right hand on Lincoln's massive right pec) You too, big, tall, muscular, and handsome.

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Sabine Callas A.K.A. Viper, Lola Pop, Mechanica, Ribbon Girl, Twintelle, and Natarle Badgiruel with colored gems on the gold lightning bolts and crystals links from their merged Crystal Necklaces of The Buddha and Elemental Thunderbird Chokers of Eternal Love on their necks. We returned to The World Tree Estate, and the rest of the team were shocked to find out the villain we went after was Abigail Seraphina, the former sister of The Seraphina Sisters, who used her powers to cause havoc and destruction across Royal Woods and wants nothing more than to see the world burn, because she's a very envious, jealous, and greedy girl and hated her sisters for a very long time, and she came back and wanted revenge.

But, when Lincoln showed what we did in beating her down and Lincoln stripping her of all of her strong and immensely powerful fire powers and fire magic and beaming her to prison, everyone went up to us and hugged us, and Lincoln's harem went up to Lincoln and kissed him. Lincoln and the Musiqidandi Sisters have a lot of catching up to do, now that they're back in town.

Maria: Oh man, I didn't expect the villain to be another bad relative from the past of your Guardian Angels, and even worse, Isabella Abaddon sabotaged that cryogenic chamber Becky Long made to contain her years ago.

Lincoln: Same here, I thought we were rid of Abigail Seraphina, but Isabella Abaddon enjoyed making things really hard for us, but I made sure she was now powerless, and now, she's in prison where she belongs.

Lincoln was right about that: Abigail Seraphina, the former sister of The Seraphina Sisters, was sent to The Neptune Prison for Traitors' Cryo-Prison where she was flash frozen and put in a sub-zero cell in Solitary Confinement for the rest of her life.

---

After taking down Abigail Seraphina and this time for good, we were training intensely in the gym, doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000 reps of tail bicep curls to get our eleven massive and long wolf tails even more stronger than ever as well, and when Amunet Musiqidandi, Bastet Musiqidandi, Chione Musiqidandi, Ebony Musiqidandi, Isis Musiqidandi, Neferteri Musiqidandi, and Rana Musiqidandi saw Lincoln doing 900,000,000,000,000 reps of crunches, wing push-ups and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 900,000-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, they had an atomic red blush on their faces, hearts in their eyes, and their noses were bleeding.

Amunet Musiqidandi: (Egyptian Accent) Whoa, I was right that Lincoln's really grown to be a 17-year-old permanently 7'5" tall, really big, handsome, and really strong man, just look at those abnormally massive and powerful upper and lower body muscles and his eight-pack abs hard at work, and really working out with those 900,000-lb barbells and he's not even getting tired, incredible, and he also got one awesome tan, and he's also doing 900,000,000,000 reps of tail bicep curls to get his eleven massive and long white wolf tails even more stronger than ever, and he now looks even more ripped than ever. It's like he's been bodybuilding and working out for the last six and a half years.

Bastet Musiqidandi: (Egyptian Accent) If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of control again.

Lincoln: Yep, and I've also trained a lot under some very powerful teachers, J.D. and Nico included, girls, and I can still defend myself, and in addition to getting stronger, I've also gotten smarter as well.

Chione Musiqidandi: (Egyptian Accent) That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from a little 11-year-old into a really big, really strong, and really powerful man.

Neferteri Musiqidandi: (Egyptian Accent) Oh man, I knew it was only a matter of time before he told everyone.

Nico: Yep. So, Amunet, what memories did you and your sisters have with Lincoln, and what did our resident jerks do to earn your hatred?

Amunet Musiqidandi: (Egyptian Accent) Oh, I was hoping you'd ask that. One day, we were with Lincoln at our home, and we asked him to model some clothes we've been making, including swim shorts, and of course, speedos. My sisters and I were blushing like crazy when we saw Lincoln in a speedo, and we almost wanted to jump him and make out with him, but we soon heard a scream of rage, and out the window, we saw Flip, Lewis Travolta, and Scoots coming for us, and they were on yet another rampage, but Lincoln stuck his hand out the window and fired a massive wave of water at those jerks and sent them barreling right into some police wagons that Lincoln called, and they got taken back to jail and the nuthouse. We then saw Vanzilla, and Lincoln had to change back into his regular clothes, and the door opened, and we saw J.D., Lincoln's sisters and parents, and they were worried when they found out Flip, Scoots, and Lewis Travolta were on the rampage again, but Lincoln told them he took care of them by firing a massive wave of water at them which sent them barreling into police wagons and it took them back to prison and the nuthouse, and they breathed a sigh of relief.

Luna: Yeah, we were nervous. Plus, we knew Lincoln was modeling clothes that they made, including speedos, and he had to change back into his regular clothes, if we saw him in a speedo, we'd faint, because of the fact our brother became a really big, really strong, really attractive, and extremely muscular man.

Leni: Thanks to his Guardian Angels taking him to their gym to work out every time and far from the five untrustworthy sisters in our family. But, we were the only ones Lincoln trusted, since he knew of Lori, Lynn, Lola, Lisa, and Luan's heartless behavior towards him and his Guardian Angels, and how they stayed friends with them despite the dark things they did to our brother remained a mystery.

Lincoln: Until it was exposed that Lori, Lynn, Lola, Lisa, and Luan had Dark Sides making them do all those things, and over time, they've earned forgiveness for their actions, and they hated their Dark Sides to the core and want nothing but to wish death upon them.

We got a shower afterwards, and then, Lincoln, Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina are heading to Aquatic Ruin Zone, and joining them are Space Dandy who has hooked up with Karai (TMNT 2003) and Honey.

Lincoln snapped his fingers, and the 17-year-old, white-haired, 7'5", handsome and extremely muscular man was dressed in the large orange speedo The Musiqidandi Sisters made for him, and it merged with the speedos, and turned into a brand-new large orange speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, gold metal bracers on his massive biceps and thighs, and he had his weapons holstered in case of trouble, and Space Dandy was dressed in swim shorts, sandals, and his weapons holstered.

And Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, Mina, Karai (TMNT 2003), and Honey were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out that Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina had feelings for Lincoln, and he also had feelings for them as well, plus, Lincoln saved them from a group of thugs sent by Flip to kill them to get revenge. But, Lincoln took down and killed the thugs by sucking out their blood and he'd sent their souls to The Black Gates, and he hit Flip hard in the head with a mallet.

Pauline: Wow, you've chosen Aquatic Ruin Zone for our first date, Lincoln, it's really beautiful.

Lincoln: It always is, Pauline. Shall we?

Lincoln, Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, Mina, Space Dandy, Karai (TMNT 2003), and Honey dived into the waters and they had fun swimming in the waters and they also had a swimming race and had a lot of fun and they saw the sea life that live in there, and they went back to the beach and they also had a game of volleyball, and Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina got a massive and extreme deep atomic red blush on their faces when they saw Lincoln lift thirteen 900,000,000,000,000-lb barbells Lincoln summoned in his large and strong hands and thirteen massive and long white wolf tails and Karai (TMNT 2003) and Honey got a massive and extreme deep atomic red blush on their faces when they saw Space Dandy lift two 900,000,000,000,000-lb barbells, then they had some lunch, then, as the sun was about to set, Lincoln made clones of himself and he and his clones went up to Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina, and they hugged the girls in their abnormally massive and powerful muscular arms, and Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina placed their hands on the massive pecs of Lincoln and his clones, and Dandy went up to Karai (TMNT 2003) and Honey and he hugged them, then as the sun turned orange, they shared a passionate and romantic kiss. Then, they came back home to The World Tree Estate and they were back in their original clothes, and Nico and I also saw Lincoln had lipstick marks all over his face, massive and muscular upper body, and eight-pack abs, and we also saw lipstick marks all over Space Dandy's face.

Nico: (Snickers) Looks like you two guys had a lot of fun at Aquatic Ruin Zone, right, boys?

Lincoln: (In Heaven) It was awesome!

Suddenly, six Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pauline, Nora Césaire, Sabrina Raincomprix, Giselle, Melody, and Mina with colored gems on the gold lightning bolts and colored crystal links from her merged Crystal Necklace of The Buddha and Elemental Thunderbird Chokers of

Eternal Love on their necks.

Marinette: And we always knew Nora and Sabrina had feelings for Lincoln.

Me: Awesome.

Alya: Definitely, and Lincoln saved them, Giselle, Melody, Mina, and Pauline from Flip's thugs again. But, you'll be happy to know we also beat him up again, and Sabrina, along with her aunts, Hilda and Zelda, put a spell on Flip, and if he ever tried to hire thugs to kill anymore potential members for the harems of Lincoln or Clyde, he was going to get tormented by werehounds from The Netherworld.

Sabrina Spellman: And we also kept them away from Salem.

Salem Saberhagen: Those beasts, I haven't forgotten what happened with them.

---

Later the mascots were up to something as usual.

Susie: Oh, Dear God. What are you guys up to now?

Poromon: Eddy let us borrow the hypnotizing pinwheel.

Ed Edd N Eddy Kevin: Ok. Let me show you how it works. You have to get a person to look into it and they'll. be hypnotized. Try it on me first. And then, tell me to act like a monkey and bite Ed's butt.

Poliwag: Okay.

Me: Oh this I got to see!

Poromon: [chuckling, he pulls out his wheel] "Look closely! Listen to the sound of my voice. [Kevin's eyes swirl in black and white] You will become a monkey." [He snaps his wing.]

Kevin: [twitching as he undergoes a mental transformation] "Duh! Gah. Yowch! Gloing!" [Transformation complete, he is now clearly a monkey.]

Poromon: "Find the peanut, Kevin." [Kevin goes over to Ed. He then chomps down hard on Ed's forehead. Ed runs screaming with Kevin attached.]

Ed: "AAAHH! GET HIM OFF ME EDDY! GET HIM OFF!"

We laughed hysterically and it was funny!

[Kevin climbs down and bites Ed on the butt.]

Ed: "OW! GET HIM OFF!" [He runs away.]

Poromon: Watch this.

[Poromon spins the wheel. Sarah is transfixed as her eyes swirl in black and white, and when he snaps his fingers she twitches as she undergoes a mental transformation.]

Sarah: "Aah! Aah!" [She lands on the ground in the form of a frog.] "Ribbit." "Ribbit."

Me: That is cool!

[Sarah, still a frog, reaches out and snags an insect with her tongue as Edd watches.]

Edd: [scribbling on his pad] "Hmm. Advanced hypno-morphing."

Me: That is gross!

Lana: But that is awesome!

Qin: Funny too.

Ed: [still with Kevin on his buttocks] "EDDY EDDY EDDY EDDY EDDY!"

Eddy: "Yes, Ed?"

He crashed into Eddy!

[Kevin combs through Jimmy's hair for bugs. Finding one, he smiles and holds it up. Before he can eat it, Sarah grabs it away with her tongue.]

Poromon: Everyone back to normal. [He snaps his fingers, and the transformations instantly revert. Sarah, particularly grossed out by the bug in her mouth, tries to wring her tongue of the taste.]

Me: Boy that would leave a disgusting taste in your mouth!

Poliwag: I got one.

Poliwag just hypnotized Laney.

Me: Oh boy.

Tuddrussel: Oh, man. What are you gonna have Laney do?

Poliwag: I got an idea. Laney, I want you to beat up Billy as payback for him beating up J.D. before.

Laney: Yes master!

She jumped Billy and beat the living shit out of him IN A BRUTAL FIGHT CLOUD!

Qin: YIKES!

Me: Boy that Hypnosis Wheel is powerful!

Drillhorn: (sees Manaphy hypnotize Lisa) Now you're hypnotizing Lisa?!

Manaphy: Yep! Lisa, I want you to find the next Gene Slammer for us.

Lisa Loud: Yes master.

She went and zoomed out of the estate faster than a bullet fired from a gun and came back with a Slowking!

Me: Whoa a Slowking!

Nico: Wow that was fast!

Slowking: (In a girls voice) Guess Lisa found me Nico.

Nico: Wendy Victoria!? Whoa!

She reverted back and was a girl with pink hair and green clothes and had a shell on her back.

Nico gave her a pink jumpsuit anyway.

Wendy Victoria: Boy that hypnosis wheel you guys got is amazing.

Me: I'll say. Double D where did you get that?

Edd: I got it in a psychology manual. We used it in one of our Ed-Ventures.

Me: That is awesome.

May: Wendy what's your favorite memory of Nico?

Wendy Victoria: My favorite is when we went to England to visit the home of my ancestral heritage, I am descended from Queen Elizabeth of York.

Me: That is awesome!

Nico: Yep.

Nico and Wendy hugged.

Nico: I've really missed you.

Wendy Victoria: Me too Nico.

Nosecone: (sees Horsea hypnotizing Lincoln) Now it's Lincoln's turn?!

Horsea: Yep! Lincoln, I want you to get drunk with us and Ted.

We gasped!

Me: Uh oh!

Lincoln: Yes master.

Then Lincoln and the mascots drank lots of beer bottles.

Jamesdean5842: Oh man this is not gonna be good.

Nico: (Gets the hypnosis wheel) While they're drunk, I'll hang onto this.

Lincoln: (Drunk talk and slurred speech) I worked hard to put a cornucopia on this table and you're out showing your lower ankle to every Tom, Tom and other Tom in our village!

Poromon: (Drunk and Slurred Speech) I think you are special person!

Poliwag: (Drunk and Slurred Speech) We interrupt this program because I've had kind of a crap day and I know all the station passwords to do it so smell that finger Quahog!

Me: (SNICKERS)

Manaphy: (Drunk and Slurred Speech) You want to keep it down in here!? One of us has to work in the morning!

Horsea: (Drunk and Slurred speech) Oh hey guys. Sometimes when daddies drive home drunk they come from far away places but it's okay because they didn't get arrested and they are still kind of drunk so it's okay.

Ted: (Drunk and slurred speech) Yeah hey buddy I'll have a triple cheeseburger and a large fries and do you sell pants?

Nico: (tries to hypnotize me) Let me try next! J.D., I order you to make ice cream sandwiches for me, May, and Maria!

But it had no effect on me.

Me: Nice try Nico.

Nico: Hey it didn't work on you?

Me: Weird. I guess I'm too strong willed for it.

Qin: Wow.

Me: Now let me try.

I took the wheel and hypnotized Nico.

Me: Nico I order you eat a barrel of chum.

We gasped!

Qin: OH BOY!

Nico: Yes master.

Nico did so and he was eating it.

Nico then realized what he was doing and then he ran to the bathroom and hurled his guts out!

He came back and he was sick to his stomach!

Qin: YUCK!

Me: Okay maybe that one was extreme.

Nico: (hypnotizes Luan, Luna, and Lily) Very funny, J.D. Last one. Luna, I want you, Luan, and Lily to dive into a mud puddle!

Lola: Well, better them than me!

Luna, Luan and Lily: Yes master.

They went and dove into a mud puddle!

KRASPLAT!

They were covered head to toe in mud!

Nico: Okay, everyone back to normal!

Nico snapped his fingers and then Lincoln and was still drunk and

Laney saw that she beat up Billy brutally and viciously and Lisa saw that she was still standing still and Nico had a really disgusting taste in his mouth.

Nico: BLECH! WHAT THE FUCK DID I EAT!?

Me: I made you eat chum.

Nico went back to the bathroom and hurled his guts out.

I snapped my fingers and Lincoln came back with a horrible hangover headache!

Lincoln: What the fuck happened!? Did I get drunk!?

Me: Yes you did Lincoln.

Nico: Me, Poromon, Poliwag, Manaphy, and Horsea are in big trouble, aren't we?

Me: Well yes and no. Yes because you let the power of this thing go to your head. And no because we got a funny laugh out of all this. But worse because you made Luna, Luan and Lily go dive into mud.

Qin: Also you made Laney beat up Billy for payback on him beating the shit out of J.D. in a jealous rage.

Poromon: We're very sorry.

Me: No harm done to me though. My mind was too strong willed to be hypnotized.

Nico: That is amazing.

Me: But hey at least we know this thing works.

Lana: Here bro.

She gave Lincoln some ice.

Lincoln: Thanks Lana.

Poliwag: We're very sorry, Laney. We just wanted to have fun with it.

Laney: It's all right guys.

Qin: But that was brutal.

Me: Yeah. Oh Nico?

Nico: Yeah?

ICE CREAM SANDWICH MAGISWORD!

I gave everyone ice cream sandwiches.

Nico: Hey thanks!

Chaor: Nico, which teams have you made this time?

Nico: Tristan's team will include Candy, Olivia Boone, Booster Gold, Black Orchid, and Gamora. Supergirl's team will include Michiru, Leia Romanov, Silver Surfer, Plastic Man, and Blue Beetle.

Me: Ooh cool choices.

Qin: Yeah!

Me: But we haven't met Booster Gold yet. It'll be awesome to meet him though.

Xenia: It sure will.

Plastic Man: But it will be awesome to be on a team.

Blue Beetle: Same here.

Lola: Yeah.

Then the Previous group came.

Baron Mordo: Can me, Deadwood, Brass Knuckles, Mojo Jojo, Killer Croc, Amora, Electropede, Thundermon, Felix Faust, and Kerbero Gangan go with you all?

Evil Cut Man: Me, Emil Eagle, Evil Crash Man, Ape Man, Ghost of Dr. Coffin, Evil Drill Man, Millipede Pete, Strikning, Ozzie Ostritch, and Bond Man will come as well.

Nico: Yes you all can come with.

Qin: I have a feeling our mission will be good.

Xenia: It sure will.

Camie: Yep.

Android 17: Nico, which Gene Slammers do you think you'll meet next?

Nico: Misdreavous and Unown next.

We gasped!

Qin: WHOA!

Molly Hale: Wow! This will be amazing!

Me: The Unown are powerful and have intensely strong reality warping powers.

Xenia: They sure do.

Camie: Yep.

Me: We don't know what our mission is though.

Camie: I'm sure it will come to us.

Suddenly, the phone rang, and Winter Icyin picked it up.

Winter Icyin: (British Accent) Hello.

Mordecai: Winter, it's Mordecai. Listen, tell the team to get here as fast as you can, Death Bear's back!

We suddenly heard Mordecai's voice, and Maria's face paled.

Nico: Did you say… Death Bear's back?! Mordecai, we'll be right there.

Winter Icyin then hung up. But, then she saw Maria really pale in the face.

Winter Icyin: (British Accent) Hey, what's wrong, Maria?

William: She had a nasty encounter with Death Bear years ago, and she was really scarred by that.

Maria: So… horrible!

Lincoln: We got rid of Death Bear, but he left a really nasty scar on her, physically and mentally, and now, it looks like he's come back from the dead again for revenge.

Me: Well, it looks like we need to get rid of Death Bear once and for all.

Nico: Yeah!

Suddenly, Lincoln's deep sapphire blue eyes and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more, as they sensed a dark energy signal with their eyes and the Force, and they saw who the figure was in the vision: the figure was none other than Rubén Parra of The Order of Nuestra Señora de la Santa Muerte, and he's coming to kill Maria Garcia and the other Fabled Gene-Slammers yet again. When we saw it, we knew it meant trouble.

Rayman: Uh oh, I know the glowing eyes from anywhere. Lincoln, everyone, is Rubén Parra of The Order of Nuestra Señora de la Santa Muerte coming after us?

Lincoln: You guessed it, Rayman, and he's absolutely pissed off about what happened yesterday.

Maria Garcia: (Spanish Accent) Antonio Maldonado must've found out about it, and now, he's really enraged now.

Carmen Valkyrus: (Spanish Accent) Let him get enraged, we'd already had it up to hear with those Dark Santeria-practicing fanatics for the last time. So, we're finally going to get rid of Rubén Parra for good, excellent.

Me: With what you girls and Lincoln are doing by slaying every last member of The Order of Nuestra Señora de la Santa Muerte, this is really pissing off Antonio Maldonado.

Nico: What these guys have done in causing this kind of horror and terror in Mexico years ago with their sacrificial rituals. They're even worse than The Church of Necrom, The Order of The Black Cross, or even The Chernabog Sisters.

Lincoln: Not exactly, Nico, unlike The Order of Nuestra Señora de la Santa Muerte, those three groups we'd dealt with in the past were a danger to the entire world with their dark powers, and the crimes they'd committed against humanity were extremely dark, and they've made deals with the demonic forces of Hell by selling their souls in exchange for those dark powers.

Me: Yeah, The Chernabog Sisters' parents made the deal with The Devil before they were even born to give their unborn daughters the powers of Hell and The Order of The Black Cross toyed with dark Satanic forces.

Nicholette Torrington: And Damian Alaister and his fucked-up friends had sacrificed their own families in a dark Satanic Ritual in their devotion to Necrom, and after they gained their dark powers, they all went on a bloody rampage killing millions of people in their rampage.

Lincoln: Yep, so even compared to those three dark Satanic groups, The Order of Nuestra Señora de la Santa Muerte is not on a high-level threat like those three, but they're still just as dangerous as they kidnapped many innocent people and ritualistically murdered them in their dark rituals, and we can't forget that they tried to desecrate the bodies of the dead in Mexico's cemeteries for their dark sacrilegious rituals.

Nico: They're playing with forces they can never comprehend: messing with the bodies of the dead is bound to anger the spirits of the dead who're buried there. Alright, gang, let's go, we need to get to The Park and slay Death Bear.

Lincoln: That World War I-dressed bear is not going to terrorize anyone ever again, and once we get through with Death Bear, you're the next one to die, Rubén Parra.

Carmen Valkyrus: (Spanish Accent) That beast is going to pay for what he did in traumatizing Maria, and once we get through with turning him into a throw rug, you better say your prayers, Rubén Parra, because you deserve no salvation from God for your sins, for there is only one thing that awaits you: Eternal Damnation.

Deadwood: Let's get going.

Emil Eagle: I hope we're not too late.

Maria was shaking in fear and fright.

Me: Maria it'll be all right.

Qin: Yeah.

Maria: (GULPS) Okay.

We were off to the park.

---

We arrived at the Park.

RD Clyde: Hey there, Park Workers!

Mordecai: Hey guys thank goodness you made it.

Benson: Sorry to have to call you all in like this.

Rigby: Yeah I take it you heard that the Death Bear is loose.

Xenia: We sure did.

Me: Before we figure something out, what can you tell us about this bear?

Mordecai: He's a bear that lived in an abandoned zoo 20 years ago and never left.

He told us about it.

---

Fifteen to twenty years prior to the events of the episode, he was a regular bear who lived in the Park Zoo. One day, out of nowhere, he attacked and killed his trainer. The zoo was forced to close down, but Death Bear wouldn't leave. He still roams around the old abandoned zoo, growing more evil over the years, only to be able to survive by breaking into people's homes, eating all of their food, and then eating them. Mordecai, Rigby, Margaret, and Eileen tried to get a picture of him in his cage, but Death Bear reveals itself and chased them back to Pops' House. There, Eileen calls Animal Control, but Death Bear incapacitates all the officers. Mordecai then grabs an animal tranquilizer gun and begins shooting at the bear multiple times. The darts appear to have no effect at first, but Death Bear soon succumbs to effects of the tranquilizers. The unconscious bear was then put into the hands of Animal Control, who transports him by helicopter to an animal sanctuary.

---

We were shocked!

Me: Whoa man! And he wears one of those old World War I Era Germany pickelhaube helmets? Boy we haven't seen those in over 100 years.

Nico: Not since then.

Mojo Jojo: And now, he's on the loose.

Ape Man: I bet he can't be a match for apes like me and Mojo!

Me: We'll find out. Bears are all muscle.

Kenai: Take it from me there.

Xenia: And the Bear Brothers too.

Grizz: She's right.

Maria was shaking in absolute fright and terror.

Mordecai: What's wrong with Maria?

Me: Oh we had an incident where Maria was mauled by a mutant bear and ever since then she was terrified of some bears ever since.

Camie: Really? When did that happen?

Me: One day before my birthday back 3 and a half years ago.

Nico: Oh yeah! I remember that.

I went over what happened in the events of chapter 477.

* * *

Maria, Carmen, Jonny, Jimmy and Rolf are heading into the woods.

Maria: (To the Viewers) Rolf and the Urban Rangers are heading into the woods for their Camping excursion and I was asked to come along to make sure that Carmen is gonna be okay. It's her first time camping and as an older sister I have to look out for her.

They went into the forest and they set up all of camp. Rolf built a concrete brick chimney. Jimmy, Jonny and Maria were deciding where to place Rolf's chair.

Maria: How about right here Jimmy?

Jimmy: It's perfect Maria.

Carmen: I like it. Captain Rolf what do you think?

Rolf: It looks perfect there Rangerette Carmen. Now lets go start a campfire.

Carmen: Yes sir Captain Rolf.

Carmen pushed a lever and put a plug in and an artificial fire was on.

Rolf: Good work Rangerette Carmen.

Carmen: (Salutes) Thank you Captain Rolf.

Later that night they were sitting in front of the fire.

Jonny: There's something magical about flames that makes you want to stare at them all night huh Plank?

Carmen: You said it Jonny.

Maria: This is so much fun huh?

Rolf: You know what would be perfect for this Rangerette Carmen?

Carmen: What Captain Rolf?

Rolf: A good song.

Carmen: I have one, after a long day of camping, it's nice to unwind with a nice, relaxing campfire song. I call this one "The Campfire Song Song". Let's gather 'round the campfire, and sing our campfire song. Our C-A-M-P-F-I-R-E S-O-N-G song. And if you don't think that we can sing it faster, then you're wrong. But it'll help if you just sing along…

Jimmy **:** Bum! Bum! Bum!

All three **:** [Jonny slightly behind Jimmy and Carmen in the words] C-A-M-P-F-I-R-E S-O-N-G song! C-A-M-P-F-I-R-E S-O-N-G song!

Carmen: And if you don't think that we can sing it faster, then you're wrong! But it'll help if you just sing along…

Jonny **:** Sing another song…

Carmen: C-A-M-P-F-I-R-E S-O-N-G song! Jimmy!

Jimmy: SONG! C-A-M-P-F-I-R-E…

Carmen: Maria and Jonny! [sings] Good! It'll help… it'll help… if you just sing along! [Carmen smashes his ukulele like a guitar at the end of a rock show. Jonny does the same with his drum set] Oh yeah! Ahh, now, wasn't that relaxing?

Maria: It sure was. You're a great singer Carmen.

Carmen: Thanks sis.

Rolf: And here's your badge for a great campfire song.

Carmen: Thanks Captain Rolf.

Maria: Lets see how it compares to this.

She pulls out a clarinet and plays.

Carmen: (Panics) Oh no! (Grabs a marshmallow) I'll save you sis!

She fires a marshmallow from a slingshot and it goes into Maria's mouth. Maria falls over.

Carmen runs over and grabs the Clarinet and tosses it away.

Carmen: Sis are you okay? That's it. That's it. Chew, chew and swallow.

Maria chews up the marshmallow and swallows it.

Carmen: There. Better?

Maria: Better!? I was just fine until you launched that ballistic junk food into my windpipe!

Carmen: But I had to! It's too dangerous to play the Clarinet badly out here in the wilderness. It might attract… (Into Maria's ear) A mutant bear.

Maria: A mutant bear? You mean like the ones on my favorite show Total Drama?

Carmen: That's right sis.

Jimmy: We saw them in the Gotham Royal York Enquirer. (Holds up said tabloid magazine)

Maria: "I married a Mutant Bear"?

Jonny: Yeah and Fake Science Monthly. (Holds up said Tabloid Magazine)

Maria: "Mutant and Unicorns are real"? That is really stupid. But 1) unicorns don't exist and 2) Mutant Bears only live on Wawanakwa Island on Lake Huron. They won't hear me play over here.

Carmen: Trust me sis. These bears have really strong and acute hearing. They can hear clarinet playing from a long distance away. They are no laughing matter. Why, once I met this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy who knew this guy's cousin…

Maria: Okay I get the point. In fact why don't you tell me all of the things I shouldn't do if I want to keep the Mutant Bears away.

Carmen: Okay that's easy. First off, don't play the Clarinet.

Maria: Okay. Then what?

Jimmy: Never wave your flashlight back and forth really fast.

Jonny: Flashlights are their natural prey.

Maria: You're kidding.

Carmen: Don't stomp around. They take that as a challenge.

Jonny: Yeah.

Maria: (Pulls out a notepad and writes) Go on.

Rolf: Don't ever eat cheese.

Maria: Sliced or cubed?

They whispered.

Carmen: Cubed. Sliced is safe.

Maria: Yeah. I'm listening.

Carmen: Never wear a sombrero…

Jimmy: In a goofy fashion.

Carmen: Or Clown Shoes.

Jimmy: Or a Hoop Skirt.

Rolf: And Never.

Jimmy: Ever.

Jonny: Ever!

Carmen: EVER!

CARMEN, JONNY, JIMMY AND ROLF: SCREECH LIKE A CHIMPANZEE!

What they didn't know was that Me, Nico, The Ed's, Luan, Spiderman and Tara were hiding in the trees watching the whole thing.

Maria: Wow! That's amazing how many things can set a mutant bear off!

Both: [huddling together, shuddering] They're horrible!

Maria: And… and suddenly I have the sense we're all in danger.

Both: Why?

Maria: I don't know… [runs off and returns with a flashlight, clown shoes, hoop skirt, sombrero, and tray full of cubed cheese; a diabolical look is on her face] Just a feeling!

Jonny: [horrified] No.

Maria: Yes.

Me: (Whispering) She wouldn't dare.

Jonny: No.

[Maria begins making chimp noises]

Carmen and Jimmy: Maria, please don't!

[Maria continues hooting, stomping, and waving flashlight around]

Carmen (glares at her older sister): Knock it off, sis! Have you ever considered that it might be true?

Jimmy: Jonny, what are we gonna do? A mutant bear's sure to come and eat us!

Jonny: Don't worry, Jimmy. I'll draw us an anti-mutant-bear circle in the dirt. [takes stick and draws circle around himself, Carmen, Plank, Jimmy, and Rolf]
